simultaneous presentation procedure, selection of preferred reinforcers, male developmentally delayed mute 4 yr old identical twins, 29942
transient prenatal hypoxia & orange essence in amniotic fluid, chemosensory learning in orange essence preference behavior, adult rats, implications for reoxygenation as positive reinforcement, 28398
verbal praise vs music reinforcement, soccer kicking performance, profoundly mentally retarded 10–17 yr olds, 22590
verbal praise with vs without music vs vibratory reinforcement, independent physical fitness performance, profoundly mentally retarded 10–18 yr olds, 30370
Positive Reinforcement [See Also Praise]—Chapters
Cortical regulation of self-administration, 20619
The restoration of performance capacity by cognitive restructuring and covert positive reinforcement in an elite athlete, 46327
Scheduling positive reinforcers, 28163
Positivism—Serials
negatively vs positively framed strategies, decision making, 17 yr old preuniversity students with vs without mathematical training, Singapore, 8306
positive feelings, positive vs negative superordinate person trait categorization, college students, 4411
positive thinking & optimistic orientation to life, well being, research review, 33339
trait anxiety & positive vs negative affectivity, bias in homophone spelling interpretations, 18–40 yr olds, 41284
use of logical positivism construct in & factor structure of Attitudes About Reality Scale, college students, 7950
Positivism—Chapters
The impact of positive affect on persuasion processes, 9562
Positron Emission Tomography [See Tomography]
Possession [See Ownership]
Postactivation Potentials—Serials
adenosine A1 receptor blocker DPCPX vs aniracetam vs forskolin, hippocampal long term potentiation induced by theta pattern stimulation, rats, 28663
age, potentiation in hippocampal CA1 region & spatial memory, male F344 rats, 40357
aging & caloric restriction, posttetanic & long term potentiation in hippocampal slices, 2–24 mo old rats, 44479
alpha-tocopherol, long term potentiation in hippocampal CA1 pyramidal neurons, female guinea pigs, 44748
anatomic location & neurochemical characterization of 5-HT containing neurons & inhibitory postsynaptic potentials of ganglion cells, lobsters, 44497
Arg-Gly-Asp peptides, high frequency stimulated CA1 field expression vs stabilization of long term potentiation, rat hippocampal slices, 32717
calcium/calmodulin dependent protein kinase II, long term potentiation of evoked responses of visual cortex neurons, rats, synaptic model of learning & memory, 36601
cellular & molecular mechanistic bases of NMDA receptor dependent expression of long term synaptic potentiation in hippocampus, vertebrates, implications for memory, 24650
coactivation of neurons & synaptic potentiation plasticity in adjacent neurons of visual cortex slices, 2–4 wk old rats, implications for memory & learning, 32492
cocaine, induction & maintenance of long term potentiation in hippocampal slice preparations, rats, implications for memory & learning, 40676
cyclic adenosine monophosphate dependent protein kinase, late state hippocampal long term potentiation of CA1 neurons, rats, implications for establishment of explicit memory, 40574
deficient hippocampal long term potentiation, a-calcium-calmodulin dependent kinase II mutant mice, implications for study of mammalian learning processes, 4620
dynamics & information processing potential & other characteristics of pulse propagation networks using temporal coding by action potentials, 35708
entries & time in novel alley of emergence apparatus, threshold & magnitude of perforant path long term potentiation in dentate gyrus & plasma corticosterone, neophobic vs neophilic male rats, 44488
extracellular philanthotoxin-343, transmission & long term potentiation in hippocampus at Schaffer-collateral/commissural CA1 synapses, male rats, 36829
fimbria stimulation, negative wave components of long term potentiation in lateral septum, male mice, 36602
GABA autoreceptor mediation of activity dependent depression of polysynaptic inhibition in dentate gyrus of hippocampal slice, male rats, 36542
glycine site antagonist 7-chlorokynurenic acid, hippocampal long term potentiation & acquisition of spatial memory, male rats, 4663
high frequency stimulation of ventral endopyriform nucleus with vs without DL-2-amino-5-phosphonovaleate, excitatory postsynaptic potential & NMDA receptor mediated transmission in amygdala, rats, 36603
hippocampal long term potentiation, spatial learning performance, a-calcium-calmodulin kinase II mutant mice, 4619
in vitro long term potentiation of perforant path synapses in hippocampal CA1, rats, 32381
lateral olfactory tract pattern stimulated cue vs natural odor discrimination, long term potentiation of synaptic responses in piriform cortex, male rats, 28545
long & short term perfusion of potassium & glutamate, long term potentiation erasure & persistent neuronal depression, rats, animal model of memory loss due to neurological dysfunction, 28715
long term potentiation in olfactory cortex & bulb, A1 & B1 components of piriform cortex EPs, male rats, 8720
Mauthner axon firing, postsynaptic potentials of primary motoneurons, goldfish, 620
medial septum lesions, long term potentiation in commissural or mossy fiber & CA3 pathways & working spatial memory & hippocampal & fimbrial acetylcholinesterase, male rats, 24673
motor cortex tetanic stimulation, long term potentiation of neurons in somatosensory cortex, adult cats, 32406
mu & delta & kappa opioid receptor antagonists, induction of hippocampal mossy fiber long & short term potentiation at CA3 synapse, male rats, 32607
mutation of nonreceptor tyrosine kinase genes, long term potentiation & spatial learning & memory & hippocampal development, mice, 20494

nerve growth factor, long term potentiation of receptors in hippocampus, rats, 36564
nitric oxide synthesis inhibitor L-NAME, synaptic plasticity in conditioned eyeblink & water maze learning & memory, rats & rabbits, 36734
NMDA antagonist 2-amino-5-phosphonovalerate dosage, spatial learning & hippocampal long term potentiation, male rats, 40534
oxa-oxaprotiline vs levo-oxaprotiline bath, electrophysiology & long term potentiation in transverse hippocampal slices, male rats, 4744
previous synaptic activity, threshold induction of long term depression & potentiation in hippocampal slices, male rats, 40455
protein kinase C activation & induced potentiation & changes in synaptic morphology in hyperstriatum ventrale, chicks, memory & learning implications, 40433
small cardioactive peptide b, excitatory postsynaptic potential & excitability of command neurons of defensive avoidance behavior, edible snails, translated article, 4747
synaptic plasticity & long term potentiation in corticohippocampal pathway & memory encoding & readout, 570
tetanic stimulation of corpus callosum, potentiation changes in excitatory postsynaptic potential in striatal neurons, male rats, 32456
theta frequency stimulation of hippocampal CA1 field with vs without norepinephrine &/or adenosine A1 receptor antagonist, reversal of long term potentiation, male rats, 24768
traumatic brain injury, long term potentiation & synaptic responses of hippocampal CA1 pyramidal cells, male rats, animal model of brain injury, 8655
trimipramine, hippocampal plasticity quantified from excitatory postsynaptic potentials, male rats, 40619

Postactivation Potentials—Chapters

Long-lasting potentiation of synaptic transmission in the dentate area of the anaesthetized rabbit following stimulation of the perforant path, 20690
Presynaptic mechanism for long-term potentiation in the hippocampus, 20613

Postganglionic Autonomic Fibers [See Autonomic Ganglia]

Postgraduate Training [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Medical Internship, Medical Residency]—Serials

development of distance learning postgraduate course in human computer interaction, software developers & engineers & technical managers, UK, 3374
need for postgraduate employment in scientist practitioner model of professional education & training, practicing psychologists, commentary, 19320
postdoctoral education for professional practice, psychologists, commentary reply, 7307
postdoctoral education for professional practice, psychologists, commentary, 7303
postdoctoral education for professional practice, psychologists, commentary, 7301
postdoctoral training program in severe mental illness, postdoctoral fellow psychologists, 43072
professional & personal issues in postgraduate retraining in clinical psychology, nonclinical psychologists, conference presentation, 31116
restructuring of membership examination of Royal College of General Practitioners, learning approaches, postgraduate physician trainees, UK, 23389

Postgraduate Training [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Medical Internship, Medical Residency]—Chapters

Conferences on internship and postdoctoral training, 27276

Postnatal Period—Serials

alcohol during gestation & lactation & postweaning periods & rehabilitation, gangliosides & glycosidases in brain & cerebrum & cerebellum & brain stem, rats, 44705
alcohol exposure during neonatal brain growth spurt, astrogliosis assessed by glial fibrillary acidic protein, rat pups, animal model of fetal alcohol syndrome, 28710
aluminum dosage given to mother during gestation &/vs lactation, food intake & body weight & growth & liver & brain manganese & liver iron & neurobehavioral development, female mice pups, 709
antenatal psychological morbidity & early postpartum mood & postnatal depression, pregnant females, letter, 13724
cesarean birth information, postpartum pain & physical distress & functional status & self esteem & feelings about birth & baby & marital relationship, females with unplanned cesarean delivery, 22905
clinical features & pharmacotherapy, female 23–43 yr olds with postpartum obsessive compulsive disorder, 41644
cross cultural analysis of puerperium & mother infant interactions in early postnatal period, literature review, 9445
depressive symptoms at 5 days vs 6 wks postpartum, females, England, 5820
detection & assessment & treatment of postpartum disorders, 5769
development of postpartum rapid cycling affective disorder, female 36 yr old, commentary, letter, 45462
dominance & partner's playfulness & temperament & neonatal testosterone & apomorphine susceptibility, play fighting, juvenile rats, 12857
dynamics of child abuse during early postnatal period, 5 wk to 18 mo olds & their parents, 25932
environmental constraint vs motor competition hypothesis of neonatal disappearance of prenatal facial wiping, Norway vs cotton rats vs Mongolian gerbils vs spiny mouse fetuses, 4532
estrogen in peripheral plasma, male vs female gray opossums assessed from postnatal period through adulthood, 12639
estrogen, postpartum development of maternal aggression, ovariectomized mice, 44508
fluoxetine, female 30 & 34 yr olds with postpartum onset of obsessive compulsive disorder, case reports, 38595
hedonic response to infant vs adult vs food & synthetic odors, 2–3 day vs 1 mo postpartum mothers vs adult male vs female nonparents, 32541
home environment & postnatal medical problems, behavioral development, low birth weight 18 mo olds, 14157
internal & external resources & maternal antecedents & interferences, prediction of breast feeding duration, mothers, 12 mo study, commentaries & reply included, 33121
intrauterine cocaine, prenatal teratogenic & neurological effects & postnatal manifestations, fetuses & newborn infants, 6083
maternal liquid diet containing alcohol, BP & pregnancy & postnatal growth, rats & their offspring, erratum, 4950
neonatal bombesin, exploratory & other motor behavior & core body temperature & isolation or novelty induced activity & stress & open field behavior, rats, erratum, 8954
neonatal capsaicin, preference for & intake of bitter vs sweet vs salty vs pungent stimuli, albino rats, 24883
neonatal cerebral cortex puncture wounds, development of molecular layer ectopias, rats & mice, 8666
neonatal clomipramine, immobility in forced swim test, male rat pups, validation of new animal model of depression, 4951
neonatal lesions of ventral tegmental area, stress induced monoaminergic responses in medial prefrontal cortex & other dopamine projection areas, female rats, 20524
neonatal medial prefrontal cortex lesions, spatial delay alternation sparing & dopaminergic innervation & DOPAC & HVA, male rats, 550
neonatal norepinephrine neurotoxin DSP-4 & social environment & rearing, exploratory behavior & social interaction, male rats, 12757
neonatal vs weanling vs aduit lesions of mesotelencephalic dopamine pathway, paw reaching & rotation behavior, female rats, 24642
neonatal 1,4,6-androstratriene-3,17-dione, partner preference behavior, castrated vs intact male rats, 44576
parity & time since parturition, responsiveness to recorded piglet squeal, sows, 4508
perception of sibling visitation, female 21–37 yr olds hospitalized postpartum, 23144

perceptions of postpartum support group & factors contributing to group's continuation, 30–42 yr old mothers, conference presentation, 1262
perinatal health & complications & other factors, violent & aggressive behavior & antisocial personality in later life, high vs low risk criminal vs noncriminal male children, 14012
perinatal thymectomy, reproductive function & sexual behavior, rats, 12628
perinatal trauma & abnormal pregnancy & postnatal injury & infection, mentally retarded 6 mo to 15 yr olds, India, 22121
postnatal ACTH & plasma corticosterone, hypothalamic dopamine & serotonin innervation & sexual behavior & maturation, female rats, 44572
postnatal aluminum, brain choline acetyltransferase activity & learning ability, rat pups, 4762
postnatal auditory tones, tuning characteristics of inferior collicular neurons & brain stem auditory pathways, male rats, 8665
postnatal bovine basic fibroblast growth factor, developmental sensorimotor processes & homing & open field & other behavior, mice, 40668
postnatal castration, intermale aggression, male mice, 40473
postnatal cocaine, cerebral glucose metabolic patterns, preweanling rat pups, 36755
postnatal cocaine, passive avoidance learning & cholinergic development, rat pups, 40661
postnatal dihydrotestosterone vs estradiol or cyproterone acetate vs tamoxifen, acquisition & extinction of continuously reinforced leverpressing, male vs female rat pups, 4757
postnatal ethanol tolerance, thermal responsiveness & righting reflex & olfactory aversion learning, preweanling rats, 40598
postnatal GABA-transaminase inhibitor ethanolamine O-sulphate, GABA-A receptor binding & hypothalamic monoamines & alcohol intake & weight gain & open field & other behavior, male rats, 24990
postnatal handling stress, icv beta endorphin induced antinociception & perception of thermal nociceptive stimulation & Straub tail response, mice, 40491
postnatal lead, CRs & discrimination & spatial delayed alternation, monkeys followed from infancy through adulthood, 4904
postnatal lead, sensitivity to NMDA induced seizures & other motor responses, male rat pups, 12860
postnatal morphine, sexual dimorphism of accessory olfactory bulb, male rats, 8986
postnatal morphine with vs without naloxone, EEG & locomotion & other motor behavior, rat pups, 8988
postnatal orochemical deprivation during artificial rearing, organization & development of gustatory afferent terminal fields in nucleus of solitary tract, male rats, 20555
postnatal protein malnutrition & chlordiazepoxide, inhibitory avoidance & shock threshold & locomotor activity & other measures, male rats, animal model of anxiety, 676
postnatal sc peptide solutions, passive avoidance reaction, rat pups, 24955
postnatal sc somatostatin vs CPP-1, neurobehavioral & physical development & separation distress & learning ability, rat pups, 785
postnatal stress & age, plasma corticosterone, 8–14 day old mice, 28635
postnatal stress, mesolimbic dopamine metabolite function during arousal, adult mice, 44386
postnatal undernourishment, spatial learning ability, rats, 8759
postnatal 3,3-iminodiproprionitrile, spatial & olfactory discrimination learning & maze activity & other neurobehavioral functioning, rats, 40540
postnatal 6-OHDA induced dopamine depletion with or without SCH 23390 vs clebopride, apomorphine induced stereotypy, 6 vs 21 vs 60–90 day old rats, 20792
predictors of relationship quality, 18 yr old & older females hospitalized for high risk pregnancy & their husbands or partners assessed through 8 mo after birth, 29231
premorbid & sociodemographic features & long term course & outcome, female schizoaffective patients with vs without onset in puerperium, Germany, 17821
prenatal & perinatal & postnatal experiences, infant & parental narcissistic development & difficulties, handicapped children & their parents, 34066
prenatal & perinatal complications, perseverative errors on Wisconsin Card Sorting Test, schizophrenic vs nonschizophrenic adults vs nonschizophrenic siblings, 39864
prenatal & postnatal ethanol, glial cell development in optic nerve, rat pups, 4894
prenatal & postnatal exposure to low to moderate lead, cognitive development & IQ, 6.5 yr olds, 28910
prenatal vs neonatal heroin vs PCP, hippocampus related behavioral deficits & concomitant alterations in septohippocampal cholinergic innervations, mice, animal model of neuroteratogenicity, 16887
prenatal vs neonatal nicotine, hippocampal muscarinic receptor binding & hippocampus related performance on 8 arm & Morris water maze, mice, 21051
prenatal vs neonatal phenobarbital, septohippocampal cholinergic alterations & Morris water maze behavior, mice, 8967
prenatal vs postnatal cocaine, somatostatin binding in olfactory bulb, rat pups, 8966
prenatal vs postnatal ethanol, brain weight & enolase isoenzyme activity, 1–3 wk old rats & their dams, 8909
prevention & treatment of substance use disorders, pregnant & postpartum females, 42952
psychiatric diagnosis, pregnant or postpartum vs nonpregnant 15–44 yr old females, 41518
psychoanalytic significance of anaclitic environment & dimension following birth, analysts & their patients, 10614
psychosocial & psychiatric distress, Black vs White treated vs untreated pregnant & recently postpartum cocaine abusing clients, 23275
psychosocial factors, emotional well being, mothers assessed 4–6 wks postpartum, Great Britain vs Greece, 21559
quinpirole from day 10 of gestation to birth vs 1–11 vs 12–22 vs 23–33 days after birth, sensitization to quinpirole induced yawning behavior, adult rats, 36812
quinpirole from 2nd postnatal week, quadrupedal activity vs grooming vs various forms of vertical & lateral body movement, infant vs adult rats, 4784
representations of baby & self as mother, 20–35 yr old females assessed in 7th mo of pregnancy vs 5th day vs 4th mo postpartum, 37332
S-adenosylmethionine, anxiety & depression & somatic symptoms & hostility during puerperium, females, Italy, 42416
saliva cortisol & depressive & other mood states, female 20–39 yr olds assessed 2–7 days after childbirth, 20735
sc cocaine, water consumption & weight gain & other maternal & offspring outcomes, pregnant mice & their pups, 16749
sexual activity during & after pregnancy, 17–34 yr old Muslim females, Kuwait, 41173
sexual dimorphism in extinction of running response under continuous reinforcement, female rats postnatally treated with estradiol or dihydrotestosterone vs males with tamoxifen antiandrogens, 36871
short or long term monocular deprivation during critical postnatal period, physiological & anatomical axonal changes in visual cortex, kittens, 44378
smoking related beliefs & other psychosocial factors, postpartum smoking relapse, female 18–45 yr olds who quit smoking during pregnancy, 6 wk vs 6 mo followup, 11127
sociodemographic factors, prediction of prenatal & postpartum smoking behavior & cessation, Black vs White adult pregnant females, 17425
T maze behavioral lateralization during postnatal development, 30–60 day old rats, 44441
testosterone propionate induced neonatal androgenization, circadian organization of food intake, male vs female rats, 28738
treatment issues & modalities, mothers with puerperium related mental disorders, 14457

undernourishment during suckling, walking locomotion, female rats, 12633
unilateral dopamine depletion in neostriatum with vs without grafts, 5-HT hyperinnervation & rotational response, neonatal rats, 4627
validity of Edinburgh Postnatal Depression Scale outside postpartum year, mothers & fathers of 19–22 mo olds, England, 39831
validity of 28 item General Health Questionnaire, detection of psychiatric morbidity, adult females attending antenatal clinic, Nigeria, 27991

Postnatal Period—Chapters
Postpartum disorders, 45424

Postpartum Depression—Serials
adrenocortical function & maternity blues symptoms, pregnant 18–38 yr old females, longitudinal study, 13739
antenatal psychological morbidity & early postpartum mood & postnatal depression, pregnant females, letter, 13724
biological & cultural factors & infant related stressors & other psychological issues in postpartum depression, literature review, 17727
clinical psychology research & theory & interventions for PMS & postnatal depression & menopausal syndrome & issues in female reproduction, 1565
contributions from nursing vs other disciplines on postpartum depression, females, implications for future nursing research, 33578
depressive symptoms at 5 days vs 6 wks postpartum, females, England, 5820
early infant temperament, maternal postpartum depression, literature review, 37701
group psychotherapy intervention & couples group, symptoms, females with postpartum depression, 38496
inadequacy of psychohistorical diagnosis of hysteria & postpartum psychosis based on spiritual autobiography, M. Kempe, 14th–15th century, 17690
postpartum blunted affect followed by increased irritability, primigravida females, implications for role of dopamine metabolism in postpartum depression, letter, 25772
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr old female with bipolar illness or history of puerperal affective psychosis, commentary, letter, 42498
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr old females with bipolar illness or history of puerperal affective psychosis, commentary, letter, 42460
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr olds females with bipolar illness or history of puerperal affective psychosis, 18700
psychiatric course, patients with postpartum psychotic disorders, 4–18 yr followup, Italy, 17777
role of hormones & biochemical factors in postnatal depression, 5815
serum & erythrocyte folate & postpartum depression, 19–43 yr old mothers, France, 3 mo study, 9827
stressful life events & social supports, prediction of depressive symptoms, poor inner city Black & Puerto Rican 13–19 yr old mothers assessed 1–36 mo postpartum, 17749
support group, social psychological problems & symptoms & resolution processes, 20–38 yr old mothers with postpartum depression, application of grounded theory, 22825
supportive labor companion, postpartum depression, mothers examined at 3 mo postpartum, South Africa, 26930
symptoms & misdiagnosis of postpartum depression, 37 yr old new mother with multiple personality disorder, case report, 21723
symptoms & psychiatric history & course & psychosocial functioning, females with postpartum vs nonpostpartum depression, 6 mo followup, 37718
use of Edinburgh Postnatal Depression Scale, postpartum females, 39820
validity & factor structure of Dutch version of Edinburgh Post Natal Depression Scale, postpartum females, Netherlands, 20042
validity of Edinburgh Postnatal Depression Scale outside postpartum year, mothers & fathers of 19–22 mo olds, England, 39831

Postpartum Depression—Chapters
Postpartum depression: A spectrum of treatment options, 26498

Postpartum Psychosis [See Postpartum Depression]

Postsurgical Complications—Chapters
Lasting consequences of bilateral medial temporal lobectomy: Clinical course and experimental findings in H. M, 22950

Posttesting—Serials
response confidence & delayed vs immediate feedback, posttest performance, college students, 44117

Posttesting—Chapters
Psychometric implications of learning potential assessment: A typological approach, 35811

Posttraumatic Stress Disorder—Serials
alcoholism & drug abuse, dually diagnosed patients with PTSD, implications for rehabilitation, 41408
alexithymia, prediction of response to psychotherapy with imipramine vs phenelzine vs placebo, male Vietnam veterans with PTSD, conference presentation, 18480
alexithymia, rape victims with vs without PTSD, conference presentation, 37904
anger feelings & expression & PTSD development, female crime victims, 18075
application of animal models of stress to understanding of PTSD, 45580
attention & new learning & memory, Vietnam combat veterans with PTSD, 45574
behavior therapy, male 29 yr old with PTSD following mild head trauma, case study, 34436
behavioral treatment, children & adolescents with PTSD, research review, implications for flooding technique, 30371
buspirone, male 39 yr old Vietnam veteran with PTSD, case report, 18718
causal attributions & PTSD & other posttraumatic symptomatology, 13–15 yr old survivors of Jupiter cruise ship sinking, 1988, 21868
childhood physical abuse, combat related PTSD, Vietnam combat veterans, 21855
childhood war trauma & malnutrition & PTSD, cognitive ability & acquisition of English language skills, Cambodian Khmer adolescent refugees, 45550
childhood war trauma during Pol Pot regime, PTSD & depression & other psychiatric diagnoses & symptoms, Cambodian refugee young adults, followup, 33545
clinical model of multiple treatment interventions, recovery from trauma, Vietnam veterans with PTSD & Japanese Americans interned in concentration camps during WWII, 26396
clinical presentation & treatment response, 65–70 yr old WWII combat veterans with PTSD, 5938
cocaine use or abuse, PTSD & anxiety symptoms & reexperience of traumatic episodes, male 38–43 yr old Vietnam veterans, 41731
cognitive behavior supportive psychotherapy & relaxation training with or without biofeedback, 19–42 yr olds with motor vehicle accident induced posttraumatic headache, 14786
cognitive distortions & irrational beliefs, Vietnam veterans with PTSD vs 18–75 yr olds with anxiety or depression, 33537
cognitive processing therapy, PTSD symptoms, adult female rape victims, 6577
college MMPI, prediction of combat related PTSD, male Vietnam & Vietnam era veterans, 25872
combat induced psychopathology & combat stress reaction & PTSD, psychiatric symptoms, wives of combat veterans of Lebanon war, 1982, Israel, 9900
combat related events of Persian Gulf War, course & severity of PTSD, Vietnam veterans, 25861
combat status & trauma exposure & coping skills & PTSD symptoms & other characteristics, male Vietnam combat veterans with positive life readjustment, 41648
comorbid psychopathology, adult survivors of dam collapse & flood with chronic PTSD, comparison with Vietnam veterans, 17850
concurrent obsessive compulsive disorder & PTSD, 45 yr old male Vietnam combat veteran, case report, 29736

conditioning models of stress, treatment of PTSD, conference presentation, 6462
coping behavior in sealed room during scud missile attacks & post-Gulf War stress reactions, 5th vs 7th vs 10th graders, Israel, 37816
countertransference & ethical issues in psychotherapy, victims of massive violence with PTSD, 22507
crime characteristics & high vs low vulnerability stress & prior psychiatric diagnoses, development of PTSD, 18 yr old & older female crime victims, 1984
crisis support & attributional & coping styles, posttraumatic symptoms following sea disaster, 23–75 yr old survivors, 18 mo followup, 13829
crisis support, PTSD symptoms, adult survivors of Jupiter cruise ship disaster, 18 mo study, 45563
cross cultural perspective on measurement of life stress events & etiology of PTSD, 17859
cultural illness & development of culturally sensitive DSM-IV criteria for PTSD, Cambodian refugees & traditional healers, commentary, 9886
delayed PTSD, male 63 yr old WWII combat veteran with cerebrovascular accident, 18356
desipramine, female 21 yr old with panic disorder & PTSD, letter, 18764
development & reliability & validity of PTSD self rating scale, WWII resistance fighters, Netherlands, 31887
dexamethasone, cortisol suppression, 38–48 yr old male Vietnam veterans with PTSD with vs without comorbid major depression, 17866
diagnosis & epidemiology & treatment of PTSD, 45553
diagnosis of PTSD as part of defense, insanity plea defendants, 22033
differential diagnostic ability of multidimensional Personality Questionnaire as adjunct to MMPI, alcohol abusing Vietnam veterans with vs without PTSD, 31895
EAP, PTSD, employees involved in critical mining incidents, South Africa, 23708
early vs late tricyclic antidepressant therapy, protection against PTSD, male 24 & 54 yr old airline crash survivors, 14738
earthquake prediction, PTSD-like symptoms, 3rd & 10th graders, 17853
eclectic therapeutic approach with individual & group therapy, 45 yr old Black female with PTSD after murder of her mother, case report, 30322
effectiveness of MMPI-2 validity vs Millon Clinical Multiaxial Inventory modifier scales, detection of spurious PTSD claims, personal injury claimants, 4068
effectiveness of Structured Interview of Reported Symptoms, detection of feigned schizophrenia vs mood disorders vs PTSD, male correctional facility residents, Canada, 4078
ego state therapy, 44 yr old male & 34 & 36 yr old females with PTSD, 38631
emotive biasing model of PTSD, 33683
epidemiology & nosology & etiology & treatment & other features, clients with PTSD, 21859
evaluation of cognitive & behavioral treatments, rape victims with PTSD, 38388
evidence for complex of PTSD, survivors of prolonged & repeated trauma, 5936
eye movement desensitization, 40 yr old male with PTSD, 4 & 8 mo followups, case report, 18631
family & marital adjustment & parenting problems & violence, male Vietnam veterans with vs without PTSD & their spouses or coresident partners, 13828
feeling of shame & depression, Vietnam veterans with PTSD vs depression vs substance abuse, 17666
financial compensation for PTSD vs physical or other mental problems, exaggeration of symptoms, Vietnam veterans with PTSD, 17852
fluoxetine, male veterans with combat related PTSD, 38572
fluvoxamine, WWII Resistance veterans with PTSD, conference presentation, 14678
frequency of & risk for PTSD, sexually abused 3–16 yr olds, 9946
genetic & environmental contributions to PTSD development, male monozygotic vs dizygotic twins in military service during Vietnam War, 37812
group psychotherapy, 66–76 yr old WWII prisoners of war with PTSD, 38485
growth of & trends in literature on emotional & disordered trauma in "Psychological Abstracts", 1970–90, 5928
heart rate & BP & plasma norepinephrine & epinephrine, male Vietnam combat veterans with PTSD, 5943
heart rate & skin conductance & left lateral frontalis EMG responses to personal combat experience imagery, male WWII & Korean War veterans with vs without PTSD, 25865
history of PTSD & psychological & social & medical sequelae of war experience, war veterans, 1918 to present, Europe, 25864
hypnotic regression & exposure & cognitive analytic & family therapies, iatrogenic PTSD symptoms following surgery related trauma, 32 yr old female, case report, 38348
hypothalamic pituitary adrenal axis abnormalities, combat veterans vs Holocaust survivors vs rape victims with vs without PTSD, 41649
hysterical psychosis & reactive dissociative psychosis & features of PTSD, 35 yr old male, 33691
image habituation training, anxiety, 19–46 yr olds with PTSD, Australia, 18641
impact of traumatic events, psychiatric outpatients, implications for PTSD, 9887
incidence of PTSD, physically &/or sexually abused male 13–18 yr olds, 33759
incidence of trauma & PTSD, clinical vs nonclinical staff at private psychiatric facility vs state psychiatric hospital who were victims of patient violence, 7139
increased plasma dopamine, males with PTSD, 33675
indirect utilization approaches to hypnotherapy, patients with PTSD symptoms related to childhood sexual abuse, 26820
industrial disaster, development of PTSD & other mental health problems, 3–11 yr olds vs their mothers vs fathers, 1988, Canada, 33512
insight oriented psychotherapy sessions, spontaneously occurring autonomic psychophysiological processes, female 42 yr old with PTSD & major depressive disorder, 10508
integration of posttraumatic stress & early environmental trauma theories in treatment, female incest survivors, implications for clinical social work, 14499
interface between PTSD & borderline personality disorder, literature review, 17696
interrelationship between original & revised Millon Clinical Multiaxial Inventory & value of aggressive & self defeating personality scales, Vietnam veterans with combat related PTSD, 24124
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, commentary on conference presentation, 9896
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, conference presentation, 1777
issues in application of PTSD diagnosis, battered females, nursing implications, literature review, 37817
issues in criminal & civil jurisprudence, defendants or plaintiffs with PTSD, 35715
loud tones, left orbicularis oculi EMG & skin conductance & heart rate, patients with PTSD or anxiety, Israel, conference presentation, 13843
military psychiatry & physiology & crisis theory perspectives on history of PTSD, 29725
model for conceptualizing family reactions & utility in therapy, family with father with PTSD & encopretic 10 yr old daughter, 18648
motivations for presentation of fictitious PTSD, Vietnam veterans, 33678
multidisciplinary rehabilitation including oral history technique, empowerment, Cambodian female torture survivors with PTSD, 27118
multimodal unit based intervention, war stress & PTSD, 19–55 yr old soldiers surviving SCUD missile attack during Persian Gulf War, 42152
naloxone, hypersensitivity of hypothalamic-pituitary-adrenal axis to endogenous corticotropin releasing hormone, male 40–48 yr old Vietnam veterans with PTSD, 45560

need for psychiatric assessment & bereavement counseling, avoidance of PTSD following killing of 1 parent by another, children & adolescents, conference presentation, 13820
negative parenting behaviors in childhood & combat exposure, prediction of symptom severity, Vietnam veterans with PTSD, test of person event interaction model, 1773
neurological status, medication free Vietnam veterans with PTSD, 37793
numbing of general emotional responsiveness associated with PTSD & other psychopathology as psychological response to stress mediated by hypersection of endogenous opiate system, 17695
occupational identification & indirect victimization following disaster at sea, ferry workers with PTSD, UK, 45554
onset of PTSD or anxiety & affective disorders, volunteer fire fighter victims of natural disaster, Australia, 1611
participation in postdisaster mental health interventions, PTSD symptoms & malignant memories & other features, 23–66 yr old school personnel exposed to shooting, 6 vs 12 mo followups, 19023
patterns of psychological distress & PTSD symptoms & community based treatment program, female refugees, El Salvador, 26421
perceived controllability & development of PTSD, female 17–65 yr old criminal assault victims, 22042
personal combat imagery, simulated psychophysiological responses of PTSD, Vietnam combat veterans without PTSD, 29735
personality characteristics & posttraumatic stress symptoms after school shooting, school personnel, 13842
personality disorders, treatment seeking combat veterans with PTSD, 45572
personality profile subgroups, male 33–52 yr old Vietnam veterans with vs without PTSD, 37803
phemomenology & course of psychiatric comorbidities, 38–77 yr olds with combat related PTSD, 13834
pheochromocytoma presenting as exacerbation of PTSD symptoms, male 43 yr old combat veteran, 3 yr followup, 21872
photographic lens & filter model of steps between life event stress & development of acute vs chronic PTSD, 33684
physician's role in diagnosis & treatment, 3 yr old female with PTSD following automobile accident, case report, 30754
physiologic responses during imagery of personal traumatic events, noncombat civilians with vs without PTSD, Israel, 37806
postabortion syndrome as type of PTSD, 10851
posttraumatic headache assessment & prior history of psychiatric disorder & PTSD, 19–48 yr old motor vehicle accident victims referred to psychological service, 22206
posttraumatic stress reactions & adjustment & PTSD symptoms following disasters, children, 21890
predictors of amitriptyline response, combat veterans with PTSD, 46436
premilitary stress, PTSD symptom severity, Vietnam veterans, 37814
prevalence of affective or dissociative disorders or PTSD & etiological factors & clinical course, patients with pseudoseizures, 41937
prevalence of exposure to community violence & sociodemographic characteristics, prediction of PTSD symptoms, low income African American 7–18 yr olds in 8 city communities, 33673
prevalence of lifetime & partial PTSD, Vietnam veterans, 5955
prevalence of posttraumatic psychopathology & PTSD, traumatized persons & psychiatric outpatients, US & UK & Australia & Netherlands & Israel, 5929
prevalence of PTSD, Vietnam veterans, 5951
preventive counseling & monitoring group, PTSD incidence & coping, traffic accident victims, Netherlands, 34318
prior life trauma & PTSD symptoms & sexual deviations & pathological character traits, convicted male sex offenders, 6103
psychiatric disorder & personality & depression & PTSD, psychosocial adjustment, adult burn survivors, 4 mo followup, 10252
psychiatric impairment & distress & PTSD after violent assault, bus drivers, England, 18 mo followup, 13655
psychobiological & neurological mechanisms of PTSD, 37780
psychological coping styles & mental health treatment seeking, WWII or Korean or Vietnam War combat veterans with PTSD, replication & extension, 17841
psychological profile, alcoholic police officers with Vietnam combat related PTSD, implications for alcohol education, conference presentation, 25994
psychophysiologic response to script driven imagery, measurement of systematic desensitization outcome, male 21 & female 32 & 40 yr olds with PTSD, Israel, 14569
psychosis induced PTSD, 16 yr old schizophrenic male, case report, 1732
PTSD & conversion & dissociation responses & other psychiatric sequelae, patients with brain damage or head injuries or other neurological trauma, 14328
PTSD & depression & anxiety & dissociation, 21–65 yr old Cambodian refugees assessed 10 yrs after leaving Cambodia, 33514
PTSD & depression & anxiety & other psychiatric disorders, adults claiming compensation for psychological damage after Lockerbie aircraft disaster, Scotland, 17682
PTSD & general stress symptoms, United Nations soldiers, Cyprus, conference presentation, 13831
PTSD & history of physical & sexual abuse, psychiatrically hospitalized 4–12 yr olds, 9916
PTSD & major depression & other psychopathologic reactions to Lockerbie air disaster, 65 yr old & older vs younger survivors, Scotland, 17712
PTSD & other psychiatric diagnoses, homeless male vs female adults, 13836
PTSD & other psychological sequelae, 18–55 yr old motor vehicle accident victims referred for headache or pain treatment, 1763
PTSD & related psychopathology, 17–65 yr old female rape victims, 6021
PTSD, adult male prisoners of Japanese during WWII, Australia, 37815
PTSD, anxiety & anger & depression, 60–65 yr old WWII Resistance veterans, conference presentation, 13827
PTSD as origin of psychopathic disorder, 17915
PTSD, cardiovascular disease risk factors, 60–65 yr old male WWII Resistance veterans vs male myocardial infarction & surgical patients, conference presentation, 13825
PTSD, combat veterans, implications for social work, 9888
PTSD following suicide attempt, 44 yr old male, case report, 33695
PTSD following survival of sinking of cruise ship, 11–18 yr olds, 1 yr followup, conference presentation, 13847
PTSD, psychiatric inpatients with vs without objective vs subjective psychological trauma, Netherlands, 33525
PTSD, substance abusing adults, commentary reply, letter, 45710
PTSD, substance abusing adults, commentary, letter, 45728
PTSD, survivors of childhood sexual abuse, literature review, 33795
PTSD, veterans of Vietnam vs Afghanistan conflict, US vs USSR, 41639
PTSD, Vietnam & other war veterans & victims of natural & civilian disasters, literature review, 9898
PTSD, 19–40 yr old Persian Gulf War veterans, implications for treatment, letter, 33692
role in & traumatic characteristics of war zone stressors & PTSD symptomatology, Vietnam veterans, commentary, 17864
role in & traumatic characteristics of war zone stressors & PTSD symptomatology, Vietnam veterans, 17844
role of avoidance & intrusion of distressing memories of natural disaster in etiology of PTSD, volunteer firefighters, Australia, 42 mo study, 1774
role of life stress events in adjustment & PTSD & treatment implications, victims of child or spouse abuse or war or other trauma, 13835

severe childhood incest, development of PTSD, female 18–55 yr olds, conference presentation, 13859
severity & type of childhood sexual abuse, etiology of borderline personality disorder & comparison with PTSD, implications for treatment, 5967
short term memory, male Vietnam veterans with combat related PTSD, 45547
single exposure to cat, anxiety & risk assessment, male rats, animal model of generalized anxiety disorder in PTSD, 44267
single session eye movement desensitization, 41 yr old male with PTSD due to extensive burn injuries, case report, 38677
snoring & occurrence of anxiety dreams, male 60–65 yr old WWII veterans with PTSD, 25855
somatic reenactments of traumatic events in PTSD, adult survivors of military trauma & civilian catastrophes, case reports, conference presentation, 13830
strategic psychotherapy, 28 yr old with PTSD & obsessive compulsive personality trait after terrorist attack, Israel, 38377
symptoms of PTSD, Army soldiers exposed to combat in Persian Gulf War, 1991, 5940
taxonomic adequacy of DSM-III-R category of PTSD, 5945
theoretical overview of systems perspective on psychological trauma & PTSD, 25876
trauma vs nontrauma related odors, EEG, male Vietnam veterans with PTSD vs adjustment related problems, 41637
traumatic experiences in escapes from home country, psychosomatic blindness & other expressions of PTSD, female Southeast Asian refugees, 37801
traumatic medical or surgical event, development of PTSD symptoms, 23 & 30 & 43 & 45 yr olds, 46694
treatment programs in civilian contexts, patients with PTSD, annotated bibliography, 26387
unpredictable & uncontrollable aversive events, trauma, animals, animal model of PTSD, 4549
use of modified Stroop paradigm in assessment of intrusive cognition, male Vietnam combat veterans with PTSD, 33681
utility of oral history narratives of wartime trauma for PTSD diagnosis, female Vietnamese refugees, 25873
utility of Rorschach in study of clinical subtypes of PTSD, military veterans, 21866
V. Frankl's existential techniques, clients with PTSD, 6504
validity of PTSD measures, elderly with PTSD vs other psychiatric disorders vs prisoners of war vs younger Vietnam War veterans, 4065
validity of Structured Clinical Interview for DSM-IV Dissociative Disorders, Vietnam combat veterans with vs without PTSD, 43745
verbally mediated traumatization about violent war death of uncle & subsequent PTSD, 11 yr old female, Lebanon, case report, 17862
yohimbine hydrochloride, panic attacks & MHPG & cortisol levels, male veterans with PTSD, 37809

Posttraumatic Stress Disorder—Books

Counselling for post-traumatic stress disorder. Counselling in practice, 18622
Holding on to humanity—The message of Holocaust survivors: The Shamai Davidson papers, 21891
Horrific traumata: A pastoral response to the Post-Traumatic Stress Disorder, 42529
International handbook of traumatic stress syndromes. The Plenum series on stress and coping, 45582
Trauma and survival: Post-traumatic and dissociative disorders in women, 34383
Treating PTSD: Cognitive-behavioral strategies. Treatment manuals for practitioners, 1781

Posttraumatic Stress Disorder—Chapters

Assessing posttraumatic stress disorder with the Rorschach projective technique, 43791
Assessment and treatment of combat-related post-traumatic stress disorder in a medical center setting, 3037
Assessment and treatment of post-traumatic stress disorder among battered women, 1783
Assessment and treatment of post-traumatic stress disorder in adult survivors of sexual assault, 1789
Assessment and treatment of post-traumatic stress disorder in child survivors of sexual assault, 1787
Behavioural and cognitive approach in the treatment of torture-related psychological problems, 26542
Beyond the DSM-III—R: Therapeutic considerations in posttraumatic stress disorder, 46406
Biological response to psychic trauma, 45597
Cognitive treatment of a crime-related post-traumatic stress disorder, 17870
Current trends in the treatment of post-traumatic stress symptoms, 26408
Dissociation and trauma, 30095
Diverse presentations of substance abuse and post-traumatic stress disorder in incest survivors, 25684
Focal psychoanalytic psychotherapy of posttraumatic stress disorder, 46407
From Hiroshima to the Nazi doctors: The evolution of psychoformative approaches to understanding traumatic stress syndromes, 45591
Identifying survivors at risk: Trauma and stressors across events, 45586
The "Impact of Event Scale-Revised" for assessing rape victims with post-traumatic stress disorder, 24163
International perspectives on the treatment and prevention of posttraumatic stress disorder, 46163
Interpersonal violence and traumatic stress reactions, 33821
Introduction and description of the disorder, 1784
Long-term effects of torture in former prisoners of war, 25955
The management of trauma following disasters, 33702
Memory, emotion, and response to trauma, 13849
Multiple personality disorder and posttraumatic stress disorder: Similarities and differences, 45419
Multiple posttraumatic personality disorder, 42192
Neurophysiological considerations in the treatment of posttraumatic stress disorder: A neurocognitive perspective, 46296
New perspectives in the assessment and diagnosis of combat-related posttraumatic stress disorder, 43793
Overview: The assessment and diagnosis of torture events and symptoms, 25957
Post-traumatic stress disorder, 33697
Post-traumatic stress disorder: Clinical features and treatment, 17869
Post-traumatic stress disorders and MCMI-based assessment, 16007
Posttraumatic narcissism: Healing traumatic alterations in the self through curvilinear group psychotherapy, 46348
Posttraumatic stress disorder, 34640
Posttraumatic stress disorder, 26584
Posttraumatic stress disorder in experienced anomalous trauma, 45590
Posttraumatic therapy, 46281
A prospective study of victims of physical trauma, 45585
Psychobiological and pharmacological approaches to treatment, 46166
Psychobiological consequences of severe trauma, 24838
Psychopathology of post-traumatic stress disorder (PTSD): Boundaries of the syndrome, 25877
Psychopharmacology of the abused, 26795
Psychotraumatic stress: Treatment in The Netherlands, 18508
Role of voluntary organizations in the United Kingdom for disabled veterans suffering from war trauma and posttraumatic stress disorder, 46848
Self-representation in post-traumatic stress disorder: A cognitive perspective, 45592
Stress of the Holocaust, 33696
Stress-response syndromes: A review of posttraumatic stress and adjustment disorders, 45588
Structured clinical interview techniques, 43792
Survey research and field designs for the study of posttraumatic stress disorder, 45589
Surviving sexual assault and sexual torture, 13911
Survivors of disasters: How can they best be helped?, 42182

Treatment of posttraumatic stress disorder among Vietnam veterans, 46588
A Vet Center experience: Multievent trauma, delayed treatment type, 2893
A 12-step recovery program for victims of traumatic events, 46585

Posttreatment Followup—Serials
changes in number & site & source of followup visits under prospective payment system, medical surgical patients, 34830
development of multi-institutional followup system for health service provision & early intervention, at risk very low birthweight infants & their families, 10964
family physician based smoking cessation intervention with vs without followup visits, cessation rates, smokers, 46920
lottery incentive & questionnaire length, return rate of initial & followup questionnaires on alcohol use & life status, alcoholic 28–62 yr olds, 7 mo followup, 35045
posttreatment outcomes & risks of offending, male sex offenders, 6 mo to 4 yr followups, 18525
psychosocial risk factors & counseling intervention & follow-up assessment with mothers, 1–3 yr olds with protein energy malnutrition, Zambia, 14790
seriousness of attempts & behavioral & psychosomatic & psychological disorders & psychiatric hospital & posthospital followup care, male vs female 13–19 yr old suicide attempters, France, 30933
systematic posttreatment followup study, psychoanalytic patients from Menninger Foundation Psychotherapy vs Boston Institute Projects, conference presentation, 6676

Posture—Serials
age, EMG postural responses prior to rapid self paced & simple RT arm flexion, 23–34 vs 62–82 yr olds, 4658
biomechanical evaluation of & motor cortex role in postural adjustment patterns during motoric learning, dogs, translated article, 28480
body position relative to gravity, up-down symmetry of vertical optokinetic nystagmus & afternystagmus, 23–39 yr olds, 28605
body sway induced postural disturbance, disequilibrium RT & long loop stretch reflex, 21–68 yr olds with hemiplegia, 10351
decrease in sensory information, attentional demands & difficulty of postural balance adjustments, elderly vs young adults, 28233
development of integration among voluntary movement & anticipatory postural adjustment & locomotor activity, 6 vs 10 vs 14 yr olds, 9091
EMG biofeedback training with vs without posture feedback, muscle tension & posture distortion, 71 yr old female with spasmodic torticollis, Australia, case report, 46624
expectation of postural threat & arousal, posture control strategies & performance, male 20–30 yr olds, Canada, 32124
flunarizine, ocular nystagmus & postural compensation, guinea pigs with unilateral labyrinthectomy, 24678
handedness & hand posture during writing, cerebral lateralization, commentary, 44396
horizontal & vertical work location in relation to body & pace, exertion & discomfort while driving screws, college students, ergonomic implications, 47528
ibotenic vs quinolinic acid vs electrolyte anodal cell vs fiber lesions of red nucleus, postural righting & skilled movements & learning, female rats, 24722
long term centrifugation, posture & motion sickness, naive vs trained adults vs helicopter pilots, Netherlands, implications for space adaptation syndrome, 32118
marihuana smoking, cerebral artery blood velocity & peripheral circulation during upright posture, males, 8940
masculine vs feminine body positions & movement patterns, 11–41 yr old females with congenital adrenal hyperplasia vs simple virilization vs salt wasting, Germany, 30026
neutral posture deviation, perceived joint discomfort while sitting vs standing, college students, ergonomic implications, 47525
open vs closed postures & expectancy instructions, emotional experiences, male vs female college students, implications for dance/movement therapy, 36274
postural control, autistic vs mentally retarded 6–20 yr olds, Israel & France & US, 6132
postural EMG activation patterns & subjective pain, 20–57 yr olds with prechronic back pain, 18249
postural position & visually guided reaching, duration of gazing at mother during social interaction, 3–6 mo olds, 1069
postural stability, 21–72 yr olds with developmental disabilities vs tardive dyskinesia with vs without mental retardation, 1542
posture & load height & S-load horizontal distance in load holding, isometric strength & endurance, healthy male adults, 12202
psychomotor & postural & cognitive & neurological function development, 5.6–13.6 yr olds with dyspraxia, France & Yugoslavia, translation, 34036
reaching under postural adjustment conditions, hand preference, orangutans & chimpanzees, 44211
rest vs postural change vs voluntary muscle contraction, recurrent inhibition of Renshaw cell excitability, mentally retarded 16–35 yr olds with or without motor alteration, 26097
role of mechanoreception in body sway measured postural control, 21–55 yr olds with microvascular free flap reconstruction of sole of foot, Finland, 14173
self sitting posture control, development of eye-hand coordination of single hand reaching, 5–8 mo old sitters vs nonsitters, 962
server's standing vs squatting during initial visit to table, tip amount, restaurant customers, 43540
sitting vs standing postures during mental challenge, BP & hemodynamic response, male college students, 36688
sitting vs standing spinal posture, prediction of personality profiles, chiropractic patients, 16695
subanesthetic nitrous oxide narcosis, sensorimotor integration in postural control during proprioceptive & visual disturbance, 25–42 yr olds, 40646
supine vs standing position & mental activity & biofeedback, EMG activity in pericranial & neck muscles, female 17–48 yr olds with chronic tension headache, 26857
support surface displacement, posture coordination & equilibrium & leg muscle EMG latency, 7–81 yr olds, 28874
TRH analog CG3703, paw contact patterns during stance phase of locomotion, female rats, application of computer analysis technique, 8879
uninterpreted body posture & facial muscle contraction, emotional & nonemotional feelings, college students, Germany, 20771
visual & somatosensory information alteration, postural sway amplitude, 7–81 yr olds, implications for sensory integration, 28875
visual judgment of low vs medium vs high postural angles of shoulder flexion, engineering students, ergonomic implications, 31671
visual roll stimulus, postural adjustment vs self motion perception latencies, 18–45 yr old Air Force personnel, 28627
zolpidem vs triazolam, memory & psychomotor performance & postural sway, healthy 20–32 yr olds, France, 36719

Posture—Chapters
Distributed control of limb position and force, 24739
Factors influencing postural stability: Effects on features of eye movement in an orientation task, 39977
Neuronal control of stance and gait, 24733
The Postural Control Scale, 4096
Posture and communication in mother–infant interaction, 40869
Posture and elderly persons: Evidence for deficits in the central integrative mechanisms, 25319
Posturo-kinetic interactions: Modeling and modes of control, 24367
Systems contributing to the emergence and maturation of stability in postnatal development, 40882

Potassium—Serials
adaptation to severe hypokalemia in absence of physical symptoms, female 20 yr old with purging anorexia nervosa, case report, 26108
development of sodium & potassium activated adenosine triphosphatase in bipolar illness, 33585

dietary potassium supplementation, renal & other adverse effects of long term lithium, animals & patients, 16792
immobilization stress, potassium chloride & norepinephrine mediated hypothalamic corticotropin releasing hormone secretion, male 344/N rats, animal model of stress, 44390
long & short term perfusion of potassium & glutamate, long term potentiation erasure & persistent neuronal depression, rats, animal model of memory loss due to neurological dysfunction, 28715
sex & clinical improvement & severity of depression or anxiety, blood magnesium & sodium & potassium, patients with unipolar vs bipolar depression, 37719
time series analysis of potassium channel bursts from fused synaptosomes, implications for statistical memory, 28544
Potential (Achievement) [See Achievement Potential]
Potentiation (Drugs) [See Drug Interactions]
Poverty—Serials
caregiving dynamics & burden & nouveau poverty, higher or middle vs lower income Black vs White caregivers of elderly with Alzheimer's disease, commentary, letter, 27070
cognitive & emotional developmental delays, 0–13 yr olds living in extreme poverty, Mexico, 29940
current & past time spent in poverty & maternal parenting, mental health, 4–8 yr olds & their mothers, 40931
development of intervention oriented theoretical framework for explanation of life satisfaction in poverty, 25341
economic frustration vs level of welfare assistance & rates of sexual assault, cities, US, 1968
economic problems & social isolation & single motherhood & impact of gender related biases, homeless & poor females, 45050
ego psychology vs object relations approaches to psychoanalysis, urban poor preschool age public clinic clients with language delay, commentary with case examples, 22632
ego psychology vs object relations approaches to psychoanalysis, urban poor public clinic clients, 22630
ego psychology vs object relations approaches to psychoanalysis, urban poor public clinic clients, commentary reply, 22629
failures of social welfare policy on income security & health & employment & housing & caregiving, impoverished middle aged females, 23051
family & neighborhood & other programatic interventions, rage & distrust & hopelessness, children chronically exposed to violence & poverty, 23054
impairments & disabilities & poverty & disadvantages, 65–76 vs 77–88 vs 89–100 yr olds in urban areas, 1975 vs 1987, 17236
just world explanations for Third World poverty, 18–72 yr olds, UK, reanalysis of previous data, 29152
medical & mental health service needs & private & national health insurance reform, medically indigent mentally ill clients, 42661
object relations approach to psychoanalysis, urban poor 11 & 30 yr old public clinic clients, commentary with case examples, 22639
poverty & stress & emotional coping & financial survival strategies & support networks, rural working families, Appalachia, implications for family therapy, 45091
poverty, metropolitan vs nonmetropolitan elderly, 33036
psychoanalysis, poor & disadvantaged Hispanic analysands, 10610
psychosocial & demographic characteristics, urban poor adolescent mothers of 2–5 yr olds, Uruguay, 13095
racial exclusion & poverty, vulnerability to homelessness, inner city Blacks, 29146
role strain & emotional well being & perceptions of children & work preference & working hours & educational level & sex of child, poor Black single working mothers of 3–4 yr olds, 29249
sex & demographics & social & emotional & economic circumstances, poor elderly clients of subsidized meal program, 23058
Poverty—Books
Fair Start for Children: Lessons learned from seven demonstration projects, 27049
Poverty—Chapters
Families in poverty, 11532
The income side of housing affordability: Shifts in household income and income support programs during the 1970s and 1980s, 1213
Life on the brink, 1189
Maternal depressive symptoms, disorganized infant–mother attachment relationships and hostile-aggressive behavior in the preschool classroom: A prospective longitudinal view from infancy to age five, 29824
Neighborhood and community influences on parenting, 29263
Pastoral counseling with families-at-risk, 34668
Race, poverty, and women's aging, 29130
Poverty Areas—Serials
community support system & services, mentally ill in urban slums, India, 2937
effects of living with violence, families living in slums, 25893
Power—Serials
age & locus of control & spousal encouragement of reliance on self vs others, wive's mental health & adjustment, 31–77 yr old wives with rheumatoid arthritis & their 40–76 yr old husbands, 45921
age & parental status & city vs kibbutz environment, shift in power & power strategies over life cycle, female vs male 20–75 yr olds, Israel, 17447
application of M. Foucault's ideas on power to themes in systemic family therapy, 42319
beliefs about ability to influence each other & interdependence in sense of control in family relationships, 31–59 yr old parents & their 13–33 yr old children, 25373
birth order & siblings' sex, self perception of interpersonal power, African- vs Caucasian-American males vs females, 29354
childhood sexual abuse, feelings of powerlessness & need for & fear of power in picture story exercise, females, 17928
coercive vs positive influence strategies, power in marital decision making, wives in violent vs nonviolent marriages, 17910
communication patterns & cognitive constructions of power & defense reactions, adults & their 3–13 yr olds in abusive relationships, 29765
conflict & coordination of activities & control & bureaucratic & personal integrating mechanisms, effectiveness of headquarters subsidiary relationship, managers of foreign subsidiaries, 23779
conversational interruptions as relationally neutral vs power vs rapport oriented acts, 13429
cultural model for assessment of sense of belonging & identity & control, 14–25 yr old Black females, 9616
developmental psychology, perspective on maintenance of social practices & power & gendered positions, parents & children, 17343
dichotomization of cultural difference & dominance & power based approaches to sex differences in language use, 21120
differences in emotional communication during marital conflict as differences in functional deficit vs culture vs social power, males vs females, 33099
discrepancies in marital power & communication skills & patterns, domestically violent vs maritally distressed vs happy nonviolent married couples, 25891
disposition toward seeking power, self perceptions of power in organizational settings, 21–33 yr olds, 15652
ecological & regular graph colorings reflecting power & position in experimental exchange networks, 17440
emergence of codependency as discursive formation & life story in search for identity & role of power & knowledge, 5718
employee's perceived power & job satisfaction, turnover intentions, 19–51 yr olds, 27691
employment status & autonomy & job characteristics & earnings & household division of labor, sense of control, adults, 9631
enforcement of female silence & oppression by Senate Judiciary Committee in A. Hill's testimony for C. Thomas's Supreme Court candidacy hearings, 17392
equal vs unequal power balance, coalition formation & outcomes, business students in 5 person groups, 41220
ethical & control issues in release of A. Sexton's psychotherapy tapes for biography, 27328

evolution & expansion of social power model by J. R. French & B. H. Raven, 1370
expected value approach to social power & exchange, social network members, 17446
feminist analysis of power, distinction between domination & empowerment definitions of power & sex vs power differences & analysis of power at different levels, 17393
gender & other power cultures of school management under economic constraint, 3299
goal interdependence & power, type & success of leader influence attempts, work group superiors & subordinates, Canada, 3686
group power & perceived threat to social identity vs valued resources, ethnocentrism, college students, Canada, 13430
hierarchical model of participatory decision making & perceived job autonomy & control, 20 yr old & older teachers & computer company employees, Canada, 11653
history of network exchange theory & concepts of power dependence & elementary theories, 17473
homophily & organizational distribution of power, male vs female employees of advertising firm, 11655
individual attributes & formal organizational positions & network centrality & proximity & power, perceptions of work related conditions, advertising firm employees, 43452
interpersonal influence strategies in exchange of US destroyers for use of British bases, W. Churchill & F. D. Roosevelt, 1940, application of B. H. Raven's power interaction model, 1358
job demands & perceived control, job performance & satisfaction & BP & salivary cortisol, female 21–60 yr old registered nurses, 31151
loss of privacy & environmental control over homeless shelter & attributional style & helplessness & history of depression, homeless adults, 5316
majority vs minority group status, group level justice concerns & intergroup comparisons in implicit & category based allocations of decision making power, college students, 37408
manager's sex & stereotypical masculine &/vs feminine or power speech style, perception of manager's effectiveness & satisfaction, union members, 31516
mathematical model of exchange & allocation of decision power in groups, 41223
metaphors as means of organizational technological change & related gender & power issues, 7694
need for achievement & affiliation & power, organizational achievement, CEOs, 11634
network position & face to face vs computerized settings, power in negotiation, adult actors, 9552
offensive vs defensive punitive action use by high vs low power actors, damage production rate, adult females in explicit bargaining situations, 25471
organizational structure & behavior, perceived influence & power, employees, 39498
paradoxical nature of power structure & consequent encouragement of substance dependency in codependent relationships, application of social exchange & learning theories, 18005
parenting & achievement & power motivation & opportunity variables, earned income & work accomplishment, 41 yr olds originally assessed at age 5, 21254
perceived control & social support in home, effect of household crowding & social hassles on psychological distress, college students, 9541
perceived control, 60–84 yr old caregivers of dependent relatives, 46857
perceived leader power & behavior, leadership impressions, business students, 3683
perceived power status of partner, verbal spontaneous expressions of emotional states, college students, Germany, 33240
perception of exercise of interfirm power & repercussions, managers of firms importing & distributing US manufactured consumer goods, Japan, 35591
perception of interpersonal control & child responsiveness in child caregiving relationship, autonomic & affective responses, mothers, 21385
perceptions of familial cohesion & power, 8–11 yr old bullies & victims, England, 13097
perceptions of power & of society's definition of power, role of personal authority in experience of power, 21–63 yr old females, 17384
power & dominance & development of social & cultural identities & practices, institutionalized 35–67 yr olds with learning difficulties, Canada, 27099
power & market position & influence strategy, perceived channel control & satisfaction, office systems & furniture dealers, 43486
power & powerlessness in feminist theory within & beyond psychology, 17383
power & sex, anger response to male vs female initiated conflict involving sexual jealousy between intimates, 17–38 yr olds, 21442
power & sex of harasser & victim, perceptions of academic sexual harassment, male vs female college students with masculine vs feminine orientation, 21909
power & subjectivity & interpretation, feminism & discourse in developmental psychology research, children, 16977
power & workplace sexual harassment, 27718
power amount & resources & goal interdependence, dynamics & outcomes of interdepartmental conflict, business employees in marketing planning & support & sales, Canada, 7693
power, choice & responsibility & service & treatment, female long term mentally ill, implications for feminist psychologists, 19020
power dependence based algorithm for prediction of power distribution in negatively connected exchange networks, 17443
power discrepancies with department heads, job satisfaction & involvement & alienation, college faculty, 27377
power distance theory vs bureaucratic rule as explanations for upward power tendencies in hierarchically structured groups, college students, Netherlands, 41206
power in strategic decision making, top managers, 3671
proportionality vs equality principles in allocation of political power & other resources between minorities & majorities, college students, US vs South Africa, 17437
racism & sexism & power & myths about Black males & females in wake of & group relations perspective on A. Hill & C. Thomas Senate confirmation hearings, commentary, 37345
reward & power & organizational social work relations, industrial accidents, industrial personnel, New Zealand, 15698
role of organizational performance & power distribution in dismissal, top managers & CEOs, 11633
role of sex & power & language in community & social interactions, 16930
sex & levels of interpersonal power, indirect vs direct power strategies in interpersonal relationships with imagined partner, college students, 17466
sex & power & status & relationship of agent to target & goal of influence attempt, influence strategies in interpersonal relationships, 17467
sex therapy, sexual power inequalities, couple in their 40s, 14584
stimulus female's clothing, perceived social power, male and female college students, 33277
stress, illusory perception of event controllability, college students & Air Force cadets, Israel, 13526
structural model of cooperation & conflict & dependence & power in & satisfaction with supplier dealer relations, farm & power equipment dealers, 15685
structural power & outcome equity, causal attributions for & behavioral reaction to exchange outcomes, female college students, 41215
TAT measures of power motivation & responsibility, prediction of long term management success, managers, 16 yr study, 165
teacher & principal sex, perceptions of principal's leadership & own personal & interpersonal & organizational power, high school teachers, 47132

telephone use & negotiation of cultural constructions of gender & power in dating relationships with males, single female 25–37 yr olds, 37361
temptations of power & certainty in psychotherapy, verbally abusive husband & his wife, 34443
theoretical unification of research approaches to power development in exchange networks, 17469
theory of mutually reinforcing interaction between power & stereotyping mediated by attention, conference presentation, 41210
theory of strategic agency & alteration of power through negotiation & manipulation of network linkages, experimental Ss, 17455
therapeutic administrative split protocol model, amelioration of control struggles, nursing staff & attending psychiatrists & clients of eating disorders psychiatric unit, 15034
types & uses of & extreme variability in power, ministers, 45064
women & power in general & feminist psychological literature, definition of power dealing with social differences besides sex, 17381

Power—Books

Father knows best: The use and abuse of power in Freud's case of Dora. Athene series, 36, 29486
The lenses of gender: Transforming the debate on sexual inequality, 33165
Rage, power, and aggression. The role of affect in motivation, development, and adaptation, Vol. 2, 41345
Revisioning men's lives: Gender, intimacy, and power, 45146

Power—Chapters

Abuses of power against women: Sexism, gender role conflict, and psychological violence, 21422
The courage to protest: A commentary on Michael White's work, 34407
Deconstruction and therapy, 34410
Disciplinary power in the modern corporation, 19743
Empowering minority students: A framework for intervention, 27522
Feminism, psychology, and the paradox of power, 21419
Male sexuality and power, 41357
Mourning, potency, and power in management, 43438
Power, 41151
Power in friendship and use of influence strategies, 29371
Power motivation, 7984
Power motivation revisited, 7985
Sex, succession, and stratification in the first six civilizations: How powerful men reproduced, passed power on to their sons, and used power to defend their wealth, women, and children, 33063
The silenced dialogue: Power and pedagogy in educating other people's children, 27356
Therapeutic control and therapeutic impasse: Therapists "hitting bottom" with an alcoholic family, 15155
Two successful characterologic adaptations to aggression, 41389

Practice [See Also Distributed Practice, Massed Practice] —Serials

age & practice, radio communication & routine flying task performance during simulated flight, 22–29 vs 31–51 yr old pilots, 28938
age & word length & rehearsal, identification & articulation rate in memory span, 5 & 8 & 11 yr olds, 40819
amount & kind of teacher feedback during practice & varied instructional tasks, practice success frequencies, high vs low skilled 4th graders & physical education teachers, 11421
attitude rehearsal, autonomic reactivity during decision making in painting preference judgments, female college students, 20734
category retrieval practice, semantic memory & recall, college students, 12270
cognitive interviewing & practice, fact recall, 7–12 yr old witnesses to staged event, legal implications, 5127
computational practice, estimation strategies & errors in overt strategies prohibited task in mental addition, kindergartners, 9125
covert rehearsal & repetition, memory for rehearsed vs unrehearsed vs lured tone pairs or triples, college students, 4390
current & past levels & duration & organization of deliberate practice, expert performance, violinists & pianists, Germany, 40718
directed rehearsal with vs without positive reinforcement, acquisition & generalization of manual signs, mentally retarded hearing impaired adults, 2564
distractor tasks before & after each item on recall list & practice, short term store account of long term recency effects, college students, replication, 40193
disturbed articulatory rehearsal, brain damaged 57 yr old male, test of working memory model, 14281
experimental design & methodological issues in assessment of visuomotor behavior rehearsal, basketball shooting performance, female 18–21 yr old team members, commentary, 31614
foreign language learning experience, self regulated language learning strategy beliefs & definition of task, college students, 47224
heuristic searcher model of interaction between prior knowledge & practice & cognitive skill acquisition, technical report, 32219
hypnotically facilitated mental practice, performance enhancement, 57 & 65 yr old females in physical therapy or rehabilitation, 7180
imagined interaction & conversational sensitivity & communication competence, male vs female college students, 25473
indirect vs direct mapping of stimulus response location & crossed vs uncrossed hand placement & practice, transfer performance on choice reaction task, college students, 44102
informational lecture vs practice training, performance & confidence in interpretation of verbal vs nonverbal behaviors, college students, 2565
instruction & practice, ball catching skill, male 8 yr old, England, 9204
kinesthetic sensitivity practice, K–1st graders with poor handwriting, Australia, 23488
Martin self talk vs paper patch mental practice technique, skating performance, prenovice level 12–17 yr old competitive figure skaters, 954
mental rehearsal vs physical practice of psychomotor task under alcohol, drug tolerance learning & compensatory performance, male social drinkers, 12882
mental vs physical practice, diving performance, adolescent divers, 13042
motor performance repetitions, perceived foot position, 70–80 vs 21–23 yr olds, 40986
number & pattern of intoxicated practice, tolerance to ethanol induced operant performance & compensatory behavior, male rats, 24904
number of multiple category learning trials, recognition & classification of category prototypes, college students, 44146
observational practice, acquisition & retention of & hierarchical control in key pressing task, adults, replication, 8275
practice & adaptation, control of motor performance, 14–34 yr olds with Down's syndrome, 6164
practice & age, neuropsychological testing, literature review, 8044
practice & chlordiazepoxide vs beta carboline ZK 9346 vs scopolamine, simple vs choice RT & vigilance, 4 vs 12 vs 18 mo old rats, animal model of attentional abilities, 24944
practice & electrical shock, spontaneous alternation & lateralization & perseveration behavior in T-maze test, male vs female rats, 16454
practice & feedback, discrimination of orientation of pair of straight lines suggestive of cognitive set effects, adults, 16198
practice & feedback, performance in judgments of relative velocity of moving objects & relative distances from target destinations, male vs female college students, 28196
practice & improvement within process, imagery generalization, college students, 16301

practice administrations, development of examiner proficiency on WISC-R protocols, graduate students in counselor education, implications for testing courses, 19364
practice, change in planning & execution of movements in maze task, 21–38 yr olds, 40070
practice, eyewitness guessing & target present vs absent photo identification in sequential vs simultaneous lineups, male vs female 8–11 vs 18–47 yr olds, 25146
practice in task acquisition, 369
practice of polyrhythmic tapping task, bimanual hand coordination & motor organization strategies, musicians vs nonmusicians, 28231
practice, performance of buttoning task with vs without simultaneous foot tapping interference, adults with Parkinson's disease, 2317
practice progressions & difficulty level of skills, volleyball skill learning, 9th graders, 11469
practice, RT in component processes of complex mental addition problem solving, college students, 20258
presentation mode & practice, latency of transcription & transliteration & pronunciation of Kanji characters, college students, 16958
previous practice writing 1st letter vs entire display, comparison of identity of 1st letter vs entire word vs pseudoword displays, college students, 16278
prior experience, goal setting & anagram task performance & satisfaction, male vs female Type A vs Type B college students, 21533
progression vs final test practice & skill refinement & motivation, volleyball skill learning, 9th graders, 11422
progressive relaxation & positive practice & visual feedback, 29 yr old male with spasmatic torticollis, 2 yr followup, implications for role of anxiety, 2766
redundancy in stimulus color & pattern & practice, mental rotation task performance, male vs female college students, 24292
rehearsal, word frequency effect in recognition memory, college students, 4381
reliability & distribution of practice effects, cognitive ability as measured by neuropsychological batteries, epileptic patients with vs without temporal lobectomy, 18880
repetition practice, acquisition & retention & generalization of speed in word naming, good vs poor reading 3rd–4th graders, 39263
repetition vs test vs intrinsic motivation, English usage, 6th graders, reprint of 1929 article, 978
repetitional spacing, free recall of words vs pictures, 3.4–5.2 yr olds, 44908
self handicapping vs procrastination tendencies, practice behavior prior to evaluation, 15–18 yr olds, 9263
standard coaching with public vs private self regulation, beam skill practice performance, 10–13 yr old competitive gymnasts, 35625
step height & practice, perceptual judgments of stair climbing ability & difficulty, short vs tall 9 vs 12 vs 19–45 yr old males, 28932
stepping &/or sitting practice, neuromotor patterns, 6 wk olds, 7 wk followup, 44919
structured vs free practice & field dependence & sex, technical accuracy & musicality of instrumental performance, 7th–10th graders, 19516
task complexity & practice, goal setting & cognitive performance, college students, 12227
task with same vs different relative timing & random vs blocked practice, acquisition & retention & transfer in motor learning, college students, contextual interference implications, 357
temporal characteristics of speech & practice & number of talkers, consonant recognition, normal hearing adults vs 44–65 yr olds with cochlear implants, comparison with other data, 18932
test retest practice effects on WAIS-R, adult traumatically brain injured adults, 20071
test retest reliability & practice effect magnitudes of computerized Memory Assessment Clinic battery vs traditional neuropsychological tests, 17–82 yr olds, 140
thickness of chemical protective gloves & practice, manual dexterity, male Army enlistees, 39591
type of practice condition, task performance & development of verbalizable knowledge about task in occupational training & skills transfer, 16–19 vs 30–39 yr olds, 9180
verbal rehearsal, visual recognition, 1st graders, 28923
visual mental practice, complex physical skill learning, novice vs experienced trampolinists with high vs low imagery ability, 3757

Practice [See Also Distributed Practice, Massed Practice]—Chapters

Effects of practice on reaching movements made to moving targets, 24366
Many happy repetitions: A celebration of the "Bertelson Repetition Effect" 1961–1991, 16323
The perturbation model of short-term memory: A review and some further developments, 380
Postmodern epistemology of practice, 21098
The role of visible persistence in backward masking, 266
The roles of experience in the transition from dependent to independent feeding in ring doves, 20476

Practice Effects [See Practice]

Practicum Supervision—Serials

direct & indirect mirroring in group supervision, conference presentation, 47024
expectations & perceived role of student vs supervisor during short term projects & dissertations, college students vs supervisors, Scotland, 19565
gender related communication problems & need to listen for voices of care & justice, counselor trainees & their supervisors, 35169
gender related communication problems & need to listen for voices of care & justice, counselor trainees & their supervisors, commentary, 35125
gender related communication problems & need to listen for voices of care & justice & multiculturalism, counselor trainees & their supervisors, commentary, 35141
immediate vs delayed feedback supervision procedures, acquisition of systematic instruction skills, female special education preservice teachers, 3311
knowledge of legal & regulatory issues in supervision of music therapy interns, clinical training directors, 19333
multimethod approach to training & supervision in nursing home practicum, counseling psychology doctoral students, 11241
practicum supervision, counseling students, Norway vs US, 27261
practicum supervisory needs & experiences & satisfaction, child & youth care workers, Canada, 3167
self directed supervisory training manual in student teacher supervision, cooperating teacher supervisory behaviors & practices, physical education teachers, 15355
self vs clinical evaluations of musical & music therapy skills & personal & professional behaviors, music therapy practicum students, 19331
superego conflicts in group analysis training supervision & supervision peer groups, 47030

Prader Willi Syndrome—Serials

aerobic exercise program, heart rate & aerobic capacity & body fat percentage & weight & somatotype, 18–32 yr olds with Prader-Willi syndrome, 6 mo study, 38781
age & intellectual impairment, adaptive & maladaptive behavior, 13.6–46.9 yr olds with Prader Willi syndrome, 22123
profiles & correlates of intelligence, 5–46.9 yr olds with Prader Willi syndrome, longitudinal study, 22124
testosterone & behavioral therapy & carbamazepine treatment, psychopharmacogenetic analysis of syndrome & symptoms, 15 yr olds with Prader Willi & Klinefelter's syndrome, 22843

Pragmatics—Serials

behaviorism & cognitivism in interactive nonencoding representation in studies of language & meaning, commentary, 9055
cognitive pragmatic approach to negative raising constructions & application of functional & procedural grammar theories, 9063
collaboration & coherence in textual & conversational mix in text based electronic conferencing, college students, 27794

conditional sentences in narrative vs descriptive vs expository discourse, 823
content & pragmatics & developmental changes in causal discourse, 33 mo olds & their mothers & older siblings, 7 mo followup, 40809
context, inferential reasoning & selection with permission vs multiple causality schema, college students, test of P. W. Cheng & K. J. Holyoak's theory of logical structure of pragmatic schemas, 4322
contextual assertions of alternative plausible cause & extremity or rarity of contextual event, interpretation of causal assertions in pragmatic conditional reasoning, adults, 8299
conversational tempo & obvious vs subtle social interaction structure, attributive affect, adult speakers vs dyad partners vs Os, 25483
discourse interruption & asymmetrical speaker rights, adults in same vs cross sex dyads, 21486
implications of language as encoding of reality for interactive nonencoding representations in studies of language & meaning, commentary, 9060
information on pragmatics in learner's dictionaries, 36945
insistence & clarification in reformulation of vocal & behavioral requests for objects, 14 vs 18 mo olds, France, 9171
interactive nonencoding representation in studies of language & meaning, commentary, 9050
interactive nonencoding representation in studies of language & meaning, commentary, 9032
interactive nonencoding representation in studies of language & meaning, commentary, implications for semiotics, 9031
interactive nonencoding representation in studies of language & meaning, commentary, 9041
interactive nonencoding representation in studies of language & meaning, commentary, 9030
interactive nonencoding representation in studies of language & meaning, 9029
interactive nonencoding representations in studies of language & meaning, commentary reply, 9033
interactive nonencoding representations in studies of language & meaning, commentary, 9021
interactive nonencoding representations in studies of language & meaning, commentary, 9067
interactive nonencoding representations in studies of language & meaning, commentary, 9075
interactive nonencoding representations in studies of language & meaning, commentary, 9069
interactive nonencoding representations in studies of language & meaning, commentary, support for Prague school of structural & functional linguistics, 9068
interactive nonencoding representations in studies of language & meaning, commentary, 9052
interactive nonencoding representations in studies of language & meaning, commentary, 9066
interactive nonencoding representations in studies of language & meaning, commentary, 9054
interpretation of verb forms in & parameters & classification of conditionality in English, 44781
joint attention & verb comprehension & learning in impending & completed nonostensive vs ongoing ostensive pragmatic context, 1.1–2 yr olds, followup, 980
L. Karttunen's & Z. Vendler's thesis of conveyance of truth with verb "tell", commentary, 36950
language & sociopragmatics & psychopragmatics & ontopragmatics in artificial intelligence, 23884
linguistic & cognitive nonlinguistic pragmatic competence in language, 16941
modal particle in sentence, interpretation of forcefulness, adults, Netherlands, test of social choice theory, 36943
nature of faults & fallacies in questioning dialog, 9074
neurolinguistic & interactional perspective on semantic pragmatic disorder, female 5.5 & 8 yr olds, 1 yr followup, 41920
partial or complete repetition of symbols & pragmatics during lexigrams based discourse, Pan troglodytes & paniscus chimpanzees, comparison with children's communicative competence, 28396
pragmalinguistic analysis of verbal irony, 12956
pragmatic & morphosyntactic factors, accessibility of discourse entities in short & long term memory, college students, 28316
pragmatic characteristics of conversations in natural vs semi-structured situations, mothers & their 2.7–3.8 yr olds with developmental delays, 22074
pragmatic dynamics in conversation, aphasic communicators, 30157
pragmatic errors, collaboration in conversation & evaluation of speaker & listener, college students, 36942
pragmatic features of lexical ambiguity in simple riddles, 44800
pragmatic interpretation of common speech & social reproduction, 12962
pragmatic language skills & analysis of quantity & manner of texts in explanation of novel procedure to listener, 21 & 40 yr old males with closed head injury based brain damage, 22380
pragmatic principles for syntax & discourse information distribution based on social convention, 9065
pragmatic reasoning schema theory of deductive reasoning, explanation of performance on selection task, college students, commentary, 20262
pragmatic strategies, modification of representative speech act of defining, lecturers, 9043
pragmatics of interpersonal communication, implications for family therapy, 25059
pragmatics of nonreferential topics in German & other languages, 821
psycholinguistic constraints of intentional irony comprehension in discourse, adults, 9047
role of staging & constructed dialog in establishment of speaker's topic, 828
semantic & pragmatic levels of meaning in discourse theory of comic narrative, 16949
semantic & pragmatic organization of interjections in Mayali, Gunwinjguan adults, Australia, 16933
semantics & pragmatics of set marking tag "and everything", 36951
social processes & identity & psychosocial factors & cooperation in institutional discourse, reassessment of Gricean pragmatic theory, 12965
theme as message onset & structure & characteristics in discourse, 826
topic & emotion in discourse economy & agenda, 813
turn taking in Arabic spontaneous speech vs drama dialog, 21–50 yr olds, Egypt, 9048

Pragmatics—Chapters

Conventionality and contrast: Pragmatic principles with lexical consequences, 1004

Pragmatism—Serials

model of evolutionary self construction based on principles of evolution & philosophy of pragmatism, 45270

Pragmatism—Chapters

Consciousness, intentionality, and pragmatism, 28827

Praise—Serials

modeling & praise, self initiated behaviors in work & social & school settings, autistic 20 yr old males, 6590
praise, expressions of pride & mastery on completion of developmentally appropriate puzzles, autistic vs mentally retarded preschoolers, 29944
verbal praise vs music reinforcement, soccer kicking performance, profoundly mentally retarded 10–17 yr olds, 22590

Praise—Chapters

Paradoxical effects of praise and criticism on perceived ability, 11534

Prayer—Serials

concepts & assessment of imagery of prayer, adults, instrument appended, 21334
therapeutic daily prayer at respite care club, Jewish mentally impaired elderly, Israel, 23045

Precocious Development—Serials

cognitive ability & word & text reading skills, 65–87 mo old postkindergarten precocious readers vs comprehension level matched 2nd graders, 44873

Precocious Development—Chapters

Early signs of giftedness: Research and commentary, 32846

Precocious reading of English: Origins, structure, and predictive significance, 32921
Precognition—Serials
target & nontarget stimuli, brain EPs as indicators of clairvoyance & precognition, psi talented male, 8439
Predatory Behavior (Animal) [See Animal Predatory Behavior]
Predelinquent Youth—Chapters
Antisocial behavior: Using a multiple gating strategy, 45690
Predictability (Measurement)—Serials
associative attitudes toward store & evaluative store attributes, prediction of primary store choice, shoppers, 19798
relative improvement over chance index of predictive efficiency, commentary, 12095
reliability & predictability of shortened Child Behavior Checklist, prediction of delinquency, juvenile males, 90
Predictability (Measurement)—Chapters
Predictors of suspect and interviewer behaviour during police questioning, 23960
Statistical prediction versus clinical prediction: Improving what works, 20061
Prediction [See Also Academic Achievement Prediction, Occupational Success Prediction]—Serials
abstract features in thematic stories, analogical case retrieval, college students, test of predictive features hypothesis, 8349
accuracy of mother's vs teacher's vs peers' vs self predictions of performance on cognitive tasks, actual cognitive performance, 2nd vs 5th graders & their mothers & teachers & peers, 9176
accuracy of National Adult Reading Test Revised, prediction of WAIS-R IQ score, 20–54 yr olds, 39791
accuracy of probability judgments of future vs past events, college students, 28237
accuracy of self vs observer's vs judge's prediction of recognition performance on general information recall questions, college students, 40165
activity based assessments of balance & gait, prediction of fall type & risk of fall, 62–96 yr olds, 40992
amount & quality of information, accuracy of weather forecasting, meteorologists, 12250
amount & quality of information, accuracy of weather forecasting, meterologists, erratum, 24413
analytic & computer simulation models, prediction of network exchange outcomes, 17460
approaches to error identification in reliability assessment of human machine systems, 15756
assessment of intellectual potential in school settings, implications for g-ocentric view of intelligence as predictor of job performance, commentary, 35396
attitudinal temporal stability & accessibility in memory, prediction of behavior, college students, test of theory of planned behavior, 9599
autophotographic depictions of alcohol related identity, self reported drinking & expectancies & prediction of drinking, 18–39 yr old college students, 41188
background data constructs using measures of adolescent leadership activities, prediction of leadership behavior, male vs female college students, 37518
cerebral hemispheric asymmetry, prediction of language recovery, aphasic male 46–84 yr olds, 1 yr study, 34151
child & parent & family & other characteristics, prediction of adolescent academic & psychiatric & social outcomes & emotional adjustment, hyperactive 4–12 yr olds, 8 yr study, 34023
child's age & injury type, anticipation of potential home accidents & injuries, mothers of 1–3 yr olds, 9439
clinical psychological vs mathematical model & actuarial prediction of decision making, 8309
cognitive motivations for alcohol use & sensation seeking, prediction of drinking problems, adolescents, 12 yr study, 37960
college MMPI, prediction of combat related PTSD, male Vietnam & Vietnam era veterans, 25872
comparison of statistical tests for monotonic hypotheses of predicted order of group population means, Monte Carlo simulation data, 20118
conceptual disorganization & all or nothing thinking & other cognitive variables, prediction of suicide, hospitalized psychiatric patients, 33760
confidence & major party preference & previous prediction accuracy, wishful thinking & prediction of election outcomes, 18–80 yr old voters, New Zealand, 21392
construct validity of Guttman scale & predictive model of local union participation, labor union members, Canada, 31555
contextual dependence & between source congruence of quantitative & diagnostic source & categorical choice, predictive reasoning, college students vs faculty members, Spain, 324
contextual information & judgmental combinations of statistics & intuition relative to formal combination rule, human vs model prediction, adults, 28274
cue validity, effectiveness of 2nd cue in criterion prediction, college students, 40079
demographic & epilepsy & surgical variables in prediction of postoperative neuropsychological change, 14–63 yr olds following anterior temporal lobectomy, 2796
demographic & lifestyle characteristics, prediction of fashion opinion leadership, 50–85 yr old consumers, 43537
demographic characteristics & stress & social support & life satisfaction & prior psychiatric history & drinking problems, prediction of psychiatric symptoms, homeless males, 13652
development of statistical model for prediction of short term survival, patients with dementia of Alzheimer's type, 42108
factors influencing prediction of patients' performance on comprehension test, doctors & nurses & relatives of aphasic stroke patients, 14270
forecasts of economic downturn, expert economists vs base rate models, 9352
g-ocentric view of intelligence as predictor of job performance, commentary reply, 32163
g-ocentric view of intelligence as predictor of job performance, commentary, 32165
g-ocentric view of intelligence as predictor of job performance, commentary, 32145
g-ocentric view of intelligence as predictor of job performance, commentary, 32168
g-ocentric view of intelligence as predictor of job performance, commentary, 32155
global self ratings vs health locus of control & perception of health behaviors, prediction of mortality, 70 yr olds & older, 29124
historical accounts of otherworld personage revelations of future in near death experiences, adults, 36293
identification of factors & development of rating scale, prediction of successful probation, 1st time offenders, 1980–82, 19969
integration of similarity & explanation based & theory driven learning as basis for acquisition of predictive & explanatory knowledge, 36241
internal & external resources & maternal antecedents & interferences, prediction of breast feeding duration, mothers, 12 mo study, commentaries & reply included, 33121
issues in suicide prediction, psychiatric inpatients, reanalysis, 33789
job & nonwork satisfaction & working & living conditions, prediction of life satisfaction, 15 yr olds & older from 10 countries, 1976, Western Europe, 41319
judgments of learning, prediction of paired associate learning, college students, commentary, 8368
judgments of learning, prediction of paired associate learning, college students, commentary reply, 8356
model for prediction of psychology GPA at graduation, reduction of number of psychology majors, college students, 43266
Model of Personal Investment as framework for explanation & prediction of health related behavior, adolescents, 5228
models of direct & indirect predictors of employment status, former & current rehabilitation patients with spinal cord injuries, Canada, 38993

nature & foundation & ethical & legal consequences of expert testimony predictive of future violent behavior of clients, mental health personnel, 15823
nonparametric approach to measurement of association for ranked data, college students, application to prediction accuracy summarization, 39914
perceptions of client attractiveness & anxiety & disturbance, prediction of vs actual client attendance at therapy sessions, clinicians & practicum students, 15305
predictability of violent behavior & dangerousness, mentally ill, commentary reply, letter, 13671
predictability of violent behavior & dangerousness, mentally ill, commentary, letter, 13668
predictable vs unpredictable restraint vs novelty stress & prenatal ethanol, plasma corticosterone, rats, 16705
prediction of activities preferred by severely retarded adults, residential program staff members, 41877
prediction of adult IQ, 5 mo old same sex twins, 4 mo study, application of midtwin-midparent analysis, 32858
prediction of controlled drinking, alcoholic & problem drinking clients, literature review, 18021
prediction of future liking for stimuli, college students, 9619
prediction of number of birth & survival rates, infants with Down's syndrome, 1992–2000, England & Wales, 22130
prediction of typical & maximum performance criteria by cognitive ability tests, White vs Black supermarket cashiers, 31503
prediction training, reading comprehension & written composition performance & story recall & generation, 4th graders, 3390
predictor variables & identification of motivation & demotivation, 8th–12th graders in general vs high vs low level technical education, 31352
predictors & extent & nature of dependency & criminal filings, physically & sexually abused & neglected children, 23946
preference elicitation techniques, prediction of consumer choices, adults, 27767
reading habits & vocabulary & perceived reading ability, prediction of reading comprehension & performance, elderly college educated adults, 29114
receiver operating characteristic curves analysis of Help Seeking Decision Making model, prediction of use of mental health services, poor 18–64 yr olds, Puerto Rico, 18954
rectal resection & postsurgical perineal pain onset time, prediction of tumor recurrence, rectal cancer patients, 2 & 5 yr followup, 30605
relaxation vs tension, prediction of lottery numbers & psi conducive states of consciousness, adults, Netherlands, replication, 4426
reliability of Delirium Rating Scale, prediction of clinical outcome, 50–83 yr olds with delirium, Japan, 39834
response latency vs certainty on voting intention survey, prediction of discrepancies between voting behavior & intentions, adults, Canada, 37343
sex & age & weight & hunger level & desired weight change, prediction of body dissatisfaction & size distortion & self ideal discrepancy, 18–50 yr old college students, 37497
sex & systematic feedback, use of behavioral strategies & success in predictions of computer random numbers, college students, 36192
sex, predictors of leisure time physical activity, 21–81 yr olds, 47464
sexual activity & arousal & personality traits, prediction of pregnancy risk, previously vs never pregnant Black female 9th–12th graders, 25251
solar flare forecasting, expert Os vs expert systems, 12212
stereotypes & racial ambivalence & affect, attributions vs predictions vs evaluations of hypothetical Black vs White college applicants, White college students, 41254
symmetry of statistical contingency of prediction of future vs understanding of past, implications for psychology, 36002
task & ability oriented job analysis inventory, forecasting predictions of job skills & ability, skilled trade employees, 4159
treatment & patient & sociodemographic characteristics, prediction of full & partial psychiatric hospitalization, psychotic & nonpsychotic 20–55 yr olds in psychiatric community care, 5 yr study, 30956
use of associative remote viewing in prediction of fluctuations of silver futures prices, members of Delphi Associates partnership, 1982–83, 16396
use of prediction to test political theories, application to presidency, 13324
utility of Autonomic Nervous System Inventory vs Daily Stress Inventory, prediction of self report of somatic complaints, college students, 31929
utility of Child Behavior Checklist, prediction of risk for hospitalization, severely emotionally disturbed 6–17 yr olds, 20028
utility of ordinal scale derived from clinical & tomographic data, prediction of clinical outcome, patients with normal pressure hydrocephalus, Netherlands, 34241
utility of parallel vs divergent models, prediction of union & company commitment, male 19–60 yr old union members, 31553
validity of personality measures, prediction of job performance, adults, 31842
validity of self reported nonshared environmental factors, prediction of personality differences, 18–22 yr olds & their 14–25 yr old siblings, 37140
verbal & perceptual & quantitative & motor & memory development, prediction of maternal reporting of childhood injuries, 3 yr olds & their mothers, 1 yr followup, 34025
weight gain & withdrawal symptoms, prediction of outcome & self perceived reason for relapse in smoking cessation with nicotine patches, 23–74 yr olds, 42946

Prediction [See Also Academic Achievement Prediction, Occupational Success Prediction]—Chapters

Clinical and laboratory predictors of ECT response, 30553
Clinical versus statistical prediction, 3954
Development of the DEST test for the early screening for dyslexia, 39840
From dangerousness to risk assessment: Implications for appropriate research strategies, 37640
Preference for unpredictability is reversed when unpredictable nonreward is aversive: Procedures, data, and theories of appetitive observing response acquisition, 8510
Psychosocial factors that influence American adults' alcohol consumption, 17432
Some content is narrow, 32763
Stuttering, 15195
Supervision in the deinstitutionalized community, 37643
What might rationality fail to do?, 5569

Prediction Errors [See Type I Errors, Type II Errors]

Predictive Validity—Serials

application of receiver operating characteristic methods, assessment of instruments' validity in prediction of relapse, stabilized schizophrenic patients, 4070
basic tasks model with data value specifiers vs E. R. Tufte's data ink principle, prediction of performance on tasks of graphical perception, meta analysis, 19820
blood alcohol level & clinic absenteeism & depression & predictive validity of tests, 24–53 yr old alcoholic methadone outpatients, 42916
Centers for Disease Control vs Carter Center Program health risk appraisals, prediction of 10 year mortality risk, smoking vs nonsmoking 25–60 yr olds, 13384
comparability & interrater reliability & predictive validity of Positive & Negative Syndrome Scale & Brief Psychiatric Rating Scale, schizophrenic patients, 11998
concurrent & predictive validity of schemes for classification of alcoholism types, alcoholic patients, 13914
consistency & empirical founding & predictiveness in advertising campaign decisions, advertising companies, Norway, 19803
daily events & day of week, prediction of mood with Positive & Negative Affect Schedule & Nowlis Mood Adjective Checklist, male adults, 11985
development & validation of Sales Skills Inventory & situational judgment measure, prediction of job performance, telephone sales representatives, 28111

dynamic measure of phonemic awareness, prediction of progress in reading & spelling & phonemic awareness, nonreading kindergartners, 156
efficiency of instruments in prediction of initial child abuse & primary prevention, 13896
evaluation of accuracy of new steady state lithium prediction method for drug dosage, psychiatric hospital patients, 6738
expert knowledge vs statistical vs mechanical analyses based systems, early prediction of developmental delays, 18 mo olds, Japan, 18083
external validity of business games with interpersonal & leadership & other social skill components, business career success, college students, 5 yr study, 31510
factor analysis & predictive validity of Child/Adolescent Dissociation Checklist, screening for multiple personality dissociative disorders, children & adolescents, 1 yr followup, 8019
factor structure & predictive validity of Perceived Stress Scale vs Beck Depression Inventory, measurement of perceived stress & coping ability, psychiatric patients, 15959
family responsibility vs sex vs career vs family identity salience, predictions of performance outcomes, executive education program participants, 15611
formulas with personological vs situational vs zeitgeist factors, prediction of greatness, presidents, US, commentary, 4196
Home Observation for Measurement of Environment, prediction of intelligence over & above SES, Black vs White 3 yr olds, 31824
internal stability & predictive validity of Marsh's Self Description Questionnaire-2, 14–15 yr olds, 27977
interrater reliability & predictive validity of Transplant Evaluation Rating Scale based on revised Psychosocial Levels System, adult liver transplant recipients, 31958
Inwald Personality Inventory &/vs MMPI, prediction of job termination & absence & lateness & disciplinary interviews, male White vs Black vs Hispanic correctional officers, 27976
issues in construct & predictive validities for genetic animal model of depression, Flinders sensitive line rats, literature review, 32366
job analysis based development & validity of Negotiation Skills Inventory, prediction of telephone negotiation & situational judgment, credit consultants, 39897
market research & client deception through predictive validity implication, marketers, implications for adversarial peer review process, 19799
Metropolitan Readiness Test, prediction of achievement, 1st graders assessed through 3rd & 6th & 9th & 10th grade, 4150
perceptual memory task with vs without motor process initiation & frontocortical DC potential shifts, task response prediction, 22–31 yr olds, Austria, 24771
predictive & concurrent validity of Career Development Inventory, high school students in French schools, Quebec, 12064
predictive accuracy of Battelle Developmental Inventory Screening Test, assessment of developmental problems, 7–83 mo olds, 39803
predictive efficiency of Electronic Data Processing Test, classification assessment into computer programer & operator fields, Air Force enlistees, 43845
predictive validity & test retest reliability of Anxiety Sensitivity Index, assessment of panic attacks & disorders & anxiety sensitivity & disorders, college students, 3 yr followup, 91
predictive validity of Alcohol Use Disorders Identification Test vs Short Michigan Alcoholism Screening Test & Diagnostic Interview Schedule, 18–70 yr old rural primary care patients, 35874
predictive validity of attitudes-to-school scale, academic achievement, 11 yr olds, Australia, 24216
predictive validity of Cognitive Ability Scales, measurement of reading & math achievement & intelligence, 1st–5th graders originally assessed as 2–3 yr olds, 16044
predictive validity of Consumer Ethnocentric Tendencies Scale, assessment of feelings of patriotism & morality toward purchase of foreign products, PC vs automobile owners, 166
predictive validity of internal external locus of control, National Board of Medical Examiners-I scores, at risk medical students, 154
predictive validity of National Teacher Examination, assessment of performance in teacher education programs, graduates, 43840
predictive validity of neonatal medical index, assessment of mental & motor development, preterm low birth weight infants to 3 yr olds, 35827
predictive validity of Rotter Internal External Locus of Control Scales, prediction of relapse, compulsive gamblers, 87
predictive validity of schedule of family social capital, prediction of school related cognitive performance, 11 yr olds & their parents, Australia, 43829
predictive validity of screening instrument, assessment of special education placement status, kindergartners, 20098
predictive validity of Spanish version of Anton Brenner Developmental Gestalt Test of School Readiness, kindergartners, Costa Rica, 1 yr followup, 31988
predictive validity of theories of reasoned action vs planned behavior, prediction of exercise intentions & behavior, 18–67 yr old corporate employees, commentary, 35628
predictive validity of theories of reasoned action vs planned behavior, prediction of exercise intentions & behavior, 18–67 yr old corporate employees, commentary reply, 35631
predictive validity of traditional vs nontraditional college selection interviewing methods, prediction of student's GPA, college students & experienced vs inexperienced interviewers, 43820
predictive value of neonatal cerebral ultrasound vs neurological examinations vs obstetrical & neonatal optimality, neurodevelopmental outcome, low birth weight infants observed between 0–3.6 yrs old, 16987
problems with predictive validity & administration of IQ tests to native clients, Cree & Ojibwa students of vocational counselor training program, Canada, 19994
purposes of developmental tests & improvements in reliability & predictive validity of Bayley Scales of Infant Development, 35831
regression equations for & predictive validity of full length vs short forms of WAIS-R, healthy adults, UK, 40
reliability & predictive validity of Self Rating Depression Scale vs Brief Symptom Inventory, measurement of depression, patients with spinal cord injuries, 35920
reliability of R. A. Karasek's demand-discretion model of occupational stress, prediction of raised BP & anxiety & depression & job & life satisfaction, 30–60 yr old outpatients, England, 47399
score on Self Control Schedule, prediction of response to drug vs cognitive therapy vs relaxation training, depressed adults, replication, 2409
scores on Problem Orientation vs Problem Solving Skills Scale of Social Problem Solving Inventory, prediction of year ending GPA, college students, 8060
spatial ability in prediction of educational & occupational group membership, high school graduates, 11 yr study, application to test validation designs, 31465
statistical vs algebraic estimation of utility vs lottery dependent utility vs weighted utility model, prediction of individual choices & preferences, college students vs sales force personnel, 304
Test Attitude Survey, assessment of test taking disposition & motivation effects on validity of employment test to predict performance, college students, 4164
test retest reliability & group & retrospective & predictive validity of Generalized Work Distress Scale, mental health & college employees, scale appended, 31993
thought disorder & demographics, prediction of relapse, 19–32 yr old mania patients, 17770
time & stage of practice & length of time on job, predictive validities, commentary on & reanalysis of meta analysis, implications for personnel selection, 4180

utility of standardized patient based postclerkship examination, prediction of 1st yr residency performance, medical students, 31132
utility of theory of planned behavior model, prediction of behavioral intentions regarding enrollment in physics, 8th–11th graders, 3490
validation of cognitive assessment battery, prediction of driving performance, 37–79 yr old stroke patients, 31943
validity of Anticipated Turnover Model Among Nurses, prediction of job satisfaction & anticipated & actual turnover, urban registered nurses, replication, 23405
validity of Armed Services Vocational Aptitiude Battery subtests & composites, prediction of grades in technical school, Air Force recruits, 8079
validity of Assertive Job-Hunting Survey, prediction of acquisition of employment, minimally educated job seekers vs college students, 28112
validity of assessment center ratings by psychologists vs high level managers, prediction of performance & upper management potential, low level managers, Israel, 4 yr study, 39476
validity of Bennett Mechanical Comprehension & Flanagan Aptitude Classification Tests & Thurstone Test of Mental Alertness, prediction of job performance ratings, manufacturing employees, 39896
validity of classroom anxiety scale, prediction of English achievement, 9–14 yr old 6th–8th graders learning English, Spain, 24221
validity of cognitive ability & personality measures, prediction of job performance, insurance claims examiners, 39884
validity of Drug Avoidance Scale, prediction of drug usage screening results, security service job applicants, 47355
validity of Gesell School Readiness Screening Test, prediction of educational placement & achievement, kindergartners, 2 yr study, 16043
validity of Graduate Management Admission Test & undergraduate GPA, prediction of 1st yr & final GPA in business doctoral programs using empirical Bayes approach, graduate business students, 28088
validity of GRE, prediction of success in graduate school, psychology & counseling graduate students, meta analysis, 24209
validity of GRE scores & academic background variables, prediction of graduate degree completion in psychology, graduate students, 43822
validity of H. Gough's structural scales for California Psychological Inventory, prediction of job performance, Coast Guard junior officers, 39886
validity of Health Belief Model, prediction of risky sexual behavior & AIDS perception & susceptibility & condom use & health attitudes, male vs female 17–20 yr olds, Australia, 18289
validity of hierarchical conjoint analysis models, prediction of recreation destination choice, adult recreationists, Netherlands, 11732
validity of Hogan Personality Inventory scales, prediction of job performance, insurance clerical employees, 39895
validity of Kohen-Raz subscales of Bayley Mental Development Index, prediction of reading & arithmetic & fine motor coordination & language scores at 6–8 yrs old, 4 vs 8 vs 12 vs 18 vs 24 mo olds, 35839
validity of Level of Expressed Emotion Scale, prediction of risk for rehospitalization, schizophrenic adults, 5 yr study, 31872
validity of Miller Assessment for Preschoolers, prediction of school related problems, at risk preschoolers, commentary, 28085
validity of Miller Assessment for Preschoolers, prediction of school related problems, at risk preschoolers, commentary, 28080
validity of Miller Assessment for Preschoolers, prediction of school related problems, at risk preschoolers, 28086
validity of Miller Assessment for Preschoolers, prediction of school related problems, at risk preschoolers, commentary reply, 28083
validity of minimum-jerk modal, prediction of smoothest trajectory for vertical aim movements, right handed males, 44045
validity of Mullen Scales of Early Learning vs Preschool Development vs Minnesota Child Development Inventories, prediction of school failure, 4 yr olds with very low birth weight, 19987
validity of Multijurisdictional Police Officer Examination, prediction of training & job performance, police officer recruits, 39891
validity of peer vs teacher vs parent vs self rating of aggression, prediction of criminality & arrest for alcohol abuse & problem drinking, male vs female 8 yr olds, Finland, 6 & 12 & 18 yr followups, 44979
validity of Personnel Decisions Inc. Employment Inventory, prediction of performance & tenure, discount retail store associates & assistant managers & job applicants, 39885
validity of personnel selection battery, prediction of job performance, insurance agent support persons, 28101
validity of prognosis on cognitive & social & emotional development of 4th & 5th graders with learning problems, education students vs school psychologists vs special education school directors, 43329
validity of Questionnaire upon Mental Imagery vs Test of Visual Imagery Control, prediction of performance on Kanji grapheme integration task, 3rd & 4th & 6th graders vs college students, 15880
validity of Safety Locus of Control Scale, prediction of propensity for job related accidents, hospital employees, 39893
validity of SAT & achievement tests & high school class rank, prediction of GPA, college students, 24199
validity of screening tests, prediction of school performance, kindergartners assessed through 3rd grade, 43825
validity of self report vs performance based measures, prediction of health & mortality & institutionalization, 64–94 yr olds, 32

Predictive Validity—Chapters

Exploring strategies for clustering military occupations, 4173
The predictive value of the NEECHAM scale, 4104
Range restriction adjustments in the prediction of military job performance, 4167
Statistical prediction versus clinical prediction: Improving what works, 20061

Predisposition—Serials

attention deficit hyperactivity disorder as precursor of criminality & alcohol & drug abuse, literature review, 10124
birth rates in winter & spring, schizophrenic subgroups with vs without high genetic loading, 1710
catecholaminergic neurotoxin DSP4, development of predisposition to approach objects resembling conspecifics, domestic chicks, 4777
clinical features & predisposition, 11–15 yr old females with early onset bulimia, England, 14103
development of subscales of Dysfunctional Attitude Scale, assessment of cognitive vulnerability to depression & anxiety, college students, Australia, 7996
D2 dopamine receptor alleles marked by Taq I A & B restriction fragment length polymorphisms, polysubstance abusers, 6077
etiology & suspected risk factors, mildly retarded children & adolescents, Bahrain, 41861
family & genetic risk factors & comorbid psychiatric disorders, male 6–17 yr olds with attention deficit hyperactivity disorder & their 1st degree relatives, 6126
genetic & behavioral markers of alcoholism & ethics of risk identification, adolescents, 22020
headache characteristics & predisposition to psychoactive substance abuse, drug or alcohol rehabilitation clients, 27133
lack of primary care & treatment noncompliance as predisposing factors for severe & uncontrolled hypertension, inner city Black & Hispanic adults, 10316
life experiences, coping & stress & illness risk, 1435
lifetime history of maternal migraine or depression, 3–11 yr olds with headache or migraine or recurrent abdominal pain or abdominal migraine, 22228
linkage analysis of D3 dopamine receptor gene locus & schizophrenia, individuals in pedigrees, Iceland, 37756

pastoral counseling perspective on predisposition & behavior change, 38641
place of birth & paternal occupation, schizophrenic patients, England, 33618
predisposition factors in anorexia nervosa & affective disorders, 2081
predisposition vs anxious phobic states, harm avoidance & other abnormal personality features, patients with panic disorder with vs without agoraphobia, 5947
prevalence of TagI A vs B alleles of D2 dopamine receptor gene, nonalcoholic vs severe vs less severe alcoholic adults, 37923
scores on Psychosis Proneness Scales & presence of schizophrenia spectrum personality diagnoses, family members of schizophrenic patients, 37754
Type A behavior & sociodemographic characteristics, hostile childrearing practices & predisposition of children to Type A behavior, mothers of 6–9 yr olds, Finland, 9449
use of genetic information & confounding environmental influences in diagnosis of alcoholism or predisposition to alcoholism, 18017
validity of Arousal Prediction Scale, assessment of individual differences in electrodermal activity & EMG response to white noise, college students with high vs low arousability, test appended, 24031
Preference Measures [See Also Kuder Preference Record]—Chapters
Multivariate models of preference and choice, 199
Preferences [See Also Aesthetic Preferences, Food Preferences, Occupational Preference]—Serials
age & sex & motor & social communication skills, self reported preferences for & participation & interests in leisure activities, moderately mentally retarded 33–79 yr olds, 45837
age, cyanamide induced preference for ethanol, male rats, 20804
alcohol concentration, taste reactivity & consumption & lick rate, male rats, 16737
analysis of procedures of aggregation of preferences & imperfectly discriminated alternatives, decision makers, 36150
anticipated concrete emotions, preference ratings & ranking of options & option attributes in rational decision making, college students, conference presentation, 12239
appearance orientation & masculinity & femininity, strength of ideals of own & other sex's physical appearance & assumptions of other sex's ideals of own sex, male vs female 18–35 yr olds, 29407
attitudes toward & preferences for own vs other ethnic groups, Zulu adults, South Africa, 21349
attractiveness of artificial turf vs wire floor as nest site, individually caged laying hens, 36333
attractiveness of fresh vs old household garbage odors, male dogs, 8441
attribute prominence, choice & strength of preference judgments for alternatives with 2 attributes, college & graduate students, test of strategy & scale compatibility hypotheses, 40091
attributions for students' classroom problems & preferences for service delivery, teachers, literature review, 47330
aversive noise, self control choices & preference, college students, 12304
beliefs about value fulfillment, residential location preferences across life span, 17–18 vs 19–29 vs 30–49 vs 50–64 vs 65–80 yr olds, Sweden, 1093
body size, social preferences, male vs female prairie voles, implications for mate selection, 40315
bretazenil vs Ro 15-4513, preference & aversion to hypertonic vs isotonic saline, male rats, 40536
buspirone vs NDO-008 vs 8-OH-DPAT with vs without cyanopindolol, ethanol intake & preference, high vs low ethanol preferring male rats, 8929
causes & objects & signs & consequences of preferences & emotions in conversation, 2 vs 4.5–5 yr olds, 37158
characteristics of elderly dependent & social support & perceived self competence & satisfaction, preference to be involved in informal caregiving, 18–76 yr old informal caregivers, 46855
child's cognitive performance & accuracy in judgment of children's preferences, parents of 2nd vs 5th graders, 29253
chlordiazepoxide, reactivity to conspecific vs novel or antagonistic odors, mice, 40579
cognitive restructuring vs behavioral reinforcement of preferences for unfamiliar games, interest in & selection of games, 4–6 yr olds, 2 wk followup, 5081
color preference as diagnostic sign, bipolar vs schizophrenic patients, Canada, 29543
complete vs isoleucine devoid diet, learned preference & aversion, male rats, 36639
computerized modular eater meter, study of feeding behavior & rhythms & food preferences & intake, rainbow trout, 24563
confidence & major party preference & previous prediction accuracy, wishful thinking & prediction of election outcomes, 18–80 yr old voters, New Zealand, 21392
context & preference reversal response mode effects, risky decision making in gambling judgment, college students, application of change of process theory, 315
cost, preferences for child care program content, parents of school age children, 25408
deterrent chemical quinine hydrochloride, paradoxical preference & aversion, Peromyscus melanotis vs Peromyscus aztecus mice, 44209
development of stereotypies, environmental preference, voles, commentary reply, 36360
development of stereotypies, environmental preference, voles, commentary, 36424
dominance vs subordination experience, familiar vs unfamiliar male vs female conspecific odor preferences, male mice, 44331
dynamic model of matching based on decision field theory, linking of choice & selling price measures of preference, 300
early experience, substrate preference & perceptual mechanism in development of dustbathing behavior, red junglefowl chicks, 28457
efficient use of & preferences for keyboard vs joystick vs mouse & interaction with microcomputers during free play, male vs female 4.2–5.3 yr old preschool students, 29026
employee involvement programs, decision making preferences & perceptions & attitudes, union workers, 15596
ethanol vs chlordiazepoxide, anxious behavior, male alcohol preferring vs nonpreferring rats, 36887
exposure to maze with fear inducing vs natural odors & shock or natural stressor, stressor associated vs other odor preference level, male rats, 24517
exposure to positive film about Black family of various complexions, racial identity & color preferences, Black vs White K–2nd graders, 1105
favorite places as environments for regulation of pleasant & unpleasant feelings & coherence of self experience & self esteem, 17–18 yr olds, Finland, 23837
female mate preference & evolution of male ornamental coloration intensity, sticklebacks, application of population genetics model, 40331
field experience, preference for counselor affiliated with mission, experienced vs candidate missionaries, 46225
focus of comparison, attractiveness & probability of choice of & consumer preference for product, college students, 15739
food switching behavior, grasshoppers, 20405
formation of prototypes in preference for mother's face, 8–78 hr olds, application of schema theory, 40855
frequency & location of play & video game preference, male vs female 7th–8th graders, 29015
frightening fairy tale, state anxiety & story preference, 6.5–8.7 yr olds with low vs high trait anxiety, Israel, 3 wk followup, application of catharsis vs repetition compulsion hypothesis, 29043
generalization of learned preferences in filial imprinting, chicks, 4444
generalized numerical representations extending utility theory results with imperfectly ordered preferences, 8089
genetic & environmental manipulation of color preference, behavioral deviation, quail, test of behavioral synergism & systemic instability hypotheses, 8485

genetics & directional selection for unconditional color preferences, normative canalization of preference development, quail chicks, 8484
hedonic responses to glucose vs fructose vs sodium chloride vs pure vs flavored sucrose solutions, sucrose likers vs dislikers, 12138
heterospecific vs conspecific male advertisement calls, preferential response & call recognition, female Neotropical frogs, implications for mate selection behavior, 44270
HIV status preferences for potential sexual partner vs friend, seropositive vs seronegative vs untested gay males, 10288
host encounter rate & preference & realized diet & motivation in oviposition behavior, checkerspot butterflies, 20453
housing preferences & fantasies depicted in drawings, 4–19 yr olds, Austria, 9260
interpretation of graphic survival data, treatment preferences, 29–82 yr old medical patients, 38720
keyword vs S generated vs industry symbols for photocopier functions, preference patterns & matching, college students, 15766
knowledge structures & preferences for high vs popular style houses, architectural vs other students, Australia, 23841
learning style preferences, narcoleptic adults, 2152
learning vs predisposition, preference for filial vs neutral object, chicks, 24538
lexicographic & probabilistic criterion models of choice, conversion of inclinations to choice after comparison with shifting criterion, decision makers, application of signal detection theory, 308
listening preferences for unfamiliar words with English vs Dutch phonetic & phonotactic patterns, 6 vs 9 mo olds, US vs Netherlands, 40824
male vs female infant vs adult directed speech, attentional &/or affective preference, 6–8 wk olds, 9182
maternal & societal preferences for female children, social & childrearing consequences, Jamaica, 5410
memory & brand attributes & persuasive information & motivation, consumer preference for previously encountered vs directly observable brand, college students, 15738
Monte Carlo nonparametric statistical procedure, analysis of preference in 2 choice experiments, female European corn borers, 16404
multiple concurrent VI schedules of reinforcement, stimulus preference & preference transfer to novel stimulus, pigeons, 24521
music preferences & suicidal thoughts & behaviors & other lifestyle factors, high school students, 37890
musical preference for repertoire & vocal range & tempo & accompaniment for singing, 60–110 yr olds, implications for music therapy, 37221
Myers-Briggs Type Indicator assessed preferences & personality types & job performance, clubhouse rehabilitation staff, 35218
neonatal capsaicin, preference for & intake of bitter vs sweet vs salty vs pungent stimuli, albino rats, 24883
neuroticism vs extraversion vs psychoticism, movie preference, college students, US vs Germany, 25586
olfactory bulb norepinephrine, preference for & identification & recognition of urinary chemical cues, male rats, 36514
past experience & commitment & media involvement & club membership & hunting style, preference for easy vs challenging hunt, goose hunters, 11731
perceptions of importance of housing environmental conditions, male vs female 40 yr olds & older approaching retirement, 47539
peripheral sc vs icv vs direct nucleus accumbens injection of cocaine with odor, conditioned odor preference & rewarding properties, rat pups, animal model of drug abuse, 28668
personality traits, individual preferences for interpersonal resources, 15–71 yr olds, Austria, 40952
photoperiodically induced gonadal hormone secretion, seasonal pattern of male vs female odor preferences, male meadow voles, 8743
picture board vs voice output communication aid, preferred communication device & communication skill acquisition & generalization, profoundly mentally retarded male 22 yr old, 41880
pitch & rhythmic pattern cues, preference measurement of perception of phrase structure in musical passages, 19–21.3 wk olds, 40825
postingestive consequences of dietary fat, conditioned flavor preferences, 3.9–5 yr olds, 44877
prediction of future liking for stimuli, college students, 9619
preference choices for verb types & their complements, sentence processing, college students, 28847
preference elicitation techniques, prediction of consumer choices, adults, 27767
preference for child's sex, reaction to sex of fetus, pregnant 20–42 yr olds undergoing amniocentesis, 37334
preference for environmental sounds, urban vs rural high school students, Japan, 32963
preference for perceptual components of advertisement, junior vs middle vs senior engineering vs nonengineering students, India, implications for consumer behavior, 31362
preference for saccharin with morphine vs cocaine, C57BL/6J vs DBA/2J inbred mice strains, 36465
preference for unsegmented vs segmented aperiodic VI schedules of reinforcement in air defense video game, college students, test of effect of psychological distance to reward, 32151
preference test system for evaluation of housing conditions, mice, 12336
preferences & constructive processes in decision making responses to judgment or choice task, conference presentation, 12237
preferences & reasons for conveying &/vs receiving probabilistic information & uncertainty in verbal vs numerical terms, college & graduate students, US & Israel, 40760
preferences for & consistency of individual differences in reputation & popularity in same vs other sex relationships, 3rd–6th graders, followup study, 28991
preferences for & intertemporal choice in sequences of outcomes, adults, 17456
preferences for & perspectives on housing choices & support services for coping, comparison to housing policy, 75 yr olds & older, 45026
preferences for counselor's ethnicity, Mexican American college students, commentary, 26416
preferences for counselor's ethnicity, Mexican American college students, commentary reply, 26449
preferences for FR vs bivalued VR schedule of reinforcement, pigeons, 24519
preferences for health care services & providers, lesbian 18–55 yr olds, 34835
preferences for housing & support services, mentally ill, research review, 38890
preferences for reinforcers in classroom contingency management, disabled 7th–12th graders, 7526
preferred physician role regarding families & sexual development, 12–19 yr olds & parents, 38798
product preferences, cost efficiency of choices, car buyers, 31635
propylthiouracil induced hypothyroidism, taste preference & sensitivity & discrimination, rats, animal model of hypothyroidism, 16644
racial identity & preferences for social change strategies for reduction of racism, African American adults, 41044
ratings of physical & social aspects of housing choices, suburb preference & hostel vs home choice, 60–97 yr olds, 45028
rationality principle for preference ordering used by expert systems in guiding choices, decision makers, 43601
risperidone dosage vs ritanserin vs haloperidol, ethanol preference, male rats, 36850
selective breeding for alcohol preference, heightened ethanol responsivity & 5-HT & dopamine neurotransmission & other characteristics, rats, animal model of alcoholism, conference presentation, 44370
SES vs ethnic vs educational background vs age vs household structure, prediction of pattern of equity preferences for allocation of recreation resources, adult Californians, 11730
sex & academic achievement, preferences for cooperative vs competitive vs individualistic learning, African American 6th–7th graders, 11508

sex & primary Holland type, preference for career counseling environment, college students, 35525
sex, mathematical & other cognitive abilities & preferences, mathematically gifted adolescents, 1988–91, vocational & theoretical & social implications, 25137
sex, preferences for & ratings of wishes, 16–81 yr olds, 1320
shelter availability & group size, salinity preference, red intermoult vs green male shore crabs, 16482
short term exposure to artificial odor, preference durability for familiar vs novel odor, 2–20 day old spiny mouse pups, 32298
skill in shooting & score attained, basketball size preference, 10 yr olds, 29048
source experience vs similarity & high vs low preference heterogeneity of product, attitudes & intentions toward advertisements, consumers, 3789
spatial configuration of environment, preferences for urban spaces, college students, 23840
spatial preferences for open vs enclosed kitchen designs, married male vs female 23–80 yr olds, 35661
stall frame & bedding & Dutch Comfort vs Newton Riggs cubicles, occupancy rate, dairy cattle, 12343
statistical models for analysis of prey preferences based on dichotomous preference method, guillemots, 24621
sweet vs salty vs sour vs bitter vs umami tastants, hedonic response, 17–57 yr olds, Japan vs Australia, 24288
taste preferences for saccharin concentrations, male rats with hypothyroidism, animal model, 12643
transient prenatal hypoxia & orange essence in amniotic fluid, chemosensory learning in orange essence preference behavior, adult rats, implications for reoxygenation as positive reinforcement, 28398
UCS devaluation, decrease in preference conditioned to CS, rat pups, 442
vasopressin analog or oxytocin, facilitation of social transmission of flavor preference via olfactory cues, male rats, 32683
victim preference & other determinants, policy arrest of domestic assailants & victim satisfaction, victims & perpetrators of domestic violence & police personnel, 37979
VR vs VI schedules, development of preference in choice situations, pigeons, 4460
wishful thinking assessed by voting intention & preference for Labor vs Likud block, expectations for election outcomes, adult voters, Israel, 1988, 45131
5-HT antagonist amperozide, systemic cyanamide induced alcohol preference, rats, 20941

Preferences [See Also Aesthetic Preferences, Food Preferences, Occupational Preference]—Chapters

The biology of nepotism, 21520
Children's musical cognition and taste, 29108
The choice of a home seen from the inside: Psychological contributions to the study of decision making in housing markets, 33307
Evolved responses to landscapes, 13238
Mate preference mechanisms: Consequences for partner choice and intrasexual competition, 13458

Preferred Rewards—Serials

individual vs paired stimulus & multiple schedule reinforcement, preference & contrast in keypecking, pigeons, 8505
quantity & availability of food vs monetary reinforcement, preferences for beer reinforcement, normal 21–30 yr olds, implications for drug usage, 21457
VI & quality of reinforcement, response time allocation, 14–18 yr old females with borderline range intelligence, 14080

Preferred Rewards—Chapters

Preference for unpredictability is reversed when unpredictable nonreward is aversive: Procedures, data, and theories of appetitive observing response acquisition, 8510

Preganglionic Autonomic Fibers [See Autonomic Ganglia]

Pregnancy [See Also Adolescent Pregnancy]—Serials

adaptive functioning & drug use patterns & developmental risk factors, use of cocaine during pregnancy, postpartum females, 33843
adrenocortical function & maternity blues symptoms, pregnant 18–38 yr old females, longitudinal study, 13739
age of smoking debut, smoking patterns & amount in early pregnancy, pregnant females, 37397
alcohol consumption during pregnancy & breast feeding, mothers with preterm or low birth weight infants, Mexico, 33828
analyst's pregnancy, psychoanalytic processes, analysands, 34485
anorexia & bulimia nervosa & partial syndromes, reproductive functions & sexuality & fetal & infant health, 6192
antenatal psychological morbidity & early postpartum mood & postnatal depression, pregnant females, letter, 13724
antidepressants, depressed 27 yr old female with exacerbation of Gilles de la Tourette syndrome during pregnancy, case report, 18761
anxiety during Persian Gulf War missile attacks, female 19–42 yr olds with normal vs at risk pregnancies, Israel, 37797
attitudes toward pregnancy & prenatal care & use of traditional rituals, 18–35 yr old pregnant females, Korea, 38664
attitudes toward pregnancy, obstetricians vs pregnant females, England, 43107
attitudes toward pregnancy, pregnant females undergoing chorionic villus sampling vs amniocentesis, 38793
attitudes toward pregnant peers, male vs female psychiatric residents, 23349
bereavement following voluntary or involuntary surrender of custody of newborns, drug abusing pregnant or newly delivered females, 6069
beta endorphin in medial preoptic area, disruption of maternal behavior vs prolactin release response to suckling, primiparous vs multiparous female lactating rats, 8938
biofeedback & relaxation therapy & psychotherapy, female 27–39 yr olds with migraines during & after pregnancy, 22859
biomedical & psychosocial risks, prediction of perinatal complications, pregnant females, conference presentation, 22205
cellulose diluted diet vs pair feeding, transient reduction in food intake following gestational cocaine & body weight, rat dams, 40680
changes in alcohol consumption & attitudes toward drinking during pregnancy, pregnant females & general public, 1984–85 vs 1990, Norway, 33853
circumstances of pregnancy & age & education & reproductive history & reasons for abortion, attitudes toward prenatal screening & abortion, 16–43 yr old pregnant females, 38806
clinical issues, pregnant psychoanalysts & analysands, 42366
clozapine, pregnant 30 yr old with chronic undifferentiated schizophrenia, letter, 18788
cognitive behavioral therapy, pregnant female 26 yr old with panic disorder, case report, 22558
comorbidity of mental illness & substance abuse, marital status & living arrangement & prenatal care & psychiatric history, pregnant psychiatric patients, 33487
consortium approach to drug prevention & rehabilitation, pregnant females of low SES, 3103
coping style & prolactin & cortisol stress response to oocyte retrieval & embryo transfer, pregnancy rates, females under in vitro fertilization treatment, Belgium, 30615
cost effectiveness of new antimalarial drug &/vs health educational message, malaria chemoprophylaxis compliance, pregnant females, Malawi, 30570
costs & benefits of health education approach to smoking cessation, pregnant female smokers at maternity clinics, 31025
countertransference & transference reactions to analyst's pregnancy, child & adult analysands, 34504
creative intervention techniques, mothers dealing with pregnancy loss, conference presentation, 2382
demographic characteristics & smoking habits, pregnant 15–35 yr old & older females, Sweden, 5486
depression & 1st time vs repeat cycle status, pregnancy rate after in vitro fertilization/embryo transfer, females, 46700
development & validity & reliability of Prenatal Attachment Inventory, pregnant females, commentary & reply included, 31808
development of questionnaire, measurement of attitudes toward health behaviors during pregnancy, female 15–37 yr olds, 16041

dietary cravings & aversions & eating disorder behavior & attitudes, primigravid females, England, 22142
dilemmas & decisions in childbearing process & health care, lesbian couples, 34789
distress & depression & anxiety & perception of negative life events, 19–42 yr old pregnant homemakers vs full vs part time employees, data reanalysis, 35573
distribution of free condoms, frequency of sexual activity & condom use, pregnant females & their partners at high vs low risk for sexually transmitted diseases, 13377
dreaming during pregnancy, females, Israel, 4415
drug & alcohol usage, homeless pregnant 18–43 yr old mothers, 1184
evening primrose oil with fish oil vs magnesium oxide vs placebo, prevention of pre-eclampsia, pregnant 14–40 yr old females, 1986–87, Angola, 30612
existential humanistic perspective on & issues in own pregnancy, clinical psychologists, 11289
exogenous epinephrine, sexual receptivity & inseminated pregnancy maintenance, female mice, 12765
experience of uncertain motherhood, females with high risk pregnancies &/or ill premature infants, longitudinal study, 34067
Federal Beverage Labeling Act of 1988, periconceptual & antenatal drinking, pregnant females with at risk vs nonrisk drinking, 45725
feeding activity in different pregnancy trimesters & stages of lactational amenorrhea, free ranging Hanuman langurs, 36647
habituation to zipeprol & withdrawal symptoms in offspring, pregnant 27 yr old, case report, 6075
high technology tests & obstetrical procedures during pregnancy & delivery, psychological state, adult females & their unborn & newborn children, 26931
HIV related drug & sexual risk behaviors, pregnant & nonpregnant iv drug users or sexual partners of iv drug users, implications for prevention, 34085
HIV testing & pregnancy counseling program, pregnancy & hormonal contraception use, 18–35 yr old females with vs without HIV, Rwanda, 38747
incidence & assessment & effects of chemical dependency, pregnant females & their fetuses & infants, implications for health care social work, 6057
incidence of maternal infection during pregnancy, chronic schizophrenic patients, Germany, 17828
life events & social support & partner's well being, emotional well being, pregnant 17–48 yr olds, Greece vs Great Britain, 21558
lithium phophylaxis & minimization of teratogenesis & other hazards during pregnancy, 24–42 yr old females with bipolar disorder, 1982–89, 6804
male fetus litter ratio, interlitter hormone levels & scent marking frequency & morphology during late pregnancy, gerbil dams, 32510
marital communication & cultural & socioeconomic factors, current contraceptive use, 15–49 yr old females at risk for pregnancy, Ghana, 13370
maternal adaptation during 1st pregnancy, 20–24 vs 25–29 vs 30 yr olds & older, 25401
multidimensional psychoanalytic model of pregnancy development & perinatal loss, 13591
multidisciplinary intervention, cocaine abusing mothers or pregnant females, 11115
music therapy during pregnancy & labor & delivery, 18824
nationwide dissemination of smoking cessation methods during prenatal care, projected quit rates, pregnant female smokers, 1990s, 31026
neurohormonal & psychophysiological interrelationships among coital & parturition & lactation responses, females, 4681
normal pregnancy, self reported experience of body change, female 17–34 yr olds, conference presentation, 1471
number of days of restraint induced stress, plasma estradiol & corticosterone & progesterone, inseminated female rats, 4719
obstetric liaison & drug withdrawal services, pregnant drug users & their newborns, England, commentary reply, letter, 35011
obstetric liaison & drug withdrawal services, pregnant drug users & their newborns, England, commentary, letter, 35032
obstetrics history, scores on Fetal Health Locus of Control Scale, pregnant 17–39 yr olds, Poland, 42637
partner's expressed emotion during 9th mo of pregnancy & recurrence of mental illness after delivery, pregnant females with history of psychosis or depression, 13667
perceived behavioral control, exercise intentions & behavior, adults vs 18–40 yr old pregnant females, analysis of I. Ajzen's theory of planned behavior, 23806
perinatal substance abuse & treatment, medical & obstetrical & neonatal & psychosocial complications, 1920
personal & professional & business & treatment issues, pregnant therapists in private practice, conference presentation, 31179
prediction of smoking cessation intention & behavior, adults vs 18–40 yr old pregnant smokers vs nonsmokers, 6–9 mo followups, application of I. Ajzen's theory of planned behavior, 11111
predictors of HIV testing intention, parturient female 17–43 yr olds attending antenatal clinic, England, 46735
predictors of relationship quality, 18 yr old & older females hospitalized for high risk pregnancy & their husbands or partners assessed through 8 mo after birth, 29231
pregnancy & birth & customs, South Africa, 41029
pregnancy attitudes & reproductive & sociodemographic characteristics, depressive symptoms, female 18–35 yr olds & older assessed during pregnancy vs within 4 wks of miscarriage, 30057
pregnancy complications, 19–40 yr old females in sociopolitically violent neighborhoods, Chile, 14209
pregnancy during medical residency, sources of stress & support, 40 yr old & younger physicians, 3199
pregnancy related health beliefs & compliance with prenatal care & perinatal outcomes, pregnant 19–41 yr olds, 42657
prenatal care & neonatal outcome, pregnant psychiatric inpatients, 7061
prenatal care enhanced vs conventional methadone maintenance, pregnancy outcomes, pregnant opiate dependent 20–33 yr olds, 23231
prenatal care with vs without home visits from nurse or social worker, low birth weight & preterm delivery & maternal & neonatal morbidity, females at high risk for low birth weight deliveries, 22974
prenatal cocaine vs amfonelic acid, gestation & offspring development & activity, female rats & their pups, 16795
prenatal diagnosis of Down's syndrome, psychological effects & birth frequency, pregnant females, Great Britain, screening implications, 19026
prenatal state & trait anxiety & self confidence, pregnant 13–16 vs 21–33 yr olds, 21259
prepartum vs postpartum food & water intake & body weight change, virgin vs pregnant &/vs lactating vs thelectomized female mice, 12627
presence of anorexia nervosa & bulimia, pregnant females, literature review, 26116
prevalence of psychiatric morbidity, pregnant 15–54 yr olds, Nigeria, 37644
prevention & treatment of substance use disorders, pregnant & postpartum females, 42952
psychiatric diagnosis, pregnant or postpartum vs nonpregnant 15–44 yr old females, 41518
psychological & physiological & situational factors, fatigue, childbearing females, 41976
psychosocial & occupational stress vs personality related factors, fertility & pregnancy, females, Finland, followup, 20774
psychosocial & psychiatric distress, Black vs White treated vs untreated pregnant & recently postpartum cocaine abusing clients, 23275
psychosocial development & family & other characteristics, children born to females who were denied abortion vs accepted pregnancy assessed at 9 vs 14–16 vs 21–23 yrs old, Czechoslovakia, 9233
psychosocial factors, reported ailments in antenatal care, pregnant 19–42 yr olds, Norway, 14819

psychospiritual or irrational aspects of childbirth, shamanic midwifery traditions for pregnancy & childbirth with focus on Navajo Monsterway ritual, 10881
public policy for & criminalization of maternal substance abuse during pregnancy, US, 33865
reasons for serum screening for Down's syndrome & benefits, pregnant under 36 yr olds vs 36 yr olds & older, Netherlands, 38825
recognition of prenatal illicit drug use & identification of characteristics of drug using mothers, birth attendants, 30773
regular application of sawdust on floor of crate during prepartum, activity & duration of parturition & piglet survival, sows, 36361
representations of baby & self as mother, 20–35 yr old females assessed in 7th mo of pregnancy vs 5th day vs 4th mo postpartum, 37332
rights & laws & discretionary decisions, drug addicted pregnant & postpartum females & their fetuses & neonates, 13937
safety & psychological effects of ECT & possible complications of accompanying medications, pregnant females, case reports, 10748
sc cocaine, water consumption & weight gain & other maternal & offspring outcomes, pregnant mice & their pups, 16749
self monitoring of blood glucose & home management during pregnancy, diabetic females, research review, 30731
SES & age & repressor vs sensitizer personality type & primiparous vs multiparous status, emotions during each trimester of pregnancy, under 23–42 yr old females, Israel, 21388
sex biased nursing investment & lactation duration, subsequent fertility & intervals to pregnancy, Hutterite sect mothers, 32518
sex, knowledge & intentions & behaviors regarding prevention of pregnancy & sexually transmitted diseases, high school students, 17163
sex, transference & countertransference during therapist's pregnancy, analysands, 10601
sexual activity during & after pregnancy, 17–34 yr old Muslim females, Kuwait, 41173
sleep patterns, pregnant 22–40 yr olds in 3rd trimester, 404
smoking habits & changes in early pregnancy & attitudes toward smoking cessation, pregnant 18–34 yr olds with vs without smoking partner, Norway, 27137
smoking related beliefs & other psychosocial factors, postpartum smoking relapse, female 18–45 yr olds who quit smoking during pregnancy, 6 wk vs 6 mo followup, 11127
social dominance & familiarity & pen modification, periparturient aggressive & maternal & other behavior, pregnant sows housed in pairs, 8521
social stress during pregnancy, neuromotor development & responses, infant squirrel monkeys, 36686
social support & acculturation & anxiety & depression, pregnant Hispanic 13–42 yr olds, implications for multidisciplinary intervention, 14910
social support & pregnancy anxiety, drug abusing vs nonusing pregnant female 18 yr olds & older, 33835
social support intervention during pregnancy, biological & psychosocial outcomes, at risk pregnant females, Latin America, 30717
social support intervention, health & attitudes & other factors, pregnant females, England, 1 yr followup, 23065
social support networks & expectations of health care providers, Filipino vs Mexican American primigravidas, US vs Philippines, conference presentation, 34831
sociodemographic factors, prediction of prenatal & postpartum smoking behavior & cessation, Black vs White adult pregnant females, 17425
state & trait anxiety & depression, pregnant female 17–41 yr olds assessed predelivery vs before vs after legal abortion, Israel, 34756
state & trait anxiety in 1st vs 2nd vs 3rd trimester, working vs nonworking pregnant 18–32 yr olds, 45127
structure of maternal representations & thoughts & feelings during pregnancy, primiparous 20–34 yr old females, 1438
tangible assistance & social support & sociodemographic risk factors, pregnancy outcomes, pregnant adolescents & adults, 9746
taste & food preference changes during course of pregnancy, pregnant vs postpartum 19–34 yr olds, 28169
time between pregnancy termination & pup exposure & prolonged estrogen & progesterone treatment, maternal behavior & aggression, nonpregnant ovariectomized female rats, 32519
transference & acting out during analyst's successive pregnancies, female analysand, 34482
transference during female analysts' pregnancies & analytic technique, 23 yr old female with feminine identity & preoedipal maternal issues, 42350
types & prevalence of policies implemented for care & support of pregnant inmates, wardens of state women's prisons, 35086
unintended or adolescent or premarital or other circumstances of pregnancy, psychological responses following abortion, adolescent & adult females, 10917
unwillingness to quit smoking during pregnancy, smoking pattern, pregnant females, 12 mo followup, 45765
1989 implementaton of labeling act, knowledge of alcohol beverage warning label, pregnant females seeking prenatal care, 1989–92, 45163

SES, sexual intercourse & contraceptive behavior & premarital pregnancy, 15–20 yr old Blacks vs non-Blacks, 21239
sexual experience with vs without pregnancy & parenthood, nonsexual behavior problems, 15–17 yr olds, 9259
socioeconomic & subcultural factors, 1st premarital intercourse, Mexican American vs Anglo 13–19 yr old females, 1123

Premature Birth—Serials

affects & cognitions, 19–35 yr old parents of preterm infants in special care nursery & following discharge, conference presentation, 6213
alcohol consumption during pregnancy & breast feeding, mothers with preterm or low birth weight infants, Mexico, 33828
attentional & vocal & affective communication, mothers & their preterm vs full term 4 mo olds, 13032
behavioral & neurobiologic & heart rate responses to milk & endogenous opiates, prenatal mammals, implications for preterm human infants, 4622
birth complications & temperament & mother child relations & family environment, behavior problems, low birth weight preterm infants & their mothers & teachers, 4 yr study, reprint, 2135
"breathing" vs nonbreathing teddy bear in isolette, contact latency & frequency & total contact, premature infants at 33 wks conceptional age, 2 wk followup, 44907
child's premature birth & maternal responsiveness from infancy to 12 yrs old, mothers & their preterm children, 9433
clinical characteristics, prediction of maximal weight gain from massage therapy, preterm infants, 42571
comprehensive early intervention program, maternal interaction & child social competence, low birth weight premature 30 mo olds, 42709
concurrent validity of Minnesota Child Development Inventory, premature 11–13 mo olds at risk for developmental delays, 43782
days on mechanical ventilation & gestational age & length of hospital stay, temperament, preterm low birth weight infants, 17151
developmental & behavioral & cognitive status & family utilization of early intervention services, 3 yr olds born prematurely & their parents, 42683
developmental factors in psychoanalytic analyzability & resilience, premature infants & unanalyzable analysand, 6648
dextroamphetamine, locomotor activity & hyperactivity & drug sensitivity, premature juvenile rats, animal model of neurobehavioral deficits associated with prematurity, 12741
early life transitions & experiences surrounding birth & hospitalization & homecoming, 16–37 yr old mothers of premature infants, treatment implications, 2808
early visual experience, visual field size & grating acuity development, low risk & very low birth weight preterm infants, Netherlands, 1 yr study, 14204
educational & family support services & pediatric followup, cognitive status & behavior problems, low birth weight premature infants, 3 yr study, 42664
experience of uncertain motherhood, females with high risk pregnancies &/or ill premature infants, longitudinal study, 34067
gestational age at birth, development of nurturative sucking patterns & physiological correlates, very low birth weight infants, 38122
gestational age, facial activity & body movements & physiological responses to heel lancing pain, preterm vs full term neonates, 32863
independent vs toy centered play with mother, affective responses, preterm medically high vs low risk 6 mo olds, 14169

interaction & stimulation in environmental enrichment intervention in intensive care nurseries, premature infants, 34966
interrater & test retest reliability & validity of behavior checklists, assessment of behavior problems as stable traits, low birth weight premature 2 yr olds, 1 yr followup, 11946
maternal employment, child development & family functioning, 18–40 yr old parents & preterm infants assessed at 9 & 12 mo old, 29260
maternal IQ & home environment, IQ, premature & low birth weight infants, 1 & 3 yr followups, 30017
maternal stimulating care & psychomotor development, premature vs full term infants & their mothers, Nigeria, 6 mo study, 40771
morphine &/vs pancuronium, stress response & plasma catecholamines & BP & ventilatory requirements, premature newborns with hyaline membrane disease, 18919
motor & speech & self care & living skills task performance, kindergarten survivors of extreme premature birth, 5 yr study, 41969
music therapy & techniques for stimulation & pacification & parent training & PL 99-457 guidelines for early intervention, premature infants with low birth weight, 18830
neurobehavioral performance, healthy term vs low risk preterm infants tested at 40 wks conceptional age, 863
parental presence during administration of Neurobehavioral Assessment of Preterm Infant, parental awareness & reassurance, parents & their infants, 34015
perceived environmental stress & uncertainty & anxiety, mothers vs fathers of premature infants hospitalized in neonatal intensive care unit, 6942
perceptions of infant health & behavior, maternal self esteem, mothers & their healthy full term vs preterm infants with medical problems, 38120
perceptions of preterm infant, 17–38 yr old mothers, 38090
perinatal risk factors, temperament & temperament change, full term vs preterm 3 mo olds with vs without intraventricular hemorrhage, 4 mo followup, 1073
physical & mental development & parent's expectations & perceptions of delivery, premature low birth weight twin pairs assessed at 9 vs 18 mo vs 4 yrs old, Sweden, conference presentation, 36966
physiological & behavioral reactivity to novel stimulus & developmental competence, preterm vs full term 8 mo olds, 857
prebirth memory therapy, prebirth & perinatal memories & emotional reaction patterns, prematurely delivered adult male & 49 yr old female, 42231
pregnancy or delivery complications or premature birth, risk for psychiatric disorders, offspring followed from 0 to 7 yrs old, 11–21 yr followups, 26158
prematurity & very low birth weight, prevalence & continuity of hyperactivity & other behavior problems, 3 vs 6 yr olds, 17945
prenatal & neonatal early interventions, parent infant interaction & attachment, preterm infants of high risk pregnancies & their parents, 26840
prenatal & perinatal complications, development of visual acuity, high vs medium vs low risk preterm vs full term neonates, Italy, 1 yr study, 14175
prenatal care with vs without home visits from nurse or social worker, low birth weight & preterm delivery & maternal & neonatal morbidity, females at high risk for low birth weight deliveries, 22974
rhythmic organization of spontaneous motor activity, 26–36 wk old premature infants, 44871
scoring naturalistic behavioral observations on Neonatal Individualized Developmental Care & Assessment Program, premature infants, 20083
sleep & wakefulness patterns & relation to subsequent developmental disabilities, premature infants, 38020
strategies for recruitment & retention & informed consent in clinical trial, premature low birth weight infants, 22184
stress & health outcomes & neonatal morbidity, mothers of premature low birth weight infants, 30034
theoretical & clinical aspects & infant & maternal mediating factors, self esteem, mothers with preterm infants, implications for clinical special care nursery setting, 18906
visual & auditory orienting responses, preterm twin 2 day to 5 mo olds, 1977–87, 961
visual attention & recognition & location memory, premature 28–32 wk olds with subependymal or mild intraventricular hemorrhage, 10400

Premature Birth—Chapters

Brain before cognition: EEG maturation in preterm infants, 13015
Early motor development in preterm children, 40873
Influence of perinatal risk factors (preterm birth, low birth weight, and oxygen deficiency) on movement patterns: An animal model and premature human infants, 16599
Nurturance or negligence: Maternal psychology and behavioral preference among preterm twins, 13323
Prematurity, 41438
Preterm development, 40780

Premenstrual Syndrome [See Premenstrual Tension]

Premenstrual Tension—Serials

aerobic exercise & strength training, premenstrual symptoms, female 45–55 yr olds, questionnaire appended, 32523
alprazolam, female 29–45 yr olds with PMS, 46692
altered serotonergic activity, females with dysphoric PMS, literature review, 41541
blood plasma from 28–41 yr old females with PMS, serotonin uptake in brain synaptosomes, male rats, 8614
blood plasma, MAO activity in washed human platelets & rat brain synaptosomes & platelet MAO during premenstruation vs postmenstruation, patients with PMS, 10204
brain stem auditory EPs during menstrual vs late follicular vs late luteal phase of menstrual cycle, female patients with moderate vs severe late luteal phase dysphoric disorder or PMS, 21634
buspirone, institutionalized mentally retarded 38 yr old female with treatment resistant paramenstrual aggression, 34535
calcium supplementation, premenstrual symptoms, females with PMS, 6903
clinical psychology research & theory & interventions for PMS & postnatal depression & menopausal syndrome & issues in female reproduction, 1565
combined vs triphasic oral contraceptives, perimenstrual mood & clumsiness & food craving & menstrual pain & premenstrual breast tenderness, female adults with self reported PMS, 34707
concurrent anxiety & mood disorders, females with late luteal phase dysphoric disorder vs secondary amenorrhea, 21626
conjoint monitoring of symptoms, marital satisfaction, females with late luteal phase dysphoric disorder, 13714
cultural beliefs & social construction of PMS & proposed diagnostic category of late luteal phase dysphoric disorder, 2159
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary reply, 22199
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary, 22208
early follicular vs mid vs late luteal phase menstrual cycle, pulsatile LH secretion frequency & amplitude, female 26–39 yr olds with PMS, 14194
etiology & diagnosis of PMS & role of ovarian hormones & menstrual cycle, literature review, 2178
expectations for premenstrual symptoms & bodily sensations, self reports of symptoms, 20–49 yr old females in premenstrual vs intermenstrual phase, 4678
feminist perspective on lack of methodological rigor in research on & criteria for diagnosis of PMS & late luteal phase dysphoric disorder, 17634
feminist perspective on lack of methodological rigor in research on & criteria for diagnosis of PMS & late luteal phase dysphoric disorder, commentary, 17650
follicular vs late luteal phase menstrual cycle, cognition & memory & depression & anxiety, females with PMS, 14182
follicular vs luteal menstrual phase, marital distress, 23–44 yr old couples with female with PMS, 6256
follicular vs ovulation vs late luteal phase, serum progesterone & testosterone & other androgens & sex hormone binding globulin, female 31–44 yr olds with PMS & dysphoria, 14166

follicular vs premenstrual phase, nervous system activity & psychological & physiological changes, 26–43 yr olds with severe PMS, 6205
health seeking behavior & experience & effect & explanations & attitudes toward treatment of symptoms, 18–45 yr old perimenstrual females, commentaries & reply included, 10263
hysterectomy, psychological & physical symptoms of PMS, females, 6941
irrationality, premenstrual symptomatology, adult females, 6238
knowledge of premenstrual theme of study, self reported anxiety & depression & cognitive style, 25–45 yr old females with vs without premenstrual dysphoria, 25758
lithium carbonate, female 29 yr old with premenstrual mania & 41 yr old with premenstrual bipolar disorder, case reports, 38543
menstrual cycle phases, BP & cardiovascular reactivity & stress responses & cognitive functioning, females with PMS, 34026
muscular relaxation & mind expansion exercises, anxiety & personality features, females with high levels of PMS, 12 mo followup, 18633
neuroendocrine mechanisms of & classification & other issues in psychogenic amenorrhea & menstrually related disorders & infertility & climacteric syndrome, 22196
panic induced by sodium lactate infusion, female 25–39 yr olds with late luteal phase dysphoric disorder, 37713
perceived family & work environments & stressors, adult females with PMS, 18212
perimenstrual symptoms & menstrual blood loss & pain & neuroticism, 17–53 yr old females with menorrhagia vs PMS vs dysmenorrhea, 38082
physical & affective symptoms associated with PMS as manifestations of single underlying vs multiple syndromes, 17–53 yr old females, 38103
physical health & psychological well being & role satisfaction & social support, 22–40 yr old employed females with perimenstrual symptoms, 26189
PMS during vs after remission of major depression, females, 9747
premenstrual vs intermenstrual phases & oral contraceptive use, stress reactions & state & performance & arousal, 22–40 yr old females with vs without self diagnosed PMS, 2177
premenstrual vs postmenstrual po 5-HTP, blood cortisol & beta endorphin & 5-HIAA & 5-HTP & platelet 5-HT uptake, 18–45 yr old females with late luteal phase dysphoric disorder, 1625
prevalence & correlates of PMS, female 15 yr olds, 10237
progesterone, computer analyzed EEG activity, female 38 yr old with PMS, case report, 22928
psychophysiological arousal & personality trait predisposition, female 26–30 yr olds with premenstrual tension, 38124
psychosocial profiles, 25–45 yr olds with premenstrual dysphoria, Australia, 9803
psychotic symptoms during premenstruum & association with late luteal phase dysphoric disorder, females, 41557
reliability & factor structure of self report questionnaire for assessment of PMS, adult females, 43807
self reported PMS, 25–40 yr old female monozygotic vs dizygotic twin pairs, Australia, 41942
severity of premenstrual symptoms & life stressors & medical or psychiatric problems, 12–56 yr old females, 2130
symptom patterns, 20–47 yr old females with late luteal phase dysphoric disorder, 13745
triphasic oral contraceptives, mood & sexual interest, female 18–35 yr olds with PMS, 46668
utility of Dutch adaptation of longitudinal self report Moos Menstrual Distress Questionnaire, assessment of symptoms & diagnostic criteria, female 18–46 yr olds with PMS, Netherlands, 2 yr study, 28071
validity & reliability of Beck Depression Inventory vs Zung's Self Rating Scale for Depression, female with PMS during follicular vs late luteal phase of menstrual cycle, 11984

Premenstrual Tension—Chapters
Using the self-control triad to treat premenstrual syndrome, 46639

Premorbidity—Serials
negative vs positive vs mixed symptoms & premorbid functioning in childhood vs early vs late adolescence, drug free male schizophrenic patients, 13781
normal vs excessive premorbid body weight & energy intake during hospital treatment, increase of body mass, female 15–35 yr olds with anorexia nervosa, Canada, 46888
performance on National Adult Reading Test, estimation of premorbid or expected verbal fluency, healthy 16–88 yr olds vs neurologically impaired adults, 10347
premorbid adjustment, criminal vs noncriminal offenders with schizophrenia, Austria, 10114
premorbid characteristics & psychological reaction during hospitalization & long term adjustment & personality effects, patients with severe burn injuries, literature review, 22235
premorbid individual & family characteristics & current comorbidity, 16 yr olds with anorexia nervosa, Sweden, 10185
premorbid personality, patients with Parkinson's disease, Spain, 18384
premorbid psychosocial functioning & age of onset & time to 1st psychiatric hospitalization & severity & history of psychotic symptoms, schizophrenic 18–55 yr olds, 9854
presymptomatic testing for Huntington's disease, at risk adults, 1987–90, Wales, 14362
relationship between Scale for Emotional Blunting & Scale for the Assessment of Negative Symptoms & treatment response & premorbid functioning & negative symptoms, schizoprenic inpatients, 39801
sex & diagnostic stringency & premorbid variables, incidence of schizophrenia, patients with nonaffective functional psychosis, England, 41571
sex, symptom type & severity & premorbid adjustment & quality of life, schizophrenic patients, 17826
validity of National Adult Reading Test, estimation of premorbid intellectual ability & memory, patients with alcoholic Korsakoff's syndrome, 24145
validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, 73
validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, commentary, letter, 43770

Premorbidity—Chapters
Current and premorbid intelligence measures in neuropsychological assessment, 28047

Prenatal Care [See Also Childbirth Training]—Serials
attitudes toward pregnancy & prenatal care & use of traditional rituals, 18–35 yr old pregnant females, Korea, 38664
attitudes toward prenatal screening for fetal abnormality vs cystic fibrosis & other genetic diseases, prenatal screening as part of antenatal care package, 38823
clients' health behavior & perceptions about prenatal care needs & barriers to utilization, prenatal care providers & female Mexican Americans, 42635
costs & benefits of health education approach to smoking cessation, pregnant female smokers at maternity clinics, 31025
demographic & situational & psychosocial factors, enrollment in prenatal care, mothers, literature review, 30713
dilemmas & decisions in childbearing process & health care, lesbian couples, 34789
evaluation of community based prenatal care outreach programs, 38867
imagery relaxation instruction in prenatal education, anxiety & childbirth knowledge & imagery pain control attitudes, pregnant females, Canada, 2 wk preterm followup, 23007
intentions to attend & expectations of classes & attitude of self vs others & demographic characteristics, antenatal class attendance, pregnant women, England, postpartum followup, 23009
interventive letter, antenatal class attendance, primigravidous females, England, 6997

issues in service & health care delivery, pregnant mentally ill females, 7060
knowledge of health deviation during pregnancy & self diagnostic confusion & care seeking behavior, 17–39 yr olds with preterm labor, 18971
law to prosecute substance using pregnant females, perceived prenatal care & drug treatment, low income 13–38 yr old new mothers, 39680
nationwide dissemination of smoking cessation methods during prenatal care, projected quit rates, pregnant female smokers, 1990s, 31026
perceived barriers, use of community based prenatal care program, adult Black females in high risk communities, conference presentation, 14982
perceived quality of information & prenatal care in public maternal & child health facilities, pregnant females & their physicians & midwives, Jordan, 26982
perinatal health care utilization, Amish females & health care providers, 30704
pregnancy related health beliefs & compliance with prenatal care & perinatal outcomes, pregnant 19–41 yr olds, 42657
prenatal care & neonatal outcome, pregnant psychiatric inpatients, 7061
prenatal care with vs without home visits from nurse or social worker, low birth weight & preterm delivery & maternal & neonatal morbidity, females at high risk for low birth weight deliveries, 22974
psychosocial factors, reported ailments in antenatal care, pregnant 19–42 yr olds, Norway, 14819
risk for pregnancy complications, quality & content & utilization of prenatal care services & delivery experiences, pregnant 15–45 yr olds, Jamaica, 46717
social support intervention during pregnancy, biological & psychosocial outcomes, at risk pregnant females, Latin America, 30717
trimester of entry into prenatal care & infant birth weight, low income adolescent & adult mothers, 6996

Prenatal Care [See Also Childbirth Training]—Chapters

The role of prenatal care services in assisting families affected by drugs, alcohol, and AIDS, 30798

Prenatal Development [See Also Embryo, Fetus, Prenatal Developmental Stages]—Serials

antenatal psychological morbidity & early postpartum mood & postnatal depression, pregnant females, letter, 13724
augmented concurrent sensory stimulation, interference with auditory learning of maternal call, duck embryos, 452
brain development in 20th–40th wks of prenatal gestational period & 1st yr of life, research review, 21134
entrainment of human circadian rhythms & influence of maternal hypothalamic suprachiasmatic nucleus, human fetuses & preterm infants & animals, 4680
environmental constraint vs motor competition hypothesis of neonatal disappearance of prenatal facial wiping, Norway vs cotton rats vs Mongolian gerbils vs spiny mouse fetuses, 4532
ethanol, growth & differentiation & glucose utilization, mammalian embryos, 4930
fetal motor behaviors, behavioral organization, neonates, longitudinal study, 44829
fingertip dermal ridges, monozygotic twin pairs discordant for schizophrenia, evidence of 2nd trimester markers of etiology of schizophrenia, 9839
gestational & neonatal factors in etiology of schizophrenia, 37727
hypnotic age regression, clairvoyant & auditory perceptions & telepathic awareness between fetus & mother, 13 yr old & adult offspring, 26814
intrauterine development between 2 male vs female fetuses, serum testoterone & ventral scent gland size & scent marking frequency, adult male gerbils, 8443
memories of prenatal life & theory of unborn child's role in starting of heartbeat, adult male, 40776
neurodevelopmental perturbation in gestation & subsequent functional & structural abnormalities & diagnosis of schizophrenia, relationship to normal aging, 33661
normal birth weight vs symmetrical intrauterine growth retardation, 1st yr growth patterns & cognitive development & risk for developmental delay, children assessed at 36 vs 48 vs 60 mo, 10123
oral capture & grasping of & aversive responses to artificial nipple, rat fetuses with vs without morphine pretreatment, 24972
perinatal trauma & abnormal pregnancy & postnatal injury & infection, mentally retarded 6 mo to 15 yr olds, India, 22121
prenatal & perinatal & postnatal experiences, infant & parental narcissistic development & difficulties, handicapped children & their parents, 34066
prenatal & perinatal complications, perseverative errors on Wisconsin Card Sorting Test, schizophrenic vs nonschizophrenic adults vs nonschizophrenic siblings, 39864
prenatal & perinatal experiences & personality traits, 16–87 yr olds, 25219
prenatal alcohol exposure & disruption of neurobehavioral sexual differentiation, rodents & humans, 24937
prenatal development, autistic 20 mo old & 5 yr olds, commentary on personal account of secondary autism, 33929
prenatal ethanol, brain development, mice, animal model of fetal alcohol syndrome, 12787
prenatal ethanol during early vs late gestation, reward efficacy of food reinforcers, mice, 16828
prenatal stress, sexually receptive female induced LH release, male rats, 20753
prenatal testosterone, cognitive abilities, 4 yr olds, Canada, 9140
sociodemographic & prenatal & perinatal factors, referral for hyperactivity, 3–6 yr olds, Wales, 6214
uterine position & genotype & age, sensitivity to aggression promoting property of testosterone, CF-1 vs CK female mice, 8589

Prenatal Development [See Also Embryo, Fetus, Prenatal Developmental Stages]—Books

From fetus to child: An observational and psychoanalytic study. New library of psychoanalysis, Vol. 15, 9114
In the beginning: Development from conception to age two (2nd ed.), 5061
Maternal nutrition and pregnancy outcome. Annals of the New York Academy of Sciences, Vol. 678, 46751

Prenatal Development [See Also Embryo, Fetus, Prenatal Developmental Stages]—Chapters

The developing brain, 40790
The emergence of behavioral regulation during fetal development, 20728
Intrauterine growth retardation: Diagnosis and neurodevelopmental outcome, 18261
Malnutrition and the developing central nervous system, 25683
Neural induction and developmental disorders of the nervous system, 18434

Prenatal Developmental Stages [See Also Embryo, Fetus]—Serials

gestational age & pregnancy planning status of mother, perceived priority of care & emotional seriousness & support after miscarriage, obstetrical nurses, 35212
role of prenatal period & neurological development in parenting process & role, mothers & their unborn children, 25405

Prenatal Diagnosis—Serials

anxiety & coping style before & after amniocentesis or chorionic villus sampling, 34–44 yr old pregnant females, 38834
attitudes toward pregnancy, pregnant females undergoing chorionic villus sampling vs amniocentesis, 38793
attitudes toward prenatal screening for fetal abnormality vs cystic fibrosis & other genetic diseases, prenatal screening as part of antenatal care package, 38823
circumstances of pregnancy & age & education & reproductive history & reasons for abortion, attitudes toward prenatal screening & abortion, 16–43 yr old pregnant females, 38806
hospital's screening policies & demographic factors, knowledge of prenatal screening tests & attitudes & anxieties & experiences, 16–43 yr old pregnant females, 38805

hypothetical risk of child's physical vs mental handicap vs early death vs Down's syndrome, attitudes toward prenatal testing & pregnancy termination, community members, 38800
maternal age & serum markers & amniocentesis & ultrasonography, prenatal screening for Down's syndrome, pregnant 16–41 yr olds, commentary, 26086
maternal age & serum markers & amniocentesis, prenatal screening for Down's syndrome, pregnant 16–41 yr olds, 10164
perceptions of & responses to alpha fetoprotein testing & abortion & related parent choices, parents of 2 mo to 18 yr olds with spina bifida, 42626
physician characteristics & attitudes toward maternal serum alphafetoprotein testing for neural tube deficits, physician's offering & patients' acceptance of testing, family physicians, 14898
preference for child's sex, reaction to sex of fetus, pregnant 20–42 yr olds undergoing amniocentesis, 37334
prenatal diagnosis of Down's syndrome, psychological effects & birth frequency, pregnant females, Great Britain, screening implications, 19026
presentation of amniocentesis & risks of fetal loss or abnormality to pregnant patients, obstetricians, 38816
reasons for serum screening for Down's syndrome & benefits, pregnant under 36 yr olds vs 36 yr olds & older, Netherlands, 38825
reliability of General Social Survey vs Gallup Organization public survey, prediction of attitudes toward fetal diagnosis & genetic testing & abortion, adults, 24094

Prenatal Diagnosis—Chapters

Fetal anomalies, 45965
Genetic counseling and mental retardation: The role of special education in a multidisciplinary approach, 7014
On the interactive accomplishment of decision in genetic counseling before prenatal diagnosis, 7028
A protocol to address the depressive effects of abortion for fetal abnormalities discovered prenatally via amniocentesis, 6974

Prenatal Exposure—Serials

activity in response to challenge doses of quinpirole, 21 day old normal rats vs rats gestationally exposed to cocaine, 12841
alcohol during gestation & lactation & postweaning periods & rehabilitation, gangliosides & glycosidases in brain & cerebrum & cerebellum & brain stem, rats, 44705
aluminum dosage given to mother during gestation &/vs lactation, food intake & body weight & growth & liver & brain manganese & liver iron & neurobehavioral development, female mice pups, 709
attitudes & policies about prenatal cocaine abuse screening & reporting, obstetricians vs pediatricians, conference presentation, 10035
cocaine exposure in utero, cocaine induced behavior & locomotion & dopamine transmission in striatum or mesolimbic pathways, adult rats, 4892
cocaine use during pregnancy, maternal depressive symptoms & child neurobehavioral development, neonates & their mothers, 1 mo followup, 29896
concentration of prenatal maternal vs paternal inhaled tertiary bitanol, behavioral teratogenicity assessed by neuromotor coordination & activity & learning, rat offspring, 40641
development & reliability & validity of Prenatal Social Environment Inventory, assessment of exposure to psychosocial stressors & risk for low birth weight babies, pregnant adult females, 8053
environmental enrichment, frontal vs parietal vs occipital cortical depth & maze performance, prenatally ethanol exposed B6D2F2 male mice, 28789
ethanol, growth & differentiation & glucose utilization, mammalian embryos, 4930
grandmaternal exposure to enriched vs standard vs impoverished environment, Skinner box & open field behavior, rat pups, implications for transgenerational mediation of maternal stress in rearing, 28425
in utero ethanol, biosynthesis of phosphatidylserine in cerebrum, rat pups, 4824
in vitro ethanol, release of prostaglandins from brain stem at 8th vs 105th vs 135th gestational day, sheep fetuses, animal model of fetal alcohol syndrome, 4927
incidence & assessment & effects of chemical dependency, pregnant females & their fetuses & infants, implications for health care social work, 6057
intrauterine cocaine, prenatal teratogenic & neurological effects & postnatal manifestations, fetuses & newborn infants, 6083
issues in early childhood education, prenatally drug exposed students, 15328
late stage prenatal opioid agonists, response to cutaneous perioral stimulation & locomotor activity, fetal rats, implications for mu & kappa receptor involvement in fetal behavior, 44727
level of prenatal alcohol & acoustic priming & age, audiogenic seizures & auditory brain stem responses, 18–28 day old male rats, animal model of fetal alcohol syndrome, 4742
maternal age & race & residence, cocaine usage during immediate prepartum period, expectant mothers, 37952
maternal alcohol consumption during pregnancy, negative affect & relation with mother & attachment behavior, 1st born 1 yr olds, 1106
maternal alcohol exposure prior to pregnancy, brain GABA & turnover, 2 mo old rats, animal model of fetal alcohol effects, 40608
maternal cigarette smoking during pregnancy, cognitive & behavioral abnormalities due to brain damage, children, 18394
maternal exposure to influenza virus & subsequent migration & lamination of primitive neurons in hippocampal plate & genetic & epigenic murine model of schizophrenia, 33653
maternal liquid diet containing alcohol, BP & pregnancy & postnatal growth, rats & their offspring, erratum, 4950
maternally produced stimulus during gestation & labor & delivery & prenatal exposure within intrauterine environment, sensory experience, prenatal & newborn rat pups, 24610
mild prenatal stress, birthweight & interaction & neuromotor & temperamental maturation, rhesus monkey infants, 20768
moderate maternal alcohol consumption & cigarette smoking, birth weight & gestational age, neonates, Netherlands, 33883
moderate to heavy alcohol exposure during conception vs pregnancy, mental & psychomotor & other development, Black 13 mo olds, 41734
neonatal exposure to ACTH vs psychological stress, orienting responses & activity level & motor development & emotional states, 1 mo old rhesus monkeys, 8970
neonatal MK-801, spatial learning & memory, adult rats, 8905
obstetric liaison & drug withdrawal services, pregnant drug users & their newborns, England, commentary, letter, 35032
obstetric liaison & drug withdrawal services, pregnant drug users & their newborns, England, commentary reply, letter, 35011
occupational exclusion policies, female employees at risk for hazardous fetal exposure, 31608
perinatal estrogens, cholecystokinin induced lordosis inhibition, male vs female rats, 44735
policy recommendations for California state legislation concerning early intervention services, infants with prenatal illicit drug exposure, 27147
predictable vs unpredictable restraint vs novelty stress & prenatal ethanol, plasma corticosterone, rats, erratum, 40508
predictable vs unpredictable restraint vs novelty stress & prenatal ethanol, plasma corticosterone, rats, 16705
prenatal & postnatal ethanol, glial cell development in optic nerve, rat pups, 4894
prenatal & postnatal exposure to low to moderate lead, cognitive development & IQ, 6.5 yr olds, 28910
prenatal alcohol, alcohol tolerance & sensitivity, rats, 36861
prenatal alcohol, birth weight, rat pups, animal model of fetal alcohol syndrome, 40584

prenatal alcohol exposure & disruption of neurobehavioral sexual differentiation, rodents & humans, 24937
prenatal alcohol following pretreatment with aspirin, open field & exploratory behavior & avoidance & acoustic startle response, rats, 36830
prenatal alcohol, olfactory behavior & volume of main olfactory bulb & vomeronasal organ, rat pups, 4737
prenatal alcohol, speech & language & communication skills, children with fetal alcohol effects or syndrome, research review, 33823
prenatal aluminum sulfate, postnatal ultrasonic calling & physical & neurobehavioral development, mice pups, 40656
prenatal aluminum sulphate, brain choline acetyltransferase activity & body weight & motor & open field & other behavior & development, mice, 24860
prenatal benzodiazepine, mental development, infants observed at 5 & 10 & 18 mo old, Sweden, 28965
prenatal cocaine, acquisition & reversal of odor discrimination learning, male rats, 4814
prenatal cocaine, brain catecholamines & adult sexual behavior & open field activity, male vs female rats, 40691
prenatal cocaine, dopamine neuron spontaneous activity in ventral tegmentum & substantia nigra pars compacta, adult male rats, 8947
prenatal cocaine, electrocortical activity & behavioral state, fetal sheep, 16728
prenatal cocaine, isolation induced ultrasonic vocalizations & other behavioral responses to cocaine challenge, 11 day old rats, 733
prenatal cocaine, local cerebral glucose utilization, fetal sheep, 40533
prenatal cocaine, maternal behaviors, treated vs foster dams rearing treated vs untreated rat pups, 24900
prenatal cocaine, neurochemical development & abnormalities in raphe, rat pups, animal model, 36766
prenatal cocaine, neurophysiological developmental abnormality, neonates, literature review, 24886
prenatal cocaine, norepinephrine turnover & presynaptic & postsynaptic noradrenergic function in cerebellum & forebrain & midbrain, rats assessed from birth to young adulthood, 32698
prenatal cocaine, rest & activity cycle, preweanling rats, 21055
prenatal cocaine, shock induced aggression & odor aversion, treated vs foster rat pups reared by treated vs foster dams, 24887
prenatal cocaine vs alcohol, stress induced immobility, male rats, 16739
prenatal cocaine vs amfonelic acid, gestation & offspring development & activity, female rats & their pups, 16795
prenatal cocaine vs amfonelic acid, open field behavior & working memory & spontaneous alternation & activity level, adolescent & young adult male rats, 16794
prenatal diazepam, stressor induced GABA-A receptor function in cerebral cortex, 35 vs 70 day old vs adult rats, 36803
prenatal diethylstilbestrol, behavioral masculinization or defeminization of childhood play or adult sex role behavior, female 17–30 yr olds, 8934
prenatal diethylstilbestrol, performance on college entrance exams, adults, 12909
prenatal ethanol, basal heart rate development & attention elicited orienting response & habituation, rat pups, animal model of fetal alcohol syndrome, 24896
prenatal ethanol, dietary caloric & flavor discrimination & preferences, postweanling rat pups, 40627
prenatal ethanol dosage, pregnancy outcome & activity level, guinea pig dams & offspring, 32594
prenatal ethanol during early vs late gestation, reward efficacy of food reinforcers, mice, 16828
prenatal ethanol exposure, hippocampal ionotropic quisqualate & kainate receptors, rats, 12830
prenatal ethanol, gonadotropin releasing hormone neuron morphology & puberty onset & other reproductive alternations, female rats, 8943
prenatal ethanol, locomotor behavior & auditory EP latencies in hippocampus vs cortex vs amygdala, adult rats, 32644
prenatal ethanol, polyribosomal RNA translation in cerebral hemispheres & cerebellum & hippocampus & immunology lymphocyte proliferation, rats, animal models of fetal alcohol syndrome, 4937
prenatal ethanol, scent marking & body weight, male vs female C57BL/6J vs C3H/He mice, 8907
prenatal ethanol, species specific maternal call approach behavior, neonatal quail, implications for animal model of fetal alcohol syndrome, 40590
prenatal ethanol, stress responsiveness, male vs female rats, 784
prenatal ethanol, thermoregulation, neonatal offspring of long vs short sleep mice, animal model of alcohol related birth defects, 4801
prenatal ethanol, 5-methoxy-N,N-dimethyltryptamine induced forepaw treading & hind limb abduction & 5-HTP & carbidopa induced wet dog shakes, rats, 20859
prenatal exposure to anxiolytics &/or antipsychotics, motor maturity & tremulousness & tonicity & reflex response & other behaviors, neonates of mentally ill mothers, 24842
prenatal exposure to cocaine, long term educational & behavioral handicaps, 18 mo olds & older, 33497
prenatal exposure to influenza, schizophrenia, adults, England & Wales, commentary reply, letter, 17825
prenatal exposure to influenza, schizophrenia, adults, England & Wales, commentary, letter, 17791
prenatal flumazenil, ultrasonic emission & emotionality, male rat pups, 20820
prenatal haloperidol, brain & body weight & striatal neurotransmitters, rats, 21043
prenatal hydrocortisone, development of motor & open field & other behavior & kainic acid induced wet dog shakes & limbic seizures, rat pups, 24882
prenatal lorazepam, pentylenetetrazol induced convulsions in response to acute lorazepam vs inverse agonist, female mice, 32590
prenatal malnutrition & brain development, research review, 32422
prenatal marihuana & cigarettes & alcohol, cognitive & receptive language development, 5–6 yr olds, Canada, 17992
prenatal marihuana &/vs cigarette smoking &/vs alcohol, attentional behavior & impulsivity, 6 yr olds, followup study, 17024
prenatal maternal stress, locomotor response to novelty & predisposition to amphetamine self administration, adult rats, animal model of drug addiction, 8889
prenatal maternal stress, serum corticosterone & immunoglobulin G responses to postnatal stress, rat pups, 20770
prenatal methadone, acoustic startle amplitude & CNS hyperexcitability, 21–32 day old rats, animal model of opiate abstinence in infants born to mothers on methadone maintenance, 44645
prenatal methadone, cognitive & social & emotional development & achievement, 6–13 yr olds with methadone dependent mothers, 33833
prenatal methamphetamine, activity & ocular effects, rats, 20793
prenatal methylazoxymethanol, activity in open field & norepinephrine & serotonin & 5-HIAA & HVA & choline acetyltransferase in cortex, 26 mo old male rats, erratum, 24889
prenatal methylazoxymethanol, activity in open field & norepinephrine & serotonin & 5-HIAA & HVA & choline acetyltransferase in cortex, 26 mo old male rats, 711
prenatal morphine & cocaine, hypothalamic preoptic area & other central catecholamine systems & sexually dimorphic alterations, rats, 32711
prenatal morphine, G protein mRNA in frontal cortex, rat pups, 16732
prenatal morphine, sexual behavior & brain catecholamines, male vs female rats, 8989
prenatal or neonatal exposure to hormones or drugs or pollutants or stress or other agents, imprinting of heterodifferention paths & sexual & other behavior, humans, 4551
prenatal or neonatal locoweed, taste aversion learning, lambs, 36856
prenatal oxazepam, cocaine induced place preference, 14–17 vs 21–24 vs 28–31 day old mice, 44606

prenatal oxazepam, initial & reversal learning of swimming navigation, adult mice, 40546
prenatal oxazepam, maternal aggression & behavior & neurobehavioral development, mice, 4743
prenatal oxazepam with or without scopolamine vs amphetamine, maze performance & open field activity habituation & nociception & neophobia & muscarinic receptor binding, male mice, 12823
prenatal phenytoin, cognitive & intellectual functioning, 4–8 yr olds, 17069
prenatal REM sleep deprivation vs footshock vs cold water immersion vs immobilization stress, feminine vs masculine sexual behavior, male rats, 36697
prenatal smokeless tobacco, open field behavior & body weight & physical development & learning ability & motor processes, rat pups, 44702
prenatal stress & attenuation of plasma testosterone, volume & masculinization of sexually dimorphic nucleus of medial preoptic area & ejaculatory behavior, male rats, 8774
prenatal stress due to maternal psychological disturbance, behavioral responses to stress, juvenile rhesus monkeys, 44278
prenatal stress, novel environment induced exploration & clinging to surrogate or other infants & locomotion & other motor behavior, infant rhesus monkeys, 20450
prenatal stress, novelty stress induced reactivity of hypothalamic pituitary adrenal axis, female rats, 20596
prenatal tetrachlorodibenzodioxin, behavior in contaminant exposed vs mixed peer groups, rhesus monkey offspring bred concurrent with vs subsequent to maternal exposure, 24978
prenatal vs neonatal heroin vs PCP, hippocampus related behavioral deficits & concomitant alterations in septohippocampal cholinergic innervations, mice, animal model of neuroteratogenicity, 16887
prenatal vs neonatal nicotine, hippocampal muscarinic receptor binding & hippocampus related performance on 8 arm & Morris water maze, mice, 21051
prenatal vs neonatal phenobarbital, septohippocampal cholinergic alterations & Morris water maze behavior, mice, 8967
prenatal vs postnatal cocaine, somatostatin binding in olfactory bulb, rat pups, 8966
prenatal vs postnatal ethanol, brain weight & enolase isoenzyme activity, 1–3 wk old rats & their dams, 8909
proportion of albumen in egg composition, neonatal development, White Leghorn chicks, 44210
psychometric characteristics, applicants rejected from vs asked to leave vs accepted into "Baby Moms" foster parent program for medically complex &/or drug exposed &/or HIV infected infants, 38859
quantity & frequency of prenatal alcohol, academic performance & classroom behavior, 11 yr olds, 18013
quinpirole from day 10 of gestation to birth vs 1–11 vs 12–22 vs 23–33 days after birth, sensitization to quinpirole induced yawning behavior, adult rats, 36812
rates of schizophrenia, children of mothers who had influenza during 2nd trimester of pregnancy in 1957 epidemic, commentary, 13765
reality based parent assistance workshops, caregivers of crack exposed infants, 39021
rights & laws & discretionary decisions, drug addicted pregnant & postpartum females & their fetuses & neonates, 13937
risk for schizophrenia, children of mothers who had influenza during 2nd trimester of pregnancy in 1957 epidemic, 13766
safety & psychological effects of ECT & possible complications of accompanying medications, pregnant females, case reports, 10748
sc cocaine, water consumption & weight gain & other maternal & offspring outcomes, pregnant mice & their pups, 16749
sexually dimorphic nucleus of preoptic area & testosterone as biological predictors of sexual behavior, prenatally stressed male rats, 12686
structure-activity & dose-response aspects of prenatal retinol & tretinoin & isotretinoin, physical & motor & neural & behavioral development & teratogenesis, rodents, research review, 44566
1 vs 2 wk prenatal ethanol, gonadal organ weight & sperm count & onset of puberty, rats, 16825
1st trimester exposure to acute famine as risk factor for schizophrenia, adults, Netherlands, 17829

Prenatal Exposure—Chapters

Child welfare services for drug-exposed and HIV-affected newborns and their families, 30861
The child's developmental path: Working with the family, 30810
Fetal drug exposure and sexual differentiation of males, 4978
Fetal exposure to maternal brain antibodies and neurological handicap, 44452
Health care services for children and families, 30809
How women perceive teratogenic risk and what they do about it, 46707
Knowns and unknowns in the outcomes of drug-dependent women, 18042
Pediatric HIV infection and perinatal drug or alcohol exposure: Legal issues and legal advocacy, 30857
Perinatal alcohol and drug use: Community-based prevention strategies, 30862
Pregnancy and women's issues, 6094

Preschool Education—Serials

assessment of quality in early childhood programs, 23493
beliefs about appropriate preschool education, parents of 4–5 yr olds, 15410
characteristics of effective social skills interventions in early childhood special education, preschoolers with disabilities, 31402
child initiated vs academically directed vs middle of road preschool models, social & motor & language & adaptive development & skill mastery, 2–5.5 yr olds, 31267
child's enrollment in day care vs preschool program, expectations for curriculum content, mothers vs fathers of 3–4 yr olds, 43214
consultation approaches & coordinating roles in prekindergarten education, elementary school counselors, 15544
early childhood development & education beliefs, kindergarten teachers vs their principals, 7387
Early Childhood Environment Rating Scale, assessment of quality in day care & early education services, preschoolers, 8070
effectiveness of Programming for Early Education of Children with Handicaps program, 3–5 yr olds with mild to moderate language & communication disabilities & social difficulties, 31394
evaluation of preschool services, parents of 7 mo to 5 yr olds with Down's syndrome, Scotland, 23648
frequency & content & context of parent child communication about daily experience in preschool & day care, parents & their 2–5 yr olds, 7484
integration of theory & research on developmental play as basis for process approach to teaching & learning, preschoolers, 31260
music therapy in early intervention, preschool programs & early childhood education practices & programing, 19477
need for both developmental & instructional theory underlying early childhood education, 7409
need for developmental & instructional theory underlying early childhood education, commentary reply, 43194
need for developmental & instructional theory underlying early childhood education, commentary, 43181
parent evaluation instrument or public preschool gifted program, parents of gifted 3 & 4 yr olds & kindergartners, 27602
parent involvement & value of parent staff communication & program quality, children in proprietary center infant & toddler & preschool day care classes, 43190
preschool attendance & half vs alternate vs full day kindergarten schedule, elementary school success & classroom behavior, elementary school students, 7456
prevalence of & issues in placement of students unready for 1st grade into pre-1st-grade transition classes, superintendents of New York State school districts, 39226

Project Head Start vs other vs no preschool education, verbal achievement & perceptual reasoning & social competence, disadvantaged Black K–1st graders, reprint, 3353
quality of design for focus groups in early childhood special education research, 31371
questions & responses during small group instruction, preschool teachers & 41–56 mo old students in Ausubelian vs Piagetian schools, 11503
role & importance of play in early childhood curriculum, 19485
self efficacy & preschool education, educational motivations & attributions, children, 27515
sex & preschool experience & age of entry, academic readiness in kindergarten, 5.5 yr olds & older, 7462
shared control with children in partnership with teacher, cooperative learning & morality of autonomy in preschool, 43292
Small Wonders preschool program, social integration & educational promotion & mainstreaming, normally developing & autistic preschoolers & special education teachers & clinical consultant, 11564
social & cognitive status during kindergarten, success & achievement in 1st grade, 5 yr olds, 2 yr study, 31320
social & family changes & need for early childhood education, 21st century, 43152

Preschool Education—Books

Head Start: The inside story of America's most successful educational experiment, 15422
Preschool and early childhood treatment directions. Advances in school psychology, 11351

Preschool Education—Chapters

Computers and early childhood education, 11444
Early childhood intervention, 23550
The effects of attitude on preschool integration, 19626
Facilitating integrated preschool service delivery transitions for children, families, and professionals, 19620
High/Scope Preschool Program outcomes, 11458
Innovations in early childhood education: Models that support the integration of children of varied developmental levels, 19625
A model for providing intensive mediated learning experience in preschool settings, 11452
Model programs and service delivery approaches in early childhood education, 11448
PACE: Parent and Child Education in Kentucky, 23535
Record-keeping and continuity, 7444
Two decades of early childhood intervention, 23546

Preschool Students [See Also Nursery School Students]—Serials

classwide self management, engagement in free play & transition & small group instruction, disruptive preschool age males, 47178
clinical profiles & need for special education kindergarten placement, Head Start children with disabilities, 3 yr study, 43327
developmental & other benefits of mixed age grouping, infants & toddlers in child care, 31297
literacy learning, moderately & profoundly hearing impaired preschool students, 23637
literacy rich program Early Start, 4 yr old prekindergartners at risk for academic failure, 3362
nature & extent of psychological consultation in Head Start program, 2–5 yr olds, 35310
nature of & funding for preschool & kindergarten programs for gifted children, 35479
parents' vs teachers' perceptions of child's temperament, prediction of child's adjustment to preschool, 3–5 yr olds & their parents & teachers, 43288
repetition in early intervention programs, 2.3–5.4 yr old students, 47274
simultaneous prompting procedure, expressive object identification learning & maintenance & generalization, preschool students with developmental delays, 35450
social skills training & intervention, rates of sharing & assistance & play organization & general behaviors, normal 3–5 vs autistic 4 yr olds, 11553
special education services, change in classification &/or programing, rural preschool to secondary school students, implications for policy consultation, 43312
spontaneous peer interactions, 3.8–5 yr old preschoolers with vs without profound disabilities, 39340
teacher student interaction & visual stimulation during microcomputer assisted learning, visual perception skills, visually impaired 2 yr old preschoolers, 23599

Preschool Teachers—Serials

attitudes toward children's cognitive development, educational objectives & decision making in curriculum practices, preschool teachers, 27367
communication style, student social behavior, kindergarten teachers & their students, 43301
cross cultural differences in & interrater correlations for teacher vs parent ratings of social skills, Native American vs White preschool students & their teachers & parents, 43291
early childhood development & education beliefs, kindergarten teachers vs their principals, 7387
perceptions of well being, child care teachers, 39164
ratings of job satisfaction, job change & pay & working conditions, early childhood teachers, 19448
students' age & formal education vs specialized training, teaching effectiveness, infant vs toddler vs preschool child care teachers & assistants under 18 to over 65 yrs old, 31225
teacher &/vs parent taught personal safety program, knowledge of sexual abuse & prevention skills, preschoolers, 23675
teacher education model & report contents, ratings of program planning contributions of dynamic vs traditional psychoeducational assessment reports, preschool teachers, 31968

Prescribing (Drugs)—Serials

attitudes toward placebo treatment & paternalism vs respect for professional or patient autonomy, patients vs physicians, Sweden, 34561
biomedical model of clinical decision making, prediction of preferred drug treatment, hospital physicians, Netherlands, 38702
clinical pharmacists' consultations, geriatric drug prescribing practices & patient compliance, clinical pharmacists & physicians & patients 65 yrs old & older, 2805
diagnosis of attention deficit hyperactivity disorder & criteria for prescribing & dosage of methylphenidate, practitioners treating 5–14 yr olds & adults, Canada, 22753
documentation of alcohol use history in medical records for benzodiazepine prescriptions, physicians treating 33–87 yr old medical clinic outpatients, 2794
efficacy of outpatient followup care & drug screening & medications prescribed, drug abusing 15 to over 40 yr olds, Kuwait, 11101
empathy & work load & perceived patient expertise, benzodiazepine prescribing rates, general practitioners & trainees, 26728
factors associated with high quantity prescriptions of benzodiazepines, physicians, Sweden, 30474
federal antipsychotic drug regulations, psychotropic prescribing practices & quality assurance in nursing homes offering pharmacy sponsored nurse & physician education, 11039
frequency of prescriptions for sedative hypnotic drugs in general hospital, internal medicine vs surgery vs family practice vs psychiatry vs obstetrics gynecology patients, 30659
guidelines for prescribing & monitoring liquid psychotropic medications, practitioners, 14688
influence of prescription privileges on professional psychology & training, psychologists, conference presentation, 27196
issues in & costs of obtaining prescription privileges, psychologists, conference presentation, 27208
issues in granting prescription privileges for psychotropic medications, psychologists, conference presentation, 27211
issues in prescribing privileges, psychologists, commentary, 19429

number of dosages of psychotropic prescriptions, mentally ill adults in nursing vs group homes vs residential care facilities vs independent apartments, 22717
number of side effects, prescription patterns for various antidepressants, psychiatrists vs other physicians, 42439
patient sociodemographic & physical & mental health variables, psychotropic drug prescription, general practitioners, Italy, 18884
pharmacologic treatment algorithm & issues in prescription of analgesics, headache patients, 6921
pharmacologic treatment algorithms & dosage considerations, headache patients, 6918
pharmacological prescribing practices for depressed patients, primary care physicians vs psychiatrists, 22748
prescribing patterns of neuroleptic drugs, 1986–89, Italy, 38585
prescription & pattern of use of antidepressants, elderly patients in long term care home or hospital, 19120
psychotropic drug use & prescribing & monitoring problems, nursing home & long term care facility clients, literature review, 19124
rates of prescribing medications, hospitalization for adverse effects, 1966–85, England & Wales, 46477
role & dilemmas in prescription of psychotropic drugs, college psychotherapists treating students, 39408
routine antiepileptic prescribing patterns, mentally retarded 9–61 yr olds with seizures, 1987–92, 42477
situational involvement & task complexity, drug prescribing decision making, physicians, 43008
strategies to reduce or stop benzodiazepine use, 30–89 yr old benzodiazepine users requesting repeat prescriptions, England, 1 yr followup, 2656
trends in number & frequency & purpose of psychotropic drugs prescribed, primary care physicians vs psychiatrists vs office based medical specialists, 1980 vs 1985 vs 1989, 42470
trends in prescription of antidepressants, psychiatrists in private practice, 1980 vs 1985 vs 1989, 38576
type of prescriber & age & sex of patients, distribution of antidepressant drugs by pharmacies, Italy, 10650
written case simulation vs actual management of hip osteoarthritis, drug prescribing practices, family practitioners, 2799

Prescribing (Drugs)—Chapters

Prescription privileges, 31085
Should psychologists be allowed to prescribe drugs?, 7299

Prescription Drugs—Serials

alcoholism & prescription drug abuse & medical & psychiatric consequences, 68–82 yr olds, 26018
education program, assessment of drug therapy & detection of drug related problems in elderly patients, community pharmacists, 43056
prevalence & correlates of failure to have prescriptions filled, Black 62–96 yr olds, 34708
prevalence of prescription or nonprescription drug use & related factors, community living 65 yr olds & older, 6713
reports of psychoactive drug status of Ss in studies on adult psychopathology, 13607
role of family & social problems in & children's reactions to prescribed psychotropic medication usage & abuse, female 25–60 yr olds, Greece & Portugal, 29885
sociodemographic & health & memory & other characteristics, prediction of knowledge of therapeutic purpose of prescription drugs, Black 62–94 yr olds, 10654

Prescription Drugs—Chapters

Abuse liability of prescribed psychotropic drugs, 22028
The measurement of compliance: Medication taking, 18867
Psychological treatment of over-the-counter and prescription drug abuse, 26025

Presenile Dementia [See Also Alzheimers Disease, Picks Disease]—Serials

validation of clinical diagnostic criteria, elderly with presenile dementia, Scotland, 18392

Preservice Teachers—Serials

applied behavior analysis training, explanation of student behavior, preservice vs inservice teachers, 7390
attitudes toward & preferences for college level instructional methods & course goals & student involvement, academically talented preservice teachers, 19460
attitudes toward & preparation in science, preservice elementary teachers, 43169
attitudes toward use of classroom vs standardized tests, preservice vs inservice teachers vs college students, 19449
case method instruction, situational learning & problem solving skills, preservice teachers, 47130
chemistry & mathematics problem solving processes, preservice chemistry teachers, Nigeria, 3293
content analysis of learning logs, educational psychology preservice teachers, 35253
development of personal autonomy & reflective spirit in seminar with focus issues of authority & group dynamics, preservice teachers, 15357
family disciplinary experiences with punishment, selection of punitive vs nonpunitive classroom management strategies, preservice teachers, 3306
immediate vs delayed feedback supervision procedures, acquisition of systematic instruction skills, female special education preservice teachers, 3311
instruction vs discipline vs time demands vs supervisory problem, problem solving strategies & cognitive elements, preservice teachers, Canada, 23442
perceptions of own writing competence & expectations of academic writing, elementary education preservice teachers, Canada, 7374
perceptions of teaching efficacy & ethnic attributions, interactions with international preschool students, preservice teachers, 19443
recollection & interpretation of & judgments about classroom events, 1st vs 4th vs 5th yr preservice teachers, 39167
remedial science program, control of variables & drawing logical conclusion skills, preservice elementary school teachers, Israel, 3295
remedial videodisk based instruction in earth & physical science concepts, attitudes toward science teaching, female preservice teachers, 27391
stages in development of beliefs & practices, preservice teachers, content analysis of dialog journal entries, 15361
student fieldwork experience cycle, preservice teachers, 3305
training in conceptual kinesiology, feedback provision patterns, preservice physical education teachers, 11367

Preservice Teachers—Chapters

A model of a multicultural education course for preservice teachers, 7395
Personnel preparation: Directions for the next decade, 43171

Pressoreceptors [See Baroreceptors]

Pressure Sensation—Serials

externally applied surface pressure, measurement of pain pressure threshold of hand, male vs female 19–46 yr olds, Sweden, implications for ergonomics of hand held tools, 43937
moderate pressure on snout with or without scopolamine vs amphetamine, immobility & neocortical & hippocampal electrical activity, rats, 12769
pressure pain thresholds, patients with cervicogenic vs migraine with vs without aura vs tension type headaches, 22175
pressure stimulation of leg muscles during REM sleep, kinesthetic content of dreams, 25–45 yr olds, 44187
somatosensory pressure, tonic immobility & grasping reaction, bilaterally labyrinthectomized male rats, 44428

Pressure Sensation—Chapters

Hyperbaric environments, 11791

Prestige (Occupational) [See Occupational Status]

Pretesting—Serials

issues in & areas of future research on pretesting of questionnaires, research review, implications for market research, 35995

Pretraining (Therapy) [See Client Education]

Prevention [See Also Related Terms]—Serials

adherence to community based clinical studies in cancer prevention, at risk 48–75 yr olds, 6904
Africentric approaches to HIV prevention & overcoming barriers to African American communities, 38778

AIDS education & outreach prevention program in public housing community, iv drug users & their sexual partners, 3114
AIDS prevention intervention, AIDS knowledge & attitudes & risk associated sexual behaviors, Black male adolescents, 18960
AIDS risk reduction strategy based on substance abuse & pregnancy prevention programs, adolescents, 2833
alcohol drinking laws & other deterrents, drinking & driving, 16–19 yr olds, 21993
alcohol risk reduction program method, self reported drinking, 17–40 yr olds, 2 yr study, 15086
anthropological role in community based substance abuse prevention & treatment & research, 46942
assessment of child abuse potential, prevention of child abuse & neglect, literature review, erratum, 42747
assessment of nongovernmental sexually transmitted disease/AIDS education & prevention programs, marginalized groups, developing countries, 6983
assessment strategies & preventive methods & clinical interventions, adolescents involved with deviant subcultures of satanism & neo-Nazi skinhead movement & street gangs, 1811
attention to boundary violations in prevention of sexual contact with clients, psychotherapists, 6520
attitudes toward & use of specific parental discipline practices & support for & involvement with child abuse prevention & attitudes toward causes of maltreatment, general public, 1987–92, 17901
avoidance of HIV exposure & communication with parents about sex, high school students, 26232
belief in efficacy of group vs personal prevention of nuclear war, 9–18 yr olds, New Zealand, reprint, 1107
beliefs about high BP prevention & awareness of cardiovascular risk factors, Black vs Hispanic 20–50 yr olds, 22964
Boys & Girls Clubs with or without substance abuse prevention programs, substance abuse & other problems, youth & adults in public housing developments, 3102
Carolina Abecedarian Early Intervention project, IQ & prevention of sociocultural mental retardation, at risk infants, 5 yr study, 7106
changes in sexual behavior patterns for prevention of HIV infection, under 25 yr old gay male college students, 3491
child protective services, prevention of homicide victimization, infants & children, 1973–88, Western Europe, 27039
child sexual abuse prevention, preschool & school age children & adolescents, 1981–91, research review & meta analysis, 27885
child sexual abuse prevention program with parental instruction of correct terminology for genital body parts, sexual development, preschool age children, 34680
Children & Adolescent Pregnancy Project, prevention of subsequent pregnancies & health & high school completion, pregnant 11–19 yr olds with & without mental retardation, 2838
chronic mental illness & disability & initiatives for prevention & care & rehabilitation, India, 27123
clinical use of neuroleptics, prevention of schizophrenic relapse, 18746
cognitive & psychoeducational & preventive intervention, families with parent with affective disorder & healthy 8–14 yr old, 10549
cognitive psychoeducational preventive interventions, families with parental affective disorders, 34411
community based delinquency prevention program, parental assessed behavioral & attitude change, 7–16 yr old delinquents & their parents or parent surrogates, 35080
community based projects for prevention of developmental disabilities, 19061
community based research initiatives in substance abuse prevention, implications for policy development, 30996
community leadership role in injury prevention through promotion of bicycle helmets for children, physicians, 14902
community mobilization for drug abuse prevention, adolescents, 7235
components of developmental & clinical intervention model, prevention of conduct disorder, school age children with aggression &/or peer difficulties, 26382
comprehensive health education, sexual risk behaviors, college students, 34806
conceptualization & ecological approach to prevention & service delivery, mentally retarded, 18468
consortium approach to drug prevention & rehabilitation, pregnant females of low SES, 3103
consultation & prevention & intervention services for child sexual abuse, school psychologists, 31434
content & methodology & behavioral outcomes of school based substance abuse prevention programs, 1980–90, literature review, 11577
creative novation behavior therapy as preventive treatment, cancer & coronary heart disease prone patients, erratum, 34686
crisis intervention & prevention theory & mental health service provision role, occupational therapists, Australia, 27173
cross cultural perspective on psychological factors in & forms & theories & prevention of wife battering, adults from 14 cultures, 1810
culturally tailored HIV & AIDS risk reduction videotapes, low income urban African American females, 34788
definitions of drug use & abuse reflecting change in moral climate & emergence as social problem & goals & strategies of prevention programs, adolescents, 1978–88, 10011
demographic & clinical variables, relationship of medication compliance to long term prophylaxis, patients with recurrent depression, conference presentation, 18724
denial & perception of risk, HIV infection prevention barrier, 18–50 yr olds, Netherlands, 26241
dependence & control & channel conflict & satisfaction, willingness & cooperation to assist in combating auto part counterfeiting, auto parts store managers, 43430
description & sociocultural aspects of & prevention strategies in risk factors for HIV transmission, Black & Hispanic drug users, 3101
designated driver programs, prevention of alcohol impaired driving, drivers, 19208
designated driver programs, prevention of drunk driving, drivers, commentary, 19233
deterrence based framework for analysis of nuclear arms control treaty verification systems & desirability of treaty constraints, 19847
detrimental health effects of smoking & methods for smoking cessation & prevention activities, elderly, 35015
development & evaluation of community drug prevention program for at risk youth, case counselors & clients, 7226
development & implementation & evaluation of abuse prevention program, nursing assistants in nursing homes, 31120
development & reliability of Pulmonary Disease Prevention Survey, assessment of attitudes toward pulmonary disease prevention, medical students, 35787
development of preventive action program with emphasis on health education & health care, infants & young children at risk for violence & their families, Brazil, conference presentation, 46761
developmental & social context approach to prevention & treatment & school entry & transition risks, children with conduct disorder, commentary, 46137
developmental approach to prevention & treatment, children with conduct disorder or antisocial behavior, 46146
developmental approach to smoking education & prevention, children & adolescents, 15117
diffusion of innovation & social influence principles via key opinion leaders, HIV risk behavior, gay males, 18282
drug abuse prevention education program, deaf or hearing impaired students, 31393
drug free outpatient relapse prevention strategies, substance abusing clients, research review, 46939
dry & wet policy solutions, reduction of alcohol intoxication problems, English speaking & Nordic cultures, 3098
dysfunctional parenting, behavior problems, children, implications for prevention & treatment, 45642
E. Magic Johnson's announcement of HIV infection, HIV related sexual attitudes & behaviors, clients of sexually transmitted disease clinic, 26959

eating disorder videotape & discussion led by E vs teacher, knowledge & attitudes & intentions regarding exercise & body weight & dieting & purging, female junior high school students, 38775
economic & social & emotional barriers to reduction of HIV related risk behavior, 18 yr old & older male street prostitutes, application of Health Beliefs Model, 38681
education & treatment & deterrent efforts, DWI offenders, 23265
education & treatment & prevention criteria in occupational mental health promotion, 38748
educational posters concerning AIDS & prevention, semantic differential responses, 19–57 yr olds, Canada, 2847
effectiveness of current preventive programs for alcohol related problems & alternative strategies, UK, commentary reply, 42923
effectiveness of current preventive programs for alcohol related problems & alternative strategies, UK, commentary reply, 42937
effectiveness of current preventive programs for alcohol related problems & alternative strategies, UK, commentary reply, 42954
effectiveness of current preventive programs for alcohol related problems & alternative strategies, UK, commentary, 42958
effectiveness of Drug Abuse Resistance Education program, 5th graders, 39212
efficiency of instruments in prediction of initial child abuse & primary prevention, 13896
epidemiology & prevention of HIV & AIDS, prisoners, research review, 3132
epidemiology of & prevention efforts for childhood disability, China, 25639
etiology & prevention of tobacco & alcohol & drug abuse, adolescents, 3064
evaluation of after school alcohol & drug use prevention program, precursors of drug abuse, latchkey K–6th graders, 3383
evaluation of case summaries of infant death using Delphi technique & ratings of preventability of infant mortality in rural communities, social workers vs physicians vs nurses, 43119
evaluation of effectiveness & recall of government cigarette warnings for smoking prevention, 7th–9th graders, 11125
evaluation of federally funded college based drug abuse prevention programs, 15415
evaluation of parent education program for primary prevention of child abuse, 17–21 yr old mothers, 14630
evaluation of preventive group intervention, emotional & behavior reactions to divorce, 4th–6th graders, 22608
evaluation of primary drug & alcohol prevention program, child & parent outcomes, 4 yr olds & kindergartners & their mothers, 3099
evaluation of school based Talking About Touching program, sexual abuse knowledge, elementary school students & teachers & parents, Canada, 3359
evaluation of secondary school primary prevention program, knowledge & attitudes & behavioral intentions regarding wife assault & dating violence, 9th–13th graders, Canada, 19641
evaluation of skills training & social support substance abuse risk reduction program, 11–18 yr olds with substance abusing parents, 3079
evaluation of Substance Use Prevention & Education Resource II program, 10–18 yr olds at risk for drug abuse & their parents, 3066
expansion of roles & functions & perceived effectiveness & activity involvement of & need for prevention services from school psychologists, special education directors, 27285
explanations & remedies for disparity between preventive philosophy & actual training or practice in mental health counseling, counselors & educational educators & trainees, 22508
factorial validity of lifestyle & social maturity measures, 11–20 yr olds in drug abuse prevention program, 4135
factors in & primary prevention programs for alcoholism & drug addiction, physicians & medical students, literature review, 47103
factors in & programs for primary & secondary prevention of pregnancy, rural adolescents, literature review, 30853
family characteristics & self selection recruitment efficacy in school based prevention program, 4th–6th grade children of alcoholics & their parents, 27611
family health center AIDS prevention interventions delivered by peer vs health care provider, inner city adolescent & young adult females, 1 mo followup, 30724
family support services & early intervention in prevention of child neglect, 30780
family therapy, prevention of high risk HIV behavior, 15 yr old male, 34459
Fateful 43 schema, assessment of effects of early intervention & prevention programs in mental retardation, 18469
federally funded substance abuse prevention programs, high risk youth, 3086

mental health services integrated into primary care teams for community family based care, adults with mental disorders, New Zealand, 38861
model for effective primary care services for mental illness & role of general practitioner & secondary health & mental health care personnel, 19008
need for improved provision of preventive services in primary health care, physicians, 14922
office system intervention with positive reinforcement & feedback, cancer prevention behavior, physicians in primary care practices, 14921
planning & evaluation of participation in primary health care, females, 10938
potential applications of information technology in primary care, self administered computerized assessment of neurotic disorder, 15963
prevalence of harmful & hazardous alcohol use & drinking patterns & problems, primary health care patients, 6 countries, screening implications, 33876
prevention of psychiatric morbidity in general practice with social support after negative life events, application to postnatal depression & breakdown in caregivers of elderly with dementia, 19015
primary care based multidisciplinary community mental health team, psychiatric service use, patients & general practitioners, England, 38812
primary care of optometric evaluation & rehabilitation of visual deficits, traumatic brain injury patients, 7185
primary care presentation to general practitioner of nonpsychotic mental disorders & management & diagnosis & outcome, 16–65 yr old patients from ethnic minorities, 19011
psychosocial review of systems for medical evaluation interviews, primary care patients, 7044
reliability & validity & other characteristics of self report visual analog scale technique, assessment of subjective symptoms & phenomena in primary care research, patients, 31955
research & organizational issues in primary care psychiatry, Great Britain, 19003
role in mental health treatment, primary care facilitators, 18991
role of general practitioners & family physicians in psychological care, use of shared care cards & liaison clinics, schizophrenic patients, 19017
role of primary care practitioners in evaluation of etiology & diagnosis & consequences, patients with traumatic head or brain injuries, 6409
safety & efficacy of sertraline in general practice & primary care, patients with major depression & general practitioners, UK, conference presentation, 26785
screening for psychological disorders, 16–85 yr old primary care patients, Nigeria, 34811
selected outpatient consultation & group discussion techniques in primary care liaison psychiatry, general practitioners & psychiatrists, Ireland, 23008
social & psychological components of World Health Organization's triaxial classification of health problems, Brazil & Canada & Colombia & Malaysia & Thailand & US & Zambia, 5699
treatment needs & natural course & psychosocial nature of psychological problems, primary care clients, Netherlands, followup study, 7077
uncovered functions & time allocation & assessment of changes produced by team, model of antecedents & consequences of surprise & satisfaction & leaving team, primary health care team members, Spain, 23407
use of benzodiazepine hypnotics to treat insomnia in primary care setting, conference presentation, 30614
value of counselors in general practice & counseling roles, physicians & practice nurses & other primary care professionals, 18998

Primary Health Care—Books

Assessing interventions: Traditional and innovative methods. Research methods for primary care, Vol. 4, 19035
Measures of need and outcome for primary health care, 28072
Mental health and primary care: A changing agenda, 38839
Primary care research: Traditional and innovative approaches. Research methods for primary care, Vol. 1, 46788

Primary Health Care—Chapters

Analyzing large data sets, 19037
Applications of interpersonal psychotherapy to depression in primary care practice, 46286
Assessing primary health care delivery, 19056
Basic standards for analytic studies in primary care research, 46794
Combining quantitative and qualitative methodologies in primary care: Some examples, 46809
Developmental disabilities in primary care, 42725
Episode-oriented epidemiology in family practice: The practical use of the International Classification of Primary Care (ICPC) as illustrated in patients with headache, 46801
Evaluation of the efficacy of a homeopathic treatment for plantar warts, 19047
Innovative ways to study primary care using traditional methods, 46808
Integrating mental health in primary health care, 38842
Intervention studies in primary medical care: Trials and tribulations, 19036
Life-style assessment and change: Theory, what theory?, 18506
Medical concerns of homeless persons, 2884

Meta-analysis in primary care: Theory and practice, 19051
Natural history studies in family practice, 46789
Options for nurses in the primary care setting, 19050
Primary care nursing: A model for research, 46795
Primary health care—A nursing model: A Danish-Newfoundland (Canada) project, 46796
Psychiatrists working in general practice: Which approaches are best?, 42728
Psychotherapeutic intervention for unresolved grief in primary care medicine, 26494
Qualitative designs for assessing interventions in primary care: Examples from medical practice, 19094
Qualitative research in primary care, 46792
Randomized trials for assessing interventions in primary care, 19040
Refining questions and hypotheses, 46798
Research in primary care: The qualitative approach, 46797
Self-report measures: Principles and approaches, 19045
The Sioux Lookout Project as an example of a large data set, 19038
Standards of trustworthiness for qualitative studies in primary care, 46800
Theoretical considerations of qualitative method: Behavioral science research of relevance to primary care interventions, 19046
Traditional interventions in primary care: Issues of control, 19041
Using instruments of self-report to assess interventions: Examples, 19055
What does the primary care physician do in patient care that makes a difference? Five approaches to one question, 46616

Primary Mental Health Prevention—Serials

community based economic development as primary prevention strategy, rural communities, Canada, 42740
community intensive mental health care unit, prevention of hospitalization, psychiatric patients, Israel, 1 yr followup, 7100
cultural adaptationist vs symbolic interactionist perspectives on preventive programs for psychopathology, children, 22998
ethical issues raised by primary prevention activities in mental health consultation & other practice contexts, 7075
prevention of psychiatric morbidity in general practice with social support after negative life events, application to postnatal depression & breakdown in caregivers of elderly with dementia, 19015
primary prevention art group, inner city children, 10978
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2915
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2926
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2929
role & relevance of primary prevention in mental health services & community psychology, reply to commentary on literature review, 2906
role & relevance of primary prevention in mental health services & community psychology, literature review, 2907
school based primary prevention educational & behavioral skills training intervention, depression, 9th–10th graders, 35484

Primary Mental Health Prevention—Books

Fulfilling the promise of children's services: Why primary prevention efforts fail and how they can succeed. The Jossey-Bass social and behavioral science series, 11006
Preschoolers and substance abuse: Strategies for prevention and intervention. Haworth addictions treatment, 42971

Primary Mental Health Prevention—Chapters

Alcohol problems, 15160
Anorexia nervosa and bulimia nervosa, 14480
Appraisal for better curriculum, 7446
Children born from unwanted pregnancies: Prevention of psychological subdeprivation, 2417
Comparative effects of community-based drug intervention, 39045
Depression, 14484
Developing a constituency for prevention, 2421
The Dutch way of prevention, 2896
Early intervention, 14475
Empowerment: The greening of prevention, 2426
Making a dangerous world more tolerable for children: Implications of research on reactions to nuclear war threat, war, and disaster, 2424
Obsessive-compulsive disorders, 14477
Panic disorder and panic disorder with agoraphobia, 14476
Powerlessness, politics, and prevention: The community mental health approach, 2943
Prevention of mental illness in children in Third World countries: A Pakistani perspective, 3610
Primary prevention of alcoholism: Public school programs, 11454
Primary prevention of mental disorders and mental health promotion in Europe: Developments and possibilities for innovation, 2418
Schizophrenia, 14479
Stressful life event theory and the prevention of psychopathology, 2415
Trauma in the workplace, 46181

Primary School Students—Serials

attitudes toward records of achievement, parents of primary school students, UK, questionnaire appended, 11467
parents' financial & psychological support, academic achievement, 8–11 yr old primary school students, Nigeria, 19517
understanding of severe learning difficulties following educational integration & link sessions, 6–7 & 11 yr old primary school students, England, 47285
visual historical scenes, assessment of learning in history, 5–11 yr old primary school students, implications for History National Curriculum framework, 47227

Primary Schools [See Elementary Schools]

Primidone—Serials

primidone vs mephobarbital, illness severity & affective cycle rate, 19–55 yr olds with affective disorders, 42436

Priming—Serials

affective vs cognitive priming with optimal vs suboptimal exposure duration, affective judgment of novel stimuli, college students, test of affective primacy hypothesis, 32157
age & priming, explicit vs implicit memory in anagram solution, 18–20 vs 57–82 yr olds, England, 21177
age, modality effect in repetition priming vs recall of word modality & recognition, 18–32 vs 64–80 yr olds, 5112
appropriateness of visual prime before vs after construction of easy vs neutral vs difficult image, detection & drawing of correct image, college students, 16270
appropriateness of visual prime before vs after construction of easy vs neutral vs difficult image, detection & drawing of correct image, college students, erratum, 44080
associative priming in memory retrieval tasks, application of spreading activation vs nonspreading activation theories, 4387
attended vs unattended & visual field separation of semantic primes, lexical decision task, college students, Spain, 4306
auditory distractors, Stroop effect & negative priming in selective attention to visual targets, college students, England, 44171
auditory priming & implicit memory, 65 yr old male with word meaning deafness, 34228
auditory vs visual homophone primes, role of phonology in spoken vs printed word recognition, college students, 20257
automatic & attentional processes in semantic priming, 19–44 yr olds with severe closed head trauma, 34229
automatic semantic priming in lexical decision tasks, college students, 4339
brief nonword primes, RT to phonology &/or orthography in visual word recognition, college students, France, 16262
chlorpromazine vs lorazepam, explicit & implicit memory & priming & cognitive skill learning, adults, 12761

cognate vs noncognate differential priming in lexical decision task, multilanguage semantic categorization repetition blindness, bilingual college students, Spain, 36183
competition & bias, form based phonological priming in spoken word recognition, college students, 4310
compound cue vs spreading activation explanation of facilitation effects of prime in lexical decision, college students, 4325
congruent vs incongruent prime outside awareness, performance on color recognition task, college students, 8195
context effects in text vs word priming in lexical decision tasks, college students, England, 4338
contextual factors, performance on primed word recognition task, college students, 36151
diazepam vs lorazepam, explicit memory & lexical & perceptual priming, adults, 12884
discriminability & sequential priming, RT & choice & detectability during visual search, pigeons, 432
distractor-suppression effect of Stroop stimuli, cognitive inhibition through negative priming, schizophrenic adults with negative vs positive symptoms, 9864
dominance of category exemplars presented to left vs right visual field, semantic priming & lexical decision & pronunciation of loosely associated words, right handed adults, erratum, 16530
duration of prior exposure, fatigue & set effects in configurational perception of reversible ambiguous figure, college students, 24308
effort or priming & sense of familiarity in revelation effect in word recognition task, college students, 20282
EP amplitude & duration & scalp distribution in indirect repetition priming, 20–30 vs 61–75 yr olds, 24758
expectancy & neutralization of postlexical checking, between language semantic priming effect in multilanguage lexical decision, bilingual 18–54 yr olds, 36189
expectation priming & color words vs neutral stimuli manipulation, Stroop effects, college students, Israel, 16200
exposure of 1st letter in incremental vs simultaneously presented word fragment, cue depreciation effect on recognition of unprimed words, college students, 4346
exposure time for appropriate vs homophone vs visually similar prime, naming time & access of semantic information by phonological codes in visual word recognition, adults, 20268
extraversion & energetic arousal & time of day, semantic priming, college students, 4714
facilitation & self cue training, labeling of novel stimuli, 29–66 yr olds with aphasia, 30215
fixation on informative part of long target words, parafoveal guidance & priming effects in sentence comprehension task, college students, 32135
forgetting of words, repetition priming effects at chance recognition level & performance on explicit vs implicit memory test, college students, Israel, 16352
FR reinforcement schedule & reward current & number of priming pulses, brain self stimulation reward summation functions, male rats, 44470
general vs specific story prime & adjacency of prime & causal target, comprehension & causal relations in memory for narrative text, college students, 44168
grapheme frequency & lexical priming, spelling of unfamiliar words, Spanish speaking college students, Spain, application of spelling models to language with shallow orthography, 32774
hemisphericity due to verbal priming influences, verbal vs kinesthetic response positioning task performance, male vs female right handed 16–38 yr olds, 17016
homonym priming & encoding, 21–59 yr olds with amnesia, 22393
identity priming, identification & mental representation of Japanese single vs 2 kanji compound words, college students, 20272
identity vs nonidentity priming, RT for familiarity judgments in pictorial face recognition, 5 vs 8 vs 11 vs 18–24 yr olds, 37026
imagery vs orthographic task, EPs during identification & recall of primed vs unprimed words, 19–29 yr olds, implications for neurophysiology of memory, 20321
implicit memory & EPs in word repetition priming, elderly with mild probable Alzheimer's disease, 6360
implicit perceptual vs conceptual vs explicit memory test dissociation, measurement of priming, college students, Japan, 36224
induced mood state, priming effect in semantic memory task, college students, 16377
interactional attention to stimulus in right visual field with left visual field distractors in negative priming paradigm, male split brain 36 & 38 yr olds, 38260
item repetition & priming, behavioral effects & EPs during classification task, young adult vs middle aged vs elderly females, 16620
locus of repetition priming of spoken word production in word recognition, 18–45 yr olds, 334
lorazepam vs oxazepam, priming & explicit memory, healthy 18–36 yr olds, 40541
millisecond timing device for Macintosh PCs in cross modal lexical priming, 16303
mood, semantic priming, college students, Germany, 28248
negative priming, CRs in serial conditioning procedure, rats, 16442
negative priming effect in location & identity suppression of irrelevant vs attended information, RT, adults, Canada, application of active inhibition model, 28326
nonword foil lexicality & semantic priming & word frequency, lexical decision & RT & priming benefit, college students, 12252
number of priming word prompts contextually congruent vs incongruent with word vs nonword target in right vs left visual field, hemisphericity in lexical decision, 20–30 yr old males, 20523
orthographic vs phonological rime priming, target word naming speed, college students, Australia, 40076
perceptual attributes of study & test items, nonverbal priming on pictorial tasks, college students, 32230
perceptual motor skill learning & repetition priming in reading of mirror rotated text, elderly with Alzheimer's disease, 18375
perceptual priming & implicit memory for dynamic information & recognition of real vs distorted motor actions, high school students, 5120
phoneme relatedness & lexicality & response target interval in phonological priming, speech production, college students, UK, 9039
phonemes vs syllable speech object processes in primed matching task, college students, Belgium, test of speech unit hypothesis, 44028
phonological priming effects in auditory vs visual word recognition task, college students, implications for structure & organization of lexical memory, 4341
picture labeling vs word priming, word fragment completion test performance, college students, 44121
picture vs word priming with vs without imagery, performance on word fragment vs stem completion implicit memory tests, college students, 4331
picture vs work presentation format & retention interval, repetitively primed picture naming & item recognition, language/learning disabled 4th graders, 10150
preceding response stimulus interval, decay of negative priming of ignored locations at response stimulus interval of 500 vs 4000 ms, college students, 4404
preparation for alternate finger tapping vs syllable vocalization task, facilitatory priming for semantic sensibility judgments, college students, 12120
preseason vs primed vs nonprimed postseason recall of helmet warning label information, male high school football players, implications for behavioral compliance, 28959
prime exposure duration, time course of orthographic vs phonological code activation in visual word recognition, college students, France, 40090
prime reading vs generation of prime target associations, associative priming in word identification & episodic memory for primes, college students, 40078
primed implicit vs labeled explicit trait manipulation, impression formation & memory, college students, 25509
priming & perceptual representation system & explicit vs implicit memory, 368

priming about neighboring vs distant city or building with nonspatial information, spatial location ability & integration in memory of spatial & nonspatial information, college students, 16279
priming, automatic vs attentional processing in letter matching & tone discrimination dual task performance, college students, 28325
priming by similar sounding initial phonemes of nonwords, auditory recognition of base word, college students, 44780
priming effect of small ingestions of ethanol, choice of increased ethanol consumption, adult nonproblem social drinkers, 36750
priming of self knowledge, asymmetry effect in judgments of similarity of self to others, 11th graders & college students, US & Poland, 5554
priming, reproduction of & recognition memory for novel drawings, amnesic 53–73 yr olds, 6394
priming stimuli in field contralateral to lesion, visual processing RT to highly congruent vs congruent vs noncongruent target in neglected field, brain damaged 42–82 yr olds with unilateral neglect, 22336
priming with aggressive concepts, attraction & selective exposure to media violence, male college students, 5023
prior brief presentation of image, recognition in visual priming, college students, 12148
prior product knowledge, influence of contextual priming on evaluation of ambiguous product in print advertisement, college students, 39582
pronunciation & lexical decision semantic priming, schizophrenic 21–40 yr olds, 21839
proportion overlap & ratio of studied to nonstudied items & repeated testing, implicit memory in primed word fragment completion, college students, 36225
psychophysical perspective on language ordered search & interactive activation models & language priming effects in multilanguage word recognition & lexical decisions, bilingual adults, 36160
recency effect in free recall, explicit retrieval strategy to residue of implicit learning as basis of priming in cognition & memory, 36221
reminder of previous priming of trait categories, assimilation vs contrast in person perception, college students, Germany, 29382
repetition & distinctiveness & semantic priming, recognition of familiar faces, college & postgraduate students, 36223
repetition of lexicalization across languages, locus of priming effect in word recognition, Welsh-English bilingual adults, UK, 316
repetition priming in lexical decision task, ERPs & memory retrieval, 20–39 vs 40–59 vs 60–76 yr olds, 40441
repetition priming task of pseudoword naming vs definition generation & recall, word identification, college students, 32164
response priming, amplitude of EPs associated with initiation vs inhibition of visual triggered finger movement in go/no go paradigm, 27–43 yr olds, 12613
scale reliability & priming dimensional activation, construct validity of differential response latencies for Personality Research Form test items, college students, 43723
semantic associative vs identity priming & stimulus onset asynchrony, lexical access & spreading activation, 41–79 yr olds with left vs right anterior vs posterior lesion, 26299
semantic negative priming & cognitive inhibition in selective attention, outpatients with obsessive compulsive vs other anxiety disorders, 29724
semantic priming & stimulus modality, sensitivity in famous face recognition, Os, application of modularity theory, 28267
semantic priming, cortical EP during auditory word recognition & lexical decision tasks, 19–30 yr olds, 28574
semantic priming effect of target word orientation, word recognition, college students vs elderly, 916
semantic priming effect size, lexical decision & pronunciation latency, young vs older adults, meta analysis, 25134
semantic priming, lexical decision in letter detection, college students, replication, 40074
semantic priming, sensitivity in lexical decision, adults, 20284
semantic relatedness of target & homophonous prime words & onset asychrony, phonological constraints on visual lexical access, college students, 44090
semantically vs phonologically related vs unrelated primes in lexical decision & prime target interval, conceptual & lexical representation processes in semantic memory, college students, 36165
sentence completion with hostile vs friendly words, impression formation with ambiguous behavioral descriptions of hostility vs friendliness, college students, 29377
sexual vs nonsexual priming stories, emotional response to & judgments of date rape scenarios, hypermasculine college students, 5977
social isolation, subthreshold stimulation induced aggressive behavior after priming, male Siamese fighting fish, 24592
social status & familiarity of urine donor, priming effects of urine substrate marks on interactions, male house mice, 28434
spreading activation vs other models of priming in lexical decision tasks, college students, 4326
stimulus degradation & semantic priming, N400 EPs & RT during lexical decision, college students, 24765
stimulus onset asynchrony & speed goal pressure, cross language primed lexical decision, bilingual college students, Netherlands, 36168
subthreshold masked semantic primes followed by related vs unrelated word targets, forced choice target recognition, college students, 44078
textons & priming, delayed vs immediate object recognition & discrimination & pop out effects, infants, 13067
threat related & neutrally ambiguous primes, semantic activation & lexical decision, high vs low trait anxiety adults, England, 16292
time of day & sex, left vs right hemisphere verbal vs musical priming in dichotic listening task, 20–55 yr olds, 580
typography, word fragment completion, 55–81 yr olds with amnesia from Korsakoff's syndrome, implications for repetition priming effects, 37944
unrelated vs related semantic priming, lexical decision & naming of Hiragana vs Katakana written Kana scripts, college students, Japan, 28251
visual vs auditory vs pictorial presentation of words, priming on implicit memory tests of word identification vs stem vs fragment completion vs anagram solution vs free recall, college students, 44163
visually masked vs unmasked semantically related vs unrelated prime, N400 EP as reflection of lexical access vs integration, 18–29 yr olds, Netherlands, 24755
white noise & semantic vs nonsemantic encoding & voice change, auditory priming effects on explicit vs implicit memory in auditory word identification & stem completion tasks, college students, 4392
word frequency & neighborhood size & frequency & orthographic priming, visual word recognition, adults, test of semistochastic variant of interactive activation model, 12226
word priming & recognition memory, amnesia patients with mesial temporal lobe damage, 18383

Priming—Chapters

Beyond accessibility: The role of processing objectives in judgment, 13510
Degraded knowledge representations in patients with Alzheimer's disease: Implications for models of semantic and repetition priming, 14401
Impaired priming in Alzheimer's disease: Neuropsychological implications, 14413
Many happy repetitions: A celebration of the "Bertelson Repetition Effect" 1961–1991, 16323
Models of form-related priming in comprehension and production, 19866
Semantic memory, priming, and skill learning in Alzheimer's disease, 14414

Printed Communications Media [See Also Books, Magazines, Newspapers]—Serials

age & sex & reading ability, use of comic vs library books vs funnies vs newspapers vs encyclopedias vs magazines, 1st–6th graders, 947

billboard location & position & content & consumer involvement with product & attention & attitudes toward advertising, recall of outdoor advertisements, commuters, 43549
business to business advertising layout styles, contact vs awareness vs interest vs preference in relative effectiveness, readers of business magazines, 19800
content analysis of newspaper & magazine coverage of gender & female stereotypes in sports & physical activity, Canada, 10.5 yr study, 11724
effectiveness & functioning of language in print advertisements, college students, 11753
emotional appeal & information content & humor & sex in print advertisements, US vs France, 27772
individual differences in exposure to print & vocabulary & cultural knowledge, 18–65 yr old & older recreational readers vs nonreaders, 28272
outcomes & processes in reading from paper vs screen displays & medium usability, literature review, 3823
policies & attitudes toward feature advertisements in print media, advertising managers & editors, 11747
portrayal in TV & print media, elderly, literature review, implications for educational gerontology, 28858
print vs video media format, inferencing strategies in interpretation of stories, high vs low achieving 5th graders, erratum, 28942
printed journal usage & development of electronic text, human factors researchers, 3808
qualifications & levels of service & fees listed in accountant print advertisements, firm choice, small business executives, 39572
readability & human interest of information leaflets from charities associated with mentally handicapped, replication, 28857
readability & passive voice & paragraph & sentence & word length of public relations releases used vs not used by newspapers, 21131
self instructional smoking cessation materials with vs without telephone contact by therapist, abstinence, adult smokers, Australia, 3 & 6 & 12 mo followups, 30988
self presentation in personal ads, heterosexual vs homosexual males vs females, 33187
use of informational newsletter & subsequent use of telephone hotline, smoking cessation & maintenance of abstinence, smokers, 35030
visual components of print advertising for goods vs services, 39576

Printed Communications Media [See Also Books, Magazines, Newspapers]—Books

Communication at a distance: The influence of print on sociocultural organization and change. Communication, 32807

Prismatic Stimulation—Serials

cognitive task, target pointing during & adaptation to prismatic displacement, adults, 8277
pointing rate & visual feedback availability, visual & proprioceptive components of prism adaptation, college students, 8278
prism adaptation, patients with Alzheimer's vs Huntington's disease, 18396
stereoscopic prismatic viewing, midbrain near-response neuron activity before vs after phoria adaptation, male monkeys, 579

Prison Personnel—Serials

accounts of infraction behaviors & attributions of causality & pleas, disciplinary penalties, prison inmates & hearing officers, 11214
attitudinal & demographic characteristics & adaptation & work relationships, male vs female corrections officers, 11889
attributions of blame toward incarcerated rapists, psychologists vs social service vs custodial correctional workers, Canada, staffing implications, 27298
cynicism to prison administration & work tenure & performance & perceptions of relationships with superiors, prison officers, 19922
Inwald Personality Inventory &/vs MMPI, prediction of job termination & absence & lateness & disciplinary interviews, male White vs Black vs Hispanic correctional officers, 27976
social relations & interaction, staff & inmates of psychiatric prison ward, Israel, 11198
unconscious desire or need for punishment & transference & countertransference issues, correctional facility staff, 35082
VI punishment from prison administrator, prison therapists, 7280

Prisoners [See Also Prisoners of War]—Serials

accounts of infraction behaviors & attributions of causality & pleas, disciplinary penalties, prison inmates & hearing officers, 11214
administrative & other issues in discipline, mentally ill or disabled prisoners, 11211
anger management workshop, male prison inmates in medium security facility, 43003
assessment of & response to suicidal inmates, 3143
autonomic response to reward vs punishment feedback during passive avoidance learning, psychopathic male inmates, 18052
background characteristics & criminal histories & prison behavior & issues in diagnosis, male inmates with antisocial personality vs other diagnoses, 35084
background risk factors for parasuicide, male prison inmates, 18064
behavioral self help manual, alcohol consumption & related crime, incarcerated young male offenders, 23318
bibliotherapy, anger control & prevention of aggression, male 38 yr old prisoner convicted of murder, England, 11203
brief prescriptive psychotherapy based on M. Barkham's 2 plus 1 model, depressed 20 yr old male inmate, 35074
changes in behavior & cognitions & emotional states & adaptation, long term prison inmates, Canada, 7 yr study, 19293
changes in scores on MMPI Clinical Subscales 4 & 9 during incarceration & incidence of depression, adult male felons, 28012
characteristics & perceived needs & experiences in imprisonment, adult female prisoners, Canada, 23320
characteristics of parenting & child programs for female inmates, state & federal correction department staff, 35071
characteristics of suicides, 17–60 yr old urban jail inmates, 1980–88, 29793
clinical application of Psychopathy Checklist-Revised, male prisoners, Canada, 4080
clinical criteria in assessment of need for psychiatric services, prisoners, England & Wales, 33902
clustering & contagion of suicides, male prisoners & police cell detainees, 1971–91, New Zealand, 35073
cognitive behavior modification based intensive treatment, recidivism rates, juvenile delinquents with severe psychological & behavioral problems in state facility, 2 yr follow-up, 23317
cognitive behavioral therapy & social skills training, aggressive cognitions & self esteem, incarcerated male rapists vs incest offenders vs child molesters, 11218
correlates of injection vs sexual HIV risk behavior, HIV infected prisoners, commentary, 46968
creativity, psychotic vs conduct disordered 14–24 yr old prisoners, 33894
critique of adjustment indicators as outcome measures in evaluation of mental health treatment program, mentally ill inmates, 11197
cross validity of Rule-In & Rule-Out scales of M Test, screening for malingering, male prisoners, 31920
deprivation vs importation vs interactionist theory on suicide etiology, incarcerated aboriginal females, Canada, 17911
differential diagnosis & management of Ganser syndrome, 15.3–16 yr old brothers awaiting criminal trials, Israel, case reports, 37852
disciplinary involvement & adjustment during prison term, male inmates with mental retardation vs borderline vs normal intellectual functioning, 35075
drug use & misuse & school dropout rates, female prostitutes vs arrestees, 14013

drug use patterns & methods, inmates, treatment implications, 45781
effectiveness of jail based substance abuse treatment programs, inmates, 43000
emotional & social & other determinants of recent substance abuse, metropolitan jail inmates referred for treatment, 45786
epidemiology & prevention of HIV & AIDS, prisoners, research review, 3132
explanations of own crimes & historically documented aspects of psychopathy, incarcerated adult males, 10097
explanations of own crimes, incarcerated adult males, 10098
factor structure & reliability & validity of Catalan version of Attitudes Toward Prisoners Scale, criminal justice professionals & college students, Spain, 39749
factor structure & reliability of Multidimensional Anger Inventory, male 18–79 yr old inmates, 7959
faking good vs bad in deceptiveness in self presentation during psychological evaluations, incarcerated male offenders vs college students, 10083
fear of victimization & symptoms of psychopathology, male inmates in maximum security facility, 35077
heroin & other drug abuse, arrests & convictions for drug related vs nonrelated offenses, prisoners, Greece, 29920
history of family dysfunction, risk factor for later delinquency, inmates vs college students, 14016
HIV knowledge & norms regarding condom use & self efficacy & intentions to engage in AIDS preventive behaviors, incarcerated male African American 17–22 yr olds, 37977
HIV testing & care experiences during prison incarceration, 14–62 yr old ex-prisoners, England, 46003
incidents of violent vs nonviolent prison misconduct, mentally retarded male prison inmates, 23316
inprogram adjustment, federal inmates in residential drug treatment, 1991–92, 3113
instructor expertise & self esteem & inmate similarity & class size & age, prediction of prosocial attitudes & cooperative behavior in prison workshops, inmates, Canada, 11209
intelligence test scores & involvement in Judaism & identification with middle class values & need for achievement, Jewish inmates, 14027
interactive computerized relapse prevention package in drug education, self efficacy & drug usage, heroin addicted prisoners, Australia, 27187
internal consistency & convergent & divergent validity & redundancy analysis of Multiphasic Sex Inventory, assessment of psychosexual characteristics, incarcerated male sex offenders, 15961
issues in prisoners' health in correctional psychology textbooks, 1980–90, 11220
juvenile awareness program, social & psychological effects, adult inmate counselors, 39062
left hemisphere & frontal lobe functioning, neuropsychological differentiation of psychopathy, incarcerated male offenders, 14025
management of inmate behavior problems, prisoners & prison officials, UK, 19291
marathon group interaction, behavioral patterns, drug abusing male inmates, 35069
medical issues in identification & treatment, prisoners with personality disorders, UK, 19287
moral development, male 21–55 yr old person vs property vs victimless 1st offenders vs recidivists, 10112
nature & usefulness of process evaluation techniques for corrections based drug treatment programs, prisoners, 43002
number of escorted temporary absences from prison for compassionate vs family or community reasons, native vs nonnative offenders, Canada, 19283
past & current sexual behavior & risk taking, arrestees in county jail, implications for HIV prevention, 33909
perceptions of prison environment & stressors, male vs female inmates, 35076
practice & knowledge of risk of & intentions toward HIV transmission behavior, HIV infected male prisoners, Ireland, 19288
prevalence & correlates of self injurious behavior, inmates vs psychiatric patients at maximum security forensic hospital, 41773
prevalence of risk markers for & incidence of wife assault, federally incarcerated male inmates & their female partners, 22035
prior drug use & psychosocial dysfunction, drug dependent inmates, implications for development of treatment programs, 1927
prison based drug & psychosocial rehabilitation program, Black male prisoners, 3138
problems of psychotherapy in prison treatment program & need for competent staff, juvenile & 18–25 yr old offenders, 23315
project CORE boot camp program, moral development, 1st time nonviolent convicted offenders, 42994
prolonged stress due to political persecution & imprisonment in East Germany, type & long term course of psychiatric symptoms, 20–62 yr olds, Germany, 29761
psychiatric care issues, inmates, Canada, 42993
psychopathic personality assessed on DSM-III criteria, prisoners & legally detained hospitalized patients, 17638
psychopathology, inmates in jail based drug abuse treatment, 11210
quality of foster care vs extended family care, 0–6 yr olds with incarcerated mothers, 42759
reactions to & coping with incarceration, inmates, test of 2 component model of effects of prison life, 42999
reactions to & coping with incarceration, inmates, test of 2 component model of effects of prison life, commentary, 42991
reconviction rates, 17–25 yr old inmates in probation day centers, 6118
recreational programs, components of self esteem, male prison inmates, 31068
role in residential treatment unit for dangerous mentally ill inmates, prison psychiatrists, 11212
scores on Verbal vs Performance WAIS scales as indication of hemispheric orientation, impulsiveness & type of criminal behavior, 19–53 yr old inmates, 18072
seasonal temperature changes, aggression & rule infractions, prisoners, 31064
self reported daily caffeine & nicotine consumption, mood & somatic variables, maximum security penitentiary inmates, 15202
social marginality & strategies for adaptation to prison culture, 1st time short term inmates, 23319
social relations & interaction, staff & inmates of psychiatric prison ward, Israel, 11198
stability & reliability & factor structure of Anger Expression Scale vs State Trait Anger Scale, 18–62 yr old male inmates, Canada, 15927
state vs trait vulnerabilities & means ends problem solving & suicidality, male prison inmates, 14011
statistical analysis of trends in diagnoses, mentally ill inmates referred to forensic unit, 3139
suppression of psychologist's assessment report in prison setting by management staff, 18 yr old violent & psychotic inmate, organizational & legal implications, 3134
theoretical differences between psychiatry & law in psychiatric treatment within correctional setting, mentally ill prisoners, 35083
types & prevalence of policies implemented for care & support of pregnant inmates, wardens of state women's prisons, 35086
utility of assessment with MMPI-2, male pedophiles in federal vs state prisons vs military confinement facilities, 19285
validity of Lustig Color Vector Test, assessment of vocational interest, male 17–73 yr old incarcerated offenders, application of vector theory, 31997
validity of M Test, assessment of malingering, incompetent to proceed defendants in residential forensic facility, 31884
violent action programed by violent dreams, borderline psychotic 29 yr old male inmate, case report, 33749

Prisoners [See Also Prisoners of War]—Chapters

Homosexual relationships in a unique setting: The male prison, 43005

The Offender Substance Abuse Pre-Release Program: An empirically based model of treatment for offenders, 39043
Psychological effects of torture: An empirical study of tortured and non-tortured non-political prisoners, 25959
Substance abuse and psychiatric disorders in prison inmates, 45349
Prisoners Dilemma Game—Serials
cooperation persistence during spatial version of Prisoner's Dilemma computer simulated game, implications for biological systems & evolution & altruism, 13444
prisoners dilemma technique in social psychology classroom demonstration of situationism, 7431
prospects for spontaneous cooperation in Prisoner's Dilemmas within evolutionary framework, 13441
Prisoners of War—Serials
cognitive & psychological functioning & symptoms, 67 yr old monozygotic twin WWII pilots discordant for combat exposure & war confinement, case report, 25743
confinement weight loss & malnutrition, memory & learning performance, former prisoners of war, 371
development of moral responsibility & consciousness through art during incarceration, former political prisoner, Argentina, 44945
group psychotherapy, 66–76 yr old WWII prisoners of war with PTSD, 38485
psychopathology & psychiatric diagnoses, WWII Pacific theater combat veterans & Japanese POWs, 21733
PTSD, adult male prisoners of Japanese during WWII, Australia, 37815
validity of PTSD measures, elderly with PTSD vs other psychiatric disorders vs prisoners of war vs younger Vietnam War veterans, 4065
Prisoners of War—Chapters
Long-term effects of torture in former prisoners of war, 25955
Prisons—Serials
administrative & other issues in discipline, mentally ill or disabled prisoners, 11211
cognitive skills training in prison based substance abuse treatment, offenders, 46970
daily life & work & treatment in prison, sex offenders, conference presentation, 11202
debate regarding assignment to special hospital vs long term prisons, violent adults with psychopathic disorder, UK, 19281
delivery & funding & staffing of mental health services in state correctional facilities, prison directors, 1988, technical report, 46977
drinking & drug use patterns & related problems, clients in methadone maintenance vs therapeutic community vs county jail substance abuse programs, 35020
factors in number of suicides & natural deaths in jail, inmates, 23321
Federal Bureau of Prisons residential drug abuse treatment strategy, incarcerated offenders, 46969
holistic approach to prison mental health services, inmates, 15206
in-jail methadone maintenance vs heroin detoxification, post-release treatment & drug use & criminal activity, heroin addicted inmates, 6.5 mo followup, 46973
perceptions of prison environment & stressors, male vs female inmates, 35076
prison experience & drug taking behavior while incarcerated, injecting drug users, Scotland, 33830
psychiatric assessment at magistrates' court, hospital & prison resources, defendants, England, 39061
rationale & community mental health model for delivery of prison mental health services, mentally ill inmates, 39058
reactions to & coping with incarceration, inmates, test of 2 component model of effects of prison life, commentary, 42991
reactions to & coping with incarceration, inmates, test of 2 component model of effects of prison life, 42999
reasons for sex offenses & imprisonment & castration & brain surgery & other treatment methods, male 25 & 30 & 36 yr old sex offenders, case reports, 19289
role in residential treatment unit for dangerous mentally ill inmates, prison psychiatrists, 11212
social marginality & strategies for adaptation to prison culture, 1st time short term inmates, 23319
suppression of psychologist's assessment report in prison setting by management staff, 18 yr old violent & psychotic inmate, organizational & legal implications, 3134
treatment center vs prison, suicide rate, male sex offenders, 1959–89, 11206
Prisons—Chapters
Boot camp prisons for young offenders, 15211
Developing comprehensive mental health services in local jails and police lockups, 23323
Homosexual relationships in a unique setting: The male prison, 43005
Male rape in institutional settings, 13910
Prison, 35087
Privacy—Serials
factors influencing attitudes toward homosexuality & privacy & HIV & AIDS testing & religiosity, 18–29 yr old college students vs 20–70 yr old parents of college students vs children under 6 yrs, 34086
legal context & evaluation of claims of mental injury arising from invasion of privacy, 11866
privileged communication & confidentiality & ethics & employer policy related to privacy in school counseling, clients & counselors, 43142
public vs private prediction of GPA with vs without incentive & perceived achievement of E, male vs female college students, 11466
role of press in & public's response to reporting on character & private lives of public officials, 13344
secrets vs privacy in group psychotherapy, adult psychiatric patients, 42326
workspace architectural privacy, short & long term overall job satisfaction, secretaries, 3698
Privacy—Books
Shame, exposure, and privacy, 13553
Privacy—Chapters
Mind–body identity, privacy, and categories, 28826
Student records, 23438
Private Practice—Serials
benefits & hazards of private practice, psychotherapists, 18536
business & clinical & ethical issues in managed care, psychotherapists in private practice, 30301
consideration of Canon of Ethics of Canadian Association of Speech-Language Pathologists & Audiologists in standards of private practice, Canada, 47088
demographic & clinical characteristics, psychiatric patients treated by private psychiatrist vs public health system, Denmark, 7054
difficulties & benefits of private practice in Appalachia, psychotherapist, 3149
entrepreneurial personality traits & value systems & practice setting choice, clinical social workers in private &/vs agency practice, 11301
ethical & other issues in management of personal crises & work, psychologist in private practice, conference presentation, 31180
evaluation of mediation process & type & private mediation, divorcing couples, 15839
factors in & developmental model of private practice, psychologists working in small towns, 3146
length of visit & coded behaviors & efficiency & preventive service in fee for service private practice vs HMO settings, physicians & patients, 46760
need for graduate psychology curriculum changes to encourage private practice, conference presentation, 31113
perceptions of graduate training, 32–72 yr old psychologists in private practice, conference presentation, 31169
personal & professional & business & treatment issues, pregnant therapists in private practice, conference presentation, 31179
professional client referral service, clinical social workers in private practice, 39080
sex & race, private practice choices & delivery of psychotherapy, social workers, conference presentation, 27287
transition from institutional to private practice, clinical psychologist, conference presentation, 31161

trends in prescription of antidepressants, psychiatrists in private practice, 1980 vs 1985 vs 1989, 38576
value orientations, social workers in private &/vs nonprivate practice, 11302
7 point checklist on ways to build practice during recession, full time consulting psychologists, 11290
Private Practice—Chapters
Individual movement psychotherapy: Dance movement therapy in private practice, 2722
Working with the severely disturbed client in a private practice setting: A special challenge for the woman therapist, 18599
Private School Education—Serials
demographic characteristics & attitudes regarding choice of public vs private education for their children, Black 22–62 yr olds, 7365
research at political & outcome & individual psychological levels, private sector education, UK, implications for future research, 19490
scores on Multiple Affect Adjective Check List-Revised, middle or senior high public vs parochial school students, 3505
social change & attitudes toward African American independent schools, Black parents, application of Afrocentric transformation model, 7366
social desirability, male public vs private junior & high school students, Puerto Rico, 47256
Private School Education—Chapters
Liaison with school districts: The 3 R's—Roles, rights, and responsibilities, 39367
Private Sector [See Also Business Organizations]—Serials
assessment of nongovernmental sexually transmitted disease/AIDS education & prevention programs, marginalized groups, developing countries, 6983
attitudes toward contracting for involuntary treatment of mentally ill patients, Democratic vs Republican state legislators, 27093
development & utilization of psychiatric services & units in public vs private general hospitals, poor &/or seriously disabled psychiatric patients, 15035
individual & organizational level relationships within criminal justice system, interest group leaders & news reporters & government officials, 35732
inpatient vs outpatient private substance abuse treatment, addiction severity & treatment services & outcomes, alcohol &/or cocaine dependent adults in EAP program, 6 mo followup, 42944
operational performance & productivity & profitability & payer mix & revenue & expenses & capital structure, investor owned for profit vs nonprofit psychiatric hospitals, 19161
qualitative analysis of effectiveness & service delivery of public vs private institutional care, incarcerated juvenile offenders, 42997
race & major & other predictors of public vs private sector employment, business college graduates, 31549
reading ability & reading level of patient education & informed consent materials, adult inpatients at public vs private substance misuse treatment centers, 39003
Private Sector [See Also Business Organizations]—Chapters
Hiring, firing, and promoting, 43406
Privileged Communication—Serials
attitudes toward confidentiality of treatment for adolescents, community based pediatricians & family physicians, 19397
attitudes toward mental health confidences, legal vs mental health professionals, 11319
confidentiality & privilege statutes in group psychotherapy, 38482
English Court of Appeal ruling on confidential information, convicted murderer confined in psychiatric hospital & his psychiatrist, England, 31768
ethical & legal guidelines & professional policies concerning confidentiality, counselors treating clients with HIV or AIDS, 19420
ethical issues in hypothetical cases of access to confidential information during review processes in psychology & other fields, 47085
ethics & dilemmas of legal obligations & branch of client confidentiality, psychiatrists, 11315
extension of Tarasoff duty to protect potential victims of violent patients, psychotherapists, 11314
forewarning of confidentiality limits & relation to mandatory reporting of child abuse & actual practices, psychologists & psychiatrists & social workers & marriage & family therapists, 47083
guidelines for disclosure of information under Americans with Disabilities Act, psychiatric patients, 29567
information about limits to therapeutic confidentiality, willingness to self disclose, clients, 42223
legal & ethical issues in confidentiality of clients with AIDS, clinical social workers, 23420
limits of confidentiality in release of A. Sexton's psychotherapy tapes for biography, 27310
privileged communication & confidentiality & ethics & employer policy related to privacy in school counseling, clients & counselors, 43142
professional values & ethics & confidentiality in mental health counseling, clients with HIV or AIDS, 35230
social class & other factors influencing confidentiality for mothers with HIV, health professionals, 30105
state court ruling on confidentiality & duty to notify authorities concerning suspected child abuse, unordained religious counselors, 47087
Privileged Communication—Books
Confidentiality and privileged communication. The ACA legal series, Vol. 6, 23421
Privileged Communication—Chapters
Confidentiality and duty to warn, 31191
Part B: Ethics, confidentiality and consent, 11335
Part D: Clinical research ethics and confidentiality, 11336
Protecting the privacy of patient information in clinical networks: Regulatory effectiveness analysis, 31190
Reporting child abuse, 31189
Proactive Inhibition—Serials
environmental context & number of lists before vs after critical list, serial learning in proactive vs retroactive interference, college students, 20313
nonrelevant stimuli preexposure duration, latent inhibition & recall & recognition, high vs low psychotic prone college students, Spain, 36229
proactive interference in paired associate learning, 30–66 yr olds with amnesia & frontal lobe damage due to anterior communicating artery aneurysm, 46104
proactive interference release & short term memory performance, schizophrenic adults, 13801
tradeoffs in relational & response specific processing, proactive interference effects in paired associate learning, college students, 40163
Probability [See Also Binomial Distribution, Chance (Fortune), Response Probability, Statistical Probability]—Serials
ambiguity of likelihood of winning trial & importance of case, negotiation of settlement in medical liability case, defendants vs plaintiffs, application of Einhorn-Hogarth ambiguity model, 31764
calculation of probability mass functions of similarity & activation & echo intensity distribution in recognition memory, application of multiple trace model, 20141
conditional interpretations of default reasoning based on probabilities vs preferred models, implications for artificial intelligence, 20261
event trees, prediction of single cases vs sequences & consequences of human errors in industrial installations, control room operators, safety implications, 19748
family history of alcoholism, probability of past yr alcohol dependence, 18 yr olds & older, 6050
heuristic conditional probability procedure, determination of symptom criteria for differential diagnosis of anxiety vs depression, 4th–7th graders, 25721
L. Thurstone's & R. Shephard's probabilistic multivariate similarity models as special cases of moment generating functions, 36008
predictability of command entry from immediate predecessor, computer spreadsheet users, implications for accelerator key interfaces, 3810
preferences & reasons for conveying &/vs receiving probabilistic information & uncertainty in verbal vs numerical terms, college & graduate students, US & Israel, 40760

probability & proportions of warning stimuli, oddball contingent negative variation & P300 EPs, 20–45 yr olds, 4644
probability of target-distractor combinations, visual search RT, pigeons, 44230
probability of UCS in presence vs absence of CS, conditioned lick suppression, water deprived rats, application of contingency theory, 8476
probability outcome with vs without responses, judgment of response-outcome contingency & causal relation, college students, 16302
properties of Lebesgue logic of probabilities & applications to perception, 35997
role of ordered weighted averaging, measurement of overall realization of objects in uncertain environment, 4198
sequential probability ratio test in O-based psychophysics, 208
subjective probability of winning in lottery game, decision making, college students, test of cognitive experiential self vs norm theories, 4316
target stimulus global probability presentation frequency, cognitive changes & amplitude & latency of P300 auditory EP in tone discrimination task, 8–11 vs 12–15 vs 16–19 yr olds, 16978
test generalization for activation models of RT in divided attention, 24485

Probability Judgment—Serials

accessibility of memories of positive vs negative events, latency of recall & perceived future probability of similar events, college students, Australia, test of availability heuristic hypothesis, 12232
accuracy of probability judgments of future vs past events, college students, 28237
age & self vs other referent & subjective probability of accident or apprehension, speeding & drunk driving behavior, male 17–72 yr old drivers, 47544
ambiguity & uncertainty & human vs technological information source & use of base rate vs individuating information in probability judgment, college students, 310
calibration & resolution in evaluation of probability judgments, 40110
confusion between reliability of evidence & probability of hypothesis in probabilistic inference word problems, adults, 28247
decomposition, accuracy of estimates of tendency & calibration of subjective probability distributions, graduate students, application to decision analysis, 44077
decomposition in probability assessments of continuous distributions, college students, 32009
distributional vs singular approach to probability judgments, errors in probabilistic reasoning, college students, Canada, 36178
EPs in detection of frequent vs infrequent randomly presented auditory stimuli in contextual probability evaluation, 8–14 yr olds with autism vs developmental language disorder, 26052
good vs bad sample space & natural vs nonnatural conditioning event, frequency judgments & inversion of conditional statements, college students, 8325
normative appeal of expected vs subjective utility as rational choice theory, 4336
operation of representativeness & anchoring & adjustment heuristics in lottery play & number selection, college students, 3764
probabilistic judgments in statistical prediction situations, psychology researchers, test of representativeness & significance hypotheses, 24246
probability assessments, decision bias, college students, US & Israel, 40089
probability outcome with vs without responses, judgment of response-outcome contingency & causal relation, college students, 16302
role of probabilities & consequences in decision making, 7–15 yr olds, 21164
rule based neural network architecture for classification & probability estimation, 15791
sample space information sets with vs without correspondence to natural cognitive categories, probability judgment, college students, 8295
sex & parenthood & social status & class of stimulus person considering divorce, estimated likelihood & recommendation of divorce, male vs female college students, India, 33112
unrealistic optimism & illusion of personal control, perceived accident involvement probability, 18–68 yr olds, UK, 37516
variable delay & conditioned reinforcers, choice of delayed alternative vs probabilistic reinforcement, male pigeons, application of J. Mazur's equivalence rule, 8483
VI vs VR schedule of outcome presentation, judgment of causal effectiveness of response, adults, England, 40122
wording changes for rectification of multiple ambiguities in classic "Linda" conjunction problem, problem performance & probability judgment, college students, replication, 40112

Probability Judgment—Chapters

Choosing between uncertain options: A reprise to the Estes scanning model, 338
The effects of representation on the processing of probabilistic information, 24432
The perception of randomness, 20296

Probability Learning—Serials

intermittent vs consistent reward, shuttling response acquisition vs extinction, honeybees, 4456
task &/vs cognitive information vs task & cognitive & functional validity information, multiple cue probability learning task, college students, 12209

Probation—Serials

Alcoholics Anonymous or Cocaine Anonymous with vs without formal group therapy, drug or alcohol abusing adult probationers, 43004
balanced approach to community supervision in juvenile justice system, juvenile offenders, 15197
characteristics of adjustment during community supervision, prison parolees vs probationers vs shock incarceration program participants vs dropouts, 19284
evaluation of residential halfway house probation enhancement program, 17–32 yr olds, 15205
family violence & abuse & functioning & other characteristics, adult felons on probation raised in alcoholic vs nonalcoholic homes, 41778
group therapy & drug & other offender rehabilitation programs implemented by Kings County Court probation department in Brooklyn, offenders, 1940 to present, 11213
identification of factors & development of rating scale, prediction of successful probation, 1st time offenders, 1980–82, 19969
intensive probation scheme vs custodial sentencing, case outcome, 17–20 yr old offenders, England, 43643
intensive supervision probation & parole program, drug involved offenders, 11217
methadone maintenance &/vs legal probation or parole, drug usage & criminal behavior, heroin addicted clinic patients, 3058
reconviction rates, 17–25 yr old inmates in probation day centers, 6118
SES & need for psychosocial rehabilitation, ex-probationers, 1981–87, India, 3133
small group vs individual HIV education, knowledge level & behavioral intentions & preventive behaviors, male probationers, 11208
socioeconomics & mental illness & drug & alcohol use & HIV risk behavior, 18–35 yr olds on probation, 43001
structural & cultural & other differences in probation systems, offenders, Great Britain vs US, 15198
symptoms & treatment of codependent dysfunctional family, implications for probation work, 3911

Probation—Chapters

Day reporting centers: An innovative concept in intermediate sanctions, 15212

Probation Officers—Serials

conflicting roles of law enforcement vs helping agent & ethical issues, probation officers, conference presentation, 39703
perceived job stress & experience, police vs correctional vs probation & parole officers, 3931

Probenecid—Serials
ethanol & probenecid ingestion & death, male 36 yr old with previous suicide attempt, 13883
Problem Drinking [See Alcohol Abuse]
Problem Solving [See Also Anagram Problem Solving, Cognitive Hypothesis Testing, Group Problem Solving]—Serials
ACT theory elaboration of A. Newell & H. Simon's framework for means end problem solving & role in learning & performance, 16255
action execution & action management solution search stage in analogical reasoning, composite structure & mechanical & software designers, 40136
adaptive vs innovative cognitive style, work related problem solving, chemical production operators, 11627
age & conventional vs nonconventional tool use, reasoning in measurement problem solving, 6–10 yr olds, England, 44891
age & planning aids, organization of complex task, 9th graders vs working vs retired adults, Australia, 44822
age & structured vs unstructured problems with removed vs unremoved eliminated solutions, inquiry behavior in concept identification, 1st graders through college students, 9201
age, monitoring of practical problem solving ability, 19–84 yr olds, 44867
age, thinking strategies used to select answers on multiple choice reading comprehension test, 8–19 yr olds, replication, 25148
age, transverse problem solving & conditional discrimination using configural association solution, 3.5–5.9 yr olds, 32893
amount & organization & strategic application of domain knowledge, problem solving in physics class, college students, 35379
anomalous information, question generation during quantitative problem solving & story comprehension, college students, 20263
antecedents vs concomitants vs consequences of problem solving appraisal & depression, college students, 9 wk followup, 41538
arithmetic word problems & translation into internal representation, frontal vs left posterior parietal lobe injured patients, 18367
arithmetic word problems with unknown reference vs compare set, problem solving difficulty, K–1st graders, Germany, 21196
artificial intelligence type cued heuristics &/vs state space analysis, solution of trigonometric identities & transfer to group theory identities, college students, Scotland, 39218
attachment strategies & emotion regulation during problem solving, mothers & their 14–18 yr olds & college students, application of control theory, 25223
backward or schema guided forward inference or planstacking in physics problem solving, expert postgraduates vs novice college students, UK, 8316
BASIC computer language instruction & competency, change in problem solving skills & computer anxiety over time, college students, 11419
behavioral consultation with parent management & communication & problem solving skills training, parent child conflict, noncompliant female 14 yr old & her parents, 22569
benefits of bounded look ahead search in artificial intelligence & minimaxing & quiescence in game playing & problem solving, 19842
brief counseling & problem solving in primary care for depressive & anxiety disorders, 19016
C. Argyris & D. Schon's X-Y exercise & change from automatic to reflective reasoning processes in problem solving, management students, Israel, 23734
case based reasoning in solution of new problems, implications for construction of expert systems, 23888
case method of instruction for learning application & problem solving skills, early intervention professionals, 31112
chemistry & mathematics problem solving processes, preservice chemistry teachers, Nigeria, 3293
classification of everyday life problems & solutions, female adolescents, Czechoslovakia, 1116
closed loop model of & metaphors for human computer interaction & interface needs for empowering environments & problem solving, users, 11775
cognitive & metacognitive behaviors in mathematical problem solving in small groups, 7th graders, 5078
cognitive ability & development & field dependence/independence, use of algorithmic vs conceptual gestalt problem solving approaches in solution of gas problems, college chemistry students, 3448
cognitive modeling & implicit vs explicit rules, application of & attitude toward behavior analysis & self efficacy in classroom management problem solving, education students, 39159
cognitive representations & processes in arithmetic performance & single case study issues, brain damaged adults, commentary, 34225
cognitive representations & processes in arithmetic performance & single case study issues, brain damaged adults, commentary, 34206
cognitive strategy instruction, solution of algebraic word problems, learning disabled 8th–10th graders, Canada, 35442
cognitive theory of algebraic word problem comprehension & solution in computer learning environment, college students, implications for learning environment design, 35312
combination & reorganization of categories & extant knowledge structures, creative problem solving, college students, 32156
community leadership program, leadership & problem solving skills, adult residents of rural counties, 29349
concept mapping ability, biology problem solving, college students in biology, Nigeria, 7423
conceptual shortcut vs familiar computing strategy in solution of mathematical inversion vs standard problems, 2nd–4th graders, Germany, 974
confirmation bias in & strategies to improve failure to search for & use negative information in 4 card selection task, college students, 4298
consequences of narrow problem solving for user interface design, 47520
context effects on semantic domains, processing of categorical information in solution of word analogies, college students, 16294
conventional modeling vs Thinking Aloud Pair Problem Solving teaching method, college chemistry students, 27458
conventional vs worked vs completion training strategies, cognitive load & training & transfer performance in statistics problem solving, 16–18 yr olds, Netherlands, 13061
conversational interactions as coping & problem solving technique for stress, 37420
cooperation, certainty vs uncertainty in problem solving task, 30–40 yr olds, 1360
cooperative vs individual concept mapping experience, science problem solving ability, male vs female college students, Nigeria, 23566
coping & problem solving skills cognitive behavioral training, drug resistant residual psychotic symptoms, schizophrenic patients, UK, 34428
coping strategy enhancement vs problem solving in cognitive behavioral treatment, drug resistant residual psychotic symptoms, schizophrenic patients, 6 mo followup, 42283
creative problem solving training, divergent thinking attitudes, managers, Japan, 19664
cues or symbols in problem solving & decision making & memory retrieval, literature review, 32158
decision making skills & heterosocial problem solving ability, female college students, 29339
decision making vs problem solving in clinical reasoning for treatment decisions, physicians & nurses, educational implications, 10814
decomposition, accuracy of estimates of tendency & calibration of subjective probability distributions, graduate students, application to decision analysis, 44077
development of multifaceted scales, assessment of therapeutic problem solving skills, caregivers of institutionalized severely mentally retarded, 39898

development of strategies for solving 2- & 3-dimensional hands-on combinatorial problems, 7–12 yr olds, Australia, 37027
developmental & individual differences in problem solving process & adaptation, 5–60 yr olds & older, 44899
diagnostic problem solving & representation, free recall of patient information, medical students vs residents vs physicians, 40161
direct instruction, critical thinking skills in learning time & mathematics, students, 27443
discriminant & convergent validity of 2 subscales of Problem Solving Style Questionnaire, college students, 43734
disputant & mediator problem solving & other behaviors, short term success in mediation of community dispute resolution hearings, case participants & Os, 7889
divided & focused attention & problem solving issues in graphical display design, 19818
dogmatic vs sophisticated falsification as metaphors for problem solving activities & neural network modeling of reasoning metaphor, electronics experts, 32180
eclectic training, problem solving, counseling paraprofessionals, 43047
educational trajectory & goal orientation & practical problem solving, high school students, 11510
effectiveness & competence in social problem solving, popular vs unpopular kindergartners, 1039
episodic memory of surface vs deep structure, search vs acceptance process mediated analogical problem solving, adults, Germany, 8298
errors in problem solving as reasoning failures, 12228
ethics & dilemma problem solution & decision making, psychologists, Canada, 43131
experience level & problem solving in medical dilemmas, 22–83 yr old Black vs White home health visitors vs home visiting nurses, 27292
explicit instruction in translation vs diagram training group, mathematics word problem solving, learning disabled 17–65 yr old community college students, 35466
explicit vs standard instructions, creative performance in problem solution vs generation components of divergent thinking task, college students, 17539
exploratory vs nonexploratory responses to problematic patient situations, staff vs head nurses, 10849
extension of Hopfield model of neural networks, solving inequality constrained combinatorial optimization problems, 15783
extraneous information & extra steps, misconceptions in solution of arithmetic word problems, 8th graders, 3447
facilitation & phases of team & work group development, school special services practitioners, 31226
factor structure & validity of Test of Problem Solving, 6–11 yr olds, 43713
factors which impede vs enhance mathematical problem solving performance, 7th graders, 31311
family problem solving effectiveness & style, prediction of health, husbands vs wives, 29233
formal representation of color mixtures as rational numbers, ratio problem solving ability & concept learning, 7th–9th graders, Israel, 28941
formal vs naive knowledge in solving graphic programing problem, college students, 11486
framework & theory & method for study of design in cognitive science, 15755
Future Problem Solving Program, perceived control over & concerns about future, gifted vs average 4th–6th graders, 23661
Future Problem Solving Program, solution of futuristic problems, gifted 4th–5th graders, 47310
genetics course using simulation software, problem solving through model revision vs model use, high school students, implications for model based science instruction, 19497
global mental processing & use of strategy & heuristic subroutines & task performance in problem solving, learning disabled vs nondisabled elementary age children, 45819
goal attainment &/vs problem space exploration emphasis, nonisomorphic transfer in analog problem solving, 3rd graders, application of cognitive load theory, 21188
goal free vs conventional geometry problems, problem solving, 7th graders, Australia, test of stage effect hypothesis, 47214
graphical vs tabular information display & linear vs multilinear number progression & problem type & memory capacity, problem solving, college students, 24407
group instruction on higher order rules, mathematics problem solving, 4th graders, 27416
group vs individual nonroutine mathematical problem solving, Year 9 students, Australia, 23571
hierarchical concept centered schema vs traditional analysis, physics problem solution, college physics students, 35308
higher order thinking & cognitive processes in academic problem solving, African American & Latino high school students, 3422
HyperCard based system, study of decision making in financial problem solving domain, conference presentation, 8288
image of psychophysical task & selection of criteria of optimal solution, translated article, 32138
immediate vs delayed vs no feedback, use of LOGO programing commands to solve computer mazes, 7–12 yr olds, Canada, 5103
incubation interval &/vs imagery training, creativity in anagram problem solving & idea production, business school students, 32144
incubation of dreams addressing personal problems, problem solving, 19–24 yr olds, 44179
individual differences in confidence in pretraining knowledge & awareness of training performance, accession of prior knowledge & strategy transfer in problem solving, college students, 318
individual vs dyad working mode, strategies for physics problem solving in canonical vs noncanonical version of computer mediated learning environment, 10th graders, France, 31236
inductive rule learning techniques in StrathTutor computer aided learning system, problem solving, graduate students, 3331
information processing & social cognitive problem solving, schizophrenic vs depressed patients, 21826
inservice training in collaborative problem solving & goal setting, 39–58 yr old special education teachers of multiply impaired children, 15340
instruction vs discipline vs time demands vs supervisory problem, problem solving strategies & cognitive elements, preservice teachers, Canada, 23442
instructional program with problem solving schema, critical thinking & decision making, learning disabled high school students, 35463
instructive animation &/vs concurrent vs successive oral narration, retention of & problem solving in learned task, college students, 15389
intellectual ability & working method, instruction aided vs unguided novice learning, college students, 27518
intelligence, learning & maintenance & transfer of problem solving strategies, gifted vs average vs mentally retarded 7.3–11.8 yr olds, 5090
intentionality & conventionality & problem finding & evaluative skills in creative morality, 45294
interaction & cooperation in problem solving during construction task, 3–5 yr olds & their parents, implications for internalization & learning, 28914
interpersonal & social problem solving & suicide intent & medical lethality, adolescent suicide attempters, 25930
interpersonal problem solving, alcoholic males vs females, 13964
interpersonal problem solving training with metacognitive component in educational setting, children & youth with learning or behavior problems, literature review, 31376
invariants & structure & other features of expertise knowledge & problem solving behaviors, 24395
issues in creativity & cognitive style & application to organizational problem solving, 1439
issues in creativity & cognitive style & application to organizational problem solving, commentary, 1464

Jasper Woodbury problem solving series, attitudes & motivation & learning to think & reason about complex problems, elementary school students, application of constructivist theories, 19467
knowledge level, design strategies in solving novel problem in experimental design, college students vs experts, 44109
learning & transfer & maintenance performance on problem solving tasks, low achieving vs learning disabled 7th–8th graders, 43308
life stress & psychological & problem solving & environmental & family factors, hospitalized 12–14 yr olds with suicidal behavior vs other psychiatric problems, 33479
locus of control & task structure, science problem solving, pairs of 6th graders, 35363
Logo language & route strategy training & learning style, Logo mastery & problem solving & learning & transfer, 4–5 yr olds, 28970
managerial framework & practical theories for problem solving & change, 7602
marital adjustment & joint parental support in problem solving task & child behavior problems, 5–12 yr olds & their parents, 40961
mathematical problem solving & achievement, learning disabled vs average vs gifted 6th–8th graders, 47286
mathematical problem solving, youth with learning disabilities or attention deficit disorder with or without hyperactivity, educational implications, 35467
mental abilities & content knowledge & problem solving skills, inservice & preservice earth & space science teachers, 19440
mental addition & subtraction processing strategies for numbers to 100, problem solving, 2nd graders, Netherlands, implications for teaching models, 47216
mental arithmetic problem solving RT, monolingual vs weak vs strong bilingual college students, 40094
mental representation memory of problem models, problem description reconstruction, good vs poor novice college students, Netherlands, 27489
mental states & coping & problem identification styles, 20–71 yr olds with undiagnosed breast masses, 26259
metacognition & problem solving performance, gifted vs high vs low average 4th–5th graders, 9197
metacognitive knowledge & mathematics aptitude, arithmetic problem solving, 5th graders, Japan, 27507
method of remediating fundamental learning problems & teaching problem solving, autistic students, 7523
method of solving problems about hypothetical patient complaints, hospital personnel, 30957
methylphenidate, attributions & performance & perceptions of solvable & insolvable puzzles, male 7–12 yr olds with attention deficit hyperactivity disorder, 46420
named vs unnamed puzzles, nonverbal problem solving abilities, left vs right brain damaged male 38–76 yr olds with or without aphasia, application of resource allocation theory, 38289
near miss vs unrelated contrasting story, problem solving schema acquisition & analogical transfer from convergence stories, college students, 28245
negative life event of drop in academic grades & perceived problem solving alternatives, depression, 14–18 yr olds, 45426
networks of neural oscillators, solving travelling salesman & other degenerate optimization problems, 27843
normative data & solution rates for remote associate problems, senior secondary vs college students, Australia, implications for use in performance feedback paradigms, 17067
normative modeling of formulation of rules for selection of remedies for diseases & malfunctions & conflicts, 4192
norms & reliability & validity of Turkish version of Problem Solving Inventory, college students, Turkey, comparison with US data, 43731
open ended problem solving training, taxonomic level of questioning, orthopedic surgery certification examiners, Canada, 5 yr study, 43039
operating principles to improve creative problem solving training, 36161
opportunism approach to problem solving in process of model formulation, expert modelers in production planning & forecasting & auditing, implications for design of expert system, 44120
order of self vs other perspective on interpersonally oriented problem vignettes, means end social problem solving, college students, 33235
parity & education & age, perceived problem solving competence for general vs feeding vs illness problems in infant care, mothers & their infants at 2 vs 4 mo old, commentaries & reply included, 9448
perceived problem solving ability & appraisals, depressed vs nondepressed college students, 17537
perceived problem solving ability, vulnerability to stress & depression & hopelessness & suicidal ideation, college students, 13632
perceived quality of & attributions for difficulties in marriage & problem solving behavior, spouses, 5373
perception of significant other's problem solving style, self perceived effective vs ineffective problem solving, college students, counseling implications, 33268
perceptions of possible & useful photocopier functions, college students vs faculty vs clerical employees, application of problem solving theory, 35657
personal history, solution of obstruction problem, pigeons, 28404
personality development & problem solving & behavior problems, preschool age children with early history of nonorganic failure to thrive, 1993
Piagetian developmental perspective on cognitive demands of genetics problem solving & issues on genetics instruction, high school students, 11430
pictorial prompts, discursive commentaries & problem solving, children, 13038
positive vs negative mood, problem solving, literature review, 36144
practice, RT in component processes of complex mental addition problem solving, college students, 20258
pregnancy & delivery & child development course using problem based learning, correspondence between student generated learning issues & preset faculty objectives, 2nd yr medical students & tutors, 35139
problem based instruction in science course, problem solving processes, gifted high school students, 23658
problem based learning in clinical prevention medicine, perceived vs actual achievement of goals, medical students & faculty, 43071
problem based learning in long distance continuing medical education, 26–40 yr old rural medical practitioners, Ghana & Kenya & Pakistan, 7304
problem classification & working memory span, word problem solution accuracy, children, 37061
problem representation technique as strategy for problem solving based on decomposition into subproblems & statements of goals, implications for artificial intelligence, 19841
problem solving ability, male vs female high school chemistry students, Nigeria, 23552
problem solving ability on sorting task, 42–75 yr olds with frontal lobe lesion vs Korsakoff's syndrome vs amnesia, 18363
problem solving appraisal, association between life stress & depression, college students, South Africa, 25788
problem solving behaviors & performance & genetics concepts during interaction with CATLAB genetics computer simulation, biology experts vs student novices, 28270
problem solving in diagnosis of children's learning problems, experts in educational field, 43310
problem solving in discrimination learning, apomorphine susceptible vs unsusceptible male rats, 12475
problem solving inservice education program, science teaching attitudes & behaviors, middle school science teachers, 11355
problem solving method, transportation & personal hygiene & relationship problems, disabled adjustment services clients, 23284
problem solving model for practicum internship program in counselor education, 27254

problem solving paradigm in dream research, 16382
problem solving safety skills program, prevention of work injuries & generalization to & maintenance in natural work environments, 28–62 yr olds in supported employment service, 15179
problem solving skills training &/vs parent management training, functioning, 7–13 yr olds with severe antisocial behavior & their parents, 6599
problem solving strategies, verbal response to energy environmental issue, environmental experts vs novices, 12256
problem solving training, dietary self management, diabetic 20 yr old female, 3–8 mo followups, 42558
problem solving with Tower of Hanoi puzzle, hearing impaired 17.6–21.6 yr olds, 2356
procedural motor response & declarative learning & problem solving, psychotic inpatients, 21831
psychological basis of problem based learning strategy & curricula, literature review, 15395
qualitative & hierarchically structured expert-like problem analysis, similarity in reasoning & judgments in problem solving & schema acquisition, novice physics students, 44068
reasoning in determining cause of fault in computer hardware diagnosis, experts, 24412
research agenda for individual differences in mathematical problem solving, learning disabled students, 35453
retrospective verbalization of problem solving strategies, insight problem solving performance, college students, 36184
reuse of analogous specification in software engineering, expert analysts, 7761
role of math education & LOGO programing in learning & teaching problem solving skills, elementary school students, Belgium, 15369
Roman code numeral structure, arithmetic task RT, 20–31 yr olds, Belgium, commentary, 16283
scores on Problem Orientation vs Problem Solving Skills Scale of Social Problem Solving Inventory, prediction of year ending GPA, college students, 8060
self instruction vs problem solving training, impulsivity & academic achievement, 5th–6th graders, 31240
self perceived problem solving ability, stress & coping processes, college students, 1462
sentence structure & subject strategy & working memory, errors in solution of verbal problems, adults, Australia, 44063
severity of substance abuse, cognitive capacity & egocentrism & problem solving ability, adolescent substance abusers, 41725
sex & interaction, computer based problem solving, 11–12 yr olds in mixed vs same sex dyads, England, 25111
sex, questioning strategies in problem solving matrices, college students, 44081
Sherlock I tutoring system, dynamic assessment of learners' problem solving proficiency, students, 19479
similarity in problem equation vs structure, algebra word problem classification & solution, college students, 12259
situational context, solving word problems, 1st graders, Germany, 975
small group intervention workshop, application of democratic values & problem solving techniques to everyday community conflicts, police & social workers, Israel, 7315
social goals & self esteem & social problem solving & negative outcomes, aggressive vs nonaggressive male adolescents, 32969
social problem solving & social cognition & other aspects of bullying, primary school age bullies & victims, Australia, 37163
social problem solving skills, social acceptance by same sex peers, 4–5 yr olds, 44974
social problem solving training, skill acquisition & generalization & classroom behavior change, aggressive male 11–12 yr olds, 6 mo followup, 26646
solution of geometric analogy problem in paper & pencil vs computer based test, kindergartners vs 2nd graders, 39251
solution processes & interpretation in division with remainders mathematics problem, 6th–8th graders, implications for semantic processing models, 31324
spontaneous beliefs & intuitive heuristics in & weighted average criterion for prediction of change of probability in solution of problem of 3 prisoners, 306
stability in neural network vs Turing machine dynetic vs other problem solving, 23898
standard word vs contextualized problems in videodisc instruction, problem solving skills, 9th graders in remedial mathematics classes, 47264
state vs trait vulnerabilities & means ends problem solving & suicidality, male prison inmates, 14011
static vs animated visual displays & natural &/vs intentionally mediated feedback, electronic troubleshooting skills in computer based instruction, college students, 27456
strategic planning model for human service delivery based on local level problem solving, 10989
strategic transfer as tool for academic problem solving & classroom learning, 19531
strategies & speed of processing in solution of simple vs complex mental subtraction problems, 18–38 vs 61–80 yr olds, 40811
strategy choices in addition & subtraction & word identification, lower vs middle income 1st graders, 40827
stress inoculation training program with cognitive restructuring & anxiety management & problem solving, 15–17 yr old male high school students, 6824
structure of knowledge in problem solving, college students, implications for expert systems, 40095
subjective vs objective account of problem solving performance in medical diagnosis, 28–61 yr old 1st contact physicians vs specialists, 43105
surface & structural & semantic problem similarity & precedent in use of analogy in legal reasoning, graduate students vs experienced professionals, 43621
systems theory & benefits of structures in creative problem solving, 36181
task complexity, utility of external memory aid in identification of unknown structure in computer simulated dynamic task, college students, application of theory of finite state automata, 31667
task pace, emotional reactivity on problem solving task, Type A 20–41 yr olds, 45235
teaching methods based on problem solving strategies vs syntactic & semantic aspects of writing & feedback, computer programing performance, college students, 47189
teaching of multiple exemplars & self instruction, generalization & response maintenance in problem solving task, severely mentally retarded 30–55 yr olds, 15069
technological change in production process, effectiveness of organizational problem solving processes of preparatory & joint search & functional overlap, global organization, 11687
temperament, rough & tumble play & social problem solving flexibility & affiliation, 8.9–11.5 yr old males, 5203
think aloud protocols in solution of 1 vs 2 vs 3 step mathematical word problem, learning disabled vs average achieving vs gifted 6th–8th graders, 35456
thinking aloud, problem solving, normally achieving vs learning disabled vs developmentally disabled 5th graders & normal vs learning disabled college students, 2007
unfamiliar vs well known programing language, problem solving, experienced computer programers, 43560
use of inferential heuristics in clinical problem formulation, therapists & counselors & other clinicians, 31149
usefulness of Myers-Briggs Type Indicator & Project Planning Situation exercise, assessment of information processing types & problem solving capabilities, male mining personnel, Canada, 24230
Utah's creative problem solving model in development of gifted & talented program mission & goals, 7543
verbalization, individual vs group solution of computer based mathematics problems & transfer learning, 10–11 yr olds, England, 27438
working alone vs in single vs mixed sex pairs, performance on computer based problem solving task in adventure game format, 11–12 yr olds, England, 28927

written curriculum & microcomputer simulation of health information with vs without explicit strategies, health problems, 7th–10th graders with learning disabilities, US & Canada, 27579
I night sleep deprivation, problem solving & task processing & short term memory task, college students, 358
Problem Solving [See Also Anagram Problem Solving, Cognitive Hypothesis Testing, Group Problem Solving]—Books
I Can Problem Solve: An interpersonal cognitive problem-solving program: Intermediate elementary grades, 23521
I Can Problem Solve: An interpersonal cognitive problem-solving program: Kindergarten & primary grades, 15421
I Can Problem Solve: An interpersonal cognitive problem-solving program: Preschool, 15420
Problem posing: Reflections and applications, 39239
Problem solving in open worlds: A case study in design, 7820
Self-regulation theory: How optimal adjustment maximizes gain, 37545
Task strategies: An empirical approach to clinical social work, 15002
Problem Solving [See Also Anagram Problem Solving, Cognitive Hypothesis Testing, Group Problem Solving]—Chapters
Addressing process variables in test analysis, 19978
Aims and methodological problems of an intervention study in gifted and talented girls, 39379
The Analytic Inventive Thinking model, 24439
Apprenticeship training in the workplace: Computer-coached practice environment as a new form of apprenticeship, 11819
Children being scientific and solving problems, 5152
Cognitive psychology and the use of protocols in the understanding of giftedness and high level thinking, 39386
Constraints on the problem solving of persons with mental retardation, 38046
Cooperative problem-solving: A link to inner speech, 27354
Creative problem solving, 44939
Crisis intervention and problem solving, 34661
Decision making and problem solving, 7698
Developmental socio-cultural differences on reasoning tasks, 5149
The effects of graduate training on reasoning: Formal discipline and thinking about everyday life events, 31330
From number to numbers in use: Solving arithmetic problems, 1008
Interpersonal problem solving and social competence in children, 13187
Learning by problem solving in a coached apprenticeship system, 43404
Mathematical misunderstandings: Qualitative reasoning about quantitative problems, 23574
Medical cognition: Research and evaluation, 43030
On not-doing and on trying and failing, 4358
Problem solving and decision making: Life skills for student athletes, 11490
Problem solving strategies: Comparison between Australian and Japanese children, 5147
Representation in problem solving, 32918
The role of expertise in solving arithmetic and algebra word problems by analogy, 21221
Rules and styles of problem solving: Methodological, epistemological and practical context, 44127
Solving multiplication word problems, 3474
Spatial memory structure and capacity: Influences on problem-solving and memory-coding strategies, 467
Sub-symbolic modelling of hand–eye co-ordination, 35691
Team decision-making biases: An information-processing perspective, 37457
Technical, practical and critical OR—past, present and future?, 19745
Thinking visually, 44022
The topography of invention, 24451
Procaine—Serials
cocaine vs procaine, heart rate & cardiac output & arterial pressure & systemic vascular resistance, male rats, 20814
Process Schizophrenia [See Schizophrenia]
Procrastination—Serials
arousal vs avoidance procrastination motivation & closeness to Christmas & rationale for late shopping, mall shoppers, 19787
fulfillment of mandatory experimental participation credit hours early vs late in semester, introverted vs extraverted college students, 41312
Myers-Briggs Type Indicator scores & self efficacy & academic locus of control, academic procrastination, college students, 15437
procrastination & fear of failure, college students, 9632
procrastination & manifest & anticipatory emotional upset, 18–36 yr old engineering students, Israel, 21545
self handicapping vs procrastination tendencies, practice behavior prior to evaluation, 15–18 yr olds, 9263
sex vs fear of failure & task aversiveness, self vs other vs socially prescribed perfectionism vs academic vs general procrastination, college students, 5604
task aversiveness & incompetency & lack of autonomy, procrastinatory behavior vs trait procrastination, 18–48 yr olds, 13537
task plausibility & strictness & source of schedule, academic procrastination, female college students, Israel, 7495
validity of procrastination inventories, traditional vs nontraditional age college students, 11979
Productivity (Employee) [See Employee Productivity]
Profanity—Books
Cursing in America: A psycholinguistic study of dirty language in the courts, in the movies, in the schoolyards and on the streets, 5016
Professional Certification [See Also Accreditation (Education Personnel)]—Serials
certification of sport psychologists, 3158
certification of sport psychologists, commentary, 3210
certification of sport psychology, Great Britain, commentary, 43517
competency & credentialing & standards, gerontological counselors, implications for counselor education, 11317
components of professional credentialing program in behavior analysis, psychologists, 43138
development of & qualifications & certification for addiction psychiatry subspecialty, 15246
development of certification examination in addictive disorders medicine, physicians, 27236
educational background & credentialing, treatment process, recovering alcoholic vs nonalcoholic alcoholism counselors, 35151
historical perspective on certification & licensure & accreditation in school psychology, 27256
influences on development & process for recognition & certification of psychiatric subresponsibilities, conference presentation, 35167
open ended problem solving training, taxonomic level of questioning, orthopedic surgery certification examiners, Canada, 5 yr study, 43039
reliability of American Board of Psychiatry & Neurology Part II oral examination, candidates, 47026
special education coursework requirements for state certification of elementary school counselors, supervisors of teacher certification, 43045
strategies for assessment of criterion related validity of laboratory practitioner certification examinations, medical technologists & laboratory technicians, 35962
Professional Certification [See Also Accreditation (Education Personnel)]—Books
Neurology for the psychiatry specialty board review. Brunner/Mazel continuing education in psychiatry series, No. 2, 11264
Preparation for board certification and licensing examinations in psychology: The professional, legal and ethical components, 27274
Professional Communication [See Scientific Communication]
Professional Consultation [See Also Consultation Liaison Psychiatry]—Serials
Adlerian perspective on consultation issues, adult children of aging parents, 38418
agreement on perceptions of consultation, graduate student consultants & school based professional consultees, 3301

alternatives to barriers to collaboration in provision of school based speech language pathology services, speech language pathologists, 47327
application of psychiatrist G. Caplan's survival mode innovation intervention & other consultation approaches to public mental health organizations, 1990s, 10972
assessment by inpatient geriatric consultation team, mortality rate, hospitalized 70 yr olds & older, 6 mo followup, 30960
attributions for students' classroom problems & preferences for service delivery, teachers, literature review, 47330
behavioral consultation training, remediation of students, behavioral & academic difficulties, school psychology students, 31125
behavioral jargon in written vs videotaped consultation, acceptance of reinforcement vs punishment based interventions, regular & special education elementary school teachers, 47319
behavioral pediatrics consultation program with systemic approach to child behavior problems, family medicine residents, conference presentation, 7302
behavioral vs ecobehavioral perspectives on school based consultation, 43148
career development & consultation needs for international assignment, senior managers & technical staff of multinational organizations, 39414
changes in & need for renewed focus on consultation & education services in community mental health centers, 42791
chemical abuse consultation, prevention of long term abuse & concomitant developmental arrest, college students, 31439
clinical pharmacists' consultations, geriatric drug prescribing practices & patient compliance, clinical pharmacists & physicians & patients 65 yrs old & older, 2805
community consultation & empowerment in AIDS clinical trial integrity & drug development process, 14998
conceptual framework & marketing mindset for blending roles of service provider & service marketer, psychologists & psychological consultants, 27203
conceptual model of & specific program for school based behavioral consultation training program expansion, 7317
conceptual models & application principles for organizational consultation, 43015
construct validity of orderly & sequential stages & activities in educational consultation, consultants, 3277
constructivist approach to learning as conceptual framework for educational & psychological consultation, 43147
consultancy, development of service plan, special education school staff & learning support teachers, 15345
consultation & conceptualization & implementation of social skills training, children, 6636
consultation approaches & coordinating roles in prekindergarten education, elementary school counselors, 15544
consultation as indirect service delivery in school & counseling psychology & organizational theory & special education, literature review, implications for early intervention, 23613
consultation effectiveness, elementary & secondary schools, 1961–89, research review, 3274
consultation in special education with vs without direct instruction, responses, elementary general education teachers of learning disabled students, 43167
consultation psychiatry teaching program with computerized case simulation, 3rd yr medical students, conference presentation, 35147
consultation to family practice physicians & residents about psychosocial values, social workers, Israel, 19340
consultee problem conceptualization & presentation & consultant training, consultant problem definition, 26–40 yr old psychological consultants, 3220
consultee's involvement & consultant's language, acceptability of behavioral consultation with school psychologist, elementary school teachers, 7548
content of earliest edition of predecessor of "Consulting Psychology Journal" & reprint of 1936 statement, 7899
cost & health outcomes of psychiatric consultation letter to primary care physician, adults with somatization disorder, 4–12 mo followups, 10933
cost implications of decision making during consultation, general practitioners, Scotland, 10930
countertransference issues, consultant therapist & critically ill colleague, 23328
C4P4 Checklist as memory aid & organizing technique, consultants, 47018
definition of consultation, consulting psychologists, 11269
determination of client in complex consulting relationship & reasons for choice, professional consultants, 15569
development & implementation of psychosocial support program based on G. Caplan's model of mental health consultation, nursing staff caring for HIV positive patients, 15241
diagnostic & treatment & prevention services of Republic Psychiatric Consultation Center, psychiatric outpatients, USSR, translated article, 34851
E. Schein's process vs content models of organizational consultation, 43025
educational collaboration & relationship to school consultation & characteristics & organizational structure of collaborative school teams, implications for school counselors, 43029
elements for success & limitations of corporate psychology practice, 15228
ethical issues raised by primary prevention activities in mental health consultation & other practice contexts, 7075
experiences in psychological consulting services in management & academic & independent settings, female consultants, 15217
external consultancy, development of professional competence & educated intuition, therapeutic community staff, 43023
facilitator training course, establishment of staff consultation support groups for understanding & management of traditional school problems, teachers & educational psychologists, England, 7391
family systems approach to sports psychology consultation, conflict resolution & cohesion, college athletic team, 47459
group consultant role & leadership & frame of reference & performance in group relations conferences, group analysts, 10616
guidelines for involvement in patient hospice care, physicians, 30880
guidelines for psychometric consultation for nursing studies, 28065
history of APA Division of Consulting Psychology, 1972–92, 39074
history of Division of Consulting Psychology of APA, 1924–72, 7900
history of Division of Consulting Psychology of APA, 1946 to present, 7897
illusion of group immortality, group members, implications for consultants, 13448

Personnel and disciplines in early intervention, 47095

Professional Supervision—Serials

accountability & personal awareness & power & authority in ethical relationship, marriage & family therapy supervisors & supervisees, 3189
attitudes toward training & supervision issues, 28–50 yr old family day care providers, Israel, 19344
cognitive style & experience level, expectations & needs in supervision, counseling vs clinical psychology vs counselor education graduate students, 27265
complementarity & success of supervisory interactions, psychologist supervisors & trainees, 43075
concealment of interpersonal therapeutic reality in supervision, psychotherapist trainees, 19372

conflicting internalizations, development of trainees' professional role, psychoanalytic psychotherapy trainees & supervisors & personal therapists, 35162
conjoint collaborative training & supervision model, client outcome, paraprofessional companion therapists & clients with eating disorders, 3192
cultural differences in psychotherapy supervision experience, psychiatrist trainees & Chinese supervisor with Western orientation, Hong Kong, 39090
desirability & usefulness of subjective vs objective measures of speech language pathology clinical performance, female graduate student clinicians vs supervisors, 3180
development & construct validation of Supervisee Levels Questionnaire-Revised, assessment of level of development, counseling or clinical psychology trainees, test of integrated development model, 12066
development of Termination Scale, assessment of processes of therapist initiated termination of psychotherapy, 24–41 yr old doctoral students in supervised training rotation, 79
developmental model, psychotherapy supervisors, 23413
distance & balance in supervisory relationship in psychoanalytic training, psychoanalyst supervisors & supervisees, 47020
dynamics of supervising process in group psychotherapy training, 47035
dynamics of supervisory relationship & effect on treatment, female supervisor & female therapist treating male or female patients, 42360
emphasis on personal growth vs skill development & considerations of sex & culture in family therapy supervision, therapist trainees, 31133
epistemological shift from structuralism & positivism to postmodernism & relativism as context for live supervision in family therapy, 31102
ethical decision making, social work supervisors, 3168
excellence of supervisory strategies, psychotherapy supervisors, conference presentation, 47041
focal conflict model, analysis of therapeutic processes in supervision of psychoanalytic psychotherapy, therapist trainees & clients, 3164
group supervision in symbolic experiential family therapy, 43 yr old therapist & client family, 2536
induced song recall & dyadic music associations in transference & countertransference, psychotherapist & client & supervisor, 22497
induction program & supervision, newly qualified educational psychologists, questionnaire appended, 19360
integration of intuitive right hemispheric creativity in supervision session for transactional analysis treatment planning, 26429
interaction & supervision in psychoanalytically oriented psychotherapy, supervisors & trainees, 35174
job satisfaction & practice & supervisory skills, administrators & supervisors in American Indian child welfare programs, 11305
leader led small group supervision in individual & couple psychotherapy, 42204
meld experience in role playing clients in supervision, psychotherapists, conference presentation, 39106
national survey on professional supervision training & participation, school psychologists, questionnaire appended, 27259
overview of parallel process theory & relation to parent child dyadic therapy & psychotherapeutic supervision settings, 14 yr old mother & her 3 mo old daughter, 26479
parallel processes & differences in supervision & psychotherapy, 35163
parallel processes & sexuality in supervisory relationships, opposite sex supervisors & social work students, 3183
parallel processes in psychoanalytic supervision of depressed & narcissistically injured patient, female supervisee, 47034
peer consultation process & decision making during group supervision, staff of clinical social work family practice, 3201
perspectives on self perception & ongoing supervision, psychiatric residential treatment center staff, 43037
presentation of self & exploitative need fulfillment as issues for supervision, counseling interns, 3184
professional group supervision, professional identity, 26–49 yr old orthopedic ward nurses, Sweden, 47039
professional identification of master's &/or doctorate level preparation programs with counselor education & supervision vs counseling psychology, program coordinators, 27272
psychoanalytic supervision & need for aloneness in development of professional self, psychoanalytic supervisees, 7323
self supervision training, communication disorders specialists, 35140
separation & individuation & autonomy vs dependency issues in psychotherapy supervision, supervisors & trainees, 3208
stage of professional development, causes of professional disillusionment & advice for supervisors, elementary school teachers, Canada, 3314
stone sculpting workshop as countertransference training & supervisory technique, psychotherapists, 23379
supervision, beginning vs advanced counseling or psychotherapy graduate students, 27258
supervision in psychoanalytic case research, psychoanalytic candidates, 27231
supervision-of-supervision videotapes, training & supervision, clinical trainees, 7321
supervisor relationship intention & supervisee reactions, female 30 yr old counseling supervisee & her supervisor, 19368
supervisory perspective on psychodynamic factors in therapist client interaction during psychological assessment after suicide attempt, 25 yr old male & hospital staff, England, 30942
supervisory vs experiential group psychotherapy training, group psychotherapists, commentary, conference presentation, 7312
supervisory vs experimental group psychotherapy training, group psychotherapists, conference presentation, 7320
symbolic experiential family therapy concepts as clinical supervision tools, supervisees & supervisors, 35127
teach or treat controversy & relational context & processes in psychoanalytic supervision, clinical psychology graduate student & her supervisor, 11256
teach or treat controversy & relational context & processes in psychoanalytic supervision, clinical psychology graduate student & her supervisor, 11256
training in fundamentals of clinical supervision, master's level counseling students, 3162
transference & countertransference & projective identification & role responsiveness in clinical supervision, 35164
transtheoretical perspective on anxiety in psychotherapeutic training & supervision, 35143
use of audio & videotape recordings of therapy sessions in supervision & practice of dynamic psychotherapy, 2572

Professional Supervision—Books

Interactional supervision, 31137

Professional Supervision—Chapters

Clinical supervision of substance abuse therapy, 11266
Dangerous liaisons: Sexual intimacies in supervision, 31138
Some transference–countertransference issues of the supervisory situation: A dream about the supervisor, 43087
Supervising pastoral counseling, 35177
Supervision: A way of teaching and learning, 3212
Supervision and instruction in doctoral psychotherapy integration, 43086
Supervision and instruction in postgraduate psychotherapy integration, 43088
Supervision of substance abuse counselors, 11267
Training and supervisory issues in the assessment and management of the suicidal patient, 27277

Professors [See College Teachers]

Profiles (Measurement)—Serials

age & IQ, California Psychological Inventory profiles, male 18–33 yr old enlisted Army personnel planning vs not planning to reenlist, 39556
construction of uncorrelated discretely distributed artificial profiles for judgment analysis, 8132

correlation of Sense of Coherence scale & Sickness Impact Profile, assessment of self rated coping ability & functional status, 26–40 vs 41–55 vs 56–70 yr olds, Sweden, 31896
development & implementation of Colorado Individual Performance Profile for determination of service options, hearing or visually impaired students, 159
development & reliability & validity of Lancashire Quality of Life Profile, evaluation of community & social care services, mentally ill, England, profile appended, 39872
development & reliability & validity of Personal Independence Profile, assessment of independence & control & self reliance & functioning & environmental resources, physically disabled 17–84 yr olds, 3962
development & use of Maternal Risk & Maternal Advantage Profiles, prediction of adequacy of parenting by mentally retarded parents, health care professionals, 14086
development & validity of Preschool Socioaffective Profile, assessment of affective expression & social competence & adjustment, 2.3–6.3 yr olds, Canada, 11965
development of self report Family Profile, 18–91 yr old family practice patients, application to family medicine research & practice, 20031
diagnostic sensitivity of P. A. Fuld's cholinergic profile of WAIS-R subtests, 55–87 yr olds with Alzheimer's disease, longitudinal study, 4113
distinctiveness of IQ test criteria profiles, differential diagnosis, learning disabled vs slow learning 6–13 yr olds, 38030
Index of Profile Agreement & associated coefficient, assessment of self & other ratings of personality profiles, 20–90 yr olds, 43730
K-ABC vs WISC-R vs Fourth Edition Stanford-Binet Intelligence Scale profile elevation & shape & variability, prediction of achievement scores, 6–12.5 yr olds, Canada, 11964
labeling & treatment & other issues in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, assessment of emotional problems, children, commentary, 43774
MMPI profiles & time since onset, patients with generalized anxiety vs panic disorder, 5952
MMPI profiles & time since onset, patients with generalized anxiety vs panic disorder, erratum, 41645
MMPI profiles, females with incestuous offending vs alcoholic husbands, 1849
MMPI profiles, 18–65 yr old male batterers, 1818
modifier & correction indices of Millon Clinical Multiaxial Inventory, base rate scores & profiles, psychiatric patients, 39816
profiles on Child Behavior Checklist & Teacher's Report Form & Youth Self Report, emotionally disturbed & learning disabled children & adolescents, literature review, 43775
profiles on Child Behavior Checklist & Teacher's Report Form & Youth Self Report, emotionally disturbed & learning disabled children & adolescents, reply to commentary on literature review, 43776
psychological profile, 20–73 yr old somatizing patients referred to integrative clinic, 6218
reading & spelling & arithmetic ability profiles, children with developmental language disorders vs learning disabilities, 25663
redundancy vs canonical correlation analysis in reliability assessment of multivariate profiles, 43695
reliability & validity of Sickness Impact Profile, assessment of health status, research review, 8051
reliability & validity of syndromal assessment in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, children with behavior problems, commentary, 43772
reliability of translated Wheatley Stress Profile, 18–55 yr olds with anxiety disorders or depression or agoraphobia, China, conference presentation, 24126
scores on subscales of University of Rhode Island Change Assessment Scale, cluster analysis of stages of change profiles, 18–60 yr olds in outpatient alcoholism treatment, 46917
sex, validity & meaning of MMPI profile & comparison with adult based interpretations, 12–17 yr old Black or White psychiatric patients, 4095
similarity of factor structures of Career Decision Scale & Career Factors Inventory & Career Decision Profile, college students, 31998
testing & refinement of Leadership Effectiveness Assessment Profile, measurement of leadership & management potential & job commitment, Air Force officer cadets & junior officers, technical report, 28098
use & evaluation of Child Behavior Checklist & Teacher's Report Form & Youth Self Report Profiles & other behavior rating scales, children with behavior problems, commentary, 43755
utility & validity of Megargee-Bohn MMPI typology, relation of profiles to demographic & historical data & clinical problems & physical aggression, hospitalized mentally ill offenders, 41484
utility of Sickness Impact Profile, assessment of general health & functional ability, patients with Parkinson's disease, 144
validity of Speech Disorders Classification System & Articulation Competence Index & Speech & Prosody-Voice Profile, children with developmental phonological disorders, application to genetics, 24148
WAIS profiles, acute closed head injured vs psychiatric patients, 33472
Wheatley Stress Profile, quantification of stress factors, clinic patients, conference presentation, 24161

Profoundly Mentally Retarded—Serials

active treatment program, nonadaptive behavior during leisure periods, severely or profoundly retarded adults in residential unit, replication, 23149
anatomical explanation for self injurious aggressive stereotypic movements, profoundly retarded 29–44 yr olds, 18115
behavioral continence training, bladder control & self initiated toileting, severely & profoundly mentally handicapped 18–29 yr olds, 10 yr followup, 22576
behavioral techniques based on functional analysis, reduction of self injurious behavior, profoundly mentally handicapped male 17 yr old, 6585
blacklight as visual stimulation, performance in tracking & reaching tasks, profoundly mentally retarded 11–21 yr olds with multiple handicaps, 29969
caloric intake & weight & self injurious behavior, male vs female 22–46 yr olds with profound or severe mental retardation, implications for endogenous opioid system, 6167
cessation of long term naltrexone, self injurious behavior, profoundly mentally retarded female 28 yr old, case report, 46431
cognitive & motor ability & expression of communicative functions & physical & social communicative environment, profoundly mentally retarded 23 yr olds & older, Sweden, 22125
community placement success, 22–40 yr olds with profound mental retardation & complex epilepsy, 42769
contingent shock intensity, severe self injurious behavior, blind profoundly mentally retarded female 24 yr old, 46308
contingent water mist treatment, cyclical self injurious slapping behavior, profoundly retarded 45 yr old female with possible rapid cycling bipolar disorder, 38474
development of measurement & interpretation procedures, assessment of behavior state patterns, 2.4–19.7 yr old students with severe & profound multihandicaps, 35963
dining skills by professional & direct care staff in normalized group setting, profoundly disabled 28–45 yr old residents, 1 & 2 mo followups, 30910
environmental & biobehavioral state variables, orienting responses, profoundly mentally disabled 8–20 yr olds, 14082
functional analysis & treatment, multiply controlled self injurious behavior, female & male profoundly mentally retarded 19 & 37 & 40 yr olds, 42298

functional communication training with vs without extinction or punishment, destructive behavior, inpatients with profound mental retardation & language skill deficits, 30359
group cognitive behavioral treatment, self blame & guilt, mothers of moderately to profoundly mentally retarded children, 38509
handedness, nonspeaking 8–37 yr olds with moderate or severe or profound mental retardation, 22128
high probability instructional sequence with vs without escape extinction, compliance & self injurious behavior, female 33 yr old with profound mental retardation, 30375
individual teaching vs room management, individual instruction, 20–30 yr olds with profound or moderate mental handicaps & aphasia, 3008
interaction with special health service residential unit staff, 16–38 yr olds with profound intellectual disability, England, 34920
linear vestibular stimulation, body rocking behavior, institutionalized profoundly mentally retarded adults, 9 wk followup, 14750
major tranquilizers vs sedative vs anticonvulsant drugs, 2–55 yr olds with profound intellectual disability & multiple physical impairments, England & Wales, 22730
methods for functional assessment of stereotypic behavior, severely to profoundly mentally retarded 23–46 yr olds, 2045
move from hostel to small group homes, quality of life, adults with severe or profound mental handicap, 2 yr study, 2911
multiple component behavioral interventions, maladaptive responses, 18 yr old male & 10 yr old female with dual sensory impairments & profound mental retardation, 34439
naltrexone & Self-Injurious Behavior Inhibiting System, profoundly mentally retarded 28 yr old male with severe self injurious behavior, case report, 14722
neuroleptic induced akathisia, female profoundly mentally retarded 40 yr old, 46432
perceptions on facilitating friendships between disabled & nondisabled students, teachers of students with moderate to profound disabilities, 43320
phenobarbital, exacerbation of self injurious behavior, profoundly mentally retarded male 35 yr old with tonic-clonic seizures, case report, 14713
picture board vs voice output communication aid, preferred communication device & communication skill acquisition & generalization, profoundly mentally retarded male 22 yr old, 41880
prelinguistic intentional communicative behaviors, profoundly mentally retarded 6–12.7 yr olds, 6168
prevalence & diagnosis of Gilles de la Tourette disorder, severely or profoundly mentally retarded male 35 & 52 & female 27 yr olds, 26080
psychological & behavioral & physiological & neurochemical theories & compulsive behavior hypothesis of self injurious behavior, severely or profoundly mentally retarded, 45842
reinforcement & extinction components of DRO, self injurious behavior, female severely or profoundly mentally retarded 32 & 40 & 42 yr olds with or without Down's syndrome, 42294
reliability & validity of Papcsy-DePaepe Dynamic Balance Test vs Bruininks-Oseretsky Test of Motor Proficiency, assessment of dynamic balance, severe & profoundly mentally retarded, 35881
reliability of acuity card procedure, assessment of visual ability, severely or profoundly mentally retarded 1–63 yr olds, 39761
reliability of structured interviews for assessment of challenging behaviors, severely to profoundly intellectually disabled 14–40 yr olds, 45848
sensory integrative approach to treatment, self injurious behavior, profoundly mentally retarded 41 yr old female, 34438
staff management procedures, time spent on target categories, stimulative custodial care & training for severely & profoundly retarded clients, residential staff, 39103
structured interview vs observational method, assessment of complexity & frequency of communicative behaviors, profoundly mentally retarded adolescents & adults, 29965
teacher mediated instruction vs peer mediated social interaction, motor responses, profoundly mentally retarded 11–12 yr old females, 31366
teacher perceptions of value of standardized &/vs functional ecological assessment procedures for educational program development, legally blind severely mentally retarded male 8 yr old, 15495
thioridazine &/vs visual screening, stereotypy & social behavior, profoundly mentally retarded 12–14 yr olds, 46149
training in manding & use of communicative request gestures, severely or profoundly mentally retarded 14–32 yr olds, conference presentation, 22621
validity of facilitated communication, severely or profoundly mentally retarded 21–74 yr olds with or without autism, 46967
valproic acid, nonaffective aggression, 55 yr old mildly retarded & 34 yr old profoundly retarded females, 10699
verbal communication with special health service residential unit staff, 16–38 yr olds with profound intellectual disability, England, 34921
verbal praise vs music reinforcement, soccer kicking performance, profoundly mentally retarded 10–17 yr olds, 22590
verbal praise with vs without music vs vibratory reinforcement, independent physical fitness performance, profoundly mentally retarded 10–18 yr olds, 30370

Profoundly Mentally Retarded—Chapters

This isn't a program, this is our home: Reflections on the over-professionalized approach to caregiving, 41888

Progestational Hormones [See Also Progesterone]—Serials

attitudinal & behavioral patterns & developmental issues in use of mifepristone as abortion method, adolescents, 14855
medroxyprogesterone acetate, sexual activity & motivation, castrated testosterone implanted male cynomolgus monkeys, 44680
perceptions & acceptability of mifepristone for early pregnancy interruption, adult females, US & France & UK & developing countries, 14810
progestin metabolites in ventral tegmental area & progesterone stimulation to ventral medial hypothalamus, sexual receptivity, ovariectomized estrogen primed female hamsters, 40576
tamoxifen with vs without estradiol benzoate, lordotic behavior & progestin receptor synthesis in hypothalamic preoptic tissue & agonist vs antagonist action, female mice, 28743

Progestational Hormones [See Also Progesterone]—Chapters

Neuroanatomical relationships of substance P and sex steroid hormone-sensitive neurons involved in sexual behavior, 24731
Role of estrogens and progestins in the development of female sexual behavior potential, 4693

Progesterone—Serials

benextramine, progesterone induced termination of sexual receptivity, female rats, 20832
circulating estradiol & progesterone changes during simulated gestation, pain threshold & opioid mediated analgesia, ovariectomized female rats, 28610
cortical allopregnanolone bioconversion & GABA-A receptor functioning, anxiolytic effect of progesterone, ovariectomized female rats, 40528
estradiol benzoate & progesterone vs 5 alpha-dihydroprogesterone, lordosis, ovariectomized CD-1 vs SW female mice, 44676
estrogen vs progesterone with vs without chronic sucrose & estrous cycle phase, tailflick latency & nociception, ovariectomized female rats, 12778
estrous cycle & estrogen &/vs progesterone, burying behavior & anxiety, female normal or ovariectomized rats, 28705
glutamate receptor antagonists, progesterone vs LH releasing hormone induced sexual receptivity, estradiol primed ovariectomized female rats, 12780
interaction of estradiol & testosterone & progesterone, aggression, female rats cohabitating with sterile male rats, 12725

lateral ventricle mu vs delta vs kappa opioid receptor agonists, lordosis & other sexual behavior, ovariectomized female rats primed with estrogen with vs without progesterone, 28766
medroxyprogesterone acetate & group & individual psychotherapy, 16–78 yr old pedophiles & rapists & exhibitionists, 10453
number of days of restraint induced stress, plasma estradiol & corticosterone & progesterone, inseminated female rats, 4719
progesterone & dihydrotestosterone, androgen dependent sex behavior & morphology & in vitro binding of cystolic androgen receptors, male whiptail lizards, 44666
progesterone & estradiol induced lordosis, single neuron activity from septal or amygdaloid or other limbic regions, female hamsters, 752
progesterone & estradiol, maternal reinforcement effect on behavior, nulliparous vs multiparous nonpregnant female marmosets, application of operant paradigm, 24964
progesterone, computer analyzed EEG activity, female 38 yr old with PMS, case report, 22928
progestin metabolites in ventral tegmental area & progesterone stimulation to ventral medial hypothalamus, sexual receptivity, ovariectomized estrogen primed female hamsters, 40576
serum estradiol & progesterone & menstrual distress & headache activity throughout menstrual cycle, 26–46 yr old females with migraine headache, 22173
short vs long photoperiod & progesterone &/vs estrogen, lordosis & aggressive behavior, ovariectomized female hamsters, 700
time between pregnancy termination & pup exposure & prolonged estrogen & progesterone treatment, maternal behavior & aggression, nonpregnant ovariectomized female rats, 32519
2-deoxyglucose induced metabolic stress, plasma progesterone & cortisol, schizophrenic males, 13758
6 wk progesterone & estradiol treatment & vaginal stimulation, lactation & maternal acceptance of orphan or triplet lambs, anestrous ewes, 4515

Progestins [See Progestational Hormones]

Prognosis—Serials

age at onset & cognitive impairment at baseline, rate of progression of cognitive & functional/behavioral decline & prognostic factors, male vs female elderly with Alzheimer's disease, 26308
age, EEG slowing & diagnostic & prognostic value, 20–91 yr olds & patients with Alzheimer's disease, 1 yr followup, 22399
age of onset of motor & vocal tics & severity, prediction of disease course & severity, monozygotic twins concordant for motor or vocal tics or Tourette's syndrome, 38253
anagraphical & neurological prognostic factors in recovery from & therapy for aphasia, literature review, 30162
attributes & classifiers of prognosis of long term social adaptation & work fitness, patients with episodic schizophrenia, translated article, 33614
borderline personality, prediction of clinical outcome, females with eating disorders, 3 yr followup, 6191
characteristics & prognosis, patients with major depression from functional vs dysfunctional families, 13736
circumstances of sexual abuse & guilt & shame, prognosis for positive hypnotherapeutic outcome, adult female survivors of rape or childhood sexual abuse, 10762
clinical course & prognostic significance of symptoms, patients with major depression &/vs dysthymia, 5850
clinical decisions & prognosis for treatment of duodenal atresia in infants with Down's syndrome, pediatricians & family practitioners & pediatric surgeons, 2828
correlates & treatment & outcome, 6–18 yr olds vs adults with obsessive compulsive disorder, 25875
course & prognosis, patients with tardive dyskinesia, Canada, 10 yr followup, 21739
diagnostic & prognostic value of cognitive assessment, infants with West syndrome assessed before onset vs during acute stage, 28 mo to 5 yr followups, 38248
DSM-III-R & ICD-10 diagnostic groups, treatment planning & prognosis, 22466
EEG patterns & prognosis of cognitive decline, 55–91 yr olds with Alzheimer's disease, Scotland, 1–4 yr followup, 38210
ego functioning & stressful life events & social support, prediction of outcome, 18–45 yr olds with anorexia or bulimia nervosa, 1–3 yr followup, 2083
factors in prognosis & recovery, brain damaged 1.5–15 yr olds with acquired aphasia, longitudinal study, 30217
long term course & predictors of outcome of chronic schizophrenia, 17781
methodological problems limiting findings of deterioration from course & outcome & predictor data, schizophrenic patients, commentary on 2–10 yr followup, letter, 1736
methodological problems limiting findings of deterioration from course & outcome & predictor data, schizophrenic patients, reply to commentary on 2–10 yr followup, letter, 1713
MMPI profiles & psychological factors, prognosis & long term prediction of functional level, 21–57 yr olds with lower back pain, Sweden, 6203
multivariate risk profile model, prediction of clinical depression onset, 20 yr olds & older admitted to medical long term care facility, 1 yr study, 38950
neuroradiologic variables vs initial aphasia examination, prediction of language recovery, patients with global aphasia, 1 yr followup, 30214
parental ratings & family variables & stressful experiences, prediction of outcome & course of behavioral & emotional problems, 4–16 yr olds, 3 mo study, 9738
population analysis of monogenic vs polygenic models of genetic transmission, schizophrenic patients & their 1st degree relatives with good vs poor schizophrenia prognoses vs psychoses, Yugoslavia, 21824
predictors of outcome, schizophrenic patients, Singapore, 10 yr followup, 1740
prognosis & atypical symptoms & familial vs sporadic distinction & other factors, untreated schizophrenic patients, 1925, Sweden, 21813
prognosis & course of depression, offspring of depressed parents, 2 yr followup, 5849
prognosis of depression, adults with Down's syndrome, England, 29963
prognosis of major psychiatric disorders, 16–40 yr olds with ischemic stroke, Sweden, 13–26 yr followup, 22319
prognostic factors, 14–40 yr olds with bulimia, 5 yr followup, England, 26120
prognostic power of brief measure of parent & family expressed emotion, prediction of 1 yr posthospitalization outcome, 7–14 yr old inpatients with depressive disorders & their parents, 20016
prognostic significance of index episode of affective disorder vs schizophrenia with delusions, 13–20 yr old psychiatric inpatients, France, 5 yr followup, 17698
prognostic validity of negative symptoms, 15–44 yr olds with 1st episode schizophrenia, 18 mo study, 21809
risk factors predicting time to nursing home admission & death, elderly with Alzheimer's disease vs vascular vs other dementias, 42039
risk for outcome & prognosis of psychiatric disorders, 4–12 yr olds, Canada, 4 yr followup, 9727
somatic & psychiatric symptoms & prognosis & relapse, schizophrenic patients, 3 yr study, application of J. Jackson's hierarchical theory of mind brain correlation, 25844
spatiotemporal organization of cortical EEG & prognostic characteristics, patients with head injuries, translated article, 45925
symptoms & other clinical predictors of 1 yr outcome, schizophrenic patients, 29703
Type A behavior & related psychological factors, 1st yr prognosis, 38–64 yr olds with myocardial infarction, 30153
utility of components of borderline personality construct, prediction of response to psychotherapy, bulimic patients, 46229
validity of prognosis on cognitive & social & emotional development of 4th & 5th graders with learning problems, education students vs school psychologists vs special education school directors, 43329

Prognosis—Chapters
Assessment of morbidity and mortality risk in the overweight patient, 6279
Negative symptoms in schizophrenia: Their relation to development and long-term prognosis, 1752
Traumatic brain injury: Outcome and predictors of outcome, 18437

Program Development [See Also Educational Program Planning]—Serials
administrative & logistical & funding aspects in establishment of level III/IV medical/psychiatry hospital unit, 15039
adoption & maintenance rationale & perceived objectives for worksite health promotion programs, senior managers & health professionals, Canada, 38785
application of quality improvement theory to mental health program planning, 42693
community outreach program in transitional planning, deaf & hard of hearing students, 14979
comprehensive approach to school based mental health programs, 43362
conceptual model of & specific program for school based behavioral consultation training program expansion, 7317
design & implementation & evaluation of training program, performance in inspection of precision metal components, manufacturing employees, 39427
development & assimilation of supported education program into clubhouse model of psychiatric rehabilitation, mentally ill, 23182
development & evaluation of behaviorally based sexual harassment training program, college students & faculty & staff contacts, 35482
development & evaluation of community drug prevention program for at risk youth, case counselors & clients, 7226
development & strategies of community support program, long term mentally ill, 7104
development of & standards for Gateway House clubhouse program, chronically mentally ill, 23202
development of integrated hospital based case management program, at risk foster children & chemically dependent & adolescent mother child dyads, 46883
development of interagency inservice training curriculum & program, psychosocial rehabilitation staff, 3200
development of interdisciplinary treatment approach in rehabilitation center, England, 19180
development of multi-institutional followup system for health service provision & early intervention, at risk very low birthweight infants & their families, 10964
development of national system for competence evaluation by peers & managed care & hospital & state level programs, physicians, 31184
development of rehabilitation family therapy model, rehabilitation patients & their families, 7181
development of sex education program & training & attitudes, staff of service organization for mentally handicapped, Ireland, conference presentation, 30851
development of state funded augmentative & alternative communication services, clients with severe communication disorders, 15188
development of state wide mental health program for hearing impaired, female sexually abused deaf patient, 30750
elements of generic business plan in day treatment program planning process, 38973
emotional distress & PTSD & other psychological consequences of natural disaster, residents, Colombia & Ecuador, implications for service delivery planning, conference presentation, 29553
establishment of community clubhouse programs in Massachusetts, mentally ill, 23183
ethics & social sensitivities & political forces in planning & implementation of government sponsored household HIV seroprevalence survey, 22280
factors in creation of community & education based intergenerational programs, youth & elderly, 2903
general service plans, service provision, clients with intellectual disabilities, Australia, 34828
harm free models, effectiveness & reduction of negative outcomes, children in out of home care, conference presentation, 14973
historical & future contributions of research & evaluation to restructuring of public mental health services, 19013
history & development of Baffin Psychiatric Consultation Service, Eastern Canadian Arctic, 46824
implementation of church based smoking cessation program, inner city African American 20 yr olds & older, 46947
integration of theory & research in primary prevention programs, substance abuse clients, 30998
issues in & development of sexual assault peer education programs, college students, 43231
lifestyle development process planning model, 7 & 8 & 34 & 53 yr olds with severe intellectual disabilities, Canada, 15072
local & federal developments in administration of substance abuse treatment & HIV reduction programs, 46914
mental heath promotion program development, South East Asian refugees, US, 38809
mystique & misperceptions & characteristics & guide to use of theory in health education, application to program development, 10907
peer based health advocate program development, college students, 43175
planning & evaluation of participation in primary health care, females, 10938
quality of life approach to program planning & evaluation of services, disabled persons, 46820
redesign of mental health & substance abuse outpatient program of Harvard Community Health Plan, staff & members, 34850
self care arrangements & service needs, families with school age children, implications for program development, 29244
service integration vs functional approach, development of interagency collaborative system of community care, severely emotionally disturbed children & adolescents, 34878
service planning issues in indirect assessment of geographic differences in need for alcohol or drug abuse or mental health services, 2377
smoking cessation recruitment & program design considerations based on social marketing theory, college students, 46910
societal & organizational factors, psychiatric program development, Hispanic mentally ill patients, 23155
strategic planning approach to mental health services in HMO, 42704
strategy formulation in creation & implementation of community clubhouse program, mentally ill, 23200
structural characteristics of effective correctional rehabilitation, 11201
trends in development of alcohol & drug treatment services in Ontario, 1979–89, Canada, 31015
use of patient goal setting & recovery progression, partial hospitalization program development, psychiatric patients, 7150

Designing health communication campaigns: What works?, 2848

Program Development [See Also Educational Program Planning]—Chapters
Developing a comprehensive health promotion program to prevent adolescent drug abuse, 11166
Developing a school outreach program, 15543
Developing and implementing CRM programs: The Delta experience, 39436
Ecological perspectives on the implementation of integrated early childhood programs, 19093
Empowerment and social change: Health promotion within the Healthy Cities Project of WHO: Steps toward a participative prevention program, 2860
A falls prevention program for the acute care setting, 7171
Guidelines for use in team-training development, 15624
Issues of program design and implementation, 27058
Model programs and service delivery approaches in early childhood education, 11448

Pregnancy prevention in early adolescence: A developmental perspective, 30732
Rationale and conceptual framework, 30788
Service organisation and planning, 15007
Solving environmental problems: A behavior change perspective, 3849
State hospital operation of a community program, 27053
Sustaining positive changes: The future development of the Residential Support Program, 42804
Teaching thinking: Past and present, 23526
Toward effective treatment models for special populations: Criminal, pregnant, adolescent, uninsured, HIV-positive, methadone-maintained, and homeless populations, 15167
Translating policy into practice, 38899
Program Evaluation [See Also Educational Program Evaluation, Mental Health Program Evaluation]—Serials
activity programs in day services of adult training centers, mentally handicapped, Wales, 23197
assessment of nongovernmental sexually transmitted disease/AIDS education & prevention programs, marginalized groups, developing countries, 6983
attitudes toward & evaluation of Individual Program Planning System for mentally handicapped patients, hospital staff & multidisciplinary team members, England, 15061
attitudes toward & strategy effectiveness of bicycle helmet promotion campaign, parents of 5–18 yr olds, 38779
behavior change in & process evaluation & outcomes & theoretical bases of community based health promotion & disease prevention programs, 6986
blinded HIV seroprevalence study to evaluate inner city public prenatal & family planning center's targeted HIV screening program, mostly Hispanic females, 22992
client confidentiality & issues in S sampling & recruitment process for survey used in health & social services program evaluation, AIDS patients, 30748
comparative research design for study of effect of computerization on social work practice & program effectiveness in human service agencies, 46823
computer based community education monitoring system for programs aimed at cardiovascular disease risk reduction, 34783
computerized drug prevention & treatment program evaluation, therapeutic community, 42966
content analysis of written behavior management programs for treatment of behavior problems, 10543
county job training programs, welfare spell length, families receiving Aid to Families with Dependent Children, 30820
creation & facilitation & evaluation of support groups, health care professionals & social workers with HIV & AIDS clients, 38673
customization & implementation of training program evaluation in organization, 15616
design & implementation & evaluation of training program, performance in inspection of precision metal components, manufacturing employees, 39427
design & methodology in evaluation of comprehensive community drug risk reduction intervention, 19226
development & evaluation of behaviorally based sexual harassment training program, college students & faculty & staff contacts, 35482
development & evaluation of community drug prevention program for at risk youth, case counselors & clients, 7226
development & utility of state level human service program evaluation model, nursing home residents with psychiatric disabilities, 19128
effectiveness of community early childhood programs as delivery sites for early intervention & special education, 25–70 mo olds with various disabilities, 31372
effectiveness of Drug Abuse Resistance Education program, 5th graders, 39212
effectiveness of HIV & AIDS awareness campaign, 17–19 yr olds, Norway, 7009
effectiveness of test user orientation program, familiarity with employment testing issues, service station managers, 15629
efficacy & use of different approaches to privatization & purchase of service contracting for human services, 1990s, 42686
environmental indicators of health attitudes & behavior in evaluation of community based health promotion programs, 26950
evaluation & accountability of school counseling services, schools in midsize public school district, 35503
evaluation & implementation of physician office based cholesterol management program, coronary heart disease risk, adults, 6989
evaluation in development of residential service, mentally handicapped adults, 3018
evaluation of after school alcohol & drug use prevention program, precursors of drug abuse, latchkey K–6th graders, 3383
evaluation of chronic pain program, referring family physicians of 20–84 yr old program inpatients, Canada, 30929
evaluation of community action programs for alcohol health promotion, community residents, New Zealand, 11107
evaluation of community based comprehensive social work program, self sufficiency, adolescent mothers receiving Aid to Families with Dependent Children, 14983
evaluation of community based prenatal care outreach programs, 38867
evaluation of community wide research program with educational intervention, prevention or delay or moderation of alcohol use, 6th graders, 35318
evaluation of effectiveness of developmental toddler educational care program, 2–5 yr olds, Korea, 39224
evaluation of Federal Aviation Administration hiring & training program, air traffic control specialists with military experience, technical report, 11621
evaluation of minimal intervention cardiovascular health promotion program, adults with cardiovascular disease undergoing angioplasty, 7006
evaluation of National Campaign Against Drug Abuse involving state jurisdictions & federal government, Australia, 11129
evaluation of parent education program for primary prevention of child abuse, 17–21 yr old mothers, 14630
evaluation of primary drug & alcohol prevention program, child & parent outcomes, 4 yr olds & kindergartners & their mothers, 3099
evaluation of residential halfway house probation enhancement program, 17–32 yr olds, 15205
evaluation of risk assessment implementation, child protection agencies, 10983
evaluation of secondary school primary prevention program, knowledge & attitudes & behavioral intentions regarding wife assault & dating violence, 9th–13th graders, Canada, 19641
evaluation of self management program, interaction with mentally retarded clients, 21–32 yr old vocational rehabilitation staff, 46956
evaluation of Substance Use Prevention & Education Resource II program, 10–18 yr olds at risk for drug abuse & their parents, 3066
evaluation of telescopic system assisted driver program, visually impaired drivers, 27120
evaluation research in risk communication programs, 13223
framework for evaluation of outdoor development programs, managers, 7604
government program, drug abuse profile & recidivism rate & rehabilitation & preventive drug education, Malaysia, 7249
life skills training program, 22–69 yr old mothers of developmentally disabled 2–14 yr olds, 20–26 mo followup, 26647
management & evaluation of executive development process, managers, 31527
methodological issues in evaluation of child development health visiting program, families under social stress & their 3–27 mo olds, UK & Ireland, 2 yr study, 6977
methodology of cross cultural program evaluation in business, 11599
nature & usefulness of process evaluation techniques for corrections based drug treatment programs, prisoners, 43002
perceptions of purpose of program evaluation & information needs in health care settings, nurses in decision making positions, 31146

planning & evaluation of participation in primary health care, females, 10938
point & interval estimation & other analyses of mediated effects in health promotion & school based drug prevention programs, adults & 6th–7th graders, 38358
postmodernist approach to program evaluation in E. G. Cuba & Y. S. Lincoln's book "Fourth Generation Evaluation", commentary, 7894
process & outcome evaluations of peer education programs, college student paraprofessionals, 43192
process evaluation of health promotion & disease prevention programs, 38756
process evaluation of primary care office based system for cancer prevention & screening, physicians & medical office personnel, 38807
quality of life approach to program planning & evaluation of services, disabled persons, 46820
quality of life model for evaluation of transition programs, handicapped, implications for research & program development, 46954
rate of needle return in needle exchange program, iv drug abusers, implications for HIV prevention, 23249
ratings of success of social support program Big Brothers Big Sisters, parents of child clients, 7092
Stay SMART drug prevention program with vs without booster program, 13 yr old members of Boys & Girls Clubs, 3 yr study, 42960
tracking methods & strategies in AIDS prevention program effectiveness assessment, gay or runaway male 11–18 yr olds, 4 yr study, 4212
treatment outcome assessment & continuous quality improvement in psychiatric hospital program evaluation, psychiatric patients, 46891
use of patient attitudes & morbidity questionnaire for evaluation of nurse run asthma clinic, 3–83 yr olds with asthma, 12 mo followup, 10971
validity of measures & research program of biopsychosocial HIV studies incorporating patient's perspective, military protocol advisor & participant advisory panel & focus groups, 30107

Progressive Relaxation Therapy—Serials

autogenic &/vs progressive relaxation training, 11–21 yr olds with headaches 1st assessed & treated as children, 38–55 mo followup, 22852
group vs individual behavioral therapy vs progressive muscle relaxation, outpatients with obsessive compulsive disorder, 30358
hatha yoga vs progressive relaxation therapy, heart rate & BP & physical self efficacy & self esteem, female college students, Japan, 20352
hypnotic susceptibility & stress management techniques of progressive relaxation vs hypnosis vs deep abdominal breathing, skin temperature & pulse rate, nursing students, 28636
isometric squeeze relaxation vs meditation, absorption & focusing & anxiety, 19–54 yr olds, 26583
progressive muscle relaxation training & other psychological techniques, adverse side effects of chemotherapy, cancer patients, 2745
progressive muscle relaxation training concurrent vs nonconcurrent with psychological stressor, cardiovascular reactivity to stressor, 46–67 yr old patients in cardiovascular rehabilitation, 6867
progressive relaxation, locus of control & self esteem, institutionalized 65–93 yr olds, 23099
progressive relaxation technique in hypnotherapy, adult female with severe agoraphobia, case report, 34615
progressive relaxation training, headaches & fear of failure & school problems, high school students, Netherlands, 22872
progressive vs imaginal relaxation training, anxious elderly, 1 mo followup, 2517
self management with vs without progressive relaxation techniques, symptom severity, asthmatic children, Spain, 42575
suggestibility & imaginal vs progressive relaxation training, relaxation, college students, 36661

Project Follow Through—Chapters

Project Follow Through: Intent and reality, 35339

Project Head Start—Serials

clinical profiles & need for special education kindergarten placement, Head Start children with disabilities, 3 yr study, 43327
involvement in Head Start & role in public policy & program development, fathers, literature review, 27446
leadership training program emphasizing change, perceived competence & quality of teaching & work life & organizational climate, Head Start personnel, 27366
national policy & funding issues in Head Start, 3335
nature & extent of psychological consultation in Head Start program, 2–5 yr olds, 35310
Project Head Start vs other vs no preschool education, verbal achievement & perceptual reasoning & social competence, disadvantaged Black K–1st graders, reprint, 3353
sociodemographic characteristics, 3.5–5 yr olds attending vs eligible for but not attending Head Start preschools, 15404
values & classroom culture, head & assistant teachers & special programs tutor in rural Head Start program, Appalachia, 35271

Project Head Start—Books

Head Start: The inside story of America's most successful educational experiment, 15422

Project Head Start—Chapters

Family and community interventions affecting the development of cognitive skills in children, 23547
The national Head Start program for disadvantaged preschoolers, 35343

Projection (Defense Mechanism)—Serials

good & evil in group analysis, implications for projection & personal analysis of practitioner, 46389
introjection & projection in psychotherapy, autistic male child & schizoid female adolescent, 34310

self envy interpretation in borderline structures & projective identifications during psychoanalysis, adult females, 26676
sex role of TAT card stimulus, projection, male vs female college students, 24080
systemic perspective on recurring patterns of anger in projective identification & approach for conjoint therapy, spouses, 30382
transference & countertransference & projective identification & role responsiveness in clinical supervision, 35164
Projection (Defense Mechanism)—Chapters
The analytic management and interpretation of projective identification, 42388
The containing function and the analyst's projective identification, 22672
Countertransference and the concept of projective counteridentification, 42380
Mud and clay, 46291
A parallel voyage of mourning for patient and analyst within the transference–countertransference voyage, 42373
Projective identification, countertransference, and hospital treatment, 42894
The psychic factor in neurotic style, 13572
Projective Personality Measures [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Serials
administration methods & testing situation & examiner & examinee influences, projective testing, 20004
criterion related validity of Apperceptive Personality Test vs MMPI clinical scales, college students, 43
discriminant validity of partial least squares analysis of Defense Mechanism Test, patients with borderline vs other personality disorders vs schizophrenia, 24152
Meta-Contrast Technique projective test, assessment of defense strategies & prediction of suicide completion, 19–69 yr old suicide attempters, Sweden, 25904
therapeutic utility & statistical analysis of Omar Psychological Picture Album responses, college students, Kuwait, 27982
use of projective techniques, personality assessment, US vs Netherlands vs Japan, 27984
validity of nonminority version of Tell Me A Story Test, assessment of perceptual & cognitive style & affective state & personality, White 7–14 yr old mental health outpatients vs normal students, 20023
Projective Personality Measures [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Books
The Scenotest: A practical technique for understanding unconscious problems and personality structure, 43789
Projective Personality Measures [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Chapters
The achievement motive, 7976
The metamorphosis of projective methods, 118
Projective techniques in crisis, 116
Reliability issues, 7979
Thematic apperceptive methods in survey research, 8170
Projective Techniques [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Projective Personality Measures, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Serials
administration of Somatic Inkblot Series-II under relaxation & subsequent psychotherapy, body image & hostility toward mother, 15 yr old female stutterer, case report, 18523
defensive organization of manic states in Defense Mechanism Test, psychiatric inpatients, Italy, 9829
development & efficacy of inkblot technique, differentiation of chronic schizophrenia, schizophrenic 21–58 yr olds, 15980
modeling with plasticine & disclosure of archaic psychic layers inaccessible through verbal forms, 9.5 yr old male & 2 adult female analysands, 46365
process dissociation framework for study of Freudian slips & projective tests & subliminal perception & signal detection theory as unconscious influences, 25614
projective drawing techniques, children, literature review, implications for art therapy, 35905
projective fairy tale technique for assessment of body image, 4–14 yr olds, 44866
projective inner strength technique, immature ego states activated through hypnosis, 33 & 38 yr old females, conference presentation, 38628
projective techniques for assessment of gift disposition & attitudes & behaviors related to returns, female gift shoppers, 7741
use of drawing in treatment & diagnosis, sexually abused children, 17912
use of Family Interaction Test in therapy, interpretation of perceptions of family life & interactions, 6–13 yr olds, 10493
use of projective drawing tests in clinical evaluation of alleged sexual abuse victimization, children, 33738
use of projective drawings in music therapy, uncommunicative & withdrawn 17 yr old male, Finland, case report, 30561
use of Rorschach Visualization Technique in assessment of child sexual abuse, 7–12 yr olds, 17896
validity of Kinetic Person Drawing Task vs Scorable Self Care Evaluation vs Bay Area Functional Performance Evaluation, 19–58 yr old psychiatric day treatment clients, 43747
watch & wait & wonder projective intervention during play, mother child interaction, mother & her male 5.5 mo old with perceived failure to thrive, 26681
Projective Techniques [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Projective Personality Measures, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Books
Personality assessment in America: A retrospective on the occasion of the fiftieth anniversary of the Society for Personality Assessment, 57
The Thematic Apperception Test, the Children's Apperception Test, and the Senior Apperception Technique in clinical use (5th ed.), 8034
Projective Techniques [See Also Bender Gestalt Test, Childrens Apperception Test, Human Figures Drawing, Projective Personality Measures, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]—Chapters
The impact of projective techniques on basic psychological science, 62
Projections on a triptych; or, A hagiology for our time, 64
Projective techniques in crisis, 116
Projective testing of children, 4100
The Rorschach: A test of perception or an evaluation of representation, 58
Projective Testing Technique—Serials
Projective Assessment of Aging Method, assessment of aging related needs & adjustment & attitudes, elderly, application to clinical practice & training & staff development, 43733
Projective Testing Technique—Chapters
Projective testing of children, 4100
Projective Tests [See Projective Techniques]
Prolactin—Serials
basal prolactin & activity level & exploratory behavior & emotional reactivity, male rats, 44547
beta endorphin in medial preoptic area, disruption of maternal behavior vs prolactin release response to suckling, primiparous vs multiparous female lactating rats, 8938
BMY 14802 or remoxipride or tiospirone or gevotrilline, serum prolactin & corticosterone & synthesis &/or release of dopamine, male rats, 12789
bromocriptine, psychological profile of depression & anxiety & aggressiveness, female 30–45 yr olds with prolactin secreting pituitary adenomas, 30663
buspirone challenge, prolactin response, 22–65 yr olds with obsessive compulsive disorder, Ireland, implications for role of serotonin receptor dysfunction in pathophysiology, 1768
chronic controllable vs uncontrollable stress, plasma corticosterone or ACTH or prolactin, male rats, animal model of chronic stress, 658

circadian rhythm of serotonin uptake by platelets & blood melatonin & serotonin & cortisol & prolactin, healthy male 27–35 yr olds, Sweden, 12660
circadian variations of serum prolactin, healthy vs epileptic 18–62 yr olds, Germany, 34143
clozapine, 16 yr old female patient with acute psychosis associated with prolactinoma of hypophysis, letter, 22725
cocaine abstinence, plasma growth hormone & HVA & prolactin & MHPG responses to L-dopa, cocaine dependent 19–47 yr olds, 10030
cocaine, plasma ACTH & LH & prolactin, male cocaine dependent 26–39 yr olds, 33864
cortisol & prolactin responses to d-fenfluramine, male 18–52 yr olds with obsessive compulsive disorder vs major depression, Ireland, 13666
delta sleep inducing peptide &/vs arginine chlorhydrate, circadian rhythm of serum levels & secretion of growth hormone & prolactin, healthy female 17–26 yr olds, 28709
depression & familial alcoholism & age of onset & severity, TRH induced TSH & prolactin responses, alcoholic males, New Zealand, 29882
dextrofenfluramine, prolactin release, 21–38 yr old male convicted murderers with antisocial personality disorder, Ireland, commentary, letter, 18056
domperidone, prolactin response, 51–76 yr old schizophrenic males, 6773
dopamine D2 partial agonist SDZ HDC-912 vs quinolinone derivative OPC-4392 vs Amisulpride, apomorphine induced prolactin vs growth hormone secretion, schizophrenic patients, 38546
ECT vs fluoxetine vs amitriptyline, d-fenfluramine challenge on cortisol & prolactin release in serotonergic function, patients with major depression, 18482
efficacy & side effects & hyperprolactinemic effect of levosulpiride vs racemic sulpiride, 24–80 yr olds with somatoform disorders, 14800
fenfluramine challenge, plasma prolactin as indicator of 5-HT receptor hypersensitivity, 21–50 yr olds with panic disorder, Australia, 45543
fenfluramine challenge, prolactin & cortisol response & correlation with aggression, prepubertal & adolescent males with disruptive behavior disorders, 21957
fenfluramine hydrochloride challenge, plasma prolactin & cortisol, 25–75 yr olds with endogenous depression, Israel, 13727
flight training stress, lymphocyte subset distribution & prolactin & cortisol in blood plasma, male 19–27 yr old student & instructor Air Force pilots, Italy, 20733
hypothalamic paraventricular nucleus knife cuts, photoperiodic modulation of prolactin or postcastration gonadotropins, castrated vs intact male hamsters, 4565
iv levotryptophan & seasonal influences, mean peak delta prolactin response, melancholic patients, commentary, letter, 10658
iv levotryptophan, prolactin response, depressed patients, commentary reply, letter, 10714
light intensity & nocturnal exposure mediated melatonin suppression, cortisol vs prolactin concentrations, healthy adults, Australia, 12657
maintenance haloperidol & subsequent dose decrease, plasma prolactin & HVA & symptoms & abnormal movements, male schizophrenic 21–74 yr olds, conference presentation, 6775
MDMA, serum cortisol & prolactin & growth hormone & BP & heart rate, healthy male 29–50 yr olds, 44627
pindolol, ECT induced prolactin & thyrotropin responses, depressed female 18–34 yr olds, 46568
plasma of remoxipride vs haloperidol & prolactin, 18–61 yr olds with schizophrenia, Finland, 42450
plasma prolactin level, weeping, hyperprolactinemic adult females, 18252
plasma prolactin, prediction of relapse, unmedicated schizophrenic males, 29688
postrecovery withdrawal of maintenance lithium &/vs clomipramine, plasma prolactin response to fenfluramine or placebo challenge, remitted depressed patients, Israel, 46516
prolactin & ectopic pituitary isograft, behavioral responsiveness, male dwarf mice, 36623
prolactin responses to haloperidol, Kraepelinian vs non-Kraepelinian schizophrenic patients, implications for diagnostic criteria & systems, 17810
psychiatric symptoms & diurnal variations of blood cortisol & prolactin, patients with chronic low back pain vs major depressive disorder, 13625
psychological performance testing, time course changes in plasma ACTH & epinephrine & serum prolactin & urinary catecholamines, normal vs heroin addicted adult males, 29852
repeated TRH, serum thyroid hormones & prolactin & TSH, euthyroid patients with neurological disorders, implications for neuroendocrine features of major depression, Japan, 34739
restraint stress with vs without naloxone, plasma ACTH & corticol & prolactin & growth hormone, prepubertal gilts, 40476
risperidone vs haloperidol, in vivo & in vitro prolactin secretion, male rats, 12743
serum prolactin binding protein, male schizophrenic patients treated with neuroleptics, 10735
serum prolactin vs testosterone vs estradiol, sexual performance & libido, 10.4–11.8 vs 21–30.9 yr old male rhesus macaques, 4700
stimulus energy, ECT induced prolactin release, 26–75 yr olds with major depressive episode, Canada, 34611
suckling frequency vs intensity & maternal plasma prolactin & duration of lactational amenorrhea, breast feeding mothers & infants, conference presentation, 4679
sultopride & tiapride vs sulpiride, plasma prolactin, male rats, 4833
systemic vs icv prolactin, food intake & weight gain & estrous cyclicity, female rats, 44695
thioridazine withdrawal, prolactin level, female 65 yr olds & older with senile dementia of Alzheimer's type, Scotland, 18907
total sleep deprivation, prolactin response to sulpiride, male patients with major depression, 46554
TRH, TSH & prolactin responses, nondepressed alcoholic male 28–44 yr olds, 13913
tricyclic antidepressant with vs without lithium augmentation, L-tryptophan induced serum prolactin increase, 20–68 yr olds with refractory depression, 2651

Prolixin [See Fluphenazine]

Promazine—Serials

levomepromazine & fluvoxamine induced seizures, female 26 yr old with obsessive compulsive & schizotypal personality disorder, case report, 42433
synergism of induced limbic seizures & physical restraint & acepromazine, hypothermia, male rats, implications for treatment following brain injury, 28489

Promiscuity [See Also Prostitution]—Serials

AIDS related fears & changes in sexual practices, married couples who exchange partners for sexual activities or single adults who engage in "one night stands", 38176
assessment of promiscuous behavior, patients, 21904
childhood sexual abuse, promiscuity, adults, 21960
fixations on incestuous fantasy & narcissism, female 28 yr old analysand with pathological promiscuity & suicidal impulses, 22645
issue of promiscuity in AIDS & HIV prevention discourse, 6978
marital status & sexual & religious & other characteristics, Black vs White female 15–44 yr olds with multiple sexual partners, 1988, implications for sexually transmitted disease risk & prevention, 29302
psychotherapeutic self investigation of valuations in life & sexual promiscuity, male 47 yr old patient, 22504
reconstructive therapy, promiscuous homosexual male HIV infected 38 yr old, 22884
self psychological approach to promiscuity, female 26 yr old, 21961
sex & race & age of sexual debut, factors associated with multiple sex partners, 7th–9th graders, implications for HIV risk, 45984
understanding definition of terms addiction & promiscuity, conference presentation, 21936

Pronouns—Serials
acquisition of personal pronouns in American Sign Language & use of pointing & gesture, deaf offspring of deaf parents assessed from age 6 mo to 2.3 yrs, longitudinal study, 26370
conceptually plural antecedents & plural verbs & pronouns, naturalness & comprehension of conceptual anaphors & reading time, college students, Spain, 9036
implicit causality of main gender cue & congruity, interpretation of pronouns & pronoun containing clauses, college students, 9044
psychoanalytic description of psychic referents for personal pronouns, 45312
sentence naturalness, interpretation of conceptual vs matched plural anaphors, college students, 9064
singular epicene antecedents & pronominal disagreements & issues of sexism in language, TV interview speakers, 12964
Spanish language gender marking, interpretation of pronouns referring to people vs things, college students, Spain, 36937
Pronunciation—Serials
analogy training, pronunciation of words & nonwords, 1st grade beginning readers, 15366
contextual & linguistic variables, intelligibility of words by 4–5 yr olds with developmental phonological disorder, adult listeners, 18167
postvocalic consonant voicing & syllabic structure, duration of long vs short vowels in Afrikaans, native speakers, 827
preceding word, pronunciation of body of basic orthographic syllable structure of polysyllabic words & lexical processing, college students, 12968
pronunciation & lexical decision semantic priming, schizophrenic 21–40 yr olds, 21839
pronunciation of orthographically similar vs nonsimilar pseudowords, 53–86 yr olds with Alzheimer's disease, 14305
speaking rate & vowel duration & context & stress, formant track shape of Dutch vowels, adult speaker, 825
vowel duration in English words with final letter /d/ vs /t/, Chinese or Taiwanese nonnative English speakers, 36940
Pronunciation—Chapters
Strategies and stress assignment: Evidence from a shallow orthography, 24430
Proofreading—Serials
familiarity & easy vs difficult Hindu text, context processing in reading & proofreading, high vs low deprived male 16–19 yr old students, India, 32897
goal setting & reinforcement, proofreading accuracy, college students, 24415
Grammatik V computer program, proofreading sentence grammar & usage & punctuation for APA style, psychology students & psychologists, 27459
proofreading, spelling error detection, 5th graders, 23476
scores on Constructive Thinking Inventory, detection of proofreading errors, college students, implications for test validity, 35868
team proofreading, error detection, college students, 33237
Propaganda—Serials
study of documentary film for understanding mechanisms of persuasion & credibility & communication, 25078
Propaganda—Books
Propaganda and persuasion (2nd ed.), 36933
Property [See Ownership]
Propranolol—Serials
acute vs subchronic propranolol, social behavior in aversive situation vs unfamiliar vs home cage vs light dark box, mice, 8899
beta blocker atenolol HCL vs propranolol, spontaneous motor activity, normotensive vs renovascular hypertensive baboons, 4941
desmethylimipramine & propranolol, brain beta adrenergic & 5-HT-2 receptors, male rats, 36828
haloperidol with vs without lithium vs propranolol, cyclic adenosine monophosphate, chronic schizophrenic patients, 10655
isoproterenol & propranolol & behavior challenge, EKG T-wave amplitude, healthy 19–30 yr old males, commentary, 4796
isoproterenol & propranolol & behavior challenge, EKG T-wave amplitude, healthy 19–30 yr old males, commentary reply, 4767
postpartum propranolol vs isoproterenol, onset of long term consolidation of brief maternal experience, new rat dams, 44685
propranolol &/or isoproterenol, restraint stress induced behavior changes & plasma corticosterone & defensive withdrawal, male mice & rats, 40581
propranolol &/vs amphetamine, corticosterone independent alteration of lymphocyte mitogenic response to concanavalin A vs phytohemagglutinin, rats, 8953
propranolol, female 46 yr old with Huntington's disease, letter, 18926
propranolol toxicity, 81 yr old female with amnestic Alzheimer-like subacute dementia, case report, 14818
propranolol vs phentolamine & RT & cold pressor & speech tasks, cardiovascular reactivity, 22–48 yr old Black vs White males vs females, 32625
ventricular infusion of clonidine vs salbutamol vs BRL 37344 with vs without propranolol, food intake, lean vs obese female rats, 4940
Proprioceptors—Serials
efferent copy & extraocular proprioception, visual EPs before & during horizontal saccades, cats, translated article, 16614
movement control through skin & muscle & joint receptor feedback & CNS access to motor command signals, research review, conference presentation, 24676
pointing rate & visual feedback availability, visual & proprioceptive components of prism adaptation, college students, 8278
Prose [See Also Autobiography, Biography]—Serials
adjunct question position in instructional prose & reading ability, forward shaping & cognitive review, deaf 19–26 vs hearing 14–17 yr olds, 18441
concept of compensation in life span cognitive development & aging of adult prose processing skills, 37214
domain specific view of semantics & prose production, 3rd graders, 28969
imagery & concreteness & familiarity & goodness ratings of proverbs, college students, construction of database for research using proverbs, 44756
interval between repeated testing sessions, recall of pictures vs prose & hypermnesia vs forgetting, college students, commentary on conference presentation, 40152
interval between repeated testing sessions, recall of pictures vs prose & hypermnesia vs forgetting, college students, reply to commentary on conference presentation, 40187
interval between repeated testing sessions, recall of pictures vs prose, college students, conference presentation, 373
S. T. Coleridge's prose & poetry as reflection of his views on dreaming & dream sharing, 16900
text content familiarity & syntactic complexity, working memory & prose recall, in vs out of school female young adults vs elderly, 9157
text structure & material concreteness, memory for prose, deaf or hard of hearing 15–22 vs hearing 7–8 & 16–18 yr olds, Italy, 34266
Prosencephalon [See Forebrain]
Proserine [See Neostigmine]
Prosocial Behavior [See Also Altruism, Assistance (Social Behavior), Charitable Behavior, Cooperation, Sharing (Social Behavior), Trust (Social Behavior)]—Serials
aggressive vs prosocial modeling sequences in token economy based computer task, aggressive behavior & perception of situation, 5.8–6.6 yr olds, Spain, analysis of patterning theory, 17188
asymmetric endowments & information level, contribution to public step good, graduate students in 4 person groups, 5531
bullying vs victim vs prosocial style of interpersonal relations at school, well being, 12–18 yr olds, Australia, 32989
casein & gluten restricted diet, social behavior & cognitive performance, autistic 3–17 yr olds, implications for genetic peptidase defect etiology, 26811
church vs secular based day care attendance, prosocial & aggressive interactions, female vs male 3.5–4.5 yr olds, 44967

depressive symptoms, ratings of child portrayal of prosocial vs internalizing vs externalizing behaviors, 18–39 yr old females vs 29–49 yr old mothers of children with externalizing disorders, 45447
development of Measure of Moral Orientation, measurement of ethics of care & justice in college setting, college students, 45
discriminatory vs fair intergroup allocation choices & social values, self esteem, competitive vs prosocial college students, 29332
effect of community violence on development & influence of mass media on prosocial vs violent behavior, children, 37878
ethnic identity & social support & activity within own group, prosocial activity & cooperation with another group, Byelorussian vs Polish 17–79 yr olds, Poland, 29358
fostering compassion & sympathy & prosocial behavior, children, application of M. L. Hoffman's theory of empathy development, 21240
friendship, emotional responsiveness & social interventions to peer's affective events, 48–77 mo olds, 1048
good vs bad deed performed by male vs female with crazy vs sane explanation, responsibility attributions & sanity & commitment judgments, 18–60 yr olds, 37593
instructor expertise & self esteem & inmate similarity & class size & age, prediction of prosocial attitudes & cooperative behavior in prison workshops, inmates, Canada, 11209
internal consistency & concurrent validity of emotional instability & prosocial behavior & aggression scales, 7–10 yr olds, Italy, 35847
maternal empathy related characteristics & childrearing practices, emotional responses to & comfort of crying infant, kindergartners & 3rd graders, 37113
moral judgment development, prosocial & law abiding behavior, 13542
motivation to donate blood, minority college students, conference presentation, 45214
music education program, holistic development of empathy & prosociability, 6 yr olds, 9 mo followup, 32964
negational thinking & cost perception/gain construction competence & prosocial behavior in donating situation, 5 vs 7 vs 10 yr olds, 28928
non-Western linguistic politeness & sociocultural variations in notion of face, Igbo, Nigeria vs Western countries, 16947
organizational changes in gain sharing allocation, productivity & new work ethic & enhanced social roles, employees, 43482
parental child rearing style & child prosocial behavior & sociometric status, 6–11 yr olds & their parents, 1055
parental values & reinforcement of prosocial behavior, prosocial & defensive & social behaviors with parents & peers, 1–2 yr olds, 25 mo followup, 1064
proportion of positive to aggressive behavior in videotaped interaction, sociometric ratings of trait descriptors for target, female 4th–6th graders, 17174
prosocial behavior, prosocial vs hedonistic choice in story dilemmas, 3–4 yr olds, 21273
religiosity, interpersonal friendliness & cooperation & prosocial behavior, African American adults, 1979–80, 25347
secular activities & community involvement, Black vs White church congregations, 25344
sex, score on Ethics of Care Interview & content of real life moral dilemmas, 11–12 yr olds, Canada, 37162
student religiosity, humanitarianism vs egalitarianism vs racism, college students, UK vs US, 10 yr followup & replication, 9389
teacher rated prosocial behavior & peer rated sociometric likability, 3–4 yr olds, 1 yr study, 29000
test retest reliability & convergent & concurrent & discriminant validity of objective self report measure, assessment of prosocial moral reasoning, 7th & 10th graders, 15896
theoretical basis & similarity structure analysis of Prosocial Motivation Questionnaire, 10th graders, Germany, 31833
TV viewing, aggressive vs prosocial behaviors, 2nd & 4th graders, Netherlands, 3 yr study, comparison with data from 5 countries, 5236
types of organizational spontaneity & relation to mood at work & prosocial behavior, 7683
verbal reinforcement & monetary reward, conservation oriented harvests vs exploitive strategies in commons dilemma simulation, college students, 41246
W. Bilsky's contributions to analysis of prosocial behavior, translated article, 33274

Prosocial Behavior [See Also Altruism, Assistance (Social Behavior), Charitable Behavior, Cooperation, Sharing (Social Behavior), Trust (Social Behavior)]—Books

Prosocial development in children: Caring, helping, and cooperating: A bibliographic resource guide. Reference books on family issues, Vol. 19 and Garland reference library of social science, Vol. 538, 9313

Prosocial Behavior [See Also Altruism, Assistance (Social Behavior), Charitable Behavior, Cooperation, Sharing (Social Behavior), Trust (Social Behavior)]—Chapters

The development of prosocial behavior, 13193
The development of prosocial behavior in Japanese children, 17223
Predicting prosocial commitment in different social contexts, 25520
The St. Louis experiment: Effective treatment of antisocial youths in prosocial peer groups, 10580

Prosody [See Also Inflection]—Serials

age, use of prosody for syntactic parsing & recall of spoken sentences, college students vs 61–82 yr olds, 5138
analysis of errors on affective prosodic listening task, left vs right hemisphere damaged 30–82 yr olds, 14363
biofeedback & speech & language therapy, prosody & dysarthria, female 74 yr old with Parkinson's disease, 23300
coarticulation & prosody in speech sound changes, 16924
cognitive ability & prosody discrimination skill in visual speech reading using tactiling, 54 yr old deaf male, Sweden, case study, 38341
cues based on belief term & pitch contour, comprehension of relative certainty, 3 vs 4 vs 5 vs 6 yr olds, 28937
disyllabic vocalizations, prosodic organization, Japanese vs French 18 mo olds, 5100
dysprosody, patients with hypokinetic or ataxic dysarthria or cortical stroke, 46059
ECT, memory & depression & affective aprosody, patients with unipolar or bipolar depression, 22806
emotional condition, production & perception of emotion in facial & manual expression & prosody in American Sign Language, deaf adults, 2360
imitation of intonation contours in spoken sentences, 3 vs 5 yr olds, 25136
language functions of right hemisphere involving modulation of affective prosody & gestures & hemispheric links to positive vs negative emotions, 28546
linguistic prosody & musical meter in song, vocalists, 5007
phonological boundary rank & coincidence with intonation contour boundary, expectance of longer preboundary syllable duration, adult English listeners, 4999
progressive amusia & aprosody, 63 yr old female singer with right sided temporoinsular atrophy & frontotemporal hypoperfusion, case report, 10346
prosodic cues, minimal attachment of word to developing phrase structure & resolution of ambiguities in spoken language comprehension, adults, England, 4323
prosodic properties of read vs spontaneous speech, adults, UK, implications for design of automated speech recognition systems, 5001
prosodic structure, sentence meaning & recognition, college students, 40126
prosody & awareness of function morpheme co-occurrence patterns, 2 yr olds, 32873
prosody, speech perception, 1 mo olds, 37023
rhythm & prosodic speech cues, rule learning in language structure development, 5.4–8.4 yr olds with specific learning impairments, 18109
sensitivity to predominant stress patterns of words, vocabulary development, 6 vs 9 mo olds, 40823
speech intensity & prosody correlates & application to speech synthesis, conference presentation, 16937
verbal & prosodic & kinesic motive contrasts in speech, 9026

word prominence & position & intrinsic duration & time interval, lengthening of & pausing after phrase final word as prosodic vs syntactic representation, college students, US & Canada, 28837
Prosody [See Also Inflection]—Chapters
The prosody of oral reading and stages of word knowledge, 999
Speech and prosodic problems in children with neurofibromatosis, 41991
Prostaglandins—Serials
brain stem prostaglandin, role of pretrigeminal nuclei in mating calling, male Northern leopard frogs, 32443
eicosanoids including prostaglandin I2 & tachykinins, excitability of injured afferent nerve endings, male rats with sciatic nerve end neuromas, implications for hyperalgesic pain mediation, 36501
icv microinjections of ethanol vs ibuprofen vs indomethacin vs other anti-inflammatory drugs, prostaglandin mediated reperfusion hyperaglesia, male rats, 12781
im prostaglandin F2 alpha, social & estrus & other behavior, N'dama cows, 20888
in vitro ethanol, release of prostaglandins from brain stem at 8th vs 105th vs 135th gestational day, sheep fetuses, animal model of fetal alcohol syndrome, 4927
intrathecal prostaglandin, induced spontaneous & touch evoked allodynia, conscious male mice, 8948
nicardipine, plasma & saliva prostacyclin 2 & thromboxane A2 during headache free period, 13–40 yr olds with migraine, Spain, 18918
prostaglandin vs thromboxane, monocyte vs neutrophil phagocytosis, healthy adults, implications for treatment of depression, 16823
sex steroids vs ovariectomy vs stage of ovarian development, prostaglandin induced spawning behavior, female goldfish, 32516
sexual behavioral patterns toward cows synchronized with prostaglandin F2 alpha vs estrogen, Zebu bulls, 20444
Prostate—Serials
localized radiation treatment, changes in sleep & subjective fatigue & relationship to interleukin-1B, male 45–80 yr olds with prostate cancer, 42595
pain experience, anxiety & depression, males with prostate cancer, Australia, 46016
Prostheses—Serials
ancillary aurae rehabilitation programs, adult postlingually deafened cochlear implant recipients, 7186
cochlear implant with vs without contralateral acoustic hearing aid, sound detection & speech perception, severely to profoundly hearing impaired 39–77 yr olds with residual hearing, 7201
cochlear implants, speech production & perception & emotional outlook & social functions & lipreading, hearing impaired children & adults, implications for future development, 7202
cochlear implants, speech production & perception & emotional outlook & social functions & lipreading, hearing impaired children & adults, implications for future development, commentary, 7199
cochlear implants vs tactile vs hearing aids, speech production, profoundly hearing impaired 1.7–12.2 yr olds, 31046
communication training program, parents of children with cochlear implants, 34472
current frequency of electrical stimulation through round window electrode implant, auditory perception & discomfort & symptoms, patients with unilateral deafness & severe tinnitus, 35062
electrode position & repetition rate, psychophysical discrimination of symmetric trajectory pairs & speech perception, early vs late deafened cochlear implant patients, 38698
ethical issues in research & therapeutic use of pediatric cochlear implantation, children, 46678
impedance of current carrying vs non-current-carrying electrodes & auditory detection thresholds for electrical stimuli, patients with Ineraid cochlear prosthesis, 3 yr study, 14814
isolated vs in sentence word vs speech segment recognition in measurement of speech reception, postlingually deafened 30–87 yr olds with multichannel cochlear implants, 15192
multichannel cochlear implant vs tactile vs hearing aids, speech perception & production & language performance, profoundly hearing impaired 1.7–12.2 yr olds, 7187
multichannel cochlear implant with spectral maxima sound vs mini speech processor, speech perception, profoundly deaf, 11195
pixelized vision simulator, walking speed & collisions & mobility in maze, college students, implications for electrical visual prosthesis for blind, 6426
prosthetic mandibular advancement, adult males with sleep apnea, 22931
research on speech processing strategies, development of cochlear multiple channel implantable hearing prosthesis, deaf children & adults, Australia, 7182
research on speech processing strategies, development of cochlear multiple channel implantable hearing prosthesis, deaf children & adults, Australia, commentary with reply included, 7194
response to delayed auditory feedback, prelingually vs postlingually deaf 5–12 yr olds with multichannel cochlear implants, 11196
time waveform in vs distribution of energy among electrode channels, coding of formant frequency in vowel recognition, patients with Ineraid cochlear implant, letter, 27182
utilization of static & dynamic speech cues in vowel identification, 24–60 yr olds with multichannel cochlear implant, 11194
Prostheses—Chapters
Critical variables in the coordination of prosthetic and normal limbs, 24386
Prostitution—Serials
attitudes toward commercial sex & perceived costs & benefits of condom use in relation to AIDS, male clients of female prostitutes, Netherlands, 46004
cocaine use & prostitution as risk factors for syphilis & public health screening intervention during outbreak, 11–52 yr olds, 14928
coping & defensiveness & moral judgment & behavior, female juvenile delinquents vs prostitutes, Canada, 26026
crack cocaine or other drug use & sexual activity & exchange of sex for money or drugs, 18–29 yr olds in Miami, 29893
critique of feminist analysis of prostitution, counter hegemonic discourse, 33202
cultural & economic aspects of female prostitution, young females, Thailand, 9487
drug use & misuse & school dropout rates, female prostitutes vs arrestees, 14013
economic & social & emotional barriers to reduction of HIV related risk behavior, 18 yr old & older male street prostitutes, application of Health Beliefs Model, 38681
educational interventions & free condom distribution, promotion of AIDS awareness & condom use, female registered commercial sex workers, Honduras, 34784
family structure & parental attachment & need for affiliation & autonomy, 15–27 yr old female prostitutes, 17184
free methadone maintenance, AIDS risk, heroin addicted female prostitutes, 27127
HIV & syphilis & hepatitis B prevalence & crack use & receptive anal sex, male transvestite prostitutes, 30027
HIV related sexual risk behavior, 16–51 yr old female prostitutes, Scotland, 22285
knowledge of AIDS, female prostitutes vs other arrestees, 10292
methodological factors in study of risk factors for HIV infection, street vs part time prostitutes vs escorts, implications for prevention, 6290
perceptions of addictive nature & practical utility & marketplace economics of crack cocaine, crack cocaine using prostitutes, 33841
prostitution, crack or cocaine using females, 1970s–90s, 29858
risk factors associated with HIV infection, male prostitutes, 30109
safety of sexual practices & condom usage & HIV risk, heterosexual prostitutes, Netherlands, 13366
sexual orientation & vocational aspirations & drug & alcohol use & family stressors & personality variables, 16–34 yr old male prostitutes, 5470

social interface & public health information & sexual transmission of HIV, military personnel & prostitutes, Belize, 38177
sociodemographic & lifestyle characteristics & drug & alcohol use & sexual behavior & knowledge about HIV infection, male street prostitutes & their male customers, 6296
temporal & spatial features of sexual interactions of "finishing", street prostitutes & car clients, Netherlands, 5483
Prostitution—Books
Male prostitution. Haworth gay & lesbian studies, 33206
Prostitution—Chapters
Aberrant sexual experiences in adolescence, 17982
Prostitution and HIV risk behavior, 29312
Protein Metabolism—Serials
ethanol vs acetaldehyde with vs without alcohol- or aldehyde-dehydrogenase inhibitors, protein synthesis in Type I vs Type II fiber rich muscles, rats, animal model of skeletal muscle myopathy, 12866
Protein Sensitization [See Anaphylactic Shock]
Proteinases—Books
Proteases and protease inhibitors in Alzheimer's disease pathogenesis. Annals of the New York Academy of Sciences, Vol. 674, 34249
Proteins [See Also Antibodies, Blood Proteins, Endorphins, Gamma Globulin, Globulins, Hemoglobin, Immunoglobulins, Serum Albumin]—Serials
acetyl-L-carnitine vs nerve growth factor, dorsal root ganglia neurons, aged rats, 12828
aging & amyloid beta protein precursor, postmortem brains of 75–86 yr olds with Alzheimer's disease, application of etiologic hypothesis, 38283
amyloid precursor protein 695 isoform, wild strain vs transgenic mice with impaired spatial memory, animal model of Alzheimer's disease, 36470
aversive CS vs UCS, localization of c-Fos immunoreactivity in brain stem, male rats, 40399
brain oxidative energy & metabolism & neuronal stress & formation of amyloid precursor protein, patients with incipient early vs late onset vs advanced dementia of Alzheimer's type, 26301
calbindin D-28K & MAO A & nerve growth factor receptor immunoreactivity in nucleus basalis of Meynert, 66–95 yr olds with Alzheimer's vs Parkinson's disease with vs without dementia, 42043
captopril blockade of angiotensin II, ethanol induced salt appetite & plasma protein, male rats, 32618
casein & gluten restricted diet, social behavior & cognitive performance, autistic 3–17 yr olds, implications for genetic peptidase defect etiology, 26811
causal role of amyloid in Alzheimer's disease, conference presentation, 46089
chronic alcohol, brain nerve growth factor target cells & choline acetyltransferase activity, aged male rats, animal model of alcoholism, 8862
chronic haloperidol, glutathione protein thiol homeostasis & lipid peroxidation in cerebral cortex vs striatum vs midbrain, rats, 44723
chronic lithium, muscarinic receptor binding sites & phosphorylation of protein kinase C in hippocampus, rats, conference presentation, 8931
cocaine vs cocaethylene with vs without ethanol, mitogen stimulated cytokines by splenocytes & immunosuppression, male mice, 20959
concentrations of 3rd & 4th components of complement system & total complement hemolytic activity, patients with chronic schizophrenia vs bipolar disorder vs major depression, 41510
cortical glial fibrillary acidic protein immunoreactivity following infection with simian immunodeficiency virus, juvenile rhesus monkeys, animal model of AIDS & HIV, 36581
CSF & serum neuron specific enolase, schizophrenic adults, 13770
CSF & serum protein ratios of albumin & immunoglobulin G, 52–81 yr olds with dementia of Alzheimer's type, Germany, 42053
CSF chromogranin A, elderly with Alzheimer's disease, 42085
CSF neuronal thread protein, patients with Alzheimer's vs Parkinson's disease vs multiple sclerosis, 26286
d-alanine concentration in proteins of frontal lobe white vs gray matter, postmortem brains of 69–90 yr olds with Alzheimer's disease, 26284
degradation of beta amyloid precursor protein by calcium activated serine protease of brain, monkeys, animal model of Alzheimer's disease, 12537
dietary protein source, diet selection, growing pigs, 44216
distribution of Alzheimer's associated protein in postmortem brain tissue, 35–85 yr olds with vs without Alzheimer's disease, 10393
distribution of fibroblast growth factor 5 messenger RNA in brain, 3–4 mo old male rats, 32391
distribution of putative odor receptor proteins in olfactory epithelium, male rats, 44416
dosage of ip or sc buspirone, carbohydrate vs protein intake, nonsatiated male rats, 36820
emotionality, brain messenger RNA & protein patterns, Maudsley reactive vs nonreactive rats, 4631
ethanol, bradykinin & G proteins stimulated activation of phopholipase C & bradykinin receptor binding, hybrid mouse neuroblastoma & rat glioma cell line cultures, 16852
fluoxetine vs RU 24969 vs dexfenfluramine & carbohydrate vs protein proportions in diet, food intake, male rats, 24931
food restriction stress, plasma glucose & urea nitrogen & protein catabolism, male vasopressin deficient vs containing rats, 44559
gamma globulins against brain specific nonhistone Np-3.5 proteins of chromatin, behavioral & neuronal correlates of conditioned defensive habit of food rejection, edible snails, translated article, 4844
global ischemia stress, thresholds of induction of heat shock protein & cognate protein 70 messenger RNAs in brain, male gerbils, 28638
glutamate vs GABA vs muscarinic vs adrenergic vs other neurotransmitter antagonists, odor induced currents, G-protein coupled olfactory receptor neurons from salamanders, 32617
glycoprotein, clozapine induced agranulocytosis, male schizophrenic 28 yr old, case report, conference presentation, 2615
haloperidol dosage induced oxidative stress, haloperidol induced glutathione protein thiol homeostasis & lipid peroxidation, rats, 20997
HIV envelope protein, neuropathology & behavioral development, gp120 injected neonatal rats, 32401
icv antiKPI-APP or antiP4 immunoglobulin, passive avoidance & memory, male rats, implications for amyloid precursor protein involvement in memory formation, 32637
icv vs ip recombinant murine tumor necrosis factor alpha vs naltrexone, food intake & place conditioning, male rats, 36767
immunological analysis of postmortem cerebral cortical phosophorylated Tau proteins, 59–90 yr olds with Parkinson's disease with vs without dementia vs Alzheimer's disease, 42107
in situ hybridization with oligonucleotide probes to localize dystrophin gene, mice & rats, implications for cognitive impairment, 36466
intrahippocampal corticotropin releasing factor &/vs cycloheximide vs actinomycin-D, memory retention in passive avoidance & locomotor activity, male rats, 16806
intraneuronal accumulation of tau protein in granulovacular degeneration, postmortem brains of 63–93 yr olds with Alzheimer's disease, 2293
isotonic lithium chloride, C-fos expression in brain, male rats, 44750
iv apolipoprotein A-IV, feeding & drinking & ambulatory activity, rats, 40577
lithium &/vs neuroleptics, plasma insulin & erythrocyte zinc & glycated protein, schizophrenic or manic depressive patients, Turkey, 38594
lithium, light activation of rod photoreceptor G-protein mediated cyclic guanosine monophosphate hydrolysis & guanosine triphosphate binding, bovine eye membranes, 4928

low vs high frequency electroacupuncture analgesia & localization of fos neuron expression in brain stem & spinal cord nuclei, lightly anesthetized male rats, implications for opiate sensitivity, 28526
lymphocyte cytoskeletal proteins in blood, 60–94 yr olds with Alzheimer's disease vs 12–48 yr olds with Down's syndrome, 5704
macronutrient food chow, preferences for subsequent protein vs carbohydrate vs fat, rats, 418
maternal protein malnutrition &/vs cortisol during pregnancy & lactation, reflexological development, rat pups, 20704
memantine, amelioration of NMDA mediated gp120 induced neuron damage in retinal ganglion cells in vitro, rats, implications for HIV-1 associated cognitive/motor complex pathogenesis treatment, 726
morphine &/vs naloxone, pain evoked vs basal Fos like immunoreactivity in lumbar spinal cord neurons, arthritic rats, animal model of chronic pain treatment, 28659
mutation of gene encoding amino acid amyloid beta protein, families with autosomal dominant Alzheimer's disease, 26279
mutations in protein coding region of beta nerve growth factor gene assessed by automatic fluorescent sequencing, unrelated schizophrenic patients, 37733
nerve growth factor, long term potentiation of receptors in hippocampus, rats, 36564
neurofibrillary tangle density in frontal association cortex, GAP-43 protein message levels, 68–97 yr olds with Alzheimer's disease, 26281
odor stimulation, c-fos expression & deoxyglucose uptake in olfactory bulb, awake male rats, 36556
olfactory marker protein expression in olfactory receptor neurons, salamanders & frogs, 20553
passive avoidance learning, forebrain alpha tubulin immunoreactivity, 1 day old chicks, 16578
postmortem epitope analysis of senile plaque proteins on hippocampal senile plaque, 53–77 yr olds with Parkinson's disease with or without dementia vs Alzheimer's disease with Parkinson's pathology, 2237
postnatal protein malnutrition & chlordiazepoxide, inhibitory avoidance & shock threshold & locomotor activity & other measures, male rats, animal model of anxiety, 676
prenatal morphine, G protein mRNA in frontal cortex, rat pups, 16732
prior protein gene factors, patients with thalamic dementia, 22392
protein & electrolyte content of milk, female spontaneously hypertensive vs Wistar-Kyoto lactating rats, 24803
protein kinase C & corticotropin releasing factor modulated protein phosphorylation in hippocampus, retention performance on passive avoidance task, male rats, 36519
protein kinase C activation & induced potentiation & changes in synaptic morphology in hyperstriatum ventrale, chicks, memory & learning implications, 40433
recombinant bovine cytokines interleukin-1 beta vs interleukin-2 vs interferon gamma, food intake & forestomach contractions, dwarf goats, 21028
repeated hybrid recombinant interferon alpha, activity & muscle strength & motor ability & endurance, male mice, animal model of cancer & hepatitis treatment, 32611
restraint stress, expression of C-fos protein in mesencephalic dopamine neurons, male rats, 20738
role of tau protein in polymerization of peptides from beta amyloid precursor protein, isolated paired helical filaments from brain of patient with Alzheimer's disease, 22339
sc cerulein, anisomycin vs puromycin vs cycloheximide induced memory impairment in passive or active avoidance, male rats, 16790
serum antibodies reactive with myelin basic protein, autistic 10 yr olds & younger, implications for etiological role of autoimmunity, 33930
serum autoantibodies against glial fibrillary acidic protein, 62 yr olds & older with vascular dementia vs presenile Alzheimer's disease vs senile dementia of Alzheimer's type, 10389
simple vs complex carbohydrate vs protein meal composition & delayed reinforcement, plasma tryptophan & mood, female college students, 32537
synaptic contact & spine degeneration, postmortem brains of patients with Creuzfeldt-Jakob disease or Gerstmann-Straussler-Scheinker syndrome, implications for prion disease neuropathology, 38225
urinary protein patterns, autistic adults, 26063

Proteins [See Also Antibodies, Blood Proteins, Endorphins, Gamma Globulin, Globulins, Hemoglobin, Immunoglobulins, Serum Albumin]—Chapters
Alzheimer's disease and the cerebral amyloidoses, 14422

Protest (Student) [See Student Activism]

Protestantism [See Also Fundamentalism]—Serials
anal personality traits, Hindu vs Muslim vs Protestant college students vs students from other religions, theory verification, 13592
conservative Protestantism, support for corporal punishment method of child discipline, adults, 33122
coping strategies for threat & loss & challenging life events, Catholic vs Protestant adults, 37258
cross community holiday projects, interreligion relations, Protestant vs Catholic 9–12 yr olds, Northern Ireland, 1113

perceptions of positive connectedness with patients, psychiatric nurses, 35192
perceptions of seriousness of patient violence & aggression toward self or others or property, 23–53 yr old psychiatric nurses vs student nurses, conference presentation, 47069
psychological determinants of occupational burnout, 20–62 yr old psychiatric nurses, Australia, application of M. Carver & M. Scheier's self control model, conference presentation, 7342
resigned vs constructive job satisfaction vs dissatisfaction & control at work, psychiatric nurses, Germany, 23396
skills applicable to brief psychotherapy, psychiatric clinical nurse specialists, 18564
theoretical model of impulsivity based on psychiatric nursing practice & patient chart reviews, psychiatric inpatients, 23132

Psychiatric Nurses—Chapters

The role of the nurse in the cognitive milieu, 34975

Psychiatric Patients—Serials

abnormal cerebral lateralization assessed with finger tapping & overt aggressive behavior, violent male 19–58 yr old psychiatric patients in maximum security hospital, 41404
adaptation to new living situation, psychiatric morbidity, hospitalized foreign students vs native psychiatric patients, Yugoslavia, 29548
adverse psychic reactions to psychotropic drugs, psychiatric patients, Germany, 8 yr study, 46448
advocacy needs & effectiveness, psychiatric hospital patients & staff, New Zealand, 11048
advocacy services & client support & representation vs supportive contact vs mental health services, hospitalization rates, 18–65 yr old psychiatric patients, implications for mentally ill homeless, 3011
age & divorce or death of parents, perceived parental rearing, psychiatric inpatients, 17721
age & iron metabolism & intellectual impairment, 11–89 yr olds with vs without psychiatric pathologies, 45374
age & length of stay & previous admission, rating of music vs art vs recreation vs traditional therapy vs overall care during hospitalization, 21–73 yr old psychiatric patients, 38956
age & sex & diagnosis & length of stay & outcomes, mentally ill patients in Rainhill Hospital, 1890 vs 1990, England, 34959
age, comorbidity, low income psychiatric outpatients, 25701
aging & psychotropic comedication, serum doxepin vs amitriptyline vs clomipramine vs mianserin, under 35 to over 65 yr old psychiatric inpatients, Finland, 22739
alcohol consumption & depression severity & family dysfunction, psychiatrically disturbed female 13.9–18.4 yr old inpatients, 21636
alcohol or drug consumption & psychiatric diagnosis, problematic behavior while intoxicated, 13–17 yr old psychiatric inpatients, 21716
approaches to forensic assessment of false claims of therapist patient sexual misconduct, psychiatrists, 11833
arrest rates, psychiatric patients, 7872
assessment of & treatment plans for alcoholism, 25–74 yr old dually diagnosed psychiatric inpatients, 41507
assessment of community support & residential needs for success of community living by clients, community mental health agency managers, 19066
assessment of promiscuous behavior, patients, 21904
attitudes toward sexual behaviors of institutionalized patients with mental or intellectual disabilities, hospital staff, research review, 11082
attributions for psychiatric rehospitalization, schizophrenic 18–65 yr olds & their psychiatric hospital staff, 19151
backup bed system as crisis intervention strategy in partial hospitalization programs, acutely mentally ill day hospital patients, 11083
baseline psychiatric history & demographic characteristics, long stay patients at mental hospitals scheduled for closure, England, 42884
behavioral consultation, rates of hospital utilization & readmission & functioning level, difficult to treat psychiatric inpatients, 3028
carbamazepine, blood count & liver enzymes & serum electrolytes & immunoglobins, 17–68 yr old psychiatric patients, 6794
carbamazepine tablets vs Divitabs, pharmacokinetics & seizure control & behavior & tolerability, psychiatric &/vs mentally retarded 20–75 yr olds on stable oral carbamazepine, 6778
case management activities, satisfaction with treatment & quality of life, long term psychiatric inpatients vs outpatients vs community support system clients, 7049
characteristics & disabilities & need for residential psychiatric care, 18–91 yr old new longstay psychiatric patients, 1981–91, Ireland, 42861
characteristics of state hospital recidivism, psychiatric patients, US, 7151
characteristics, patients in long term secure wards in psychiatric facilities, Australia, 23154
child & family problems & demographics & assessment & treatment & followup & outcome & parental perceptions of outcome, consumer satisfaction, parents & referral sources of child inpatients, Canada, 46878
client characteristics & reasons for missed appointments & rescheduling vs drop out, psychiatric outpatients, 46812
clincial correlates of self mutilation, psychiatric inpatients, 41683
clinical & demographic characteristics, 18–45 yr old psychiatric patients with repetitively assaultive behavior, 17679
clinical & ethical & legal issues in treatment boundaries, psychiatrists & patients, 11323
clinical & hospitalization characteristics & prevalence of firesetting behaviors, state psychiatric hospital inpatients with vs without prior firesetting history, followup, 17693
clinical & hospitalization characteristics, prediction of adult lifetime prevalence of firesetting behaviors, under 65 yr old state psychiatric hospital inpatients, 17694
clinical & social outcomes, discharged long stay psychiatric patients, England, 1 yr followup, 42736
clinical management of aggressive & dangerous psychiatric patients, psychiatrists & other hospital practitioners, 42881
clinical profile, Chinese 16–57 yr old lithium clinic outpatients, Hong Kong, 23041
clinical records, estimation of psychiatric inpatient suicide risk, medical students, Finland, 21959
clinical use of Global Assessment of Functioning Scale, 19–73 yr old day hospital patients, 31876
clinical vs popular/cultural diagnostic labeling & treatment & prognosis, Hispanic 25–58 yr old psychiatric patients folk diagnosed as embrujado, 41488
clozapine, management of neuroleptic malignant syndrome, 20–76 yr old psychiatric patients, Germany, 30529
clozapine, management of neuroleptic malignant syndrome, 20–76 yr old psychiatric patients, Germany, commentary, letter, 42412
clozapine, 26–50 yr old forensic psychiatric patients, 10698
cluster analysis of quantitative EEG, disorder subtyping, psychiatric patients, 5706
coercive interactional style & other antecedents, prediction of violence & aggression, 18–87 yr old psychiatric patients, 21717
Cognitive Competency Test & Mini-Mental State Examination scores vs clinical panel judgments, assessment of competence, 31–91 yr old psychiatric patients, Canada, 20076

cognitive impairment & understanding of information about neuroleptic medication, 24–89 yr old long term psychiatric patients, England, 26756
community characteristics, rehospitalization, chronically mentally ill public psychiatric hospital patients, 30962
comorbidity of mental & substance abuse disorders, 55 yr old & older psychiatric patients, 9782
comorbidity of mental illness & substance abuse, marital status & living arrangement & prenatal care & psychiatric history, pregnant psychiatric patients, 33487
comprehensive community care as alternative to long stay hospitalization, patients, Italy, 46827
computed axial tomography, detection of organic etiology of psychopathology, psychiatric patients, 41456
conceptual disorganization & all or nothing thinking & other cognitive variables, prediction of suicide, hospitalized psychiatric patients, 33760
consistency of observed behaviors & psychophysiological measures of cognitions, low vs highly socially anxious psychiatric patients, Netherlands, 21735
construct validity & clinical utility of Neurobehavioral Cognitive Status Examination, 15–92 yr old psychiatric inpatients, 20070
construct validity of Holden Psychological Screening Inventory, psychiatric patients, 4063
contributory factors in suicide epidemic, psychiatric hospital patients, England, 15056
correlation between MMPI scales & Tridimensional Personality Questionnaire, 16–82 yr old psychiatric patients, 24159
correlation of MMPI personality disorder subscales & Multidimensional Perfectionism Scale characteristics, psychiatric patients, implications for perfectionism construct in personality disorders, 37830
covert assertion in cognitive behavior therapy, management of & coping with back pain & medication misuse, female 55 yr old psychiatric patient, 1 yr followup, 34426
crack cocaine abuse & sexual behavior & sexually transmitted disease, psychiatric patients, 1909
current perspective on mental illness & death of poet R. Fergusson, Scotland, 17632
decision tree for clinical problem solving in management of alcohol or drug abusing psychiatric patients, VA hospital staff, 23252
demographic & clinical & service characteristics, clients served in inpatient & outpatient & partial care programs of private psychiatric programs, 1986, technical report, 11064
demographic & clinical characteristics, psychiatric patients treated by private psychiatrist vs public health system, Denmark, 7054
demographic & diagnostic & symptomatic variables, twin vs singleton child psychiatric patients, 13636
demographic & diagnostic characteristics, repeat users of psychiatric emergency service, 5 yr study, 38975
desipramine, steady state serum concentrations of desipramine & 2-hydroxydesipramine, 6–12 vs 13–18 vs 19–67 yr old psychiatric patients, 2683
detection of substance use disorders in acute care psychiatric settings & role in diagnosis & treatment & planning, severely mentally ill patients, conference presentation, 38948
development & reliability & validity of psychiatric nursing classification system, patients, China, 33513
development & reliability & validity of Adult Attachment Dimensions Questionnaire, assessment of security in relationships, psychiatric outpatients vs normal adults, 20059
development & validity & internal consistency & discriminatory ability of short form of Children of Alcoholics Screening Test, substance abusers vs psychiatric patients vs medical students, 43768
developmental model of group behavior, males vs females in short term inpatient group, implications for psychological growth of females, 14580
diagnostic utility of Millon Clinical Multiaxial Inventory-I vs Millon Clinical Multiaxial Inventory-II, assessment of DSM-III-R disorders, psychiatric patients, 35894
difficulties & opportunities in inpatient cognitive therapy, psychiatric inpatients, 7149
discharge policy & selection for community reprovision, patients at mental hospital scheduled for closure, England, 42764
discriminant validity of Common Beliefs Survey, psychiatric patients & hospital staff members & college students, 3965
discussion of violence in psychiatric evaluations, recently violent psychiatric patients, 5755
dissociative disorders & childhood trauma & comorbid diagnoses, psychiatric patients, conference presentation, 45405
dissociative psychopathology, psychiatric inpatients, conference presentation, 5772
do-not-resuscitate orders, depressed elderly psychiatric inpatients, 6446
dorsolateral prefrontal leukotomy, neurological functioning, 54–82 yr old psychiatric patients, 18803
dynamic psychotherapy vs cognitive behavioral therapy vs good clinical care, psychiatric patients, 42195
educational issues in prevention of sexual exploitation of patients, psychiatrists, 15237
ego defense mechanisms & diagnosis & suicide attempts or ideation, 12–16 yr old psychiatric patients, 13891
emergency room disposition, professionally vs nonprofessionally referred psychiatric patients, 19166
employee vs supervisor ratings of motivation & work adjustment, participation & readiness for competitive employment, 21–75 yr olds in psychiatric vocational rehabilitation, 3124
English Court of Appeal ruling on confidential information, convicted murderer confined in psychiatric hospital & his psychiatrist, England, 31768
environment & staffing levels & rehabilitation outcomes at hospital hostel, patients transferred from psychiatric hospital, England, 46861
equivalence of MMPI & MMPI-2 scores, 18–61 yr old psychiatric patients, 12006
ethical & other issues in participation in longitudinal research & implementation of 2 yr followup tracking system, chronic or long term psychiatric patients, 38946
ethnicity & pay code & diagnostic category, length of psychiatric inpatient treatment, male vs female patients, 42890
etiologies & risk factors & manifestations of delirium, 60–88 yr old psychiatric patients, Finland, 1–4 yr followup, 45390
evaluation & dual diagnosis & treatment of primary substance abuse & psychiatric disorders, 1.2–18.4 yr old psychiatric inpatients, 21659
evaluation of psychiatric hospital vocational rehabilitation program, 18–60 yr old psychiatric patients, Canada, 38965
evaluation of supportive housing program, former residents with history of psychiatric illness, Canada, 2989
experience of & attitudes toward assault by patients, psychiatric hospital nurses, 31144
experience of sexual abuse, sex typed roles & sexual self concept, abused male 13–18 yr olds vs psychiatrically treated nonabused males, 29804
Experience Sampling Method, assessment of temporal & interpersonal & ecological contexts of anger, hospitalized male 22–38 yr old violent forensic patients, 9769
experiences & complex partial epileptic temporal lobe signs, normal 18–61 yr olds vs 18–55 yr old psychiatric vs epileptic patients, 21652
expressed emotion attitudes toward patients, behavioral characteristics of staff patient interactions, community facility staff members & 23–76 yr old mentally ill patients, England, 30839
expressed emotion in relationships & staff stress & coping & job satisfaction, long term residential care staff & 22–76 yr old mentally ill patients, England, 30913
factor analysis, multidimensional ordering of psychopathology, 16–86 yr old psychiatric patients, 21698
factor structure of Beck Scale for Suicidal Ideation, psychiatric inpatients, 24151
factor structure of Levels of Attribution & Change Scale, assessment of attribution for psychological distress, medical & psychology students vs 19–76 yr old psychiatric patients, Germany, 43763

factor structure of WAIS-R, 16–85 yr old psychiatric patients, 4075
factorial validity & reliability of Dutch version of Resistance Toward Hypnosis Scale & Phenomenology of Consciousness Inventory, 15–61 yr old psychiatric patients, Netherlands, 43783
false consensus effect in estimates of prevalence of others' behaviors & beliefs & traits, 18–59 yr old psychiatric patients vs college students, 41463
family psychodrama therapy, child psychiatric patients & their families, 34450
feasibility of computerized psychological testing, psychiatric outpatients, Netherlands, 35916
feasibility of development of short version of Task Oriented Assessment portion of Bay Area Functional Performance Evaluation, 14–70 yr old psychiatric patients, 24140
focal EEG & visual EP changes vs epileptiform activity, response to anticonvulsants & neurological complications, psychiatric patients, Mexico, 18373
format of support group within family services program, female 13 & 17 yr old siblings of psychiatrically hospitalized children, 46582
frequency & distribution of computerized tomography scanning of head & EEGs & brain MRI, general hospital patients with mental disorders, 19167
frequency & duration & emotional impact of & other issues in seclusion, psychiatric patients, 11049
frequency of repeat visits & client characteristics, VA psychiatric emergency service patients, 1 yr study, 38954
general event representations, 5–8 yr olds in psychiatric clinic, Netherlands, 21736
generalization of skills taught by occupational therapists, adult psychiatric clients, 27171
group psychotherapy, acute psychiatric patients in therapeutic community, 1977–90, Finland, 26596
guidelines for assessment of competency to agree to treatment plans, psychiatric patients, implications for therapist's liability, 37654
guidelines for disclosure of information under Americans with Disabilities Act, psychiatric patients, 29567
head computerized tomography scan, diagnosis or treatment change, child & adolescent psychiatric patients, 21697
heavy metal music vs rock music, mood, 12–18 yr old psychiatric inpatients, music therapy implications, 21666
history of sexual or physical abuse, victimization, 17 yr old & younger psychiatric outpatients, 6028
HIV seroprevalence, hospitalized homeless mentally ill 18–59 yr olds, 18275
hopelessness & pessimism about future, 12–17 yr old psychiatric inpatients, 37667
hopelessness as predictor of depression persistence, inpatients with major depression, 6 mo followup, 23146
hospital characteristics & diagnoses & staff reasons, use of seclusion & restraint, VA psychiatric patients, 1 yr study, 38943
hospital stay & diagnosis & pathology, 55 yr olds & older in specialty geropsychiatric vs general psychiatric unit, 38962
hydroxylation & desmethylation of clomipramine hydrochloride, 17–73 yr old psychiatric patients, Japan, 46517
ICD-10, identification of hyperactivity & conduct disorder, child psychiatric patients, England, 41519
impact of traumatic events, psychiatric outpatients, implications for PTSD, 9887
impulsiveness & psychoticism & extraversion, elderly functional or organic psychiatric patients, 9776
incidence of trauma & PTSD, clinical vs nonclinical staff at private psychiatric facility vs state psychiatric hospital who were victims of patient violence, 7139
incorporation of least restrictive manner concept in acute partial hospital setting, aggression, 21 yr old female & 30 yr old male patients, case reports, 34945
increased doctor patient contact, frequency of violent episodes, chronic psychiatric inpatients, 1 yr study, 42862
individual vs mental health system vs tangible resource explanations for homelessness, homeless vs domiciled former psychiatric patients, commentary reply, 14947
individual vs mental health system vs tangible resource explanations for homelessness, homeless vs domiciled former psychiatric patients, commentary, 14927
integrative outpatient group therapy, discharged psychiatric inpatients over 60 yrs old, 7084
intensive educational program, knowledge of & attitudes toward psychotropic medications & their side effects, 10–17 yr old psychiatric inpatients, 26719
intensive psychiatric interview during EEG & video monitoring, diagnosis of pseudoseizure & recall of procedure & medical condition, psychiatric patients, 3 yr followup, 5743
internal structure of DSM-III antisocial personality disorder criteria, psychiatric patients, 37831
interpersonal aspect of & integrative approach to decision making, psychiatric emergency room staff, 30932
interpersonal integrative psychotherapy model, chronic processes & dysfunctional behaviors, psychiatric patients, 18520
interrater reliability of ICD-10 diagnostic criteria for 4–76 yr old psychiatric patients, psychiatrists, Egypt & Bahrain & United Arab Emirates & Tunisia & Morocco, 25732
intrasubtest values for WAIS-R subtests, adult psychiatric patients, 11999
issues in & guidelines for legal action & prosecution, assaultive 31 yr old male psychiatric patient, 15825
issues in risk & prevention of suicide, psychiatric patients, literature review, implications for community services, 29755
item endorsement of Eysenck Personality Questionnaire-Revised, female elderly psychiatric patients, 35911
iv haloperidol, injection site reactions, 20–38 yr old psychiatric patients with history of substance &/or alcohol abuse, commentary, letter, 2638
Johnson Behavioral System Model, assessment of behavior change during hospitalization, 12–18 yr old psychiatric patients, 30946
knowledge & opinions & feelings concerning Persian Gulf War, state mental hospital patients, 1991, 5751
knowledge about & expectations of help from & attitudes toward pharmacotherapy, 6–16 yr old psychiatric inpatients, 14662
knowledge of & compliance with lithium therapy, Chinese 16–57 yr old outpatients, Hong Kong, 22738
knowledge of ECT, psychiatric inpatients, implications for patient education, 2697
learned helplessness & explanatory style, depressive vs nondepressive psychiatric patients vs normal college students, Turkey, 1582
legal & ethical issues in consent for adolescent treatment, clinicians, 11322
legal perspective on ethical issues, psychiatric patients, conference presentation, 41473
length of stay & activities of daily living, long term care patients in mental hospital facing closure, Sweden, implications for relocation planning, 42865
length of time on neuroleptic medication, risk of tardive dyskinesia, 19–73 yr old chronic psychiatric patients, 42429
level of improvement & diagnosis severity & minority status & other living arrangements, change in legal status to voluntary commitment, hospitalized psychiatric patients, 19148
lithium carbonate, intracellular lithium & sodium & potassium & lithium ratio, 17–69 yr old psychiatric patients, 6716
lithium citrate, acute agitation, 22–54 yr old psychiatric inpatients, letter, 14705
lithium use, elderly psychiatric patients, literature review, 6726
long term changes after brief dynamic psychotherapy, 20–53 yr old psychiatric patients, 2–4 yr followup, 10490
medical problems, privately insured vs publicly subsidized 5–12 yr old psychiatric inpatients, 29541
merging of erotic paranoid reaction & benign conspiratorial persecution by hospital into messiah complex, 29676
Millon personality profiles, residential substance abuse vs outpatient psychotherapy clients, 5730

mixed gender group psychotherapy, 52–69 yr olds, implications for older females, 14593
mortality rate, long stay hospitalized psychiatric patients, 1972–82, Denmark, 38959
mortality ratio & pattern, 15–91 yr old public mental health inpatients vs outpatients, Singapore, 38815
multidisciplinary intensive vs community based case management vs routine aftercare, rehospitalization & use of ambulatory care, 18–54 yr old psychiatric patients, followup, 7143
multidisciplinary team based individualized residential treatment, children & adolescents with psychiatric disorders, 3 mo followup, comparison with data on acute psychiatric hospitalization, 15015
multisystem mental health service for psychiatric emergencies, 4 & 10 & 14 & 16 yr old psychiatric patients, 30771
naivete & need for affection, male 19–80 yr old pedophiles vs nonsexually deviant psychiatric patients, 5707
negative impact of games of fantasy & role playing in inpatient treatment setting, 15–18 yr old male psychiatric patients, 46877
neuroleptic drugs, plasma & serum phospholipase A2 activity, neuroleptic naive psychiatric inpatients, Switzerland, implications for trait marker for schizophrenia, 46413
neuropsychological functioning, prediction of competence in & acquisition of skills in training programs, psychiatric inpatients, 8 mo study, 23194
neuropsychological functioning, suicidal behavior, psychiatric patients, 9764
neuropsychological rehabilitation, psychiatric patients, 34992
obesity & distribution of adipose tissue, female psychiatric patients taking psychotropic drugs, Australia, 46519
order effects in administration of Booklet Category Test before vs after Wisconsin Card Sorting Test, test scores, 17–71 yr old psychiatric or neurological patients & normal 64–68 yr olds, 24174
parental factors & treatment effectiveness evaluation, 11.4–16.7 yr old psychiatric inpatients vs outpatients, replication, 22993
parental substance abuse &/vs history of physical or sexual abuse, symptoms & diagnoses, 4–14 yr old psychiatric patients, 21721
patient movement for radical reform of psychiatric services, Netherlands, 14951
patterns of psychiatric service use, chronic vs repeater vs 1st time psychiatric patients, New Zealand, 8 yr study, 22999
perceived accuracy & utility & specificity of traditional psychological reports vs computer generated Millon Adolescent Personality Inventory for 13–17 yr old psychiatric patients, hospital staff, 15978
perceived family structure in typical vs conflict situation, nonclinical vs clinical 1st–12th graders, Switzerland, 29544
perceived social support, former psychiatric patients living with family vs in group homes vs independently, 23066
perceptions of difficult to treat short stay psychiatric patients, nurses vs psychiatric residents, 39118
perceptions of parents, adult psychiatric inpatients, 1518
perfectionism, suicide threat & intention unrelated to depression or hopelessness, psychiatric patients, 1823
performing in African drum ensemble & psychiatric rehabilitation, mental health center patients, 46905
pet therapy, interaction, 65–86 yr old psychiatric patients, 10750
phenotyping for metabolism of debrisoquine hydroxylase, 59–96 yr old psychiatric patients, 1555
physical health & presence of comorbid physical illness, chronic community based psychiatric patients, 3 yr followup, 1536
power, choice & responsibility & service & treatment, female long term mentally ill, implications for feminist psychologists, 19020
prenatal care & neonatal outcome, pregnant psychiatric inpatients, 7061
presenting problems & treatment characteristics & resolution at discharge, patients admitted to public psychiatric hospital, 42870
prevalence & correlates of self injurious behavior, inmates vs psychiatric patients at maximum security forensic hospital, 41773
prevalence & severity of cognitive vs somatic depression symptoms, diabetic vs psychiatric patients, 9720
prevalence of diagnosed & undiagnosed physical illness, psychiatric patients, research review, 21708
prevalence of HIV infection, long stay schizophrenic & other psychiatric inpatients, 30943
prevalence of HIV infection, male 18–39 yr old & older psychiatric patients in homeless shelter, implications for preventive intervention, 46002
prevalence of substance abuse & dual diagnosis, inner city psychiatric patients, commentary reply, letter, 9708
prevalence of substance abuse or dependency & dual diagnosis, inner city psychiatric patients, commentary, letter, 9739
prevalence of suicidal behavior, psychiatric outpatients, 17631
prevalence of unsuspected language impairments, 4–12 yr old psychiatric patients, Canada, 37650
previous psychiatric care, 15–29 yr old suicide victims, 18488
prior contact, perceptions of previously mentally disturbed patients, patients' significant others vs townspeople, Nigeria, 45398
private sector delivery of community residential care & partial hospitalization, mentally ill adults, 11031
projective identification & use of object relations & countertransference in training groups of mental health workers & subsequent patient groups, chronic mentally ill, 38493
proximity of hospital admission date to birthday, psychiatric vs alcoholic patients, 27109
psychiatric & demographic characteristics, treatment completing 13–18 yr old psychiatric patients with substance abuse & comorbid psychiatric disorders, 23141
psychiatric day hospital treatment, dysfunction & symptoms, adults with chronic psychiatric disability, comparison with psychiatric inpatients, 38971
psychiatric foster family care & attitudes toward foster family & discharge, psychiatric patients, Netherlands, comparison with data on mental hospitals vs sheltered homes vs day settings, 14980
psychiatric inpatient services, patients with chronic or recurring mental illnesses, UK, 3019
psychiatric resident physician vs researcher recognition of tardive dyskinesia & drug induced parkinsonism, psychiatric inpatients, conference presentation, 5757
psychoanalytic perspective on psychiatric pain & deliberate suffering, 9673
psychodynamic approach to multidisciplinary treatment, hospitalized psychiatric patients, 15029
psychodynamic psychotherapy & cognitive & behavioral & other psychosocial treatment approaches, geropsychiatric patients, 26481
psychological & behavioral characteristics & drug use, sexually abused male adolescent psychiatric patients, 21924
psychopathic personality assessed on DSM-III criteria, prisoners & legally detained hospitalized patients, 17638
psychopharmacological & behavioral interventions & treatment decision strategies, aggressive psychiatric inpatients, 30270

Psychodiagnostic Interview [See Also Diagnostic Interview Schedule]—Serials

assessment interview audit & attendance at marital & sexual difficulties clinic & therapy, clients, England, 38500
characteristics of semistructured & fully structured standardized diagnostic interviews, patients with alcohol abuse or dependence or other use disorders, 21990
clinical evaluation vs self reported experience sampling method, assessment of sadness & irritability & anhedonia, depressed adolescents, 42280
computer assisted interview, clinical assessment of enuresis & encopresis & family problems & services recommended by clinicians, children referred to mental health services, Australia, 2878
concurrent validity & reliability of Structured Clinical Interview for DSM-III-R Axis II vs Millon Clinical Multiaxial Inventory-II, diagnosis of personality disorders, agoraphobic 19–56 yr olds, 4077
counselors' assessment of clients' religious beliefs during intake for treatment purposes, 34330
development & rationale of Symptom Magnification Syndrome Structured Interview, female 43 yr old with occupational overexertion injury, 15964
development & validity & interrater reliability of Suitability for Short-Term Cognitive Therapy interview, 23–62 yr old outpatients with depressive or anxiety based disorders, Canada, 20046
development of interview based Geriatric Depression Rating Scale, 58 yr olds & older, 12010
diagnosis with ICD-10 vs Composite International Diagnostic Interview, clinicians, 5705
diagnostic differences on Dissociative Disorders Interview Schedule, 31–74 yr olds with trance channeling vs multiple personality disorder, 33526
discrepancies between Diagnostic Interview Schedule & psychiatric interview based diagnoses, interviewers & psychiatrists, 9771
discussion of violence in psychiatric evaluations, recently violent psychiatric patients, 5755
effectiveness of Structured Interview of Reported Symptoms, detection of feigned schizophrenia vs mood disorders vs PTSD, male correctional facility residents, Canada, 4078
epistemology & knowledge & other aspects of social work assessment & intervention, homeless, commentary, 2922
epistemology & knowledge & other aspects of social work assessment, 2924
file information with vs without semistructured interview, criminal psychopathology ratings, inmates, 37996
history & rationale & development of Structured Clinical Interview for DSM-III-R, assessment of Axis I disorders, adults, 105
in-person vs telephone interview on Diagnostic Interview Schedule, comparability of results, adults, 112
induced happy vs sad mood, report of lifetime symptoms of major depression & dysthymia, female college students, implications for diagnostic interviewing, 37690
intensive psychiatric interview during EEG & video monitoring, diagnosis of pseudoseizure & recall of procedure & medical condition, psychiatric patients, 3 yr followup, 5743
internalizing vs externalizing problem, concordance between mother & child symptom reports on Child Assessment Schedule, nonreferred 6–7 vs 8–12 yr olds & their mothers, replication, 45342
interrater reliability of psychiatric diagnoses based on structural interview, psychiatric patients with vs without psychoactive substance use disorders, 25640

interview assessment of patient's dangerousness to others, psychiatric emergency room clinicians vs psychiatrists, 5764
interview skills, recognition of psychiatric disorders, physicians, 19393
Knowledge Base 2.1 computer program for administration of structured interview for differential diagnosis, chemically dependent patients with mental illness, 1887
Millon Clinical Multiaxial Inventory vs Personality Disorder Examination, assessment of personality disorders, psychiatric patients, 39826
preinterview information about client, clinical impressions & interview behavior, 25–53 yr old counselors, 2455
prevalence of undetected alcohol dependence, 18–85 yr old outpatients at mental health clinic, implications for quality assurance of mental health services, 2899
procedural validity of Standardized Polyvalent Psychiatric Interview, multiaxial assessment of psychopathology & somatic disturbance & social problems & supports & premorbid personality, outpatients, 39812
ratings of MC Structured Interview, assessment of disruptive adolescents, mental health professionals & graduate students, 28014
reliability & diagnostic concordance of structured interview & self report questionnaires, diagnosis of personality disorders, research review, 15970
reliability & validity of diagnosis & symptom scale scores of structured assessment interviews relevant to DSM-III-R, children & adolescents, research review, 20032
reliability & validity of Diagnostic Drawing Series art therapy assessment interview, 35902
reliability & validity of psychiatric social history data in structured vs unstructured human vs computer structured interviewing, parents of psychiatric patients, implications for social work, 41400
reliability & validity of Structured Interview for DSM-III diagnosis of personality disorder, adolescents with affective disorders & their parents, reprint, 68
self report of eating & weight concerns & depressed mood, scores on structured clinical interviews for anorexia & bulimia nervosa & mood disorders, female 12–19 yr olds, 2084
self reported vs interview rated negative mood, prediction of thought disturbance, medicated schizophrenic patients, 6 mo followup, 15952
structured interview for assessment of DSM Axis I & II psychopathological states, astronaut candidates, 27639
structured interview vs observational method, assessment of complexity & frequency of communicative behaviors, profoundly mentally retarded adolescents & adults, 29965
techniques for interviewing somatizing patients, liaison psychiatrists, 41944
test retest & interrater reliability of Structured Clinical Interview for DSM-III-R, assessment of Axis I disorders, psychiatric patients vs nonpatients, US & Germany, 113
test retest reliability & validity of Structured Interview for Sleep Disorders According to DSM-III, patients with sleep disorders, 43781
use of Explanatory Model Interview Catalogue, diagnosis of mental illness, 18–68 yr olds with leprosy, India, implications for cross cultural psychiatry, 6267
utility & discriminant validity of Autism Diagnostic Interview vs DSM-III-R criteria vs clinician's diagnosis, autistic & developmentally impaired 11–26 yr olds, France, 22069
utility & reliability & validity of self report & interviewer measures, epidemiologic assessment of personality disorder diagnoses, 33714
validity & reliability of diagnostic interviews, assessment of alcohol & other drug use disorders, 17999
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care vs nursing home residents, commentary reply, letter, 39861
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care vs nursing home residents, commentary, letter, 39851
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care patients vs nursing home residents, 20075
validity of Structured Clinical Interview for DSM-IV Dissociative Disorders, Vietnam combat veterans with vs without PTSD, 43745

Psychodiagnostic Interview [See Also Diagnostic Interview Schedule]—Books

Psychodiagnostic Typologies—Serials

adaptation of DSM-III for diagnosis of addiction to playing pinball machines, 25 yr old male, case report, 5992
agreement among & criteria for substance abuse disorders in DSM-III-R vs DSM-IV vs ICD-10, adults, 33875
agreement between ICD-10 & DSM-III on diagnoses of substance dependence & abuse or harmful use, psychiatric substance abusing patients, 33872
agreement in clinical diagnosis of Alzheimer's disease & other dementias using DSM-III-R criteria, 74 yr olds & older & clinicians, Sweden, 10357
alternative to experimental exclusion criteria & definition of crossed aphasia, right handed female 72 yr old & male 73 yr old with right brain hemisphere lesions, 30174
alternatives to Global Assessment of Functioning Scale & separation of symptoms & social functioning on scale, revision of Axis V for DSM-IV, 7998
attitudes toward DSM-III-R & ICD-10 diagnosis of somatization disorder, psychiatrists, UK, 43110
background & process for development of diagnostic criteria for substance use disorders section of DSM-IV, 41760
behavioral assessment & DSM-III perspective on psychopathology, 25642
behavioral assessment & DSM-IV syndromal classification scheme, 25641
benefits & risks of proposed DSM-IV category for trance & possession disorder as dissociative disorder, 17711
bizarre delusions, schizophrenic patients, implications for DSM-IV, commentary reply, letter, 45504
bizarre delusions, schizophrenic patients, implications for DSM-IV, commentary, letter, 45538
boundaries between diagnostic criteria for bipolar disorder & other psychiatric diagnoses, 13706
case finding performance of Geriatric Mental State vs DSM-III vs Phobic Disorders Screen, identification of phobic disorder in elderly, 65 yr olds & older, 39811
catatonia as separate category in DSM-IV, commentaries & reply included, 21693
changes in 5th Edition of Addiction Severity Index, 22002
characteristics of & proposed diagnostic criteria for irritable vs hyperthymic variants of cyclothymia, 33579
characteristics of DSM-III-R Axis II criteria sets & implications for validity of personality disorder assessment, 33718
classification criteria & theoretical distinction between access vs storage deficits, patients with acquired cognitive disorders, 34220
classification of attention deficit hyperactivity disorder, 1st–4th graders, 22063
classification of child & adolescent psychiatric disorders, 13687
classification of delirium subtypes, elderly hospitalized medical patients, 30051
classification scheme & etiologies, patients committing arson or juvenile arson associated vs unassociated with mental or medical or neurologic disorders, treatment implications, 10091
classification scheme for sex offenses, convicted males, conference presentation, 10095

clinical & biological validity of DSM-III melancholia category & cluster analytically derived classification, depressed adult males, 9818
clinical characteristics & classification & mental health care system use during Persian Gulf War, Army soldiers with combat stress, 1990–91, conference presentation, 7059
clinical classification & postmortem diagnosis of dementia, Sweden, 22362
clinical management & psychodynamics of gender dysphoria, reference to genital mutilation in DSM-IV, 4–5 yr old males, case reports, 46213
cluster analysis of Child Behavior Checklist & development of classification system, male 6–11 yr olds with behavior disorders, 17909
cluster analysis of classification & resident matching system, mentally ill residents in group homes, 30909
coherence & unidimensionality of & DSM-III-R criteria for alcohol dependence syndrome, male alcohol dependent 15 yr olds & older in hospital vs community, India, 13961
computer assisted training of DSM-III—R in counselor education, 47017
conceptual history & classification & diagnosis of schizophrenia, 45487
concordance & degree of overlap among diagnostic systems, schizophrenic patients in acute vs residual phase, 37732
concurrent & predictive validity of schemes for classification of alcoholism types, alcoholic patients, 13914
considerations in classification of pervasive developmental disorders, 22083
creation of cognitive disorders category & other proposed changes in DSM-IV based on knowledge about CNS dysfunction, 17664
cultural & societal differences in symptomatology & need for caution in application of ICD-10 diagnostic criteria, schizophrenic patients, 25812
cultural beliefs & social construction of PMS & proposed diagnostic category of late luteal phase dysphoric disorder, 2159
cultural constructivist perspective on psychiatric classifications of mental disorders from DSM-I to DSM-III-R, US, 1595
cultural illness & development of culturally sensitive DSM-IV criteria for PTSD, Cambodian refugees & traditional healers, commentary, 9886
cultural issues in proposed DSM-IV classification of trance & possession disorder as dissociative disorder, 29551
culture specific features & diagnostic criteria & issues in DSM-IV classification, patients with amok, 5989
current DSM-III-R diagnostic criteria for antisocial personality disorder & recommendations for DSM-IV, 37849
current status & modifications of diagnostic criteria for schizoid personality disorders, implications for DSM-IV, 37832
demographics & DSM-III stipulated properties & symptomatology, patients with DSM-III schizophrenia vs nonschizophrenic vs schizophrenia related psychoses, 1720
development & changes in criteria in DSM-III-R, pervasive developmental disorders & autism, 22094
development & components of ICD-10 & Schedules for Clinical Assessment in Neuropsychiatry, 29490
development & reliability & validity of psychiatric nursing classification system, patients, China, 33513
development & reliability of Composite Diagnostic Evaluation system for psychiatric classification & research, 41460
development & validity of Wing Subgroup Questionnaire, subclassification into aloof vs passive vs active but odd subgroup, 4.8–20.1 yr olds with autism or pervasive developmental disorder, 39800
development of defense mechanism axis for DSM-IV, 29515
development of DSM-IV criteria for panic disorder, 29719
development of empirical typology for treatment matching, convicted DWI offenders, 7285
developmental aspects of DSM-III-R criteria, 1.6–31 yr olds with autism or nonautistic developmental disorders, reanalysis of 1988 data, 22092
developmental psychopathological model for diagnosis & classification & development of made-to-measure treatment planning, children with autism or related pervasive developmental disorders, 29950
diagnosis with ICD-10 vs Composite International Diagnostic Interview, clinicians, 5705
diagnostic category of delirium in current classification schemes, 37659
diagnostic criteria for alcohol abuse & dependence in ICD-10 vs DSM-III-R vs proposed DSM-IV, 17996
diagnostic criteria for passive aggressive personality disorder, 37834
diagnostic criteria for proposed DSM-IV category Psychological Factors Affecting Physical Condition, 26213
diagnostic subgroup based on DSM-III-R & D. Double's cluster analysis, clinical & treatment characteristics, 17–68 yr olds with psychotic vs nonpsychotic mania, France, 37755
diagnostic validity & dimensional model of passive aggressive personality, 1794
diagnostic validity of DSM-III-R formulation of seasonal pattern as modifier for recurrent mood disorders & comparison with seasonal affective disorder, 41532
discrepancies between Diagnostic Interview Schedule & psychiatric interview based diagnoses, interviewers & psychiatrists, 9771
distinctions between diagnostic classification & description & measurement, schizophrenic patients, 29715
DSM-III criteria for panic disorder & psychiatric hospitalization & emergency room use for emotional problems & suicide attempts, noninstitutionalized adults, 9892
DSM-III-R & ICD diagnostic criteria, assessment of psychiatric disorders, mentally retarded, research review, 22133
DSM-III-R & ICD-10 diagnostic groups, treatment planning & prognosis, 22466
DSM-III-R, assessment & diagnosis of maladjustment, non-Western patients, 1552
DSM-III-R handling of Asperger's syndrome, letter, 21898
DSM-III-R personality disorder scale scores & Eysenck's Personality Questionnaire dimensions, medical students, 13854
DSM-III-R vs Childhood Autism Rating Scale, psychodiagnosis, 2–34 yr olds, 22090
DSM-III-R vs proposed DSM-IV Option 1 vs 2 criteria for & prevalence & overlap in diagnostic categories of alcohol abuse & dependence, adults, 1988, 25983
DSM-III vs DSM-III-R criteria, rates of personality disorder diagnosis, 21–65 yr olds, 5964
DSM-IV classification of adjustment disorders, 25742
empirical basis for self defeating behavior disorder diagnostic criteria & category, 17872
empirical classification of & DSM-IV diagnostic criteria for eating disorders, females with eating disorders not otherwise specified vs anorexia nervosa vs bulimia, 14108
epidemiology & clinical features of & DSM-III diagnostic criteria for depression, 18–65 yr olds & older, 13746
evaluation of clinical descriptions & diagnostic guidelines for classification of mental & behavior disorders in ICD-10, 25665

nosological issues in diagnostic concept of schizophrenia, 25804
nosological view of hysterical conversion, 13833
nosology & taxonomy & classification of functional psychoses, 45530
nosology & taxonomy & classification of functional psychoses, 45525
nosology of psychosis using ICD-9 vs ICD-10 vs DSM-III-R adult criteria, psychotic 5–16 yr olds, India, 33637
onset & hospitalization duration & frequency of admissions & family history & other variables, long term hospitalized patients with systematic vs unsystematic chronic schizophrenia, 5 yr followup, 9850
overlap of symptoms & criteria in mixed anxiety & depression diagnostic category, patients with major depression vs generalized anxiety disorder, conference presentation, 33541
paradigm for teaching counselors to use DSM-III—R with ethnic minority clients, 47049
pathological gambling, 11–16 yr olds, UK, test of proposed DSM-IV-Juvenile classification criteria, 5988
phenomenology & guidelines for evaluation & classification of possession states, 21715
polydiagnostic approach to relationship between self perceived cognitive disorders & diagnostic criteria, schizophrenic patients, 29701
predefined categories vs intuitive clustering, cognitive operations in diagnostic classification of behavioral symptoms, expert vs novice diagnosticians, Netherlands, 13621

prevalence & diagnostic validity of dysthymia, 19–20 yr olds with dysthymia &/vs major or recurrent brief depression, 1978, Switzerland, 10 yr study, 41529
prevalence & population estimates of ICD-10 defined harmful use of alcohol & alcohol dependence syndrome, adults, 1988, 33848
prolactin responses to haloperidol, Kraepelinian vs non-Kraepelinian schizophrenic patients, implications for diagnostic criteria & systems, 17810
proposal to eliminate term "organic" & reclassification of organic mental disorders for DSM-IV, commentary reply, letter, 13681
proposal to eliminate term "organic" & reclassification of organic mental disorders for DSM-IV, commentary, letter, 13669
proposal to eliminate term "organic" & reclassification of Alzheimer's disease & other organic mental disorders for DSM-IV, commentary, letter, 13678
proposed changes to DSM-IV based on etiological relationship between secondary disorders & organic mental disorders, literature review, 17655
proposed DSM-IV category for trance & possession disorder as dissociative disorder, 17684
proposed mild neurocognitive disorder category in DSM, 38247
proposed Z Code diagnostic category in DSM-IV for & cultural sensitivity to nonpathological psychoreligious or psychospiritual problems, 13253
prototypical analysis of validity of diagnostic criteria for antisocial personality disorder, adults, 13855
psychological & physiological distinctions between categories of classic vs anticipatory vs cognitive panic attack, implications for theory & research & treatment, erratum, 5941
psychometric properties of DSM-III-R criteria for autism, 22087
psychopathic personality assessed on DSM-III criteria, prisoners & legally detained hospitalized patients, 17638
psychopathology & classification & pathophysiology & treatment of obsessional slowness, 45576
psychosocial factors & other aspects in DSM-III-R diagnosis of psychosomatic disorders, 26170
rates & reliability & validity & factor structure of standard vs restrictive Research Diagnostic Criteria vs DSM-III-R diagnoses of antisocial personality disorder, cocaine abusers, 45708
reliability & efficiency of DSM-III & DSM-III-R borderline personality disorder diagnoses & covariation with other personality disorders, meta analysis, 9906
reliability & validity of Schedule for Nonadaptive & Adaptive Personality & DSM-III-R Axis II ratings, dimensional assessment of personality disorder, college students vs psychiatric inpatients, 24113
reliability of DSM-III-R & alternative definitions of bizarre delusions, raters, 45410
reliability of DSM-III-R anxiety disorder diagnosis, 19–64 yr olds, 37786
reliability of DSM-III-R vs ICD-10 diagnostic criteria, 25–62 yr olds with affective or psychotic disorders, Germany, 45383
reliability of psychiatric diagnoses based on ICD-9 vs ICD-10 vs DSM-III-R, Arab psychiatrists, 41497
religiosity & reliability & validity of DSM-III, 25661
role of culture in DSM based psychiatric diagnoses, 17722
self report questionnaire ratings of DSM-III-R criteria for narcissistic personality disorder, 18–70 yr old psychiatric patients vs their informants, 17873
severity of DSM-III-R alcohol dependence indicators & medical & social consequences, alcohol treatment program patients, 41717
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37822
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37846
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37842
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37824
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37828
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37825
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary reply, 37848
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37829
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders & alcohol abuse & dependence in DSM-III-R, commentary, 37836
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37845
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37826
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37841
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, commentary, 37835
shortcomings of & Big Five & other alternatives to categorical diagnosis of personality disorders in DSM-III-R, 37847
social constructionist perspective on DSM-III-R definitions of paranoia vs delusion, 21701
sociodemographic & diagnostic & clinical characteristics, 4–17 yr olds with simple vs social phobia, analysis of DSM-III-R subtype criteria, 37811
structured skill approach to teaching assessment & diagnosis within DSM-III—R framework, 47016
substance use disorder diagnosis rates of DSM-III vs DSM-III-R vs ICD-10, data from DSM-IV Substance Use Disorders Field Trials, 41720
taxonomic adequacy of DSM-III-R category of PTSD, 5945
teacher ratings & factor structure & internal consistency & external validity of attention deficit hyperactivity disorder items in DSM-III-R, 6–12 yr olds, 45797
teacher ratings of DSM-III-R criteria for attention deficit hyperactivity & oppositional defiant & conduct disorders, 5–14 yr old males, erratum, 21651
test retest & interrater reliability of Structured Clinical Interview for DSM-III-R, assessment of Axis I disorders, psychiatric patients vs nonpatients, US & Germany, 113
transpersonal psychology approach to psychoreligious/religious/spiritual dimensions of healing & proposal of diagnostic category for DSM-IV, literature review, implications for clinical practice, 9719
trends in psychiatric classification & nosological differentiation, US, conference presentation, 21629
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, commentary reply, 11575
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, commentary, 11582
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, commentary, 11579
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, 11574
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, commentary, 11588
unsuitability of DSM-III-R for school psychology practice & functional analysis of behavior as alternative, commentary, 19642
use & reliability of DSM-III-R psychiatric diagnosis in forensic settings & legal proceedings, 11861

use of DSM-III-R criteria for generalized anxiety disorder for studies of anxiolytic efficacy, literature review, 34562
utility & discriminant validity of Autism Diagnostic Interview vs DSM-III-R criteria vs clinician's diagnosis, autistic & developmentally impaired 11–26 yr olds, France, 22069
utility & reliability & validity & research implications of categorical vs dimensional classification systems for personality disorders, 33725
utility of components of borderline personality construct, prediction of response to psychotherapy, bulimic patients, 46229
utility of DSM-III-R criteria for adjustment disorder assessed by intradaily mood variability, patients with adjustment disorder & depressed mood vs major depressive episodes, 41480
utility of Dutch adaptation of longitudinal self report Moos Menstrual Distress Questionnaire, assessment of symptoms & diagnostic criteria, female 18–46 yr olds with PMS, Netherlands, 2 yr study, 28071
validity of & issues in diagnostic category of mixed anxiety & depression, conference presentation, 33511
validity of DSM-III-R vs developmentally based diagnoses of oppositional defiant & conduct disorder, male 7–12 yr olds with disruptive behavior problems, 45650
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, 1701
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, commentary, 45429
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, commentary reply, 45478

Psychodiagnostic Typologies—Books

Diagnostic criteria for functional psychoses (2nd ed.), 13810
"Make-believes" in psychiatry or the perils of progress. Clinical & experimental psychiatry monograph, No. 7, 25674
The science of mental illness, 9786
The selling of DSM: The rhetoric of science in psychiatry. Social problems and social issues, 9787

Psychodiagnostic Typologies—Chapters

Adolescents with borderline personality disorder: An interpersonal-systemic view, 5976
Antisocial personality disorder and addictions, 29525
Broadening the scope of classification research: Conceptual and ecological perspectives, 33957
Classification and diagnosis, 29996
Classification and epidemiology, 41455
The classification of abnormal behavior: An overview, 33501
Classification of learning disabilities: Relationships with other childhood disorders, 33952
Classification of pain, 30097
Comparative analysis of alcoholism in ten cultural regions, 1952
The concept of narcissism and the narcissistic personality disorder, 29753
Current concepts and classifications of psychopathic disorder, 41660
Depressive disorders, 29658
The developmental perspective in classification, 5791
A developmental structuralist approach to the assessment of adult personality functioning and psychopathology, 45607
Diagnosing personality disorder in Africans (Blacks) using the Azibo nosology: Two case studies, 17883
A diagnostic proposal with neurochemical underpinnings, 33819
Dissociative and conversion disorders, 13850
Do diagnostic labels hinder the effective treatment of persons with mental disorders?, 5798
A funny thing happened to us on the way to the latent entities, 119
The individual psychological viewpoint of the psychosexual disorders, 29528
Issues in empirical versus clinical identification of learning disabilities, 33956
Learning disabilities: A neuropsychological perspective, 6161
Linking purpose and practice: Social-political and developmental perspectives on classification, 33954
Major Depressive Disorder during childhood, 29656
The MCMI as a predictor of DSM-III diagnostic categories: A review of empirical research, 16013
The MCMI-II personality disorder scales and their relationship to DSM-III—R diagnosis, 16017
Models of classification as related to a taxonomy of learning disabilities, 33950
Personality disorder in perspective, 41663
Psychiatric diagnosis and behavioural assessment, 20063
Psychiatric problems in mental retardation, 41889
The psychodiagnosis of everyday conduct: Narcissistic personality disorder and its components, 5975
Schizophrenia and delusional disorders, 29718
Steps towards a classification of alcoholism: Lessons from adoption studies, 13993
Taxonomy of internalizing disorders of childhood and adolescence, 1635
Treatment implications of a hybrid model for the classification of alcoholism, 18046
Validity of taxometric inferences based on cluster analysis stopping rules, 5857

Psychodrama—Serials

cultural approach to prewarm-up techniques in psychodrama groups, participants, USSR, 10559
dramatic transference in psychoanalysis vs drama therapy, 22499
experiences in psychodrama course, college student, 19496
family psychodrama therapy, child psychiatric patients & their families, 34450
incorporation of Stanislavski method into drama & other therapies, 18543
procedure of processing in psychodrama training, students & trainers, 11247
process of enactment in psychodrama & family therapy & psychoanalysis & role in family psychodramatic techniques, family with delayed mourning, conference presentation, 34335
professional roles & skills & behavior, psychodramatists, 11287
psychodrama & spontaneity training in day care support program, patients with Alzheimer's disease, 34887
psychodramatic group psychotherapy, 35 & 41 yr old female survivors of childhood abuse with multiple personality or dissociative disorder, 26587
purpose & strategy of magic shop in psychodrama, 18510
reminiscence groups using traditional verbal format vs psychodramatic techniques, group functioning, 62–87 yr old geriatric psychiatric patients, 34456
theory & processes of psychodrama, clients, 14588

Psychodrama—Books

Focus on psychodrama: The therapeutic aspects of psychodrama, 6854
The inner world outside: Object relations theory and psychodrama, 22537

Psychodrama—Chapters

Psychodrama in the treatment of multiple personality disorder: A process-theory perspective, 30344

Psychodynamics—Serials

affective & cognitive components in psychodynamic meanings of suicide, 9932
aging & ambivalence theory of psychodynamics of Capgras syndrome as experienced by W. S. Maugham, 29706
auditory thresholds & psychological factors, 16–59 yr olds with auditory disability with normal hearing, Wales, 2353
behavioral problems & psychodynamics associated with dissociative disorders, sexually &/or physically abused children, 33790
clinical management & psychodynamics of gender dysphoria, reference to genital mutilation in DSM-IV, 4–5 yr old males, case reports, 46213
cognitive process & style & stress & alexithymic characteristics, pain duration & intensity, adult chronic headache sufferers, 22189
correlates of death depression vs anxiety, 16–82 yr olds, 25582
correlates of liking for 70 yr old & older patients, HMO internists, 27290
demographic characteristics & psychological correlates, business ethics orientation, high level executives, 35558

diagnostic problems & barriers to treatment of & biological differences in mental health problems, foreign vs American born Asian elderly, literature review, 5775
emotional & behavioral & academic adjustment correlates of antisocial behavior, 13–16 yr olds, 40935
expression of psychodynamic forces & indication of superego pathology in Modigliani's paintings, 4981
Freudian vs psychodynamic vs cognitive perspectives on & educational use of humorous slip-of-the-tongue, 12952
functional vs early individual vs autonomous vs confusional mode of interaction & personality, health behavior change resistance, adults at risk for coronary heart disease, Finland, 22973
historical review of depression & psychological suffering due to stigma of epilepsy in writer M. de Assis, Brazil, 26295
history of APA's involvement in & panel conclusions about psychological factors in abortion, 6901
integration of systemic perspective & psychodynamic & behavioral aspects in treatment, troubled children & their families, 6614
integration of theories of etiology of addiction & compulsive consumer behavior, drug addicted & alcoholic adults, 6059
interpersonal & psychodynamic aspects of referral process, dental specialists vs general practitioners, 19004
juvenile awareness program, social & psychological effects, adult inmate counselors, 39062
liver disease & mental health & encephalopathies & associated disorders, literature review, 2123
long term psychological sequelae of physical & sexual abuse, children, literature review, 41673
managed care system, adjustment & preexisting psychological characteristics, newly trained young psychiatrists, 11280
mediating psychological states in job characteristics & design, lower level managers, test of J. R. Hackman's & G. R. Oldham's Job Characteristics Model, 19723
narcissistic & borderline personality dynamics & national need for confrontational leader following end of Persian Gulf War & lack of enemy in presidential election, 1992, 13327
nonpharmacological treatment, psychological side effects, tension & migraine headache patients, 26836
object relations & female development perspectives on psychological merger in lesbian relationships, 9486
outcome expectancy & psychological predictors of unobserved physical activity, self efficacy self report vs motion sensor accounts, college students, 7708
parental violence & self esteem & defense mechanisms & psychotic symptomatology, intergenerational transmission of violent behavior, violent vs nonviolent 12–18 yr old males, Canada, 6029
perceived stress & life changes & psychological & physical distress symptoms, 23–79 yr olds in health promotion vs cardiac rehabilitation program, 38663
personal & psychological characteristics, clinical psychologists treating 0–18 vs 40 yr olds & older, Israel, 43109
personality & perceptions of health status & mood & coping style, medical rehabilitation program effectiveness & attrition, 17–35 yr old Navy trainees with health problems, 7203
perspectives on death & psychological characteristics & religious orientation, interest vs volunteer terminal care work, 18–54 yr olds, Australia, 15011
professional isolation & secrecy & splitting & other psychodynamics in sexually transmitted diseases clinic, clients & health professionals, 23040
psychiatric aspects & management of leech therapy, debridement & revascularization, 18 yr old male & 35 yr old female, case reports, 26891
psychoanalytic approach to unconscious psychology & dynamics of bullfighting & toreros, 23805
psychodynamic approach to unconscious gender defenses & masculine pathology, males, implications for psychotherapy, 41296
psychodynamic approach with hypnosis, stress management, 48 yr old female with work related stress, 2691
psychodynamic factors in pharmacotherapy noncompliance, psychiatric patients, 42430
psychodynamic model of panic disorder, 45571
psychodynamic model of pathogenesis of psychogenic erectile dysfunction & impotence, adult males, psychotherapeutic implications, 34043
psychodynamic perspective on patient therapist collaboration & therapeutic alliance in art therapy, 18827
psychodynamic rationale & techniques for multimodal therapy, 4–15 yr olds with attention deficit hyperactivity disorder & their parents, 6511
psychodynamic theory of prejudice & interpretation of homosexuality in psychoanalytic theory, 45151
psychodynamics & adopted child syndrome, adults adopted as children who commit patricide, 21707
psychodynamics & interpersonal aspects of depression, patients with narcissistic personalities, implications for psychoanalysis, 45599
psychodynamics of antidepressant therapy & compliance, females with bulimia nervosa, 18752
psychodynamics of borderline omnipotence & role in assessment & treatment, 49 yr old male pathological gambler, 6024
psychodynamics of delayed abortion decisions, female 15–40 yr olds, 22895
psychodynamics of sex offenses, therapy with relatives & spouses & parents, sex offenders, recidivism at 2 yr follow-up, 19292
psychodynamics of unprotected intercourse, gay male HIV positive adults, Germany & Sweden, 26221
psychological & EEG correlates, 42 yr old female with caffeine induced panic reaction, case report, 37781
psychological & social influences of names, mental health professionals, 15282
psychological & sociological & environmental factors, adjustment to relocation transition, 1446
psychological aspects of cigarette smoking, young adults, 9 yr study, 1349
psychological characteristics, disabled 21–40 yr olds on wheelchair basketball team, 18202
psychological characteristics of practitioner & practice patterns, predisposition to diagnosis & treatment & referral of substance abusing clients, family physicians, 39124
psychological concerns, caregivers of elderly, implications for psychologists, 38915
psychological correlates, progression of substance abuse, 12–17 yr olds, USSR, translated article, 33826
psychological dimensions & marital adjustment, adults with hypoactive sexual desire or erectile dysfunction &/vs their partners, 10255
psychological dynamics & clinical features, 8–70 yr olds with subtypes of bulimia nervosa, implications for treatment, conference presentation, 14096
psychological factors associated with prolonged care, 45–72 yr old parents caring for their 19–37 yr olds with severe physical disabilities, 30872
psychological factors, gastrointestinal conditions, implications for DSM-IV, 6222
psychological issues & research opportunities in use of animals for food & recreation & other purposes, humans, 28380
psychological mechanisms in personality disorders, literature review, 33716
psychological processes & behavioral treatment, parasuicidal clients, 6588
psychological profile, alcoholic police officers with Vietnam combat related PTSD, implications for alcohol education, conference presentation, 25994
psychological variables, perception & management of & behavioral responses to acute & chronic pain, terminally ill patients, 22251
psychotherapy, spontaneous autonomic nervous system activity & psychodynamics of behavior, female 33 yr old with social phobia, application of nonlinear dynamic theory, 6516
reliability of Karolinska Psychodynamic Profile & Schalling-Sifneos Personality Scale, stable character assessment, 19–63 yr olds with ulcerative colitis assessed before & 16–34 mo after abdominal surgery, 8027
religiosity & attitudes toward Christianity, levels of oral & anal fixation, college students, replication, 29170

self organizing processes & implicit vs explicit anxiety to threat & relation to repression, patients, implications for psychotherapy, 25699
sociocultural vs psychodynamic factors, aggression & crime & violence, 9945
sociodemographic & psychological correlates of drug injection behaviors & drug usage patterns & criminal history, methadone outpatients, 31001
sociodemographics & prior anxiety & war ties, psychological reactions to Persian Gulf War, adults, 6 mo study, erratum, 5611
spousal bereavement, anxiety & depression & depersonalization & self pity & intrusion & alcohol & tobacco & medication consumption changes, 24–78 yr old widows & widowers, Australia, 17536
supervisory perspective on psychodynamic factors in therapist client interaction during psychological assessment after suicide attempt, 25 yr old male & hospital staff, England, 30942
support group with combination of movement exercises & psychodynamic explorations, psychic vulnerabilities in relation to body, HIV positive females, 30584
theoretical model of psychological decision making antecedents & consequences of elective abortion, female 18–27 yr olds, 10941
trauma & psychic loss & delayed mourning, adult female survivors of father daughter incest, implications for treatment, 6085
unintended or adolescent or premarital or other circumstances of pregnancy, psychological responses following abortion, adolescent & adult females, 10917
unrecognized psychosocial & psychiatric factors & clinical diagnosis & treatment, 26–62 yr olds with insomnia, 30031
VDT work content vs distribution vs specialization, psychosocial & musculoskeletal & vision complaint risk, VDT operators, implications for development of common taxonomic assessment of VDT work, 19758

Psychodynamics—Books

The concept of schizophrenia: Historical perspectives, 37757
The psychodynamics of organizations. Labor and social change, 43497

Psychodynamics—Chapters

Behavioral psychotherapy, 42248
Bureaucracy as externalized self-system: A view from the psychological interior, 43500
Charting the psychological correlates of drug abuse, 18048
Children with separation anxiety disorder, 5959
Clinical psychodynamics and integrative psychodynamic therapy, 18611
Heart transplantation, 30685
Integration of psychodynamic concepts into psychotherapy, 29993
The managerial couple: Superior–subordinate relationships as a unit of analysis, 43405
Normal and medically complicated pregnancies, 45940
On the psychodynamics of organizational totalitarianism, 43507
Predictors of suspect and interviewer behaviour during police questioning, 23960
The psychodynamics of a cultural change: Learnings from a factory, 43504
The psychodynamics of safety: A case study of an oil refinery, 43515
Psychological implications of genetic screening, 7021
Reproductive choices and development: Psychodynamic and psychoanalytic perspectives, 45110
Understanding the psychology of global activism, 1197
Validating and demystifying subliminal psychodynamic activation, 4246
Victims of fear: The social psychology of repression, 17593
What do suicides have in common? Summary of the psychological approach, 25962

Psychogenesis [See Also Childhood Play Development, Cognitive Development, Emotional Development, Intellectual Development, Language Development, Moral Development, Perceptual Development, Personality Development, Psychomotor Development, Psychosocial Development, Speech Development]—Serials

assisted reproductive technology & disclosure of biological origin, psychological development & parent child relationship, parents & their children, conference presentation, 26917
conduct disorder, continuities & discontinuities in psychological development & stability & change in behavior, adolescents, conference presentation, 9960
early childhood stress factors & life events, psychological development, healthy adults, Germany, 45262
higher cognitive & psychological development, female 33 yr old with frontal lobe damage at age 7, 10354

Psychogenesis [See Also Childhood Play Development, Cognitive Development, Emotional Development, Intellectual Development, Language Development, Moral Development, Perceptual Development, Personality Development, Psychomotor Development, Psychosocial Development, Speech Development]—Chapters

God-representations in adolescence, 25269

Psychogenic Pain—Serials

clinical features & etiological hypotheses & sex therapy, adult males with psychogenic postejaculatory pain, 41956
extention of range of Multidimensional Pain Inventory, patients with nonorganic chest pain, 30013
hypnosis & family therapy intervention based on attachment & family systems & developmental psychopathology principles, 9–19 yr olds with psychogenic pain & their family members, 6 mo followup, 26850
identification & classification of migraine & distinction from psychogenic headache, children, 2160
3-dimensional tomography of lumbar spine, diagnosis of physical abnormalities, 27 & 52 & 54 yr old males misdiagnosed with psychogenic pain, case reports, 26180

Psychogenic Pain—Chapters

Chronic pain problems and psychiatry, 30091

Psychohistory—Serials

American group fantasy & images of transformation in popular films, 1989–91, 844
autobiography "Memories, Dreams, Reflections" as psychohistory, Jung, 21603
cannibalism & transformation in "The Silence of the Lambs" & psyche & development of serial killers, 843
collective psychology & psychologically informed synthesis interpretation of early modern history, Europe, 33047
eclectic field & models of psychohistory, 39711
fantasy & emotion in "Robin Hood: Prince of Thieves" & psychohistorical insight into 1980s & post-Persian Gulf War society, 848
Freud's analysis of poet H. Doolittle presented as scenes from drama, 6674
group fantasy & identification with & receptivity to imagery in D. Lynch's cult films, 847
group fantasy elements about Persian Gulf War & themes of violence in "Home Alone" & "The Silence of the Lambs", 842
inadequacy of psychohistorical diagnosis of hysteria & postpartum psychosis based on spiritual autobiography, M. Kempe, 14th–15th century, 17690
life & career & public breakdown & political suicide of Senator R. M. La Follette, 33556
psychoanalytic perspective on historical & cultural significance of Freud's art collection & Victorian archaeology of emotions, 5676
psychoanalytic perspective on imagery & paradox of Paradise in early life experiences, Freud, 5666
psychobiographical perspectives on leadership qualities of presidential candidates B. Clinton vs R. Perot vs G. Bush, 1992, 13325
psychohistorical film theory, 841
psychohistorical perspective on delegate roles in presidency of G. Bush, 13328
psychohistorical perspective on doctor patient interaction, doctor & client with intellectual insanity, 19th century, India, 17688
psychohistorical perspective on drop in popularity of President G. Bush following Persian Gulf War, 13345
psychohistorical perspective on economic issues & lack of appeal of candidates in & general mood of presidential election, 1992, 13333

psychohistorical perspective on Freud's judgment of F. Nietzsche's influence on development of psychoanalysis, 43683
psychohistorical perspective on glass delusion & melancholy of body & soul, 1440–1680, Europe, 17725
psychohistorical perspective on intentional violence & dangerousness, political leaders, 21395
psychohistorical perspective on parallels between Arab-Israeli & marital conflict, implications for psychotherapy, 21322
psychohistorical perspective on paranoid schizoid thinking in conservative political ideology, 21797
psychohistorical perspective on personality & politics, F. Mitterand, 21393
psychohistorical perspective on psychosocial aspects & liminality of university experience, Japan, 23430
psychohistorical perspective on role of childhood abuse & other experiences in President G. Bush's conduct of Persian Gulf War, 13336
psychohistorical perspective on troubled family life & relationships, Civil War General W. T. Sherman, 43684
psychohistorical perspective on Viennese modernism & theme of identity crisis, Austria, 19942
psychohistory as theoretical construct in psychotherapy, 22492
reaction of political historical establishment to psychobiographical method, US vs Western Europe, 19945
reaction of political historical establishment to psychobiological method, US vs Western Europe, erratum, 31790
religious experience of modern American spiritual science fiction films, 845
use of psychohistory in psychotherapy, schizophrenic patients experiencing psychological infanticide, 22506

Psychohistory—Books

The making of a mystic: Seasons in the life of Teresa of Avila, 44993
Perspectives on creativity: The biographical method. Creativity research, 1485
Pleasura & realitas: The dialectic of dominating impulses, 33448

Psychoimmunology [See Psychoneuroimmunology]

Psychokinesis—Serials

anxiety & competitive vs noncompetitive psychokinetic random number computer game scores, adults, replication, 44199
methods for enhancement & training of psychokinesis, research review, 16394
parakinetic capacity to influence random noise generator controlling appearance of imprinted object, chicks imprinted on flashing light vs other chick, 32279
paranormal identification of ESP card order by recurrent spontaneous psychokinetic rapping sounds & direct writing, 28364
paranormal identification of ESP card order by recurrent spontaneous psychokinetic rapping sounds & direct writing, Scotland, replication, 28375
paranormal identification of ESP card order by recurrent spontaneous psychokinetic rapping sounds & direct writing, Scotland, replication, commentary, 28365
self rated belief in & reported experience of psychokinesis, self perceived success on psi/random number test, 15–69 yr olds, 8429
value of verification of alleged ESP & macro psychokinesis sensitivities in psi research, 40219

Psycholinguistics—Serials

age & level of hearing loss, metalinguistic word awareness, hearing 4–10 yr olds vs orally vs bimodally educated hearing impaired 6–14 yr olds, 34260
attributions to paralinguistic behavior in cross cultural teacher student, 43277
focal color determination & denotative value of color names, adults, psycholinguistic implications, translated article, 32777
metalinguistic awareness, reading comprehension, 4th graders, India, 17020
perspectives on methodology of historical & future research in psycholinguistics, 40757
psycholinguistic perspective on role of inhibition in spreading activation based models of speech production, 44779
psycholinguistics based approach to analysis of communicative speech semantics, adults, translated article, 36946
role of word class & grammatical gender during lexical access in language production, normal adults vs aphasic patient, Germany, 9028
sociohistorical perspective on development of reading & unification of literacy instruction approaches, special & regular education students, 27571
speech patterns & conceptualization of utility in cognitive maps, Pareto efficiency & integrative solutions, negotiation dyads, 25067

Psycholinguistics—Books

Beginning to spell: A study of first-grade children, 25179
Cursing in America: A psycholinguistic study of dirty language in the courts, in the movies, in the schoolyards and on the streets, 5016
Grammatical categories and cognition: A case study of the linguistic relativity hypothesis. Studies in the social and cultural foundations of language, Vol. 13, 16963
Hand and mind: What gestures reveal about thought, 5017
An introduction to psycholinguistics, 16961
Language: Structure, processing, and disorders. Issues in the biology of language and cognition, 6412
Language diversity and thought: A reformulation of the linguistic relativity hypothesis. Studies in the social and cultural foundations of language, No. 12, 16964
Language processing in Chinese. Advances in psychology, 90, 16306
Psycholinguistics: Psychology, linguistics, and the study of natural language. Amsterdam studies in the theory and history of linguistic science, Series 4: Current issues in linguistic theory, Vol. 86, 40763
Spoken language comprehension: An experimental approach to disordered and normal processing. Issues in the biology of language and cognition, 6414

Psycholinguistics—Chapters

Cues as functional constraints on sentence processing in Chinese, 16320
The future of folk psychology, 27908
Psychological reality of the word in Chinese, 16968
Sentence processing and the mental grammar, 44805
Unifying awareness and on-line studies of speech: A tentative framework, 16967

Psychological Abuse [See Emotional Abuse]

Psychological Adjustment [See Emotional Adjustment]

Psychological Autopsy—Serials

psychiatric risk factors & psychological autopsy, adolescent suicide victims, 37857
psychological autopsy of chronic dyspnea & psychiatric disorders & other risk factors, male 65–93 yr old suicide survivors, 21922
reactions to inpatient or outpatient suicide & role of psychological autopsy, therapists & staff, literature review, 3024
role of APA's expert panel & equivocal death analysis in Congressional review of USS Iowa incident, 1989, 19880

Psychological Correlates [See Psychodynamics]

Psychological Endurance—Serials

background & psychological & biological factors, resiliency to risk, male vs female adult children of problem drinkers & schizophrenic patients at risk for depression, 33491
conceptual & methodological issues in research on resilience, children, 40929
hardiness & job & life stress, illness & absenteeism, police officers, 19921
hardiness, health & illness adaptation, adults, 29517
optimism & hardiness & explanatory style, prediction of well being, attorneys, 43675
perceptions of parent child relationship, stress affected vs resilient 4th–6th graders & their parents, 40912
performance on adjustment measures, stress affected vs resilient 4th–6th graders, 1049
personality based hardiness, psychological symptoms in response to discrimination based stress, Chinese 18–60 yr olds & older, Canada, 29414
personality hardiness & career beliefs & self efficacy & occupational choice status, career self efficacy, college students, 3625

personality hardiness, performance, male high school basketball players, 39533
risk vs family cohesion & locus of control & parental communication & relationship with nonparent adult as protective factors, adaptation & resilience, 14 yr olds, 13115
social psychophysiological perspective on role of hardiness in stress related arousal & appraisal & coping & physical health effects, literature review, 24835
theory & measurement of hardiness & role in illness & psychological distress & neuroticism, literature review, 9706

Psychological Endurance—Books
Strategies for survival: The psychology of cultural resilience in ethnic minorities, 5362

Psychological Endurance—Chapters
Inquiries into hardiness, 33376
Psychological resilience among widowed men and women: A 10-year follow-up of a national sample, 41354
Resilience among profoundly stressed urban schoolchildren, 1144

Psychological Interpretation [See Theoretical Interpretation]

Psychological Reactance—Serials
motivational personality characteristics associated with psychological reactance, college students, counseling implications, 33320
semivoluntary vs mandatory psychological research requirement, attitudes toward psychology & psychological research, college students, test of reactance theory, 15479
use & understanding of discounting principle in overjustification effect in person vs entity focused psychological reactance situations, K–4th graders, 17053

Psychological Report—Serials
Adlerian lifestyle report in assessment & counseling, 32 yr old female, 38427
MR Report Assistant, computer aided reporting of results of mental retardation evaluations, conference presentation, 41882
perceived accuracy & utility & specificity of traditional psychological reports vs computer generated Millon Adolescent Personality Inventory for 13–17 yr old psychiatric patients, hospital staff, 15978
psychiatric assessment protocol, patients with life threatening ventricular arrhythmia with vs without psychological complaints, 1 yr followup, 42016
suppression of psychologist's assessment report in prison setting by management staff, 18 yr old violent & psychotic inmate, organizational & legal implications, 3134

Psychological Report—Books
Psychological report writing (4th ed.), 15233

Psychological Report—Chapters
Comprehensive Forensic Data Organization Sheet: Child and Adolescent Form, 24050

Psychological Screening Inventory—Serials
construct validity of Holden Psychological Screening Inventory, psychiatric patients, 4063

Psychological Stress—Serials
action & spectators' positive vs negative vs lack of response at home vs away game, perception of crisis vs noncrisis psychological arousal during competition, male elite team athletes, Israel, 27742
acute mental stress, lymphocyte population & phytohemagglutinin stimulated T cell mitogenesis, healthy male college students, 20730
acute mental stress, vagal & sympathetic tone & antral motility, healthy 25–60 yr olds vs 18–64 yr olds with functional dyspepsia, 34030
acute psychological stress, lymphocyte proliferation & BP reactivity & immune function, healthy males, 4729
ambulatory self monitoring diary study of mental stress & physical activity triggers of silent vs symptomatic myocardial ischemia, patients with coronary artery disease, 42020
anxiety & heart rate & temporal artery pulse amplitude & muscle EMG & skin conductance & stress related personality measures, headache prediction, female adult migraine sufferers, Netherlands, 22214
behavioral stressor, neuroendocrine & cardiovascular responses & serum lipid activity, 31–59 yr old Type A males, 12687
brief mental arithmetic stressor, age effects on heart rate reactivity & recovery, 6.6–22.3 yr olds, 9104
brief mental arithmetic stressor, salivary cortisol response as indicator of biobehavioral reactivity, college students, Australia, 8791
burden & psychological distress, 60 yr old & older coresident caregivers for elderly stroke vs dementia patients, Australia, conference presentation, 11020
burnout & psychological stress, male vs female mental health & other nurses in 2 vs 3 shift work, Finland, 27295
caffeine & personality dimensions, cardiovascular reactions to mental stress with active vs passive coping, female adults, 20748
cognitive process & style & stress & alexithymic characteristics, pain duration & intensity, adult chronic headache sufferers, 22189
computer system performance, perceived work load & job pressure & control & psychological stress & mood disturbances, office workers, 19704
developmental changes & individual differences, CSF MHPG & plasma cortisol responses to separation induced stress, male vs female rhesus macaques, 16552
differential exposure & vulnerability to chronic financial strain, psychological stress & sense of control, male vs female married vs unmarried 55 yr olds & older, 37219
digit span reverse matching test, topographical distribution of alpha power reduction, medicated vs unmedicated schizophrenic patients, 21820
dopamine vs SKE 38383 vs quinpirole vs sulpiride vs SCH 23390, emotional stress induced colonic motor alternations, male rats, 4752
dose of aerobic exercise, BP response to mental stress, adult females, 32543
exam stress, body temperature & heart frequency & BP & plasma diazepam brain benzodiazepine binding inhibitor, 26–33 yr olds, Italy, 12700
exercise, psychological stress induced motor performance & plasma catecholamine & heart rate & anxiety & cognitive fatigue & sympathetic nervous system responses, 35–55 yr old males, 669
experimental psychological stress, immunological parameters of peripheral blood cells, male 24–55 yr olds, 648
experimental set & setting & expectations, yohimbine induced psychological stress, patients with panic disorder, 33669
general vs specific life event stress, relapse, patients with ulcerative colitis or Crohn's disease, 22256
handwriting analysis, assessment of psychological stress, male 19–21 yr old military paratroopers, Israel, 33327
histaminergic receptor antagonist ranitidine, blood plasma levels of vasopressin & oxytocin & prolactin & ACTH responses to fear related stress, male rats, 28760
immobilization vs signalled shock avoidance stress, hypothalamic insulin & plasma hormones, male rats, 4723
in vitro fertilization procedure vs outcome as source of psychological stress, Iranian females, UK, 26870
intended year of leaving school & psychological distress & work attitudes, 10th–12th graders, Australia, 43299
isolation & confinement & stress & reduced physical activity, BP & blood volume regulating hormones & electrolytes & creatinine & urea, male 25–33 yr old astronauts, Norway, 28640
job quality & prestige & partnership roles & psychological distress, male 25–40 yr olds in dual earner relationships, 21400
laughter vs relaxation training, physiological & psychological stress, healthy 18–42 yr olds, 12713
life stressors & social resources during late middle age, 55–65 yr old problem vs nonproblem drinkers, erratum, 41713
mental & physical stress, cardiovascular response, Type A vs Type B male 37–64 yr olds, Sweden, 16704
mental & physical stress, plasma norepinephrine & epinephrine, healthy males, conference presentation, 4722
mental challenge, plasma norepinephrine & cortisol, females with bulimia, 18149

mental stress following exhaustive vs high vs moderate vs light intensity exercise, heart rate & BP & maximal oxygen consumption, inactive vs sports competitive male 20–35 yr olds, 36692
mirror drawing stress & blood type A vs O, plasma cortisol & very low density lipoprotein toxicity preventing activity, male 46–72 yr olds, 8780
naltrexone, heart rate & BP during arithmetic task, aerobically fit vs nonfit 18–35 yr olds, implications for opioidergic inhibition of circulatory stress reactivity, 20922
nature of stressors & other methodological parameters in short term psychological stress & immune responses, 20751
neonatal exposure to ACTH vs psychological stress, orienting responses & activity level & motor development & emotional states, 1 mo old rhesus monkeys, 8970
neurocardiologic link between emotional stress & arrhythmias & sudden cardiac death, 42022
noncombat psychosocial stress, psychiatric morbidity, 17–54 yr old armed forces personnel, 37671
number of days of restraint induced stress, plasma estradiol & corticosterone & progesterone, inseminated female rats, 4719
number of pregnancies vs births vs abortions & psychological symptoms & stress, body shape & menopause age & symptoms, postmenopausal females, Austria, 12652
objective & subjective burdens & burnout, family & professional caregivers of elderly, 38911
olfactory bulbectomy with vs without psychosocial stress, serum glucocorticoids & sexual behavior, estradiol primed ovariectomized female rats, 12561
parents' negative vs positive affective style, patients' stress indicative nonverbal behavior pattern, parents & their schizophrenic or bipolar manic offspring, 17677
perceived psychosocial work situation & induced psychological stress, pain thresholds, adults, Sweden, 36694
perceived relevance of performance quality & behavioral violations & fairness & officials' response to psychological crisis vulnerability during competition, tennis players & coaches, Israel, 39525
perceived stress & negative life events, common cold susceptibility, healthy adults, England, 22183
personality correlates of cortisol responses to psychological stress, healthy adults, 20754
physiological & emotional stress in swimming, exercise performance & antioxidant & catecholamine response & beta adrenoreceptor binding, male rats, 28639
physiological characteristics of acute vs chronic sociopsychological stress induced by communication box method, plasma corticosterone, male rats, 12694
prenatal stress due to maternal psychological disturbance, behavioral responses to stress, juvenile rhesus monkeys, 44278
preoperative worry, postoperative plasma cortisol & adrenaline & noradrenaline responses & psychological stress, surgical patients, conference presentation, 6956
progressive muscle relaxation training concurrent vs nonconcurrent with psychological stressor, cardiovascular reactivity to stressor, 46–67 yr old patients in cardiovascular rehabilitation, 6867
psychological costs of cancer screening, UK, 10909
psychological performance testing, time course changes in plasma ACTH & epinephrine & serum prolactin & urinary catecholamines, normal vs heroin addicted adult males, 29852
psychological stress & memory scanning speed, nondemented HIV seropositive males, conference presentation, 34097
psychological stress & parental hypertension, BP, Black vs White normotensive 14–15 yr olds, 2225
psychological stress & psychoneurotic complaints & coping style & loneliness, immune response to low dose recombinant DNA hepatitis B vaccine, medical students, 7 mo followup, 36673
psychological stress &/vs isometric exercise, heart rate & BP, 19–41 yr olds, 12683
psychological stress characteristics & psychosocial support in health care, HIV infected adults, Russia, 45974
psychological stress controllability vs predictability, peripheral benzodiazepine receptors, male rats, 4587
psychological stress, EMG activity & pain & negative affective states, patients with episodic tension type headache, 22240
psychological stress following blockage of endogenous opioids with naloxone, heart rate & plasma cortisol levels & beta endorphin like immunoreactivity, female cynomolous monkeys, 32547
psychological stress, proto oncogene expression in peripheral blood leucocytes & other cellular responses, medical students, 44534
psychological stress reactions to relocation to nursing home, elderly, 27083
psychological stress vs human corticotropin releasing hormone vs bicycle ergometry, salivary cortisol & heart rate, male habitual smokers vs nonsmokers, 32545
psychosocial predictors of adjustment & psychological stress following induced abortion, adult females, 10832
psychosocial stress, hypothalamo pituitary reactivity & salivary cortisol, females with anorexia nervosa, France, pathophysiological implications, conference presentation, 6183
repeated mental stressors, stability of cardiovascular reactions of heart rate & systolic & diastolic BP & respiratory rate, adults, followups, 20749
repetitive data entry vs learning task on VDT, psychological & physiological stress, male college students, ergonomic implications, 39596
respiratory sinus arrhythmia, prediction of BP & cardiovascular reactivity to psychological stress, male 18–37 yr olds, 8775
restraint or saline injection stress, extracellular cyclic adenosine monophosphate in cortex, male rats, 16585
SES & social class & perceived social support & economic stress, adult males vs females, Jamaica, 16686
severe psychological stress from physical restraint, sudden death, 83 yr old male with Alzheimer's disease, case report, 38824
sex, cortisol response to psychological stress, healthy 15–33 yr olds, Germany, 20755
signal detection vs mental arithmetic stress vs rest, heart rate & respiratory sinus arrhythmia EKG & T wave amplitude, college students, Germany, 16698
simulated chemical & biological warfare environment, psychological symptoms & fatigue & perceived social support, Air National Guard medical personnel, commentary, 15735
simulated chemical & biological warfare environment, psychological symptoms & fatigue & perceived social support, Air National Guard medical personnel, 15731
sitting vs standing postures during mental challenge, BP & hemodynamic response, male college students, 36688
sources & effects of emotional role strain, oldest siblings vs spousal caregivers of elderly, 30885
stress of lumbar puncture procedure, plasma osmolality & salivary cortisol & arginine vasopressin, nuclear disc prolapse patients, 14802
stressful life events & affective disorders & LH pulsatility, female 15–36 yr olds with hypothalamic amenorrhea, Italy, 45893
stressor & coping resource variables, psychological stress 1 mo after birth of 1st child, mothers, Canada, 9451
stressors experienced during involvement in providing treatment in rehabilitation program, relatives of patients with severe brain injury, ethical implications, 38994
suppressed anger, social support & psychological stress & health risk factors, African American 14–16 yr old males, 5186
task demand & decision latitude, stress induced cardiovascular reactivity & affective responses, 18–26 yr olds, 28637
tolbutamide, potentiation of pressor response to endogenous catecholamines released during aversive conditioning induced psychological stress, dogs, 32655
usage of word stress in psychology, 17547
work load & stress & adrenaline & noradrenaline correlates, average vs high achieving 10–11 yr old students, 3502

Psychological Stress—Books

Cardiovascular reactivity to psychological stress & disease. APA science volumes, 42025
Personal coping: Theory, research, and application, 21563

Psychological Stress—Chapters
Cardiac arrhythmias and sudden cardiac death, 46617
Coping with surgical stress, 34767
Fetal anomalies, 45965
Habituation of cardiovascular reactivity to psychological stress: Evidence and implications, 40512
Health and safety committees as a means of relieving psychological stress, 7707
Identifying survivors at risk: Trauma and stressors across events, 45586
The impact of trauma on children and adolescents, 45357
Life stress, health, and blood pressure in Black college students, 16723
Psychological stress and coping in old age, 33045
Psychological stress testing for coronary heart disease, 42027
Stress coping effects of delta sleep inducing peptide, 8851
Thought, memory, and learning: Effects of emotional stress, 32561
Traumatic stress in disaster workers and emergency personnel: Prevention and intervention, 46753
Psychological Terminology—Serials
argument against inclusion of autism as pervasive developmental disorder, 1990
definition of consultation, consulting psychologists, 11269
definitions of secondary depression, comorbidity & treatment outcome findings, patients with anxiety disorders, conference presentation, 5944
differences between Adlerian concepts of community feeling & social interest & relevance for old age, 35760
HyperCard authoring shell, creation of graphically organized glossary of concepts taught in abnormal psychology course, college students, conference presentation, 11407
issues in replacement of medical model's term patient with theological model's term sufferer, 46593
meanings of terms sex vs gender in social sciences, 37358
meanings of terms sex vs gender in social sciences, commentary, 37365
meanings of terms sex vs gender in social sciences, commentary, 37356
measurement & usage of term behavioral phenotypes & relation to autism & other genetic disorders, 2004
misuse of term "nonaversive" in nonaversive behavior management, commentary reply, 14573
misuse of term "nonaversive" in nonaversive behavior management, commentary, 14575
misuse of term "nonaversive" in nonaversive behavior management, commentary, 14568
misuse of term "nonaversive" in nonaversive behavior management, 14572
need for caution in use of criteria for replacement of term psychopathic in disease classification systems, 17959
need for consensus definitions of remission & recovery, depressed patients, letter, 37709
problems in terminology regarding organization of brain & interpretation of neuropsychological test findings, 4131
prototype perspective of emotion concepts & definition, commentary reply, 36275
psychological definitions of anger, 29459
retrospective & analytical definition of transpersonal psychology based on literature between 1968 & 1991, 7898

absolute bandwidth & frequency region, thresholds & psychometric functions for amplitude modulation detection, 20–36 yr olds, 36112
abstract measurement theory & lack of application, commentary, 35768
accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary, 11311
accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary reply, 11320
accuracy of analysis of achievement ability discrepancy scores, school psychologists, 11321
admissibility & psychometric properties of Rogers Criminal Responsibility Assessment Scales, evaluation of insanity, defendants, 20045
background & psychometrics & reliability & validity & implementation of 14 questionnaires, assessment of pain related disability, 15966
CASPER computer program for modeling of psychometrics & factor analysis, students in tests & measurement courses, 8096
common properties of Armed Services Vocational Aptitude Battery & Air Force Officer Qualifying Test, Air Force personnel in basic training, 4165
comparative analysis of Rivermead Perceptual Assessment Battery & shortened versions, elderly stroke patients, 4054
conjoint measurement & correlational procedures in measurement properties of intelligence tests, college students, Australia, 39754
construction & administration & psychometrics of rating scales, measurement of severity & outcome of obsessive compulsive disorder, 24120
construction & psychometric aspects of Functional Behavior Profile, caregivers of 53.8–85.4 yr olds with Alzheimer's disease, 43794
construction & psychometric properties of Marital Satisfaction Questionnaire for Older Persons, 55 yr olds & older, questionnaire appended, 11937
correlation of skewness of RT distribution with psychometric "g" on elementary cognitive tasks, college students, 4191
cross cultural generalizability of factor structure of Personality Research Form, adults, 31854
demographics & metric equivalence of UCLA Loneliness Scale, college students, South Africa, comparison with data from US & Puerto Rico & Iran, 31852
development & factor structure & reliability & internal consistency & convergent discriminant validity of Cocaine High-Risk Situations Questionnaire, cocaine using adults, 31905
development & psychometric assessment of Automated Performance Test System, college students, 11948
development & psychometric properties of adolescent revision of South Oaks Gambling Screen, assessment of severity of problem gambling, 15–18 yr olds, 31933
development & psychometric properties of personality inventory based on Guna tridimensional theory, adults, India, inventory appended, 20006
differential sensitivity of Wechsler Memory Scale to effects of IQ & brain damage, 16–85 yr olds with vs without brain damage, 16026
dimensionality & transituational invariance of shortened version of Complutense University Teachers Evaluation Questionnaire, assessment of perceived teaching quality, college students, Spain, 8061
factor structure & internal psychometric properties of Polish version of Attitude Towards Shiftwork Scale, 19–60 yr old steel plant shift vs day workers, Poland, 24232
factor structure & psychometric equivalence of basic language morningness scale, manufacturing plant day vs shift workers, 24028
factor structure & psychometric properties of Inventory of Negative Thoughts in Response to Pain, college students with nonclinical headache pain, 35952
factor structure & reliability & validity of Catalan version of Attitudes Toward Prisoners Scale, criminal justice professionals & college students, Spain, 39749
factor structure & reliability & validity of Reasons for Living Inventory, college students with suicidal ideation & behavior, 35907
factor structure & reliability & validity of Revised Memory & Behavior Problems Checklist, geriatric patients with dementia & their caregivers, test appended, 15983
false positive rate & value of psychological tests in personnel selection, commentary, 23709
guidelines for psychometric consultation for nursing studies, 28065
indifference of indicator & vehicles of general factor in mental ability tests, 7914
internal consistency & intercorrelation & validity of Leyton Obsessional Inventory, patients with obsessive vs other anxiety disorders, 35917
internal consistency & validity & reliability of Abbreviated Acceptability Rating Profile, assessment of treatment acceptance, 16–55 yr old mothers of children in routine pediatric treatment, 20056
interrater reliability & validity & total score cutoff of Dyskinesia Identification System: Condensed User Scale, mentally ill or mentally retarded patients, 4085
issues in psychometric "g" & C. Spearman's hypothesis & application to nature of differences on IQ tests, Blacks vs Whites, 4188
item construction & psychometric models for constructed responses format in measurement of complex & dynamic response processes, 31947
item dimensionality & measurement properties of role conflict & ambiguity scales, social service & salaried & hourly manufacturing & white & blue collar workers, 20009
legality & psychometric quality & validity of General Aptitude Test Battery in hiring practices, 12069
means & standard deviations & reliability & validity & cutoff scores of Dyskinesia Identification System Condensed User Scale, mentally ill or retarded adults, 31890
methodological & psychometric inadequacy in assessment of coping reactions & relation to health & personality, 24090
norms & reliability & validity of Turkish version of Problem Solving Inventory, college students, Turkey, comparison with US data, 43731
overview of psychometric research & developments & test theory in German speaking countries, 10

perspectives on usage & interpretation of max r statistic in psychometric reanalysis of psychological scales, 32022
practice guidelines for use of Multiple Sleep Latency Test in diagnosis of sleepiness disorders, 107
psychological test use in applied settings, professional psychologists, 1982–92, literature review, implications for graduate training, 24038
psychometric & other aspects of assessment with sexually anatomically detailed dolls, sexually abused children, research review, 33747
psychometric analysis of Circadian Type Inventory vigor & rigidity scales, prediction of tolerance to shift work, 17–47 yr olds, 24045
psychometric analysis of WISC-III, 7932
psychometric characteristics & quality of guidelines for interpretation of behavior rating scales, 35904
psychometric characteristics & research agenda for multiple true false item format in educational achievement testing, research review, 24207
psychometric characteristics, applicants rejected from vs asked to leave vs accepted into "Baby Moms" foster parent program for medically complex &/or drug exposed &/or HIV infected infants, 38859
psychometric characteristics of Child Sexual Behavior Inventory, nonabused vs sexually abused 2–12 yr olds, 4055
psychometric effectiveness of written multiple choice test, prediction of job performance, county eligibility technician applicants, 28102
psychometric evaluation of Auditory Imagery Scale, assessment of auditory imagery & correlation with visual imagery, 16–82 yr olds, Scotland, 19967
psychometric evaluation of scores on Perceptual Aberration Scale & MMPI personality disorder scales, identification of schizophrenia related personality disorder, college students, 8008
psychometric instruments in alcoholism treatment planning, 42912
psychometric issues & difficulties in constructing new measures in psychosocial development research, example of child play measurement, 30
psychometric methods in computerized adaptive testing & implications for psychological research & assessment, 24033
psychometric properties & consequences of use of standardized alternative educational assessment procedures in high stakes testing environment, 43830
psychometric properties & construct & external validity of Portuguese version of Revised UCLA Loneliness Scale, 14–17 yr olds, Portugal, 48
psychometric properties & diagnostic correspondence of youth vs mother vs father report versions of Child Behavior Checklist Depression Scale, normal vs depressed adolescents, 24114
psychometric properties & discriminative validity of original vs revised versions of Compulsive Activity Checklist, patients with obsessive compulsive vs anxiety disorder, 28023
psychometric properties of Bem Sex Role Inventory, assessment of stereotypic vs counterstereotypic gender role portrayals in TV commercials, adults, 39744
psychometric properties of Center for Epidemiological Studies-Depression Scale, physically disabled 18–55 yr olds, 20024
psychometric properties of cognitive section of Cambridge Examination for Mental Disorders of the Elderly, 58–89 yr olds with vs without mild to severe dementia, 43771
psychometric properties of DSM-III-R criteria for autism, 22087
psychometric properties of Gesell Developmental Assessment, measurement of developmental maturity & application in classroom placement decisions, 4–6 yr olds, 2.5 yr followup, commentary, 3992
psychometric properties of Gesell Developmental Assessment, measurement of developmental maturity & application in classroom placement decisions, 4–6 yr olds, 2.5 yr followup, commentary, 3990
psychometric properties of Gesell Developmental Assessment, measurement of developmental maturity & application in classroom placement decisions, 4–6 yr olds, 2.5 yr followup, 3993
psychometric properties of Learning Orientation Grade Orientation II Scale, assessment of motivation for learning, college students, 8063
psychometric properties of methods of dynamic formulation, psychotherapy patients, research review, 43741
psychometric properties of standardized case simulations, assessment of clinical judgment & treatment planning, mental health experts & counselors & counseling trainees, 11278
psychometric properties of structured behavioral interviews for management & marketing positions, prediction of job performance, interviewees, 7580
psychometric properties of 3 Factor Eating Questionnaire vs Dutch Eating Behavior Questionnaire vs Revised Restraint Scale, measurement of dietary restraint, college students, 3955
psychometric scaling technique, reporting & analysis of crime rates & victimization in large cities, 8107
psychometrics & administration & application of 16PF & High School Personality Questionnaire & Children's Personality Questionnaire, 7965
psychometrics & cross validity of Lehrer Woolfolk Anxiety Symptom Questionnaire, adults with vs without social phobia vs healthy 15–21 yr olds, 99
psychometrics & interpretation of Wechsler Memory Scale-Revised vs Memory Assessment Scales, adults, 39865
psychometrics of Disability Rating Form, therapists rating severely mentally ill 20–74 yr olds, erratum, 31888
psychometrics of Disability Rating Form, therapists rating severely mentally ill 20–74 yr olds, 85
psychometrics of Fagan Test of Infant Intelligence, 21
psychometrics of Headache Specific Locus of Control Scale, measurement of internal vs chance vs health care professional control, adults with headaches, replication, 24196
psychometrics of Positive & Negative Affect Schedule, assessment of subjective well being, over 72 yr olds, 27975
psychometrics of Therapist Representation Inventory & Intersession Experience Questionnaire, assessment of representation of psychodynamic therapeutic process, adult & elderly clients & analysands, 43779
psychometrics of Wellness Inventory & Lifestyle Assessment Questionnaire & Lifestyle Coping Inventory, 18–50 yr olds, 8054
qualitative & quantitative psychometric standards for organizational consultation assessment & evaluation instruments, 39738
reevaluation of psychometrics of Hachinski Ischaemic Score, 4051
reliability & intercluster structure & construct validity of Q-Sort of Adolescent Images, assessment of individual & collective images, 14–19 yr olds & their parents, 11969
reliability & validity & factor analysis of & scoring systems & norms for Bender Visual-Motor Gestalt Test, 1970–91, 7928
reliability & validity & factor structure of scale for evaluation of delusional & affective guilt, depressed adults & elderly, UK & Spain, 4040
reliability & validity & psychometrics of Disability Rating Scale & Functional Independence Measure & Functional Assessment Measure, patients with traumatic brain injury, 39853
reliability & validity of mathematics performance assessments from hands-on vs traditional curriculum, Anglo vs Latino 6th graders, 35955
role of quantification in development & interpretation of educational performance assessment, 43832
scale development & psychometrics, assessment of rejection of Christianity, 14–16 yr olds in Catholic vs Protestant secondary schools, Northern Ireland, 19998
sensitivity to change of self report measures, assessment of difficulty & dissatisfaction & pain in performance of activities of daily living, patients with rheumatoid arthritis, 8050

sex & functional field & ethnic &/or cultural background & psychometric properties & reliability & factor structure of Leadership Practices Inventory, managers & their subordinates, 31996
sex, psychometric properties of Psychological Skills Inventory for Sport & relationship of experience & practice commitment, collegiate skiers, 27925
signal duration, psychometric & neurometric functions in sound level discrimination thresholds, goldfish, 556
social psychological & psychometric assessment of individual differences in cardiovascular reactivity, 12696
specialization in psychological research & gap between experimental & psychometric orientations, 8141
specificity & sensitivity & positive predictive value of Mini-Mental State Examination, assessment of & screening for dementia, 75–85 yr olds & older, Sweden, 31940
structure & psychometrics & implications for use of child temperament measures, researchers & clinicians & caregivers, 33
techniques adjunct to W. H. Argoff's method for judgment of test content, improvement of psychometric quality of employment test critical scores, 20114
test retest reliability & other psychometric properties of Test of Basic Auditory Capabilities, normal hearing 18–36 vs hearing impaired 65–82 yr olds, 72
test retest stability of resting anterior alpha EEG asymmetry, psychometric measurement of individual differences, female 17–21 yr olds, 11926
theoretical basis & similarity structure analysis of Prosocial Motivation Questionnaire, 10th graders, Germany, 31833
transformed vs weighted up-down method for simple adaptive testing, auditory discrimination, college students, 8123
unitary vs independent elemental processes & cognitive tasks, psychometric general intelligence, college students, commentary, 33311
unitary vs independent elemental processes & cognitive tasks, psychometric general intelligence, college students, commentary reply, 33330
utility of psychological tests in evaluation of alleged sexual abuse, children, 33804
validity & internal structure of Hopelessness Scale of A. Beck et al based on item response theory, psychiatric patients & normal adults, 8031
validity & psychometric properties of Indonesian version of Vineland Adaptive Behavior Scales, mentally retarded vs normal 6–18 yr olds, Indonesia & US, 8024
validity & reliability of Your Style of Learning & Thinking, assessment of individual differences in cerebral dominance, college students with or without brain injuries, educational implications, 114
validity & stability of rationally based proxy case identification tool for diagnosis, outpatients with deficit vs nondeficit syndrome of chronic schizophrenia, 35898

Psychometrics—Books

Advances in psychological assessment, Vol. 8, 15886
Psychological assessment: A theory and systems approach, 3968
Psychological testing: An inside view, 27911
Psychological testing: Principles, applications, and issues (3rd ed.), 31818
Psychological testing of Hispanics. APA science volumes, 3969
Test theory for a new generation of tests, 19973

Psychometrics—Chapters

Cognitive diagnosis: From statistically based assessment toward theory-based assessment, 19980
Commonalities between test validity and external validity in basic research on Hispanics, 3972
Computer-assisted psychological assessment, 27949
Examinee feedback: Practical guidelines, 27950
A generative approach to psychological and educational measurement, 19974
Influences on testing and test results, 27955
An introduction to psychological testing, 27962
MCMI: Review of the literature, 16001
Measurement issues in bereavement, 39792
Measurement of burnout: A review, 39759
Non-verbal cognitive functioning: A comparative study of Draw-A-Person and Matrix Analogies Test performance, 3995
Psychological assessment, 18
Psychological stress testing for coronary heart disease, 42027
Psychological testing for potentially suicidal individuals, 24165
Psychological testing of Hispanic Americans in clinical settings: Overview and issues, 4105
Psychological tests: Development, publication, and distribution, 27954
Psychometric evaluation of two scales assessing fitness to stand trial, 23922
Psychometric issues in learning potential assessment, 35813
Psychometric models for learning and cognitive processes, 19977
Psychometric theory and counseling psychology research, 14
Reactions to technical and societal issues in testing Hispanics, 3978
Repealing rules that no longer apply to psychological measurement, 19983
Responsible test use, 27940
Special scales for the MCMI: Theory, development, and utility, 16015
Standards for educational and psychological testing: The issue of testing bias from the perspective of school psychology and psychometrics, 16065
Statistical properties of 500-trial infant psychometric functions, 17129
Using psychological tests in the forensic assessment of offenders, 23957

Psychomotor Development [See Also Speech Development] —Serials

beta-galactocerebrosidase deficiency & psychomotor deterioration & other clinical features, female monozygotic triplets with Krabbe disease assessed from 0–41 mo old, 2114
development of integration among voluntary movement & anticipatory postural adjustment & locomotor activity, 6 vs 10 vs 14 yr olds, 9091
maternal stimulating care & psychomotor development, premature vs full term infants & their mothers, Nigeria, 6 mo study, 40771
parental knowledge & experience & age & SES, mental development & psychomotor development, extremely low birth weight infants & their mothers, 8 mo study, 21168
physical & psychomotor & cognitive & academic development, male child with Weissenbacher-Zweymuller syndrome assessed from birth to 8 yrs old, case report, 2131
vicarious vs instructional parent training in motor stimulation, psychomotor development, 0–12 mo olds with Down's syndrome & their parents, 1–2 yr study, 45847

Psychomotor Processes [See Perceptual Motor Processes]

Psychoneuroimmunology—Serials

alprazolam, psychoimmunoendocrinological changes, 17–47 yr olds with panic disorder, 26722
biofeedback assisted relaxation, lymphocyte blastogenesis & plasma cortisol & white blood cell count, healthy adults, 4721
cell mediated immunity, patients with melancholic vs nonmelancholic depression, Australia, 41543
cellular immune function & hypothalamic-pituitary-adrenal axis activity, male 19–65 yr olds with unipolar major depression vs schizophrenia, Croatia, 25713
conditioning & stress, psychoneuroimmunologic functions, animals, research review, 40329
cortical synaptophysin immunoreactivity, postmortem brains of 22–90 yr olds with Alzheimer's or Huntington's disease or parkinsonism with or without dementia, conference presentation, 42110
corticosterone &/vs stress, suppression of viral immunity, adrenalectomized male mice infected with herpes simplex virus, animal model, 32508
experimental psychological stress, immunological parameters of peripheral blood cells, male 24–55 yr olds, 648
guided exercise & psychological intervention, enhancement vs suppression of delayed type hypersensitivity skin test & lymphocyte stimulation response to antigen or mitogen, 21–60 yr olds, 12709

haloperidol, somatostatin-like immunoreactivity in CSF, chronic schizophrenic 23–42 yr olds, 2645
individual psychology perspective on role of mind in neuroscience & behavioral medicine & psychoneuroimmunology, 39411
indomethacin with vs without handling stress, conditioned natural killer cell & fever responses triggered by camphor odor, female mice, 32691
interferon beta as UCS, conditioned augmentation of natural killer cell activity & communication with CNS & immune system, female mice, 44445
ip dehydroepiandrosterone & stress, development & course of West Nile virus induced encephalitis & mortality rate, female rats, conference presentation, 4740
issues in anaphylactic shock in neuropsychoimmunology, rats, research review, 32413
life stressors & coping style, interval between HIV-1 infection & AIDS development & immune measures, asymptomatic 18–40 yr old HIV-1 seropositive homosexual males, 6287
mechanisms underlying CNS modulation of immunity & conditioning & associative learning & phenotypic adaptability of lymphoid cells, 559
natural killer cell activity, 21–51 yr olds with chronic schizophrenia vs depressed type schizoaffective disorder, 21817
neuroendocrine characteristics as link between brain & immune functions, Roman high vs low avoidance rats, 549
odors from foot shocked conspecifics, cellular & antigen specific humoral immune responses, male BALB/c mice, 32538
phytohemagglutin & corticotropin releasing hormone & DST, T lymphocytes & plasma ACTH & beta endorphins & cortisol & growth hormone & prolactin, anorexic female 17–43 yr olds, 45854
platelet serotonin & lymphocyte stimulation, immune function, male 19–65 yr olds with schizophrenia vs major depression, Croatia, 25715
psychobiological model of emotional construing & interaction between anger & depression & immunity & endocrinology, male vs female adults, 24821
psychoneuroimmunological behavioral medicine treatment, gay males with HIV, 38691
psychoneuroimmunological framework for neuropsychological impairment, patients with AIDS dementia complex or AIDS or HIV, literature review, implications for nursing, 34109
psychoneuroimmunology & community psychology perspectives on chronic fatigue syndrome, adult male, 45899
relationship among nervous & endocrine & immune systems, implications for psychoneuroendocrinology of aging, 20484
role of benzodiazepine receptors & diazepam binding inhibitor in stress & anxiety & immune system response, research review, 28504
social stress, mitogen activation & cytotoxicity & differential cell count, pigtail vs bennet macaques, 8760
stress & psychosocial & biologic factors, lymphocyte proliferation before vs after immunization, 18–24 yr old females, 36689
stress or relaxation intervention, in vitro immune response, adults, meta analysis, 36696
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system & emergence of psychoneuroimmunology, commentary, 40507
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary, 40495
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary, 40492
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary reply, 40485
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary, 40499
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary, 40497
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, 40486
teleological coherence & self determination & harmony of purpose in relationship between psyche & immune system, commentary, 40490
therapeutic touch, psychologic & immunologic effects, practitioners & recently bereaved adults, 42521

Psychoneuroimmunology—Books

Ontogenetic and phylogenetic mechanisms of neuroimmunomodulation: From molecular biology to psychosocial sciences. Annals of the New York Academy of Sciences, Vol. 650, 20485

Psychoneuroimmunology—Chapters

Bereavement, depressive symptoms, and immune function, 40510
Biobehavioral consequences of loss in nonhuman primates: Individual differences, 40513
Chronic fatigue syndrome and psychoneuroimmunology, 14217
Clinical significance of psychoneuroimmunology: Prediction of cancer outcomes, 14258
Cytokines and the central nervous system: Links with mental disorders, 9794
Early socialization and development of cancer in later life: Biopsychosocial and psychoneuroimmunologic aspects, 22308
Psychoemotional, cognitive, chronoendocrine, and immune responses to a survival performance in an African desert: Evidence for divergent effects, 20781
Psychoneuroimmunology and stress responses in HIV-1 seropositive and at-risk seronegative gay men, 14249
Psychoneuroimmunology: The regulatory role of neuroendocrinal activity on the immune response, 44359
Selected methodological concepts: Mediation and moderation, individual differences, aggregation strategies, and variability of replicates, 12721
Stress, the immune system, and health and illness, 32563

Psychoneurosis [See Neurosis]

Psychopath [See Antisocial Personality]

Psychopathology—Serials

application of attachment theory to psychotherapy, adult females with distorted attachment patterns, 10509
behavioral assessment & DSM-III perspective on psychopathology, 25642
bereavement over death by murder or manslaughter, psychiatric problems, outpatients, England, 26031
biopsychosocial perspective on role of defense systems & safety in social relations & psychopathology, 45378
characteristics of night terrors & related psychiatric symptoms, 20–77 yr olds, 22218
childhood sexual abuse, perceived family environment & hypnotizability & dissociation & psychopathology, abused vs nonabused females, commentary reply, 33780
childhood sexual abuse, perceived family environment & hypnotizability & dissociation & psychopathology, abused vs nonabused females, commentary, 33737
childhood sexual abuse, perceived family environment & hypnotizability & dissociation & psychopathology, abused vs nonabused females, 33781
chromosomal abnormality, female with severe psychopathology, case report, 13650
chronicity & psychopathology, probability of & time to recovery, patients with major depressive disorder, 5 yr followup, 5829
cigarette smoking & sex & age, psychopathology & neuroleptic doses & side effects, 23–64 schizophrenic patients, 10682
clinical & physiological & psychopathological characteristics, platelet 5-HT during withdrawal & abstinence, 18–66 yr olds with alcohol abuse or dependence, 37918
clinical & psychological features, patients with restricting anorexia nervosa with vs without bulimia who do vs do not binge & purge, implications for psychodiagnostic subtyping, 33976

clinical developmental approach to research & theory & intervention, adolescents with psychopathology, 26399
clinical symptomatology & etiological role of associated psychopathology & family history, obese vs normal weight patients with bulimia nervosa, England, 29988
cognitive & psychological functioning & symptoms, 67 yr old monozygotic twin WWII pilots discordant for combat exposure & war confinement, case report, 25743
combat induced psychopathology & combat stress reaction & PTSD, psychiatric symptoms, wives of combat veterans of Lebanon war, 1982, Israel, 9900
communication deviance & expressed emotion, assessment of psychopathology, parents of schizophrenic offspring, 17801
community norms for Brief Symptom Inventory & correlation with quality of life, 75–85 yr olds & older, Italy, 43751
comorbid psychopathology, adult survivors of dam collapse & flood with chronic PTSD, comparison with Vietnam veterans, 17850
conceptualization of mental disorders as psychological process vs psychopathological state & 5 step vocational rehabilitation program, chronic schizophrenic 48 yr old, conference presentation, 19258
concurrent validity of empirical psychopathology scale of Bender Visual Motor Gestalt Test, 7–10 yr olds with adjustment or conduct disorder, 39787
confirmatory factor analysis of multidimensional model of body dissatisfaction & psychopathology, females with bulimia nervosa, 26117
constructive & destructive joint superego function & pathology in love life, couples, 45389
continuous quality improvement cycle, identification of patients with psychosocial problems, medical residents, 4 yr study, 43049
correlates & treatment & outcome, 6–18 yr olds vs adults with obsessive compulsive disorder, 25875
creative activity & psychopathology, creative arts vs other professionals, 1610
current understanding & myths about adolescence, rates of disturbance & help seeking behaviors, literature review, 21140
d-fenfluramine, abnormal eating behavior & psychopathology, patients with bulimia nervosa, England, 42425
deconstructive relationship between psychoanalytic understanding of psychopathology & metaphysics & clarification of practice of psychoanalysis in writings of J. Derrida, 41370
demographic & clinical correlates of interference with color naming words related to eating & weight & shape, female 17 yr olds & older with bulimia, 26112
demographics & psychopathology, alcoholic vs cocaine dependent adults, replication, 33857
depression & anxiety & MMPI measured psychopathology, cocaine &/vs heroin abusing 32.1–33.1 yr olds, 21997
depression & anxiety & other psychopathology after serological testing for HIV, adults at risk for HIV infection, 12 mo study, 45997
development & interrater reliability of Clinical Assessment of Psychopathology among Elderly Residents, screening for psychiatric disorders, nursing home residents, 97
development & validity of Children's Perceptual Alteration Scale, self report assessment of dissociative experiences, 8–12 yr olds with vs without psychopathology, 24034
developmental perspectives on emergence of antisocial behavior & conduct problems & other psychopathology, males vs females, 45687
developmental psychopathology approach to conduct disorder, 45625
developmental vs pathological perspectives on personal crises, application of spiritual growth theory, 37116
diagnostic characteristics & psychopathology, 10–18 yr olds with obsessive compulsive disorder, 2–7 yr followup, reprint, 1760
disease & disability parameters, attributional style & psychopathology, 7–16.9 yr olds with diabetes mellitus vs lymphocytic leukemia vs sickle cell syndrome, 22242
dissociative psychopathology, psychiatric inpatients, conference presentation, 5772
disturbed eating & general psychopathology, patients with binge eating disorder vs bulimia vs obesity, longitudinal study, diagnostic implications, 45857
drug use severity & poor psychiatric functioning & concurrent alcoholism, prediction of treatment retention & outcome, cocaine abusing adults, 1 yr followup, 23230
DST response & psychopathological & psychiatric correlates, depressed patients, 17741
dynamically rigid vs labile vs physiomorphic EEG & psychopathology, inpatients with endogenous vs nonendogenous depression, 37716
eating pathology, bulimic females, 26119
ego deficits involving interoceptive awareness & effectiveness & interpersonal distrust, female adolescents with anorexia nervosa &/vs major depression, 9737
enigmatic relationship of creativity to mental health or psychopathology, 1598
epidemiology of psychopathology, 6–11 yr olds in rural vs suburban areas vs large vs small cities, 33564
ethnicity & parent's sex & psychopathology, parents & siblings of cocaine vs opioid addicted patients, 41740
excessive school absence vs indicator of mental health problem, 13651
expression of inward vs outward hostility in psychotherapy & relation to psychopathology, male vs female clients, 18559
expression of psychodynamic forces & indication of superego pathology in Modigliani's paintings, 4981
factor analysis, multidimensional ordering of psychopathology, 16–86 yr old psychiatric patients, 21698
factor structure of Psychopathology Checklist & relation to other personality questionnaire scores, male 21–53 yr old prisoners, Finland, 31840
family psychopathology, lithium responsiveness, schizophrenic patients, 10718
family relations & history of psychopathology, bulimic 18–43 yr old females, 18141
family therapy approaches to treatment of psychopathology, 38503
fear of victimization & symptoms of psychopathology, male inmates in maximum security facility, 35077
feasibility & acceptability of & referrals from Pediatric Symptom Checklist, screening for psychosocial dysfunction, school age children in outpatient pediatric practice, 19014
file information with vs without semistructured interview, criminal psychopathology ratings, inmates, 37996
flashbacks to earlier psychotic experience, schizophrenic 18 & 21 & 23 yr olds, case reports, 33645
food intolerance & psychopathology, patients with chronic fatigue, 34048
functioning in normal behavior & psychopathology, implications for multiaxial format of DSM-III toward dynamic psychotherapy, 17662
high psychosocial risk for psychopathology & problematic development, adolescent mother & her 4.5 yr old daughter observed since birth, early intervention implications, 1615
hospital stay & diagnosis & pathology, 55 yr olds & older in specialty geropsychiatric vs general psychiatric unit, 38962
hypnosis & family therapy intervention based on attachment & family systems & developmental psychopathology principles, 9–19 yr olds with psychogenic pain & their family members, 6 mo followup, 26850
hypofrontality & EEG band power, psychopathology & neuropsychology & neurological soft signs, schizophrenic patients, Germany, 33629
ictal & psychiatric features, epileptic 31–37 yr olds who committed suicide, 22382
imagination & hypnotizability & psychopathology & alcohol use measures, prediction of dissociative experiences, college students, 45406
information attributes & psychological symptoms & perceived control, Three Mile Island residents seeking information on cancer & radiation 6 yrs after nuclear accident, 3846
interrater reliability of longitudinal psychopathology schedule, rating of mental illness symptoms over time, mentally ill 15–40 yr olds, 4–40 yr study, 24108
K. Jasper's contributions to descriptive psychopathology & phenomenology, 15856

lifetime & current psychopathology & health functioning, asymptomatic vs symptomatic HIV seropositive vs seronegative homosexual vs bisexual males, 42006
lithium, behavioral chronobiology in comparative psychopathology, mice, animal model for comparative psychiatry & neuroscience, 4898
locus of control & psychopathology, Native American college students, 29579
locus of control & self esteem, moderation of link between negative life events & psychological symptoms, 8–16 yr olds, 1607
manifestations & prevention of psychopathology & behavior disorders, adults with childhood behavior disorders, 25909
medical & neurologic & psychiatric disorders & pathological firesetting, adults, research review, 5990
medicalization of adolescence as culture bound syndrome, US, 1534
mental health & demographic profile of abuse of dextropropoxyphene & other drugs, mental health institute patients, 33868
Mental Impairment Evaluation & Treatment Service, skills & social functioning, 18–46 yr olds with mild mental handicaps with challenging behavior &/or psychiatric problems, UK, 8–20 mo followup, 19147
mescaline induced psychopathology & neuropsychological & neurometabolic functioning, adult males, implications for study of endogenous psychosis & schizophrenia, Germany, 29681
metabolic & anthropometric & psychological characteristics, binge eating, obese females, 45875
military life, mental health & psychopathology, children, debate between S. Werkman & P. S. Jensen, 9740
MMPI psychopathic deviate scores, battered vs nonbattered 21–45 yr old females, 13893
models of vulnerability to psychopathology, children of alcoholics, 21995
multigenerational family history of alcoholism, psychiatric history & psychopathology, 8–18 yr olds, 21991
nature & prevalence & course of cognitive & emotional disturbances in multiple sclerosis, 30164
needs & problems & level of support from outpatient day care programs, adults with AIDS & psychiatric disorder, 19059
nervous system evolution & consciousness & understanding of psychology & psychopathology, 45408
neuroendocrine disease & psychopathology, implications for psychoendocrine aspects of aging, 22176
neurological & psychiatric symptoms & physical activity & physical conditions, impairment in activities of daily living, elderly patients with Alzheimer's disease, 18369
neuropsychological & clinical correlates of extreme violence or murder, male 17–25 vs 30–67 yr old forenic psychiatric inpatients, 1848
number of pregnancies vs births vs abortions & psychological symptoms & stress, body shape & menopause age & symptoms, postmenopausal females, Austria, 12652
numbing of general emotional responsiveness associated with PTSD & other psychopathology as psychological response to stress mediated by hypersection of endogenous opiate system, 17695
occupational stress, physical & psychological health, White female blue collar employees at microelectronics plant, 7630
Organic Brain Syndrome Scale vs Gottfries Brane & Steen scale vs Mini Mental State Examination, psychogeriatric assessment, 66–89 yr olds with dementia, 43798
parallels between psychopathology of A. Tennyson's character "Lady of Shalott" & patient's experiences & withdrawal from sensory world, 30 yr old female, 1606
parental psychopathology, hallucinations, female 7 & male 9 yr olds in single parent families, 21689
parental psychopathology, psychosocial functioning, 2.2–17 yr olds with acute lymphocytic leukemia, 38189
pathological infatuation with prostitute, 45 yr old male rejected by parent, implications for nursing practice, 5740
pathophysiology of psychiatric symptoms, patients with pancreatic cancer, research review, 38191
peer social support, psychological symptomatology & transition to junior high school, 6th–8th graders, 2 yr study, 11506
periventricular demyelinization & other neurological lesions, psychopathology patients with multiple sclerosis, 45922
Personal Feelings Questionnaire-2 vs Shame subscales of Adapted Shame & Guilt Scale vs Self Conscious Affect & Attribution Inventory, assessment of shame & guilt & psychopathology, college students, 19999
personal or family psychopathology of control group in schizophrenia research, control Ss, 39951
personality & other psychological disturbances, 17–22 yr olds with episodes of disturbed consciousness, 21686
personality & psychopathology & marital relations & pain, females with pelvic pain due to endometriosis vs other gynecological disorders, 34046
personality based explanation & diagnosis of pathological grief, 41483
personality dimensions & psychopathology, female 12–39 yr olds with anorexia or bulimia nervosa, 10175
perspectives on psychopathology & retrospective reports of early childhood experiences, implications for future research, 17681
pharmacotherapy & diagnosis, aggressive behavior, children & adolescents, literature review, reprint, 2674
phenomenology as description of psychopathology & application to schizophrenia research, 13793
physiology of mind as information system & development of psychopathology, 41476
platelet & whole blood serotonin, suicidal behavior & symptom severity & comorbid borderline personality disorder & aggression, depressed patients, 13731
premorbid characteristics & psychological reaction during hospitalization & long term adjustment & personality effects, patients with severe burn injuries, literature review, 22235
prevalence of psychiatric diagnoses, elderly nursing home vs community residents, 38928
prevalence of psychiatric morbidity, male inmates, Kuwait, 45779
problems with concepts used in research on cognitive vulnerability to psychopathology, 1592
procedural validity of Standardized Polyvalent Psychiatric Interview, multiaxial assessment of psychopathology & somatic disturbance & social problems & supports & premorbid personality, outpatients, 39812
profiles in Symptom Checklist-90-Revised, alcoholic adults, Canada, data compared with general population, 13960
psychiatric & medical status, patients with transient hypochondriasis, 1–3 yr followup, 26153
psychiatric & psychological disturbances associated with therapeutic abortion, 6973
psychiatric nosology & family systems assessment & structure of graduate course in family psychopathology, marital & family therapy students, 31128
psychiatric presentation of intracranial tumors, 66–87 yr olds, 2268
psychiatric symptoms & behavior problems, elderly males vs females with Alzheimer's disease, 38226
psychiatric symptoms & behavioral disturbances & personality change, patients with dementia of Alzheimer's type, 6344
psychoanalysis, failure of repression in toxic state & preoedipal wishes & fears, 26 yr old male with Isakower phenomena, 2581
psychodynamic approach to unconscious gender defenses & masculine pathology, males, implications for psychotherapy, 41296
psychogenic disorders & psychopathology, hyperlexic vs mentally retarded 5–10 yr olds, 26055
psychological distress & psychopathology, caregivers of patients with dementia seeking help in coping classes vs older adults seeking help in mood change classes, 5710
psychological symptom levels & social support & stressors & awareness & use of local social services, Asian vs native females, Great Britain, 17719

psychopathologic & MRI & other clinical features, 15–70 yr olds with akinetic rigid vs classic hyperkinetic forms of Huntington's disease, 30226
psychopathologic symptomatology, adult females with history of childhood sexual abuse & parental alcoholism, 33807
psychopathologic syndromes & dynamics of mental state, 24–40 yr old falsely positive vs HIV infected patients, translated article, 34105
psychopathological & psychosocial influences, behavioral adherence to blood sugar control & management, 14–50 yr olds & older with insulin dependent diabetes, 6917
psychopathological characteristics & treatment indications, patients with personality disorders, UK, 18529
psychopathological subsyndromes & negative symptoms & cerebral alterations, schizophrenic patients, 5892
psychopathological variables, treatment compliance, 15–85 yr olds with head & neck cancer, longitudinal study, 6923
psychopathology & behavioral inhibition, high risk 4–7 yr olds of parents with panic disorder & agoraphobia, reprint, 1757
psychopathology & classification & pathophysiology & treatment of obsessional slowness, 45576
psychopathology & depression, urban African American female 12–18 yr olds who attempted suicide by ingestion, 1855
psychopathology & epilepsy, 10367
psychopathology & heritability & psychoactive drug treatment, twin pairs, Sweden, commentary, letter, 26717
psychopathology & maternal attachment, 4–15 yr olds with inflammatory bowel disease & their parents, 30074
psychopathology & pain & resource use, hospitalized vs rehospitalized medical inpatients, 7157
psychopathology & psychiatric diagnoses, WWII Pacific theater combat veterans & Japanese POWs, 21733
psychopathology & psychosocial behavior, 19–42 yr olds with intractable left vs right temporal lobe epilepsy, 2299
psychopathology & psychosocial factors, 5–11 yr olds with thalassaemia, Greece, 38083
psychopathology & social status outcomes, patients with long term schizophrenia vs affective vs schizoaffective disorders, erratum, 29556
psychopathology & social status outcomes, patients with long term schizophrenia vs affective vs schizoaffective disorders, 17715
psychopathology & suicidal behavior, children & adolescents, 37866
psychopathology beyond externalizing problems, juvenile offenders, 1964
psychopathology, bulimic vs obsessive compulsive females, 5697
psychopathology encountered in psychoanalysis, modification of & changing perspectives on treatment, conference presentation, 6652
psychopathology, inmates in jail based drug abuse treatment, 11210
psychopathology, patients with Parkinson's disease with vs without on-off motor fluctuations, 46071
psychopathology, younger adults vs 64–83 yr olds with very mild or mild dementia of Alzheimer's type, 38284
psychopathology, 17 yr old & older Ethiopian immigrants, Israel, 1516
psychosocial & family & psychiatric functioning, 6–17 yr olds with sickle cell syndrome & their mothers, 38087
psychosocial & psychopathological characteristics & adjustment & at risk status, institutionalized 11–17 yr olds, 1538
psychosocial & psychopathological characteristics, psychological help seeking, HIV infected homosexual males vs heterosexual males & females vs iv drug users, Italy, 10922
psychosocial problems & psychological morbidity, HIV seropositive vs seronegative homosexual males, England, 30108
psychosocial risk factors & work satisfaction, psychological disturbance & disability, blue vs white collar workers vs patients with work related lower back pain, Australia, 26171
PTSD & major depression & other psychopathologic reactions to Lockerbie air disaster, 65 yr old & older vs younger survivors, Scotland, 17712
PTSD & related psychopathology, 17–65 yr old female rape victims, 6021
purificatory & palliative ayurvedic treatment vs chlorpromazine, psychopathology, acute schizophrenic 16–45 yr olds, India, 2399
ratings of symptoms & internalizing & externalizing psychopathology, 11–17 yr old male vs female psychiatric inpatients vs their mothers vs fathers, 33495
relation between CNS functioning & human cognitive processing, application of metacontrol model & implications for research in cognitive psychophysiology & learning, 32540
relationship of symptoms of cognitive decline & psychopathology in degenerative neurological diseases, elderly, 38217
reliability & validity of Pathological Laughter & Crying Scale & effectiveness of nortriptyline, patients with emotional lability after stroke, test appended, 20043
reliability of Comprehensive Assessment of Symptoms & History, assessment of diagnostic criteria & psychopathology, psychiatric patients, 65
reported child or adolescent abuse & psychopathology & college adjustment & dissociative experiences, female college students, 13676
reports of psychoactive drug status of Ss in studies on adult psychopathology, 13607
research in psychopathology & prevention of suicide attempts, adolescents, conference presentation, 6003
research in psychopathology, elderly patients, 9696
residential treatment program, psychiatric symptoms & substance abuse & community adjustment & housing status, homeless veterans, 3 mo followup, 11035
retrospective data, differential diagnosis of neuropathology & psychopathology, depressed male 59 yr old, case report, 25666
risk & protective factors for psychopathology & importance of biopsychosocial perspective, children, literature review, 21699
role of animal behavioral models in linkage analysis of CNS components & other genetic & nongenetic factors in behavior disorders & psychopathology, animals, 24638
role of cognitive & noncognitive symptoms & physical health & catastrophic reactions in behavioral & psychiatric disability, patients with Alzheimer's disease, 26327
role of developmental theory in prevention & intervention, children & adolescents at risk for psychopathology, 26380
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary, 10606
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary reply, 10627
role of reality & real experience in psychopathology & psychoanalysis, analysands, 10626
self inflicted burns, psychiatric profile, suicide attempters vs self mutilators, Wales, 17949
sensitivity to nonverbal communication, male 6–11 yr olds with vs without psychopathology, 41504
serotonin agonist metachlorophenylpiperazine, hormonal temperature & behavioral responses & psychosis scores, male chronic schizophrenics vs healthy males, 9858
sertraline, tics & mental phenomena, female 15 yr old with Tourette's syndrome, letter, 22894
serum & reduced haloperidol levels & ratios, psychopathology & extrapyramidal symptoms, schizophrenic 19–49 yr olds, Germany, 18778
sex & age of onset, psychopathology, patients with schizophrenic psychosis or paranoid syndromes, Germany, 41494
sex typing & psychopathology in person drawings, biologically male transsexual clients vs psychiatric inpatients, 37580
sexual abuse history & sexual behavior & attitudes & psychopathology, female 15–64 yr olds with anorexia nervosa &/or bulimia, Canada, 18131
shame vs guilt & psychopathology, college students, erratum, 13639
shyness & egocentricity, paranoid or undifferentiated schizophrenic hospitalized vs nonhospitalized healthy 18–80 yr olds, 1722

social change, psychiatric consequences & services & treatment, adolescents, 1977 to present, Israel, 41467
social worker's rating of emotional disturbance & psychopathology & need for mental health services, 6–18 yr olds in foster care, Canada, 2938
sociocultural factors in psychopathology, 14th century to 1970, 39720
sociodemographic & toxicologic & psychopathologic characteristics, heroin addicted clients with vs without spontaneous switch to buprenorphine, 45761
sociopolitical misuse & misinterpretation of biological genetic research on race & individual differences & psychopathology, 41030
specific categories of daily hassles, differential prediction of psychopathology symptom levels &/or changes, college students, 5760
stability of self reported problems & psychopathology, 11–16 yr olds, Netherlands, 2 yr study, 37614
states of mind model of cognitive affective balance & association with psychopathology & use in psychotherapy integration, 46228
structured interview for assessment of DSM Axis I & II psychopathological states, astronaut candidates, 27639
subtype progression over yrs of illness & pathophysiological deterioration, 16–55 yr old schizophrenic patients, 2–32 yr followup, 33642
superego pathology as result of traumatic childhood experience, conduct disordered adolescents, 41691
Swedish version of Interview Schedule for Social Integration, measurement of parental psychopathology & social support & child behavior problems, parents & their children with diabetes mellitus, Sweden, 28024
symmetry & asymmetry in M. Blanco's concept of pathological infinities, implications for psychotherapy, England, 18547
symptoms of psychopathology, mothers with mental handicap, 18122
temperament typologies, 3–12 yr old psychiatric patients, Canada, reprint, 1550
tic severity & age, level & type of psychological problem, male 6–16 yr olds with Tourette's syndrome, 2285
transitional object usage & presleep preparation rituals & psychopathology, 18–55 yr olds, 29504
treatment implications of comorbid psychopathology, American Indians & Alaska Natives with alcohol or drug use problems, 42964
urinary neopterin as indicator of cell mediated immunity, psychopathological symptoms, 18–45 yr old acute schizophrenic inpatients, longitudinal study, 5899
use of Jeopardy game in abnormal psychology course, college students, 35150
utility of Brief Psychiatric Rating Scale, assessment & diagnosis of psychopathology, 17–65 yr old psychiatric patients, Hong Kong, 28001
utility of MMPI-2, assessment of psychopathology, patients with posttraumatic vs status migrainosus with vs without analgesic rebound chronic refractory headache, 20036
validity of Performance Inventory for Profound & Severe Loss vs MMPI, assessment of psychopathological disturbances, 19–62 yr olds with otosclerosis, 24125
views on relationship between epilepsy & psychopathology, neuropsychiatrists, 19th century, 18406
vulnerability to drug misuse & comorbid psychopathology, siblings of cocaine addicted adults, 33858
vulnerability to major depression & anxiety disorders & other psychopathology, nicotine dependent 21–30 yr old smokers, 45706

Psychopathology—Books

Classic studies in abnormal psychology, 25671
Comprehensive handbook of psychopathology (2nd ed.), 33566
Developmental psychopathology. Child and youth psychiatry: European perspectives, Vol. 2, 5785
Environment and psychopathology, 33565
Fathers who fail: Shame and psychopathology in the family system, 17672
Fundamentals of child and adolescent psychopathology, 37622
Neurological basis of childhood psychopathology. Developmental clinical psychology and psychiatry, Vol. 25, 5783
New approaches to mental health from birth to adolescence. The child in the family: The Yearbook of the International Association for Child and Adolescent Psychiatry and Allied Professions, Vol. 9, 5782
Plea for a measure of abnormality, 18692
Psychology, psychiatry and chronic pain, 30083
Psychopathology and psychotherapy: From diagnosis to treatment, 29581
Psychopathology in persons with mental retardation: Clinical guidelines for assessment and treatment, 18125
Psychophysiology and experimental psychopathology: A tribute to Samuel Sutton. Annals of the New York Academy of Sciences, Vol. 658, 20486
The self in emotional distress: Cognitive and psychodynamic perspectives, 45417
Sexual trauma and psychopathology: Clinical intervention with adult survivors, 26405
Still, life: Clinical portraits in psychopathology, 13693

Psychopathology—Chapters

Anomalous experience and psychopathology, 13699
Assessing psychopathology using the Basic Personality Inventory: Rationale and applications, 16006
Assessment of substance abuse: An integrated approach, 10064
Behavior therapy, 46314
Biological approaches to developmental psychopathology, 6143
Biological variables in psychopathology: A psychobiological perspective, 33571
Building developmental and etiological theory through epidemiologically based preventive intervention trials, 10471
Caplan's contributions to the practice of psychology in schools, 35252
Children born from unwanted pregnancies: Prevention of psychological subdeprivation, 2417
Comorbid psychopathology and cocaine addiction, 5802
Concentration camps, 33576
Connections: A search for bridges between behavior and the nervous system, 21682
Construct validity: History and application to developmental psychopathology, 4206
Content and prevalence of psychopathology in world religions, 21675
Culture and psychopathology: Directions for psychiatric anthropology, 34300
The developmental perspective in classification, 5791
Developmental psychopathology, 13695
Developmental psychopathology of adult disorders, 45421
The endangered self, 17675
Homelessness and psychopathology, 33577
Hypnosis, psychopathology, and psychological regression, 10766
The interaction of biological and psychosocial influences in developmental psychopathology, 5797
Male batterers: Evidence for psychopathology, 9997
The maternal ego ideal and the regulation of maternal qualities, 44997
Medieval Messianism and Sabbatianism, 13259
Mental health consequences of irreligion, 21683
Natural and technological disasters: Evidence of psychopathology, 33569
Neonatal intensive care unit patients followed up: Neurological and psychopathological outcome after 8–10 years, 6422
Neurochemical correlates of personality, impulsivity, and disinhibitory suicidality, 37638
Neuroendocrine changes following bereavement, 41448
New developments in multiaxial empirically based assessment of child and adolescent psychopathology, 15995
Noise, pollution, and psychopathology, 34001
Opioid and cocaine abuse and dependence disorders, 33890
Organic mental disorders, 29526
Pathological grief reactions, 41355
Personal dynamics and creative problems in exceptional achievement, 13697
Psychiatric and psychological issues in different illnesses, 30098

Psychiatric aspects of thyroid disease, 34077
Psychiatric disorders in Huntington's disease, 46118
Psychoactive substance abuse and psychopathology, 33886
The psychodiagnosis of everyday conduct: Narcissistic personality disorder and its components, 5975
Psychological dimensions of chronic pain, 30086
Psychological effects of torture: An empirical study of tortured and non-tortured non-political prisoners, 25959
Psychopathology and the diagnostic and treatment process, 29529
Psychopathology in the aged, 33570
The psychopathology of addictive behavior, 1957
The psychopathology of hatred, 22549
The psychopathology of hatred, 41525
The psychopathology of religion: European historical perspectives, 21673
Psychotherapy in the third world: Some impressions from Pakistan, 18613
Religious diagnosis in evaluations of mental health, 21677
Religious experience and psychopathology: Cross-cultural perspectives, 21679
Schizophrenia and delusional disorders, 29718
Sex differences in developmental psychopathology, 5801
Siblings of children with dual diagnosis, 25678
Stressful life event theory and the prevention of psychopathology, 2415
Terrorism and torture, 33568
Toward a dynamic geropsychology, 9750
The treatment of eating disorders, 22552

Psychopathy—Serials

affective instability, psychopathic female 19–52 yr olds with borderline personality disorder, England, 41654
autonomic response to reward vs punishment feedback during passive avoidance learning, psychopathic male inmates, 18052
clinical application of Psychopathy Checklist-Revised, male prisoners, Canada, 4080
cognitive behavioral model of assessment & treatment, 23 yr old male with psychopathic disorder convicted of arson, 23312
early criminal activity & IQ & personality traits & Psychopathy Check List scores, self rated personality patterns, male 32–40 yr olds originally studied 27 yrs earlier, Sweden, 18051
explanations of own crimes & historically documented aspects of psychopathy, incarcerated adult males, 10097
left hemisphere & frontal lobe functioning, neuropsychological differentiation of psychopathy, incarcerated male offenders, 14025
sociological vs physiological vs developmental explanations of psychopathy, commentary reply, 41491
sociological vs physiological vs developmental explanations of psychopathy, commentary, 41470

Psychopathy—Chapters

Psychopathy and crime across the life span, 17975

Psychopharmacology—Serials

advantages of concurrently randomized controlled trial studies, assessment of psychiatric drug efficacy, 4213
antidepressant & antidopaminergic & anxiolytic & anticonvulsant & other psychopharmacological properties of calcium channel inhibitors, literature review, 24965
anxiolytic & antidepressant function & action of arylpiperazine derivatives, 12845
behavioral data acquisition & analysis techniques & tools & computer applications in ethopharmacology, animals, conference presentation, erratum, 20847
behavioral pharmacology of olanzapine, female mice, 12842
biochemical & psychopharmacological properties of 5-HT receptor antagonist SR 46349B, male mice & rabbits & rats & guinea pigs, 12873
biochemistry & psychopharmacology of lithium, quarterly bibliography, 4730
brain research & psychopharmacology & public funding for mental health & humane values in treatment & biopsychosocial integration & managed care, conference presentation, 10449
conditioned responses to irrelevant substances or placebos, implications of placebo effect for therapeutic & psychopharmacological research, 42402
development & evaluation of structured neuropsychopharmacology curriculum & teaching aids, directors of psychiatric residency education, 23359
development of new anxiolytics & antidepressants for treatment of anxiety & depression, conference presentation, 46438
development of selectively active drugs for & physiological & biochemical role of 5-HT3 receptor in mammalian brain, 28662
diazepam or nitrazepam, anxiolytic activity, female mice, implications for potential of female mice in psychopharmacological testing of anxiolytics, 16879
dimensional approach to psychopharmacology in psychology vs biological psychiatry, 10653
doxapram induced panic attack, 19–47 yr olds with panic disorder, 33680
drug influences on neurotransmitter metabolism at presynaptic & synaptic & postsynaptic levels, conference presentation, 36775
empirical approach to psychopharmacology as diagnostic inquiry & treatment strategy, institutionalized severely or profoundly mentally retarded, 14669
ethanol, frontal cortex noradrenaline concentrations, awake male rats, 24973
ethopharmacological perspective on benzodiazepines, aggression, mice & rats, animal models, 40645
geriatric psychopharmacology educational program for health care providers, psychoactive drug use & clinical status, nursing home residents, 2983
Ginkgo biloba extract & dose, pharmaco-EEG, healthy male 24–29 yr olds, 44657
haloperidol vs haloperidol propionate vs haloperidol analog NIH 10495, in vitro & in vivo nonopioid & opioid action, rats & mice & rhesus monkeys, 16884
history of teams psychopharmacology & drug revision, conference presentation, 36817
implications of psychopharmacological developments for psychoanalysis, conference presentation, 10598
issues in neurobiological correlates & clinical overlap with major depression & psychopharmacology, patients with panic disorder, 41630
issues in psychopharmacology research, Blacks, literature review, 6798
mechanism of antidepressant activity of beta amyrin palmitate, forced swimming, male mice, 24988
neurochemical & behavioral profiles of chlorpromazine & haloperidol & clozapine & 4 synthesized clozapine analogs, dogs, application of behavioral model, 28678
neuropharmacological & neurochemical basis of place learning & memory in Morris water maze, rats, literature review, 32417
neuropharmacology of new potential anxiolytic F2692, male rats, 36708
pharmacokinetics & psychiatric aspects of immunosuppressants & anti-infectious & other drugs, transplant or organ failure patients, 38738
pharmacological properties & mechanism of action of cyclopyrrolones zopiclone & suriclone, mice & rats, 16870
pharmacological specificity of NMDA discriminative stimulus & substitutability of centrally acting agents, male rats, 44631
pharmacological treatment, Hispanics & Native Americans, literature review, 6769
pharmacology of serotonin reuptake inhibitors vs tricyclic antidepressants, depressed patients, conference presentation, 26792
psychopharmacologic medications, organ transplant patients, research review, 42624
psychopharmacological agents & management, children & adolescents, 26725
psychopharmacology, bibliography, 32565
psychopharmacology of anxiety, patients with anxiety disorder & animals, 42435
renaissance in serotonin pharmacology, new antidepressants & serotonergic mechanisms, 42490

research on development of new antipsychotics, translated article, 36840
sex differences in pharmacokinetics & pharmacodynamics of psychotropic treatment, commentary on literature review, letter, 38541
sex differences in pharmacokinetics & pharmacodynamics of psychotropic treatment, reply to commentary on literature review, letter, 38603
summary measures for statistically valid analysis of serial group data in psychopharmacological interventions, 16080
trazodone vs fluoxetine, pharmacological & preclinical & clinical antidepressant & serotonergic & other action, literature review, 24933
trends in psychopharmacology, 1992, US, 34580
triazolobenzodiazepine mode of action & model of panic attack treatment, 38601
4-methoxytranylcypromine vs tranylcypromine, brain & liver & heart A-MAO activity & pons-medulla & hypothalamus & hippocampus 5-HT, male rats, 765

Psychopharmacology—Books

Psychopharmacology and psychobiology of ethnicity. Progress in psychiatry series, No. 39, 42501

Psychopharmacology—Chapters

Behavioral pharmacology, 28797
Biochemical mechanisms and pharmacological principles of drug action, 4976
Drug action, 4975
Drugs of abuse, 45774
Effects of neuroleptics on the immune system, 21060
Ethnicity and differential responses to benzodiazepines, 40711
Ethnicity and the pharmacology of tricyclic antidepressants, 42510
From moods to molecules: The psychopharmacology of perfumery and aromatherapy, 32720
Overview: The interface between psychobiology and ethnicity, 40710
Pharmacology, 44755

Psychophysical Measurement [See Also Magnitude Estimation]—Serials

dichoptic nonius targets on CRT, psychological assessment of temporal variability of fixation disparity & accommodation, 19–39 yr olds, 16649
functional measurement in psychophysics & relation between perception of mixed & nonmixed taste & odor stimuli, 43938
judgments of attributes vs objects in psychophysical scaling, commentaries & reply included, 12137
nonlinear analysis of stimulus response functions in perceived brightness, adults, analysis of psychophysical method of limits, 12152
psychophysical assessment of reduced tolerance to light & sound, patients with mild head injury, 14155
psychophysically determined maximum acceptable weights & forces for lifting & lowering & carrying of boxes & pulling & pushing, male industrial workers, 39593
rhythmography & short term weak stress, diagnosis of psychoemotional stability, 20–70 yr old male shipyard workers, 24830
skin conductance & temperature & pressure sensitivity threshold at amputation stump & contralateral limb, 23–73 yr olds with phantom limb pain, 14180
stimulus magnification & eccentricity, spatial scaling of Vernier acuity thresholds for abutting lines vs separated dots, adults, 262
temporal deblurring technique, psychophysical measurement of human visual impulse response waveform, 257
test stimulus size & wavelength, loss of foveal vs parafoveal flicker sensitivity during dark adaptation, adults, 8196

Psychophysical Measurement [See Also Magnitude Estimation]—Books

Fechner day 92, 28176

Psychophysical Measurement [See Also Magnitude Estimation]—Chapters

The analysis of 3D shape: Psychophysical principles and neural mechanisms, 44459
Imitatio Estes: Stimulus sampling origins of Weber's Law, 12
Interpreting developmental psychoacoustics, 17132
Modeling similarity and identification when there are momentary fluctuations in psychological magnitudes, 201
Perceptual and decisional separability, 230
Psychophysical approaches to pain measurement and assessment, 11957
Psychophysiological recording methods, 14214
Signal detection analyses of dimensional interactions, 229
Simultaneous detection and identification, 265
Some reflections on psychophysical measurement with dyslexic children, 41852
Three psychophysical principles in the processing of spatial and temporal information, 423
Three views of association in concurrent detection ratings, 232

Psychophysics—Serials

constant proportion principle vs law of diminishing returns in pay increase size, perceived attractiveness of bonus, sales employees, 19716
image of psychophysical task & selection of criteria of optimal solution, translated article, 32138
integration vs univariate psychophysics & utility of integration & judgment function in study of mixtures, 43923
linkage of sensory transduction processes to cognitive operations in nonlinear psychophysical theory, 40100
Macintosh real time color frame animation for visual psychophysical experimentation, 8224
multiple realizability & psychophysical reduction theories, 43678
psychophysical perception & reaction deficiencies & driving behavior, 40–50 vs 60–82 yr old drivers, Germany, 23871
psychophysical processes underlying diminishing returns in riskless decision making, judgment of subjective worth of numbers of consumer items, college students, test of numerosity model, 326
psychophysically determined dichromatic color mixing in middle & short & near ultraviolet wavelength range, pigeons, 8448
psychophysics of perception of direction of moving Fourier vs drift balanced vs theta stimuli, adults, 36101
simple energy & texture bound motion pathways in psychophysical model for 2 dimensional motion perception & direction discrimination, 4633
surgery, psychophysical thresholds for heat & mechanical pain & tolerance & roughness discrimination, male 13 yr old with tumor compression posterior insula & parietal operaculum, 6925

Psychophysics—Books

Developmental psychoacoustics. APA science volumes, 17077
Fechner day 92, 28176
Psychophysical approaches to cognition. Advances in psychology, 92, 16114

Psychophysics—Chapters

Bridging the gap between developmental psychoacoustics and pediatric audiology, 18459
Cognitive effects in pain and pain judgments, 16155
From nerves to eyes, 615
Integration psychophysics and cognition, 16115
Memory psychophysics: An examination of its perceptual and cognitive prospects, 16367
Mind in psychophysics, 16120
Psychophysics of visual imagery, 16213
Sources of developmental change in auditory sensitivity, 17121
"What thin partitions sense from thought divide": Toward a new cognitive psychophysics, 16117
William James and Gustav Fechner: From rejection to elective affinity, 24013

Psychophysiologic Disorders [See Psychosomatic Disorders]

Psychophysiology [See Also Psychoneuroimmunology]—Serials

A. R. Luria's brain functioning theory as model for cognitive psychophysiological research, 32546
age & place of lunch & teacher appreciation of learning, diurnal psychophysiological changes & learning ability, 8–10 yr old females, France, 2 yr followup, 15438

agoraphobic avoidance & panic frequency, prediction of psychological & physiological responses to carbon dioxide induced panic, females with panic disorder, 5942
application & reliability of microprocessor assisted static vs light evoked dynamic pupillometry in clinical psychophysiological diagnosis, psychiatric patients, 5756
brief mental arithmetic stressor, salivary cortisol response as indicator of biobehavioral reactivity, college students, Australia, 8791
cognitive factors in psychophysiological connection between hyperventilation & panic disorder, 37799
computer simulation & tutorial sequence in physiological psychology, midterm examination scores, college students, conference presentation, 11424
conceptual semantic vs behavioral approaches to psychology & psychophysiology of individual differences, USSR, translated article, 32554
consistency of observed behaviors & psychophysiological measures of cognitions, low vs highly socially anxious psychiatric patients, Netherlands, 21735
contributions to study of mind matter relationship & Soviet psychology, P. I. Galperin, 19937
customized programing vs software packages, microcomputer based analysis & visualization of complex psychophysiological data, conference presentation, 8784
direct estimation, effectiveness & accuracy in determination of lifting capacity of symmetrical & asymmetrical loads, male college students, 282
exchange & development therapy, psychophysiological dysfunction assessed by Behavior Summarized Evaluation Scale, 2.4–8.4 yr olds with autism vs other pervasive developmental disorders, 30304
exposure to surgery vs neutral scenes, subjective affect & psychophysiologic & motoric variables, college students with vs without blood phobia, 1769
F. J. Gall's phrenological aspects of brain & mind interrelation & psychophysiological concepts of function, 15861
forensic psychiatric evaluation of psychophysiological measures, claimants with PTSD, 35740
insight oriented psychotherapy sessions, spontaneously occurring autonomic psychophysiological processes, female 42 yr old with PTSD & major depressive disorder, 10508
isoproterenol & propranolol & behavior challenge, EKG T-wave amplitude, healthy 19–30 yr old males, commentary, 4796
isoproterenol & propranolol & behavior challenge, EKG T-wave amplitude, healthy 19–30 yr old males, commentary reply, 4767
leftsidedness & health & cardiac rhythm & adaptive stress & personality & efficiency, male 40–50 yr old administrative vs research vs clerical personnel, translated article, 24823
level of & sensitivity to noise, prediction of noise annoyance & psychiatric disorder & psychophysiological correlates, normal & depressed 18–65 yr olds, England, followups, 21730
metoprolol induced beta adrenergic blockade or auditory stimulation, respiratory sinus arrhythmia amplitude during cardiac defense response, 18–25 yr olds, implication for parasympathetic cardiac control index, 24831
normality of dimension scores for S. Ertel's impression differential, assessment of psychophysiological states, 18–43 yr olds, Czechoslovakia, 16
peripheral & CNS & psychological processes, amputees with phantom limb experiences, literature review, 14181
peripheral & CNS & psychological processes, amputees with schizophrenia & phantom limb experiences, reply to commentary on literature review, letter, 41958
peripheral & CNS & psychological processes, amputees with schizophrenia & phantom limb experiences, commentary on literature review, letter, 41983
personal combat imagery, simulated psychophysiological responses of PTSD, Vietnam combat veterans without PTSD, 29735
prestimulus warning & attentional process, prestimulus vs poststimulus event related desynchronization of lower vs higher alpha band in reading & category judgment, males, 16626
psychiatric factors & disorders & therapies related to esophageal function & syndromes, 22182
psychological & psychophysiological factors in etiology & treatment, patients with cervical cancer, 38193
psychophysical capacity for lifting symmetrical & asymmetrical loads symmetrically or asymmetrically, industrial workers on 8 hr shifts, 3743
psychophysical correlates & magnitude estimation of perceived visual contrast & contrast constancy, 43981
psychophysiological & electrophysiological correlates of personality & personality disorders, research review, conference presentation, 33329
psychophysiological & psychological & self rated anxiogenic effects of caffeine challenge, adults with panic or generalized anxiety disorder, 13822
psychophysiological approaches to & instruments for assessment of cancer pain, terminally ill patients, implications for pain control, 22305
psychophysiological measures, adults with driving phobia, 33685
psychophysiological nature of sports related burnout, literature review, 15704
psychophysiological parameters, adults with migraine or muscle contraction headaches, 22217
psychophysiological properties of learning success, college students, Russia, 24817
psychophysiology of multiple personality disorder, literature review, 5768
respiratory & cardiac rhythm in assessment of physiological adaptation to behavioral changes, 16689
self deception & social desirability & repressive coping, psychophysiological reactivity to stress, male college students, 8797
self stimulation with umbilical cord, emotional reactions & inhibition & brain development & other psychophysiological consequences, fetuses, 9107
short contact heat stimulus & pain threshold, transition from pure heat to heat pain perception, adults, application of linear regression models, 24286
sociodemographic group differences in cardiovascular reactivity & value in psychophysiology & health psychology, 20729
spectral & qualitative & quantitative time domain analysis of respiration & psychophysiological correlates of stress & emotions & affect, 16707
strategy for regulation of attachment system, skin conductance during Adult Attachment Interview, college students, 12682
systematization of H. J. Eysenck's psychophysiological arousal & activation theory of extraversion & neuroticism, 29405
thermodynamic energy model of psychophysical processes in affective meaning, conference presentation, 40501
truck type & driving conditions & anxiety & defense mechanisms, stress related psychophysiological responses during driving, 38–60 yr old truck drivers, Netherlands, accident prevention implications, 31682
TV commercials, emotions & perceived somatic responses, college students, 44535
Type A behavior pattern, perceived exertion & other psychophysiological responses to exercise, 25–45 yr old male runners, Sweden, 36672
upper level undergraduate course in health psychology & behavioral medicine & psychophysiology, 35168
utility of digital filtering in psychophysiological & EP data analysis, erratum, 8763
voluntary adjustment & reflection & image of functional state in psychophysiological self regulation in extreme conditions, adults, translated article, 32539

Psychophysiology [See Also Psychoneuroimmunology]—Books

Handbook of individual differences: Biological perspectives. Wiley psychophysiology handbooks, 8798
Psychophysiology and experimental psychopathology: A tribute to Samuel Sutton. Annals of the New York Academy of Sciences, Vol. 658, 20486

Psychophysiology [See Also Psychoneuroimmunology]—Chapters

Cue-reactivity and cocaine addiction, 6096

Design and analysis in individual difference research, 8836
Functionalism and psychophysiology, 20790
A low-tech approach to cardiac reactivity: Psychophysiological differentiation using heart rate, T-wave amplitude, and skin conductance level, 40509
Memory dissociations: A cognitive psychophysiology perspective, 14375
A midstream view of the neuropsychophysiology of hypnosis: Recent research and future directions, 8410
A new model of brain–mind state: Activation level, input source, and mode of processing (AIM), 8821
Philosophy or physics: Mind or molecules, 632
Physiological paradigm of love, 8386
Psychophysiological assessment of stress, 32560
Psychophysiological studies of fragrance, 32564
Psychophysiology: A programme for individual differences research?, 8818
The psychophysiology of extraversion, 8849
Psychophysiology of neuroticism and anxiety, 8816
Response activation and verification: A psychophysiological analysis, 24837
Somatic manifestations of normal and pathological anxiety, 29742

Psychosexual Behavior [See Also Bisexuality, Dyspareunia, Erection (Penis), Eroticism, Exhibitionism, Extramarital Intercourse, Female Orgasm, Fetishism, Heterosexuality, Homosexuality, Human Courtship, Hypersexuality, Impotence, Incest, Lesbianism, Male Homosexuality, Male Orgasm, Masturbation, Orgasm, Pedophilia, Premarital Intercourse, Promiscuity, Prostitution, Rape, Sex Roles, Sexual Abstinence, Sexual Arousal, Sexual Deviations, Sexual Function Disturbances, Sexual Intercourse (Human), Sexual Masochism, Sexual Sadism, Transsexualism, Transvestism, Vaginismus, Virginity, Voyeurism]—Serials

abuse of nitrites & other drugs & number of sex partners, perceived risk of AIDS exposure, 14–16 yr old homosexual males, Alaska, 10280
actual vs perceived risk for HIV infection, 18–40 yr old females attending family planning clinic, 38171
age & pubertal status & timing, sexual experience & delinquency, 10–16 yr old males vs females, 25210
age & religiosity & education & political liberality & other demographic characteristics, sexual activity, divorced males vs females, 1988–89, 5482
age & sex & marital status & other characteristics & licensing actions, psychologists disciplined for sexual involvement with clients, 43134
age at 1st iv injection, drug using & sexual HIV risk behaviors & HIV serostatus, iv drug users, 1884
age of 1st sexual experience & of 1st partner, sexual experience history & sexual abuse, 9–19 yr old male delinquents, 18079
AIDS awareness & sexual behavior, 16–24 yr olds, England, 22277
AIDS education program, sexual behavior & knowledge & attitudes toward AIDS & HIV, 16–19 yr olds attending youth training centers, England, 42636
AIDS education with vs without HIV testing & results, high risk sexual behavior, 18–66 yr olds, 2 mo followup, 14908
AIDS intervention program, personal risk reduction & perceived ability to enact positive lifestyle changes, female sex partners of male iv drug users, application of social learning theories, 18973
AIDS prevention intervention, AIDS knowledge & attitudes & risk associated sexual behaviors, Black male adolescents, 18960
AIDS prevention project, risk related sexual practices, iv drug users, 4 & 8 & 18 mo followups, 14883
AIDS related attitudes & condom availability & other factors, prediction of intentions toward & actual condom use, 17–20 yr olds, Australia, analysis of theory of planned behavior, 9483
AIDS related fears & changes in sexual practices, married couples who exchange partners for sexual activities or single adults who engage in "one night stands", 38176
AIDS related knowledge & health attitudes & sexual behavior & contraceptive decisions, African American adolescents, implications for HIV prevention programs, 26244
AIDS related knowledge & modified sexual behavior & number of partners & coital activity & condom use, 16–44 yr olds, Sweden, 41998
AIDS related sexual knowledge & behavior, college students, implications for student health professionals & prevention programs, 3596
alcohol &/or drug use during sexual activity, HIV risk behaviors, inner city Black male adolescents, 26229
alcohol consumption & risky sexual behavior for HIV transmission, 17–78 yr old gay males, Belgium, 6282
alcohol consumption, sexual activity & risk behavior, 18–60 yr olds, application of diary methodology, 45165
alcohol drinking & expectancies & sexual behavior & dysfunction & childhood sexual abuse, female 21 yr olds & older, 25458
alcohol, sexual arousal & high AIDS risk sexual behavior, females, research review, 45991
androgen deficiency due to chemotherapy with cytotoxic agents &/or bilateral salpingo-oophorectomies, sexual functioning, female 39–62 yr olds, 34732
anxiety & depression & other personality characteristics, adults with sexual addiction vs pathological gambling, 33791
application & weaknesses of health belief model & reasoned action & self efficacy theories in relation to HIV related sexual risk behaviors, African Americans, 38168
approaches to forensic assessment of false claims of therapist patient sexual misconduct, psychiatrists, 11833
assessment & treatment of sexual behaviors & dysfunctions, females with cancer, 38188
attachment & romantic relationships & sexual behavior & sexuality, implications for risk & prevention of HIV infection, 21432
attention to boundary violations in prevention of sexual contact with clients, psychotherapists, 6520
attitudes & influences & intention regarding safer sex, HIV related sexual risk reduction, gay male 18–69 yr olds, test of Theory of Reasoned Action, 18272
attitudes toward & sexual contact with client during & after professional relationship, 23–73 yr old male counselors, 27325
attitudes toward abortion & sexual behavior & past & current problems, community college students, 22981
attitudes toward AIDS & sexual behavior, adults, West Germany, 2213
attitudes toward sexual behavior & sex education, 12–16 yr olds, Zambia, 9287
attitudes toward sexual behaviors of institutionalized patients with mental or intellectual disabilities, hospital staff, research review, 11082
attitudes toward sexual communication, college students, implications for date rape, 45157
attitudes toward sexual practices & norms & strength of intentions to have safe sex, sexual behavior, heterosexual males vs females vs homosexual males, Australia, 18276
attitudinal & normative factors, intentions to perform AIDS related sexual behaviors, gay or bisexual males, application of theory of reasoned action, 2201
attribution of sexual interest in social interaction scenario, male vs female college students, 45190
avoidance of HIV exposure & communication with parents about sex, high school students, 26232
behavioral & psychological aspects of vaginal use of herbal & other agents to enhance sexual experience, females, Zimbabwe, 9492
behavioral intention & beliefs & values & motivation to comply & prior behavior, decision to use condoms, sexually active adolescents, Norway, application of theory of reasoned action, 13141
biopsychosocial approach to sexuality, chronically ill patients, 30045
bisoprolol, sexual functioning, hypertensive male 27–63 yr olds, Netherlands, 30608
celibacy vs monogamy vs free experimentation subcultures of sexuality, college students, Canada, 17410
change in high risk sexual behavior after diagnosis, blood donors with HIV, 14227

changes in sexual behavior patterns for prevention of HIV infection, under 25 yr old gay male college students, 3491
clomipramine, sexual preoccupations, male 19 & 25 yr olds, letter, 38589
coital & orgasmic & erection & arousal frequency, adult male body builders with history of currently vs previously vs never abusing anabolic steroids, 26002
comprehensive health education, sexual risk behaviors, college students, 34806
condom giveaway program, use in sexual activities, males in outpatient drug abuse treatment, 19204
condom use & prevention of HIV infection & sexually transmitted diseases, 46741
consumer oriented brochure on sexual intimacy in psychotherapy, understanding of & attitudes toward therapist sexual misconduct, clients & psychologists & college students, 18568
content analysis of written explanations of conduct to state grievance board, psychotherapists with complaints of sexual misconduct filed against them by clients, 7355

anthropological view of cultural & social course of illness, 23–66 yr olds with neurasthenia vs chronic fatigue syndrome, China vs US, 9745
anthropological view of cultural & social course of illness, 23–66 yr olds with neurasthenia vs chronic fatigue syndrome, China vs US, commentary, 9705
anxiety & coping & family environment & health locus of control, 8–19 yr olds with optimal vs nonoptimal metabolic control of diabetes, application to selection of psychosocial treatment targets, 30675
aptitude & social psychological & instructional environments, mathematics achievement & attitude, 7th graders, 3453
attitudes & coping strategies & other psychosocial & clinical features & service utilization, patients with repeated parasuicide, intervention implications, 45614
attitudes toward suicide & personality & family environment & locus of control & self esteem & hopelessness & life events, adolescents with suicide attempts vs depression, Netherlands, 21624
autonomic hyperarousal as mediating factor between relapse & psychosocial influences including expressed emotion & life events, schizophrenic patients, 1739

availability & vividness of recall & perceived competence & anxiety, perceived general crime risk & fear of victimization, 16–64 yr olds, Canada, 18078
behavioral & emotional psychiatric symptoms & psychosocial variables, drug abusing 12–16 yr olds, England, 13980
behavioral & health & psychosocial factors, HIV seroconversion risk, homosexual males engaged in high risk sexual behaviors, longitudinal study, conference presentation, 18287
behavioral & psychological aspects of vaginal use of herbal & other agents to enhance sexual experience, females, Zimbabwe, 9492
behavioral & psychosocial aspects of unintended injury in group setting, children, 18198
biomedical & psychosocial risks, prediction of perinatal complications, pregnant females, conference presentation, 22205
cerebral ventricular enlargement & severity of clinical symptoms & premorbid psychosocial dysfunction, schizophrenic 18–54 yr olds, implications for frontal lobe deficit as etiology, 1728
characteristics & personal & family history, 18–65 yr olds with mild vs moderate vs severe DSM-III-R alcohol dependence, 1988, US, 25987
characteristics & social & psychological origins of New Age spirituality movement, 29176
characteristics of pediatric vs general hospitals & psychosocial services programing & policy, hospital directors of pediatric nursing, US vs Canada, 42879
child & maternal characteristics at age 24 mo, prediction of self regulation & behavior suggestive of attention deficit hyperactivity disorder, 4 yr olds, 2009
child & maternal characteristics at age 24 mo, prediction of self regulation & behavior suggestive of attention deficit hyperactivity disorder, 4 yr olds, erratum, 33931
childhood & current stressful life experiences & emotional & physical well being & cortisol production, female 19–55 yr olds with hyperprolactinemia, 30008
clinical features & stress & psychosocial factors, 4–10 yr olds with sudden onset of extraordinary daytime urinary frequency, 45891
community based support group, psychosocial adjustment, 18–45 yr olds with sickle cell disease, 46620
conceptual developmental model of psychosocial factors of education & health high risk behavior, preadolescents, implications for research & prevention, 9265
congruity of psychosocial needs, 31–84 yr olds with cancer vs their family members vs nurses vs rehabilitation counselors vs social workers, 14250
consultation to family practice physicians & residents about psychosocial values, social workers, Israel, 19340
coping behavior & psychosocial effects & help seeking behavior & self care, female 19–91 yr olds with urinary incontinence, Norway, 34059
coping behavior & relapse precipitants & locus of control & decision making & interpersonal conflicts, relapsed vs abstinent alcohol dependent adults, India, 1939
coping mechanisms & psychosocial factors indicating need for psychotherapy, 22–77 yr olds with myasthenia gravis, 42554
coping responses & social support & personality & quality of life, psychological well being, 16–82 yr olds with acute leukemia in remission, 34117
correlates & predictors of satisfying love relationship, 14–18 yr olds, 37133
correlates of AIDS knowledge, literature review, 30127
correlations between husbands & wives for physical & personality & socioeconomic traits, newlywed vs engaged vs couples married 5 yrs or more, Scotland, 1 yr followup, 25388
cortisol reactivity & psychosocial factors, anxiety & depression during pregnancy & early postpartum period, 14–19 yr old females, 37651
cultural & psychosocial & functional impact of AIDS & concept of family & kin, 45975
cultural & social & psychological factors, perception of underachievement, Black 5th–6th graders, 43251
demographic & medical & psychiatric & social factors, substance abusing 23–59 vs 60–82 yr olds, 41753
demographic & psychosocial & behavior variables, 6th graders with vs without active parental consent to participate in tobacco use study, 29001
demographic & psychosocial risk variables & types of violent behavior, 11th–12th graders, 29815
demographic & psychosocial variables, prediction of academic persistence, business & administration students at vocational center, Canada, 27550
demographic & situational & psychosocial factors, enrollment in prenatal care, mothers, literature review, 30713
demographic characteristics & stress & social support & life satisfaction & prior psychiatric history & drinking problems, prediction of psychiatric symptoms, homeless males, 13652
demographic characteristics vs sex vs race vs sponsor's rank, tobacco use, 10–21 yr old children of Army personnel, 5166
demographics & dimensions of health status & physiological measures & social & behavioral factors in self evaluation of health, 20–62 yr olds, Norway, test of structural equation model, 5588
demographics & family & religion & peer behavioral standards & deviance approval & sex roles & love & pleasure values, alcohol use, 17–24 yr olds, 29318
demographics & psychiatric status & psychosocial factors following early termination of breast feeding, mothers assessed antenatally & 12 mos postpartum, England, longitudinal study, 33516
demographics & psychosocial & health predictors, change in physical & cognitive & social functioning, 69–71 yr olds, Japan, 10 yr study, 17233
demographics & social factors contributing to & etiology of injury, 16–86 yr olds in traumatic brain injury database supporting model systems of care, 42054
depression & anxiety & assertiveness & life events & personality traits & frequency & intensity of psychosomatic symptoms, 18–73 yr olds with irritable bowel syndrome vs inflammatory bowel disease, 30069
development & evaluation of psychosocial summary flow sheet, coordination of patient care, medical staff, Canada, 38792
development & factor analysis & reliability & validity of AIDS Psychosocial Scale, assessment of AIDS related sexuality, college students, South Africa, test appended, 24091
development & validity of survey instrument, assessment of psychosocial factors influencing dietary behavior, employees, worksite health promotion & intervention implications, 43810
developmental & demographic & educational & psychosocial profiles, patients with 3rd generation familial dyslexia, 38027
developmental & psychosocial & communication parameters of dying, deaf patients, 14437
developmental perspective on & role of sensation seeking & egocentrism & socialization & peer influences in & psychosocial framework of reckless behavior, adolescents, commentary, 13124
developmental vs psychosocial theory & role of sensation seeking & egocentrism & socialization & peer influences in & agenda for research on reckless behavior, adolescents, commentary reply, 13090
diagnostic & social characteristics, citizens referred by police for mental health services, England, 15000
drug use & psychosocial profile, adolescent & young adult Central American immigrants, 33880
early childhood developmental factors & risk for later alcohol problems, 22023
economic & social & psychological variables, level of consumer debt, adults, UK, 43538
educational unit to teach psychosocial skills in informed consent process, 1st yr medical students in college of osteopathic medicine, 15252
emotional & psychological factors in talk about AIDS, adults, 14248

emotional & somatic symptoms & psychosocial correlates, 8–18 yr olds with recurrent abdominal pain vs peptic disease vs psychiatric disorders, 29518

public health framework for research on & interventions for assaultive violence & victimization, African American male adolescents, 22995
quantitative EEG in public health system, Cuba, 7076

role of culture in community health participation issues, developing countries, 7073
self help strategies in public health interventions for smoking cessation, 11131
social & psychological aspects of volunteerism in response to HIV epidemic, staff of community based grassroots & other organizations & programs, 27045
training & accreditation & other professional issues in public service psychology, 1990s, Europe, 31101
Public Health Services—Books
State mental hospitals and the elderly: A task force report of the American Psychiatric Association, 42891
Public Health Services—Chapters
Do public mental health hospitals crowd out care for indigent psychiatric patients in nonprofit general hospitals?, 23170
Public mental health services for children and families and graduate training in psychology: Bridging the gap, 2945
The results of a survey on counseling at Public Health Centers in Tokyo, 15159
The role of prenatal care services in assisting families affected by drugs, alcohol, and AIDS, 30798
Toward the prevention of cardiovascular disease, 2859
Treatment for problem drinkers: A public health priority, 39046
Public Opinion—Serials
AIDS beliefs, 16–80 yr olds, Netherlands, comparison with Western data, 38169
AIDS pandemic & public & political & individual agenda, East Africa, 26230
antipermissive attitudes & perceived association between lifestyle & AIDS, public interviewees, 38180
application of data reduction approach to data analysis of survey of public perception of TV news coverage bias, adults, UK, 9081
attitudes toward & use of specific parental discipline practices & support for & involvement with child abuse prevention & attitudes toward causes of maltreatment, general public, 1987–92, 17901
attitudes toward age based rationing of health care resources, 18–65 yr olds & older in national public opinion survey, 30782
attitudes toward charging for National Health Service services, members of general public, Wales, 30749
attitudes toward homosexuality & gay rights & governmental health care responsibility & assistance to disadvantaged, attitudes toward AIDS policies, adults, 22281
attitudes toward open adoption & adoptee search for biological parents, general public, 37329
attitudes toward within vs cross district vs statewide vs tax credit school choice plans, metropolitan area residents, 47142
celebrity disclosure of HIV infection, AIDS related public attitudes, adult males, 30113
changes in alcohol consumption & attitudes toward drinking during pregnancy, pregnant females & general public, 1984–85 vs 1990, Norway, 33853
compliance behavior & knowledge of & attitudes toward Kansas mandatory seatbelt law, motorists, 1987–89, implications for public health policy, 7798
constraint & continuity in ideological thinking, mass public vs political party elites, 29275
demographic variables, public opinion toward juvenile criminal justice, Black vs White vs other 18 yr olds & older, implications for public policy, 23943
demographics, attitudes toward & participation in urban water management & planning & perceptions of special interest groups, city dwellers, Australia, 8–9 mo followup, 11784
dread in Not in My Backyard & Locally Unwanted Land Uses syndromes, reactions to environmental risk in facilities & technologies, general public & scientific community, 23847
economic & cultural opinions & support for nature conservation vs political ecology vs antinuclear energy groups, young vs old environmentalists, Germany vs Netherlands vs France vs Great Britain, 27813
general vs specific measures of attitudes toward criminal justice system & early conditional release of criminal offenders, adults, Canada, 27971
global warming claims making activities, audience receptiveness & public attention & social scare, 15770
heuristic processing of source cues referring to political leaders, direction of public opinion on policies & issues, citizens, 37348
historical & current attitudes toward & role in mental health care, citizens, conference presentation, 19019
judgments of chemical risks & intuitive toxicological concepts & assumptions & interpretations, 16 yr old & older laypersons vs experts, 3843
mathematical model of public issue priority formation integrating media agenda setting & social interaction, 28860
misinformation & prior exposure to information about & perceptions of health policy issues on AIDS, interview respondents, implications for prevention, 10284
opinions about sex education radio & TV programing, general public, Hong Kong, 33196
perception of mental disorders, 17–67 yr olds, Ireland, 9758
perception of public support for Radio Marti, expression of opinion about controversial issues, Cuban vs non-Cuban adults, test of spiral-of-silence theory of E. Noelle-Neuman, 5024
perceptions of youth gang crime, 14 yr old & older neighborhood residents, 41781
position congruence, congressional representatives & constituents, 1311
psychological research on concerns about environmental threats, general public, implications for environmental policy making, 43593
public attitudes toward church state establishment issues, adults, 45076
public attitudes toward consent to treatment & advance directives & related issues & legislation, adults, Canada, 31748
public beliefs about causes of homelessness, 18 yr olds & older, test of dominant ideology vs public arenas theory hypotheses, 13246
public perceptions of leisure opportunities & quality of life in metropolitan area, adults, 1982 vs 1986 vs 1988, 39546
public perceptions of link between mental disorder & violent behavior, Western & nonWestern cultures, implications for legal concept of dangerousness, 1612
public perceptions of risk from radon exposure vs other environmental health risks, adults, 34000
Q sample analysis of C. Alford's psychoanalytic account of R. Reagan's popularity & presidency, adults, 45140
race & issue framing in surveys, public reactions & support for equal opportunity programs & affirmative action for Blacks, Whites vs Blacks, 1244
reliability of General Social Survey vs Gallup Organization public survey, prediction of attitudes toward fetal diagnosis & genetic testing & abortion, adults, 24094
religion & race & other characteristics, prejudice against Arabs & Islam, residents of "Middletown" during Operation Desert Shield, US, 1245
role of press in & public's response to reporting on character & private lives of public officials, 13344
scandals associated with televangelism & American Protestantism & Fundamentalism, public opinion & religious beliefs & behaviors, adults & adolescents, 1987–88, 13255
sealed booklet vs direct question formats for public opinion surveys with sensitive questions, assessment of drug use, national population sample, Australia, 7921
sociological & demographic & attitudinal variables, public endorsement of right to free expression by homosexuals, adults, 1973–88, 17403
trends in public opinions about AIDS, research review, 38183
Public Opinion—Books
The nature and origins of mass opinion, 17376
Nuclear energy and the public. Social psychology and society, 35667
The psychotherapy of everyday life, 23330

Public Opinion—Chapters
American convictions about conflictive U.S.A.–U.S.S.R. relations: A case of group beliefs, 41005
Community knowledge about human genetics, 4143
Lay conceptions of genetic disorders, 6277
Public Policy [See Government Policy Making]
Public Relations—Serials
communication & information processing theory about comparison of advertising & publicity, 43552
educational pamphlet with environmental &/vs economic rationale for source waste reduction, household source reduction behavior & conservation, shoppers, 23846
readability & passive voice & paragraph & sentence & word length of public relations releases used vs not used by newspapers, 21131
role of National Institute on Alcohol Abuse & Alcoholism in definition of & alteration of epidemiology of alcohol misuse, 10034
Public School Education—Serials
clinical reasoning process for occupational therapy service provision in public schools, therapists, 15498
correlates of school attrition in local public school programs, deaf 8th–10th graders, 3555
demographic characteristics & attitudes regarding choice of public vs private education for their children, Black 22–62 yr olds, 7365
"develocracy" & developmental stage criterion for public school access for student religious groups & First Amendment rights, elementary & secondary school students, commentary, 15484
models for integration of human services programs into public schools, 31430
reasons for inclusion of religious instruction in public school education, 35283
roles & procedures in special education assessment in public schools, educational psychologists, US vs UK, 31232
scores on Multiple Affect Adjective Check List-Revised, middle or senior high public vs parochial school students, 3505
social desirability, male public vs private junior & high school students, Puerto Rico, 47256
teacher training & program implementation for public school writing program, writings skills, deaf 4th–10th graders & their teachers, 2 yr study, 3556
W. E. Deming's concept of total quality education, transformation & improvement of public & special education, 15325
Public School Education—Chapters
Liaison with school districts: The 3 R's—Roles, rights, and responsibilities, 39367
Primary prevention of alcoholism: Public school programs, 11454

action research based creation of social networks, regional economic development & intermunicipal cooperation, business organizations & public sector, 1986–91, Norway, 27702
development of psychological contract & learning climate in public sector training programs, trainers, 7582
ethics laws, public sector officials, 7685
operational performance & productivity & profitability & payer mix & revenue & expenses & capital structure, investor owned for profit vs nonprofit psychiatric hospitals, 19161
organizational development program in city personnel department, 31477
pluralist vs neopluralist vs neocorporatist models of private interest in tourism's contribution to public policies, Great Britain & European Community, 17270
policy & advocacy & lobbying & legislative activities, mental health public interest groups & associations, 10928
political framework for organizational governance & managerial response to school district decline, school administrators & staff & students & citizens, 35601
qualitative analysis of effectiveness & service delivery of public vs private institutional care, incarcerated juvenile offenders, 42997
race & major & other predictors of public vs private sector employment, business college graduates, 31549
reading ability & reading level of patient education & informed consent materials, adult inpatients at public vs private substance misuse treatment centers, 39003
risk of grievances & lawsuits by committed patients & methods for reduction of liability, psychiatrists in public sector, 27866
state department of mental health policies & programs for public sector care, mentally ill mothers of preschoolers, 38820
training & accreditation & other professional issues in public service psychology, 1990s, Europe, 31101
Public Sector [See Also Government, Government Agencies] —Chapters
Perceptions of leadership and organization by public sector managers in Australia and Canada as a function of hierarchical level, 7626
Public Speaking—Serials
anticipated communication & communication apprehension, negative & task relevant thinking & recall, college students in public speaking course, 16914
collective booing & subsequent course of speech & interactions, public speakers & their audiences, 33262
high vs low effort task & assessment order, speech length & attitude toward public speaking, speech anxious college students, test of erasure explanation of internal state & behavior incongruity, 1404
Pennsylvania State University Reticence Program vs public speaking course, reduction of communication apprehension & shyness, college students, 11399
self vs audience perceptions of public speaking performance, adults with social phobia, 13840
toasting contributors to psychology as teaching activity in history of psychology course, college students, 43240
visual aids in public speech, anxiety, college students, 21853
visualization &/vs education, public speaking apprehension, male vs female college students, 22619
Public Welfare Services [See Community Welfare Services]
Puerto Rican Americans [See Hispanics]
Puerto Rico—Serials
acculturation & financial situation & quality of life & family attachment & biographical information, intention to relocate to continental US, nursing students entering work force, Puerto Rico, 7337
categorization of "ataques de nervios" as culture bound syndrome, 17–68 yr olds, Puerto Rico, 41478
drug use & abuse & risk factors, 17–68 yr olds, Puerto Rico, 29835
role of culture in epidemiology of "attack of nerves", 17–68 yr old victims of floods & mudslides, 1985, Puerto Rico, 29545
social change, violent & property crime rate, 1972–89, Puerto Rico, 1965
sociodemographic factors, functional somatic symptoms, Mexican American vs Puerto Rican adults, US vs Puerto Rico, 10208
utilization of physical vs mental health & public vs private sector services for psychiatric symptoms or dysfunction, low SES 18–64 yr olds, Puerto Rico, 14914
Puerto Rico—Books
Women as healers, women as patients: Mental health care and traditional healing in Puerto Rico, 18809
Pulmonary Emphysema—Serials
personality & psychophysiological & other correlates, adults with chronic bronchitis & emphysema, commentaries & reply included, 10236
Pulse (Arterial) [See Arterial Pulse]
Punishment—Serials
acceptability of time out vs response cost vs overcorrection vs social reprimands vs physical punishment for child's noncompliance behavior problem, 17–50 yr olds, New Zealand, 1296
administrative & other issues in discipline, mentally ill or disabled prisoners, 11211

amphetamine & cocaine in shock avoidance conditioning, punished leverpressing, adult squirrel monkeys, implications of generalization of behavioral history across responses, 36892
attitudes toward sexuality & punishment, enjoyment of graphic horror film, high school students, 29041
benzodiazepine receptor inverse agonist FG 7142, time allocation in conflict schedule & punished or nonpunished responding, male rats, 746
biblical literalness & religiosity & punitive God image, support for corporal punishment of children, fundamentalist vs liberal or moderate Protestant vs Catholic vs unaffiliated adults, 1231
chlordiazepoxide vs haloperidol vs chlorpromazine vs clozapine vs thioridazine, punished vs unpunished responding, male rats, 40701
Christian viewpoint on use of physical punishment in home & school discipline, 45125
Christian viewpoint on use of physical punishment in home & school discipline, commentary, 45123
Christian viewpoint on use of physical punishment in home & school discipline, commentary reply, 45124
Christian viewpoint on use of physical punishment in home & school discipline, commentary, 45126
Christian viewpoint on use of physical punishment in home & school discipline, commentary, 45120
conservative Protestantism, support for corporal punishment method of child discipline, adults, 33122
dexamethasone suppression of ACTH, effect of shock treatment on punishment learning, male rats, 44574
education & job status & SES & personal religiosity & religious affiliation, support for corporal punishment in schools, adults, 27531
environmental rewards & punishment, dyadic interaction, couples, 29340
ERPs to reward vs punishment feedback, introverted vs extraverted 17–23 yr olds, 40484
escalation of punishment threat in state laws, incidence of drunk driving & motor vehicle fatalities, 1975–86, test of deterrence theory, commentary reply, 29851
escalation of punishment threat in state laws, incidence of drunk driving & motor vehicle fatalities, 1975–86, test of deterrence theory, commentary, 29898
ethanol, punished vs unpunished responding under random ratio vs yoked interval schedules of reinforcement, male rats, 20961
family disciplinary experiences with punishment, selection of punitive vs nonpunitive classroom management strategies, preservice teachers, 3306
functional communication training with vs without extinction or punishment, destructive behavior, inpatients with profound mental retardation & language skill deficits, 30359
information on bodily & material consequences of & intention to commit act, information integration & rules of moral judgment in punishment determination, 12 yr olds, 28922
label for behavioral response reduction procedure & type of professional using procedure, acceptability of procedure, college students, implications for behavior modification, 2507
model of reactions to punishment incorporating justice cognitions & emotions, subordinate employees, 39423
molecular contingencies in schedules of intermittent punishment, pigeons, 8456
NMDA antagonist NPC 17742 vs parent compound NPC 12626, FR schedule controlled vs punished vs drug discrimination behavior, male mice & rats, 44746
noncompetitive NMDA antagonist MK 801, punished vs nonpunished responding in conditioned suppression of drinking paradigm, female rats, 21049
offender's dress & intention & motive & offender's & victim's sex, severity of punishment for murder, college students, 39063
offense context & formal & informal sanctions & moral beliefs, self reported projections to commit sexual assault, male college students, 14007
penalties as measure of game aggression in hockey, replication, 19773
penalty contingencies, response timing distributions, pigeons, 4447
prevalence & experience of corporal punishment by parents, adults & 13–14 yr olds, 41141
public vs private social context, response to & tolerance for punishment, alcoholic vs nonalcoholic males, 33860
punishment of coworker's misconduct, evaluations of justice & work related emotions & attitudes & behavior, employees, 15688
punishment or retribution, evolution of reciprocity & cooperation, social groups, 1355
punitive sanctions vs coproduction approach, compliance with safety belt law, 27814
race & sex & handicapping conditioning, punishment, handicapped K–12th graders, 27586
rating of appropriateness of corporal punishment & intervention by psychologist for certain student behaviors, elementary & middle school administrators, 7379
response cost procedure & social reinforcement through praise, female 7 yr olds with inappropriate sucking behavior, Australia, 6 mo followup, 30356
reward vs punishment, alpha power & anterior brain electrical asymmetries, 18–25 yr olds, 16637
severity of punishment of hypothetical unethical organizational behavior, outcome expectancies & justice evaluations & emotional responses, graduate business students, 19736
shock avoidance vs DRL schedule, cocaine induced punished responding, male squirrel monkeys, 36891
unconscious desire or need for punishment & transference & countertransference issues, correctional facility staff, 35082
VI punishment from prison administrator, prison therapists, 7280

Punishment—Books

Smart sentencing: The emergence of intermediate sanctions, 15832

Punishment—Chapters

Avoidance and punishment, 28414
Boot camp prisons for young offenders, 15211
Day reporting centers: An innovative concept in intermediate sanctions, 15212
The effectiveness issue: Assessing what works in the adult community corrections system, 15208
Electronically monitored home confinement: Does it work?, 15207
Intermediate sanctions and the female offender, 15214
Justification and goals of punishment and the attribution of responsibility in judges, 23970
Monetary sanctions: The problem of compliance, 15834
Punishing labor: Unpaid community service as a criminal sentence, 15836
The use of fines as an intermediate sanction, 15835

Punishment (Capital) [See Capital Punishment]

Pupil (Eye)—Serials

application & reliability of microprocessor assisted static vs light evoked dynamic pupillometry in clinical psychophysiological diagnosis, psychiatric patients, 5756
color vs luminance of stimuli, pupillary responses & projection of phasic & tonic &/or color & luminance visual pathways to pretectal pupillomotor neurons, 23–34 yr olds, 36586
latency to maximum pupillary constriction, prediction of relapse following haloperidol treatment withdrawal, schizophrenic 24–51 yr olds, 22766
lighting intensity & monocular & binocular exposure, opioid miosis, methadone maintenance patients, 31024
pupil entry & retinal illuminance & photopigment optical density, color matching, adult Os, 28490
pupil size & grating orientation, wavefront aberration & ocular modulation & phase transfer function, adults, 4688
pupil size, chromostereopsis & chromatic diplopia, adults, 16209

Pupil Dilation—Serials

attention, pupillary dilation, adults, quantitative system analysis of model, 44539

color coded symbolic tactical display of flight information & mental work load, eye movements & pupillary response during visual search, 19–45 yr old engineers & student engineers, 15761
color CRT display, pupil size, color blind male 18–25 yr olds, Japan, 18451
lateral suprasylvian area, ocular convergence & lens accommodation & pupil constriction of ocular near response, cats, 28485
pupil diameter, adults with unilateral migraine headache, 22192
stereoscopic prismatic viewing, midbrain near-response neuron activity before vs after phoria adaptation, male monkeys, 579

Pupil Dilation—Chapters
The pupillary response in cognitive psychophysiology and schizophrenia, 21850

Puromycin—Serials
sc cerulein, anisomycin vs puromycin vs cycloheximide induced memory impairment in passive or active avoidance, male rats, 16790

Putamen—Serials
age & sex, monoamines & their metabolites in postmortem putamen, 1 mo through 82 yr olds, 5042
cocaine tolerance &/or behavioral sensitization, extracellular dopamine efflux in caudate putamen, male rats, 44652
flupenthixol in caudate putamen, food rewarded operant responding, male rats, 40524
haloperidol vs fluphenazine with or without amphetamine or nomifensine, dopamine & DOPAC & HVA & 5-HIAA in caudate putamen vs nucleus accumbens, female rats, 20995
responsiveness to haloperidol & glucose metabolic rate in caudate nucleus & putamen, schizophrenic 20–54 yr olds, 17784
topographical organization of projections from physiologically identified areas of motor cortex to caudate putamen, rats, 4577

Pyramidal Tracts—Serials
NMDA based pattern discrimination in compartmental simulations of cortical pyramidal cell, 8652
relationship between pyramidal cell cones of striate cortex layer IVA & honeycomb cytochrome oxidase pattern, rhesus monkeys, 20574
unilateral lesions to contralateral homotopic cortex, dendritic arborization of layer V pyramidal neurons in sensorimotor cortex, male rats, 565

Pyramidal Tracts—Chapters
Behavioral and anatomical correlates of postlesion plasticity of the pyramidal tract during development in the cat, 24728

Q Sort Testing Technique—Serials
construction & validity of common language version of California Q-Set, personality assessment, male 4th graders, 11959
Q sort, assessment of consensus in seriousness of crimes, 20–62 yr olds, 39736
Q sort procedure for assessment of beliefs about abortion, college students, 43736
rationale & guidelines for Q technique factor analysis, 12084
reliability & intercluster structure & construct validity of Q-Sort of Adolescent Images, assessment of individual & collective images, 14–19 yr olds & their parents, 11969

Quadriplegia—Serials
interpleural analgesia use & complications, chronic benign pain management, ventilator dependent quadriplegic female 49 yr old, 42597

Quadriplegia—Chapters
Parenting with a disability, 38159

Quality Circles [See Participative Management]

Quality Control—Serials
application of quality improvement theory to mental health program planning, 42693
application of quality principles to systematic training design, organizations, 47346
commitment to quality in strategic planning, price vs nonprice based vendor evaluation & performance, Japanese owned firms vs US owned firms using Japanese vs traditional management techniques, 7682
continuous quality improvement cycle, identification of patients with psychosocial problems, medical residents, 4 yr study, 43049
contributions of behavior analysis to total quality management & other quality programs, 15603
critical success variables as tools for service quality building in residential care for behaviorally disordered & emotionally disturbed youth, child care workers & supervisors, 38924
design & implementation & evaluation of training program, performance in inspection of precision metal components, manufacturing employees, 39427
development & application of quality & continuous improvement to instructional design activities, business & industrial organizations, 47353
development & roles of client driven quality assurance program for partial hospital facilities, psychiatric patients, 11074
history & characteristics of quality systems & organizational performance improvement, 47423
information process & performance indicators, evaluation of school & educational quality, teachers & school administrators, Portugal, application of model, 27338
integration of total quality management & operant based organizational behavior management, 15598
Kaizen approach to continuous improvement & quality management, managers, 47370
monitoring indicators & quality assessment in group psychotherapy, 22606
perceptions of quality oriented intervention & management commitment, perceptions of work characteristics & job related attitudes, petrochemical company professional & support staff, 39486
perspectives on total quality management & organizational & personal development through performance improvement, business & educational personnel, 47348
process evaluation of workshop presentation skills, peer health educators, implications for quality assurance, 42641
professional program evaluation & quality improvement systems in traumatic brain injury program, 23192
quality assurance models for evaluation of mental health services, England, 7046
quality management in brain injury rehabilitation services, 23185
quality management in forensic mental health consultation & services, 34813
quality management principles & 10 step process for management of performance improvement, organizations, 47373
scientist practitioner model in quality assurance & research of traumatic stress program, clinical psychologists & psychotherapists in managed health care, 30736
self vs machine paced immediate vs delayed visual feedback, signal error detection accuracy in computerized quality control simulation, 20–35 yr olds, 32154
Texas Rehabilitation Commission system, assessment of quality rehabilitation, task forces, 2 yr study, 3053
total quality management process & organizational development, 39509

Quality Control—Books
Putting total quality management to work: What TQM means, how to use it & how to sustain it over the long run, 31541

Quality of Care—Serials
adaptive functioning & dependency on others for self care & quality of care, chronically mentally ill in hospitals vs nursing homes, 30777
assessment & management of treatment standards of care, adult suicidal outpatients, literature review, 19057
assessment of quality in early childhood programs, 23493
comprehensive managed care program, cost containment & quality assurance, mentally ill patients, 27006
continuous quality improvement measurement of health status, asthmatic patients, conference presentation, 34730
costs & rationing & quality of managed mental health care, 46755
definition & measurement & evaluation of quality of care in group homes for mentally ill, 11033

development & evaluation of psychosocial summary flow sheet, coordination of patient care, medical staff, Canada, 38792
development & validity of interview, assessment of hospital treatment, AIDS patients, 7994
developmental disabilities legislation & quality assurance & impact measurement of federally supported university affiliated health care delivery programs, 2867
dynamic psychotherapy vs cognitive behavioral therapy vs good clinical care, psychiatric patients, 42195
evaluation of quality in human services, 10997
federal antipsychotic drug regulations, psychotropic prescribing practices & quality assurance in nursing homes offering pharmacy sponsored nurse & physician education, 11039
grounded theory perspective on perceptions of quality of home health care, 18–28 yr olds with spinal cord injury, conference presentation, 46852
guidelines for quality assessment in worksite health promotion programs, 46727
importance & relative priority of components of care for children with developmental disabilities, health care professionals vs parents, 2875
methodology to risk adjust & integrate outcomes of anesthesia services into measures of quality, surgical patients, 30623
minimum quality guidelines for medical/psychiatry hospital units, 15044
monitoring indicators & quality assessment in group psychotherapy, 22606
need for family practice research on racial differences in quality of care & morbidity & mortality, 46602
parent involvement & value of parent staff communication & program quality, children in proprietary center infant & toddler & preschool day care classes, 43190
patient & physician characteristics, perceived quality of care, adults, 46759
perceived adequacy of home care for elderly discharged from hospital, discharge planners, 42825
perceived patient responsibility for acquiring illness, assessment of patient's personality & behavior in medical setting & quality of care, college students, 45330
perceived quality of care, hospitalized patients with infectious diseases, Sweden, application of grounded theory approach to & model of quality of care, 46893
perceived quality of information & prenatal care in public maternal & child health facilities, pregnant females & their physicians & midwives, Jordan, 26982
prevalence of undetected alcohol dependence, 18–85 yr old outpatients at mental health clinic, implications for quality assurance of mental health services, 2899
professional program evaluation & quality improvement systems in traumatic brain injury program, 23192
quality care & improvement strategies in treatment of communication disorders, Canada, commentary, 46990
quality care & improvement strategies in treatment of communication disorders, Canada, 46996
quality improvement strategy based on Total Quality Management concept, drug treatment program management & staff, 23245
quality management in brain injury rehabilitation services, 23185
quality of care & problems in delivery of psychotherapy in managed care settings, 30755
quality of child care system, US vs France, 9442
quality of health care, Black adult psychiatric & nonpsychiatric patients, literature review, 6463
quality of mental health care & other aspects of CHAMPUS program, 0–17 yr olds, 34818
quality of service & resident & staff activity in hospital based houses, 27–44 yr olds with severe or profound mental handicaps & seriously challenging behaviors, 3009
relationships with clients & working conditions & other issues in quality assurance, paraprofessional home care workers, 30871
reorganization of private psychiatric unit for collaboration with managed care organization, quality of care, psychiatric patients, 15031
satisfaction with palliative care services, bereaved primary care providers, 27071
scientist practitioner model in quality assurance & research of traumatic stress program, clinical psychologists & psychotherapists in managed health care, 30736
task complexity & resident vs data vs thing orientation in direct patient care, nursing home nursing assistants, 7121
tension between therapists & 3rd party payers & relation to quality assurance in psychiatric practice, 15313
Texas Rehabilitation Commission system, assessment of quality rehabilitation, task forces, 2 yr study, 3053
time sampling direct observation procedures, assessment of quality of care, developmentally disabled adults in residential facilities, 46895
treatment outcome assessment & continuous quality improvement in psychiatric hospital program evaluation, psychiatric patients, 46891
trends & issues in quality of mental health services, patients with long term & severe mental health problems & disabilities, Europe, 27016
use of extra staff resources for positive care & enhancement of quality of life for elderly mentally ill residents, nursing home staff, 42854

Quality of Care—Books

Managing managed care: A mental health practitioner's survival guide, 2882

Quality of Care—Chapters

Adolescent mothers, 29093
Is anything more important than day-care quality?, 5418
Patient satisfaction, 38845
Policies to enhance access to high-quality child care, 5422
Process or outcome approach in the evaluation of psychiatric services, 38850
Quality assurance in mental health care, 46790

Quality of Life [See Also Quality of Work Life]—Serials

absorption ability & physical environment, quality of life & mood & cognitive performance, adults with vs without seasonal affective disorder, 1676
advantages of biopsychosocial model in psychiatric consultation & multidimensional indices in assessment of health related quality of life, patients with inflammatory bowel disease, 23010
age & family stage & stress, quality of life, family caregivers of terminally ill children or adolescents or adults, 23081
age & symptom group & leakage amount & duration, quality of life & psychosocial & physical dysfunction, female 40–70 yr olds with urinary incontinence, Norway, erratum, 10222
applicability of Charing Cross Health Indicator, assessment of distress & disability & quality of life, adults with mental disorders, England, 12027
approaches to utility measures of health related quality of life, patients with rheumatic diseases, 39866
availability & adequacy of social support, quality of life, 18–89 yr olds with severe mental disorders in community support programs, 14960
burdens associated with combining work & caregiving, caregiving employees & their employers, implications for future research & policy consideration, 15009
captopril vs enalapril, quality of life, hypertensive male 55–79 yr olds, 34757
case management activities, satisfaction with treatment & quality of life, long term psychiatric inpatients vs outpatients vs community support system clients, 7049
chemotherapy, quality of life, cancer patients, 14821
clinical & demographic factors, quality of life, seriously mentally ill 18–55 yr olds, 5779
combination of intensive satellite studies with panels in phases for examination of quality of life, family relationships, elderly, longitudinal study, 20181
community norms for Brief Symptom Inventory & correlation with quality of life, 75–85 yr olds & older, Italy, 43751
components of model community programs, quality of life, chronically mentally ill, 27041
concept & measurement of quality of life in oncology treatment & palliative care, 22896

concepts & measurement of social support & quality of life, patients with rheumatoid arthritis, research review, 41962
conceptual & methodological issues in health related quality of life in outcome research, 5609
content & construct validity & reliability of affective quality of life instrument, college & graduate students, Canada, 8066
content analysis of verbal behavior, measurement of quality of life, patients, 21631
demographic characteristics vs personal vs environmental aspects, life satisfaction & perception of quality of life, adults, Thailand, 5345
determinants & measures of quality of life & role in palliative care interventions, terminally ill patients, 20078
development & application of quality of life measures to chemotherapy delivery, 18–78 yr olds with breast or other cancer, 22898
development & reliability & validity of Lancashire Quality of Life Profile, evaluation of community & social care services, mentally ill, England, profile appended, 39872
development & test retest reliability of quality of life short form questionnaire, hypertensive 18 yr olds & older, 24195
development & validity & reliability of instrument measuring cognitive domain of quality of student life in faculties of education, education students, Canada, 35276
dispositional optimism & control appraisals, quality of life, 38–77 yr old coronary artery bypass surgery patients, 8 mo study, 22907
employment status, quality of life, 65–74 yr olds, 13210
environment & health & quality of life, commentary, 2728
exercise participation, depression & self esteem & quality of life, nonclinical Navy personnel, 5636
former home & current shelter & hostel environments, quality of life, homeless females, 1200
grief reactions & hallucinations & quality of life, 71–74 yr old widows & widowers observed at 1 & 3 & 12 mo postbereavement, Sweden, 29423
health & economic & social indicators of quality of life, children & adolescents, 1815–1914, Great Britain, application of Victorian Index of Children & Youth, 21138
health & fitness related behaviors, subjective quality of life, 17–59 yr old Navy personnel, 1436
health & fitness status & health behavior, perceived quality of life, 17–52 yr old Navy personnel, 2 yr study, 11741
health status & quality of life, patients with HIV infection, 34093
heuristic model of mental health & perceived quality of life, patients with HIV, 42005
hostels vs boarding out homes vs group homes, perceived quality of life, mentally ill 21–80 yr olds, England, 10996
housing & working conditions & economic situation & perceived health & health behavior after divorce, 35–49 yr old males, Sweden, 5 yr followup, 9429
inappropriateness of psychiatric hospital confinement & quality of life & service issues, community living adults & 12 yr old with learning difficulties, Ireland, 34879
individual differences in sense of humor, quality of life indicators, college students, Canada, 21538
institutional release at closing of state psychiatric facility, quality of life, adult psychiatric patients, 1 yr followup, 27108
issues in quality of life assessment in palliative care, cancer patients, 20077
length of posttraumatic amnesia & coma duration & age as severity markers, prediction of quality of life outcomes, adult & elderly patients with traumatic brain injury, 26337
life satisfaction & affect & functional disruptions & angina severity & consequences of surgery before vs 1 yr after surgery, 33–80 yr old coronary bypass patients, 10826
marital status, long term quality of life, 18–87 yr olds with traumatic brain injury, Canada, 38269
medical & demographic characteristics, prediction of psychosocial distress & rehabilitation needs & quality of life 1 yr after diagnosis, newly diagnosed 33–83 yr olds with breast cancer, 42012
medical care, quality of life, disabled, 1985–89, research review, 46599
methadone treatment, daily life activities & self perceived health & life quality, heroin addicted clients, 31013
methodological issues in survey assessment of services, patient survival & cost of care & quality of life, patients with AIDS, longitudinal study, 24036
mood disorders & psychiatric distress & future outlook & physical functioning & quality of life, male homosexual 25–58 yr old long term survivors of AIDS, 30129
move from hostel to small group homes, quality of life, adults with severe or profound mental handicap, 2 yr study, 2911
multidimensional view of medical disorders vs global view of treatment outcomes in quality of life assessment, patients with chronic disorders, 31950
neighborhood satisfaction & perceptions & perceived quality of life & self efficacy, residents of city vs inner vs outer suburban neighborhoods, 13243
nutritional status & immune function & quality of life, HIV positive vs negative homosexual or bisexual adult males, 34089
palliative chemotherapy administered at home vs hospital, quality of life, 31–78 yr olds with advanced breast or ovarian cancer, England, 22933
perceived costs & benefits of supported vs sheltered employment & cost effectiveness of employees' quality of life, developmentally disabled 22–55 yr old employees & taxpayers & society, 27172
perceived empowerment & other factors in subjective quality of life, chronically mentally ill in community based psychosocial rehabilitation program, 27121
perceived quality of life, mentally ill discharged from state hospital to group home, 11 yr followup, 30843
perceived ratings of quality of life items & development of preliminary assessment tool, 7–12 yr olds vs their parents, implications for chronically ill children, conference presentation, 29
perceived utility of health & quality of life of imaginary 5–70 yr old patients with end stage renal disease, college students vs elderly, 45890
perceptions of & feelings about personal lives, 25–63 yr old spouses of male nuclear power shift workers, UK, 27736
perceptions of physician facilitation & personal definitions of quality of life, White 71–90 yr old retirement home residents, 25317
perceptions of suffering & quality of death in hospital, hospital nurses vs family members of 41–91 yr old terminally ill patients, 30944
pet ownership & other factors, perception of family quality of life, college students, 1277
physical & psychological distress & activity level & food intake & swallowing & quality of life, patients with resected esophageal cancer, Netherlands, 6968
postshelter advocacy services, access to community resources & postshelter abuse & quality of life, abused females leaving domestic violence shelter, 11004
preventive self efficacy & health behavior & SES & health status, cost savings & quality of life changes, elderly Medicare beneficiaries, 40977
psychological health & quality of life & other psychosocial impacts, female 33–87 yr olds with gynecologic cancer treated by hysterectomy vs vulvectomy vs total pelvic exenteration, 14844
psychological intervention, emotional distress & adjustment & coping & quality of life, patients with cancer, research review, 2742
psychotropic drugs, pain & emotional states & other quality of life parameters, elderly, literature review, conference presentation, 38591
public perceptions of leisure opportunities & quality of life in metropolitan area, adults, 1982 vs 1986 vs 1988, 39546
quality of care in management of epilepsy, mentally retarded, 42141
quality of life & comorbid psychotic disorders, patients with generalized anxiety &/vs panic disorder with vs without agoraphobia, 37800
quality of life & stress coping behavior, male 13–18 yr old sufferers of headaches, 30076

quality of life approach to program planning & evaluation of services, disabled persons, 46820
quality of life, compulsorily detained psychiatric patients, UK, 42863
quality of life, female 63–75 yr olds at risk for nutritional deficiency, Ireland, 45894
quality of life health education & promotion program, link between creativity & life satisfaction, 51–89 yr olds, 38762
quality of life issues for terminally ill patients & relationship of biomedical technology & prospective payment system & DRGs to services received, 42712
quality of life issues in management of home care program, family members caring for terminally ill patients with advanced cancer, 23091
quality of life, living vs relatives of deceased 65 yr olds & older, 9344
quality of life model for evaluation of transition programs, handicapped, implications for research & program development, 46954
quality of life, narcoleptic 20–97 yr olds, 2129
quality of life nursing care, attitudes toward treatment & psychosocial factors & health, 60 yr old & older nursing home residents & staff, 23105
quality of life, patients with multiple sclerosis vs inflammatory bowel disease vs rheumatoid arthritis, 38132
quality of life vs standard of living, schizophrenic 21–65 yr old outpatients, Sweden, 29710
quality of life, 16–74 yr olds with insulin dependent diabetes mellitus, Norway, 26178
quality of life, 32–93 yr olds with Q-wave vs non-Q-wave myocardial infarction assessed following hospital admission, 100 day study, 22324
quality of life, 5–8 yr olds with liver transplants, 3–6 yr followups, 34764
quality of spousal vs parental vs occupational role, prediction of health & morbidity & mortality, 18–65 yr old males vs females, 15 yr study, 29426
quality vs quantity of life & mind body dichotomies & molecular biology & psychogeriatric treatment of manifest behavioral symptoms of Alzheimer's disease, 38660
rehabilitation outcome & value & quality of life, head injured patients & their family members, 23178
reliability & validity of & other issues in quality of life & health status measurements, patients with HIV or AIDS, 35954
role of coping styles in quality of life, hospitalized 26–61 yr olds with AIDS, nursing implications, 30948
role of overall quality of life in rehabilitation, mentally ill, 23209
roles & issues in quality & control of life activities in residential care settings, elderly & recreation professionals, 42852
scheduled naps, daytime alertness & frequency of sleep attacks & quality of life, 21–65 yr old narcoleptic patients, 38731
sensitivity of short vs longer health status instruments, assessment of physical & psychological & global factors, hip replacement patients, 8004
sex, symptom type & severity & premorbid adjustment & quality of life, schizophrenic patients, 17826
sociodemographic characteristics & rehabilitation services, quality of life, 18–65 yr old deinstitutionalized mentally ill patients, Canada, 46903
sociomedical conditions, 60 & 70 & 80 yr olds, Poland, 5 yr followup, 13195
stage of ego development, marital quality & quality of life, 38–79 yr old cancer patients & their spouses, 34118
stress & demands & quality of life, family caregivers of patients with Alzheimer's disease, 23085
subjective components of perceived psychological well being & quality of life in hypothetical profiles, doctors vs lecturers vs engineers vs administrators, India, analysis of Lens Model, 45337
supported employment, quality of life, severely mentally ill adults, 15175
temocapril, quality of life, 65 yr olds & older with mild to moderate essential hypertension, 2811
theoretical model of psychological factors in social skills training, quality of life, chronic mentally ill patients, 26642
therapeutic humor, quality of life, elderly residents of long term care facilities, 1 yr study, 38930
tolerability & efficacy of oxiracetam, neuropsychological functioning & quality of life, 54–82 yr olds with Alzheimer's disease or multi-infarct dementia, 18872
treatment of drooling, quality of life & social interactions, developmentally disabled patients, 18464
use of extra staff resources for positive care & enhancement of quality of life for elderly mentally ill residents, nursing home staff, 42854
use of quality of life measures & medical audit in palliative chemotherapy outcome evaluation, patients with breast or other cancer, 22944
validity & reliability of Schedule for the Evaluation of Individual Quality of Life, 67–81 yr olds with mild dementia, Ireland, 43748
validity of Quality of Well-Being scale, parents of 4–18 yr old cancer patients, 31951
visual or hearing impairment, quality of life as seen in mood & social relationships & self sufficiency in daily living, 70–75 yr olds, 38332

intraorganizational vs interorganizational turnover, perceived job quality, employees who quit vs were transferred vs terminated vs replaced, 15645
job rewards, mother child relationships & parent role quality & psychological distress, employed mothers, 29243
perspectives on work & family issues, implications for career development, 3621
positive & negative affect & job change & occupational quality, job satisfaction, 20–67 yr old university employees, 9–39 mo followup, 31566
quality circle approach, work related problems, school psychologists, 31156
worker characteristics & work environment & nature of AIDS work & social support, burnout, hospital social workers serving AIDS patients, 11296

Quality of Work Life—Chapters
Burnout: An existential perspective, 43479
The management of strategies for internal labour market flexibility, 11624

Questioning—Serials
ability to ask & recognize educational value of knowledge vs text based questions, 5th–6th graders, 19573
age & mode of questioning, suggestibility & eyewitness reporting about ambiguously caring vs abusive behavior of mother toward child, 3–4 vs 6–7 vs 18–25 yr olds, 29028
age & structured vs unstructured problems with removed vs unremoved eliminated solutions, inquiry behavior in concept identification, 1st graders through college students, 9201

anomalous information, question generation during quantitative problem solving & story comprehension, college students, 20263
clarification requests in referential communication of route directions by telephone, 7 vs 10 yr old vs adult pairs, 21253
communication with & questioning of children under 1989 Children Act, early childhood educators & solicitors & other professionals, UK, 32816
cooperative mastery learning method, questioning behavior & creativity & achievement, 3rd–4th graders, Israel, 43217
diagnosticity & question selection in hypothesis testing, college students, 4342
directional questioning & memory base content & variability, self conception, college students, Canada, 25561
elaborative interrogation & individual vs small vs large groups, use of imagery vs verbal vs repetition study strategies & recall performance, college students, implications for classroom learning, 11439
evaluation question vs factorial survey approaches, measurement of social & economic attitudes, 39788
expectation of random oral questioning, preparedness for class lecture & discussion, education students, 3363
form & function of questions in conversations, French speaking 3–4 yr olds during play time, 13143
grammatical or ungrammatical yes/no vs "wh" questions, EPs in syntactic displacement of constituent to beginning of clause or sentence & processing of unbounded dependencies, 18–31 yr olds, 36607
hypothetico deductive vs interrogative method of inquiry in legal context & Roman codified as Anglo Saxon common law, 8300
information seeking & obtaining behavior concerning patient related clinical questions, rural vs urban 29–66 yr old family physicians, 10818
interrogative model of inquiry as general theory of argumentation, 9536
level of demand of parent's requests & length & complexity of utterance, disfluencies in conversational responses to questions vs assertions, 4–10.6 yr old stutterers & their parents, 18166
mental reinstatement of context vs free recall vs specific questions, completeness & accuracy of information recall, 6 vs 11 yr olds vs adults, implications for interviewing child witnesses, 37025
monolingual vs bilingual spaced vs massed reading repetitions & main idea vs detail questions, text comprehension & recall, college students, 47223
nature of faults & fallacies in questioning dialog, 9074
note taking & request for aid in communication about route finding with normal hearing talker, 30–74 yr old experienced cochlear implant users, 42904
note taking & self questioning training, science quiz performance, 5th & 6th graders, Canada, 27501
open ended problem solving training, taxonomic level of questioning, orthopedic surgery certification examiners, Canada, 5 yr study, 43039
peer assisted question answer relationship training, reading comprehension, 3rd graders, 31249
police deception in interrogation, false confessions, police personnel & criminal suspects, conference presentation, 3909
prior knowledge & familiarity of target, elaborative interrogation effects on immediate vs delayed associative learning & memory of facts about target, college students, 20330
procedures for construction of knowledge spaces by intellectual questioning of expert, application to computerized instruction system, 39631
purpose for & methods of asking questions during reading, 4th–6th graders, 35328
question driven understanding & reasoning in learning, application of computer model of knowledge goals, 32222
question form vs face-threat, interpretation of questions vs replies, female vs male college students, 5509
questions & responses during small group instruction, preschool teachers & 41–56 mo old students in Ausubelian vs Piagetian schools, 11503
role of questioning in science teaching & learning process, primary school teachers & students, Great Britain, 47198
rules & moves of epistemic games & their associated epistemic forms to guide inquiry, 36152
sex & assertiveness, safer sex behaviors of caution in intimacy & inquiry of partner's risk history & frequency of condom use, heterosexual college students, test appended, 1338
sex, questioning strategies in problem solving matrices, college students, 44081
specification of question answering help facility in context of UNIX mail based on analysis of facilitative dialog, expert & novice users, 31669
stimulation technique vs linguistically oriented learning approach to training in use of interrogatives & prepositions, aphasic 27–66 yr olds, 42986
time delay & question type, eyewitness hypermnesia vs inaccurate confabulated testimony in multiple accounts of crime, college students, 23928
topic interest & prior knowledge, student generated test questions, college students in developmental reading course, 15519
types of questions asked in addition & subtraction lessons, 1st grade teachers, Japan vs Taiwan vs US, 23584
use of hypertext vs traditional book form encyclopedia, performance & navigation strategies in question answering task, college students, 44086
use of photographs & nonleading questions in identification of child sexual abuse perpetrators, 2 & 4 yr old female alleged victims, 19884

Questioning—Chapters

Invitations to new stories: Using questions to explore alternative possibilities, 34390
Question asking during tutoring and in the design of educational software, 43243
Questioning questions in teaching and learning from texts, 47204
Questions about questions: Situating the therapist's curiosity in front of the family, 34467
Questions in elementary science and social studies textbooks, 47206
Refining questions and hypotheses, 46798

Questionnaires [See Also General Health Questionnaire]—Serials

Abbreviated Mental Test Score vs Mini-Mental State Examination vs Mental State Questionnaire, screening for dementia, elderly, 4114
adaptation of translated short version of Alcohol Expectancy Questionnaire for Adolescents, prediction of alcohol use, 13 yr olds, Norway, 39733
background & psychometrics & reliability & validity & implementation of 14 questionnaires, assessment of pain related disability, 15966
CAGE questionnaire, screening for drinking problems, 60 yr old & older medical outpatients, 4045
confirmatory factor analysis of Fear Questionnaire, patients with panic disorder with agoraphobia, 35880
construct & predictive validity of Perceived Motivational Climate in Sport Questionnaire, assessment of team satisfaction & performance worry & climate, young athletes, 39756
construct validity & temporal stability & internal consistency of Revised Fagerstrom Tolerance Questionnaire, assessment of physiological dependence on nicotine, cigarette smokers, 31812
construct validity of Personal Attributes Questionnaire, measurement of instrumental & expressive attributes, 18–91 yr olds, England, 20005
construct validity of Personal Feelings Questionnaire-2, assessment of shame & guilt, college students, 35851
construction & factor & cluster analysis of Boston Teacher Questionnaire, assessment of academic functioning & learning disabilities, 9 yr old students assessed by teachers, questionnaire appended, 31975
construction & factor analysis & internal consistency & stability of Aggression Questionnaire, college students, 39

construction & psychometric properties of Marital Satisfaction Questionnaire for Older Persons, 55 yr olds & older, questionnaire appended, 11937
construction & reliability & validity of Hyman-Baker Mammography Questionnaire, assessment of health beliefs related to mammography, female adults, 24191
construction & validity of Outcome Evaluation Questionnaire, assessment of behavioral & cognitive responses to pain, adults with chronic pain, questionnaire appended, 8006
construction & validity of questionnaire, assessment of differences between clinical vs research psychologists, 18–43 yr old college students, 7939
construction of Emotional Dependence Questionnaire, assessment of emotional dependence on males, females, test of P. Russianoff's hypothesis, 39774
convergent & discriminant validity of Anxious Self-Statements & Automatic Thoughts Questionnaires & relation to anxiety & depression, college students, 43732
correlation among Worry Domains Questionnaire & Penn State Worry Questionnaire & Student Worry Scale, 18–68 yr olds, England, 19995
correlation between MMPI scales & Tridimensional Personality Questionnaire, 16–82 yr old psychiatric patients, 24159
correlation between short & long forms of McGill Pain Questionnaire, adults with cancer related chronic pain, 39740
correlation of scores on physical subscales of Lifestyle Assessment Questionnaire & objective physiological indexes, college students, 8052
correlation of visual analog scale &/vs present pain index subscale of McGill Pain Questionnaire, patients with inflammatory bowel disease vs irritable bowel syndrome, commentary, 8023
cross cultural & methodological issues in & reliability of Facilitator-Regulator Questionnaire, assessment of maternal orientation, mothers of 6 mo olds, Israel, 19971
culture instrument, assessment of perceptions of gap between actual & ideal organization & facilitation of organizational learning, technical & professional & administrative employees, 3 yr followup, 31586
daily events & day of week, prediction of mood with Positive & Negative Affect Schedule & Nowlis Mood Adjective Checklist, male adults, 11985
database representation of online multiple choice questionnaires, assessment of abuse liability of drugs, conference presentation, 8003
development & cluster analysis of questionnaire, assessment of coordination demands of routine & nonroutine tasks in military cargo helicopter operations training, military pilots & copilots, 43846
development & construct validation of Supervisee Levels Questionnaire-Revised, assessment of level of development, counseling or clinical psychology trainees, test of integrated development model, 12066
development & construct validity & factor structure of Educational Beliefs Questionnaire, K–12th grade teachers, 8068
development & factor structure & reliability & internal consistency & convergent discriminant validity of Cocaine High-Risk Situations Questionnaire, cocaine using adults, 31905
development & factor structure of antenatal emotional attachment questionnaire, expectant couples, 43690
development & factor structure of Social Integration & Independence Questionnaire, 65 yr olds & older, questionnaire appended, 4019
development & factorial validity of Academic Setting Evaluation Questionnaire, assessment of satisfaction with working conditions & social climate & relationships with students, faculty members, Spain, 43849
development & psychometric properties of abbreviated Alcohol Expectancy Questionnaire for Adolescents, 7th graders, 35797
development & psychometric properties of Profile of Fatigue Related Symptoms scales, patients with chronic fatigue syndrome, 20082
development & psychometric properties of Women's Health Questionnaire, assessment of perceived emotional & physical health, female 23–38 vs 45–65 yr olds, 20080
development & psychometrics of situation specific questionnaire for Standard Shiftwork Index, assessment of coping with shift work & psychological health, nurses & midwives, England & Wales, 24236
development & psychometrics of 40 item Defense Style Questionnaire, 16–68 yr old psychiatric outpatients vs child abusing parents, questionnaire appended, 27992
development & reliability & validity & factor structure of Attitudes Toward Censorship Questionnaire, high school & college students, 15925
development & reliability & validity of self report questionnaire Your Workplace, assessment of alcohol related workplace activities before vs after alcohol rehabilitation, adults, 7990
development & reliability & validity of young adult version of Personal Authority in Family System Questionnaire, assessment of intimacy & individuation, college students, 11975
development & reliability & validity of Adult Attachment Dimensions Questionnaire, assessment of security in relationships, psychiatric outpatients vs normal adults, 20059
development & reliability & validity of Close Persons Questionnaire, assessment of social support, adults, England, 7967
development & reliability & validity of Comprehensive Effects of Alcohol questionnaire, assessment of alcohol expectancies, college students, 24077
development & reliability & validity of Family Ritual Questionnaire, college students & their parents, 27917
development & reliability & validity of Safe Sex Behavior Questionnaire, 18–23 yr olds, 39867
development & reliability & validity of Teenage Inventory of Social Skills, 7th–12th graders, 11963
development & reliability & validity of Treatment Acceptability Questionnaire for adults & children, college students, 3959
development & reliability of Behavioral Self-Report of Masculinity, male vs female college students, 43725
development & reliability of Community Integration Questionnaire, patients with traumatic brain injury with vs without rehabilitation in model systems program, Canada, questionnaire appended, 39835
development & reliability of Patient Attitude Questionnaire, assessment of attitude change during transfer from hospital, psychiatric patients, England, test appended, 39830
development & test retest reliability of quality of life short form questionnaire, hypertensive 18 yr olds & older, 24195
development & test retest reliability of Life Activities Questionnaire for Adult Asthma, assessment of activity restriction, 18–68 yr olds with asthma, 20079
development & validity of Adherence Determinants Questionnaire, assessment of compliance with medical treatment & prevention, adults with vs without vs at risk for cancer, questionnaire appended, 24188
development & validity of Catastrophic Cognition Questionnaire, assessment of misinterpretation of bodily & emotional states as dangerous, college students, implications for panic disorder, 20035
development & validity of Italian & English versions of Perceived Stress Questionnaire, college students vs health workers vs ulcerative colitis outpatients vs gastroenterology inpatients, 28067
development & validity of Pain Beliefs Questionnaire, assessment of beliefs in pain causes & consequences, adults with vs without chronic pain, England, 24189
development & validity of Wing Subgroup Questionnaire, subclassification into aloof vs passive vs active but odd subgroup, 4.8–20.1 yr olds with autism or pervasive developmental disorder, 39800
development and validity of Work Planning Needs Questionnaire, assessment of psychological traits during planning activities, industrial managers, translated article, questionnaire appended, 31995

development of Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, questionnaire appended, 39765
development of Child Perceived Coping Questionnaire, assessment of coping with & moderation of stress, 6–12 yr olds, 11967
development of course ratings questionnaire as teaching method, college students in tests & measurements class, 27463
development of Decision to Seek Medical Treatment Instrument, college students, 39871
development of Fear Avoidance Beliefs Questionnaire, assessment of disability in activities of daily living & work loss, 18–60 yr olds with low back pain, 31927
development of General Satisfaction Questionnaire, evaluation of mental health programs, adults, 39743
development of Job Activity Questionnaire, assessment of industry safety, working safety professionals, 43847
development of National Institute of Mental Health Panic Questionnaire & concordance with other measures, 22–63 yr olds with panic disorder, 8020
development of questionnaire, assessment of attitudes toward & beliefs about health consequences & social value of smoking, 6–15 yr olds, 28988
development of questionnaire, assessment of frustration with patient communication, physicians, 35949
development of Socio-cultural Change Questionnaire, assessment of effects of rapid social change on mental health & psychiatric morbidity, adult females in Dubai, United Arab Emirates, 39798
diagnoses of alcoholism by physician vs questionnaire, 15–96 yr old coronary care patients, 38204
diagnostic validity of self administered questionnaire vs clinical interview, 25–64 yr olds with headache disorders, Denmark, 24040
dimensional nature of Agoraphobic Cognitions Questionnaire & Body Sensations Questionnaire, assessment of fear of fear, 22–73 yr olds with agoraphobia or panic disorder, 39795
dimensionality & transituational invariance of shortened version of Complutense University Teachers Evaluation Questionnaire, assessment of perceived teaching quality, college students, Spain, 8061
dimensionality of Learning Style Questionnaire, college students, 43718
discourse completion questionnaire with vs without hearer response, elicited requests, native English speaking college students, 7922
discriminant & convergent validity of 2 subscales of Problem Solving Style Questionnaire, college students, 43734
enclosure of return card, response rate to questionnaires concerning sexual behavior & illegal drug use, 18–59 yr olds, implications for AIDS research, 16083
factor analysis of barrel symptoms questionnaire, existence of irritable bowel syndrome, 18–89 yr old females, 4142
factor analysis of questionnaire survey for assessment of social context of alcohol consumption & problem drinking, high school students, 31797
factor structure & construct validity of Personal Resource Questionnaire 85-Part II, assessment of social support, 12–21 yr olds, 15884
factor structure & reliability of English version of Structure of Temperament Questionnaire, college students, US, 35845
factor structure & reliability of Parent-initiated Motivational Climate Questionnaire, assessment of perceived parents' reaction to new skill learning, male vs female school age children & adolescents, 27926
factor structure of Pay Satisfaction Questionnaire, internal auditing directors, US & Canada, 161
factor structure of Waterloo Handedness Questionnaire, college students with vs without learning disabilities, 12021
group test questionnaire vs interview retest, assessment of probability & features of memory for former head injury with loss of consciousness, 17–22 yr olds, 15954
guidelines for teaching rules of effective questionnaire construction, college teachers in methodology & psychometric courses, 43043
interactive computer animation method vs McGill Pain Questionnaire, pain assessment, 26–86 yr old pain patients, Scotland, 43785
internal consistency & concurrent & construct validity & subscale intercorrelations of Fear of Pain Questionnaire, adults with headaches, 20033
internal stability & predictive validity of Marsh's Self Description Questionnaire-2, 14–15 yr olds, 27977
International Version of Mental Status Questionnaire, assessment of credibility of abuse & neglect charges against nursing staff, female 77 yr old vs male 82 yr old nursing home residents, 46867
interpretation & administration & scoring & reliability & validity of Student Adaptation to College Questionnaire, college students, 12063
interview schedules & questionnaires for & problems with screening & measurement of depression, elderly, conference presentation, 35896
issues in & areas of future research on pretesting of questionnaires, research review, implications for market research, 35995
issues in research with Questionnaire on Resources & Stress, families with children with developmental disabilities, 24119
Learning Style Inventory vs Learning Style Questionnaire, classification of learning style, college students & faculty, 8343
lottery incentive & questionnaire length, return rate of initial & followup questionnaires on alcohol use & life status, alcoholic 28–62 yr olds, 7 mo followup, 35045
mail survey questionnaire identification code & message about nonresponse followup, response rate & quality & attitudes & involvement, respondents, 8160
method for presentation of feedback on vocational needs & satisfaction assessed by Minnesota Importance Questionnaire & Minnesota Satisfaction Questionnaire, career counseling clients, 3635
methodological factors in development of HIV risk related behaviors & attitudes & knowledge questionnaire, ethnically diverse sexually active Army personnel, conference presentation, 35876
normative scores for Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, 39764
occupational functioning screening questionnaire based on human occupation model, 65 yr old & older rehabilitation patients, 19265
overview of development of Boston Teacher Questionnaire from perspective of classification research, commentary, 31972
prevalence of learning disabilities assessed with Boston Teacher Questionnaire, 8 yr olds in study of prenatal & postnatal lead exposure, 35448
primary & secondary depression factors from O ratings of questionnaire items, patients, analysis of 7 factor theory of depression, reanalysis, 7993
principal component analysis of Illness Behaviour Questionnaire, pain clinic patients vs psychiatric inpatients, replication, 28016
psychometric properties of 3 Factor Eating Questionnaire vs Dutch Eating Behavior Questionnaire vs Revised Restraint Scale, measurement of dietary restraint, college students, 3955
psychometrics & cross validity of Lehrer Woolfolk Anxiety Symptom Questionnaire, adults with vs without social phobia vs healthy 15–21 yr olds, 99
psychometrics of Therapist Representation Inventory & Intersession Experience Questionnaire, assessment of representation of psychodynamic therapeutic process, adult & elderly clients & analysands, 43779
psychometrics of Wellness Inventory & Lifestyle Assessment Questionnaire & Lifestyle Coping Inventory, 18–50 yr olds, 8054
questionnaire design, survey data quality, respondents in metropolitan area probability samples, 211
questionnaire form, measurement of attitudes &/vs behavior toward preventive medicine, general practitioners, 11928

questionnaires vs hand efficiency tests, assessment of handedness, male vs female 6–9 yr olds, 28877
reanalysis of Depressive Experiences Questionnaire principal components & relationship to Beck Depression Inventory & EPPS, female college students, 24117
reliability & construct validity of Bulimia Test-Revised, assessment of bulimic symptoms, 18–25 yr old females, 4042
reliability & construct validity of Exercise Thoughts Questionnaire, assessment of frequency of thoughts of reasons for not exercising, college students, 39870
reliability & factor structure of self report questionnaire for assessment of PMS, adult females, 43807
reliability & validity of abstract thinking questionnaire, discrimination of dementia types, 66–86 yr olds with primary degenerative dementia of Alzheimer's type vs multi-infarct dementia, 43797
reliability & validity of Adolescent Life Change Event Questionnaire & Adolescent Life Change Event Scale, adolescents, research review, 15908
reliability & validity of Profile of Mood States, assessment of moods following win vs loss, competitive athletes, 15924
reliability of Client Satisfaction Questionnaire, satisfaction with children's mental health services, parents, 39735
reliability of Teacher Concerns Questionnaire & adaptation to physical education settings, physical education teachers, 20095
reliability of 8 factor clinical scale of Suicide Opinion Questionnaire, 18–53 yr olds, 15976
research on Vividness of Visual Imagery Questionnaire, commentary reply, 24086
scheme for evaluating validity of Vividness of Visual Imagery Questionnaire, 27916
theoretical basis & similarity structure analysis of Prosocial Motivation Questionnaire, 10th graders, Germany, 31833
translation & validation of Spanish version of Expectations About Counseling questionnaire, bilingual college students, 4046
use of patient attitudes & morbidity questionnaire for evaluation of nurse run asthma clinic, 3–83 yr olds with asthma, 12 mo followup, 10971
user preferences & reliability of computerized version of questionnaires, mental health risk assessment, college students, 43814
utility of Dutch adaptation of longitudinal self report Moos Menstrual Distress Questionnaire, assessment of symptoms & diagnostic criteria, female 18–46 yr olds with PMS, Netherlands, 2 yr study, 28071
utility of Heck-Hess Questionnaire vs MMPI vs Luscher Color test vs EEG, assessment of neuroticism, adults, 15928
utility of Leiden Impotence Questionnaire vs urological & psychiatric evaluation, differentiation between psychogenic vs organic erectile dysfunction, male adults, 31811
utility of Malmo modified Michigan Alcoholism Screening Test vs CAGE questionnaire vs self report, detection of drinking habits & heavy drinking, female 40 & 45 yr olds, Finland, 24147
utility of Personality Diagnostic Questionnaire-Revised, diagnosis of personality disorder, college students, 31889
utility of screening questionnaires, assessment of psychiatric symptoms & illness behavior, pain clinic patients, Australia, 35950
utility of Tolerance Questionnaire, discrimination of major vs minor cigarette consumption, smokers, Spain, 24187
validity & reliability of Mutual Psychological Development Questionnaire, assessment of perceived mutuality in spouse or partner or friend relationship, 18–80 yr olds, 7947
validity & reliability of Ways of Coping Questionnaire-R, 23–62 yr old parents of 6–14 yr olds with Down's syndrome, England, 12011
validity of Boston Teacher Questionnaire, assessment of academic functioning & learning disabilities, 9 yr old students, 31976
validity of caregiver reported Memory Self Report Questionnaire vs objective measures, 58–85 yr olds with mild vs moderate vs severe Alzheimer's disease & their caregivers, 28010
validity of General Health Questionnaire vs Self Report Questionnaire, assessment of psychiatric symptoms, primary care patients, Chile, 7988
validity of pay level & raises & benefits & structure & administration dimensions of Pay Satisfaction Questionnaire, corporate employees, 39894
validity of Questionnaire upon Mental Imagery vs Test of Visual Imagery Control, prediction of performance on Kanji grapheme integration task, 3rd & 4th & 6th graders vs college students, 15880
validity of revised Inquiry Mode Questionnaire, nursing students, 43726
validity of self report questionnaires, diabetic 20 yr olds & older, Norway, 18225
validity of Situational Humour Response Questionnaire, measurement of sense of humor, college students, 11978
validity of Undergraduate Stress Questionnaire, college students, 16034
validity of 4 French McGill Pain Questionnaire versions, 28–50 yr old physicians, France, 4041
variances vs mean vs distribution of scores on original blocked version vs random format of Vividness of Visual Imagery Questionnaire, college students, replication & extension, 3961

management of workforce diversity before vs after Los Angeles riots, senior executives, 23742
need for sociopolitical & cultural integration in delivery of occupational therapy, Maori clients, New Zealand, 3123
openness to bilateral vs unilateral dyadic ethnic contact, academic & social outcomes, 6th–8th graders in desegregated classrooms, Israel, 32949
process model of race based interpersonal conflicts in organizations, 27706
psychometrics of ethnic tolerance instrument, 25–64 yr old social workers & counselors & language teachers & medical personnel working with immigrants & refugees, Sweden, test appended, 43784
race & issue framing in surveys, public reactions & support for equal opportunity programs & affirmative action for Blacks, Whites vs Blacks, 1244
race & racism in psychology, South Africa, 5343
racial dynamics in development of sponsor vs mentor supportive relationships, African American & White junior & senior personnel, 43403
racial stereotyping & communication trait attributes, Black vs White college students, 29194
slavery & Sambo mentality & Stockholm Syndrome as sociopsychological antecedents to dependent behavior, African Americans, 29190
social identity theory & contact hypothesis & prejudice research, ethnic group preferences, 12–15 yr olds, Netherlands, 29035
theoretical basis & evaluation & results of race relations competence workshop, Black vs White managers of corporation, 19680
transracial adoption program practices & promotion of racial awareness, adoption agencies, 38870
TV entertainment & sports & news & interracial contact & integration, beliefs about socioeconomic outcomes & contributions of Blacks vs Whites, White college students, 5018
Racial and Ethnic Relations—Books
Counseling American minorities: A cross-cultural perspective (4th ed.), 26485
Intercultural communication competence. International and intercultural communication annual, Vol. XVII, 1993, 33245
Racial and Ethnic Relations—Chapters
Beyond the poverty of theory in race relations: Nonsynchrony and social difference in education, 27561
Changing race relations embedded in organizations: Report on a long-term project with the XYZ Corporation, 3655
Coalitions across conflict lines: The interplay of conflicts within and between the Israeli and Palestinian communities, 41049
Communicative resourcefulness: An identity negotiation perspective, 33255
Ethnic adaptations to Oklahoma: The Germans, Mexicans, and Vietnamese, 37270
Identity management theory: Communication competence in intercultural episodes and relationships, 33247
Individual versus group identification as a factor in intergroup racial conflict, 41048
Intercultural communication competence, 33251
Mentoring and irrationality: The role of racial taboos, 43439
Methodological issues in the study of intercultural communication competence, 33250
Racial Differences [See Racial and Ethnic Differences]
Racial Discrimination [See Social Discrimination]
Racial Integration [See Social Integration]
Racial Segregation (Schools) [See School Integration]
Racism—Serials
acquisition of knowledge about & perceptions of resistance to racism, Black adult females, Netherlands vs US, 17287
attitudes toward Arabs, college students, implications for reduction of racism, 3513
change in racial attitudes & racism, White young adults, 1960–90, 9404
change in racial attitudes & racism, White young adults, 1960–90, erratum, 33082
conceptualization of ethnic attitudes & biological & symbolic & aversive forms of racism & ethnocentrism, 14–20 yr olds, Netherlands, 37264

content analysis of social work journal articles & racism in emphasis on individualistic intervention, minority clients, 1980–89, 23063
Cress theory of color confrontation & racism, commentary, 9396
development & validity & reliability of subtle racism scale, college students, South Africa, 3957
foster care placement & familial reunification & child's racial identity & racism issues, families of African American vs White vs mixed African American & White children, 30824
institutional racism in mental health, literature review, 22989
Jungian evolutionist perspective & racism in research & cross cultural application of analytical psychology, psychiatrist M. V. Buhrman, South Africa, 25618
jury instructions with vs without nullification statement, racism in guilt ratings of White vs Black defendant, White mock jurors, conference presentation, 7866
life work of G. W. Allport on prejudice & racial discrimination, 29183
perspectives of F. Douglas & W. E. DuBois & Malcolm X & J. H. Cone on racism & sexism & Black females, 17285
race & racism in psychology, South Africa, 5343
racial identity & preferences for social change strategies for reduction of racism, African American adults, 41044
racial identity attitudes, racism, White 29–70 yr old college teachers, 19456
racism & ethnic elitism of entrepreneurs, collective vs individualistic effect on permanent material improvement within whole of minority population, Blacks, Great Britain vs US, 17286
racism & perceived medical marginality & sociopolitical factors, psychiatric health care delivery, psychiatric hospital staff, South Africa, 23164
racism & psychotherapy, African American female, letter, 46214
racism & sexism & discrimination toward Black females & White male power as evidenced by A. Hill & C. Thomas Senate confirmation hearings, commentary, 37357
racism & sexism & power & myths about Black males & females in wake of & group relations perspective on A. Hill & C. Thomas Senate confirmation hearings, commentary, 37345
racism in clinical psychoanalysis, 38528
reproduction of racism & apartheid in mental health services & psychiatry, South Africa, 7295
role of racism in prevention & treatment of cancer, Blacks, 42533
same vs cross race intrusion while drinking at water fountain, territoriality & nonconscious racism, Black vs White adults, 25481
sex & fundamentalist nature of religious affiliation, willingness to confront racial discrimination by authority figure vs stranger vs peer, college & graduate students, 29182
social dominance orientation, political conservatism & belief in racial superiority & support of Persian Gulf War & approval of police actions in R. King incident, adults, 29158
student religiosity, humanitarianism vs egalitarianism vs racism, college students, UK vs US, 10 yr followup & replication, 9389
symbolic racism vs social dominance theories, analysis of racial policy attitudes, White 18 yr olds & older, 9402
Tarasoff notification of employers of African American & Hispanic workers' compensation applicants with alleged homicidal ideation & threats against employers, therapists, implications for racism, 35227
typology of racial discrimination, college enrollment & subsequent barriers, Black college students & faculty & administrators, 25359
weekend retreat on HIV/AIDS & sexism & racism & homophobia, HIV/AIDS attitudes & related leadership behaviors, 18–21 yr old college campus leaders of various races & sexual orientations, 11573

Racism—Books

Mapping the language of racism: Discourse and the legitimation of exploitation, 29201
Unequal justice: A question of color. Blacks in the diaspora, 31769
Women of the Klan: Racism and gender in the 1920s, 17299

Racism—Chapters

Alternative knowledge sources in explanations of racist events, 1254
Changing the subject? Racism, culture and education, 3289
The contribution of the labelling theory to the understanding of oppression, conflict and violence in South Africa, 37912
Difference, diversity and differentiation, 1187
Double oppression: An appropriate starting-point?, 45971
The end of antiracism, 1191
Feminism and antiracism: An exploration of the political possibilities, 1193
Infecting our children with hostility, 3521
'It's racism what dunnit': Hidden narratives in theories of racism, 1253
Oberlin, 23596
On the specificity of racism, 3286
Racism in the United States, 33090
Racism, representation, psychoanalysis, 803
Reducing racism and sexism in a university setting through organizational consultation, 15333
Relationship between internalized racism and marital satisfaction, 17333
Resisting racism: Personal testimonies of African-American teachers, 27395
Talking racism and the editing of Women's Studies, 39150

Radial Nerve [See Spinal Nerves]

Radiation [See Also Laser Irradiation]—Serials

exposure to 2450-MHz radiation with vs without naltrexone pretreatment, thermal stress induced analgesia, male mice, 12827
fear of vs actual exposure to ionizing radiation following accident, anticipatory & chronic stress assessed by self report & behavioral & neuroendocrine variables, community residents, Brazil, 30005
high risk potential for mental retardation, children or victims of Chernobyl nuclear catastrophe, conference presentation, 26087
illness & stress & coping, citizens exposed to radiation from nuclear accidents, USSR, 14148
infantile x-irradiation induced hippocampal granule cell hypoplasia, memory based learning, 16–17 vs 60–65 day old rats, 16537
lithium vs radiation vs amphetamine UCS, taste aversion conditioning & vomiting, ferrets, 16451
microwave irradiation & cold exposure & enclosed isolation & food & water deprivation, learning & exploratory behavior, Monomorium floricola vs M. pharaonis, implications for evolutionary adaptation, 28381
MK-801, X-ray induced hypoplasia of focia dentata granule cells mediated water maze escape latencies, neonatal rats, 20932
radioprotective ethiofos WR-2721 vs WR-3689 dosage with vs without lethal vs nonlethal radiation, FI vs FR CRs, male rats, 12832

Radiation Therapy—Serials

cranial radiotherapy, neuropsychological disturbances, 2–15 yr olds with medial edge intracranial tumors, Spain, 34724
early diagnosis & treatment with vs without cranial irradiation, neuropsychological outcome, 3.6–26.3 yr olds with brain tumors, 2810
irradiation to head & neck, taste intensity perception, male 34–72 yr olds with cancer, 46693
localized radiation treatment, changes in sleep & subjective fatigue & relationship to interleukin-1B, male 45–80 yr olds with prostate cancer, 42595
neuropsychological test performance & motor RT & P300 EPs, 10.6–30.6 yr old survivors of childhood cancer treated with systemic & intrathecal chemotherapy with vs without cranioradiotherapy, 6944
patient family interpersonal communication & psychosocial adjustment to illness, 25–90 yr old cancer patients receiving radiation therapy, 34729
stage of disease & radiotherapy vs chemotherapy, emotional distress & psychosocial concerns, newly diagnosed cancer outpatients, 6 mo study, 34760

surgery & CNS irradiation, language recovery, 5.8–10.5 yr olds with posterior fossa medulloblastoma, 30631
whole brain radiotherapy, cognitive function & school achievement, 1.5–19 yr olds with brain tumors, 3–4 yr study, 10842
Radical Movements [See Also Political Revolution]—Serials
group analytic work with African National Congress, member & psychiatrist, 46386
model of structure conformity & decoupling of illegitimate activity & impression management, organizational legitimacy, adult members of radical social movements, 15665
operationalization of radical model of health education, 46746
Radicalism (Political) [See Political Radicalism]
Radio—Serials
attributes of educational & entertainment radio program "Kid's Corner", judgment of program appeal, 10–12 yr old listeners, 32976
history of radio research & commercial vs theoretical influences on mass communications field, 25080
information processing & effectiveness of TV vs radio advertisements from perspective of multiple resource & other theories, commentary reply, 3793
opinions about sex education radio & TV programing, general public, Hong Kong, 33196
perception of public support for Radio Marti, expression of opinion about controversial issues, Cuban vs non-Cuban adults, test of spiral-of-silence theory of E. Noelle-Neuman, 5024
radio &/vs TV smoking prevention campaigns, expected consequences of smoking & peer approval, adolescents, 23224
verbal message with vs without imagery evoking sound effects in radio advertisement, attitude toward commercial & recall & recognition of advertisement claims, college students, 27777
Radiography [See Roentgenography]
Radiology—Serials
clinical history & radiologically ambiguous films, diagnosis of bronchiolitis, novice vs experienced radiologists, Canada, 7335
neuroradiologic variables vs initial aphasia examination, prediction of language recovery, patients with global aphasia, 1 yr followup, 30214
Rage [See Anger]
Railroad Trains—Serials
Operation Redblock peer intervention & education program for reduction of alcohol & drug use in workplace, railroad employees, 31683
stress, 20–50 yr old air & road & railway transportation workers, India, 23755
Random Sampling—Serials
advantages of concurrently randomized controlled trial studies, assessment of psychiatric drug efficacy, 4213
BASIC program for calculation of scale values from random subsamples using 4 unidimensional scaling methods, 32016
blocked vs nested random assignment design, evaluation of school based health promotion program, middle school students, 43218
computerized approach to random assignment of treatment conditions in trickle process, application to field studies, 28149
confounding variables & selection effect in outcome of randomized maintenance therapy clinical trials for affective disorders, conference presentation, 8152
matched pair randomization for medical research using physician's practice, sample size & statistical power requirements, 8159
self vs randomly selected Ss, response bias & motivation to respond to survey, computer network users, 213
Random Sampling—Chapters
Belief in the law of small numbers, 20168
Evaluation of the efficacy of a homeopathic treatment for plantar warts, 19047
Nonparametric tests for single-case experiments, 4205
On generating random sequences, 20160
Randomized trials for assessing interventions in primary care, 19040
Statistical analysis in single-case research: Issues, procedures, and recommendations, with applications to multiple behaviors, 4203
Rank Difference Correlation—Serials
table for conversion of M. G. Kendall's Tau to Spearman's Rho & other indices for estimation of magnitude of effects in meta analysis, 32008
Rank Order Correlation—Serials
paired comparison vs 1st choice analysis of eyewitness data, paradoxical outcomes in data from identification parade, 16265
power functions of Students t & Mann-Whitney-Wilcoxon tests on initial scores vs ordinary vs modular ranks vs dichotomies for normal vs mixed normal vs double exponential vs Cauchy distributions, 39929
rank order information about weights for selection of best multiattribute alternative, decision analysis under certainty, conference presentation, 12080
table for conversion of M. G. Kendall's Tau to Spearman's Rho & other indices for estimation of magnitude of effects in meta analysis, 32008
Rape [See Also Acquaintance Rape]—Serials
acceptance of traditional feminine roles & rape myths & experience with pressure for sexual intercourse, female college students, 33152
age & geographic pattern of rape, patterns of fear of violence, male vs female Christchurch residents under 25 to over 60 yrs old, New Zealand, 6120
alexithymia, rape victims with vs without PTSD, conference presentation, 37904
attitudes toward acquaintance vs stranger committed rape, male vs female college students, 25934
attitudes toward need for counseling & treatment in cases of rape, African American adults, 18567
attitudes toward women & relation to implementation of rape laws, Austria, 43647
attributions of blame toward incarcerated rapists, psychologists vs social service vs custodial correctional workers, Canada, staffing implications, 27298
care of sexual assault victims, health care providers, 7042
childhood sexual abuse & incest, male 23–55 yr old incarcerated serial rapists, 6119
cognitive processing therapy, PTSD symptoms, adult female rape victims, 6577
Crimes Against Persons Index, estimation of incidence of spouse abuse & rape, 13865
criminal conviction for use of hypnosis in rape & sex offenses & public & media stereotypes about hypnotic coercion, male defendant, England, commentary, 29928
criminal conviction for use of hypnosis in rape & sex offenses, male defendant, England, 29913
criminal conviction for use of hypnosis in rape & sex offenses, male defendant, England, commentary reply, 29914
criminal conviction for use of hypnosis in rape & sex offenses, male defendant, England, commentary, 29919
criminal conviction for use of hypnosis in rape & sex offenses, male defendant, England, commentary, 29925
criminal conviction for use of hypnosis in rape & sex offenses, male defendant, England, commentary, 29931
Darwinian psychology, evolutionary explanations of human rape, 6016
definition & perceived occurrence of rape in fictionalized sexual situations, male vs female college students, 25897
demographic & assault characteristics & immediate symptoms following rape , male vs female rape victims, 29911
demographics & level of acceptance from staff & clients & motivation & length of & reasons for service, volunteers at rape crisis centers & shelters for battered females, 14965
discourse strategies, survivors of rape or incest or sexual assault, 25887
early exposure to pornography, rape fantasies & attitudes supportive of sexual violence against women, female college students, 17401
efficacy of resistance strategies in rape situations, severity of physical injury & sexual abuse, females, 33802

engagement of police & media, attribution of fault to victim of rape by stranger vs acquaintance & recommended imprisonment, Roman Catholic priests vs nuns vs married males vs females, India, 33893
ethnicity of defendant & victim, rating of defendant & victim & determination of defendant's guilt in rape trial, French speaking college students, Canada, 3887
evaluation of cognitive & behavioral treatments, rape victims with PTSD, 38388
expressed vs denied intent & remorse, evaluation & sentencing of rapist, 18–47 yr olds, 10100
husband vs nonspouse perpetrator in rape vs aggravated assault, psychological distress, female crime victims, 13895
integration of feminism & trauma focused therapy in treatment, female rape survivors, 46211
issues in & development of sexual assault peer education programs, college students, 43231
juror sex & amount of evidence, verdict & sentencing & certainty in simulated rape trial, college students, 39677
magnitude & psychological injury & medical risks of & individual & societal responses & resistance & criminal justice system insensitivity to rape, 14015
marauder model of spatial location & environmental range of offenses & residence, male 18–59 yr old sexual offenders, Great Britain, 41769
medroxyprogesterone acetate & group & individual psychotherapy, 16–78 yr old pedophiles & rapists & exhibitionists, 10453
paraphilia & gender identity & courtship disorder, male heterosexual nontransvestic & transvestic fetishists & nontranssexuals & transsexuals & actual & attempted rapists, 25903
pattern & nature of & attitudes toward rape & attempted rape, 1973 vs 1985, UK, conference presentation, 10105
peer rape & sexual reponsibility education & role modeling, college athletes, 43183
perceived ethical acceptability of guided imagery in rape research, male vs female college students, commentary, 6014
perceived ethical acceptability of guided imagery in rape research, male vs female college students, commentary, 13887
perceived ethical acceptability of guided imagery in rape research, male vs female college students, commentary reply, 6000
perceptions of parental communication patterns & attitudes, rapists vs pedophiles vs general offenders vs college students, 6104
physical evidence & credibility of victim denials of sexual contacts prior to rape, 24 yr old female victim & male perpetrator, case report, 11846
physiological tonic immobility as explanation of nonresistance during attack, 18–61 yr old rape victims, 29912
prevalence & consequences & prevention of & societal factors relating to rape, 6023
prevalence of sexual assault on campus involving force vs alcohol vs psychological pressure, 1st yr vs upper level college students, 33751
previous convictions & pattern of offending & other characteristics, imprisoned adult male sexual offenders who committed rape vs nonrape of child vs adult victims, Scotland, 41777
PTSD & other psychological reactions & factors affecting recovery, adult female rape victims, literature review, 37993
PTSD & related psychopathology, 17–65 yr old female rape victims, 6021
rape prevalence research methods & estimates & screening approaches, 37990
rape reform legislation, reports & police classification of & charge decisions in sexual assaults, victims, 1983, Canada, 11865
recall of rape at age 3.5 in psychoanalysis, 25 yr old female, 30422
rejection or acceptance of rape myths, emergency room vs rape crisis center personnel, 15301
sex role attitudes & victim's use of physical resistance, perceptions of rape victim's responsibility, female college students, 13897
sexual coercion as product of evolutionary psychological adaptation to rape vs side effect of general psychological adaptation, males, commentaries & reply included, 9968
sexual socialization & experience & attitudes toward feminism & liberalism & social consciousness, callous rape attitudes, male vs female college freshmen, 17890
social roles of women & beliefs about rape, adults, Turkey, replication, 41771
socioeconomic & cultural & other psychosocial factors, vulnerability to rape, African American vs Hispanic vs White adult female rape victims, 37995
stranger vs acquaintance rape & rape location & victim's attributions, reactions to rape victim, male vs female college students, 29759
therapeutic community, prevention of sadistic murder & violent rape, potentially violent male 10–15 yr olds, 27189
use & opposition of rape myths in storylines of prime time TV dramas, 1980s, 21908
victim characteristics & acquaintance with rapist & resistance & preattack behaviors, judgments of victim vs rapist fault vs responsibility, adults, 22048
victimization & sex of rape perpetrator, acceptance of male rape myths, male vs female college students, 9967
victimization by rape & sexual & domestic violence, female refugees, 25905
victim's resistance, judgment of consensuality in rape, adults, 45682
weather & time of day & day of week & holidays & other temporal variables, calls for police service for crimes of rape & domestic violence, 41770

Rape [See Also Acquaintance Rape]—Books

Male victims of sexual assault. Oxford medical publications, 14032

Rape [See Also Acquaintance Rape]—Chapters

Fraternities and rape on campus, 39324
The "Impact of Event Scale-Revised" for assessing rape victims with post-traumatic stress disorder, 24163
Male co-survivors: The shared trauma of rape, 14552
Male rape in institutional settings, 13910
Motives for sexual coercion, 41702
Perceived credibility of the communicator: Studies of perceptual bias in police officers conducting rape interviews, 23972
Police officers' beliefs about cues associated with deception in rape cases, 23969
"Riding the bull at Gilley's": Convicted rapists describe the rewards of rape, 38005
Surmounting a legacy: The expansion of racial diversity in a local anti-rape movement, 37273
Treatment for male victims of rape, 14547

Raphe Nuclei—Serials

d-AP159 vs buspirone, anticonflict activity, male rats with intradorsal raphe lesions of serotonergic neurons, 21013
detomidine vs xylocaine in hippocampus vs median raphe nucleus vs locus ceruleus, hippocampal movement or immobility theta activity, male rats, 32696
dorsal or median raphe injection of 8-OH-DPAT, response inhibition in operant tasks, male rats, 44400
electrolytic lesions of spinal nucleus of bulbocavernosus, penile reflexes, rats, 32420
GABA & serotonin antagonists, nucleus raphe magnus & nucleus reticularis injected glutamate induced antinociception, rats, 40623
inescapable shock, effect of amygdaloid vs dorsal raphe nucleus lesions on fear & escape behavior, male rats, 32412
infusion of neurokinin agonists in median raphe nucleus, locomotor activity, rats, 8939
neonatal chlorimipramine, decrease of 5-HT neurotransmission in raphe nucleus, rats, animal model of endogenous depression, 40706
nucleus raphe magnum stimulation, dorsal horn hyperactivity, rats with induced chronic nerve constriction injury, animal model of neuropathic pain, 36559
prenatal cocaine, neurochemical development & abnormalities in raphe, rat pups, animal model, 36766

projection of periaqueductal gray axon terminals into nucleus raphe magnus to sensory vs caudal spinal trigeminal nucleus, male rats, implications for endogenous descending pain control system, 32409
raphe serotonin neurons & MAO localization, postmortem brain stems of 66–93 yr olds with senile dementia of Alzheimer's type vs Parkinson's disease, Switzerland, 26276
role of dorsal raphe nucleus efferents in nociception, male rats, 28549
septal &/vs raphe cell grafts, hippocampal choline acetyltransferase & choline & serotonin & behavior, septohippocampal lesioned rats, implications for treatment of neurodegenerative diseases, 8620
serotonergic influence from nucleus raphe obscurus on neurons in periaqueductal gray, male rats, 32410
volume expansion induced & vagal afferent mediated antinociception & neuron activity changes in rostral ventromedial medulla, male rats, 28531
5-HT synthesis inhibitor p-chlorophenylalanine, lordosis behavior, castrated male vs ovariectomized female rats with vs without dorsal raphe nucleus lesion, 36799
8-OH-DPAT in hypothalamic paraventricular nuclei vs dorsal raphe nucleus, plasma ACTH & food intake, male rats, 32679
8-OH-DPAT infusion to midbrain central gray in vs in vicinity of dorsal raphe nucleus, lordosis inhibition, sexually receptive female rats, 21024
8-OH-DPAT vs raphe nucleus lesion vs parachlorophenylalanine, anxiolytic effect during elevated plus maze & shock probe burying tests, male rats, 36896

Rapid Eye Movement—Serials
functional equivalence & direction of waking saccades vs REMs, adults & elderly with stroke based right vs left brain damage with vs without visual hemi-inattention, 34169

Rapid Eye Movement—Chapters
The functioning of REM sleep and the meaning of dreams, 9694
Psychoanalytic theory, dream formation, and REM sleep, 9685

Rapid Eye Movement Dreams [See REM Dreams]
Rapid Eye Movement Sleep [See REM Sleep]
Rapport [See Interpersonal Interaction]
Rasch Model [See Item Response Theory]

Rat Learning—Serials
application of computer aided proximity index, measurement of spatial learning impairment severity, young vs old rats, 40243
conceptual learning in matching vs nonmatching tasks, rats, 40252
development of elemental & configural associative learning systems, rat pups, 36344
presence of many vs few conspecifics, relative numerousness judgment, female rats, 8465

Rating—Serials
activities of daily living ratings by patient vs family members vs physician, frail 60 yr olds & older, 14165
analog vs naturalistic ratings of alternative behavioral treatment acceptability with case descriptions vs actual treatment, parents of 1.8–11.9 yr olds in behavior management clinic, 22589
aspects of leadership & social cognition & behavioral rating, 5495
characteristics & reliability of system for rating of countertransference in therapy vignettes, experienced vs inexperienced psychodynamic vs humanistic vs cognitive behavioristic psychologists, 46218
cognitive categories, performance evaluation & rating accuracy & halo effect, nurses, 15223
comparison of slides of facial expressions to pictures of facial affect series, agreement on & certainty of rating, college students, 39746
correlations among trait ratings & implicit personality theory, application of 5-factor personality model, 1494
cross cultural differences in & interrater correlations for teacher vs parent ratings of social skills, Native American vs White preschool students & their teachers & parents, 43291
diaries vs behavioral checklists, between-ratee contrast effects in performance evaluation, college students, 29378
duration of speech interval, intrarater & interrater reliability of ratings of speech naturalness of stuttering clients in treatment, experienced vs inexperienced college student judges, 12022
field dependence vs independence & rating scale format, affective reaction toward & accuracy of performance appraisal, college students, 28249
goodness of fit in probe tone ratings in harmonic sequences, musically trained & untrained 19–40 yr olds, 271
individual differences multidimensional scaling method, ratings of painful electrocutaneous stimuli similarity, healthy male 18–46 yr olds, 32011
intelligence, effect of rating behavior on size magnitude estimation, adults, Sweden, 24277
intercorrelations among personality factors based on trait ratings, male Air Force personnel, 1480
overview of development of Boston Teacher Questionnaire from perspective of classification research, commentary, 31972
primary & secondary depression factors from O ratings of questionnaire items, patients, analysis of 7 factor theory of depression, reanalysis, 7993
prototypicality & trait ratings & frequency estimates of behaviors & trait related activities in group discussion on controversial topics, college students, Germany, 13478
rater characteristics, rating on Checklist of Psychotherapy Transactions-Revised, 32–78 yr olds in brief psychotherapy & college students, conference presentation, 39813
ratings of presence & degree of attention deficit hyperactivity disorder & other hyperactive disruptive behaviors in children, mental health professionals, US vs China vs Indonesia vs Japan, 14045
self report questionnaire ratings of DSM-III-R criteria for narcissistic personality disorder, 18–70 yr old psychiatric patients vs their informants, 17873
sex, ratings of interpersonal & communication skills in clinical competence test, standardized patient raters & medical student examinees, 31093
spouse & rater & situational characteristics, accuracy & reliability of ratings of observed spouse support, mothers vs fathers of disruptive male children & trained raters, Canada, 45095
Teacher Effectiveness Questionnaire scores, individual item ratings & teacher ratings of students' homework, 7th & 9th–12th graders & their teachers, test of Quality School model, 23428
team performance indicators & national postseason rankings, Division I male college basketball teams, 3758
validity of class ranking model vs faculty ratings, prediction of clinical competence, 1st yr medical residents, 43033
validity of self ratings of physical fitness, male Army infantry soldiers & officers, 26958

Rating Scales—Serials
admissibility & psychometric properties of Rogers Criminal Responsibility Assessment Scales, evaluation of insanity, defendants, 20045
alternatives to Global Assessment of Functioning Scale & separation of symptoms & social functioning on scale, revision of Axis V for DSM-IV, 7998
application of many faceted Rasch model to development of Assessment of Motor & Process Skills scale, assessment of activities of daily living, occupational therapy clients, 31803
bipolar happiness & depression scale, college students, Northern Ireland, 31843
canonical correlation analysis of verbal & nonverbal score clusters of Differential Ability Scales Upper Preschool Level, assessment of cognitive ability, 3.5–5.9 yr olds, 15903
caregiver rating scales vs performance based testing of independent living skills, assessment of functional status, 50–80 yr olds with Alzheimer's disease vs muti-infarct dementia, 46051

characteristics & utility of scales for distinction of physical vs psychological fatigue, adults, 33484
checklist for evaluation of reliability & validity & utility of rating scales, 39755
child behavior rating scales & checklists used in epidemiological surveys for primary care screening of mental disorders, children & adolescents, 8016
Chinese character translation of geriatric depression scale, 31897
command listing for Statistical Package for Social Sciences facilitating scoring of Leader Behavior Analysis II-Self scale, assessment of leadership style, managers, 31853
comparability & interrater reliability & predictive validity of Positive & Negative Syndrome Scale & Brief Psychiatric Rating Scale, schizophrenic patients, 11998
comparison of commonly used likelihood scales on evaluation criteria & validity & reliability, assessment of perceptions of personal susceptibility to health & safety risks, college students, 43808
conceptual explication of & development of rating scale for distraction in marketing, college business students, 28120
concurrent & factorial validity & reliability of Suinn-Lew Asian Self-Identity Acculturation Scale, Asian American college students, 24095
concurrent validity & utility & factor structure of Geriatric Depression Scale, 60–95 yr olds, 20047
concurrent validity of Battelle Developmental Inventory & Vineland Adaptive Scales & Bayley Scales of Infant Development, infants with motor delays, 27969
concurrent validity of Nonvocal Cognitive Quotient of Cognitive Abilities Scale & Stanford-Binet Intelligence Scale-4th Edition, nonvocal 2–3 yr olds, 15905
concurrent validity of Rosenberg Self Esteem Scale & Self Perception Profile for Adolescents, 8th–12th graders, 35824
confirmatory factor analysis & reliability of Hope Scale, college students, test appended, 39766
confirmatory factor analysis of Acculturation Rating Scale for Mexican Americans, Mexican American college students, 27920
construct & discriminant validity & reliability of scales based on figure placement techniques, assessment of family cohesion & hierarchy & structure, family members, 39742
construct validity & factor structure of Commitment to Career Choices Scale, college students, US, comparison to South African data, 24231
construct validity & interrater reliability of Swedish version of Positive & Negative Syndrome Scale, chronic schizophrenic patients, Sweden, 24156
construct validity of behavioral intention scales, assessment of behavioral expectation vs intention, college students, 24032
construct validity of Dissociative Experiences Scale & relation to hypnotizability, college students, 11980
construct validity of distributional rating format vs Behavioral Observation Scale, assessment of performance variability, college students, 35796
construct validity of Headache-Specific Locus of Control Scale, college students with recurrent headaches, 20081
construct validity of Teacher Rating of Academic Achievement Motivation, male vs female 3rd–6th graders, 16050
construction & administration & psychometrics of rating scales, measurement of severity & outcome of obsessive compulsive disorder, 24120
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary reply, letter, 24106
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary, letter, 24118
construction & reliability & validity of values oriented scale, assessment of materialism, consumers, 16069
construction & validity & reliability & factor structure of Lifestyle Approaches scale, assessment of self management in daily life, 18–65 yr olds, 7968
construction of Assessment of Strategies in Families-Effectiveness scale, adults, implications for family care nurses, commentaries & reply included, 7917
construction of fatigue scale, assessment of severity, 18–45 yr olds, 31868
construction of Insight Scale for assessment in psychiatry, 22–68 yr olds with schizophrenia or depression, England, 8010
convergence of Apathy Evaluation Scale & Hamilton Rating Scale for Depression, 53–85 yr olds with stroke or probable Alzheimer's disease or major depression, 43773
convergent validity of Children's Depression Inventory & Bellevue Index of Depression & Reynolds Child Depression scale, mentally retarded vs nonretarded 12–17 yr olds, 43744
convergent validity of Halikas-Crosby Drug Impairment Rating Scale for cocaine, assessment of drug & psychosocial treatment outcome, cocaine abusers, conference presentation, 15958
correlates of failure to respond to question about future life satisfaction on rating scale & well being, 60–90 yr olds, Israel, 1167
correlation among Worry Domains Questionnaire & Penn State Worry Questionnaire & Student Worry Scale, 18–68 yr olds, England, 19995
correlation between kinematic postural of movement measures & Dyskinesia Identification System Condensed User Scale, screening for tardive dyskinesia, developmentally disabled 23–60 yr olds, 20051
correlation between Scale for Assessment of Negative Symptoms & Scale for Assessment of Positive Symptoms global scores, schizophrenic patients, meta analysis, 31892
correlation of Global Assessment Scale vs Health-Sickness Rating Scale scores, assessment of global functioning, psychiatric patients, 43758
correlation of MMPI personality disorder subscales & Multidimensional Perfectionism Scale characteristics, psychiatric patients, implications for perfectionism construct in personality disorders, 37830
correlation of Sense of Coherence scale & Sickness Impact Profile, assessment of self rated coping ability & functional status, 26–40 vs 41–55 vs 56–70 yr olds, Sweden, 31896
criterion contamination in self report depression scale items, patients with rheumatoid arthritis, 39819
cross cultural & construct validity of Templer's Death Anxiety Scale, nursing students, Philippines, 31844
cross cultural validity & development of French abbreviated form of Sensation Seeking Scale, 15–62 yr olds, France, scale appended, 24072
cross validity & factor structure of 20 vs 40 item Reactions to Tests scale, assessment of test anxiety, college & graduate students, test of confirmatory factor analytic models, 20017
cultural & temporal tenacity of & construction of measurement instrument for sex role identity & stereotypes, college students, South Africa, comparison with 25 cultures, 17387
demographics & metric equivalence of UCLA Loneliness Scale, college students, South Africa, comparison with data from US & Puerto Rico & Iran, 31852
development & adaptation & evaluation version of Scales of Independent Behavior for visually impaired students, teachers, 16051
development & concurrent validity & reliability of Visual Analogue Scale for Anxiety-Revised, 8.6–17.6 yr olds with school refusal, 67
development & construct validity & dimensionality of 13-item version of union commitment scale, employees, 4162
development & construct validity & factor analysis of Sensitivity to Feedback Scale, college students, 19996
development & construct validity & internal consistency of scale, assessment of attitudes toward inclusive education, regular school teachers & elementary education students, 12067
development & construct validity of Student's Rating Scale of School Skills, junior high school students, 43818
development & content validity & reliability of Incentive-Health Promotion Scale, 65–90 yr olds, 24194

development & factor analysis & reliability & validity of AIDS Psychosocial Scale, assessment of AIDS related sexuality, college students, South Africa, test appended, 24091
development & factor analysis & validity of self report feminine gender role stress scale, female college students, 15
development & factor analysis of Revised Death Anxiety Scale, 18–88 yr olds, 15984
development & factor structure & item discrimination of alcohol outcome expectancies scale, college students & male fraternity members & drunk driving arrestees, scale appended, 35856
development & factor structure & reliability & validity of Parenting Scale, assessment of dysfunctional discipline practices, mothers of 18–48 mo olds, 35779
development & factor structure of Severity of Violence Against Women Scale, 17–75 yr old females, 92
development & internal reliability of scales, assessment of positive & negative responses to disaster & posttraumatic mental health, 23–75 yr old ship collision survivors, 39809
development & norms & consistency of Pain Rating Scale & Pain Behavior Checklist, 17–81 yr old chronic pain patients, 31953
development & psychometric properties of adolescent revision of South Oaks Gambling Screen, assessment of severity of problem gambling, 15–18 yr olds, 31933
development & psychometrics of revised Ontario Health Study scales, 6–16 yr olds with conduct vs oppositional vs attention deficit hyperactivity vs other disorders, 1–3 mo followups, 20019
development & psychometrics of Violence Scale, measurement of aggressive & violent behavior, hospitalized psychiatric patients, 35903
development & reliability & factor structure of Adolescent Self Monitoring Scale, 12–18 yr olds, 31
development & reliability & validity of protypical anxiety & depression scales, psychiatric patients, Netherlands, 12012
development & reliability & validity of reactive irritability scale, assessment of smoking cessation induced irritability, 18–45 yr old abstaining vs nonabstaining smokers vs nonsmokers, 20014
development & reliability & validity of Budreau Infant Irritability Scale, nurses of hospitalized infants with chronic cardiac or pulmonary disease, 69
development & reliability & validity of Coping Scale for Children & Youth, 5th–8th graders, 22
development & reliability & validity of Discomfort Scale for patients with dementia of Alzheimer's type, patients with Alzheimer's disease, 8001
development & reliability & validity of Group Sessions Rating Scale, assessment of coping skills training vs interactional group therapy aftercare, alcoholic patients, 82
development & reliability & validity of Hindi version of Self-Report Altruism Scale, bilingual postgraduate students, India, 15926
development & reliability & validity of Overprotection Scale for Adults, assessment of perceived overprotection & adjustment, chronically ill elderly, 28025
development & reliability & validity of Patient's Experience of Hospitalization self report scale, assessment of acknowledgment vs denial of own illness, 18–51 yr old psychiatric patients, 71
development & reliability & validity of PTSD self rating scale, WWII resistance fighters, Netherlands, 31887
development & reliability & validity of Reinvestment Scale, assessment of controlled processing & prediction of performance breakdown under pressure, college students, England, 35859
development & reliability & validity of Social & Emotional Loneliness Scale for adults, college students, Canada, 15917
development & reliability of Attitudes Toward AIDS Scale, assessment of AIDS related attitudes & knowledge, college students, 43759
development & reliability of Visual Analogue Scale, assessment of subjective feelings & perceptions & sensations & symptoms, critically ill patients, 16033
development & validation of School Participant Empowerment Scale, teacher leaders, 24222
development & validity & reliability & factor structure of behavior rating scale, assessment of self rated adjustment problems, monolingual vs bilingual 14–17 yr old students, Algeria, scale appended, 43821
development & validity & reliability & factor structure of Arabic version of Dimensions of Self Concept scale, assessment of academic self concept, Arabic college students, 31962
development & validity & reliability of subtle racism scale, college students, South Africa, 3957
development & validity & reliability of Pain Anxiety Symptoms Scale, assessment of fear of pain, pain clinic patients, 4072
development & validity of brief depression scale, medically ill hospitalized male under 40 & over 70 yr olds, 4138
development & validity of Childhood Dissociative Predictor Scale, assessment of childhood experience of abuse & dissociation, adults with vs without psychiatric disorders, 24107
development & validity of Children's Perceptual Alteration Scale, self report assessment of dissociative experiences, 8–12 yr olds with vs without psychopathology, 24034
development & validity of Parent Health Locus of Control scales, parents, 35945
development & validity of scale based on revised Menstrual History Questionnaire, assessment of chiidhood social learning of illness behavior, female 20–40 yr olds, commentary & reply included, 12057
development & validity of self report Biphasic Alcohol Effects Scale, assessment of stimulation & sedation, social drinking adults & college students, 39745
development & validity of Spanish version of Reducer Augmenter Scale & correlation with Eysenck Personality Inventory, 18–27 yr olds, Spain, 39773
development & validity of Teaching Autonomy Scale, assessment of perceived autonomy in classroom activities, teachers, 43831
development & validity of Wender Utah Rating Scale, retrospective diagnosis of childhood attention deficit hyperactivity disorder, adults with attention deficit hyperactivity disorder, scale appended, 43786
development of Everyday Indicators of Impaired Cognition Scale, 57–102 yr old nursing home residents, 28032
development of Familial Role Expectation Scale, working vs nonworking married females, India, 39753
development of interview based Geriatric Depression Rating Scale, 58 yr olds & older, 12010
development of laboratory method & scale, assessment of coercive discipline, parents of 1–3 yr olds, 24035
development of Lexington Attachment to Pets Scale, 18–35 yr old cat & dog owners, 7957
development of multifaceted scales, assessment of therapeutic problem solving skills, caregivers of institutionalized severely mentally retarded, 39898
development of personality profile based on Comrey Personality Scales, 14–65 yr olds, Russia, comparison with American & Australian & Brazilian & Israeli & Italian & New Zealand samples, 31834
development of positive & negative event scales, assessment of association with depressive symptomatology, 36–85 yr old caregivers, scales appended, 24138
development of Proportional Rating Scale, behavioral approach to measurement & improvement of safety performance, construction site personnel, 39737
development of rating scale, assessment of impact of religiosity & physical appearance & social relationships & intellectual & occupational abilities on self esteem, college students, 15911
development of Romantic Communication Scale, assessment of attitudes toward romance by behavioral context vs interaction mode, college students, 19991
development of scale, assessment of church attendance frequency & denominational affiliation & attitudes toward alcohol, under 30 to over 60 yr olds, England, 11933
development of self report Satisfaction with Life Domains Scale for Cancer, long term adult cancer survivors with bone marrow transplants, 31949

development of self report Vertigo Symptom Scale, assessment of severity & anxiety & depression & handicap, 18–80 yr olds with vertigo, 15990
development of Termination Scale, assessment of processes of therapist initiated termination of psychotherapy, 24–41 yr old doctoral students in supervised training rotation, 79
diagnostic efficacy of Beck Depression Inventory vs Symptom Check List-90 vs Brief Psychiatric Rating Scale, 19–45 yr old psychiatric patients, 8009
Differential Ability Scales, identification of subgroups with differing intelligence & diagnostic & achievement dimensions, learning disabled 6–17 yr olds, 24141
dimensionality & construct validity of Perceptions of Organizational Politics Scale, government employees, technical report, 8084
discontinue criterion & ceiling on range of functioning on Bayley Scales of Infant Development, low birth weight preterm 24 mo olds, 35830
discriminant validity & interrater reliability of Appraisal of Self Care Agency scale, 65–99 yr old geriatric rehabilitation patients vs independent living elderly vs their nurses, Norway, 35951
DSM-III-R vs Childhood Autism Rating Scale, psychodiagnosis, 2–34 yr olds, 22090
Early Childhood Environment Rating Scale, assessment of quality in day care & early education services, preschoolers, 8070
efficacy of Leniency Scale, assessment of leniency dispostions under different instructional sets, college students, 7954
exchange & development therapy, psychophysiological dysfunction assessed by Behavior Summarized Evaluation Scale, 2.4–8.4 yr olds with autism vs other pervasive developmental disorders, 30304
facet analysis vs common factor vs congeneric measures model of construct validity & reliability assessment of Family Functioning Scale, families, 24029
factor analysis & cross validity of Maternal Tolerance Scale, prediction of premature withdrawal of children from treatment, mothers of 5–16 yr olds with nocturnal enuresis, 31952
factor analysis & structure & reliability & validity of multidimensional Type A behavior scale, bank & insurance employees, South Africa, 4134
factor analysis & structure of Bayley Scales of Infant Development, 3 vs 6 vs 12 vs 24 mo olds, 35821
factor analysis & utility of self rated Counselor Evaluation Rating Scale, assessment of counseling effectiveness, counselor trainees, 8075
factor analysis of Computer Technology Hassles Scale, college students, 24079
factor analysis of Death Anxiety Scale vs Death Depression Scale, adults, 24103
factor analysis of personal interest & pleasure & sign value & risk importance & probability antecedents of involvement in Consumer Involvement Profile, consumers, France, replication, 39901
factor analysis of speeded tasks on Bayley Scales of Infant Development & relationship to mental ability, 4 vs 12 vs 18 mo olds, 35823
factor analysis of Suicide Intent Scale, psychiatric inpatients with history of suicide attempts, 31906
factor structure & concurrent validity of Computer Attitude Scale & Computer Anxiety Rating Scale & Computer Self Efficacy Scale, college personnel, 7949
factor structure & construct validity of Illness Causality Scale, healthy vs chronically physically ill 5–16 yr olds, 43816
factor structure & internal psychometric properties of Polish version of Attitude Towards Shiftwork Scale, 19–60 yr old steel plant shift vs day workers, Poland, 24232
factor structure & predictive validity of Perceived Stress Scale vs Beck Depression Inventory, measurement of perceived stress & coping ability, psychiatric patients, 15959
factor structure & psychometric equivalence of basic language morningness scale, manufacturing plant day vs shift workers, 24028
factor structure & reliability & concurrent validity of Social Anxiety Scale for Children Revised, 4th–6th graders, 39763
factor structure & reliability & validity of Sense of Coherence Scale, 17–60 yr old short vs long term psychotherapy vs chronic psychiatric patients vs nonpatients, 35887
factor structure & reliability of Family Satisfaction Scale, measurement of interpersonal functioning & predictability of alternative measures of family attitudes, college students, 3999
factor structure of Arabic version of Death Anxiety Scale, male vs female college students, Egypt, 43715
factor structure of Beck Scale for Suicidal Ideation, psychiatric inpatients, 24151
factor structure of Center for Epidemiologic Studies-Depression Scale, 20–74 yr old Mexican American vs Puerto Rican mothers from single vs couple headed households, 4087
factor structure of Dyadic Adjustment Scale, distressed vs nondistressed couples, replications, conference presentation, 43694
factor structure of Family Environment Scale vs Family Assessment Measure vs Family Adaptability and Cohesion Evaluation Scales III, mothers vs fathers vs their adolescents, 27918
factor structure of identification with psychological group scale, assessment of organizational identification vs commitment constructs, employed college students, 24084
factor structure of J. Meyer & N. Allen's commitment scales, assessment of affective & continuous commitment, nurses, 39899
factor structure of Levels of Attribution & Change Scale, assessment of attribution for psychological distress, medical & psychology students vs 19–76 yr old psychiatric patients, Germany, 43763
factor structure of Love Attitudes & Self Conciousness & Self Monitoring Scales & relationship between love styles & self concept, college students, Portugal, 39781
factor structure of Motivation Assessment Scale, assessment of functions controlling problem behavior, mild to severely mentally retarded adolescents & adults with self injurious behavior, 28021
factor structure of original vs Short Form Conservatism Scale, pharmacists, 35849
factor structure of Protestant Work Ethic scale, medical school students, Taiwan, conference presentation, 31855
factor structure of Scale for Assessment of Negative Symptoms, schizophrenic male adults, 31891
factor structure of Sexuality Scale, assessment of sexual esteem & depression & preoccupation, college students, 27988
factor structure of Spanish version of Toronto Alexithymia Scale, 18–30 yr olds, Uruguay, 20044
factor structure of Toronto Alexithymia Scale, psychiatric patients, 24139
factor structure of UCLA Loneliness Scale vs Loneliness Deprivation Scale vs Emotional/Social Loneliness Inventory, male vs female college students, 4022
factorial validity & reliability of Dutch version of McMaster Family Assessment Device, measurement of family functioning, 17–71 yr olds, Netherlands, 39790
factorial validity of Job Related Tension Scale & Role Conflict & Ambiguity Scale, adult workers, 20112
factors attenuating validity of Geriatric Depression Scale, patients with probable Alzheimer's disease, 7997
family functioning scales, assessment of personal & managerial subsystem, households involved in home based employment, 8085
field dependence vs independence & rating scale format, affective reaction toward & accuracy of performance appraisal, college students, 28249
Global Assessment Scale vs Manchester Scale, assessment of clinical progress following psychiatric unit hospitalization, 21–63 yr olds with schizophrenia or schizoaffective disorder, 15967
identification of factors & development of rating scale, prediction of successful probation, 1st time offenders, 1980–82, 19969
intercorrelation of item 31 & total scores on Dyadic Adjustment Scale, spouses, 19997

interitem correlation frequency distribution analysis, evaluation of scale dimensionality, college students, 43879
internal consistency & concurrent validity of emotional instability & prosocial behavior & aggression scales, 7–10 yr olds, Italy, 35847
internal consistency & factor structure of Center for Epidemiologic Studies Depression Scale, American Indian adults, 39827
internal consistency & interrater reliability of risk assessment scales, assessment of potential maltreatment risk to children, child protection service workers & supervisors, 39748
internal consistency & validity & reliability of Abbreviated Acceptability Rating Profile, assessment of treatment acceptance, 16–55 yr old mothers of children in routine pediatric treatment, 20056
internal consistency of Satisfaction with Illness Scale, assessment of positive consequences of illness, patients with chronic obstructive pulmonary disease, 24190
Interpersonal Communication Rating Scale & complementary vs engagement indexes of interpersonal influence, assessment of counseling process, counselor client dyads, 26440
interrater & test retest reliability & internal consistency & concurrent validity of Yale-Brown Obsessive Compulsive Scale, females with trichotillomania, 24150
interrater reliability & predictive validity of Transplant Evaluation Rating Scale based on revised Psychosocial Levels System, adult liver transplant recipients, 31958
interrater reliability & validity & total score cutoff of Dyskinesia Identification System: Condensed User Scale, mentally ill or mentally retarded patients, 4085
interrater reliability & validity of Kiddie-Infant Descriptive Instrument for Emotional States, clinical assessment of responses to maternal separation, 2–4.9 yr olds, 106
interrater reliability of Abnormal Involuntary Movements vs Extra Pyramidal Side Effects vs Akathisia Scales, assessment of dyskinesia & parkinsonism & akathisia, elderly psychiatric patients, 31946
interrater reliability of Burks Behavior Rating Scales, parents & teachers of 1st–6th graders with behavior or learning problems, 20103
interrater reliability of Dyskinesia Identification System Condensed User Scale, learning disabled inpatients, letter, 12001
interrater reliability of equal appearing interval vs anchored scale, evaluation of voice quality, speech & voice clinicians, 24052
interrater reliability of Gudjonsson Suggestibility Scale, 10.9–17.6 yr olds with disturbed or disordered behavior, 15974
interrater reliability of longitudinal psychopathology schedule, rating of mental illness symptoms over time, mentally ill 15–40 yr olds, 4–40 yr study, 24108
interrater reliability of Predictor Variable Rating Scales, assessment of variables influencing need for & prediction of length of psychiatric hospital stay, psychiatric patients, 7987
interrater reliability of standardized rating scale for MRI, assessment of Alzheimer's disease, neuroradiologists evaluating elderly with brain lesions, 12037
intrarater & interrater reliability of equal appearing interval vs visual analog scales, assessment of voice quality roughness, voice & speech clinicians, implications for perceptual evaluations, 24053
issues in performance ladder approach to hypnosis & hypnotic susceptibility scales, 28341
item analysis & other characteristics of Psychiatric Institute Trichotillomania Scale, scale appended, 31932
item dimensionality & measurement properties of role conflict & ambiguity scales, social service & salaried & hourly manufacturing & white & blue collar workers, 20009
item reading difficulty on Dissociative Experiences Scale, 31911
item response theory analysis of native language translations of individualism–collectivism scale, college students, US vs France vs China, 39769
item step parameter estimation, algorithm application to generalized partial credit model of rating scale formulation, 182
labeling & treatment & other issues in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, assessment of emotional problems, children, commentary, 43774
means & standard deviations & reliability & validity & cutoff scores of Dyskinesia Identification System Condensed User Scale, mentally ill or retarded adults, 31890
means & standard deviations on Pubertal Development Scale, rural vs suburban female vs male 7th graders, 24063
methodological analysis & reliability of Clinical Global Impression Scale, patients with dementia syndrome & their physicians & nursing staff, Germany, 31874
multidimensional scaling & cluster analysis of Scale for Assessment of Positive Symptoms & Scale for Assessment of Negative Symptoms, psychotic patients, 20037
Multiple Vigilance vs Multiple Sleep Latency Test vs Stanford Sleepiness Scale ratings, assessment of daytime sleepiness & other sleep disorders, patients with sleep apnea, conference presentation, 41954
nominal & ordinal data features & scale reliability & guidelines for neuropsychological assessment, 12036
normative & comparative data for Waterloo-Stanford Group C scale of hypnotic susceptibility, college students, 27914
normative data & stability & sensitivity & factor structure & construct validity of Satisfaction With Life Scale, adults, research review, scale appended, 35863
norms & sensitivity to change of Nurses' Observation Scale for Geriatric Patients, assessment of behavioral changes, 56–96 yr olds in community vs old age home vs with dementia in nursing home, 35922
norms of Family of Origin Scale, assessment of family functioning & intimacy & automony, male vs female 13–19 yr olds, 35858
Organic Brain Syndrome Scale vs Gottfries Brane & Steen scale vs Mini Mental State Examination, psychogeriatric assessment, 66–89 yr olds with dementia, 43798
parent & child sex & social class, factor structure of Nurturance & Restrictiveness scales of modified Black Child Rearing Report, Black parents, Barbados, 39750
parsimony & stability & reliability & validity in development of battery of leisure experience scales, 10th graders, implications for smoking, 11930
Philadelphia Geriatric Center Morale Scale, assessment of subjective well being, 65 yr olds & older, Japan vs US, 4139
predictive & construct validity of revised Literal Anti-Literal Mythological Scale, measurement of literal vs metaphorical interpretation of religious language & cognitive style, adults, 17
predictive validity of Cognitive Ability Scales, measurement of reading & math achievement & intelligence, 1st–5th graders originally assessed as 2–3 yr olds, 16044
predictive validity of Consumer Ethnocentric Tendencies Scale, assessment of feelings of patriotism & morality toward purchase of foreign products, PC vs automobile owners, 166
predictive validity of schedule of family social capital, prediction of school related cognitive performance, 11 yr olds & their parents, Australia, 43829
principal component analysis of Gottfries-Brane-Steen scale, assessment of dementia, elderly with suspected mild to severe dementia, Sweden, 12020
principal component analysis of Katz Adjustment Scale, patients with traumatic brain injury in rehabilitation, 78
profiles on Child Behavior Checklist & Teacher's Report Form & Youth Self Report, emotionally disturbed & learning disabled children & adolescents, literature review, 43775
profiles on Child Behavior Checklist & Teacher's Report Form & Youth Self Report, emotionally disturbed & learning disabled children & adolescents, reply to commentary on literature review, 43776
psychometric characteristics & quality of guidelines for interpretation of behavior rating scales, 35904
psychometric properties & construct & external validity of Portuguese version of Revised UCLA Loneliness Scale, 14–17 yr olds, Portugal, 48

psychometric properties & diagnostic correspondence of youth vs mother vs father report versions of Child Behavior Checklist Depression Scale, normal vs depressed adolescents, 24114
psychometric properties & discriminative validity of original vs revised versions of Compulsive Activity Checklist, patients with obsessive compulsive vs anxiety disorder, 28023
psychometric properties of Center for Epidemiological Studies-Depression Scale, physically disabled 18–55 yr olds, 20024
psychometrics & interpretation of Wechsler Memory Scale-Revised vs Memory Assessment Scales, adults, 39865
psychometrics of Headache Specific Locus of Control Scale, measurement of internal vs chance vs health care professional control, adults with headaches, replication, 24196
purposes of developmental tests & improvements in reliability & predictive validity of Bayley Scales of Infant Development, 35831
rationale for development & applications of Michigan Adequacy of Treatment Scale, patients with major depressive disorder undergoing ECT, letter, 43761
reexamination of factor structure of Gross Cohesiveness Scale, adults, 43693
relationship & correlations between Child Behavior Checklist & Diagnostic Interview Schedule for Children, 5–17 yr olds from military families, 33528
relationship between Scale for Emotional Blunting & Scale for the Assessment of Negative Symptoms & treatment response & premorbid functioning & negative symptoms, schizoprenic inpatients, 39801
reliability & clinical utility of rater form of California Psychotherapy Alliance Scales, therapists & clients, 43742
reliability & construct & factorial validity of revised Causal Dimensions Scale, assessment of causal attributions, college students, 7962
reliability & construct validity of Children's Depression Scale, 14–16 yr olds, Australia, 35910
reliability & convergent & discriminant validity of Multiple Stimulus Types Ambiguity Tolerance, assessment of tolerance for ambiguity, college students, 31848
reliability & dimensionality of media appropriateness scale, assessment of perceived appropriateness of new vs traditional organizational communications media, organizations, 39751
reliability & discriminant validity of Multi-Function Needs Assessment scale, measurement of functional ability, inpatients with severe mental disorders in psychosocial rehabilitation program, 43787
reliability & factor analysis of Epworth Sleepiness Scale, assessment of daytime sleep propensity, healthy medical students vs 18–78 yr olds with obstructive sleep apnea or other sleep disorder, 7918
reliability & factor structure of Sheffield Psychotherapy Rating Scale, assessment of adherence to exploratory therapy, psychotherapists, 12024
reliability & factor structure of Ways of Coping Checklist, 20–89 yr old females with gynecological cancer, commentaries & reply included, 28069
reliability & factorial validity of Swedish version of Arthritis Self-Efficacy Scale, 22–83 yr old chronic pain vs rheumatology patients, Sweden, 12013
reliability & factorial validity of 2 shorter forms of Center for Epidemiological Studies Depression Symptoms Index, 65 yr olds & older, 31893
reliability & norms of Family of Origin Scale, assessment of familial autonomy & intimacy, 13–15 yr olds, 3991
reliability & predictability of shortened Child Behavior Checklist, prediction of delinquency, juvenile males, 90
reliability & stability of Subjective Experience of Negative Symptoms self rating scale, hospitalized schizophrenic 22–63 yr olds, 39822
reliability & validity & dimensionality of Dyadic Adjustment Scale, assessment of intimate relationships, married heterosexual & cohabiting homosexual couples, 7960
reliability & validity & discrimination ability & scoring of Clock Drawing Interpretation Scale, assessment of constructional apraxia, 51–84 yr olds with dementia of Alzheimer's type, 12015
reliability & validity & factor analysis of Thoughts & Real-Life Experiences Scale, assessment of stress & anxiety & depressive cognitions & well being, 17–71 yr olds, Australia, 11960
reliability & validity & factor structure of scale for evaluation of delusional & affective guilt, depressed adults & elderly, UK & Spain, 4040
reliability & validity & other characteristics of self report visual analog scale technique, assessment of subjective symptoms & phenomena in primary care research, patients, 31955
reliability & validity & stability of Italian version of Mental Adjustment to Cancer scale & application to psychiatric oncology, 18–75 yr old cancer outpatients, Italy, 35890
reliability & validity of Adolescent Life Change Event Questionnaire & Adolescent Life Change Event Scale, adolescents, research review, 15908
reliability & validity of agitation rating scale, nursing staff & 65–102 yr old nursing home residents, 24076
reliability & validity of brief version of H. Levenson's locus of control scale, college students, 35865
reliability & validity of Community Competence Scale-Revised, assessment of civil competence, elderly retirement complex residents, 12055
reliability & validity of Creative Achievement Scale, assessment of creative accomplishments, biographical information of deceased individuals, 31845
reliability & validity of FAMCARE Scale, assessment of family member satisfaction with advanced cancer care, 18 yr olds & older, 35947
reliability & validity of Family & Friends & Self Scales, Mexican American 13–18 yr olds in drug abuse prevention program, scale appended, 4084
reliability & validity of Finnish version of Portage Assessment Scale, assessment of developmental skills, mentally retarded 1–56 yr olds with aspartylglucosaminuria, Finland, 24027
reliability & validity of French language version of Scale for Suicide Ideation, 11–18 yr olds, Canada, 43752
reliability & validity of Hopkins Pain Rating Instrument vs Visual Analogue Scale vs verbal descriptor scale, 18–85 yr old cancer patients with or without pain, 84
reliability & validity of Pain-Related Self Statements Scale & Pain-Related Control Scale, assessment of pain related cognitions, 20–79 yr olds with chronic pain, 20029
reliability & validity of Pathological Laughter & Crying Scale & effectiveness of nortriptyline, patients with emotional lability after stroke, test appended, 20043
reliability & validity of pictorial Inclusion of Other in Self Scale, assessment of closeness in interpersonal relations, college students & other adults, 3996
reliability & validity of rating scale, measurement of extreme response style, adults, 11934
reliability & validity of Role Functioning Scale, assessment of adaptive functioning, psychiatrically disturbed vs nondisturbed predominantly African American mothers of under 5 yr olds, 35889
reliability & validity of Satisfaction With Life Scale, 14–17 yr olds, Portugal, 35834
reliability & validity of Scale to Assess Unawareness of Mental Disorder, assessment of insight into own illness, patients with schizophrenia or schizoaffective disorder, 43739
reliability & validity of School Refusal Assessment Scale, assessment of motivation for school refusal, elementary school students, 39775
reliability & validity of Self Efficacy Scale, assessment of task vs domain vs general self efficacy, college students, 35869
reliability & validity of Sense of Coherence concept & scale, assessment of coping with stress & relation to personality traits, nurses & nurse tutors & emergency department patients, Sweden, 11940
reliability & validity of Sense of Coherence scale, assessment of orientation to life & well being, adolescents & adults, research review, 31831
reliability & validity of Sickness Impact Profile Roland scale, assessment of dysfunction, adults with chronic pain, 8002

reliability & validity of St. Hans Rating Scale & Abnormal Involuntary Movement Scale, assessment of extrapyramidal syndromes, schizophrenic 45–82 yr olds with tardive dyskinesia, 35888
reliability & validity of Students' Evaluations of Educational Quality & Endeavor Instructional Rating Form, college students, Nepal, comparison with Western data, 4149
reliability & validity of syndromal assessment in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, children with behavior problems, commentary, 43772
reliability & validity of University of Wisconsin Family Assessment Caregiver Scale, assessment of family caregiving systems, caregivers of frail 65 yr olds & older, test appended, 20030
reliability of activities of daily living scales, assessment of functional decline, 52–86 yr olds with probable Alzheimer's disease, 43760
reliability of Catastrophic Reaction Scale & frequency & correlates of reaction, assessment of severity of depressive reactions, patients with acute stroke lesion, 35918
reliability of Delirium Rating Scale, prediction of clinical outcome, 50–83 yr olds with delirium, Japan, 39834
reliability of Dyadic Adjustment Scale, assessment of marital or relationship adjustment & satisfaction, middle aged, 35780
reliability of Katz's Activities of Daily Living Scale in telephone interviews, 55 yr olds & older, 31798
reliability of P. R. Clance's vs J. C. Harvey's Impostor Phenomenon Scales, assessment of internal experience of intellectual phoniness, outpatients vs college students, 24123
reliability of rating scale, assessment of interview skills, experienced vs inexperienced 30–57 yr old psychiatrists & mildly mentally retarded clients, rating scale appended, 43848
reliability of scales for concurrent review of need for acute psychiatric hospitalization, mental health professionals, 4059
scale construction & construct validity of circular visual depiction of semantic relationships between Swedish interpersonal trait terms, college students, Sweden, 15932
scale development & psychometrics, assessment of rejection of Christianity, 14–16 yr olds in Catholic vs Protestant secondary schools, Northern Ireland, 19998
scale for measurement of perceived burden, caregivers of elderly family members with dementia, 34912
Scale of Family Functioning, assessment of treatment progress & outcome, families receiving treatment from family care agency, Australia, 3 yr study, 38879
scales for masculinity ideology & masculinity related constructs, 15883
scores on adaptation of Violence Scale of Conflict Tactics Scales, ratings of effects of domestic violence on behavioral functioning, battered mothers, Australia, 17932
scores on Griffiths scales of mental development & educational outcomes, mainstreamed 4–4.9 yr old students with special needs, 3–9 yr followup, 43313
scores on P. Spector's work locus of control scale vs Rotter's Internal External Locus of Control Scale, initiative vs compliant job performance, bank tellers, 43413
scores on rater vs self administered Geriatric Depression Scale, elderly medical patients, 95
scoring methods of Organic Brain Syndrome Scale of Brief Assessment Scale, recall of current vs last national leader & dementia screening, elderly in residential homes, Australia vs Germany vs UK, 120
selection & study fit of Family Environment Scale, assessment of parental perceptions of family dimensions, parents of chronically mentally ill young adults, 8028
semantic & logical & statistical properties of German version of Clinical Global Impressions Scale, depressed or schizophrenic or anxious patients, 4039
sensitivity & operator acceptance & resource requirements & special procedures of 4 subjective work load scales, Army systems operators, 4161
Shipley Institute of Living Scale vs Air Traffic Control Specialist Test vs Federal Aviation Administration Academy screen, intelligence measurement, 19–34 yr old academy students, technical report, 35984
similarity of factor structures of Career Decision Scale & Career Factors Inventory & Career Decision Profile, college students, 31998
sociodemographics & medical history & symptoms & illness cognitions, factors on Toronto Alexithymia Scale, 18–75 yr old medical patients, 24129
split half vs odd even vs Kuder-Richardson formula 20, reliability of AIDS knowledge scales, 12–21 yr olds, 24197
stability & reliability & factor structure of Anger Expression Scale vs State Trait Anger Scale, 18–62 yr old male inmates, Canada, 15927
statistical item selection, direction of wording effects in development of balanced Likert type measure of loneliness, college students, 31849
stress & physical symptoms & emotionality & extent of emotion-like contamination in short form Sense of Coherence Scale, college students, Canada, 4 wk followup, 39777
structure & cross validity of Daily Hassles Scale, assessment of stress & psychological & somatic symptoms, normal college students vs adults with recurrent headaches, 24122
symptoms on Schedule for Affective Disorders & Schizophrenia for School Age Children Present Episode, estimation of Hamilton Rating Scale for Depression score, 11.8–17.8 yr olds with major depression, 12028
test construction & validity & reliability of Ways of Responding, assessment of compensatory skills taught in cognitive therapy, college students & patients with major depression, 66
test retest reliability & group & retrospective & predictive validity of Generalized Work Distress Scale, mental health & college employees, scale appended, 31993
theoretical & factor analysis of Charles F. Kettering Ltd School Climate Profile, elementary & junior high & high school students & administrators & teachers & staff, 12065
theoretical framework & reliability & validity of Current Life Orientation Scale, assessment of personal values, high school students vs African American college students vs 37–75 yr olds, 35857
therapeutic alliance & outcome in videotaped short term psychotherapy assessed by Penn Helping Alliance Scale vs Therapeutic Alliance Rating Scale, therapists & 22 & 25 yr old patients, Switzerland, 14500
training in use of Negative Symptom Assessment Scale & rating of use with schizophrenic patient, novice raters, 35123
understanding of Family Adaptability & Cohesion Evaluation Scales vs alternate versions, marital &/or family therapy clients, 39734
use & evaluation of Child Behavior Checklist & Teacher's Report Form & Youth Self Report Profiles & other behavior rating scales, children with behavior problems, commentary, 43755
use of Conflict Tactics Scales & checklist, identification of reasoning & verbal aggression & degrees of physical violence, domestic assault offenders, criminal justice applications, 37999
use of Edinburgh Postnatal Depression Scale, postpartum females, 39820
use of formal scales in assessment, agencies providing residential services to mentally ill, 27084
use of MMPI profiles in construct validity of revised Social Anhedonia Scale, assessment of schizotypy, college students, 31904
utility & factor structure of Kapferer-Laurent Consumer Involvement Profile Scale, college students & female 18–64 yr olds, 39902
utility of Brief Psychiatric Rating Scale, assessment & diagnosis of psychopathology, 17–65 yr old psychiatric patients, Hong Kong, 28001
utility of Dementia Rating Scale, screening for neuropsychological dysfunction, iv drug abusing HIV positive adults, 6064

utility of ordinal scale derived from clinical & tomographic data, prediction of clinical outcome, patients with normal pressure hydrocephalus, Netherlands, 34241
utility of Pakistan Coin Pain Scale, subjective assessment of pain in colloquial language, patients from rural areas with low literacy rates, 31956
validity & factor structure of Dutch version of Edinburgh Post Natal Depression Scale, postpartum females, Netherlands, 20042
validity & internal structure of Hopelessness Scale of A. Beck et al based on item response theory, psychiatric patients & normal adults, 8031
validity & primary & secondary principal components analysis of Quality of School Life Scale, 4th–6th graders, 31973
validity & reliability & curvilinearity of Clinical Rating Scale, assessment of family relations & satisfaction, clinical vs nonclinical families, 31925
validity & reliability of Beck Depression Inventory vs Zung's Self Rating Scale for Depression, female with PMS during follicular vs late luteal phase of menstrual cycle, 11984
validity & reliability of Chinese version of Conners Rating Scale, assessment of behavior problems, male vs female 9–12 yr olds from single vs multiple child families, China, 15987
validity & reliability of Denial of Illness Scale, 19–86 yr olds with acute thromboembolic infarction or intracerebral hemorrhage, 39862
validity & reliability of Hoarding Scale, assessment of hoarding & relation with indecisiveness & perfectionism & obsessions & compulsions, college students or staff or 17–73 yr old hoarders, 31879
validity & reliability of Infant Behavioral Summarized Evaluation, assessment of behaviors, autistic vs mentally retarded 6–48 mo olds, 4035
validity & reliability of process skills scale of translated Assessment of Motor & Process Skills, Taiwanese 24–35 yr olds, US, cross cultural applications & implications for occupational therapy, 11932
validity & reliability of Snell Educator Effectiveness Index, assessment of professor performance, college students, instrument appended, 24223
validity & reliability of Toddler-Preschooler Postoperative Pain Scale, measurement of vocal & facial & bodily pain expression, 1–5.3 yr olds, 12056
validity & reliability of Toronto Alexithymia Scale, male 42–63 yr olds, Finland, 8005
validity & utility of Geriatric Depression Scale & Brief Carroll Depression Rating Scale, male elderly hospitalized medical patients, 24131
validity coefficients & reliability & construct validity of self anchored scales, assessment of depression, 17–59 yr old psychotherapy outpatients, 93
validity of Adolescent Pediatric Pain Tool, assessment of postoperation pain, 8–17 yr old surgical patients, 20048
validity of Arousal Prediction Scale, assessment of individual differences in electrodermal activity & EMG response to white noise, college students with high vs low arousability, test appended, 24031
validity of bipolar vs unipolar rating scales, assessment of perceived risk of technologies & substances & activities, college students, 31841
validity of Child Behavior Checklist vs Youth Self Report depression scales, clinically referred 12–16 yr olds, Australia, 15973
validity of Child Well-Being Scales, assessment of parental functioning & other aspects of child welfare, neglectful families, 4058
validity of Children's Hospital of Eastern Ontario Pain Scale vs Observer Pain Scale vs faces vs visual analog pain scales, 6 mo to 12 yr olds with postoperative pain, 31959
validity of Christian Orthodoxy Scale, assessment of acceptance & importance of religion, college students, 35852
validity of Cumulative Illness Rating Scale, assessment of physical illness burden at autopsy, 21–92 yr old suicide victims, 24030
validity of Drug Avoidance Scale, prediction of drug usage screening results, security service job applicants, 47355
validity of Dysfunctional Attitude Scale, measurement of depressive thinking, 18–65 yr old depressed inpatients, 15968
validity of Geriatric Depression Scale, cognitively impaired vs intact elderly, 20020
validity of Global Deterioration Scale, prediction of psychopathology & functional impairment at disease stages, 40 yr olds & older with Alzheimer's disease, commentary, letter, 35913
validity of Global Deterioration Scale, prediction of psychopathology & functional impairment at disease stages, 40 yr olds & older with Alzheimer's disease, commentary reply, letter, 35884
validity of Home Observation for Measurement of Environment scale, low vs middle to high income 12–44 yr old mothers & their low birth weight infants, 15882
validity of Illness Self Construct Repertory Grid, evaluation of close personal relationships, patients with chronic pain & their closest significant other, New Zealand, 12053
validity of Kohen-Raz subscales of Bayley Mental Development Index, prediction of reading & arithmetic & fine motor coordination & language scores at 6–8 yrs old, 4 vs 8 vs 12 vs 18 vs 24 mo olds, 35839
validity of leader member exchange scale & association with leadership & job satisfaction, MBA students, 24235
validity of Level of Expressed Emotion Scale, prediction of risk for rehospitalization, schizophrenic adults, 5 yr study, 31872
validity of Margins of Society Alienation vs Srole's Anomie scales, homeless 18–54 yr old Alaska Natives, 27986
validity of Mini-Mental State Examination & Activities of Daily Living & Clinical Dementia Rating Scales, assessment of dementia severity, Alzheimer clinic outpatients & nursing home residents, 8038
validity of Mullen Scales of Early Learning vs Preschool Development vs Minnesota Child Development Inventories, prediction of school failure, 4 yr olds with very low birth weight, 19987
validity of N. Haan's psychological defense scales, ex-psychiatric patients vs their spouses vs college students, 4061
validity of prenatal attachment construct in Maternal-Fetal Attachment Scale, 20–42 yr old pregnant mothers & their partners, 19970
validity of Quality of Well-Being scale, parents of 4–18 yr old cancer patients, 31951
validity of Safety Locus of Control Scale, prediction of propensity for job related accidents, hospital employees, 39893
validity of Self Esteem Rating Scale, adult normal & day psychiatric program attendees, 35906
validity of Speech Disorders Classification System & Articulation Competence Index & Speech & Prosody-Voice Profile, children with developmental phonological disorders, application to genetics, 24148
validity of Virtue Attraction Scale, assessment of self reported & perceived love of & from parents, 17–46 yr olds, 27919
validity of 5 vs 9 point balanced vs 5 point packed frequency rating scales, measurement of anticipated performance, college students, 11935
views on origins & uses & limitations of & other issues in death anxiety scales, psychologists specializing in death research, 41635
3-dimensional factor structure of activities of daily living scale, assessment of cognitive function, elderly hospitalized patients, replication, 24116
3 vs 4 factor structure of & item variability in Self Consciousness Scale, introductory psychology students, 15914

Rating Scales—Books

The Family Functioning Scale: A guide to research and practice. Springer series on social work, Vol. 22, 15885

Rating Scales—Chapters

The assessment of stressful life events, 31935
The Child Abuse Blame Scale-Physical Abuse (CABS-PA): Assessing blame for child physical abuse, 24168
A commonsense approach to personality measurement, 31861
Cross-validation of a revised test anxiety scale using multinational samples, 16054

The emotional barometer, 43714
Empirical assessment of marital distress: The Marital Distress Scale for the MMPI-2, 15941
Empirical psychometric paradigm of love, 7927
The "Impact of Event Scale-Revised" for assessing rape victims with post-traumatic stress disorder, 24163
Objective assessment of children's behavioral and emotional problems, 4101
Rating instruments, 16002
Rating scales for special purposes. I: Psychotherapy, 18605
Rating scales for special purposes. II: Complex subjects, 18507
Scale of Feelings and Behavior of Love: Revised, 24101
Scale of Marriage Problems: Revised, 24100
Target setting—Control measures, 20062
Wentwood Education—An analysis of environmental, social and educational assessments, 20107
Ratio Reinforcement [See Fixed Ratio Reinforcement, Variable Ratio Reinforcement]
Ratiocination [See Logical Thinking]
Rational Emotive Therapy—Serials
application of rational emotive therapy, response to subordinate survey feedback program, Federal Aviation Administration supervisors & managers, 19691
application of rational emotive therapy framework to cognitive career counseling & development, 42282
application of rational emotive therapy paradigm to organizational goals & management & staff effectiveness training & EAPs, organization employees, 47356
application of rational emotive therapy to change in corporate setting, 42279
auditory subliminal stimulation &/vs rational emotive therapy, self concept, college students, followup, 31438
cognitive model of organizational change based on rational emotive therapy, managerial employees, 12 yr study, 19725
cognitive vs rational emotive therapy, 10489
constructivist & humanistic theories & practices in & history of rational emotive therapy, 34415
difficulties in integration of & disputation vs reframing as cognitive change methods in rational emotive & family systems therapy, commentary, 10556
effectiveness of rational emotive therapy, 1982–89, literature review, 22559
formal logic in rational emotive therapy, 30347
hypnotherapy using success imagery & rational emotive therapy, performance anxiety, male 22 & 27 & 38 yr old musicians, 38634
integration of rational emotive therapy into management consultation & training, business & corporation managers, 47381
issues in rational emotive therapy, 34418
paradoxical treatment & rational emotive therapy, 30–38 yr olds with social phobia & fear of blushing or trembling or sweating, followup study, 22556
rational emotive approach to individual & organizational belief systems & relationship issues, 19731
rational emotive or assertiveness training group therapy, life satisfaction & self esteem & distress & depression, college students, 30394
rational emotive therapy & acquisition of more peaceful attitudes & behaviors, conference presentation, 2503
rational emotive therapy & Enlightenment & apologetic vs ethnocentric biases in psychology of religion & need for ideological surround, commentary, 45061
rational emotive therapy, adjustment, adults, literature review, 18615
rational emotive therapy, change of traumatic job termination into career transition, employees, 42278
rational emotive therapy counseling model for human resource development, managers & executives, 47378
rational emotive therapy in aural rehabilitation for management of hearing loss, 42277
rational emotive therapy, irrational thinking, adult psychiatric patients, 6575
rational emotive therapy, stress & irrational thinking, employees in financial & investment industry, 47345
role of secular humanism in rational emotive therapy, 26534
5 session approach based on rational emotive therapy model, 32 yr old male client referred through EAP, 19670
Rational Emotive Therapy—Books
Counselling individuals: A rational-emotive handbook (2nd ed.), 34431
A practitioner's guide to rational-emotive therapy (2nd ed.), 26540
Rational Emotive Therapy—Chapters
Brief therapy: The rational-emotive approach, 14556
The revised ABCs of rational-emotive therapy (RET), 26550
Treatment of satanism, 26563
Working with gay women, 26571
Rationalization—Serials
act vs cognitive rationalization, dissonance reduction & compliance with costly act, adults, France, 29401
cognitive distortions & rationalizations for maladaptive behaviors, male child sexual offenders, 14020
self esteem, rationalization of esteem threatening decision, college students, 37536
Raven Coloured Progressive Matrices—Serials
components of item difficulty of Raven Coloured Progressive Matrices or Standard Progressive Matrices, 2.8–11.7 yr olds & 7th graders, 3985
performance norms for Raven Coloured Progressive Matrices, 5–12 yr olds vs standardization sample, India, 43702
Raven Progressive Matrices—Serials
components of item difficulty of Raven Coloured Progressive Matrices or Standard Progressive Matrices, 2.8–11.7 yr olds & 7th graders, 3985
construct validity of Raven's Advanced Progressive Matrices, male Navy recruits, 27
dimensionality of Raven's Advanced Progressive Matrices, college students, 43716
utility & validity of Raven's Standard vs Coloured vs Advanced Progressive Matrices, identification of gifted & talented, students, 35967
Raynauds Disease [See Cardiovascular Disorders]
Reactance [See Psychological Reactance]
Reaction Time—Serials
access to external information & stimulus complexity & variability in information processing tasks, RT & correlation with cognitive ability, college students, Germany, 16295
accessible attitudes, ease & speed & quality of decision making & BP, college students, 4304
age & cognitive speed, prediction of intellectual functioning, 70–103 yr olds, Germany, 40985
age & physical fitness, choice RT, male 17–63 yr olds, UK, 25114
age & sex & educational background & brain health, simple vs choice RT in psychomotor speed task, 17–83 yr olds, 32121
age & sex & task modality & complexity, relationship between RT & crystallized & fluid intelligence, 20–80 yr olds, India, 16254
age of acquisition vs phoneme length vs imageability vs prototypicality, object naming RT & recognition, college students, England, 16281
age, performance on simultaneous verbal recall & RT computer simulated driving tasks, 18–85 yr olds, 28866
age, performance speeds for visual vs memory search vs mental rotation vs analogical reasoning vs mental addition, 8–21 yr olds, commentary & reanalysis of data, 13059
age, performance speeds for visual vs memory search vs mental rotation vs analogical reasoning vs mental addition, 8–21 yr olds, reply to commentary & reanalysis, 13048
age, RT & inspection time & mental speed & cognitive performance in coding substitution task, 54–85 yr olds, 5119
age, RT & movement time, male Shotokan karate practitioners, 47453
age, sensorimotor RT, 14.5 mo old male rats, 10.5 mo study, 28607
aging, auditory EPs & RT during auditory oddball task, 18–82 yr olds, 25086
alcohol & sleep deprivation, stimulus intensity & quality & response compatibility induced choice RT, male 21–35 yr old social drinkers, 16801

allocation of attention to coda of 1st vs onset of 2nd syllable of spoken word, RT in detection of target syllable, French vs Spanish speaking college students, France, 40045
allocation of visual attention & target eccentricity, RT, young vs older adults, 4257
art instruction of feedback & aesthetic performance, RT in painting ratings, college students, 33332
atipamezole, 5 choice serial task performance & attention, male rats, 4830
attention & motivation, relationship between intelligence & RT & speed & accuracy tradeoff in Hick paradigm, 11–15 yr olds, 21187
attention to lateralized visual stimulation with vs without bilateral visual display, RT, right vs left brain damaged 26–85 yr olds with unilateral spatial neglect syndrome, Italy, 22347
attentional vs intentional precuing of likely stimulus location vs response, Simon effect on RT, college students, 12240
auditory selective attention task with infrequent novel sounds, RT & auditory EPs, 26–53 vs 60–74 yr olds, 12622
auditory vs pain stimulated EPs & motor RT measured latency in afferent conduction, male 28–42 yr olds, 20682
automaticity training with speeded synonym games, tone RT in word reading, dyslexic 4th–11th graders, 14050
benzodiazepines & naltrexone prior to inescapable shock, interference with speed & accuracy of maze path choice escape responses, male rats, 24932
beta carboline ZK 91 296 vs chlordiazepoxide vs midazolam with vs without Ro 15-1788, behavioral vigilance & attention & RT, male rats, 24874
binary transitive choice & symbolic distance effect & triadic transfer & RT, squirrel monkeys, 16446
body sway induced postural disturbance, disequilibrium RT & long loop stretch reflex, 21–68 yr olds with hemiplegia, 10351
bradyphrenia & RT to predictable vs unpredictable commands, patients with idiopathic parkinsonism, 34165
brief nonword primes, RT to phonology &/or orthography in visual word recognition, college students, France, 16262
cerebral EPs & EMG responses during 3-choice RT task, adults, 40447
cetirizine vs terfenadine vs triprolidine, driving performance & cognitive or memory RT & sleep latency, healthy 24–41 yr old males, 21030
checkerboard flash to left vs right visual field, occipital visual EP measures of interhemispheric transfer time, right handed dyslexic 9–12 yr olds, 18092
choice of reward feedback, RT & proofreading task performance, college students, 16304
choice vs contingent vs selection vs simple reaction RT tasks, selection between alternative response or discrimination between alternative stimuli, 25–40 yr old right handers, 288
classically conditioned RT responses, college students, implications for cognitive automatization, 28261
cocaine or alcohol withdrawal, RT in visual vs auditory suppression tasks, alcohol vs cocaine dependent patients, 41752
cognitive & clinical factors, simple & choice RT deficits, patients with Parkinson's disease, 10372
collision preventing benefits of reduction in RTs to onset of fast rise brake lamps in car following simulation, drivers, 31697
combined acetone & ethylacetate at maximum allowable workplace concentrations, RT & short term memory & neurobehavior, adult males, Germany, 761
computer administered CAGE vs JELLINEK vs Alcohol Use Disorders Identification Test vs Short Michigan Alcoholism Screening Test, response time, 19–75 yr olds in DWI program, conference presentation, 39806
contour closure, RT in discrimination of outline features of stimuli by 2-dimensional shape, adults, 36075
contralateral vs ipsilateral visual field stimulation, RT indicated interhemispheric interaction, left vs right brain damaged patients, 30161
correlates of military tank simulator sickness & RT performance, male 18–21 yr old armored corps soldiers, Israel, 42124
correlation of IQ & peripheral nerve conduction velocity & information processing RT, college students, Canada, 40417
correlation of skewness of RT distribution with psychometric "g" on elementary cognitive tasks, college students, 4191
covert reorienting of auditory attention, RT in simple vs choice tasks, 25–40 yr olds, implications for premotor mechanism, 36259
crossed & uncrossed hand posture & overt attention & external cues, vibrotactile choice RT, 40–70 yr olds with Parkinson's disease, 30165
crossover RT task performance, schizotypal vs normal college students, 21894
cued response speed accuracy trade off, relative judgment of recency & serial retrieval processes in short term recall of order information & RT, college students, 44153
detection vs frequency vs duration discrimination choice response time, hearing impaired 40–70 yr olds with 8th nerve vs left vs right temporal cortex pathology, 14443
dextroamphetamine vs PCP vs methaqualone, RT, pigeons, 40601
diazepam & stimulus quality & response compatibility, binary choice RT, male 21–35 yr olds, 8975
dichotic stimulation, RT & auditory lateralization, left vs right handed 21–34 yr olds, 28518
display numerosity, RT in subitizing task, college students, 297
dopamine, choice RT, 42–69 yr olds with Parkinson's disease, test of internalized stimulus response relations hypothesis, 42041
dopaminergic medication, simple vs partially vs fully cued vs uncued choice RT, patients with Parkinson's disease, England, 22919
D1 vs D2 dopamine antagonists SCH-23390 & raclopride, RT in motor task performance, male albino rats, 44573
electrodermal activity & slow brain potentials & RT, 23–48 yr old inpatients with neurotic depression, Germany, 33591
emotional content of dichotic listening stimuli, focused attention & RT, symptomatic vs asymptomatic depressed college students, 3 mo followup, 45458
EPs & RTs in semantic memory, adults, 12606
extrafoveal visual stimulation, unimanual RT, adults, research review & meta analysis, implications for interhemispheric transfer, 40350
extraversion & neuroticism & psychoticism, movement & RT & amplitude & latency of P300 ERP, female 18–25 yr olds, 44553
eyewitness identification accuracy & confidence & decision times in simultaneous vs sequential lineups, female 19–32 yr olds, 23944
facilitation of agonist motoneurons, initiation of rapid & slow voluntary ankle dorsiflexion, healthy males, 4588
facilitation vs interference, RT in focused vs divided attention tasks, 44–67 yr olds with chronic obstructive pulmonary disease, Italy, 18186
factor structure of cognitive RT & perceptual speed & card sorting measures, 58–73 vs 18–33 yr olds, implications for speed hypothesis, 43699
focused & divided attention in visual selection, visual EP onset & P3 latency & RT & EMG, young vs older adults, Netherlands, 28601
G. R. Grice's mathematical modeling scheme of RT distribution, 36006
global developmental differences in spatial & cognitive processing RT, 5–30 yr olds, US vs Korea, 5104
global vs local stimuli, RT in directed vs divided attention task, elderly with Alzheimer's disease, 14299
haloperidol vs alpha-methyl-p-tyrosine induced reduction of dopamine activity, RT, extraverted vs introverted male 18–32 yr olds, 36684
hand advantage, RT in spatial precuing tasks, college students, Netherlands, application of spatial proximity hypothesis, 28224

heart rate reactivity & RT, 7–11 yr olds with attention deficit disorder with vs without hyperactivity with vs without aggression, 14038
heterospecific vs conspecific facial feature discrimination, RT measures of feature salience, budgerigars, 4428
hypoxia induced by low oxygen breathing mixture, auditory RT & EP P300 latency, 21–34 yr olds, 8709
identity vs nonidentity priming, RT for familiarity judgments in pictorial face recognition, 5 vs 8 vs 11 vs 18–24 yr olds, 37026
illumination, nocturnal serum melatonin & vigilance & RT & other task performance, 19–39 yr old males, 28612
im cocaine, RT & auditory & visual thresholds, male baboons, 40593
immediate vs delayed visual feedback, handwriting dysfluency & movement time, adults, 12203
impairment of simple RT & predictive tracking due to deficit in response initiation vs movement accuracy in absence of visual target, patients with Parkinson's disease, 42057
implicit vs explicit preparation instructions & random vs blocked preparation intervals, RT & hand advantage in spatial precuing task, college students, 12128
indirect vs direct mapping of stimulus response location & crossed vs uncrossed hand placement & practice, transfer performance on choice reaction task, college students, 44102
individual differences in cerebral hemisphere arousal asymmetry & visual half field stimulus, lexical decision RT & hemispheric alpha activity, male college students with right handed parents, 16547
information processing skills, relationship between speed of information processing & intellectual ability, college students, Germany, 36185
instance theory of automaticity, prediction of power function of practice & shape of learning curve from shape of distribution of memory RTs, adults, 4386
intelligence & cognitive task difficulty, P300 latency & RT, female 18–25 yr olds, 40393
interhemispheric transfer & callosal relay time, 16–19 yr old males with trisomy 21 based Down's syndrome, 2043
intrathecal bombesin vs neuromedin C vs neuromedin B, tail flick reflex RT, male rats, 4772
IQ, RT for detection of straight vs slanted lines in presence of distractors, college students, 16165
irrelevance of assumptions of RT distributions in multidimensional scaling of same different judgment tasks, adults, 24253
keyboard size & experience, typing speed & error rates & preference for touchscreen keyboards, college students, 31673
kinematic signals of average response velocity, determination of movement onset from temporal series with interactive graphics vs numerical methods, adults, 40066
knowledge of results & rewards as compensation for sleep deprivation & signal degradation & time on task, choice reaction task performance, 21–34 yr old males, 44115
left vs right ear presentation & hand response on auditory reaction task, interhemispheric transmission time estimated from RT, right handed males, Norway, 40349
lexical categorization of meaningful rhymed vs nonrhymed vs meaningless words, auditory EPs & RT, 24–32 yr olds, 4641
lexical decision following 4 hypnotic hallucination conditions, visual EPs & RT & response bias & sensitivity of target detection, college students, 44189
light intensity & stimulus length & similarity & confusion, slowing of preprocessing & identification stages of visual processing, adults with induced hypoxia, 38092
light stimuli conditions with varying information in premotor time, preparatory states & RT in adjustments of force output for elbow flexion, adult males, 36138
linguistic properties of text, RT & dual task performance & processing of expressions during oral vs silent reading, 12th graders, Sweden, 5101
magnitude estimation scaling vs traditional RT procedure, assessment of hemispheric processing asymmetry in lexical decision, 21–24 yr old females, 44069
manual & hemispheric specialization in joystick manipulation in tracking paradigm, RT & transfer, baboons, 24715
mathematical model of & psychophysical aspects in interdependence of signal dependent vs independent RT components during visual spatial position detection, Os, 175
mental arithmetic problem solving RT, monolingual vs weak vs strong bilingual college students, 40094
mental multiplication RT, 18–28 vs 61–76 yr olds, 17003
metaphoric transparency & length & natural language frequency & inserted nonsense words, comprehension & classification RT for idioms vs literal vs nonsense phrases, college students, 28236
microcomputer routines for measurement of directional lever response RTs, 16134
midline crossing, movement & choice RT, mildly mentally retarded high school special education students, 45834
monocular lid suture visual deprivation, RT & choice behavior to spectral sensitivity, cats, 12512
monocular vs binocular discrimination, choice RT, pigeons, implications for binocular summation, 36305
motor skill learning sensitive to basal ganglia lesions & RT & CSF quinoline acid, male adults with HIV, 34096
moving icon signal on computer screen, typing task interruption & RT to signal, adults, 23834
multiple speed of information processing tasks, prediction of intelligence, 18–58 yr olds, 36191
near threshold stimuli of long duration, RT distribution measured neural discharge patterns of chromatic vs achromatic pathways, adults, 16580
negative priming effect in location & identity suppression of irrelevant vs attended information, RT, adults, Canada, application of active inhibition model, 28326
neuroleptics & other dopamine receptor antagonists, conditioned RT performance, male rats, 36826
neurological hypothesis of correlation between psychometric g & RT, 37504
nicotine polacrilex gum, short term memory RT, female 21–45 yr old smokers vs nonsmokers, 40672
nitrous oxide with vs without alcohol vs dextroamphetamine, RT & P300 latency, 21–35 yr olds, implications for stimulus vs response related processes in drug effects in inert gas narcosis, Canada, 44619
noninformative cuing signal, RT in 3-choice task, 18–30 yr olds, France, 319
nonword foil lexicality & semantic priming & word frequency, lexical decision & RT & priming benefit, college students, 12252
number of stimuli & speed & accuracy of choices & self report contingency, control of self reports about matching to sample, 18–46 yr olds, 28306
N100 & N200 & P300 latency in auditory EPs & RT, 4–21 yr olds, implications for cognitive development, 32871
ordered schema construction during encoding vs retrieval of story, story reading vs test RT, college students, 24400
orienting of attention & RT of visual target detection, professional volleyball players, 36260
oxazepam vs kava root extract, ERPs during word recognition & RT, male 24–37 yr olds, 44689
oxiracetam, RT & cognitive function, 65 yr olds & older with degenerative dementia, 38733
paired vs single choice vs simple RTs & motor responses, 24–62 yr olds with Parkinson's disease, 42082
parachlorophenylalanine or scopolamine, selective attention in 5 choice serial RT task, male rats, 24906
performance on 2 tasks & fluid intelligence & short term memory under instructions of accuracy vs speed, college students, Australia, 40191
phonology of stimulus items, RT to activation of printed content words in lexical decision task, 59 yr old deep dyslexic male, 22105
physical arousal & stress from progressive exercise, attentional focus in 5 choice RT task, male 20–29 yr olds, replication, 8764
ponderal index, RT & movement time, male 18–25 yr olds, 28166

practice & chlordiazepoxide vs beta carboline ZK 9346 vs scopolamine, simple vs choice RT & vigilance, 4 vs 12 vs 18 mo old rats, animal model of attentional abilities, 24944
practice, RT in component processes of complex mental addition problem solving, college students, 20258
precue stimuli & arm &/vs direction change, RT latencies in movement plan restructuring vs spatial orienting tasks, 18–31 vs 65–80 yr olds, 28895
preparatory interval & RT to tone, schizophrenic vs bipolar patients, erratum, 29558
preparatory interval & RT to tone, schizophrenic vs bipolar patients, 25729
prime exposure duration, time course of orthographic vs phonological code activation in visual word recognition, college students, France, 40090
prior knowledge of load, timing of EMG activity in postural vs focal muscle during voluntary arm flexion, male 21–40 yr olds, 24356
probability of target-distractor combinations, visual search RT, pigeons, 44230
processing speed & articulation rate & memory, 8–10 vs 18–35 yr olds, 934
processing speed & word knowledge, verbal task performance, young adults vs elderly, 25156
progressive ratio schedules, reinforcement magnitude & pausing, rats, 8459
psychological stress & memory scanning speed, nondemented HIV seropositive males, conference presentation, 34097
recognition time for odor quality of n-butanol vs limonene vs propionic acid, 21–24 yr olds, 4230
repeated hyperbaric air with nitrous oxide, perception of & adaptation to narcosis & symptoms & RT, 24–35 yr olds, implications for divers, 4809
repeated measurements of RT & synchronicity of peak forearm EMG values during bimanual reactions, 21–24 yr olds, Belgium, 8269
response inhibition in go/no go task & time constraints on RT, N2 EPs component, 20–24 yr olds, erratum, 16623
Roman code numeral structure, arithmetic task RT, 20–31 yr olds, Belgium, commentary, 16283
RT & intelligence & sex, 9 yr olds, South Korea, 9156
RT & movement time & sidedness during Shotokan Karate techniques, male adults, 47454
RT & musculoskeletal injuries or complaints, 11–14 yr old athletes, 26215
RT & neuropsychological functioning & CSF concentrations of quinolinic acid, adults with HIV infection, 10294
RT in speeded performance of cognitive tasks, mentally retarded, meta analysis, 14070
RT median vs standard deviation, reflection of RT variance correlating with psychometric "g", 4th–6th graders & adults, 4189
RT performance in information processing tasks, Black vs White 4th–6th graders, test of C. Spearman's hypothesis, 32875
RT to tones, background EEG reactivity to auditory EPs, adults, 8728
RTs for vowels vs consonants in phoneme detection task, 19–46 yr olds, England, 8261
RTs to blocked vs randomly alternating visual stimuli ipsilateral vs contralateral to lesion, right vs left brain damaged 20–75 yr olds, 18343
same vs different hand finger pairings in 2 choice RT, response competition, college students, Canada, 40050
selective attention, RT & auditory EPs, 25–42 yr olds, 8718
semantic congruency & response time & accuracy in comparisons of point locations on line, college students, implications for semantic coding & expectancy theories of evidence accrual, 12238
semantic variables of sentence, verification RT distribution in semantic memory, college students, 20314
semantic vs nonsemantic task & response type, RT & cognitive slowing, patients with Alzheimer's disease, test of task complexity function, 26312
set size, P300 latency & RT during memory retrieval of concrete vs abstract kanji characters, 18–26 yr olds, 8359
sex & presentation order & trial blocks, performance on Type C discrimination RT task, young adults, 44046
short term low frequency magnetic field, EEG spectral analysis & auditory EPs & RT & target deletion task performance, adult males, 44486
signal exposure duration & task repetition, RT & decision criterion & confidence level on visual discrimination task, 21–25 vs 57–65 yr olds, 9124
simple visual &/or auditory &/or movement &/or complex &/or choice RT, 24–60 yr olds with vs without HIV, Norway, implications for development of neuropsychological test battery, 18273
single character processing RT during reading, male alexic 24 yr old, 41828
sleep deprivation with vs without amphetamine, attention during RT task, male 21–35 yr olds, 28685
sound activated switch, measurement of vocal response times as index of cognitive ability, 16268
spatial cue & subsequent target, RT in choice task, pigeons, implications for role of memory & associative processes in model of spatial attention, 16457
spatial proximity & similarity of stimulus & response sets, precuing benefits in choice RT keypressing task, college students, 16249
speech rate vs movement time, verbal & spatial span recall prediction, college students, England, 16297
speed & consistency of manual task performances, stuttering vs articulation disordered vs normal 5–10 yr olds, 26137
speed & hand arrangement, production of bimanual polyrhythms of varying complexity, experienced pianists vs nonmusicians, Australia, 28232
speed of scanning in primary memory, adults & elderly with senile dementia of Alzheimer's type, 42036
spelling uncertainty & application of grammatical rule, handwriting movement RT, right handed 20–25 yr olds, 40060
standard vs deviant visual stimuli & interstimulus interval, EPs vs discrimination RT, 18–28 yr olds, 8193
statistical control of perceptual comparison speed, age influences on cognition & memory, 19–84 yr olds, 44897
stimulus cognitive complexity, RT & neuropsychological functioning, asymptomatic HIV infected patients, Norway, 18281
stimulus color &/or letter, target detection RT, college students, implications for visual information processing, 43985
stimulus congruence & stimulus-response compatability & mapping in auditory RT task, 23–38 yr olds, France, replication, 16237
stimulus degradation & semantic priming, N400 EPs & RT during lexical decision, college students, 24765
stimulus duration, RT, hyperactive vs nonhyperactive 6–7.9 yr olds, England, 6260
strategies & speed of processing in solution of simple vs complex mental subtraction problems, 18–38 vs 61–80 yr olds, 40811
Stroop Color Word test, RT & Stroop effect, bisexual & homosexual HIV-1 positive adult males, 14239
subjective & objective performance on RT & memory & finger tapping tasks, insomnia patients, Sweden, 38086
syllable length vs silent letters, visual parsing RT, college students, 16271
symbolic &/vs textual visual display in-car warning, RT & perceived urgency, automotive research & design workers, England, 15760
target presentation to left vs right visual field, lateral asymmetry in spatial localization RT of original vs mirror imaged targets, male right handed adults, 16531
target set size, attention & RT in visual search, 24–63 yr olds, 4251
task complexity & separation of initial & subsequent movement, RT & movement time, adults, 285
task demands & reading span, EP & RT responses to secondary auditory probes indicative of cognitive load during 1st vs 2nd reading, college students, 16288
test generalization for activation models of RT in divided attention, 24485

threat vs positive vs neutral stimuli, RT in lexical vs category decision task, patients with panic disorder vs social phobia, 5932
time constraint stress & uncertainty, processing of digital vs polygon displays, college students, 27805
time uncertainty & stimulus reaction compatability & movement direction, RT & EPs in motor programing processes, 24–37 yr olds, 4649
tobacco smoking, continuous performance task RT, nondeprived 18–43 yr old smokers, test of withdrawal deficit hypothesis, 12867
trial to trial EPs & RTs for learning during random vs fixed visual search requiring divided vs focused attention, 10–11 yr olds with attention vs learning disorders, 18090
unilateral vs simultaneous bilateral response in finger extension vs elbow flexion tasks, simple RT & premotor time, female college students, 28483
unique target discrimination in visual search task, RT measured attention shift, pigeons, 24522
use of dimension of color as partial information, stimulus response translation strategies in go/no go reaction task & physiological assessment of duration of stimulation, adults, 12249
varying area &/vs luminance of visual stimulus, simple RT, adults, 8186
vision & writing duration, cursive handwriting RT & variability, college students, Netherlands, 24361
visual field & target decision, RT & hemispheric processing, male right handed college students, England, 4350
visual field asymmetry in response time, right handed male 67 yr old with right subcortical stroke, 18 mo study, 22314
visual field location of letter stimulus & response hand, speed accuracy trade off in & lateralization of physical vs nominal letter matching task, college students, test of callosal relay model, 16540
visual half field stimulus presentations of varying angular orientations, RT in mental rotation task, right handed male vs female college students, 40131
visual or auditory stimulation, sensorimotor choice RT, right handed adults, implications for intrahemispheric learning discontinuity, 32221
visual search in multiple alternative matching to sample paradigm, RT, chimpanzees vs college students, 24516
visual vs auditory relative stimulus frequency, expectancy & RT & attention, male rats vs adult humans, 4463
visually initiated hand movement RT, cerebello-thalamo-cortical EP response, monkeys, conference presentation, 32555
vodka dosage, RT & anticipation time & visual performance during 140 min post ingestion, 21–40 yr olds, 25008
voluntary changes in breathing pattern, RTs to auditory stimuli, college students, 28614
warning stimulus, somatosensory EPs before RT task, 20–31 yr olds, implications for input modulation during motor perception, 40432
word frequency, lexical decision & word recognition RT, college students, 24391
2 choice RT experimental procedure, assessment of conditional accuracy functions, college students, 43909

Reaction Time—Chapters

Aging and slowing of behavior: Consequences for cognition and survival, 21312
Development of processing speed in childhood and adolescence, 40872
Eye movements and the perception of impossible figures, 40010
Information, time, and the structure of mental events: A twenty-five-year review, 36218
Many happy repetitions: A celebration of the "Bertelson Repetition Effect" 1961–1991, 16323
The meaning of additive reaction-time effects: Tests of three alternatives, 36058
The Modality Shift Effect: Further explorations at the crossroads, 21844
Tracking simple rhythms: On-best versus off-beat performance, 16253

Reactive Attachment Disorder [See Failure to Thrive]

Reactive Depression—Serials

efficacy & side effects of paroxetine vs imipramine, 18–70 yr olds with endogenous &/vs reactive depression, 26764

Reactive Psychosis—Serials

scabies infection, male 38 yr old with delusions of parasitosis as reactive psychosis, Japan, case report, letter, 21811

Reactive Psychosis—Chapters

Possession and persecution by demons: Janet's use of hypnotic techniques in treating hysterical psychosis, 30556

Reactive Schizophrenia [See Reactive Psychosis, Schizophrenia]

Readability—Serials

acuity & sign contour size & separation, visibility distance & comprehension of standard text vs standard vs improved symbolic signs, 19–35 vs 37–59 vs 61–76 yr olds, 39614
comprehensibility & interestingness & familiarity & memorability of concrete vs abstract text, recall & comprehension, college students, implications for dual coding theory, 32227
computer based assessment of informed consent form readability, 43133
content familiarity & concreteness & comprehensibility & interest, sentence recall, college students, 36182
education & reading level of informed consent form, immediate vs delayed comprehension of consent information & concerns about experiment participation, 18–72 yr old volunteers, 16106
italic vs upper case & typeface, modulatory vs contrastive information faces in written language, college students, Scotland, 8310
item reading difficulty on Dissociative Experiences Scale, 31911
readability & human interest of information leaflets from charities associated with mentally handicapped, replication, 28857
readability & passive voice & paragraph & sentence & word length of public relations releases used vs not used by newspapers, 21131
teacher implemented instructional strategies, facilitation of reading difficult textbooks, middle & high school students, 23509
text readability & reading disability & comprehension, adult asthma patients & literacy learners, 18104

Readaptation [See Adaptation]

Reading [See Also Braille, Oral Reading, Remedial Reading, Silent Reading]—Serials

age & German vs French version of reading span test, assessment of language independence of working memory for reading, bilingual 23–50 yr olds, Switzerland, 40180
age & sex & reading ability, use of comic vs library books vs funnies vs newspapers vs encyclopedias vs magazines, 1st–6th graders, 947
age, emotional & imaginative involvement while reading, 9–15 yr olds vs librarians vs teachers, 44909
age, frequency of spontaneous task unrelated images & thoughts during reading, 18–79 yr olds, 5094
automaticity training with speeded synonym games, tone RT in word reading, dyslexic 4th–11th graders, 14050
category structures of emotional response in reading literacy text, college students, 12305
cognitive componential analysis & structural equation modeling of reading processes, 10–12 yr olds, 21183
cognitive neuropsychological perspective on word finding & reading, patients with developmental dyslexias, 10162
communicative fluency & English grammar & structure, reading, congenitally deaf 16–18 yr olds with deaf vs hearing parents, 34267
complexity of advertising copy & type token ratio & sex, advertising readership, consumers of "Reader's Digest" vs "Time" magazine, 43548
computer stimulation vs computerized reading treatment program, aphasic 49–74 yr olds, 31049
consistency between theoretical orientations & beliefs about reading & instructional decision making & planning & interactions with students, Chapter I teachers, 3309
construct validity of diary vs checklist estimates, assessment of nonschool book reading time & cognitive correlates, 5th graders, 13027

content analysis of "Journal of Reading Behavior" & "National Reading Conference Yearbooks", 1952–91, 23324
contextual information, parsing strategies in sentence reading processes, college students, 24411
copytyping vs letter detection vs reading, saccade programing during short duration fixations, touch typists & college students, 12651
development & evaluation of error analysis method, assessment of phonological performance in spelling & reading, female 7–8 yr olds, 5125
directed discussion of character perspectives, inference & perspective taking ability for motives & thought & belief & feelings, 4th–6th graders, 15372
efficiency of working memory capacity in Japanese vs English vs ESL version of reading span test, college students, Japan, 4389
elementary readers' discourse about text & process of response to literature across dimensions of people & context & time, male 5th grader, 3444
everyday reading & writing practice, normal 45–75 yr olds & older, UK, implications for aphasia assessment, 28264
exposure to print, growth in reading ability, 4th & 5th graders, 2 yr study, 906
eye movement during text reading, 56 yr old male with right basal ganglia infarction & left sided visual hemineglect, case report, 6372
familiarity & easy vs difficult Hindu text, context processing in reading & proofreading, high vs low deprived male 16–19 yr old students, India, 32897
frequency of reading, quality of mother child attachment, insecure vs secure mothers & their toddlers, 25200
generation of intertextual links & meaning making during reading of 5 passage tableau, high school students, 926
grade & stance taken in free response, types of intertextual or autobiographical connections in reading, 4th vs 6th vs 8th graders, 15443
hemispheric specialization vs reading habits & sentence length & number & congruence of primes, right visual field superiority in lexical decision, native Hebrew speaking male 20–30 yr olds, Israel, 32388
history of reading evaluation & current assessment trends, 28078
home & school book reading, low income 3 yr olds, 1 yr followup, 9135
individual differences & developmental sequences in phonological & visual graphic domains in word reading, 1st–3rd graders, 13051
individual differences in exposure to print & vocabulary & cultural knowledge, 18–65 yr old & older recreational readers vs nonreaders, 28272
inference necessity & integrative vs superficial reading goal, inferential generation & reading speed, 3rd vs 5th vs 8th graders vs adults, 28907
initial literacy & reading development, review of theories & approaches, 40818
interest in text, reading strategies & recall, college students, 32172
knowledge of relevant reading strategies in given situation, reading situations typology, college students, 32152
learning interactions during reading & writing activities without teacher involvement, 6–7 yr olds, implications for pedagogy, 3515
lexical ambiguity, eye fixations in reading, adults, application of integration vs reordered access model, 4302
literacy learning & reading & writing knowledge construction in whole language curriculum classrooms, low SES kindergartners, 3336
mixed level relationships & mismatch between reading & writing of narrative compositions as index of transition from emergent to conventional literacy, kindergartners, 2 yr study, 21178
morphological regularity of word, latency of word recognition vs selection in lexical decision vs sentence continuation reading task, adult native speakers of Swedish vs Dutch, 40105
nature of involvement in academic discourse in reading & writing tasks, college students, 35369
neuroanatomical & neurophysiological & neuropsychological aspects of premotor cortex & grapheme to phoneme transformation, 23 yr old male with reading epilepsy following frontal hemorrhage & aphasia, 10399
neurological correlates of reading process & early reading failure as result of incomplete cerebral lateralization, children, 29957
normal vs spatial reading instruction, verification of spatial inferences as indication of construction & maintenance of spatial situation model, college students, 44124
outcomes & processes in reading from paper vs screen displays & medium usability, literature review, 3823
phonological & morphological awareness & word reading, 5.9–7.8 yr olds, 40803
phonological skills in reading & spelling & speaking, 11–12 yr olds with spelling disorders, 6151
preschool phonology disorders, phonology & reading & spelling performance, 4–45 yr olds, 2097
prevalence of problems with reading & overall learning, adult chronic headache sufferers, 26164
process of information search in visual diagrams, readers, research review, 32176
reader response prompts, writing & critical thinking about literature & transactions with text, 4th graders, 3350
reading & finger tapping dual task, lateralized motor process interference, epileptic patients with left or right speech dominance, Canada, 38259
reading aloud at maximal speed, adults, Germany, conference presentation, 16938
reading perceptions, institutionalized vs noninstitutionalized rural 60–98 yr olds, 38968
reading processes & disabilities & remediation strategies, research review, implications for reading instruction, 41834
Reading Recovery early intervention program, reading difficulties, 6.2 yr old female, England, 15417
reading skill, phonological analysis & verbal working memory & pseudoword reading performance, skilled vs less skilled 4th graders vs skilled 2nd graders, Australia, 900
reading task processing goals, spontaneous generation of dispositional trait inferences, college students, 29383
reliability of amplitude of return sweep velocity in reading eye movements, male college students, 8314
role of vowels in reading in English vs Hebrew, 40124
script activation during reading, facilitation of lexical access, college students, 12257
selective attention strategy & prose learning, readers, literature review, 16368
sensitivities to visual vs lexical & semantic discrepancies in fluent rereading of familiar texts, college students, Canada, 4319
sensitivity to linguistic dimensions of phonology vs semantic content vs morphological complexity, reading & writing & literacy acquisition in Hebrew, nursery school students vs kindergartners, Israel, 25135
shared reading experience using predictable books, concepts about printed material, 1st graders, 31243
Stroop paradigm reading task, interference in vocal & manual word recognition, profoundly congenitally deaf 9–15 yr olds, implications for involuntary word processing, 30261
task demands & reading span, EP & RT responses to secondary auditory probes indicative of cognitive load during 1st vs 2nd reading, college students, 16288
text scrolling in scanning laser opthalmoscope, assessment of reading performance & visual function at retinal locations, 25–75 yr olds with normal vision or macular disease or degeneration, 6428
theoretical & methodological framework for inferential processes in reading, 44118
thinking processes during challenging reading & writing tests in 1st vs 2nd language, native English speaking college students in French classes, Canada, 4296
time spent reading & teacher interactions during reading instruction, reading achievement, severely & profoundly deaf 5–10 yr olds, 19600
tomographic analysis of regional cerebral blood flow during morphogramic Kanji vs phonogramic Kana word reading, college students, Japan, implications for role of posterior inferior temporal area, 40409

tutoring with inductive vs explicit explanatory feedback, text based inferencing, poor reading 3rd–5th graders, Canada, 31298
TV viewing vs reading of story, mental effort & retention & inferential learning, 4th vs 6th graders, Netherlands, 47158
understanding of function of additive & causal & adversative & sequential logical operators in reading, native English speaking vs ESL college students, 12221
whole language learning & relation to reading, learning disabled students, 15507

Reading [See Also Braille, Oral Reading, Remedial Reading, Silent Reading]—Books

Orthography, phonology, morphology, and meaning. Advances in psychology, Vol. 94, 24417

Reading [See Also Braille, Oral Reading, Remedial Reading, Silent Reading]—Chapters

"Assembled" phonology and reading: A case study in how theoretical perspective shapes empirical investigation, 24456
Asymmetry of the effective visual field in vertical reading as measured with a moving window, 40025
Beyond orthographic depth in reading: Equitable division of labor, 24452
Binocular vision in reading: A study of the eye movements of ten year old children, 40864
A connectionist framework for modeling eye-movement control in reading, 40029
Display properties and eye-movement control, 40020
Evaluation of readability formulae in terms of eye movements: Derivation of schema fixation curves, 40021
Eye and head reading path in hemianopic patients, 42134
Eye movements in reading Chinese: Paragraphs, single characters and Pinyin, 40033
An individual analysis of initial fixation positions in reading, 40028
The influence of the reading rhythm on the optimal landing position effect, 40034
An integrated view of word knowledge: Correlational studies of the relationships among spelling, reading, and conceptual development, 1029
'Invented' spelling and learning to read, 17106
Learning to read: The role of the phonological loop, 17080
Linguistic awareness and orthographic form, 25072
On the relation between the optimal and the preferred viewing position in words during reading, 40023
On the relations between learning to spell and learning to read, 25188
One word at a time: A solution to the visual deficit in SRDs?, 41849
The optimal viewing position for children with normal and with poor reading abilities, 41840
Patterns of development in good and poor readers age 6–11, 40883
Precocious reading of English: Origins, structure, and predictive significance, 32921
Reading and development, 32912
Reading in English and Chinese: Evidence for a "universal" phonological principle, 24450
The reading process and its disorders, 2331
The reading process is different for different orthographies: The orthographic depth hypothesis, 24442
Reading vertically without a fovea, 40024
Referential context and within-word refixations: Evidence for 'weak interaction.', 40027
The relation of speech to reading and writing, 25071
The role of eye movements in reading: Some limitations of the eye-mind assumption, 16119
Saccadic eye movements in dyslexics, low achievers, and competent readers, 41845
Single and multiple process models of print to speech conversion, 16314
Spelling and speaking in pre-lingual deafness: Unexpected evidence for isolated 'alphabetic' spelling skills, 19619
Strategies and stress assignment: Evidence from a shallow orthography, 24430
Time course of context effects during reading: An eye fixation analysis, 40016

Reading Ability—Serials

ability to read & remember textual material on skilled procedure performance, college students vs elderly, 28905
adjunct question position in instructional prose & reading ability, forward shaping & cognitive review, deaf 19–26 vs hearing 14–17 yr olds, 18441
age & sex & reading ability, use of comic vs library books vs funnies vs newspapers vs encyclopedias vs magazines, 1st–6th graders, 947
approach to diagnosis of reading strengths & problem areas during everyday instruction, teachers, 31238
asymmetries of reading & writing Kanji, 4th–6th graders, Japan, 44917
central vs parafoveal cue validity probability & allocation of attention & reading ability, RT in identification of letter target to left vs right of fixation, congenitally deaf 18–30 yr olds, 14440
classroom & home storybook reading program, emergent reading related behaviors & ability, inner city kindergartners & their parents, 43223
comprehension & production abilities, 7–8 yr old good vs poor readers, 40795
computerized multimedia instructional reading program, culturally based learning style & schemata & motivation, Native American 3rd & 4th & 6th graders with poor reading ability, 11429
curriculum based measurement of oral reading fluency & proficiency, 3rd & 5th graders, 8067
development & reliability of international education association reading literacy tests, assessment of narrative & expository & document domains, 9 & 14 yr olds, 31969
development of & individual differences in word search strategies, K–1st grade beginning readers, Switzerland, 31322
development of Keefe Inventory of Silent Reading, diagnosis of reading miscues, female 3rd grader with probable learning disability, 43826
development of language & literacy skills, 3.8 yr old male precocious reader, longitudinal study, 37038
development of reading & phonological processing abilities, 1st graders with vs without reading disabilities vs poor reading ability, 1 yr followup, 26071
developmental interactive approach to reading assessment, preschool students, 31261
discrepancy in actual vs predicted reading achievement & dyslexia as lower tail of normal distribution of reading ability, 1st graders, 6 yr study, commentary, letter, 10139
discrepancy in actual vs predicted reading achievement & dyslexia as lower tail of normal distribution of reading ability, 1st graders, 6 yr study, commentary reply, letter, 10157
dynamic assessment of word recognition & comprehension & other reading abilities, 15876
exposure to print, growth in reading ability, 4th & 5th graders, 2 yr study, 906
family & medical histories & autistic & dysmorphic features & neurological status, autistic 9–16 yr olds with vs without hyperlexia, 45806
functional reading deficits & compensatory strategies, adults with acquired dyslexia labelled as letter by letter readers, 14053
informational text searching abilities & processes & instructional approaches, elementary school students, research review, 35346
intraclass grouping patterns in whole language instruction, students with poor reading skills, 11426
IQ & reading comprehension & decoding & spelling & word recognition skills, primary school & adult dyslexic vs nondyslexic poor readers vs normal readers, 6148
language skills & reading acquisition & developmental dyslexia, children, longitudinal study, commentary, 10160
lateral vs frontal EPs, prediction of reading skill, high school students with vs without reading difficulties, 9190
left hemispheric tumor, oral vs written reading & spelling & naming ability, brain damaged male 57 yr old, case report, England, 22368

lens induced visual stress, eye movements & accommodation & convergence & reading comprehension & efficiency, adults, 24805
lexical level & academic & 1st language reading ability, 2nd language reading ability, ESL college students, 16273
listening comprehension & working memory skills, 7–8 yr olds with reading comprehension deficits, 9195
listening, vocabulary learning, less able reading 6th graders, 3457
metacognition based cognitive training program, learning from test & reading comprehension, 12 yr old average & poor readers, Finland, 27464
metacognitive training during reciprocal teaching, reading comprehension & vocabulary, 1st yr Black college students at risk due to low reading scores, 27430
methods for assessment of & teaching adaptations for early reading ability, kindergarten & 1st grade teachers, implications for gifted programs, 27444
microcomputer programs in modular approach to reading instruction & difficulties, 4th–6th graders, 7420
morphological structure & lexical decision in language processing & reading ability, 4th vs 5th vs 6th graders, 5110
oral reading skill & comprehension & awareness & simultaneous successive planning processes, Oriya speaking 4th graders, India, 15444
orthographic processing skills, types of reading tasks, 3rd graders, 15430
passage type, comprehension monitoring & recall, 6th grade good vs poor readers, 19536
patterns of similarity in reading related skills, family members of dyslexic 8th graders, 6154
pharmacological awareness & word recognition & digit naming speed, text reading fluency before & after practices, 2nd graders with poor vs average reading ability, 2 yr study, 47218
phoneme awareness & visual motor ability, reading ability, kindergartners, 1 yr followup, 28929
phonemic & musical sound discrimination & reading ability, 4.8–5.3 yr olds, 32882
phonemic awareness & naming speed & visual symbol processing, word recognition & pseudoword reading & reading comprehension, 6–10 yr old at risk adequate vs poor readers, 32852
phonemic awareness, reading acquisition, 8–15.8 yr olds with Down's syndrome, Italy, implications for reading education, 35436
phonemic processing & memory & reading development, 5 vs 6 yr olds, England, 44859
pictures in text depicting details vs relational information & comprehension skill, recall of text, college students, 16362
psychoeducational & social & political perspectives on reading instruction, students with reading difficulty, 39199
psychogenic disorders & psychopathology, hyperlexic vs mentally retarded 5–10 yr olds, 26055
reading & spelling ability, phonological vs orthographic coding of & errors & response latencies in matching of rhyming &/vs visually similar word pairs, college students, 8305
reading & spelling difficulties & cognitive impairments, German speaking 2nd–4th graders with developmental dyslexia in regular writing system, 35464
reading & writing behaviors & language awareness, 3 vs 4 vs 5 yr olds, Korea, 37045
reading ability & reading level of patient education & informed consent materials, adult inpatients at public vs private substance misuse treatment centers, 39003
reading ability, metalinguistic skills & reading comprehension, elementary school students, India, 21186
reading ability, reading of words vs nonwords ending with -ed vs -er morphemes, 7–9 yr olds, UK, 9164
reading ability, resolution of riddles requiring access to phonemes &/or morphemes, 2nd graders, 25141
reading comprehension & speed, semantic & syntactic judgment, college students, Australia, 8292
reading delay & ability, hearing impaired 9–15 yr olds, 18444
reading habits & vocabulary & perceived reading ability, prediction of reading comprehension & performance, elderly college educated adults, 29114
reading level & rate & comprehension, reading ability, college students, reanalysis of previous data, 302
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, commentary on replication & extension, 7470
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, replication & extension, 7458
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, commentary on replication & extension, 7455
Reading Recovery early intervention program, reading difficulties, 6.2 yr old female, England, 15417
repeated reading of literature & emergent literacy, low SES urban Black K–1st graders, 5 yr study, 43234
school history information as diagnostic criterion for reading disability, 8–20 yr old twins with positive vs negative school history for reading problems, 6153
selective attention in physical & name match task & Stroop test, normal reading 3rd vs 5th graders vs reading disabled 5th graders, 41830
speed reading training with vs without performance feedback & self efficacy & self reported reading ability & speed & comprehension, performance, college students, 44083
standardized reading tests vs informal read aloud & maze passages, reading proficiency & grade level & teacher judgments, 2nd–6th graders, 24213
strategies for comprehension of collection vs causation vs comparison texts, proficient vs less proficient 10th–11th graders, teaching implications, 936
talking computer system & whole word vs syllabic vs subsyllabic vs grapheme-phoneme units, short term learning, 1st–2nd graders with low vs average reading ability, 11437
teacher activities & interaction with students & student entry level ability, reading performance, kindergartners in 3 school districts observed at beginning & end of year, 47234
text salience, selective attention strategy & attention duration & intensity & learning & reading comprehension, reading success, 6th graders, 32892
text to speech computer system using online with vs without synthetic speech explanations, reading comprehension, 6th–8th graders with above vs below average reading, 3354
text with normal vs filled vs random spatial disruptions, reading speed, college students, 16277
think aloud strategies in cognitive training program, reading comprehension skills, 6th graders with poor & average ability, Finland, 31284
tutoring with inductive vs explicit explanatory feedback, text based inferencing, poor reading 3rd–5th graders, Canada, 31298
unstable binocular control, reading difficulties, children with dyslexia, 33947
use of computer speech within responsive text reading assistance program, students with poor reading ability, 3346
use of memory & processing speed tests with reduced reading requirements, estimation of reading ability, Air Force recruits, 3966
validity of self reported difficulties in learning to read & reading problems, parents of reading disabled 7.5–12 yr olds, 6150
visual acuity & magnification & eye movement, reading performance, patients with low vision or scotomas, 26375
written vs oral communication, morphological errors in inflection, school age normal vs poor readers, 5131

Reading Ability—Chapters

Alphabetic spelling: Predicting eventual literacy attainment, 17101
Deep and surface dyslexia in Chinese, 18439
Saccadic eye movements while reading and tracking, in dyslexics, reading-matched and IQ-matched children, 41846
Why are some 'normal' readers such poor spellers?, 18169

Reading Achievement—Serials

child directed talk in play sessions during preschool years, reading achievement, school age children originally assessed at 2–3 yrs old & their mothers in dyslexic families, 38035
convergent & discriminant validity of integrated reading & writing assessments, 1st–8th graders, 31971

curriculum based measurement, assessment of satisfactory achievement standards & potential for reintegration into general education reading classroom, 3rd–5th graders in special education, 43837
dynamic measure of phonemic awareness, prediction of progress in reading & spelling & phonemic awareness, nonreading kindergartners, 156
factors of success in volunteer adult literacy program, former students, 7460
family SES & supportive home visiting by teachers, success of & parental involvement by nonprofessional tutoring in reading, children, UK, 3397
IQ scores in diagnosis of learning & reading disability & model based on underachievement construct, commentary, 29955
language prediction & syntactic & phonological awareness skills, beginning reading achievement, 1st graders, commentary reply, 39275
manually coded English sign systems' morphemic incompatibility with visual modality & learnability, reading achievement & expressive English skills, deaf 7.1–14.10 yr olds, 14441
matching sequential vs simultaneous processing strength with corresponding instructional method, reading achievement, 1st–2nd graders, implications for educational decision making, 27425
maternal support & cognitive preschool competencies & prior scholastic achievement, 3rd grade spelling & reading & arithmetic performance, 5.5–7.3 yr olds, Germany, 3 yr study, 11483
peer tutoring reading intervention with pause & prompt & praise procedure, reading achievement, 13–14 yr old tutors with below average reading skills & 14–15 yr old ESL tutees, Australia, 39341
placement stability, reading achievement, 8–14 yr olds in long term foster care, 30819
predictive validity of Cognitive Ability Scales, measurement of reading & math achievement & intelligence, 1st–5th graders originally assessed as 2–3 yr olds, 16044
pull-in vs pull-out approaches to reading service delivery, achievement & time spent in reading vs nonreading activities, 2nd–5th graders in special or remedial education, 3546
reading & mathematics achievement & balance skills, 7–11 yr olds, 44826
reading achievement level, rapid automatized naming & orthographic knowledge, 7–10 yr olds, 894
reading achievement, right vs left handed male 1st graders, 4 & 8 yr followups, 931
reading level & rate & comprehension, reading ability, college students, reanalysis of previous data, 302
Reading Mastery vs Superkids reading instruction program, reading achievement, special education elementary school students, 23633
regular vs restructured Chapter 1 federal program instruction, literacy, 1st graders, 11396
relative age, academic achievement in math & reading, 6th–8th graders, 27495
reliability & concurrent validity of qualitative spelling inventory, assessment of orthographic knowledge & reading achievement, 12–16 yr olds, 146
SES & district size & expenditures per student & teacher preparation, reading achievement, 4th graders, Alaska, commentary, 11462
sex & ethnicity, national vs international reading literacy test scores, 9 vs 14 yr olds, New Zealand, International Association for Evaluation of Educational Achievement study, 27519
small group support reading strategy instruction, oral reading performance, 2nd graders with low reading achievement, 23502
social class & ethnicity & cultural capital, reading attainments, families with 5–15 yr olds, New Zealand, 27505
stress reduction, test anxiety & reading test performance, college students, 3600
Success for All schoolwide restructuring program, reading achievement, disadvantaged preschool students & K–3rd graders, 31265
Success for All schoolwide restructuring program, reading achievement, inner city 1st–3rd graders, 3 & 4 yr study, 31264
teacher activities & interaction with students & student entry level ability, reading performance, kindergartners in 3 school districts observed at beginning & end of year, 47234
teacher expectations vs behavior, reading achievement, Hispanic 1st graders, 11471
time spent reading & teacher interactions during reading instruction, reading achievement, severely & profoundly deaf 5–10 yr olds, 19600
written feedback, accuracy in reading, behaviorally disordered 10.3–11.5 yr olds, 7522

Reading Comprehension—Serials

academic vs everyday vocabulary, reading comprehension question answering, 4th vs 5th vs 6th graders, 47164
accessibility of goal category during processing of goal achievement sentence in text, college students, test of encoding vs buffer vs high level reinstatement vs low level inference hypothesis, 16260
anomalous information, question generation during quantitative problem solving & story comprehension, college students, 20263
background TV prime time drama vs commercials, reading comprehension & immediate vs delayed recall, college students, 347
backward causal inferences during reading of expository texts, Netherlands, 8312
caffeine & time of day & history of caffeine consumption, short term memory & mental arithmetic & reading comprehension & serial search & verbal reasoning, 19–39 yr olds, 24941
cloze literacy lessons & student interpretation of use of context clues, bilingual Mexican American 3rd graders & their teacher, 1 yr study, 3352
clue preview & story composition vs prediction listing, story recall, junior high school students, 19469
cognitive & metacognitive prereading activities, reading comprehension, Asian ESL high school & college students & adults, New Zealand, 27466
cognitive ability & word & text reading skills, 65–87 mo old postkindergarten precocious readers vs comprehension level matched 2nd graders, 44873
components of & strategies for effective reading comprehension instruction, learning disabled students, 47263
comprehensibility & interestingness & familiarity & memorability of concrete vs abstract text, recall & comprehension, college students, implications for dual coding theory, 32227
comprehension & production abilities, 7–8 yr old good vs poor readers, 40795
comprehension & vocabulary & written summarization teaching strategy, language arts learning, 2nd graders, 1 yr followup, 3334
comprehension monitoring strategies in basal reader instruction, reading comprehension & awareness & attitude toward reading, 4th graders, 23503
comprehension of explicit & implicit novel compound nouns, reading time & contextual associations in processing exemplar pairs, college students, 8297
comprehension of German text with vs without anaphora, college students, US, 810
computer aided reading using synthetic speech, reading comprehension, 2nd–7th graders with vs without reading disabilities, Sweden, 3560
computer based speech support & reading remediation, reading comprehension, 11–14 yr olds with reading disabilities, Sweden, 35303
conceptually plural antecedents & plural verbs & pronouns, naturalness & comprehension of conceptual anaphors & reading time, college students, Spain, 9036
construction & validation of Items Easy & Items Difficult subscales of MMPI-Adolescent, assessment of relation of reading comprehension deficits & validity scale scores, 13–17 yr olds, 39778
constructionist theory of online inference generation during text comprehension, 44075

creative ability, reading comprehension skills, college engineering students, Russia, 27508
creative drama instructional strategy, reading comprehension skills, 5th grade remedial readers, 3541
critical thinking skills & vocabulary & cognitive ability, reading comprehension, underachieving college students, 27491
depth of cognitive processing, reading comprehension of 2nd language, 18–25 yr old Japanese ESL students, 16284
detection & recall & contradictory statements in text, 10th–12th graders, Spain, 953
didactic teaching vs self instruction of mnemonic strategy, learning of question answer relationships & reading comprehension, 5th–6th grade average vs poor readers, 31254
domain specific knowledge in physics vs memory & interpretation by paraphrase or inference questions, scientific text comprehension at level of mental model, experts vs novices, 8326
dynamic assessment of word recognition & comprehension & other reading abilities, 15876
education & reading level of informed consent form, immediate vs delayed comprehension of consent information & concerns about experiment participation, 18–72 yr old volunteers, 16106
education level & written vs oral responses, comprehension of informed consent form, adult females attending health education program, implications for nursing, 10903
efficiency of anaphor resolution & lexical & semantic memory access & verbal working memory span & contextual priming, comprehension & inference generation during reading, adults, 20292
explicit instruction in note taking with vs without self questioning, quality of notes & lecture content summarization, college students, 35325
factor analysis of standardized tests of reading comprehension, 3rd–8th graders & college students, 12061
familiarity & literalness & usage of idioms, reading time & comprehension, college students, 8291
feedback & sentence order of original & reconstructed text, recall & comprehension, college students, 36237
foreign language reading strategies, 10th–11th graders, Netherlands, 43253
gaze durations vs word reading times, interpretive & inference processes during text comprehension, college students, comparison of buffer-integrate-purge vs immediacy positions, 32153
general vs specific story prime & adjacency of prime & causal target, comprehension & causal relations in memory for narrative text, college students, 44168
generalization of story grammar strategy training, reading behavior & recall & comprehension monitoring 4th vs 5th graders, 3388
generation of intertextual links & meaning making during reading of 5 passage tableau, high school students, 926
guidelines of "English Language 5-14" & use of literacy novel in reading metacomprehension skills instruction, Scotland, 31245
impaired knowledge of word meaning & surface alexic reading performance, 54–72 yr olds with progressive focal dementia or progressive aphasia, 26322
individual differences in working memory & E vs S paced word span & reading comprehension, high vs low span college students, test of 4 hypotheses, 4303
inferences during reading of goal success vs failure stories, college students, 40128
information reduction & accretion & unconscious & conscious processes in text comprehension, commentary, implications for concept of inference, 44085
intrinsic vs extrinsic motivational orientation, reading comprehension & mathematics achievement, elementary & junior high school students with vs without behavior disorders, 35460
IQ & reading comprehension & decoding & spelling & word recognition skills, primary school & adult dyslexic vs nondyslexic poor readers vs normal readers, 6148
italic vs upper case & typeface, modulatory vs contrastive information faces in written language, college students, Scotland, 8310
kanji oral reading & comprehension, 54–74 yr olds with dementia of Alzheimer's type, Japan, longitudinal study, 30239
knowledge level & content familiarity, inference, readers, 8313
lens induced visual stress, eye movements & accommodation & convergence & reading comprehension & efficiency, adults, 24805
listening comprehension & working memory skills, 7–8 yr olds with reading comprehension deficits, 9195
main idea instruction in basal reader series for 1st & 3rd & 5th grade levels, 23470
metacognition & question answer response training, social studies & global reading comprehension, 3rd–5th graders, Guam, 35284
metacognition based cognitive training program, learning from test & reading comprehension, 12 yr old average & poor readers, Finland, 27464
metacognitive training during reciprocal teaching, reading comprehension & vocabulary, 1st yr Black college students at risk due to low reading scores, 27430
metaknowledge in comprehension & metacognition of unexpected elements of story, college students, France, 36158
metalinguistic awareness, reading comprehension, 4th graders, India, 17020
monolingual vs bilingual spaced vs massed reading repetitions & main idea vs detail questions, text comprehension & recall, college students, 47223
narrative vs nonnarrative comprehension & use in literacy development ability, kindergartners, 39267
oral reading skill & comprehension & awareness & simultaneous successive planning processes, Oriya speaking 4th graders, India, 15444
oral vs silent reading & discussion presentations of advance organizers, level & time of text recall, 7th graders, 23508
paradigmatic & syntagmatic codes for signifying meaning, recall & comprehension, 10 & 12 & 14 yr olds, Australia, 17065
passage type, comprehension monitoring & recall, 6th grade good vs poor readers, 19536
peer assisted question answer relationship training, reading comprehension, 3rd graders, 31249
perceived teachers' instructional behaviors, cognitive strategies during reading comprehension, 3rd–5th graders, 11472
perspectives on Regular Education Initiative & reading comprehension improvement approach to integration in regular classrooms, mildly handicapped students, implications for special education, 15505
picture availability & ease of anaphor resolution, text comprehension & dual code theory & working memory management, college students, 16266
pictures in text depicting details vs relational information & comprehension skill, recall of text, college students, 16362
prediction training, reading comprehension & written composition performance & story recall & generation, 4th graders, 3390
print exposure as measured by revised Title Recognition Test & phonological & orthographic skills, word reading & reading comprehension, 5th–9th grade disabled & nondisabled readers, 33944
prior knowledge of topic, construction of mental representations & recall & comprehension of continuous vs discontinuous read text, college students, 20286
prior knowledge vs explicitness vs clause order, comprehension of causal relationships in text, 5th & 6th graders, 9186
reading ability, metalinguistic skills & reading comprehension, elementary school students, India, 21186
reading ability, reading of words vs nonwords ending with -ed vs -er morphemes, 7–9 yr olds, UK, 9164
reading behavior & comprehension strategies for & evaluative reactions to professional articles, social scientists, 32177
reading comprehension & oral storytelling abilities, learning handicapped Latino junior high school students, 22102
reading comprehension & speed, semantic & syntactic judgment, college students, Australia, 8292

reading comprehension, lexical decision latencies & generation of superordinate goal inferences, college students, 44089
reading habits & vocabulary & perceived reading ability, prediction of reading comprehension & performance, elderly college educated adults, 29114
reading level & rate & comprehension, reading ability, college students, reanalysis of previous data, 302
reading time for sentences with subordinate clauses, comprehension, English- vs Spanish-speaking college students, 8301
reciprocal teaching procedures in comprehension strategy instruction, comprehension of social studies material, 5th–6th graders, 23513
reinstatement of causal information during reading comprehension & naming time of probe word following coherence break vs neutral sentence, college students, 32149
reliability & validity of reading span test, assessment of working memory & word recall & comprehension in reading, 17–27 yr old newly enlisted Air Force personnel, 11947
schema relevant title & concept repetition in vague text, sentence reading time & text recall & comprehension, college students, 20287
schema vs text structure based cues, comprehension of expository prose, 4th graders, 31325
semantic feature analysis & mapping as interactive teaching & learning strategies, text comprehension & content learning, learning disabled elementary & junior high school students, 19581
skill & text problematicity, ability to self judge text comprehension, 18–35 vs 58–83 yr olds, 9177
speed reading training with vs without performance feedback & self efficacy & self reported reading ability & speed & comprehension, performance, college students, 44083
Story Gestalt constraint satisfaction model of text comprehension, 7841
storybook reading partnership, story conceptions, kindergartners & 1st graders, 3371
strategies for comprehension of collection vs causation vs comparison texts, proficient vs less proficient 10th–11th graders, teaching implications, 936
student vs teacher perceptions of interest & difficulty of text, student use of metacognitive strategies & comprehension monitoring during reading, deaf 13–17 yr olds & deaf vs hearing teachers, 19587
summary skills learning strategy, comprehension of science text, 9.5–13.7 yr olds with learning disabilities, 31399
summary vs journal writing in interactive comprehension strategy for social studies text, 5th graders, 3349
superordinate vs subordinate goal related inferences during text comprehension, college students, support for global coherence model, 8307
syntactic complexity & working memory, reading comprehension, 60–74 yr olds, 1162
task demands & reader goals & structure & content & accessibility of mental situation models created during narrative comprehension, college students, 44123
teacher & student behaviors & comprehension, Reading Recovery early intervention program, at risk 1st graders, 3321
teacher implemented instructional strategies, facilitation of reading difficult textbooks, middle & high school students, 23509
teacher training in question answer relationships vs traditional teaching methods, student reading comprehension skills, special education resource room teachers & learning disabled 1st–9th graders, 15522
test anxiety & working memory & prior knowledge deficits, reading comprehension, college students, Spain, 12215
text absence vs presence, summarization & recall of text, 6th graders, Canada, teaching implications, 973
text readability & reading disability & comprehension, adult asthma patients & literacy learners, 18104
text salience, selective attention strategy & attention duration & intensity & learning & reading comprehension, reading success, 6th graders, 32892
text to speech computer system using online with vs without synthetic speech explanations, reading comprehension, 6th–8th graders with above vs below average reading, 3354
think aloud strategies in cognitive training program, reading comprehension skills, 6th graders with poor & average ability, Finland, 31284
think aloud vs directed reading-thinking vs directed reading instruction, comprehension monitoring abilities, 4th graders, 3326
transactional strategies instruction & direct explanation vs teacher & student interaction with material, reading comprehension, elementary school students & teachers, 3375
transfer & knowledge specificity in composition & literary understanding in literacy research, students, teaching implications, 11481
transient sustained theory of visual processing & color filtering intervention reduced contrast, reading comprehension, reading disabled 8–12 yr olds, 2410
verb inflection error, oral reading speed & expectation derived strategic vs automatic processes, college students, 12959
verbal & spatial ability & diagrams &/or summaries during computer aided reading, free recall & comprehension, 13 yr olds, Australia, 35309
whole to part reading diagnosis in silent reading comprehension, 5th & 8th graders with reading difficulties, 31380
word level metacognition & word identification & reading comprehension, 9.7–10.8 yr olds, Australia, 21195
1st language proficiency, individual difference in 2nd language speaking proficiency & reading comprehension, bilingual high school students, Netherlands, 39300

Reading Comprehension—Chapters

Collaborative instruction for reading comprehension: The role of discourse and discussion, 3578
The effects of wavelength on visual processing and reading performance in normal and disabled readers, 41854
Guiding students' cognitive processing of scientific information in text, 3471
How readers construct situation models for stories: The role of syntactic cues and causal inferences, 340
Questioning questions in teaching and learning from texts, 47204
Reading comprehension as a conversation with an author, 3481
Reading comprehension in Chinese: Implications from character reading times, 16312
The role of eye movements in reading: Some limitations of the eye-mind assumption, 16119
Situational interest and its impact on reading and expository writing, 3468

Reading Disabilities [See Also Dyslexia]—Serials

appropriate vs anomalous final word of sentence, neurobiology of & EPs in sentence & language processing, language impaired 8–10 yr olds with reading disability, 38075
assisted reading techniques, reading fluency, students with or at risk for reading disabilities, research review, 14934
cluster analysis of verbal & spatial & reading & symbolic processing speed scores, identification of disorder subtypes, reading disabled 8.5–16.9 yr olds, 6158
cognitive processing rates, reading disabled 16–20 yr olds originally assessed at age 7–12, 6149
computer aided reading using synthetic speech, reading comprehension, 2nd–7th graders with vs without reading disabilities, Sweden, 3560
computer based orthographic & speech segmented feedback, reading remediation, reading disabled elementary school students, 3561
computer based speech support & reading remediation, reading comprehension, 11–14 yr olds with reading disabilities, Sweden, 35303
concurrent validity & utility of teacher vs test based assessment for screening of risk of reading failure, K–2nd graders, Australia, 28082
definitions of reading disability, sex differences in reading disability, 13 yr old twins, England, 22112
development of reading & phonological processing abilities, 1st graders with vs without reading disabilities vs poor reading ability, 1 yr followup, 26071

developmental interactions of disabilities in reading & spelling & mechanical arithmetic, learning disabled 7–8 vs 9–14 yr olds with different patterns of neuropsychological assets & deficits, 29959
disability definition, disorder subtypes based on grammar & short term memory & phonological & reading & visual spatial skills, reading disabled 6–14 yr olds, Canada, 6157
discrepancy based vs low reading achievement model definitions of reading disability, reading disabled kindergartners, 5 yr study, 18105
genetics & neuropsychological factors, validity of age vs IQ discrepancy definitions of reading disability, twins, 10153
hypermedia applications in computer study guides, reading enhancement, elementary & high school students with reading disabilities or poor reading ability, 19580
impaired reading & spelling skills, 10.6 yr old male & 11 yr old female with developmental verbal dyspraxia, 4 yr followup, 2010
interactive vs word only feedback in talking computer program, spelling & phonological skills, 7–14 yr olds with reading &/or spelling deficits, 3576
intuitive colorimeter for hue & saturation manipulation, reduction of perceptual distortion of text, children with learning or reading difficulties, 6160
IQ & parents' education & sex & articulation or hyperactivity problem, outcome of early reading intervention, 7 yr olds with developmental reading disorders, 7 yr followup, commentary, 38026
IQ & parents' education & sex & articulation or hyperactivity problem, outcomes of early intervention, 7 yr olds with developmental reading disorder, 7 yr followup, commentary reply, 38032
IQ & parents' education & sex & articulation or hyperactivity problems, outcome of early reading intervention, 7 yr olds with developmental reading disorder, 7 yr followup, 18101
IQ scores in diagnosis of learning & reading disability & model based on underachievement construct, commentary, 29955
irrelevance of diagnosis of underlying cause in implementation of effective reading instruction programs, children with reading disabilities, 27577
linguistic measure & proficiency, linguistic tradeoffs in imitated vs spontaneous speech, 6–9 yr olds with language learning vs reading disabilities, 14051
magnocellular pathway function & visual EPs, reading disabled 8–11 yr olds, 33942
multisensory remedial reading instruction, reading disabled delinquent male 13–18 yr olds, 15524
neurological correlates of reading process & early reading failure as result of incomplete cerebral lateralization, children, 29957
object naming & phonological knowledge, 3rd graders with reading disabilities, 6155
parental participation in guided teaching of oral reading, children with reading difficulties, 18100
parental reading disability, sex ratios in occurrence, reading disabled children & their siblings, 14055
peer tutoring reading intervention with pause & prompt & praise procedure, reading achievement, 13–14 yr old tutors with below average reading skills & 14–15 yr old ESL tutees, Australia, 39341
performance on reading & spelling & phonological processing & language & memory tasks, dyslexic vs poor reading 7–16 yr olds, Canada, 18106
phonological & semantic performance in confusability paradigm, reading disabled vs nondisabled male 8–10 vs 14–16 yr olds, replication, 29960
phonological awareness & naming speed & verbal memory, word attack & identification & reading comprehension & spelling, 7.4–12.3 yr olds with severe reading disabilities, 10133
phonological processes & executive function, male 7–10 yr olds with reading disability &/vs attention deficit hyperactivity disorder, 33928
phonologically sensitive vs nonsense word decoding tests, diagnosis, dysphonetic vs nondysphonetic 9–12 yr olds with dyslexia/special reading disability, 11993
print exposure as measured by revised Title Recognition Test & phonological & orthographic skills, word reading & reading comprehension, 5th–9th grade disabled & nondisabled readers, 33944
reading processes & disabilities & remediation strategies, research review, implications for reading instruction, 41834
school history information as diagnostic criterion for reading disability, 8–20 yr old twins with positive vs negative school history for reading problems, 6153
selective attention in physical & name match task & Stroop test, normal reading 3rd vs 5th graders vs reading disabled 5th graders, 41830
self esteem & emotional health, mildly reading disabled 8–11.5 yr olds, 2018
single character processing RT during reading, male alexic 24 yr old, 41828
sleep patterns, 8–10 yr olds with reading disabilities, 38033
specific vs generalized deficit in verbal vs visuospatial working memory as result of process vs storage functions, reading vs math disabled children, Canada, conference presentation, 45818
syllable complexity, auditory discrimination & phonological memory, reading disabled 2nd–4th graders, 22104
syntactic & lexical & phonological skills, subsequent reading disability, 30 mo olds from dyslexic families, 6 yr study, reprint, 2030
teacher training in collaborative transactional approach to reading informational texts, students' reading performance, severely reading disabled 6th–11th graders & their teachers, 15490
text readability & reading disability & comprehension, adult asthma patients & literacy learners, 18104
time of day, dichotic listening & attention, children with reading disabilities & normal achieving male 7.3–12.6 yr olds, 26074
traditional IQ tests vs cognitive processing model of intelligence, learning disabilities definition, normally achieving vs reading disabled male 7.7–15.3 yr olds, 22108
transient sustained theory of visual processing & color filtering intervention reduced contrast, reading comprehension, reading disabled 8–12 yr olds, 2410
unstable binocular control, reading ability, 7.2–14.4 yr olds with reading difficulty, 2019
validity of IQ discrepancy based vs low achievement criteria for identification of reading disabilities, 9–14 yr olds, 10137
validity of self reported difficulties in learning to read & reading problems, parents of reading disabled 7.5–12 yr olds, 6150
visuospatial & linguistic mechanisms in discrimination of mirror image letter reversals in reading & relationship to confused left/right body awareness & reading disabilities, 22107
whole language vs skill based approaches, reading & phonics & comprehension & cooperative learning, children with reading disabilities, 11549
whole to part reading diagnosis in silent reading comprehension, 5th & 8th graders with reading difficulties, 31380

Reading Disabilities [See Also Dyslexia]—Chapters

Genes and genders: A twin study of reading disability, 45827
Information integration and reading disabilities, 41850
Information processing, experience, and reading disability, 14057
Mechanisms underlying saccadic suppression in specifically disabled and normal readers, 18110
The optimal viewing position for children with normal and with poor reading abilities, 41840
Patterns of atypical reading development: Attributes and underlying reading processes, 22116
Perceptual and cognitive factors in disabled and normal readers' perception and memory of unfamiliar visual symbols, 41858
Processes, breakdowns, and remediation in developmental disorders of reading and spelling, 2037
The reading process and its disorders, 2331
The roles of sustained (P) and transient (M) channels in reading and reading disability, 42130
Stages of word knowledge in reading disabled children, 2035

Visuospatial ability and language processing in reading disabled and normal children, 41842
The write stuff: A case of acquired spelling disorder, 2193
Reading Education—Serials
automatic syllabication of computerized online reading tutor, 47196
automaticity training with speeded synonym games, tone RT in word reading, dyslexic 4th–11th graders, 14050
awareness of home & school reading education & learning, kindergartners receiving individualized & small group vs phonics based instruction, 35373
beliefs about parental role in & communication of guidelines for home book reading, teachers & parents of 1st yr junior school students, New Zealand, conference presentation, 27449
case based vs traditional reading instruction, ability to activate & assemble & incorporate knowledge in memory, 9th graders, 35282
choral vs individual responding during small group word reading instruction, moderately mentally retarded 10–13 yr olds, 31417
classification & number conservation training vs conventional letter & word & number & arithmetic skills, verbal & arithmetic performance, kindergartners & 1st graders, 43237
classroom & home storybook reading program, emergent reading related behaviors & ability, inner city kindergartners & their parents, 43223
classroom reading context, beginning reading & reading related behaviors, 1st graders, 10 wk study, 19564
cloze literacy lessons & student interpretation of use of context clues, bilingual Mexican American 3rd graders & their teacher, 1 yr study, 3352
code emphasis direct instruction in Project Success Summer Program, reading & spelling skills, dyslexic college students, 15506
components of & strategies for effective reading comprehension instruction, learning disabled students, 47263
computer aided reading using synthetic speech, reading comprehension, 2nd–7th graders with vs without reading disabilities, Sweden, 3560
computerized multimedia instructional reading program, culturally based learning style & schemata & motivation, Native American 3rd & 4th & 6th graders with poor reading ability, 11429
consistency between theoretical orientations & beliefs about reading & instructional decision making & planning & interactions with students, Chapter I teachers, 3309
constant time delay in small group instructional arrangement, sight word reading, moderately mentally retarded 8.7–12.8 yr olds, 35439
contributions to study of children's literacy & development of reading recovery program, M. M. Clay, 27415
curriculum based measurement, assessment of satisfactory achievement standards & potential for reintegration into general education reading classroom, 3rd–5th graders in special education, 43837
curriculum test overlap, standardized reading test performance, 1st–2nd graders, implications for educational decision making, 20089
development & use of creative plays as reading material & teaching method for literacy instruction, 21 yr old & older beginning readers, 23500
development of reading & writing workshop based on student centered approach, 23492
explicit instruction in note taking with vs without self questioning, quality of notes & lecture content summarization, college students, 35325
frequency & context of text explicit vs implicit idea units & recall of & development of meaning in literacy text, 4th graders in imagery vs traditional reading instruction group, 3351
generalization of story grammar strategy training, reading behavior & recall & comprehension monitoring 4th vs 5th graders, 3388
guidelines of "English Language 5-14" & use of literacy novel in reading metacomprehension skills instruction, Scotland, 31245
intraindividual Curriculum Based Measurement norms of academic growth rates in reading vs spelling vs math, 1st–6th graders, 2 yr study, 27493
issues in literacy & reading & sign language instruction, deaf students, 3542
Letterland combined structured phonics & whole language teaching, reading education, 4–10 yr old regular & special needs students, England, 43239
literacy & instructional patterns, urban low SES kindergartners inexperienced with print, 1.4 yr study, 3364
macroprocessing & microprocessing strategies instruction, text learning, high school remedial students, 47270
main idea instruction in basal reader series for 1st & 3rd & 5th grade levels, 23470
metacognitive training during reciprocal teaching, reading comprehension & vocabulary, 1st yr Black college students at risk due to low reading scores, 27430
methods for assessment of & teaching adaptations for early reading ability, kindergarten & 1st grade teachers, implications for gifted programs, 27444
microcomputer programs in modular approach to reading instruction & difficulties, 4th–6th graders, 7420
multicultural reading program, middle school students with special needs, 23620
parental implementation of paired reading home tutorial program, reading skills & satisfaction & perceptions, parents & their 2nd–4th graders, 47174
parental participation in guided teaching of oral reading, children with reading difficulties, 18100
peer tutoring reading intervention with pause & prompt & praise procedure, reading achievement, 13–14 yr old tutors with below average reading skills & 14–15 yr old ESL tutees, Australia, 39341
phonemic awareness, reading acquisition, 8–15.8 yr olds with Down's syndrome, Italy, implications for reading education, 35436
principles of & classroom & research issues in text to speech computer systems & hypertext for reading & spelling development, students, 3355
psychoeducational & social & political perspectives on reading instruction, students with reading difficulty, 39199
pull-in vs pull-out approaches to reading service delivery, achievement & time spent in reading vs nonreading activities, 2nd–5th graders in special or remedial education, 3546
purpose for & methods of asking questions during reading, 4th–6th graders, 35328
range of clause types in language experience vs eclectic vs remedial reading schemes, K–6th graders, implications for grammatical development, 27439
reading instruction using computer with digitized speech, reading accuracy & comprehension, 8–11 yr olds with poor reading skills, England, 31257
Reading Mastery vs Superkids reading instruction program, reading achievement, special education elementary school students, 23633
reading processes & disabilities & remediation strategies, research review, implications for reading instruction, 41834
reading vs mathematics routine & specialized instructional adaptation for learning disabled & low achieving students, elementary school teachers, 35438
regular vs restructured Chapter 1 federal program instruction, literacy, 1st graders, 11396
repeated reading of literature & emergent literacy, low SES urban Black K–1st graders, 5 yr study, 43234
revealing & telling teaching strategies in socialization of attention in literacy instruction, conference presentation, 27410
role in child's literacy development & reading strategies, parents, 28933
science & art & ideology of perspectives in debates regarding psychology & teaching of reading, 27413
science vs basal content reading, achievement in & attitude toward reading & science, 4th graders, 1 yr study, 3382
SES & culture, SEARCH/TEACH perceptual remediation vs traditional phonetic tutoring, kindergartners at risk for reading failure assessed at 1st & 2nd grade, longitudinal study, 3360

sociohistorical perspective on development of reading & unification of literacy instruction approaches, special & regular education students, 27571
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47284
special education perspectives on whole language vs direct approach to reading & literacy instruction & cognitive strategies, commentary with illustrative case, 47278
special education perspectives on whole language vs direct approach to reading & literacy instruction, 47272
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47296
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary with illustrative cases, 47288
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47290
stimulus fading vs shaping vs time delay vs feedback only in teaching sight words & reading for daily living, moderately developmentally delayed 29 & 44 & 46 yr olds, 30363
storybook reading partnership, story conceptions, kindergartners & 1st graders, 3371
structure & development of paired reading technique, 19501
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, commentary, 39362
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, 39333
teacher & student behaviors & comprehension, Reading Recovery early intervention program, at risk 1st graders, 3321
teacher training in collaborative transactional approach to reading informational texts, students' reading performance, severely reading disabled 6th–11th graders & their teachers, 15490
text to speech computer system using online with vs without synthetic speech explanations, reading comprehension, 6th–8th graders with above vs below average reading, 3354
textmarking strategy transfer, college developmental reading students, 39206
theoretical foundations of R. B. Spalding's "The Writing Road to Reading" & application in reading education, 15396
think aloud vs directed reading-thinking vs directed reading instruction, comprehension monitoring abilities, 4th graders, 3326
transactional strategies instruction & direct explanation vs teacher & student interaction with material, reading comprehension, elementary school students & teachers, 3375
use of computer speech within responsive text reading assistance program, students with poor reading ability, 3346
whole language & authentic literature programs & alternatives for educator misconceptions, bilingual students, 43196
Whole Language program, teaching reading & writing, 1st & 2nd graders with hearing loss, 23618
whole language vs skill based approaches, reading & phonics & comprehension & cooperative learning, children with reading disabilities, 11549

Reading Education—Chapters

Developing self-sufficient learners in reading and mathematics through self-instructional training, 3582
Embracing the instructional complexities of reading instruction, 3419
Improving reading and thinking: From teaching or not teaching skills to interactive interventions, 3408
Reading comprehension as a conversation with an author, 3481
Reading Recovery: It's not what you do, it's the way you do it, 23533
Systematic phonology: The critical element in teaching reading and language to dyslexics, 43343
Voices of resistance: Young women readers of romance fiction, 25274

Reading Materials—Serials

analysis of selected literary works on school district core reading lists, K–6th graders, 3343
classroom & home storybook reading program, emergent reading related behaviors & ability, inner city kindergartners & their parents, 43223
comprehension & recall of regular vs boxed text material, college students, 44157
main idea instruction in basal reader series for 1st & 3rd & 5th grade levels, 23470
metacognitive knowledge about school related reading, prelingually & profoundly deaf 14.6–19.4 yr olds, 19614
range of clause types in language experience vs eclectic vs remedial reading schemes, K–6th graders, implications for grammatical development, 27439
reading vs TV as concurrent activity, FI low rate responses & verbal regulation, college students, 40197
shared reading experience using predictable books, concepts about printed material, 1st graders, 31243

Reading Materials—Books

Women and self-help culture: Reading between the lines, 5029

Reading Measures [See Also Metropolitan Readiness Tests]—Serials

accuracy of National Adult Reading Test Revised, prediction of WAIS-R IQ score, 20–54 yr olds, 39791
American College Testing Program & Teale-Lewis Reading Attitude Scales, prediction of achievement in teacher course on reading methods, elementary education & other college students, 8065
curriculum test overlap, standardized reading test performance, 1st–2nd graders, implications for educational decision making, 20089
development of Keefe Inventory of Silent Reading, diagnosis of reading miscues, female 3rd grader with probable learning disability, 43826
factor analysis of standardized tests of reading comprehension, 3rd–8th graders & college students, 12061
performance on National Adult Reading Test, assessment of premorbid ability & use in control group selection, schizophrenic vs other psychotic patients vs normal controls, 21823
performance on National Adult Reading Test, estimation of premorbid or expected verbal fluency, healthy 16–88 yr olds vs neurologically impaired adults, 10347
print exposure as measured by revised Title Recognition Test & phonological & orthographic skills, word reading & reading comprehension, 5th–9th grade disabled & nondisabled readers, 33944
reading score below 20th percentile & IQ regression method for identification of dyslexia, children, 10134
reliability & validity of reading span test, assessment of working memory & word recall & comprehension in reading, 17–27 yr old newly enlisted Air Force personnel, 11947
standardized reading tests vs informal read aloud & maze passages, reading proficiency & grade level & teacher judgments, 2nd–6th graders, 24213
validity of National Adult Reading Test, estimation of premorbid intellectual ability & memory, patients with alcoholic Korsakoff's syndrome, 24145
validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, 73
validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, commentary, letter, 43770

Reading Readiness—Serials

classroom reading context, beginning reading & reading related behaviors, 1st graders, 10 wk study, 19564

Reading Skills [See Also Reading Comprehension, Reading Speed]—Serials

academic characteristics & reading skill & difficulties, 16–60 yr olds self described as illiterate, educational implications, 3543

analogy training, pronunciation of words & nonwords, 1st grade beginning readers, 15366
code emphasis direct instruction in Project Success Summer Program, reading & spelling skills, dyslexic college students, 15506
cognitive ability & word & text reading skills, 65–87 mo old postkindergarten precocious readers vs comprehension level matched 2nd graders, 44873
developmental intraword & interword segmentation & lexical awareness, monolingual White American vs Mandarin Chinese incipiently bilingual kindergartners learning English, 13046
Dex Frame, reading speed & accuracy, school age children with learning difficulties, England, 6830
exposure to print, growth in reading ability, 4th & 5th graders, 2 yr study, 906
handedness & age, hemispheric specialization & interaction in haptic letter matching during reading acquisition, female K–3rd graders, 37011
implementation of Reading Recovery Program, reading level outcomes, at risk 5.8–6.5 yr olds, New Zealand, 27424
IQ & reading comprehension & decoding & spelling & word recognition skills, primary school & adult dyslexic vs nondyslexic poor readers vs normal readers, 6148
language prediction & syntactic & phonological awareness skills, beginning reading achievement, 1st graders, commentary reply, 39275
literacy requirements in high demand & high attrition history course, college students & faculty, implications for academic preparation, 15432
motivations toward literacy & learning & participation in literacy programs, adults with low literacy skills, 15486
orthographic processing skills, types of reading tasks, 3rd graders, 15430
parental implementation of paired reading home tutorial program, reading skills & satisfaction & perceptions, parents & their 2nd–4th graders, 47174
patterns of similarity in reading related skills, family members of dyslexic 8th graders, 6154
perceptual motor skill learning & repetition priming in reading of mirror rotated text, elderly with Alzheimer's disease, 18375
pharmacological awareness & word recognition & digit naming speed, text reading fluency before & after practices, 2nd graders with poor vs average reading ability, 2 yr study, 47218
phonemic awareness & naming speed & visual symbol processing, word recognition & pseudoword reading & reading comprehension, 6–10 yr old at risk adequate vs poor readers, 32852
phonological awareness skills, dyslexic 8–16 vs 19–27 yr olds, 2017
phonological segmentation & reading & spelling of words with exceptional vs regular spelling patterns, 1st–2nd graders, 32870
prereading phonological abilities, prediction of reading & spelling skills, 10 yr olds, 6 yr followup, 9196
reading behavior & comprehension strategies for & evaluative reactions to professional articles, social scientists, 32177
reading instruction using computer with digitized speech, reading accuracy & comprehension, 8–11 yr olds with poor reading skills, England, 31257
reading skill, phonological analysis & verbal working memory & pseudoword reading performance, skilled vs less skilled 4th graders vs skilled 2nd graders, Australia, 900
repetition practice, acquisition & retention & generalization of speed in word naming, good vs poor reading 3rd–4th graders, 39263
revealing & telling teaching strategies in socialization of attention in literacy instruction, conference presentation, 27410
spelling-to-sound "friends" vs "enemies", single word reading performance, 16–38 yr old dyslexic college students, Wales, 6159
student oral reading performance, pausing & praise & prompting in tutoring behavior, teachers & 8–14 yr old low vs 9–16 yr old very low vs 4–8 yr old average progress readers, England, 27476
symbol naming speed & precise timing mechanisms & orthographic & phonological processes in reading acquisition, dyslexic children & adults, 33939
use of literacy portfolios in educational performance assessment, 43841
verbal & visual & auditory & recall performance & reading related skills, Kannada- vs English-speaking 8–10 yr olds with dyslexia vs poor vs normal reading ability, India, 33945
verbal processing skills, foreign language reading proficiency, Japanese language students, implications for instruction, 24405

Reading Skills [See Also Reading Comprehension, Reading Speed]—Books

Evaluating psychological information: Sharpening your critical thinking skills, 12263

Reading Skills [See Also Reading Comprehension, Reading Speed]—Chapters

The achievement of preschool literacy for mother and child, 3580
The developmental acquisition of silent letters in orthographic images, 995
Improving reading and thinking: From teaching or not teaching skills to interactive interventions, 3408
Phonological awareness, reading, and reading acquisition: A survey and appraisal of current knowledge, 25180
Reading consonants and guessing vowels: Visual word recognition in Hebrew orthography, 24435
Reading in the deaf: The roles of phonological codes, 22453
Skilled and not-so-skilled reading: Good information processing and not-so-good information processing, 3418
Spelling is integral to learning to read, 17094

Reading Speed—Serials

change in size of 1 vs 2 letters in 1 vs 2 words, legibility & perceptual grouping in visual word recognition & reading speed, 19–58 yr olds, 40075
Dex Frame, reading speed & accuracy, school age children with learning difficulties, England, 6830
inference necessity & integrative vs superficial reading goal, inferential generation & reading speed, 3rd vs 5th vs 8th graders vs adults, 28907
literalness & familiarity & word frequency, reading time of idiom phrases, college students, 32134
pharmacological awareness & word recognition & digit naming speed, text reading fluency before & after practices, 2nd graders with poor vs average reading ability, 2 yr study, 47218
reading aloud at maximal speed, adults, Germany, conference presentation, 16938
reading comprehension & speed, semantic & syntactic judgment, college students, Australia, 8292
reading level & rate & comprehension, reading ability, college students, reanalysis of previous data, 302
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, commentary on replication & extension, 7470
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, commentary on replication & extension, 7455
reading level & tester & setting & timing in validation of curriculum based measurement, oral reading rates, 3rd–4th graders, replication & extension, 7458
reading time for sentences with subordinate clauses, comprehension, English- vs Spanish-speaking college students, 8301
schema relevant title & concept repetition in vague text, sentence reading time & text recall & comprehension, college students, 20287
speed reading training with vs without performance feedback & self efficacy & self reported reading ability & speed & comprehension, performance, college students, 44083
test expectation & subject matter & passage length, retention & reading speed & study tactics, college students, 3458

text with normal vs filled vs random spatial disruptions, reading speed, college students, 16277
verb inflection error, oral reading speed & expectation derived strategic vs automatic processes, college students, 12959
Readjustment (Psychosocial) [See Psychosocial Readjustment]
Readmission (Hospital) [See Hospital Admission]
Readmission (Psychiatric Hospital) [See Psychiatric Hospital Readmission]
Realism (Philosophy)—Serials
constructivism vs realism perspective on error & cognition, 40120
economic recession, New Realism based attitudes & purchasing, consumers, 1990s, Great Britain, implications for marketing & advertising, 39563
fictionalist perspective on transference & other processes of psychoanalysis & misconstrual in framework of realism, commentary reply, 33423
fictionalist perspective on transference & other processes of psychoanalysis & misconstrual in framework of realism, 33422
Realism (Philosophy)—Books
Issues in realist criminology. Sage contemporary criminology series, 3878
Realism (Philosophy)—Chapters
Subjectivism, relativism, and realism in psychoanalysis, 17623
The world we practically live in, 23981
Reality—Serials
appearance & facial expression vs explanation of reality, understanding of distinction between apparent vs actual moral character, 3 vs 4 vs 5 yr olds, 5175
born again Christianity & political conservatism, view of social reality & social work education & practice, nonconformist vs conservative social work students, 3181
communication within virtual reality, 16915
contributions of cognitive space theory & virtual reality to information resource management problems, human communication in modeling problems & in system design, 16919
corollaries of lucid vs delusional awareness during dreams, college students, 16381
D. Bohm's theory of implicate & explicate order in levels of reality & relation to mechanistic & organismic scientific paradigms in psychology, conference presentation, 11890
definition of virtual reality involving type of experience vs devices or machines, 16920
development & reliability & norms & validity of scales for measurement of beliefs about consciousness & reality, academicians & professionals, 3997
disagreement between Freud & S. Ferenczi concerning concepts of reality & psychic reality in psychoanalysis, 34498
emotional imagery vs reality analogy, emotion evaluation, implications for vignette methodology limitation, commentary, 40208
event repeatability & initial perception of win or loss outcome, motive type & strength influence on counterfactual generation, college students playing computer simulated blackjack, 24409
Freudian perspective on loss of reality perversions & hallucinations, 33509
issues with & future of virtual reality, 16917
J. Fodor's & H. Putnam's externalist vs internalist metaphysical perspectives on functionalist defense of intentional realism, 36925
physical components of virtual reality medium, virtual reality systems with single or pair of or many PCs or systems using parallel processing machines, 16916
process of reality negotiation & illness denial, patients, nursing implications, 34822
reality discernment & fantasy about food taste, eating impulse control, college students, 24491
research in dynamic decision making & use of computer simulated microworld paradigms, 24396
role of patient's reality in psychoanalysis as talking cure, 37 yr old female with panic attacks & 41 yr old substance abusing male, 10599
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary, 10606
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary reply, 10627
role of reality & real experience in psychopathology & psychoanalysis, analysands, 10626
special tricks vs real life reality explanations given prior to viewing, emotional or cognitive reaction to frightening movie scene, 5–7 vs 7.2–10 yr olds, 990
story about child playing with vs looking at photograph of vs dreaming about object, conceptions of physical vs nonphysical properties & private vs public perceptual status, 3–4 yr olds, 17070
theory of media reality extended to virtual reality, communication effects on perception & construction & reconstruction of reality, 16974
training in virtual worlds, learning of spatial procedural & spatial navigational tasks, adults, 16191
TV viewing, cultivation & construction of social reality & accessibility in memory, female college students, 40768
understanding of imagination vs knowledge & reality, 3–4 yr olds, 25171
use of logical positivism construct in & factor structure of Attitudes About Reality Scale, college students, 7950
Reality—Books
Foundations of the mind: Children's understanding of reality. The developing body and mind, 21207
Pleasura & realitas: The dialectic of dominating impulses, 33448
Reality—Chapters
Children's iconic realism: Object versus property realism, 40866
The construction of clinical "realities.", 26530
Looking at oneself in a rose-colored mirror: The role of excuses in the negotiation of a personal reality, 37559
Philosophy, 4990
What can be learned from studies on reality orientation?, 46182
Reality Testing—Serials
psychoanalytic perspective on touch & assessment of reality testing & personality traits, 24–70 yr old psychic healers, 31142
reality monitoring ability, adults with obsessive compulsive disorder, 29733
Rorschach assessed production of adaptive fantasy images, performance on measures of selective attention & reality testing & object relations, urban homeless Black & Hispanic 5.7–13 yr olds, 40900
vividness of visual imagery, reality monitoring of presentation frequency, college students, 43982
Reality Therapy—Serials
aspects & methods of teaching role playing & critiquing in reality therapy & control theory, therapists, 39091
doctoral dissertations on reality therapy, 1970–90, bibliography, 38389
links between reality therapy & exercise therapy from control theory perspective & guidelines for combined implementation, patients with anxiety & depression, 22532
reality based parent assistance workshops, caregivers of crack exposed infants, 39021
reality therapy & control theory approach, self worth & awareness & need satisfaction, alcohol abusing clients, 23267
reality therapy, exercise initiation & basic needs satisfaction, 22958
reality therapy group training with vs without institutional intervention, self esteem & locus of control & academic achievement, 9th graders at risk for school dropout, 39391
reality therapy paradigm, 38378
reality therapy, sex offenders, application of control theory, 22526
relationships & commitment to need fulfilling behavior & cognitive developmental stages from reality therapy perspective, implications for treatment, 22523
ten step reality therapy model, grief management, 22527
Reality Therapy—Chapters
Reality therapy, 26500

Reasoning [See Also Inductive Deductive Reasoning, Inference]—Serials
acquisition of psychological knowledge & causal reasoning skills, freshmen vs sophomore vs senior college students with psychology vs management majors, 43261
action execution & action management solution search stage in analogical reasoning, composite structure & mechanical & software designers, 40136
age & conventional vs nonconventional tool use, reasoning in measurement problem solving, 6–10 yr olds, England, 44891
age & working memory, differences in matrix reasoning, 18–80 yr olds, 44898
age, correlational reasoning skills & performance, 4th graders to postgraduate students, 23569
attitudes & behavior intentions regarding use of disposable coveralls for protection against pesticides, 22–65 yr old grain farmers, test of theory of reasoned action, 23852
automatic vs reflective social reasoning in integration of conflicting individual & relational goals in social interactions, aggressive vs submissive rejected vs nonrejected 9.5–12.3 yr old males, 13139
C. Argyris & D. Schon's X-Y exercise & change from automatic to reflective reasoning processes in problem solving, management students, Israel, 23734
case based reasoning in solution of new problems, implications for construction of expert systems, 23888
causal questions & parental explanations during everyday conversation, 3–5 yr olds & their parents, 902
classroom as clinic vs in class evaluation method, diagnostic reasoning, 21–40 yr old occupational therapy students, 11253
cognitive & ego development & moral reasoning in abortion choice, 12–14 vs 17–19 vs 23–25 yr old unmarried females, policy implications, 5091
cognitive & linguistic ability, verbal analogical reasoning, 9.4–13.5 yr olds with language learning disabilities, 26073
cognitive processing of contradictory proverbs & reasoning, schizophrenic adults, 1717
collaborative inquiry approach to science instruction, conceptual knowledge & reasoning, language minority middle & high school students, 47186
conceptual model of electric circuits, self directed experimentation in scientific reasoning & learning in circuit laboratory, novice college physics students, 39270
conditional interpretations of default reasoning based on probabilities vs preferred models, implications for artificial intelligence, 20261
conditional reasoning task with motor task, right hemisphere bias in reasoning, college students, replication, 303
consideration of alternatives in choice task & evidence for confirmation bias, adolescents & adults, 21181
construal of antecedent conditions in Hempelian motivational explanations, 44763
construction of Bond's Logical Operations Test in the Context of History, assessment of formal operational thinking, 11–15 yr old secondary students, UK, 20100
context, inferential reasoning & selection with permission vs multiple causality schema, college students, test of P. W. Cheng & K. J. Holyoak's theory of logical structure of pragmatic schemas, 4322
contextual assertions of alternative plausible cause & extremity or rarity of contextual event, interpretation of causal assertions in pragmatic conditional reasoning, adults, 8299
contextual dependence & between source congruence of quantitative & diagnostic source & categorical choice, predictive reasoning, college students vs faculty members, Spain, 324
counterfactual events incongruent with expectations, financial decision making & reasoning in futures trading, college & graduate business students, test of Norm Theory, 313
critical thinking in science education & fallacy in reasoning discourse, students, 7474
cultural values, counterfactual linguistic reasoning, native male Arabic speakers, test of A. H. Bloom's theory, 820
decision making vs problem solving in clinical reasoning for treatment decisions, physicians & nurses, educational implications, 10814
decision theoretic recognition system based on fuzzy set theory & approximate reasoning, 11812
development of social reasoning & consensus reaching in conflict situations, 8.7 yr old male, Iceland, 2.3 yr study, application of interpersonal communicative action theory, 17135
diagnostic problem solving & representation, free recall of patient information, medical students vs residents vs physicians, 40161
direct instruction, critical thinking skills in learning time & mathematics, students, 27443
distributional vs singular approach to probability judgments, errors in probabilistic reasoning, college students, Canada, 36178
dogmatic vs sophisticated falsification as metaphors for problem solving activities & neural network modeling of reasoning metaphor, electronics experts, 32180
environmental studies course, environmental attitude defensibility & cognitive reasoning, college students, 19506
errors in problem solving as reasoning failures, 12228
experiential vs experienced based economics instruction, learning & reasoning, transitional 1st graders, 43208
expert system for computer based testing of analogical reasoning, 19836
explication & implementation of epistemic based defeasible reasoning in Prolog program EVID & application knowledge base, 31710
family as organizationally embedded discourse & local enactment of practical reasoning, 29222
feedback, temporal reasoning ability, 4–7 yr olds, 40794
heuristic processing vs conditional reasoning, college students, 32166
human reasoning & dialog processes in argumentation program development, application to intelligent systems program, 35689
humans' local computations & representations of uncertainty in expert systems, adults, 47561
hypothesis generation in & models & application of abductive reasoning in artificial intelligence, 43605
iconic mode processes & concrete symbolic reasoning in comprehension of fractions, K–10th graders, Australia, 40857
immediate vs delayed testing after statistical reasoning training, retention & transfer & generalization, college students, commentary, 20325
independence of reasoning & memory & fuzzy trace theory of cognitive development, children, 21165
individual problem structure analysis vs analogical problem comparison processing, induction of problem categories, college & graduate students, 4297
individual problem structure analysis vs analogical problem comparison processing, induction of problem categories, college & graduate students, erratum, 44066
instruction in argumentation, learning to reason, teaching implications, 27471
instructional reasoning & decision making during teaching rounds, attending internists, 15251
integration of literacy & reasoning instruction, deaf learners, 39347
intuitive & numerical proportional reasoning & instructions in temperature mixing task, 5th vs 8th graders vs college students, 886
J. M. Keynes' work as foundation for defeasible reasoning & tradition of argument in artificial intelligence, 31718
Jasper Woodbury problem solving series, attitudes & motivation & learning to think & reason about complex problems, elementary school students, application of constructivist theories, 19467
knowledge & context, inference elicitation in class inclusion reasoning, college students, 44103
logic programing in modeling of truth & justification preserving entailments of defeasible reasoning in artificial intelligence, 31711
logical & prelogical thinking & counterfactual reasoning with counteridenticals in theory of analogical reasoning, 8328

memory based approach to hypothesis formation & heuristic learning of common sense causal relations from episodic text, application of artificial intelligence learning program NEXUS, 28303
memory interference & independence in reasoning & cognitive development, children, application of fuzzy trace theory, erratum, 28903
memory interference & independence in reasoning & cognitive development, children, application of fuzzy trace theory, 17013
method of sweeping presumptions for modeling of nonmonotonic reasoning, implications for artificial intelligence, 31716
methodological & epistemological issues in & models of delusional reasoning processes, delusional patients, 17713
model of plausible reasoning based on inferences & generalizations from questions & dialog about everyday matters, 32202
moral reasoning & rhetoric in acceptibility of arguments for vs against action in AIDS related dilemmas, college students, application of L. Kohlberg's 6 stages, 6305
negation reasoning in argumentation, conclusion, translated article, 28834
nonconsequential behavior in reasoning & decision making tasks, college students, 12245
Nursing Dilemma Test, measurement of level of moral reasoning, nurses in critical care units, 11931
object oriented framework for case based reasoning in artificial intelligence, 31722
own & lab partner's intuitive vs transitional vs reflective scientific reasoning ability, biology achievement & motivation & enjoyment & reasoning gains, college students, 11476
performance on dynamic system reasoning tasks, 8–18 yr olds, commentary, 892
performance on dynamic system reasoning tasks, 8–18 yr olds, commentary, 955
performance on dynamic system reasoning tasks, 8–18 yr olds, 905
personal factors & specific instructions, reasoning & quality of argument in federal budget deficit solutions, adults, 20259
personal values & moral reasoning, graduate business students, 32173
practice, reasoning strategies for making inferences from metadeductions, adults, Wales, 8285
primary error detection & minimization strategies accounting for confirmation bias in reasoning & social cognition, 28243
prior knowledge & conceptual content, use of metaconceptual criteria in scientific explanations, 6–12 yr olds, 13068
propositional vs structural semantic analysis of medical diagnostic thinking, 6236
psychological evidence of reasoning & intellectual competence, freedom of expression & decision making in school setting & governmental constraints & family issues, adolescents, 32978
psychological evidence of reasoning & intellectual competence, freedom of expression & decision making in school setting & governmental constraints & family issues, adolescents, commentary, 32958
qualitative & hierarchically structured expert-like problem analysis, similarity in reasoning & judgments in problem solving & schema acquisition, novice physics students, 44068
quality & reliability of Matrix Analogies Test-Short Form, assessment of nonverbal reasoning ability & relationship to school achievement, 6–12 yr olds, Japan, comparison to US vs Canada, 35840
question driven understanding & reasoning in learning, application of computer model of knowledge goals, 32222
reasoning analogous to ANCOVA, group stereotype formation, college students, 17515
reasoning in determining cause of fault in computer hardware diagnosis, experts, 24412
reliability & validity of reasoning test, male rats, animal model, 16427
religious belief orthodoxy & interpersonal conflict, complexity of reasoning about religious dilemmas, 18–26 vs 27–45 vs 60–86 yr olds, Canada, 25351
remedial science program, control of variables & drawing logical conclusion skills, preservice elementary school teachers, Israel, 3295
research on & Defining Issues Test assessment of moral reasoning, nursing students, 19382
role of analogical reasoning & conceptual complexity & inference in cognitive development, 5099
role of analogical reasoning & conceptual complexity & inference in cognitive development, commentary, 5093
role of analogical reasoning & conceptual complexity & inference in cognitive development, commentary, 5096
role of informal vs scientific reasoning in critical thinking, adults, 20266
scientific reasoning & use of domain general heuristics in experimental design, 3rd vs 6th graders vs community college vs college students, 21179
self directed investigation & strategy change in scientific reasoning development, 4th–6th graders, 32881
self directing arguments as threat to defeasible reasoning, implications for artificial intelligence, 31721
semiotic analysis framework for knowledge based clinical reasoning & competence & medical cognition, commentary, 40117
semiotics & structures of diagnostic reasoning, commentary reply, 40109
sex & restriction of domain to parenting dilemmas, care or justice moral reasoning, parents with vs without handicapped children, 33312
sleep deprivation with vs without naps, reasoning & task performance & possible role of circadian rhythms in sleep inertia, adult male Navy personnel, 20703
small group processes course, moral reasoning, college students, 43186
spontaneous use of propositional connectives in paraphrasing of conditionals, female 22–71 yr olds, England, model theory of reasoning vs rules of inference, 4997
strategy & content of computerized expert critic, modeling & mitigation of confirmation bias in reasoning, adults, 19846
sufficiency vs necessity reasoning schemata in processing positive vs negative outcomes & personal relevance, adults, 36170
surface & structural & semantic problem similarity & precedent in use of analogy in legal reasoning, graduate students vs experienced professionals, 43621
systematic modeling vs learning cycle teaching strategy, integrated science process skills & formal reasoning ability, 6th–9th graders, 11425
theory of conditional reasoning development based on Piagetian reformulation of mental models theory, 21185
threat of AIDS, sexual decision making & rational reasons for risky sexual behavior, model of subjective expected utility theory, 22289
time of day vs circadian influenced sleep inertia measured during logical reasoning task, adults, 36638
training in combinatory experimentation & reasoning, independent experimentation with new multirelational object, 5 yr olds, 21190
transitional vs concrete vs formal operational reasoning, responses to logic tasks, college students, test of multiple hypothesis theory of testing of formal reasoning, educational implications, 24408
unified model of practical reasoning for philosophy & artificial intelligence, 23892
use of Conflict Tactics Scales & checklist, identification of reasoning & verbal aggression & degrees of physical violence, domestic assault offenders, criminal justice applications, 37999
use of covariation information implied by counterfactual vs contrastive reasoning in causal judgment, college students, 36172
wishful thinking, belief-desire reasoning in providing misleading opinion poll responses, 18–35 yr olds, England, 24401
working memory, age related differences in integrative reasoning, college students vs elderly, 5126

world knowledge stimuli & induced dysphoric mood, fact retrieval & inferential reasoning, college students, 12276
Reasoning [See Also Inductive Deductive Reasoning, Inference]—Books
Analogical reasoning in children. Essays in developmental psychology, 25177
Rules for reasoning, 28277
The symbolic and connectionist paradigms: Closing the gap. The cognitive science series: Technical monographs and edited collection, 7810
Reasoning [See Also Inductive Deductive Reasoning, Inference]—Chapters
A conceptual framework for the study of numerical estimation and arithmetic reasoning in animals, 20389
Counterfactual reasoning, 831
The effects of graduate training on reasoning: Formal discipline and thinking about everyday life events, 31330
The effects of statistical training on thinking about everyday problems, 28286
Excuses in everyday interaction, 1150
Free choice, practical reason, and fitness for the rule of law, 9519
A fuzzy-trace theory of reasoning and remembering: Paradoxes, patterns, and parallelism, 344
Knowledge representation and logic programming, 7823
Lay social theory: The relation between political, social, and moral understanding, 5144
A longitudinal study of the effects of undergraduate training on reasoning, 31331
On being more rational than the rationality assumption: Dramatic requirements, nuclear deterrence, and the agenda for learning, 17585
The personal and the political in reasoning and action, 5148
A practical approach to automated reasoning in vague and uncertain environments, 47564
Practical reasoning in the production of scientific knowledge, 11354
Proportional reasoning in and out of school, 17120
Protoquantitative origins of ratio reasoning, 28981
Reasoning and spatial abilities, 5153
The Sword of Manjusri: A postmodern morality of intellect and skillful means for relative worlds, 9524
Teaching reasoning, 28295
Teaching the use of cost-benefit reasoning in everyday life, 28291
Towards a microstructural account of human reasoning, 15809
The use of statistical heuristics in everyday inductive reasoning, 28296
Who uses the cost-benefit rules of choice? Implications for the normative status of microeconomic theory, 28292
Recall (Learning) [See Also Free Recall]—Serials
accompanying verbal interpretation, recall & recognition of ambiguous pictorial stimuli, good vs poor visualizers, 44138
accuracy of self vs observer's vs judge's prediction of recognition performance on general information recall questions, college students, 40165
active response error correction during sight word instruction, acquisition & maintenance & generalization of words, 8–9 yr olds with developmental disabilities, 31369
addition vs subtraction fact retrieval in arithmetic performance, right handed 78 yr old male following left hemisphere cerebrovascular accident, 18318
advance information with vs without suggestion of sexual theme, recall & recognition & interpretation of ambiguous written text as sexual, college students, 32131
age & object category typicality vs size, encoding of perceptual vs conceptual attributes & probability of recall of objects, preschoolers, 17062
age & use of encoding mnemonic, recall of 2 & 4 digit phone numbers, 20–86 yr olds, 36233
age, performance on simultaneous verbal recall & RT computer simulated driving tasks, 18–85 yr olds, 28866
age, recall ability & prospective vs retrospective memory evaluation, 50–79 yr olds, 29122
age, use of prosody for syntactic parsing & recall of spoken sentences, college students vs 61–82 yr olds, 5138
aging & aviation expertise & working memory demands, processing & recall & comprehension of aviation vs general narratives, young vs elderly pilots, 950
alcohol intoxication & arousal during simulated robbery, perpetrator recall & encoding & identification of central vs peripheral person related to crime, male college students, 1983
anticipated communication & communication apprehension, negative & task relevant thinking & recall, college students in public speaking course, 16914
anxiety & depression & hostility & subjective comprehensibility & recall & retention of medical information, 19–50 yr old nonpatient volunteers, England, 20324
article context & reader involvement, recall & recognition of magazine advertisements, college students, England, 11754
articulatory suppression & phonological similarity & storage & word length & presentation rate, immediate vs delayed serial recall & working memory, college students, Italy & England, 40174
associative relatedness & processing manipulation of target items, recognition & cued recall, college students, 28314
associative relatedness, retrieval vs familiarity based recognition & cued recall, college students, 44148
auditory stimulation, Gestalt effects in visually recalled images, college students, Finland, 16293
background TV prime time drama vs commercials, reading comprehension & immediate vs delayed recall, college students, 347
behavior-trait vs behavior-object inferences, trait inference spontaneity in cued recall, college students, 32199
billboard location & position & content & consumer involvement with product & attention & attitudes toward advertising, recall of outdoor advertisements, commuters, 43549
biologically significant information organizer, script recall, male vs female 18–49 yr olds, 36235
bizarre imagery, mnemonic cue storage vs retrieval within memory, college students, application of multimodal model, 16357
blocked vs random presentation with vs without retrieval cues, immediate vs delayed recall, 2nd vs 4th graders, 25151
caption meaning, recognition & recall of nonsense figures, college students, 20318
categoric vs discrete vs continuous type of & patterns in tabulated data vs prose & postquestions & academic ability, recall of data & covariation, 13–14 yr olds, educational implications, 44890
category retrieval practice, semantic memory & recall, college students, 12270
characteristics of convergence time distinguishing successful & failed recall in associative neural network, 39651
climatogeographic conditions, recall & functional asymmetry of new vs neutral vs emotiogenic words, 20–50 yr olds in mountainous vs maritime vs other geographic areas, Russia, translated article, 36238
clue preview & story composition vs prediction listing, story recall, junior high school students, 19469
cognitive consistency & bias in recall of margin of victory in gubernatorial selection, college students, 41145
cognitive interviewing & practice, fact recall, 7–12 yr old witnesses to staged event, legal implications, 5127
cold suppression of temporal cortex, recall or preexposed vs nonexposed face discrimination, monkeys, 24685
completion of depression inventory prior to testing, recall of mood congruent autobiographical memories & affectively toned words, dysphoric vs nondysphoric college students, 17762
comprehensibility & interestingness & familiarity & memorability of concrete vs abstract text, recall & comprehension, college students, implications for dual coding theory, 32227
comprehension & recall of regular vs boxed text material, college students, 44157
confidence in memory & verbal recall & character recognition of crime films, 20–35 vs 40–55 vs 60–75 yr olds, 17001

constructional accuracy & organizational strategy during figure copying, incidental recall of figure, schizophrenic vs chronic alcoholic patients, 17663
content familiarity & concreteness & comprehensibility & interest, sentence recall, college students, 36182
cooperative learning strategy & field dependence vs independence & vocabulary level, recall & enactment of medical procedure, college students in dyads, 363
cue & target association during encoding, verb vs noun cued recall, college students, Germany, 40178
democratic vs communist government vs rebels in country of intervention, bias in recall of & attributions for stereotyped vs nonstereotyped US international military interventions, college students, 45138
detection & recall & contradictory statements in text, 10th–12th graders, Spain, 953
diary vs retrospective recall vs summary methods, assessment of quantity & frequency of alcohol consumption, 16–70 yr olds, Netherlands, 9501
digit consonant mnemonic for memorization of long strings of digits, recall with hierarchical vs unstructured story mnemonic, female adults, 4368
disease severity, word list & spatial pattern recall, 56–89 yr olds with dementia of Alzheimer's type, application of cognitive dual process theory, 42092
display of physical components with vs without information on higher order functional variables, diagnosis & recall of dynamic event sequences in thermal hydraulic system, novices vs experts, 4398
distinctiveness of bizarre imagery, immediate vs delayed recall of sentences, college students, 20327
distractor tasks before & after each item on recall list & practice, short term store account of long term recency effects, college students, replication, 40193
distributed presentation of visual stimuli, recency effect on serial recall task, college students, replication, 16347
divided attention in retrieval of overlearned information in long term memory, 50–59 vs 70–79 yr olds, 40843
dramatic presentation of TV news, recall & cognitive complexity, college students, 16973
duration & information content of visual stimulus, immediate recall, 22–32 yr olds, Ireland, 8365
effort & performance incentives, recall, 4 yr olds, 37049
elaborative interrogation & individual vs small vs large groups, use of imagery vs verbal vs repetition study strategies & recall performance, college students, implications for classroom learning, 11439
emotional pictures, recall & judgment of TV news items, college students, 28304
enabling relations, event recall & memory load, 20–25 mo olds, 893
enabling vs arbitrary temporal relations, recall & generalization of complex event sequences, 2.5 yr olds, 17008
encoding & priming & attention, feeling of knowing judgments & prediction of later memory for unrecalled items, college students, test of target retrievability vs cue familiarity hypothesis, 4394
encoding & recall of self generated narration, female 18–20 vs 61–91 yr olds, 40808
encoding & time delay, processing & retrieval of descriptive & inferred advertising information & brand accessibility, college students, 39564
encoding specificity with intact reference map vs random distribution of map features as cues, recall of text with map related facts, college students, 40171
estrogen replacement, immediate & delayed recall & plasma estrone & estradiol, females with surgical menopause resulting from hysterectomy or oophorectomy, 30658
expert vs novice baseball knowledge, strategic sorting & recall of baseball terms, 2nd & 4th–5th graders, replication, 923
exposure duration for arrays with repeated familiar &/vs novel words, novel popout & familiar sink-in for recall of position of words, college students, 20217
exposure to newspaper vs TV stories & intervening thinking time, hypermnesia effect in story recall, college students, 16976
exposure to photographs of faces & information on occupation, recall of proper names & occupations, 22–26 vs 55–77 yr olds, Belgium, replication, 21166
expression of perceived & remembered visual areas in figure recognition & recall, college students, replication, 36080
feedback & sentence order of original & reconstructed text, recall & comprehension, college students, 36237
frequency & context of text explicit vs implicit idea units & recall of & development of meaning in literacy text, 4th graders in imagery vs traditional reading instruction group, 3351
game experience, recall & meaningful associations & encoding of task specific information after viewing structured vs unstructured soccer sequences, soccer players, 39538
gender schema, recall of stereotyped vs counterstereotyped information, male vs female college students, 41162
general memory vs separation vs interactive memory instructions, recall & frequency & effectiveness of memory strategies in paired associate learning, college students, 24469
generation effect in cued vs free recall & recognition, college students, test of generation enhancement vs interference hypothesis, 8339
generative activity of cuing & target masking & selective attention & encoding time & mood, mobilization of cognitive resources & generation effect in recall of words, college students, 4379
glucose vs saccharin, retrograde vs anterograde enhancement of memory storage, 60–81 yr olds, 16814
group vs individual target reference & evaluation vs no encoding, cued recall & frequency estimations of positive vs negative behaviors & impression formation, college students, 37464
group vs individual viewing of videotaped traffic accident with vs without discussion, witness recall, college students, England, 28322
hindsight bias in repeated measures design, recall of estimated confirming votes in C. Thomas Senate confirmation hearings, college students, 1 mo followup, 36230
hypnosis vs waking condition, memory enhancement & hypermnesia & reminiscence & immediate vs delayed recall, college students with high vs low hypnotic ability, 4375
imagery vs orthographic task, EPs during identification & recall of primed vs unprimed words, 19–29 yr olds, implications for neurophysiology of memory, 20321
imagery vs verbal encoding, recall, college students, England, 44152
immediate recall of names &/vs occupations in association with unfamiliar faces, college students, UK testing of serial access vs interactive activation & competition model of name recognition, 36249
immediate vs delayed recall & recognition & retention of primacy vs recency regions of word list, adults with Huntington's vs Alzheimer's disease, 30218
immediate vs delayed recall of sex consistent vs inconsistent event sequences, male vs female 24–26 mo olds, 25195
impairment of serial recall of visually presented lists with irrelevant speech, disruption at memory vs encoding levels & effect of changing state of auditory channel, 16344
implicit category production vs identification vs explicit cued recall of studied vs unstudied words, schizophrenic veterans, 41602
individual differences & cooperative vs individual study, recall & reactions to information on alcohol & cocaine use consequences, college students, 29843
individual item vs relational processing of categorically related vs unrelated words, item gains & losses in hypermnesic recall, college students, replication, 16329
induced depressed vs neutral mood, incidental recall of positive vs negative trait adjectives, college students with high vs low neuroticism, 21529
inspection time during immediate recall & IQ, 19–30 yr olds, Ireland, 8346
insufficiency of inability to recall names of British Prime Minister & Queen as screening for cognitive dysfunction, 75 yr olds & older, UK, 9343
integration between cue & target information on studied word pairs, recognition failure of recallable words, 15–42 yr olds, 17005

intensity & comparative vs noncomparative advertising, product recall & attitudes toward ads, college students, 19802
interconnections based on categories & scene schemas & propositional representations, recall for information within representations, college students, test of structural hypothesis, 20274
interest in text, reading strategies & recall, college students, 32172
interpolation of irrelevant spoken word between successive digits, disruption of serial recall in auditory digit span test, 19–57 yr olds, 44129
interstore vs instore price comparison, price recall accuracy &/vs confidence, consumers, 7738
interval between repeated testing sessions, recall of pictures vs prose & hypermnesia vs forgetting, college students, commentary on conference presentation, 40152
interval between repeated testing sessions, recall of pictures vs prose & hypermnesia vs forgetting, college students, reply to commentary on conference presentation, 40187
interval between repeated testing sessions, recall of pictures vs prose, college students, conference presentation, 373
intralist distractor task, disruption of forward vs backward serial recall, college students, implications for theory of distributed associative memory, 44150
IQ vs rate of teacher communication, acquisition of information & net recall, 7th graders, application of mathematical model, 7459
keyword mnemonic, learning speed & immediate recall of 2nd language vocabulary words, college students, 15457
keyword vocabulary acquisition method & patterns of forward vs backward recall in foreign language learning, college students, 24462
knowledge maps & outlines & key word lecture aids, recall of biology lecture material, college students, 11474
knowledge of task, hypermnesia effect in recall of auditorily presented words, college students, 16327
lexicality & phonological similarity of verbal trace, tree models for degradation & reintegration in immediate recall, 36247
location vs pairing of pictures, development of intentional vs incidental memory & recall, 1st–3rd graders, India, 13057
lorazepam, recollection in word recognition memory, healthy male 21–31 yr olds, 44601
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary reply, 16336
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary, 16342
mathematical model of correct recall & intrusions in cued recall of word lists, 19–29 vs 65–80 yr old mnemonists, 32211
meaning related vs unrelated context cues, recall & implicit processing, young adults vs elderly, 946
memory retrieval, retention, college students, 16330
memory span, serial verbal recall rate, 4–5 yr olds, 9133
memory structure & type of argument in print advertisement, immediate vs delayed recall & recognition, 20–47 yr olds, 8347
monaural asymmetry vs binaural deficit in story recall, outpatients with schizophrenia vs bipolar disorder, 13782
monolingual vs bilingual spaced vs massed reading repetitions & main idea vs detail questions, text comprehension & recall, college students, 47223
mood, recall & impression formation of targets consistent vs inconsistent with familiar prototypes, college students, 17496
mood, recollection of brand information & rating of ad effectiveness, college students, 43550
motor retrieval & encoding & strategic processing, age differences in recall of motor tasks, 18–26 vs 60–79 yr olds, 25145
naltrexone vs quaternary naltrexone, recall of allogeneic cytotoxic lymphocyte CR, female mice following C57BL/6 spleen cell immunization, 36787
negative affect, memory & retrieval, infants, 37114
network size & interconnectivity of word association in long term memory, cued word recall, college students, 44159
nicotine, delayed & immediate verbal recall, smokers, comparison of attention vs consolidation hypothesis of nicotine induced memory facilitation, 12908
NMDA antagonists during training, response recall & transfer, male rats, 8917
noise induced arousal & intention to learn & type of orienting task, short vs long term recall for paired associates, 13–18 yr olds, 17023
nonrelevant stimuli preexposure duration, latent inhibition & recall & recognition, high vs low psychotic prone college students, Spain, 36229
novelty monitoring & metacognition & control in composite holographic associative recall memory model, implications for Korsakoff's amnesia, 16349
number & length of camera shots in TV commercials, recall & persuasiveness of commercials, 18–34 vs 35–49 vs 50–65 y olds, 1978–88, 39580
obvious vs nonobvious categories of word items, hypermnesia in free vs cued recall, college students, 40182
oral nicotine, delayed recall, healthy male smokers, 8991
oral vs silent reading & discussion presentations of advance organizers, level & time of text recall, 7th graders, 23508
ordered schema construction during encoding vs retrieval of story, story reading vs test RT, college students, 24400
orienting task & age, word list recollective experience of remembering or knowing, 15–18 vs 65–80 yr olds, 9138
overlearning, feeling of knowing judgments in between S vs within S recall paradigms, college students, 40156
paradigmatic & syntagmatic codes for signifying meaning, recall & comprehension, 10 & 12 & 14 yr olds, Australia, 17065
passage type, comprehension monitoring & recall, 6th grade good vs poor readers, 19536
performance & RT on category fluency & exemplar ranking & decision tasks, elderly with Alzheimer's disease, test of retrieval deficits hypotheses, 2256
phonological similarity of visual letter sequences, immediate serial recall during simple vs complex rhythmic finger tapping, college students, 36243
physical context, recall or recognition of actions immediately after performance vs 24 hrs later, 18–29 vs 67–90 yr olds, 9183
pictures in text depicting details vs relational information & comprehension skill, recall of text, college students, 16362
posterior vs anterior partial vs full commissurotomy, visual vs verbal recall vs recognition, 23–39 yr old patients, 22934
posttrial nicotine with vs without distraction, delayed recall & memory facilitation, smokers, 12878
preseason vs primed vs nonprimed postseason recall of helmet warning label information, male high school football players, implications for behavioral compliance, 28959
pretest organizational information, interference by interpolated list of items with recall of original list, college students, 4371
prior exposure to correct vs incorrect answers & ease of retrieval, confidence in answers to general knowledge questions, college students, 28315
process dissociation procedure, assessment of conscious recollection vs unconscious influences of memory, college students, 36166
quisqualate vs NMDA antagonists vs ifenprodil, spatial working memory during spontaneous alternation & learning & recall during passive avoidance task, male mice, 20955
racially balanced vs unbalanced discussion group, cued recall of & social judgment in group discussion of affirmative action, college students, 37413
ratee sex, rater recall & cognitive characteristics & situational moderators of sex bias in performance appraisal in sex congruent vs incongruent occupation, college students, 39454
ratings of self & others on stereotypically masculine & feminine tasks, gender related information recall, male vs female college students, test of J. T. Spence's gender identity theory, 9475

recall & recognition memory for typical vs atypical actions in script based stories, preschoolers vs 1st graders, 28908
recall & recognition memory, male 23 yr old with short term phonological memory deficit, 46038
recall & retelling of text through face to face vs computer interaction, adults with vs without prior computer mediated communication experience, 32771
recall & understanding of instructions for use of Kleinert splint following surgery, 16–61 yr olds with zone 2 flexor tendon injuries, Australia, 23195
recall in central incidental memory task, profoundly deaf 6–13 yr olds, 2345
recall of & confidence levels for flashbulb memories of ordinary event & US bombing of Iraq, college students, 4 mo & 1 yr followups, 20328
recall of child's vaccination status, mothers, Costa Rica, 14907
recall of self sorted categories & words, 16–30 vs 67–91 yr olds, 28898
recall of taxonomically vs schematically organized verbal materials, young adults vs elderly, 25126
recall of time when breast feeding stopped & formula & solid foods feeding started, Bedouin Arab females interviewed at 12 & 18 mo postpartum, Israel, 5401
recall of trait adjectives vs nouns descriptive of self vs objects in own house, college students, test of congruent information vs trait superiority hypotheses, 4367
recall of verbal commands with vs without self performed vs observed enactment, 17–24 yr olds, Croatia, 40151
reconstructive processing of memory content for high vs low academic test scores & grades, 17–74 yr olds, 28301
relational vs item specific processing vs intentional learning strategy, recall of high vs low frequency words, college students, 40181
reliability of 3 word recall tests, assessment of memory, healthy 51–95 yr olds, 31938
remember vs forget instructions & part list vs set retrieval cues at time of recall, directed remembering of words, college students, 16340
retention interval & degree of event knowledge & event aspect cue uniqueness, recall of autobiographical event information, 18–23 yr olds, 8340
retrieval & monitoring & recall of information, elderly with Alzheimer's disease, Sweden, 38211
retrieval difficulty & novelty vs motivation in deception, electrodermal differentiation, 18–24 yr olds, Canada, 16639
rote vs gist script learning strategies, immediate vs delayed cued recall, college vs professional theater actors, 28318
same modality interference, immediate serial recall of auditory vs visual information, college students, 16361
schema relevant title & concept repetition in vague text, sentence reading time & text recall & comprehension, college students, 20287
scopolamine, recall for stimulus & reward associations vs recognition memory, monkeys, 44568
segmentation of pitch glide stimulation vs synthesized vowel sounds & subsequent changing state effect, visual short term serial recall, college students, 40168
self questioning vs summarizing vs notetaking review strategies, immediate recall & lecture retention, college students, 3442
semantic similarity of adjacent items defined by proximity in multidimensional space, strength of semantic clustering & recall, college students, 28843
semantic vs rhyme cues, recognition vs cued recall, college students, 44147
separate vs interactive pictures accompanying brand names & imagery level & intentional & incidental learning instructions, cued recall of brand names, high school & college students, 40836
serial recall of lipread vs auditory vs audiovisual memory lists with vs without verbal suffix, recency effect & disruption by suffix, college students, Netherlands, 16335
sex, knowledge of state names & geographical location with vs without recall aids, college students, 44116
signaling devices, recall of text topics, college students, 32214
simulated TV newscast with vs without graphics/visuals, audio recall & preferences & comprehension, college students, 25074
simulated vs actual sad or happy mood, mood congruent recall, depressed vs nondepressed female college students, 25537
social facilitation, recall, college students, England, 16350
social/collective presence with vs without discussion, picture recall & muscular strength & pain reflex, college students, translated article, 25496
speak vs write vs visual response condition, dichotic consonant vowel recall, male right handed 17–38 yr olds, 40166
speech rate & divided attention, immediate recall of spoken passages, 18–27 vs 60–78 yr olds, 17068
speech rate vs movement time, verbal & spatial span recall prediction, college students, England, 16297
state anxiety, study & recall time performance, 60 yr olds & older in memory improvement program, 13204
statistical analysis of dynamics of sparse associative memory & multistep recall process of neural network, 15789
stimuli presentation rate & label, encoding & recall of pictures of men & women in traditional vs nontraditional vs neutral roles, 5–10 yr olds, 17044
stimulus familiarity & discriminability, recency effect in recall of speech vs nonspeech sounds, college students, 40048
stimulus suffix labeled speech vs nonspeech, recall, college students, 32217
structural version of learned map, recall of associated text, college students, 32212
structurally congruent or incongruent hierarchies, map & passage recall, college students, 12291
structure & cluster of word lists, recall & recognition memory, depressed adults, 29601
study time, performance on test of text recall vs final course grade, college students, 15435
subjective organization, hypermnesia of pictures vs words vs riddles, college students, 8360
subliminal music, short term recall, adults, 350
suppression of emotional vs neutral story, immediate enhancement &/or recall, 18–27 yr olds, model of clinical obsessions, 4412
surgical stress & anxiety & iv benzodiazepines, recall of oral surgery to remove impacted molars, patients, 46680
syntactically compatible vs incompatible verbs in sentences, conceptual vs verbatim regeneration in short term recall, college students, 24465
temporal recency, contextual recall, elderly with probable Alzheimer's disease, implications for human information storage, 38216
test form, retention & recall of clinical information previously learned for exam, medical students, 23382
text absence vs presence, summarization & recall of text, 6th graders, Canada, teaching implications, 973
trace synthesis & memory blending during cued recall, college students, 8358
TV commercial length & informational vs emotional content & repetition, learning & brand & advertisement attitudes & purchase intention, college students, 27779
type of cue in stimulus response paired associates, judgment of learning & delayed judgment of learning effects on recall, college students, 4377
use of augmentative communication systems, recall of message codes, physically disabled adults, 2148
use of personal cultural vs hypothetical examples in international teaching assistants' lectures, attitudes & recall & ethnocentrism & uncertainty, college students, 3370
verbal & written detailed vs brief & flexible procedural risk & benefit disclosure, informed consent information recall & satisfaction, mothers of neonates at risk for respiratory failure, 26876
visual illustrations vs imagery instruction, recognition vs recall measured use of imagery, college students, 16343
visualization of examination hall vs countryside during learning, recall of imagery words, college students, implications for context dependency effect, 8348

vividness of visual imagery, source discrimination for memories of textual & visual items, college students, implications for eyewitness testimony, 36231
whole word vs phonetic prompt error correction & acquisition & maintenance of sight read words, 8–9 yr olds with developmental disabilities, 31368
word associated cues in sentence context, recall, college students, 16353
word definitions with vs without interlopers, word recall vs tip of tongue phenomenon, adults, England, 12286
word repetition, word recall, elderly with Alzheimer's disease vs alcohol amnestic disorder vs major depression, 41436

Recall (Learning) [See Also Free Recall]—Chapters
Cues, props, and context: Do they facilitate children's event reports, 32927
The effect of postawakening differences in activation on the REM–NREM report effect and recall of information from films, 8421
Effects of cognitive questioning techniques on children's recall performance, 32919
Effects of detailed imagery on simulated witness recall, 20333
Studying stages of memory formation with chicks, 12589
The two-legged apple, 2340
The vowel and what follows: A phonological frame of orthographic analysis, 1016

Recency Effect—Serials
distractor difficulty & retention interval, long term recency effect & time sharing in memory for word pairs, college students, Japan, 44166
distractor tasks before & after each item on recall list & practice, short term store account of long term recency effects, college students, replication, 40193
presentation order & extremity of diagnostic trait information, primacy vs recency effect in impression formation, college students, 29373
primacy & recency effects in serial recognition task, rhesus monkeys, implications for role of initiating response, 4446
recency effect in free recall, explicit retrieval strategy to residue of implicit learning as basis of priming in cognition & memory, 36221
stimulus familiarity & discriminability, recency effect in recall of speech vs nonspeech sounds, college students, 40048
temporal recency, contextual recall, elderly with probable Alzheimer's disease, implications for human information storage, 38216

Recency Effect—Chapters
A simultaneous examination of recency and cuing effects, 377

Receptive Fields [See Also Cutaneous Receptive Fields, Visual Receptive Fields]—Serials
classical conditioning to tonal frequency, receptive field plasticity in auditory cortex, male guinea pigs, 40358
cortical barrel fields lesions, spontaneous or apomorphine induced open field behavioral asymmetries & neostriatal & substantia nigra monoamines, male rats, 16518
intensity & auditory field of broad band sound, topographic representation of auditory space in external nucleus of inferior colliculus, guinea pigs, 12491
mechanical & chemical stimulation of neural peripheral receptive fields, convergence of oral & extraoral information within superior secondary gustatory nucleus, channel catfish, 12523
moving stimuli applied to nonoverlapping skin sites within receptive field, processing of directional information by direction invariant & variant primary somatosensory neurons, monkeys, 40360
natural facial stimulation, receptive field somatotopy & rostral dorsal accessory olive cell activity, anesthetized cats, 36582
neural network implementation of convergent algorithm for sensory receptive field development, 39638
task difficulty in discrimination training, neuronal discharge & EKG measured frequency specific receptive field plasticity in auditory cortex, male guinea pigs, 24757
visceral noxious stimulation, changes in receptive field properties of dorsal horn neurons, male cats, 24658

Receptor Binding—Serials
acute or chronic diisopropylfluorophosphate &/vs atropine, somatostatin binding in frontoparietal cortex vs hippocampus, rats, 36704
affinity for sigma sites & dopamine receptor & electrophysiological & behavioral effects & antipsychotic potential of SR31742A vs haloperidol vs spiroperidol, mice & rats, 44704
age, regional excitatory amino acid receptor binding & other characteristics, C57BL vs BALB/c male mice, 40390
allelic association between dopamine receptor gene & alcoholism, alcoholic adult males, 13930
alpha 2-adrenergic receptor platelet membrane binding sites & affinity for alpha 2-adrenergic receptor agonist, depressed patients, 21761
anpirtoline, light dark aversion & 5-HT receptor affinity, male mice, implications for anxiolytic-like potential of anpirtoline, 44679
antidepressant paroxetine radioligand measured 5-HT uptake sites in postmortem frontal & cingulate cortices & hypothalamus, 16–75 yr old suicide victims, 25888
antidepressants, 3H-cyanoimipramine binding in limbic & neocortical serotonin uptake sites, male rats, 32649
autoradiographic identification & characterization & localization of brain sigma receptors using 3H-Dup 734 binding, male guinea pigs, implications for pathogenesis of schizophrenia & other psychoses, 28510
basal forebrain lesions with vs without MDL 26,479, learning & cholinergic transmission & binding, rats, 44641
benzodiazepine binding sites in hippocampus, drug free violent suicide victims, 21945
benzyl vs ethyl vs methyl alcohol, flumazenil binding in cortex vs cerebellum vs striatum vs hippocampus vs hypothalamus vs brain stem, male mice, 32674
beta adrenergic receptor binding & adenylyl cyclase activity in lymphoblasts, patients with bipolar disorder, England, 37694
beta carboline action at benzodiazepine & GABA receptor sites & brain mapping research for anatomical localization, commentary on research review, 32620
beta carboline action at benzodiazepine & GABA receptor sites & convulsive or anxiogenic or memory effects & neurotransmitter system interaction, commentary on research review, 32455
beta carboline action at benzodiazepine & GABA receptor sites & convulsive or anxiogenic or memory effects & genetic determinism & animal model selection, commentary on research review, 32603
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & symmetry & genetics, commentary on research review, 32454
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & possibility of genetic determinism, commentary on research review, 32459
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & possibility of genetic determinism, reply to commentaries on research review, 32596
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & genetic analysis, commentary on research review, 32423
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & animal models, commentary on research review, 32609
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & possibility of genetic determinism, commentary on research review, 32615
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & possibility of genetic determinism, research review, 32595

beta carboline action at benzodiazepine & GABA receptor sites & dosage related learning or memory effects & possibility of genetic determinism, commentary on research review, 32439
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory & learning effects, commentary on research review, 32598
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory effects & possibility of genetic determinism, animals, commentary on research review, 32589
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory effects & animal models, commentary on research review, 32580
beta carboline action at benzodiazepine & GABA receptor sites & memory & anxiogenic & convulsant & learning effects & isolation of genetic link, commentary on research review, 32415
beta carboline action at benzodiazepine & GABA receptor sites & memory & learning effects & possibility of genetic determinism, 2 strains of mice, commentary on research review, 32654
beta carboline vs neurosteroid injection to nucleus basalis magnocellularis benzodiazepine receptor site, memory & role of GABA, rats, commentary on research review, 32416
binding activity of excitatory amino acid receptors vs spatial recognition ability, male rats with methylazoxymethanol induced forebrain microencephaly, 4628
binding characteristics of isoquinoline carboxamide derivative PK 11195 in blood & hematopoietic cells & peripheral type benzodiazepine receptor messenger RNA expression, adults, 20826
binding characteristics of Ro 15-4513 in postmortem cerebellar & frontal cortical membranes, alcoholic patients & alcohol preferring rats, 6062
binding of arginine vasopressin to human peripheral blood mononuclear cells, adults, implications for pathophysiology of autoimmune disorders, 20806
binding of serotonergic ligands to brain 5-HT1 & 5-HT2 & 5-HT3 receptors, alcohol preferring AA vs alcohol avoiding ANA male rats, 16558
bindings to glutamate & GABA uptake sites in postmortem basal ganglia, schizophrenic adults, implications for amino acid neurotransmission in pathophysiology of schizophrenia, 5897
blood brain barrier transport & protein binding of L-tryptophan & alpha-methyl-L-tryptophan, lithium chloride treated rats, implications for treatment of manic depressive psychosis, 21012
blood 5-HT, cortical synaptosomes & blood platelet 5-HT-2 receptor binding, 22–29 yr olds & epileptic 7–44 yr olds, Germany, 26266
brain 3H-imipramine & 3H-citalopram binding & serotonin innervation patterns, postmortem brains of 24–50 yr olds vs male rats, 24875
buspirone & other 5-HT receptor selective drugs, stimulus generalization, 1-3-trifluoromethylphenyl piperazine discriminating male rats, 20877
chlordiozepoxide, social & aggressive & escape & motor behavior & flumazenil binding & GABA receptor function, male mice selectively bred for low vs high aggression, 783
chlorpyrifos, cortical & striatal cholinesterase inhibition & muscarinic receptor binding & spontaneous or scopolamine induced motor activity, male rats, 12865
cholecystokinin receptor agonist devazepide, inhibition of 5-HT vs cholecystokinin induced anorexia, food deprived male rats, animal model of anorexia nervosa, 20850
chronic choline, CNS acetylcholine & norepinephrine & muscarinic receptor & alpha1 adrenoreceptor binding & behavior in staircase maze, male rats, 32671
chronic clozapine vs haloperidol, 5HT1C receptor binding in choroid plexus, male rats, 36816
chronic constriction injury of sciatic nerve, substance P binding sites in spinal cord, male rats, 20502
chronic diazepam, sensitivity of 5-HT receptors to zacopride & biguanide, male rats, 12729
chronic imipramine vs 1-amino-cyclopropanecarboxylic acid, ligand binding to NMDA receptor complex, male mice, 44696
chronic lithium, muscarinic receptor binding sites & phosphorylation of protein kinase C in hippocampus, rats, conference presentation, 8931
chronic low dosage ethanol, dopamine receptor binding & behavioral responsiveness to D1 & D2 agonists, male rats, 36821
circulating suppressing factor for muscarinic acetylcholine receptor binding, patients with vascular vs senile dementia of Alzheimer's type, conference presentation, 10375
clomipramine vs lithium vs carbamazepine vs valproic acid vs verapamil vs nifedipine, 3H-imipramine binding, adults, implications for 5-HT uptake & mood stabilizing effects, 36825
clozapine, brain dopamine neurochemistry & monoamine receptor activity & conditioned avoidance, rats, implications for antipsychotic drug therapy utility, 44739
clozapine vs classical neuroleptics, D1 & D2 dopamine receptor occupancy in basal ganglia & extrapyramidal syndromes, 18–49 yr olds with schizophrenic or schizophreniform disorder, 10675
clozapine vs haloperidol, D dopamine receptor occupancy in striatum vs olfactory tubercle, rats, letter, 8945
corticosterone, hippocampal excitatory amino acid binding, adrenalectomized male rats, 8878
CSF diazepam binding inhibitor immunoreactivity, patients with panic disorder, 21880
d-amphetamine discrimination, generalization to dopamine uptake inhibitor GBR 12909 & other dopamine agonists & antagonists, male rats, 21027
development of selectively active drugs for & physiological & biochemical role of 5-HT3 receptor in mammalian brain, 28662
distribution of central benzodiazepine binding sites in memory related structures involved in memory processes, postmortem brains of male 60–68 yr olds, 12507
D2 dopamine receptor function, long term abstinent alcoholic 45–74 yr old males, 41708
ECS, binding of isradipine or conotoxin to hippocampal voltage sensitive calcium channels, male rats, implications for antidepressant effect of ECT, 16538
ECS, serotonin 1A receptor binding in cerebral cortex & hippocampus & hypothalamus & 8-OH-DPAT induced hypothermia, male rats, 16584
embryonic through posthatch GVIA conotoxin bound to developing brain, GVIA conotoxin binding sites & calcium fluxes, chicks, 24844
enantiomeric cannabinoid pairs, discriminative stimulus effects & cannabimimetic activity, rats vs pigeons, 28724
enriched environment & active avoidance learning, muscarinic receptor binding & acetylcholinesterase & choline acetyltransferase activity, male vs female rats, 4614
ethanol, bradykinin & G proteins stimulated activation of phopholipase C & bradykinin receptor binding, hybrid mouse neuroblastoma & rat glioma cell line cultures, 16852
exam stress, body temperature & heart frequency & BP & plasma diazepam brain benzodiazepine binding inhibitor, 26–33 yr olds, Italy, 12700
excitatory amino acid agonists selective for separate glutamate binding sites, dipsogenic response, pigeons, 28667
extrastriatal haloperidol vs clozapine vs amphetamine, binding of 125I-epidepride to dopamine D2 receptors & binding site regulation, male rats, 717
fighting during stressful shock, binding of low affinity GABA-A receptor sites in cerebral cortex, male rats, 24664
flunitrazepam, anxiety & sedation & body temperature & feeding behavior & brain binding, Sprague Dawley vs Wistar vs Long Evans rat strains, 20952
flunitrazepam, in vivo binding of 3H-SCH 23390 in striatum, male mice, 12802
GABA agonist THIP vs baclofen, voluntary ethanol intake, rats, 12893
glutamate receptor number & affinity in hyperstriatum ventrale & archistriatal/lobus parolfactorius, memory encoding, imprinted vs nonimprinted chicks, 44408

glycine binding to NMDA receptor complex, postmortem brains of schizophrenic patients, letter, 17808
haloperidol & antipsychotic & neuroleptic drugs & sigma binding affinity, modulation of dopamine neuron activity in substantia nigra vs dystonial induction, male rats, 20927
hypothalamic neuropeptide Y vs antibodies vs fragments vs analogs vs agonists & Y/1 receptor variant mediation, eating behavior, satiated vs mildly food deprived male rats, 4623
imipramine, insulin specific binding to hypothalamic microsomes during forced swim test, rats, animal model of depression, 16859
imipramine with vs without phentolamine or methysergide or naloxone, antinociception & intrathecal substance P induced nociceptive behavior & spinal receptor binding, male mice, 716
impairment of serotonin binding to lymphocytes & monocytes, 21–45 yr olds with tension type headache, 22200
in vitro binding properties of dopamine agonists & antagonists cloned human dopamine D2S & D2L receptors vs D2 receptors in rat striatal & mesolimbic tissue, 36532
in vivo or in vitro desipramine, binding parameters for alpha2-adrenergic receptors & plasma catecholamines, depressed patients, Canada, 5851
intrastriatal volkensin lesions, receptor binding & cellular localization of 5-HT1A & 5-HT2 receptors in neocortex, rats, 557
intrathecal substance P, tailflick & paw pressure responses & desensitization & substance P binding in dorsal horn, male rats, implications for involvement of receptor-G protein complexes, 24902
intrinsic activity of dopamine agonists & antagonists, equilibrium binding of D1 antagonist ligand 3H-SCH 23390 in striatal membranes, rats, 12852
ip vs icv N6-cyclohexyladenosine vs ethanol, cross tolerance to ethanol induced motor incoordination & cerebellar receptor binding, ethanol tolerant male mice, 24869
ipsapirone, aggressive behavior & reactions to novelty & specific neural receptor binding, wild vs domesticated male rats, 4882
iv diazepam vs Ro 5-4864 vs clonazepam, 3H-Ro 5-4864 binding to mitochondrial membrane in cerebral cortex, male rats, 12767
lectins, L-alanine & L-arginine binding in taste plasma membrane in cutaneous taste system, channel catfish, 12517
linopirdine binding sites, neurotransmitter release & cognitive enhancement, male rats, implications for treatment of cognitive deficits in dementia, 552
lisuride, serotonergic & dopaminergic action & drug discrimination & radioligand binding to 5-HT & dopamine receptor subtypes, male rats, 4841
long term tacrine vs Ginkgo biloba extract, hippocampal high affinity choline uptake, aged rats, animal model of senile dementia, 24916
MDMA, long vs short term 5-HT2 receptor binding sites in frontal cortex, male rats, 20990
melatonin binding asymmetry in left habenular nucleus & receptor distribution in optic tectum, lizards, implications in neuronal visual information processing, 20597
methamphetamine vs diphenyl substituted piperazine derivative 3HGBR12935, striatal dopamine uptake, male rats, 28757
MK-801, NMDA receptor density vs maze performance impairment sensitivity, 3–4 vs 24–25 mo old rats, animal model of aging, 8915
monocular deprivation, postnatal development of cholinergic receptors & protein kinase C & dihydropyridine sensitive calcium antagonist binding in layers of visual cortex, rats, 28524
multiple somatostatin & its analogs, locomotor activity & receptor binding in nucleus accumbens, male rats, 44708
naltrexone & mu agonist hydromorphone vs pentazocine, physiological & subjective behavioral discrimination, male 22–36 yr olds, implications for kappa binding affinity, 28768
neurokinin-1 receptor antagonist sendide, neurokinin vs substance P induced & spinally mediated limb licking & biting & scratching, mice, 20983
neuropharmacologic receptor activity of clozapine, letter, 24993
NMDA vs kainate vs MK-801, ethanol inhibition of convulsions & righting reflex & myorelaxant activity & other behaviors & receptor binding during withdrawal, rats, 4774
nonsteroidal anti-inflammatory drugs, hyperalgesia mediated by spinal cyclooxygenase inhibition of substance P receptor vs spinal glutamate, rats, 8648
novel nicotinic agonist 1-acetyl-4-methylpiperazine, ligand binding & locomotor activity, male rats, 44622
olfactory bulbectomy with vs without trazodone vs imipramine vs amytriptyline, 5-HT 2 & 5-HT 1A receptor binding in frontal cortex & limbic structures & hypothalamus, male mice, 40583
ondansetron antagonism of 5-HT3 receptor during fluvoxamine treatment, antiobsessional response, patients with obsessive compulsive disorder, 22760
pentobarbital vs ethanol vs flunitrazepam, in vivo 3H-SCH 23390 receptor binding, mice, 12803
periaqueductal gray H/2 receptor antagonist tiotidine, morphine antinociception potentiation, male rats, 12797
plasma immunoglobulin induced inhibition of binding of serotonin agonist to hippocampal receptors, autistic children & their parents & siblings, conference presentation, 26042
platelet imipramine binding & aggression, female 20–58 yr old suicide attempters vs 27–63 yr olds with major depression, implications for 5-HT dysfunction, 41493
platelet imipramine binding during recovery, patients with major depression, 9808
postnatal GABA-transaminase inhibitor ethanolamine O-sulphate, GABA-A receptor binding & hypothalamic monoamines & alcohol intake & weight gain & open field & other behavior, male rats, 24990
prazosin vs imipramine & other antidepressants vs ECS, adrenoreceptor binding in hippocampus vs frontal cortex, male rats, 20874
prenatal cocaine, norepinephrine turnover & presynaptic & postsynaptic noradrenergic function in cerebellum & forebrain & midbrain, rats assessed from birth to young adulthood, 32698
prenatal diazepam, stressor induced GABA-A receptor function in cerebral cortex, 35 vs 70 day old vs adult rats, 36803
prenatal ethanol exposure, hippocampal ionotropic quisqualate & kainate receptors, rats, 12830
prenatal lorazepam, pentylenetetrazol induced convulsions in response to acute lorazepam vs inverse agonist, female mice, 32590
prenatal vs neonatal nicotine, hippocampal muscarinic receptor binding & hippocampus related performance on 8 arm & Morris water maze, mice, 21051
progesterone & dihydrotestosterone, androgen dependent sex behavior & morphology & in vitro binding of cystolic androgen receptors, male whiptail lizards, 44666
prolonged milnacipran, downregulation of adrenoceptors & uptake & accumulation of serotonin & noradrenaline, male rats, 12731
psychological stress controllability vs predictability, peripheral benzodiazepine receptors, male rats, 4587
raclopride binding sites in postmortem caudate & frontal cortex, schizophrenic 22–50 yr old violent suicide victims, 25837
repeated missile attacks during Persian Gulf War, platelet imipramine binding & plasma cortisol, 28–37 yr old civilians, Israel, 16706
respiridone induced 5-HT & dopamine receptor occupancy in brain, healthy male 35 & 40 yr olds, Sweden, implications for treatment of schizophrenia, 44697
ritanserin antagonism of 5-HT2 receptor during fluvoxamine treatment, antiobsessional response, patients with obsessive compulsive disorder, 22711
salts &/or guanine nucleotides with vs without substance P & its fragments, DAMGO binding to brain membranes, male mice, 44656
sera antibrain antibodies prevalence & binding, schizophrenic patients, 45505

sex, sensitivity to pentylenetetrazol induced seizures & GABA/A receptor binding, rats, 20897
sigma & 5-HT2 receptor antagonist DuP 734, receptor binding & electrophysiological & behavioral & neuropharmacological profile, male rats & guinea pigs, 24991
sleep deprivation, dopamine & opioid receptor binding & other biochemical & motor & behavioral responses, male rats, animal model of stress induced insomnia, 24672
social isolation, 3H-isradipine & conotoxin binding sites in frontal cortex & caudate nucleus & hippocampus, female rats, assessment of changes in L-type & N-type voltage sensitive calcium channels, 4574
SPECT in benzodiazepine & dopamine neuroreceptor imaging, conference presentation, clinical implications, 20540
spiroperidol, dopamine D2 receptor binding in various brain regions after active avoidance learning, male vs female rats, 16573
spiroperidol dopamine receptor binding & activity level & behavioral sensivity to bromocriptine, morphine tolerant vs abstinent male rats, 40659
stimulation by conspecific female, scent marking behavior & affinity & concentration of brain cytosolic androgen receptors, male gerbils, 562
structure & function & allosteric modulation of GABA type A receptor complex & identification of GABA active steroids, 12502
substance P antagonist CP-96,345, nociception & binding in spinal cord vs brain vs submandibular gland, male rats, 24677
swim stress induced changes in GABA receptor complex, 3H-flunitrazepam vs 3H-Ro 15-1788 vs 25S-butylbicyclophosphorothionate receptor binding, male mice, 40398
tandospirone & 1-(2-pyrimidinyl)-piperazine, brain uptake & receptor binding & open field activity, male mice, 12840
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary, 16591
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground discrimination, commentary, 16564
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary reply, 16539
test retest reliability of positron emission tomography analysis of age effects on raclopride binding & putamen to cerebellum ratios, healthy adults & schizophrenic patients, 9871
trace conditioning of nictitating membrane, binding in alpha-amino-3-hydroxy-5-methyl-4-isoxazole propionate subtype of glutamate receptors, male rabbits, 20591
U50,488H tolerance & abstinence, TRH receptor binding in spinal cord & brain regions, male rats, 12739
vitamin E deficient diet, hippocampal monoamine & 5-HT turnover, female rats, animal model of vitamin deficiency disorder, 44389
17 beta estradiol & tissue associated corticosteroid binding globulin, binding parameters of Type I vs Type II corticosteroid receptors in hippocampus, male vs female rats, 8678
3H-imipramine & 3H-paroxetine binding, assessment of platelet 5-HT uptake sites, depressed patients, 37696
3H spiperione binding capacity in mononuclear cells, 22–55 yr old probands with schizophrenia or schizoaffective disorders & their 1st & 2nd degree relatives, Germany, 41570
5-HT1-like receptor agonists vs antagonists, sleep wake patterns vs wakefulness, male rats, 4782
8-OH-DPAT, drug discrimination & generalization & hippocampal 5-HT-1A receptor binding, male rats, 757

Receptor Binding—Chapters

The pharmacology of cyclopyrrolone derivatives acting at the GABA[subscript]A/benzodiazepine receptor, 12920
Potential involvement of anxiety in the neurobiology of cocaine, 21066
Receptors and endogenous ligands: Implications for addiction, 9005

Receptors (Neural) [See Neural Receptors]

Recidivism—Serials

background & community intervention, recidivism rates, male 19–58 yr old batterers, 6025
behavioral & familial & biochemical factors & diagnosis, recidivism, 16–68 yr old males convicted of manslaughter or attempted manslaughter or arson, Finland, 1 mo to 9.5 yr followup, 10087
characteristics of recidivism, male aboriginal offenders, Canada, 18055
cognitive behavior modification based intensive treatment, recidivism rates, juvenile delinquents with severe psychological & behavioral problems in state facility, 2 yr followup, 23317
community & individual factors, adjustment to transition from institution to community life & recidivism, high risk 16–25 yr old parolees, 35078
completion of group therapy, rearrest rates & self reported drinking & drinking & driving, DWI offenders with vs without criminal history, 24 mo followup, 42998
driving records, recidivist & nonrecidivist DUI vs non-DUI drivers, 13942
employment & marital status, deterrent effect of police arrest on subsequent domestic violence, couples involved in domestic violence cases, 15826
group treatment program, institutional conduct & recidivism rates & social skills, male 15–18 yr old incarcerated juvenile offenders, 46972
house arrest vs residential community treatment center programs, postrelease recidivism, adult offenders, 1 yr followup, 35081
intensive case management approach to community drug treatment, recidivism & relapse, iv drug using 18 yr old & older parolees, 6 mo followup, 46974
long term group psychotherapy with vs without medroxy-progesterone acetate, relapse, male patients with paraphilic sexual disorders, longitudinal study, 18475
long term recidivism rates, male child molesters released from prison with vs without behavioral treatment, 1958–74, Canada, 45780
marital & employment status, legal arrest as deterrent to domestic violence, couples, Bayesian analysis of field experiments, 15820
marriage & family life, criminal behavior & recidivism, adults, literature review, 14029
maximum security therapeutic community program, recidivism, psychopathic vs nonpsychopathic mentally disordered offenders, 3140
MMPI excitatory vs special scales, assessment of personality & recidivism & crime severity & property & assault offenses, male 13–17 yr old offenders, 4091
moral development, male 21–55 yr old person vs property vs victimless 1st offenders vs recidivists, 10112
outpatient adolescent program for management of sexually inappropriate behavior, relapse, 13–17 yr olds with history of sex offenses, 6 mo followup, 19286
promotion of insight in sexual abuse treatment program, psychological growth & prevention of recidivism, incestuous fathers, 19294
psychodynamics of sex offenses, therapy with relatives & spouses & parents, sex offenders, recidivism at 2 yr followup, 19292
psychopathy & other criminal & clinical variables, prediction of general & violent criminal recidivism, schizophrenic vs nonschizophrenic offenders, 14023
recidivism & emotional problems & neuropsychological dysfunction, 11–17 yr old nonviolent juvenile offenders, 18058
recidivism following 5 Day Plan smoking cessation program, adults, Italy, 28–70 mo followup, 42956
recidivism, mentally ill offenders in community placement, Canada, 22041
recidivism of delinquency, learning disabled 8–12 yr olds assessed at age 17–20 & 23–26 yrs, Canada, longitudinal study, 45822
reconviction rates, 17–25 yr old inmates in probation day centers, 6118

revocation of driver's license according to administrative per se laws, drunk driving recidivism, offenders, 23945
self concept, prediction of recidivism, institutionalized male juvenile offenders, 45777
stake in conformity, effect of arrests on recidivism, male suspects in domestic battery cases, 15831
Recidivism—Chapters
The effectiveness issue: Assessing what works in the adult community corrections system, 15208
Intensive supervision programs for drug offenders, 15213
The relapse prevention model: Can it work with sex offenders?, 18503
Therapy versus penalty: An evaluation study, 23282
Reciprocity—Serials
attitude similarity & attraction, college students, test of similarity-attraction vs dissimilarity-repulsion hypotheses, 13447
kind of neighborly help, acceptance of money in repayment, neighborhood residents, England, 21512
low vs medium vs high intimate self disclosures, reciprocity, male vs female kindergartners vs 2nd vs 4th vs 6th graders, Canada, 1115
perceived social support & reciprocity, community living 70–99 yr olds, Canada, 21300
punishment or retribution, evolution of reciprocity & cooperation, social groups, 1355
reciprocating influence strategies in militarized interstate crises, countries, 25329
reciprocity within ego centered personal networks, loneliness & well being, female pregnant workers vs recent movers vs male nearing retirement, Netherlands, 5532
SES & reciprocal vs asymmetrical intergenerational aid, perceived quality of relationship with adult children, parents, 17351
sex & power, reciprocal vs unilateral topic transitions, physicians & patients, 14452
sex & reciprocity, friendship expectations & evaluation, 7th–8th graders, 28994
similarity & proximity, reciprocity & sex of friendship dyads, African American vs Caucasian 7th–8th graders, 9231
social reciprocity & HIV risk taking in injecting practices, iv drug users, 18038
soft vs tough reciprocity strategies & reward structure, cooperation in social dilemma in group public goods paradigm, college students, 37431
understanding of indebtedness as function of helper cost & relationship, 1st vs 3rd vs 5th graders, 1053
Reciprocity—Chapters
The dialectics and norms of self interest: Reciprocity among cross-siblings in a Sri Lankan Muslim community, 45103
Reciprocity of coercion and cooperation between individuals and nations, 41268
Some principles of equity in interpersonal exchanges, 25488
Recognition (Learning)—Serials
accompanying verbal interpretation, recall & recognition of ambiguous pictorial stimuli, good vs poor visualizers, 44138
accuracy of self vs observer's vs judge's prediction of recognition performance on general information recall questions, college students, 40165
Adaptive Resonance Theory neural model of cortical hippocampal interactions related to object recognition & memory, 35699
advance information with vs without suggestion of sexual theme, recall & recognition & interpretation of ambiguous written text as sexual, college students, 32131
age & familiarization with faces, recognition of new & previously shown & prototype faces, 3–6 yr olds, 40820
age & sex & automobile orientation, recognition memory for automobiles vs faces, 7–11 yr olds vs college students, England, 40807
age, activation of regional cerebral blood flow during object recognition vs spatial tasks, young adults vs elderly, erratum, 20531
age, object vs spatial recognition, 4–24 mo old male rats, 36297
age of acquisition vs phoneme length vs imageability vs prototypicality, object naming RT & recognition, college students, England, 16281
aging & memory task intertrial interval, place vs object recognition, 2 vs 18 mo old rats, 12354
arginine vasopressin & V1 receptor antagonist, social recognition, male castrated mice, implications for vasopressinergic neurotransmission involvement, 44584
associative relatedness & processing manipulation of target items, recognition & cued recall, college students, 28314
associative relatedness, retrieval vs familiarity based recognition & cued recall, college students, 44148
attention/likelihood theory & regulation of recognition memory, 40158
beta carboline-methyl beta carboline-3-carboxylate with vs without Ro 15-1788 in nucleus basalis magnocellularis, memory & recognition, rats, implications for etiology of Alzheimer's disease, 8941
calculation of probability mass functions of similarity & activation & echo intensity distribution in recognition memory, application of multiple trace model, 20141
caption meaning, recognition & recall of nonsense figures, college students, 20318
change in learning vs testing environmental context, recognition performance, college students, implications for global activation theories of recognition, 44158
cluster neural network, recognition of cursive script characters in context of oscillation theory of handwriting, 35707
coded block adaptive neural network system with radical partitioned structure, large volume Chinese character recognition, 15795
confidence in memory & verbal recall & character recognition of crime films, 20–35 vs 40–55 vs 60–75 yr olds, 17001
cued response speed accuracy trade off, relative judgment of recency & serial retrieval processes in short term recall of order information & RT, college students, 44153
database of published studies on recognition failure paradigm, experimental design & procedures, 1973–92, 40179
decision theoretic recognition system based on fuzzy set theory & approximate reasoning, 11812
direct vs indirect experience of events, immediate vs delayed free recall vs recognition of experiences, college students, 8370
dispersion interactions & hydrogen bonding & other chirality factors, odorant recognition, adults, 16123
distractor type, verbal recognition memory performance before vs after anterior temporal lobe resection, patients with left vs right unilateral temporal lobe epilepsy, 26331
EPs and other neural correlates of cross modal recognition memory, 8 mo olds, 32888
estradiol, social recognition, female ovariectomized rats, 44638
exposure duration & stroke number of characters, cerebral lateralization in processing of Chinese characters, college students, Hong Kong, 40130
expression of perceived & remembered visual areas in figure recognition & recall, college students, replication, 36080
facial parts, analytic vs holistic processing & recognition of discrete vs global emotional expressions, 4.8–5.6 vs 6.8–7.5 vs 18–62 yr olds, 9159
familiar vs novel nonsense syllables, left vs right frontal vs temporal vs parietal lobe auditory EP correlates of short & long term recognition memory, 14 mo olds, 17051
feed forward error back propagation artificial neural networks, recognition of interictal epileptiform EEG activity, patients with epilepsy, 22357
feeling of knowing, recognition & intonation & delays in answers to factual questions in conversational setting, college students, 28321
financial incentives, recognition memory performance on Rey Auditory Verbal Learning Test, patients with mild head trauma vs brain dysfunction, 24170
former mating partners, recognition & signalling & aggression & defense behavior, gonodactylid stomatopods, implications for chemical communication, 4488

fornix vs medial prefrontal lesions, delayed matching to sample performance & object recognition memory, male rats, 36558
generation effect in cued vs free recall & recognition, college students, test of generation enhancement vs interference hypothesis, 8339
hierarchical multilayered neural network with selective attention, recognition & segmentation of connected characters in cursive handwriting, 35702
high speed stimuli presentation, false recognition of prototype numbers & words in very short term memory, graduate students, 40190
hippocampal lesion, spatial continuous recognition & nonspatial memory tasks, male rats, 40376
hippocampal lesions, recognition of nonspatial delayed nonmatching to sample lists, male rats, implications for involvement in short term memory, 36560
immediate recall of names &/vs occupations in association with unfamiliar faces, college students, UK testing of serial access vs interactive activation & competition model of name recognition, 36249
infant habituation & recognition memory performance, IQ, 1–8 yr olds, meta analysis, 25143
interaction with vs actual vs distal cues from pups, olfactory bulb noradrenaline depletion induced pup recognition & other maternal behavior deficits, primiparous vs multiparous female mice, 20511
internote interval vs melodic contour, pattern recognition of short musical composition, musically trained vs untrained college students, implications for connectionist models of neural networks, 27842
inverted stimuli, recognition of unfamiliar faces vs natural handwriting, 19–72 yr old experts vs novices, replication, 12274
lesion of amygdaloid complex & hippocampal formation, visual recognition memory, newborn vs adult monkeys, implications for etiology of infantile amnesia, 36483
lesion of mediodorsal thalamic nucleus & presurgery task training, object recognition in delayed nonmatching to sample task, male rats, animal model of diencephalic amnesia, 44431
level of processing of visual vs auditory words vs pictures & masking of target vs lure, remember vs know judgments in recognition memory, college students, 40186
list strength effect during item recognition & retention, application of theory of distributed associative memory, 32216
living vs nonliving stimuli, visual recognition performance, 21 yr old male with presumptive herpes encephalitis, 6391
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary, 16342
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary reply, 16336
medial preoptic area injection of vasopressin vs oxytocin, social recognition facilitation, male rats, 40651
melodic vs verbal information learning vs delayed recognition, adults with left vs right temporal lobectomy, Canada, 10403
memory structure & type of argument in print advertisement, immediate vs delayed recall & recognition, 20–47 yr olds, 8347
model of decision making & memory comparison process & accuracy response latency in recognition memory, commentary reply, 8345
monocular vs binocular views of novel 3-dimensional shapes, recognition & representation in long term memory, college students, Canada, 12156
multidimensional scaling in dot pattern prototype distortion paradigm, classification & recognition, college students, 327
neural network controllers based on feedback error learning & modular architecture, recognition of manipulated objects by somatic &/or visual information, 47572
neurophysiological & EP concomitants of sense of familiarity vs conscious recollection in recognition memory, college students, 24708
nonrelevant stimuli preexposure duration, latent inhibition & recall & recognition, high vs low psychotic prone college students, Spain, 36229
novelty & exposure duration of multiple stimuli, response rate & long term retention, pigeons, 4458
number of intervening words & number & sex of talkers & same vs different voice, recognition memory for voices & repeated spoken words, adults, 20322
number of multiple category learning trials, recognition & classification of category prototypes, college students, 44146
object recognition memory in delayed nonmatching-to-sample task, male rats with ischemia induced damage to hippocampus, animal model of cerebral ischemia, 24724
olfactory bulb norepinephrine, preference for & identification & recognition of urinary chemical cues, male rats, 36514
physical context, recall or recognition of actions immediately after performance vs 24 hrs later, 18–29 vs 67–90 yr olds, 9183
physostigmine or scopolamine, object recognition & working memory on radial maze test, male rats, 20852
picture vs work presentation format & retention interval, repetitively primed picture naming & item recognition, language/learning disabled 4th graders, 10150
posterior vs anterior partial vs full commissurotomy, visual vs verbal recall vs recognition, 23–39 yr old patients, 22934
postsaccadic sensitivity to retinal input during picture scanning, visual recognition, Os, 36094
presentation of related events & retention interval, retroactive interference in matching recognition task, college students, 44134
priming, reproduction of & recognition memory for novel drawings, amnesic 53–73 yr olds, 6394
prior brief presentation of image, recognition in visual priming, college students, 12148
prior inspection memory & attention & imagery, perceptual recognition of ambiguous figures, college students, 43975
prior knowledge of repetition location, detection of letter repetition in words vs nonwords, college students, 36236
prior orienting & processing of name for imagery vs sound, recognition of old vs new famous vs nonfamous names, college students, 8287
prosodic structure, sentence meaning & recognition, college students, 40126
rapid presentation of stimuli, electrical response to recognizable vs unrecognizable images, English- vs Chinese-speaking adults, 8723
recall & recognition memory for typical vs atypical actions in script based stories, preschoolers vs 1st graders, 28908
recall & recognition memory, male 23 yr old with short term phonological memory deficit, 46038
recognition & production of familiar emotional facial expressions, demented 63–89 yr olds, 26343
recognition memory & fame judgment effect, amnesic 48–75 yr olds, 46097
recognition memory, adolescents & adults with misidentification delusions or other psychosis, Greece & France & UK, 1719
recognition of novel vs familiar visual stimuli, inferior temporal cortical cell activity during delayed matching to sample task, rhesus monkeys, 44484
rehearsal, word frequency effect in recognition memory, college students, 4381
releaser induced recognition learning model, molluscs, literature review, 459
scopolamine, recall for stimulus & reward associations vs recognition memory, monkeys, 44568
scopolamine, recognition memory & inferior temporal neuron activity during delayed matching to sample task, monkeys, 36836
semantic vs rhyme cues, recognition vs cued recall, college students, 44147
short term recognition memory & matching to sample deficits, patients with senile dementia of Alzheimer's vs Lewy body type, 14343
social recall vs recognition of rememberers vs target Ss, female college students, 4370

stimulus familiarity & local vs global context, recognition memory for faces, college students, 36228
structural information processing deficit & feature attentional strategy use in object recognition, female 58 yr old with Alzheimer's disease & visual agnosia, case report, England, 22406
structure & cluster of word lists, recall & recognition memory, depressed adults, 29601
substance use, recognition memory for health warning labels on cigarettes & smokeless tobacco & alcohol, college students, 25453
syllable vs word vs sentence context of target nonsense syllable, spoken language comprehension & syllable recognition in real time, French speaking aphasic 32–68 yr olds, France, 14329
task determined strategies during lateral masking, tachistoscopic letter recognition, severely dyslexic vs nondyslexic English vs Hebrew 18–58 yr old readers, 22101
test item identification & manipulation, recognition memory, college students, 20316
textons & priming, delayed vs immediate object recognition & discrimination & pop out effects, infants, 13067
tone pattern frequency vs intensity vs duration vs serial position, short term acoustic recognition memory, 23–41 yr olds, 24466
unsupervised biologically motivated feature extraction neural networks, 3-dimensional object recognition, 39645
validity of Max coding formulas & recognition & rating of muscle actions corresponding to emotions of infant vs adult facial expressions, naive graduate students, 9582
vasopressin neuropeptides, social recognition, adult male rats, 40670
verbal rehearsal, visual recognition, 1st graders, 28923
viewpoint orientation in object recognition, implications for perceptual constancy, 43989
visual illustrations vs imagery instruction, recognition vs recall measured use of imagery, college students, 16343
visual object recognition & mental imagery, male 33 yr old with head injury induced visual agnosia, Canada, case report, 14279
visual perception & recognition of pictorial stimuli & memory, patients with associative visual agnosia, 14426
visual recognition in tachistoscopic picture confrontation naming task, 17–81 yr olds with right brain damage, 26268
visual vs other modalities & verbal semantic category specific recognition impairment for animals & food, 19 yr old female with herpes simplex encephalitis infection, 34232
visual vs tactual response modality, haptic recognition, 5.6–7.8 yr olds with vs without specific language impairment, 26133
vomerectomy vs castration, sensitivity of social recognition to vasopressin receptor antagonism, male rats, 44382
width of overlying & flanking mask contours with words vs letters, recognition of letters in words vs isolated, adults, 40170
z scores on continuous recognition memory tests, fulfillment of assumptions of theory of signal detection, 18–30 yr olds, implications for assessment of brain disordered patients, 4110
1 trial object & spatial recognition tests & radial arm maze, neurobiological study of memory, male rats, 24670

Recognition (Learning)—Chapters

ARTMAP: Supervised real-time learning and classification of nonstationary data by a self-organizing neural network, 47589
The breakdown approach to visual perception: Neuropsychological studies of object recognition, 44455
Developing and characterizing multidimensional Thurstone and Luce models for identification and preference, 204
Exemplar-based approach to relating categorization, identification, and recognition, 342
Face memory—theory and practice, 32238
A model to support development of situation assessment aids, 36214
Uniting identification, similarity and preference: General recognition theory, 383

Reconstructive Psychotherapy [See Psychotherapy]
Recorders (Tape) [See Tape Recorders]

Recovery (Disorders)—Serials

abstinence from bingeing & purging, treatment response & long term outcome, females with bulimia nervosa, 2 yr followup, 2079
acknowledgment of past child sexual abuse, recovery, male 16 yr old & female 28 yr old in substance abuse rehabilitation facility, 23232
age, treatment program use & recovery rate, 18–65 yr old & older problem drinkers arrested for DWI, 11109
anagraphical & neurological prognostic factors in recovery from & therapy for aphasia, literature review, 30162
anatomical location of cerebral infarct, recovery, adults & elderly with post-ischemic-stroke global aphasia, Portugal, 30183
beliefs about competence of recovering vs nondependent counselors, chemical dependency agency directors & clinical supervisors, 19202
cerebral hemispheric asymmetry, prediction of language recovery, aphasic male 46–84 yr olds, 1 yr study, 34151
changes in kinematic characteristics & coordination of hip & knee joints in standing up during recovery, 48–75 yr olds with hemiplegia due to stroke, 30156
chronicity & psychopathology, probability of & time to recovery, patients with major depressive disorder, 5 yr followup, 5829
clinical characteristics & recovery, male 56 yr old with post-stroke jargonaphasia & jargonagraphia, case report, longitudinal study, 30244
cognitive behavioral self regulation strategies, recovery from medical illness, 20–71 yr olds, 10794
community support system & rehabilitation in recovery oriented mental health service system, patients with severe mental illness, 46756
conceptual models of recovery experiences & development of identity & serenity in homophobic society, alcoholic lesbian females, health care implications, 33834
concordance between self report & clinical rating scales of depression during recovery, outpatients with major depression, Spain, 28018
defense & coping strategies in development & recovery, autistic savant 43 yr old female with PhD, case report, 29947
demographic & illness & treatment factors, adjustment & coping, young adult survivors of childhood cancer, Sweden, 26253
development of Visual Neglect Recovery Index, patients with right vs left hemisphere acute stroke & visual neglect, 0–6 mo followups, 135
developmental tasks in family recovery & therapeutic methods, families with addicted member, 10558
drawing of fish pictures following recovery from depression, 34–66 yr olds with major or bipolar depression, 45432
duration of posttraumatic amnesia, everyday memory following recovery, brain injured patients, Australia, 30190
EEG alpha & theta brain wave & thermal biofeedback training, personality factors & EEG amplitude & craving & other clinical factors, 39 yr old recovering alcoholic male, 7216
effective psychotherapeutic approaches, alcoholic patients in recovery, 35037
experiences with & perception of & recommendations for treatment, recovering alcoholic 13–73 yr olds, 35013
experiential therapy weekend workshop, gay males & lesbian females in Stage II of addiction recovery, 34458
factors & strategies in self recovery without formal treatment, abstinent vs nonabstinent adults with resolved vs unresolved alcohol problems, Canada, 46943
factors in prognosis & recovery, brain damaged 1.5–15 yr olds with acquired aphasia, longitudinal study, 30217
feminist perspective on recovery in occupational therapy, 15173
framework for caregiver work during patient recovery, adult cardiac surgery patients & their primary family caregivers, 2969
fresh start &/vs anchoring events, recovery or clinical improvement, female adults with anxiety vs depressive disorders, England, 1587
goal setting & responsibility in alcoholism recovery, 35040

images of & experiences in recovery through Alcoholics Anonymous & other resources, lesbian adults with alcohol problems, 35018
imaginal & sensory & cognitive experiences in spontaneous recovery without treatment, alcoholic patients, 26024
individual differences in cognitive behavioral therapy homework compliance, recovery, depressed patients, 10527
lesion size & structural involvement & initial severity, 50–83 yr olds with poststroke Wernicke's aphasia with poor vs good vs moderate recovery of comprehension & total language, 26304
model of identity transformation, recovering alcoholic lesbian 30–45 yr olds, 35031
mood congruence vs incongruence of psychotic features, prediction of illness outcome, 17 yr olds & older with bipolar disorder assessed after recovery from manic episode, 6–48 mo followups, 13749
need for consensus definitions of remission & recovery, depressed patients, letter, 37709
need to broaden view of recovery from tobacco dependence, 45721
neurological basis of coma & Doman Delacato sensory stimulation method of coma arousal, 2258
normal vs excessive premorbid body weight & energy intake during hospital treatment, increase of body mass, female 15–35 yr olds with anorexia nervosa, Canada, 46888
optimism & sense of coherence, recovery & psychological well being following elective joint replacement surgery, adults, New Zealand, 22897
personal account of treatment & recovery & comorbid alcoholism & depression, schizophrenic 46 yr old female, 13798
platelet imipramine binding during recovery, patients with major depression, 9808
posttreatment medical care utilization as indicator of recovery status, alcoholic or drug addicted 25–82 yr olds in rehabilitation, followup study, 27139
preoperation preparation, immediate preoperative & postoperative behavior & recovery, 2–10 yr old surgical outpatients, conference presentation, 2817
psychiatric morbidity, outcome, patients with myocardial infarctions, 3 & 12 mo followups, 14269
psychoanalytic interpretation of blackouts as repression & efficacy of 12 step recovery process, alcoholics in Alcoholics Anonymous, 35033
psychotherapy vs no treatment, recovery, neurotic patients, reprint, 6492
recall of drinking & events surrounding natural recovery, former problem drinkers, 2 mo followup, 1900
recovery & antidepressant treatment, 80 yr old male with protracted depression, letter, 14676
recovery & codependency & other issues in family therapy, drug dependent clients, 30999
recovery & relapse rates, 60 yr olds & older with major depressive disorder, 1 yr followup, 13721
recovery following ECT, depressed inpatients, 46550
recovery from acute myocardial infarction as assessed by heart rate & anxiety & anger & denial & depression, male patients, 6 mo followup, 38197
role of left & right hemispheres in recovery, aphasic patients with standard language lateralization, research review, 30169
self understanding & recovery, adults with self defined nervous breakdowns, counseling implications, 41500
sex, recovery from myocardial infarction & medical care & social support & caregiving assistance, 43–87 yr olds, 1 yr study, 42024
social relationships with female mates, 25–38 yr old current vs recovered heroin addicted males, 45733
social support, recovery from coronary bypass surgery & emotional & functional outcome, 33–80 yr old patients & their 28–82 yr old spouses, 1 yr followup, 22923
stress recovery unit, 19–41 yr old Army soldiers in Persian Gulf War, 1991, 7051
surgery & CNS irradiation, language recovery, 5.8–10.5 yr olds with posterior fossa medulloblastoma, 30631
temporoparietal regional glucose metabolism, recovery of language comprehension, aphasic male patients, followup, 30223
theoretical model of behavior stages & goal setting in recovery, spouses or couples with alcoholic partner attending chemical dependency unit, 15138
type & severity of aphasia & size of ischemic lesion of left hemisphere, chances of spontaneous language recovery, poststroke aphasic 46–79 yr olds, Italy, followups, 30220
type of assistance & social support, recovery from hip fractures, 65–94 yr old females, 6252

Recovery (Disorders)—Books

Addictionary: A primer of recovery terms and concepts from abstinence to withdrawal. A Fireside/Parkside recovery book, 14473
The chemically dependent: Phases of treatment and recovery, 15144
Recovery from brain damage: Reflections and directions. Advances in experimental medicine and biology, Vol. 325, 36590

Recovery (Disorders)—Chapters

The cultural context of sex and love addiction recovery, 33817
Environmental approaches to recovery of function from brain damage: A review of animal studies (1981 to 1991), 36595
A life-span perspective on natural recovery (self-change) from alcohol problems, 37976
Mechanisms underlying recovery from cortical injury: Reflections on progress and directions for the future, 38312
Monitoring recovery from acute psychosis, 13815
Neural transplantation and recovery of function: Animal studies, 36594
Recovery from cocaine/crack abuse: A follow-up of applicants for treatment, 15152
Recovery from head trauma: A curvilinear process?, 18263
Recovery of function: Nutritional factors, 38304
Research on recovery: Ends and means, 38318
Social skills training for suburban substance-abusing adolescents: Pilot recovery group, 19242
Spontaneous remission of addiction, 1959
Traumatic brain injured: Transitional stages of inpatient recovery, 38319
Traumatic brain injury: Outcome and predictors of outcome, 18437
Visual perception, 22462
A 12-step recovery program for victims of traumatic events, 46585

Recreation [See Also Athletic Participation, Baseball, Basketball, Childhood Play Behavior, Clubs (Social Organizations), Dance, Doll Play, Football, Gambling, Judo, Sports, Summer Camps (Recreation), Swimming, Television Viewing, Tennis, Traveling, Vacationing]—Serials

acculturation & structural assimilation, outdoor recreation patterns, Mexican Americans, 31622
age & sex & skill level & experience & expenditures, commitment & ego involvement in recreational tennis, players, 27748
age, reestablishment of orientation when lost, male 16–83 yr old recreational hunters, Canada, 9155
ancestral & generational & acculturational differences, outdoor recreation experiences & forest use, Hispanics, 31621
anthropological interest in play & role of C. Geertz's work on deep play, commentary, 5336
asphyxia & postmortem features, 23 yr old male killed while elevator surfing, case report, 2144
Balinese cockfighting & deep play & sport as societal metaphor, commentary, 5335
Balinese cockfighting as morally controversial leisure activity vs deep play in work of C. Geertz, commentary, 5342
children's participation & play & action in family therapy, family members, 46344
cluster vs alternative analyses of patterns of leisure constraints, adults, Canada, 39545
constraints & barriers associated with downhill skiing & translation of latent demand market, nonskiers, 19779
construct validity of post hoc vs real time satisfaction of hike experience, adult day hikers, 11734

cooperative learning strategies in integrated recreational activities, children with & without severe disabilities, 23638
correlates of leisure identity salience, college students & participants in serious leisure activities, 15728
ethnographic understanding of deep play & significance in vs outside of anthropology, commentary, 5354
expectations of types of use & users in wildland/urban interface settings, picnic users, 31623
frequency & location of play & video game preference, male vs female 7th–8th graders, 29015
leisure or campus recreation & demographic variables, perceived academic stress & leisure satisfaction, college students, 35415
leisure related attitudes & behaviors, college students with recreation vs nonrecreation majors, 27552
literary style & role of culture & significance of work on deep play by C. Geertz, commentary, 5352
mental attitude & stress & leisure as mechanisms of adaptation to environment, 43529
nonwork participation, work attitudes & commitment & satisfaction, 23–64 yr old business school alumni, implications for personal resources models, 7645
participation in structured recreational activities, agitation, 71–92 yr old nursing home residents with Alzheimer's disease, 23113
past experience & commitment & life style, recreation specialization, river users, 7720
past experience & commitment & media involvement & club membership & hunting style, preference for easy vs challenging hunt, goose hunters, 11731
perceived crowding, cognitive coping strategies & intrasite displacement & discontinued participation, boaters, 15725
perceptions of constraints to organized recreational activity participation, 5th–8th graders, 40915
perceptions of influence of parents or significant other adults or peers on participation in organized recreation activities, 5th–8th graders, 37125
perspectives on meaning & provision of hedonic experiences during river rafting trips, guides & consumers, 47460
positive & negative nonwork to work spillover & coping strategies, male vs female managers, 47379
preferences & motives for drug usage vs recreation as pleasure & leisure time activities, 14–19 yr olds, 25202
program & cost information & outcome messages associated with paying fees for hypothetical aerobics program & activity involvement, reference prices, 17–40 yr olds, 47467
recreation substitutability research, recreation management implications, 35627
recreational programs, components of self esteem, male prison inmates, 31068
role of individual tolerance in goal interference model of recreational conflict, motorboaters vs canoeists, 15724
seasonal variation in leisure time physical activity, adults, Scotland, 43530
sensation seeking, 26–60 yr old members of whitewater canoe & kayak club, 39542
SES & extent & nature of & attitudes toward parent involvement in child playgroups, playgroup leaders & parents of under 5 yr olds, UK, 33129
SES vs ethnic vs educational background vs age vs household structure, prediction of pattern of equity preferences for allocation of recreation resources, adult Californians, 11730
sex & age & temperament & school recess timing & duration, playground behavior, preschool & kindergarten & elementary school students, developmental implications, 39230
social networks perspective on structural aspects of tourism & recreation experiences & tourist behavior, 19777
textuality & ethnography of play in chess, 7717
validity of hierarchical conjoint analysis models, prediction of recreation destination choice, adult recreationists, Netherlands, 11732
vocational & recreational interests & talents, 29–55 yr old twin pairs reared together vs apart, 44371

Recreation [See Also Athletic Participation, Baseball, Basketball, Childhood Play Behavior, Clubs (Social Organizations), Dance, Doll Play, Football, Gambling, Judo, Sports, Summer Camps (Recreation), Swimming, Television Viewing, Tennis, Traveling, Vacationing]—Books
Emerging visions of the aesthetic process: Psychology, semiology, and philosophy, 25045

Recreation [See Also Athletic Participation, Baseball, Basketball, Childhood Play Behavior, Clubs (Social Organizations), Dance, Doll Play, Football, Gambling, Judo, Sports, Summer Camps (Recreation), Swimming, Television Viewing, Tennis, Traveling, Vacationing]—Chapters
Attachment formation, 46269
Human–nature relationships: Leisure environments and natural settings, 35633
Leisure participation and life satisfaction of older adults with mental retardation and Down syndrome, 38048
The personal component in playing interfaces, 27750
Play and positive emotion, 46244
Recreation and leisure lifestyle changes, 31625
Recreational interventions, 30859
Sport and leisure: The not-so-hidden curriculum?, 3411

Recreation Areas [See Also Playgrounds]—Serials
density & perceived crowding of recreation experience, expectations & preferences for density & perceived crowding of subsequent environment, 14 yr olds & older, 35626
economic benefits of internal parks & private vs public open space value, subdivision homeowners, 47532
planning & goals of amusement park outing, hospitalized ventilator dependent 2.8–9.3 yr olds & parents & hospital staff & volunteers, 19154
SES vs ethnic vs educational background vs age vs household structure, prediction of pattern of equity preferences for allocation of recreation resources, adult Californians, 11730
subculture vs marginality vs perceived discrimination & effects of assimilation on social distance, use of public outdoor recreation areas, Mexican Americans, 47463
time of day & number of people present, perception of outdoor public scenes photographs, male vs female 18–25 yr olds, 35650
utility of token allocation approach, valuation of environmental attributes of commercial forest districts, recreational visitors, Great Britain, 47461

Recreation Therapy [See Also Art Therapy, Dance Therapy, Music Therapy]—Serials
aerobic vs nonaerobic exercise, aerobic fitness & depression level, patients with schizophrenia or major affective disorders in psychiatric rehabilitation program, 46906
age & length of stay & previous admission, rating of music vs art vs recreation vs traditional therapy vs overall care during hospitalization, 21–73 yr old psychiatric patients, 38956
application of reversal theory to drama therapy, 46591
countertransference & intersubjective relatedness & symbiotic mode of object relating, psychoanalytically oriented movement therapists & their adult regressed patients, 22637
creative arts therapies in transference & countertransference relationships, 22834
death awareness & leisure education & linkage to therapeutic recreation profession, 42530
intensive therapeutic recreation services, male 20 & 26 & 32 & 45 yr olds & female 48 yr old with injuries from car accidents or heart attack with brain injury, 42560
movement & creative response & group processing in authentic movement, creative expression through kinesthetic experience, adults, 30409
multidisciplinary expressive therapeutic day treatment program for countering destructive societal values, anorexic 15–30 yr old females, 26829
need for understanding of counseling psychology strategies for effective counseling interventions in therapeutic recreation setting, recreation therapists & their elderly clients, 38347
planning & goals of amusement park outing, hospitalized ventilator dependent 2.8–9.3 yr olds & parents & hospital staff & volunteers, 19154

psychosocial issues, therapeutic recreation specialists working with patients with AIDS, 43097
subsistence salmon fishing & psychosocial rehabilitation, community normalization & integration, Community Support Program Annex clients with long term mental illness, 46907
therapeutic group activities, patients with Alzheimer's disease & their families, 42570
use of "Hansel and Gretel" story in drama role therapy training group, 30 yr old daughter of alcoholic father & graduate students, 18822
Recreation Therapy [See Also Art Therapy, Dance Therapy, Music Therapy]—Chapters
Dance/movement group therapy with multiple personality disorder patients, 30562
Recreational Day Camps [See Summer Camps (Recreation)]
Recruitment (Military) [See Military Recruitment]
Recruitment (Personnel) [See Personnel Recruitment]
Recruitment (Teachers) [See Teacher Recruitment]
Red Nucleus [See Mesencephalon]
Reductionism—Serials
biological reductionism vs J. P. Sartre's vs Freud's vs S. A. Kierkegaard's conceptualizations & legal implications of anxiety, 27 & 28 & 42 yr old males with anxiety, 9891
reductionist & psychoanalytic & psychosomatic approaches to patient management, conference presentation, 2733
reductionist vs dualist vs perceptual processing theory of relation of consciousness states to brain & physical world, commentary, 8395
reductionist vs dualist vs perceptual processing theory of relation of consciousness to brain & physical world, commentary, 8406
reductionist vs dualist vs perceptual processing theory of relation of consciousness to brain & physical world, commentary reply, 8403
reductionist vs dualist vs perceptual processing theory of relation of consciousness states to brain & physical world, commentary reply, 8404
reductionist vs dualist vs perceptual processing theory of relation of consciousness to brain & physical world, commentary, 8399
reductionist vs sociolinguistic theory of language based on speech style vs social behavior, conference presentation, 16923
roots of modern psychology in T. Hobbes & consequences of psychological reductionism & moral relativism, 3
Reductionism—Chapters
Reductionism is a dead-end in speech research: Perspectives on a new direction, 40764
Reemployment—Serials
continuous unemployment vs re-employment & economic stress, perceptions of social support, displaced workers, 43455
covariance structure analysis of attribution model for involuntary job loss & prediction of employment status, 27–60 yr old manufacturing employees, 1.5 yr followup, 39420
demographics & injury type & pain severity, prediction of return to work by rehabilitation professionals, patients in work hardening rehabilitation program, 19273
isokinetic strength testing & learning effect during work reentry program, torque output & fear of reinjury, male 44 yr old with low back pain, 19261
reemployment & mental & physical disorders, long term unemployed adults, Norway, 2 yr followup, 33471
research & practice heuristic for work disability & return to work process based on biomechanical & biomedical & psychosocial framework, 19259
self efficacy training, job search activity & reemployment, unemployed vocational workers, 39415
systems & S & modulating factors, return to work, injured employees, 3127
unemployment vs employment & reemployment, mental well being, male vs female industrial job seekers, Finland, followup, 23695
Reentry Students—Serials
instructional games vs established teaching methods, motivation & performance, reentry vs other college students, 15386
number & type of course hours, classroom & home study time & GPA, nontraditional male college students, 7450
rites of passage, female reentry students, 3511
teacher communication style, teacher effectiveness, traditional vs nontraditional college students, 19554
Referral (Professional) [See Professional Referral]
Referral (Self) [See Self Referral]
Reflectiveness [See Impulsiveness]
Reflexes [See Also Acoustic Reflex, Eyeblink Reflex, Flexion Reflex, Nystagmus, Ocular Accommodation, Startle Reflex, Yawning]—Serials
afferent & efferent & central functions of consciousness & reflex model, implications for psychopathology, 563
aging & life span, spontaneous locomotor behavior & habituation in mechanosensory reflex, young vs older nematodes, 36621
appearance & maturation of various sensorimotor reflexes, young & adult Mongolian gerbils, correlation with development of spinal & neuroanatomical regions modulating sensorimotor behaviors, 28491
aversive stimulation, spinal motor reflex & vocalization threshold UCRs support of avoidance conditioning, female rats, test of epicritic sensory & protopathic emotive system interrelation, 40236
bilateral lesion of cerebral buccal connectives, appetitive & consummatory feeding behavior & righting reflex, Aplysia californica, 8669
body sway induced postural disturbance, disequilibrium RT & long loop stretch reflex, 21–68 yr olds with hemiplegia, 10351
bulbocavernosus, penile reflex, rats, 4604
diazepam vs thiopental, vestibular ocular reflex gain & time constant, 22–38 yr olds, 28761
electrical stimulation of lip vermilion, mechanically evoked perioral reflex of lower face muscles & EMG aspects of sensorimotor integration, infants, 21163
electrical stimulation of lips, temporalis muscle suppression as assessment of pain control system, patients with chronic pain vs chronic tension type headache, 26217
electrocutaneous avoidance conditioning, heart rate & conditioned vs intertrial motor reactions, dogs, translated article, 4708
features used in speech recognition & changes due to Lombard reflex & effect on intelligibility, male vs female adults, France & US, implications for automatic speech recognition, 36116
fixation distance & convergence condition & fast adaptation to lenses, compensatory eye movements & gain of vestibulo-ocular reflex during head rotation, 18–21 yr olds, 4674
intrafloccular carbachol vs betanechol vs narcotic agonist DMPP, optokinetic & vestibulo-ocular reflex, rabbits, 24992
intrathecal bombesin vs neuromedin C vs neuromedin B, tail flick reflex RT, male rats, 4772
Kantian influence in T. Laycock's writings on mental physiology & cerebral cortex, 19th century, 20556
low threshold mechanical stimulation, cutaneous reflex responses in jaw closing system, 4–6 vs 7–8 yr olds with disordered speech, 14144
maternal protein malnutrition &/vs cortisol during pregnancy & lactation, reflexological development, rat pups, 20704
mechanical vs electrical stimulation of tibial nerve, H-reflex recovery & cross spinal segmental inputs on triceps surae motoneuron excitability, college students, 8714
neural network model of inhibitory information processing in siphon withdrawal reflex, Aplysia, 35697
nicotine in brain stem hyperalgesic system & thermal stimulus intensity, thermally evoked tail avoidance reflexes, female rats, 20873
nitrous oxide inert gas narcosis, vestibular ocular reflex, 22–35 yr olds, 44510
noxious heating of tail vs electroacupuncture vs transcutaneous electrical nerve stimulation, tail flick & evoked spinal nociceptive response, female rats, 12621
perinatal development of spontaneous body movement & reflexes, Slc:ICR vs C3H/He vs BALB/c mice observed day 18–21.5 of gestation, 24600

procyclidine vs levodopa, audiospinal facilitation reflecting functional changes in reticular nuclei, 51–75 yr olds with Parkinson's disease, 26882
reflex modification vs auditory brain stem response, neonates at risk for sensorineural deficits, 2344
reflex tics, patients with Gilles de la Tourette syndrome, case reports, 14290
reflexive connection between frontal muscle tension & voluntary control of airway resistance, asthmatic 19–66 yr olds in respiratory resistance biofeedback treatment, 22865
role of conditioned reflex physiology in hypnosis & hypnotic psychotherapy, reprint, 22821
rotational vs caloric stimulation & adaptation, vestibular ocular reflex changes, 7–81 yr olds, 28876
subanesthetic nitrous oxide narcosis, voluntary nonvisual suppression of vestibulo ocular reflex gain, 23–34 yr olds, 4888
synaptic changes in neural network & memory processes in nonassociative conditioning of bending reflexes, leeches, implications for engramic distribution model, 40387
tail flick vs other nociceptive stimulation with or without morphine, behavioral tolerance of tail flick reflex, male rats with vs without spinal transections, 675
tailshock elicited tailflick withdrawal reflex, intact vs spinally transected female rats, 24652
trained movement with lever in response to light stimulus, motivation & reinforcement during performance of simple instrumental reflex, monkeys, 12362
5-HT-1A vs 5-HT-1B agonists, spinal nociceptive thresholds & withdrawal reflexes, male rats with spinal transection, 740

Reflexes [See Also Acoustic Reflex, Eyeblink Reflex, Flexion Reflex, Nystagmus, Ocular Accommodation, Startle Reflex, Yawning]—Chapters

On the role of substance P, galanin, vasoactive intestinal peptide, and calcitonin gene-related peptide in mediation of spinal reflex excitability in rats with intact and sectioned peripheral nerves, 24750
Remote facilitation of H-reflex during voluntary contraction of orofacial and limb muscles, 24737

Refraction Errors [See Myopia]

Reframing [See Paradoxical Techniques]

Refugees—Serials

age & ethnicity, adjustment, 20–55 yr old & older Chinese Vietnamese vs Laotian vs Vietnamese refugees, US, 5356
anti-Semitism & other oppressive experiences under totalitarian rule, female Jewish Soviet refugees, 25324
childhood war & 1st yr resettlement experiences & stressful events & PTSD or depression, adolescent & adult Cambodian refugees, US, 25696
childhood war trauma & malnutrition & PTSD, cognitive ability & acquisition of English language skills, Cambodian Khmer adolescent refugees, 45550
childhood war trauma during Pol Pot regime, PTSD & depression & other psychiatric diagnoses & symptoms, Cambodian refugee young adults, followup, 33545
contextual family therapy model, multiple levels of trauma & distress, survivors of Cambodian holocaust, 26599
coping styles & interaction, exiled mothers & their children, Sweden, 25372
critical incidents, psychology students working in camp for Mozambican war child refugees, Malawi, implications for counseling curriculum, 42771
cultural influences in approaches & responses to psychotherapy, South American vs Indochinese refugee survivors of torture & trauma, 6510
cultural socioeconomic transition during migration & family relations, female Afghan refugees, implications for mental health workers, 25330
cultural transformation of family & acculturation, elderly Southeast Asian refugees & families, 17298
emotional trauma experienced while seeking political asylum, refugees, implications for mental health practitioners, 25331
empowerment & transformation of refugee identity, Christian Palestinian & other females in "intifada", West Bank & Gaza Strip, 25333
feminist practice & migration experiences, female Cambodian refugee & her mental health workers, 27018
group therapy vs daily living skills training, well being & visual acuity, female 47–63 yr old Cambodian refugees with psychosomatic blindness, 26480
health & social problems, refugees, UK, 5300
issues in health & social problems, refugees, 5306
issues in multidisciplinary & specific treatment of trauma from political torture, culturally diverse female refugees living in exile, 26379
markers of successful aging, female 18–93 yr old Vietnamese refugees, 25318
mental heath promotion program development, South East Asian refugees, US, 38809
mental illness & help seeking behavior concerning mental health care, Mariel Cuban & Haitian refugees in Florida, 27014
patterns of psychological distress & PTSD symptoms & community based treatment program, female refugees, El Salvador, 26421
physical & psychological & other symptoms, 15–65 yr old Southeast Asian refugees, US, 1527
physical & social & cultural environment of posttraumatic recovery & political activism, Guatemalan females in refugee camps, Mexico, 25416
premigration trauma events & refugee camp experiences & yrs in US as predictors of psychological distress, 18–68 yr old Cambodian vs Laotian vs Vietnamese refugees, 37262
prevalence & correlates of DSM-III-R disorders, Vietnamese vs Chinese refugees, 21702
psychological resettlement stages & model for psychotherapy, Latin American & other refugees, 2444
psychometrics of ethnic tolerance instrument, 25–64 yr old social workers & counselors & language teachers & medical personnel working with immigrants & refugees, Sweden, test appended, 43784
PTSD & depression & anxiety & dissociation, 21–65 yr old Cambodian refugees assessed 10 yrs after leaving Cambodia, 33514
risk factors, psychological distress, Vietnamese Amerasian 15–28 yr old refugees awaiting US placement, Vietnam, 9398
role of religion & government & economy & education in cross cultural adjustment, Tibetan refugees, 1249
sexual violence & problems in context of organized violence in country of origin, refugees & asylum seekers, implications for health care, 1858
social changes & health problems & health care beliefs & health care delivery, elderly Cambodian refugees, 14933
social support & unaccompanied status & life events & religion & sex, anxiety, 11–19 yr old Cambodian refugees in vs awaiting resettlement, Thailand vs US, 13133
spousal physical violence & depression, female 35 & 48 & 61 yr old Southeast Asian refugees, US, 13631
stress & coping resources, 33 yr old female South Vietnamese refugee, clinical implications, 25335
stress & psychosocial functioning, 4–18 yr old Central American refugees, 9273
traumatic experiences in escapes from home country, psychosomatic blindness & other expressions of PTSD, female Southeast Asian refugees, 37801
uprootedness & losses & psychological impact of historical/political dislocation, female Cuban refugee, 25322
victimization by rape & sexual & domestic violence, female refugees, 25905

Refugees—Books

Counselling and therapy with refugees: Psychological problems of victims of war, torture and repression. Wiley series in psychotherapy and counselling, 10518

Refugees—Chapters

Psychosocial consequences for tortured refugees seeking asylum and refugee status in Europe, 25946
Research questionnaires and checklists being used with Indochinese refugees: A survey, 3977

Regression (Defense Mechanism)—Serials

analytic induced temporal regression & passivity as factor of change, male 26 yr old with anxiety hysteria, conference presentation, 2584

application of Piagetian concepts of normal mental development to conceptualization of delusions as regression under stress, adults, conference presentation, 1630
conflicts & regression & narcissism, underachievement, 16 yr old female, 3424
Japan as target of American hostility due to lack of enemy & deep group regression, 13217
manifestation of narcissism & ego regression in art therapy, 14 yr old male in residential treatment with behavioral & emotional disturbances, case report, 14769
paternal deprivation & malignant symbiotic relationships & regression, pathological hyperprolactimemia, 2167
period of egoic regression prior to transpersonal level of spiritual maturity, elderly, India & England, analysis of K. Wilber's & M. Washburn's theories of transcendence, 45071
regression & holding environment & defenses & other issues in analytic psychotherapy, borderline patients with psychosomatic disorders, 38527

Regression (Defense Mechanism)—Books

The basic fault: Therapeutic aspects of regression, 6680

Regression (Defense Mechanism)—Chapters

The adolescent individuation process, 5244
Planetary perils and psychological responses: Despair and empowerment work, 1196

Regression Analysis [See Statistical Regression]

Regression Artifact [See Statistical Regression]

Rehabilitation [See Also Cognitive Rehabilitation, Drug Rehabilitation, Occupational Therapy, Physical Therapy, Psychosocial Rehabilitation, Vocational Rehabilitation]—Serials

ancillary aurae rehabilitation programs, adult postlingually deafened cochlear implant recipients, 7186
anger management workshop, male prison inmates in medium security facility, 43003
application of goals & values & technology of psychiatric rehabilitation to community residences, mentally ill clients, 2908
behavioral approach to caring & rehabilitation based on reconceptualization of functional disability, elderly with cognitive impairments due to brain pathology or physiological disruption, 23189
biomedical & psychosocial & behavioral factors in assessment of degree of impairment & disability & rehabilitation potential for injured workers with persistent pain, health care providers, 26216
cardiac rehabilitation, emotional distress & fatigue, males with coronary heart disease assessed 3–6 wks after myocardial infarction or bypass surgery or angioplasty, Belgium, 46660
cerebral blood flow before vs after rehabilitation therapy, 41–76 yr olds with left visuospatial neglect induced by right hemisphere cortical or subcortical infarcts, 19189
characteristics of adjustment during community supervision, prison parolees vs probationers vs shock incarceration program participants vs dropouts, 19284
chronic mental illness & disability & initiatives for prevention & care & rehabilitation, India, 27123
client stress associated with orientation & mobility training, visually impaired clients & mobility instructors & welfare workers, 38995
cognitive & perceptual impairment, use of rehabilitative technologies, brain damaged patients, 7197
cold laser therapy in rehabilitation medicine, 22–57 yr olds with tennis elbow, India, 23215
community based rehabilitation program, patients with leprosy, 3055
concerns before vs after rehabilitation program, caregiving family members of 55–95 yr old & older blind spouses or parents, 12–14 mo followup, 27115
conflict vs consensus model, evaluation & implementation of policy, delinquent female adolescents in corrections or home arrest programs, 31066
connection between feminist ethics of care & ethical issues of disability & rehabilitation, development of new theory of disability, 19182
cost management & outcome & value of brain injury rehabilitation, 3rd party payers, 23203
curriculum model for community development approach to culturally sensitive community based rehabilitation, disabled adults, 30982
design & use of metaphors in adjustment counseling by rehabilitation teachers or other professionals, blind adult & elderly clients, 23177
development & factor & item response theory analysis of hierarchical Tufts Assessment of Motor Performance, 5–79 yr olds with neurological or musculoskeletal disorder in rehabilitation, 27965
development & reliability of Community Integration Questionnaire, patients with traumatic brain injury with vs without rehabilitation in model systems program, Canada, questionnaire appended, 39835
development of framework for rehabilitation intervention, family caregivers of patients with severe mental illness, India, 34918
development of rehabilitation family therapy model, rehabilitation patients & their families, 7181
development of rehabilitation index & evaluation of effectiveness of electropuncture diagnosis & therapy, patients with traumatic spinal cord disorder, translated article, 34996
diagnosis & goals & treatment selection in rehabilitation, patients with chronic pain, 19186
discriminant validity & interrater reliability of Appraisal of Self Care Agency scale, 65–99 yr old geriatric rehabilitation patients vs independent living elderly vs their nurses, Norway, 35951
dual diagnosis & treatment, gay male 32 yr old with paranoid disorder & alcoholism & drug abusing 24 yr old with attention deficit disorder & alcohol abusing lesbian 54 yr old with suicide attempt, 35019
effectiveness evaluation of comprehensive prevention & intervention & rehabilitation program, delinquent high risk 15–18 yr olds, longitudinal study, 3141
effectiveness of neurodevelopmental treatment, rehabilitation & enhancement of motor skills, children & others with neuromotor disorders, annotated bibliography, 11096
effectiveness of stroke rehabilitation programs, functional abilities & discharge destinations, patients with stroke, meta analysis, 30980
establishment of counseling goals in rehabilitative audiology, hard of hearing 13 yr old male with hearing aid, case report, 42907
evaluation of telescopic system assisted driver program, visually impaired drivers, 27120
feedback & prompting as behavioral techniques, disabled, behavioral model of adjustment services, 23288
functional deficits & activities of daily living & severity & rehabilitation obstacles, patients with traumatic brain injury, 10418
gender based analyses of rehabilitation issues & status of disabled females, 19179
group therapy & drug & other offender rehabilitation programs implemented by Kings County Court probation department in Brooklyn, offenders, 1940 to present, 11213
hypnotically facilitated mental practice, performance enhancement, 57 & 65 yr old females in physical therapy or rehabilitation, 7180
insight processes in rehabilitation, progress in cognitive & physical & executive & psychosocial functioning, male 16–49 yr olds with acquired brain injury, England, 30978
integration of Alcoholics Anonymous 12-step program & biopsychosocial rehabilitation model, patients with dually diagnosed substance abuse & mental illness, 3097
integration of transactional analysis concepts into rehabilitation, patients with physical disability, 27114
interaction & service provision to disabled African Americans, rehabilitation counselors & human service professionals, 3039
interdisciplinary team in geriatric rehabilitation, social workers, 23208
intervention program for support of performance in activities of daily living, 65–74 yr olds with dementia, 42902
involvement in psychosocial interventions in cardiac rehabilitation, mental health personnel, 16 European countries, 26849

issues in rehabilitation & management of behavioral disturbances, patients with frontal lobe injury, 30974
issues in rehabilitation, drug abusing mentally ill patients, 3082
large scale outpatient neuropsychological rehabilitation, 15075
learned helplessness model of failure to return to work, injured workers, implications for workers' compensation system & occupational rehabilitation, 35613
level of acculturation, acceptance of disability & client satisfaction, 16–73 yr old Mexican American rehabilitation clients, 38996
M. Foucault's theory of power & knowledge & individuals & socially restrictive environments, applications for rehabilitation of persons with disabilities, 15070
mental status interviews vs run-in strategies, screening for urinary incontinence rehabilitation program, nursing home residents, 39874
microcomputer assisted rehabilitation program, picture confrontation written vs oral naming, aphasic females, 1 yr followup, 39053
microcomputer based Precision Rehabilitation System, collection & analysis of single S behavioral & clinical data, physically disabled clients, conference presentation, 11095
model of frontal lobe functions as basis for rehabilitation & management of executive control dysfunction, patients with traumatic brain injury, 30981
models of direct & indirect predictors of employment status, former & current rehabilitation patients with spinal cord injuries, Canada, 38993
moral sensitivity & sodomy laws, rehabilitation, gay or lesbian or heterosexual patients with traumatic brain injury, 30969
multidimensional neuropsychological rehabilitation program, patients with traumatic brain injuries, 15074
multidisciplinary approach to rehabilitation, 14–70 yr olds with CNS damage, England, 19188
music stimulation, arousal, male 17–31 yr olds in prolonged coma, 19193
music therapy as part of interdisciplinary approach in rehabilitation center, physically disabled or language delayed preschoolers, 18816
needs for specialized traumatic brain injury rehabilitation training for professional vs paraprofessional staff, program directors, 31090
neuro-optometric evaluation & vision rehabilitation, multiply handicapped children, 3048
neuroanatomical & neuropsychological bases of apractic disorders, implications for rehabilitation of adults & children with apraxia & developmental dyspraxia, 46044
neuropsychological deficits & neuropsychiatric rehabilitation, schizophrenic patients, conference presentation, 11093
neuropsychological functioning, prediction of competence in & acquisition of skills in training programs, psychiatric inpatients, 8 mo study, 23194
neuropsychological rehabilitation, psychiatric patients, 34992
optometric visual therapy, 20 & 25 yr old males with binocular dysfunctions secondary to head trauma, 7183
organization & procedures of Communications Aids Center, 2–19 yr olds & older with physical & communication disorders, UK, 1 yr followup, 7276
organizational transition & planning, British Columbia Rehabilitation Society, 1990s, 15071
outpatient adolescent program for management of sexually inappropriate behavior, relapse, 13–17 yr olds with history of sex offenses, 6 mo followup, 19286
peer support groups in rehabilitation, elderly &/or blind or isolated patients, 38990
perceived success & ranking of domiciliary discharge dispositions, Department of Veterans Affairs Medical Center staff, 23180
perceptions of female leadership in rehabilitation, female service providers, 19307
personal & medical & psychological characteristics, compliance with rehabilitative home based walking program, male 32–75 yr olds with myocardial infarction, 34997
personality & perceptions of health status & mood & coping style, medical rehabilitation program effectiveness & attrition, 17–35 yr old Navy trainees with health problems, 7203
planning for prevention & early intervention & rehabilitation & special education needs, children with orthopedic or hearing or visual or emotional or mental or communicative disabilities, 3043
predictive biopsychosocial model, assessment of cost effectiveness of early detection & intervention system, newly injured male 19–57 yr old workers with low back pain, 27116
prevalence of hearing impairment & demographic characteristics & time lapse between onset & rehabilitation, infants to adults, India, application of D. Kosti'c classification system, 26371
preventive & rehabilitative applications of exercise & exercise adherence in behavioral medicine, 2726
principles of care in social work model of rehabilitation, dually diagnosed homeless clients, 14966
problem solving method, transportation & personal hygiene & relationship problems, disabled adjustment services clients, 23284
professional program evaluation & quality improvement systems in traumatic brain injury program, 23192
promotion of insight in sexual abuse treatment program, psychological growth & prevention of recidivism, incestuous fathers, 19294
prosthetic memory aid, dyad conversational content & social skills, 74–88 yr olds with dementia, 30971
psychiatric hospital as psychosocial system in rehabilitation, 3015
psychological & psychosocial factors in adjustment process & rehabilitation, patients with vision loss due to head trauma, 7196
quality & quantity of social support, recovery of functional capacity, stroke patients, 6326
quality management in brain injury rehabilitation services, 23185
rationale for & application & assessment of imagery techniques in rehabilitation, injured athletes, research review, 19185
recruitment for & participation in hearing screening program & need for & interest in rehabilitation, hearing impaired 65–94 yr olds, 11092
rehabilitation courses, persistent drunk drivers, Germany, 11219
rehabilitation, impairments & disabilities & handicaps, patients with multiple sclerosis, 23210
rehabilitation optometry & occupational therapy, visual impairment, male 21 yr old with mild brain injury, case report, 42908
rehabilitation, outcome & activities of daily living & locomotion & hand function & cognitive abilities & communication, older adults with 2nd stroke with right vs left vs mixed hemisphere site, 3052
rehabilitation outcome & value & quality of life, head injured patients & their family members, 23178
rehabilitation outcomes & patient & financial provider satisfaction, patients with acquired brain injury, 23184
rehabilitation with vs without psychotherapy, breast cancer patients, Russia, 42552
role as ethics committees in implementation of standards for patient rights in treatment decision making, traumatic brain injury rehabilitation team members, 23173
role of case management in outcome & customer & quality & cost & value management in rehabilitation service delivery, 23198
role of medical progress & policy & organizational & social structure in history of psychiatric units of hospitals & rehabilitation service delivery, Germany, 19191
role of occupational therapy in rehabilitation, stroke patients, 7268
role of optometric visual therapy in rehabilitation, 70 yr old male with left hemispheric cerebrovascular accident & patients with other left brain injury, 7178

role of optometrist in evaluation & rehabilitation of visual & visually related disturbances, head trauma & stroke patients, 7184
role of overall quality of life in rehabilitation, mentally ill, 23209
self efficacy, rehabilitation outcome, 25–58 yr old chronic low back pain patients, 6 mo followup, 42899
sensitivity to change measures of treatment effect vs psychopathology, adult & elderly males with coronary heart disease in cardiac rehabilitation vs standard medical care, Belgium, 43753
severity & etiology & blood alcohol & cranial operations & payer, costs & length of stay in acute care vs rehabilitation in model systems program, patients with traumatic brain injury, 42145
social & cultural issues in rehabilitation, psychiatric patients, Hong Kong, 30979
sociodemographic characteristics & rehabilitation services, quality of life, 18–65 yr old deinstitutionalized mentally ill patients, Canada, 46903
solution oriented therapy in institutional rehabilitation, physically impaired clients with limb amputation &/or burns or transection of spinal cord, 19177
standard rehabilitation with vs without relaxation & coping training & contingent reinforcement for exercise, functional status, 18–63 yr olds with low back pain, 6 mo followup, 7179
stressors experienced during involvement in providing treatment in rehabilitation program, relatives of patients with severe brain injury, ethical implications, 38994
stroke or aphasia rehabilitation or therapy, stroke patients, 1984–91, research review, 23181
structural characteristics of effective correctional rehabilitation, 11201
Texas Rehabilitation Commission system, assessment of quality rehabilitation, task forces, 2 yr study, 3053
theories & practices in direct skills teaching vs training in rehabilitation, 3051
time out in adjustment programs in schools & rehabilitation facilities, 23603
training & education program, involvement in home environment rehabilitation, rural blind 6–81 yr olds & their family members, India, 27119
training needs, deaf, 3044
treatment & rehabilitation modalities, patients with schizophrenia or related disorders, 14467
UNICEF mobilization & training project for detection & rehabilitation of speech & hearing disabilities, educational & health & grassroot workers in rural communities, India, 27185
vision stimulation & training, children with visual impairments, 38997
visual hierarchy model for evaluation & treatment of visual perceptual deficits, adults with acquired brain injury, 19192
work acclimation & educational & behavioral & problem solving & personal growth models of adjustment services for exceptional people, role of adjustment services & specialists within rehabilitation, 23289

Multidisciplinary approach in the treatment of torture survivors, 27124
Organization of care and rehabilitation services for victims of torture and other forms of organized violence: A review of current issues, 27026

Rehabilitation Counseling—Serials

cognitive & cognitive behavioral strategies in adjustment services counseling, 23193
cultural differences in teaching alcoholism counseling in Norway, American social worker, 31022
development & history of rehabilitation counseling, UK vs US, 34990
humor in rehabilitation counseling, social skills, disabled clients, 11094
residential peer group rehabilitation program, self perceived attitudinal change, delinquent male 13–17 yr olds, 7281
spiritual element in wellness model approach to work adjustment & rehabilitation counseling, 23212
statistical power analysis perspective on current rehabilitation counseling research, 38992
strategies & methods & issues in vocational rehabilitation counseling, clients with traumatic brain injury, 35055
training in office based smoking cessation patient counseling, attitudes toward & participation in cessation counseling activities, female staff, 31108
treatment outcome & demographic & psychosocial characteristics, female clients of traditional mixed vs specialist women's drug & alcohol services, 35009

Rehabilitation Counselors—Serials

beliefs about competence of recovering vs nondependent counselors, chemical dependency agency directors & clinical supervisors, 19202
computer based rehabilitation case load management simulation, assessment of clinical skills, rehabilitation students vs counselors, 35131
concerns about Americans with Disabilities Act, employers, implications for vocational rehabilitation counselors, 11184
demographic variables & disability types, perceptions of client functioning, clients & rehabilitation counselors, 3050
demographics & educational background & job experience, competitive vs noncompetitive closure rates & net case service encumbrances, rehabilitation counselors of severely disabled, 7330
educational background & credentialing, treatment process, recovering alcoholic vs nonalcoholic alcoholism counselors, 35151

estimates of alcohol abuse by clients with physical or mental disorders or developmental disabilities, vocational rehabilitation counselors, 11185
feminist approaches to disabilities & females, self exploration for sex bias in attitudes & beliefs, rehabilitation professionals & counselors, 19385
historical perspective on stigmatization of methadone maintenance & difficulties of professional role, treatment staff, 19391
interaction & service provision to disabled African Americans, rehabilitation counselors & human service professionals, 3039
intrinsic & extrinsic variables & career commitment, organizational commitment, psychiatric rehabilitation staff, 35223
issues in employer compliance with Americans with Disabilities Act, rehabilitation counselors, 11097
job tasks & functions, work adjustment specialists, 11182
learned resourcefulness, burnout, rehabilitation providers, 3218
medical aspects & functional limitations & psychological & vocational implications of renal transplantation, implications for role of rehabilitation counselors, 34731
Myers-Briggs Type Indicator assessed preferences & personality types & job performance, clubhouse rehabilitation staff, 35218
paternalism in treatment philosophies, chemical dependency counselors in adolescent vs adult vs religious/minority treatment centers, 31157
perception & use of computer applications in vocational rehabilitation, vocational rehabilitation professionals, 7271
perceptions of workplace accommodations for workers with traumatic brain injury, employers vs vocational rehabilitation counselors, 35057
personal experiences with & recommended methods of alcohol & tobacco & smoking cessation, alcoholism counselors & medical personnel in chemical dependency units, 35180
personality characteristics, recovering alcoholic vs nonalcoholic drug & alcoholism counselors, 35217
predeterminants of satisfaction with occupational status, certified rehabilitation counselors, 35203
rater & ratee characteristics, instructor perceptions of work behavior, vocational instructors of mentally retarded adults, 18124
rehabilitation counselor specialization, 3177
role in empowerment process with mentally ill, professional rehabilitation staff, 34989
role of adjustment services professionals & definition of work adjustment services, 23296
training needs in community based vocational assessment & adjustment services, professionals in rehabilitation or related occupational specialties, preservice & inservice training implications, 31104
work acclimation & educational & behavioral & problem solving & personal growth models of adjustment services for exceptional people, role of adjustment services & specialists within rehabilitation, 23289

Rehabilitation Counselors—Chapters
Clinical supervision of substance abuse therapy, 11266
Supervision of substance abuse counselors, 11267

Rehearsal [See Practice]

Reinforcement [See Also Differential Reinforcement, External Rewards, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Internal Rewards, Monetary Rewards, Negative Reinforcement, Noncontingent Reinforcement, Positive Reinforcement, Praise, Preferred Rewards, Punishment, Reinforcement Amounts, Reinforcement Delay, Reinforcement Schedules, Rewards, Secondary Reinforcement, Self Reinforcement, Social Reinforcement, Variable Interval Reinforcement, Variable Ratio Reinforcement, Verbal Reinforcement]—Serials
acquisition of ethanol reinforced responding without induction procedures, naive male monkeys, 20917
amphetamine vs fenfluramine vs cholecystokinin vs diazepam vs chlorpromazine, visual reinforcement vs food maintained responding, rhesus monkeys, 40538
behavioral assessment of reinforcers & adversities & responses to adversities during basketball games, college basketball teams & coaches, 15714
behavioral reinforcement vs information processing perspective on error analysis & response certainty & elaboration in information feedback, 16282
caffeine, acquisition of self administration & sensitization to reinforcing effects of cocaine & striatal dopamine & DOPAC & HVA, male rats, 32635
chronic caffeine, tolerance & CNS mediated mood & subjective & reinforcing effects, caffeine choosers vs nonchoosers, 702
contextual reinforcement vs nonreinforcement, transfer of response to CS during autoshaping, female pigeons, 36347
contingent electrical stimulation of ventral tegmental nucleus, facilitation of & recovery from frontal cortex lesion induced active avoidance deficit, male rats, 12494
deceptive & double blind administration of placebo vs actual marihuana, self administration & subjective responses, 18–27 yr old regular marihuana smokers, implications for drug reinforcement study, 29839
dependent group oriented vs individual reinforcement contingencies, cooperation during mathematics estimation task, 2nd–5th graders, 3516
development of Missouri Automated Reinforcer Assessment computer program, preference assessment for behavioral treatment, 8–64 yr old inpatients & outpatients, 111
dopamine agonists & cocaine, self administration, male rats, implications for receptor modulation of reinforcement & drug therapies for cocaine users, 44589
drug use & personality & arousal & other factors, reinforcing & subjective effects of dextroamphetamine, adults, 44596
economic continuum of within session response independent & dependent food reinforcement & conjoint FR 50 & VI vs variable time schedule, keypecking frequency, pigeons, 28400
effects of drug dose on response rate vs ability to track reinforcement contingencies, iv self administration of midazolam, male rats, 4790
establishing operations of deprivation & satiation, reinforcement effects, developmentally disabled 25–36 yr olds, commentary & reanalysis of data using statistical process control, 14565
establishment of positive reinforcement effects of oral cocaine &/vs ethanol, rhesus monkeys, 40626
exposure to reinforcer on arms vs center of maze vs no reinforcer during adaptation, win-shift behavior, rats with caudate nucleus lesions, 451
extracellular stimulation of mesocerebrum & rostral parietal ganglia, reinforced opening of mantle cavity, edible snails, translated article, 4598
flupenthixol in caudate putamen, food rewarded operant responding, male rats, 40524
food reinforcement omission & sample duration increase, acquisition & performance accuracy of conventional nonmatching to sample, male rats, animal model of memory deficits, 430
frustration induced by discontinuation of reinforcement, force of leverpressing & skin conductance, college students, 40505
goal setting & reinforcement, proofreading accuracy, college students, 24415
heart rate feedback & contingent reinforcement, heart rate response to video game stressor, male 18–48 yr olds, 20756
Hebbian algorithms for estimation of covariance between neural network input & output patterns in associative matrix memories & reinforcement learning, 35701
heroin vs cocaine reinforcement, operant runway motor & other behavior, male rats, 24876
intervention based on D. Premack's model of reinforcement, quality performance, restaurant employees, 35555
intra-accumbens infusion of receptor specific dopamine agonists & antagonists & dextroamphetamine, responding with conditioned reinforcement, male rats, 44747
linear system analysis & differential equation description of free operant behavior regulation by reinforcement, 40176
localization, visual reinforcement audiometry conditioning & threshold measures, 12 mo olds, 13063

male conspecific vs heterospecific in home vs novel situations, aggressive behavior & motivation & reinforcement, male paradise fish, 4452
matching law research & theory & applications, literature review, 16356
methylphenidate, reinforced responding & motor performance & reinforcement efficacy, male rats, 24899
money available & price, consumption choice of own preferred vs other cigarette brand in reinforcement paradigm, 20–38 yr olds, 40086
morphine vs naloxone, ethanol & sucrose reinforced responding, rats, 12881
motivational value of reinforcer, sensitivity to nonverbal operant contingencies, male college students, 40192
mu & kappa opioid agonist infusion to ventral tegmental area, reinforcement & aversion in place conditioning paradigm, rats, implications for neuroanatomical mediation of motivation, 28666
musical reinforcement, training productivity, 12–16 yr old competitive swimmers, 15710
neural network model of adaptively timed reinforcement learning & dynamics of convergence of dentate granule cells on CA3 pyramidal cells in hippocampus, 23901
neurobiological determinants of drug & alcohol reinforcement & withdrawal & addiction, clinical implications, 6056
parental values & reinforcement of prosocial behavior, prosocial & defensive & social behaviors with parents & peers, 1–2 yr olds, 25 mo followup, 1064
preference & reinforcing properties of & familiarity with benzodiazepines & other psychotropic drugs, opiate addicted patients in methadone maintenance, Austria, 19203
preferences for reinforcers in classroom contingency management, disabled 7th–12th graders, 7526
prenatal ethanol during early vs late gestation, reward efficacy of food reinforcers, mice, 16828
progressive ratio schedules, reinforcement magnitude & pausing, rats, 8459
quantity & availability of food vs monetary reinforcement, preferences for beer reinforcement, normal 21–30 yr olds, implications for drug usage, 21457
random reinforcement training following drug discrimination, CRs to low vs high dose chlordiazepoxide, male rats, 36862
real time detection of orientation during negative behavioral contrast & reinforcement of turning response, male pigeons, 4459
reinforcement & extinction components of DRO, self injurious behavior, female severely or profoundly mentally retarded 32 & 40 & 42 yr olds with or without Down's syndrome, 42294
reinforcement loss, behavioral tolerance to dextroamphetamine in percentile schedule control of reinforcement density, male rats, 28708
reinforcement, repeat vs variation in responses in operant conditioned tasks, male spontaneously hypertensive rats, animal model of attention deficit hyperactivity disorder, 40251
reinforcement signal, CS discrimination in operant conditioning training, college students, 8315
reinforcer magnitude vs alternative caloric source, demand for food, male baboons, application of behavioral economic analysis, 28394
requesting vs labeling reinforcement strategies, acquisition of expressive signing, severely mentally retarded 4.4–6.9 yr olds, 35440
response cost vs restriction through change in frequency of reinforcement, response rate in multiple response repertoire, 19–35 yr olds, 28309
reward frequency, response rates & activity level, male SHR spontaneously hypertensive vs Wistar-Kyoto rats, animal model of attention deficit hyperactivity disorder, 40256
rewarded vs unrewarded patterns, motor behavior during 2-choice pattern discrimination, rabbits, 32301
role of timing in reinforcement based foraging task, starlings, 20376
sc cocaine, in vivo synaptic dopamine & 5-HT in ventral tegmentum & psychostimulant motor & other behavior in reinforcement paradigm, male rats, 4750
selective associations in tone plus light compound stimulus conditioning context based on food vs shock avoidance related contingencies, male rats, 44263
self vs peer reinforcement, breast self examination, college students, 6990
shock frequency reduction avoidance response, time out from avoidance reinforcement efficacy, male rats, 16433
social reinforcement contingencies & role of distress in interpersonal interaction, patients with depression or chronic pain, 13605
subjective & psychomotor & reinforcing effects of nitrous oxide inhalation at subanesthetic dosages, adults, 36754
subjective health & discriminative & reinforcing stimulus functions & dependent potential of caffeine, humans, literature review, 5487
sulpiride in nucleus accumbens vs anterodorsal striatum vs basolateral amygdala, attenuation of reinforcer value in operant conditioning & sucrose consumption & locomotion, male rats, 4895
trained movement with lever in response to light stimulus, motivation & reinforcement during performance of simple instrumental reflex, monkeys, 12362
varying concurrent VI reinforcement depletion & repletion, reinforcement acquisition & venue dwell time, male pigeons, 16434
5-HT antagonist 205-930, ethanol vs water reinforced responding, male rats, implications for alcoholism treatment, 40595

Reinforcement [See Also Differential Reinforcement, External Rewards, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Internal Rewards, Monetary Rewards, Negative Reinforcement, Noncontingent Reinforcement, Positive Reinforcement, Praise, Preferred Rewards, Punishment, Reinforcement Amounts, Reinforcement Delay, Reinforcement Schedules, Rewards, Secondary Reinforcement, Self Reinforcement, Social Reinforcement, Variable Interval Reinforcement, Variable Ratio Reinforcement, Verbal Reinforcement]—Chapters

Alcohol self-administration: Role of mesolimbic dopamine, 21074
Behavioral reinforcement paradigm of love, 9569
Brain mechanisms of drug-induced reinforcement, 8998
Conditioning of opioid reinforcement: Neuroanatomical and neurochemical substrates, 20646
Drug motivation and abuse: A neurobiological perspective, 21064
Genetic determinants of ethanol reinforcement, 21061
Neural mechanisms of drug reinforcement, 21071
The neurobiology of cocaine-induced reinforcement, 36912
Neurochemical correlates of cocaine and ethanol self-administration, 21078
Possible substrates of ethanol reinforcement: GABA and dopamine, 21068

Reinforcement (Vicarious) [See Vicarious Experiences]

Reinforcement Amounts—Serials

density vs amount vs delay of reinforcement, self control vs impulsiveness, college students, 5605
electrical brain stimulation strength & site, growth of subjective magnitude of reward, male rats, 28527
food deprivation level & reinforcer magnitude, choice between delayed reinforcers, female rats, animal model of self control, 460
quantity & availability of food vs monetary reinforcement, preferences for beer reinforcement, normal 21–30 yr olds, implications for drug usage, 21457
reinforcement schedule vs magnitude, runway performance in instrumentally learned response, toads, 16449
reinforcement supply variation & VI reinforcement schedule, response rate, pigeons, application of economic regulatory reinforcement theory, 16437
relative amount & delay of reinforcement, demonstration of self control, 19–23 yr old human females, comparison with pigeon data, 8352
reward amount & delay & target color, preference in unrewarded choice tests, foraging honeybees, 36326

Reinforcement Delay—Serials

bilateral hippocampal lesion, appetitive instrumental conditioning with reinforcement delay, male rats, 28542

choice between FI vs progressive interval reinforcement schedules, adults, 40101
cocaine vs fluoxetine, self control in choice between amount vs delay of reinforcement, male food deprived rats, 24928
constant time delay in small group instructional arrangement, sight word reading, moderately mentally retarded 8.7–12.8 yr olds, 35439
delayed reinforcement schedule, vocalization rates, 4–6 mo olds, 9185
density vs amount vs delay of reinforcement, self control vs impulsiveness, college students, 5605
FI vs fixed delay terminal link schedules & cued keylight stimulus conditions, matching of response ratio, pigeons, 32304
FI vs VI schedules of delayed reinforcement & intertrial interval, keypeck response rate, pigeons, 16445
fixed vs variable resetting delays of reinforcement, response acquisition, male vs female rats, 12367
food deprivation level & reinforcer magnitude, choice between delayed reinforcers, female rats, animal model of self control, 460
FR delayed reinforcement, free operant response rate, male rats, 16436
individual differences & food reinforcement delay & self perceived level of food deprivation, self control vs impulsiveness, 17–46 yr olds, 17545
individual differences & food reinforcement delay & self perceived level of food deprivation, self control vs impulsiveness, 17–46 yr olds, erratum, 40202
intertrial interval of reinforcement rate, response bias & sensitivity of temporal discriminations, rats, 16452
low vs high task interest & immediate vs delayed vs no reward, intrinsic motivation, college students, 20341
methylphenidate or d-amphetamine, immediate vs delayed FI reinforcement & response rate, spontaneously hypertensive rats, animal model of attention deficit hyperactivity disorder, 16854
multiple VI reinforcement with vs without reinforcement delay signal, response frequency potentiation vs overshadowing, pigeons, 16453
presence vs absence of food vs color conditional stimuli, delayed conditional discrimination performance, pigeons, 44257
reinforcer rate & delay & quality, impulsivity & performance on concurrently available math problem sets, female 13 & 19 yr olds with serious emotional disturbances, 30368
relative amount & delay of reinforcement, demonstration of self control, 19–23 yr old human females, comparison with pigeon data, 8352
resetting vs sacked delay vs immediate reinforcement, response acquisition, male rats, 16458
response produced auditory stimulus feedback acquisition of silent spatially defined operant photobeam breaking response with FR delayed food reinforcement, female rats, 32294
response reinforcement interval, DRO & response suppression, male rats, 40253
serotonergic pathway lesions, choice between delayed positive reinforcers, female rats, 44449
simple vs complex carbohydrate vs protein meal composition & delayed reinforcement, plasma tryptophan & mood, female college students, 32537
tone & VI schedule reinforcement delay, blocking in operant responding, 19–32 yr olds, Germany, 32205
variable delay & conditioned reinforcers, choice of delayed alternative vs probabilistic reinforcement, male pigeons, application of J. Mazur's equivalence rule, 8483
VI schedules of delayed reinforcement, keypecking, pigeons, 8494

Reinforcement Schedules [See Also Concurrent Reinforcement Schedules, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Reinforcement Delay, Variable Interval Reinforcement, Variable Ratio Reinforcement]—Serials

ad libitum vs massed vs intermittent feeding conditions, individual differences in schedule induced drinking, rats, 12360
anticipatory contrast on free operant multiple schedules, rats, 8504
choice between FI vs progressive interval reinforcement schedules, adults, 40101
choice between FR vs progressive ratio reinforcement schedules for monetary reward, college students, 8173
clozapine, cocaine self administration on progressive ratio schedule reinforcement, rats, 4853
cocaine, high vs low CR rates maintained with vs without rate requirements, pigeons, 16877
cocaine vs ethylcocaine, responding under multiple FR/FI food presentation schedule, male rats, 20996
concurrent variable time schedules of reinforcement, time allocation in choice behavior, male pigeons, 32292
continuous vs discrete reinforcement schedule contingencies, wheel training responses, college students, 8279
continuous vs partial reinforcement schedules, choice behavior in extinction, male albino rats, 4455
cyclic adenosine monophosphate phosphodiesterase inhibitors, response & reinforcement rates of behavior maintained under DRL schedule, male rats, 36846
daily variation in schedule parameters, temporal discrimination, pigeons, 8508
density of multiple VI reinforcement & extinction, free operant conditioning, college students, 32220
dopamine agonists quinpirole & SKF 38393, motor activity & aggression & schedule controlled responses, male mice, 28783
DRL schedule, timeout initiation, male rats, 24540
ethanol, punished vs unpunished responding under random ratio vs yoked interval schedules of reinforcement, male rats, 20961
food reinforcement schedules, sensorimotor cortex neuron activity during operant conditioning, rabbits, translated article, 24780
frequency dependent selection reinforcement, response variability, pigeons, 8486
heroin self administration under progressive ratio schedule of reinforcement, male rats, 44715
individual vs paired stimulus & multiple schedule reinforcement, preference & contrast in keypecking, pigeons, 8505
informative vs uninformative reinforcement schedules, response rates & choice, pigeons, test of delay reduction hypothesis, 36330
intermittent vs consistent reward, shuttling response acquisition vs extinction, honeybees, 4456
iv self administration of GBR 12909 vs cocaine on FR vs progressive ratio schedule of reinforcement, male rats, 44714
L-tryptophan, breaking point under progressive ratio schedule of iv cocaine reinforcement, male rats, 32665
MDL 72222 vs ketanserin vs methysergide, breaking points on progressive ratio iv cocaine reinforcement, male rats, 24917
molecular contingencies in schedules of intermittent punishment, pigeons, 8456
NMDA antagonists, DRL responding, male rats, 28778
number of responses required & probability of reinforcement, operant vs respondent influences on response latency in foot treadle depression, pigeons, 12365
operant setback contingency, schedule induced keypeck response rate vs activity level, male pigeons, 16426
partial vs consistent reinforcement & number of trials, brightness discrimination & reversal learning in runway, male rats, 4453
PCP &/vs MK-801 &/vs pentazocine &/vs N-allylnormetazocine &/vs amphetamine &/vs BMY-14802, operant responding on DRL vs FR 10 reinforcement schedule, male rats, 715
pentobarbital concentration, reinforcing effect of oral self administered pentobarbital under signaled DRL, rhesus monkeys, 8944
periodic food schedules, motivational states & multimodal activity distributions, rats, 28409
progressive ratio schedules, reinforcement magnitude & pausing, rats, 8459
reinforcement loss, behavioral tolerance to dextroamphetamine in percentile schedule control of reinforcement density, male rats, 28708

reinforcement rate & duration, response rate patterns, rats, 4461
reinforcement schedule vs magnitude, runway performance in instrumentally learned response, toads, 16449
reinforcer rate & delay & quality, impulsivity & performance on concurrently available math problem sets, female 13 & 19 yr olds with serious emotional disturbances, 30368
schedule controlled intracranial self stimulation & reward response in behavioral pharmacology, rats, research review, 20583
schedule imposed sequential & quantitative constraints, transfer effects during discrimination task performance, college students, Germany, conference presentation, 40098
schedule induced defecation, rats, 8507
scheduled rate & probability of reinforcement, stimulus choice, male pigeons, 28413
self generated rules, schedule controlled task performance, college students, 8364
sensitivity to conjoint schedules of reinforcement & time out deletion, pigeons, 8475
stimulus & response latency differences & ratio of reinforcer rates, conditioned discrimination, pigeons, 28405
stimulus reinforcer contingencies vs anticipatory contrast, keypecking, pigeons, 8503
stimulus variability & partial reinforcement contingencies, discrimination learning with light signals, adults, application of statistical model, commentary on reprint, 12292
stimulus variability & partial reinforcement contingencies, discrimination learning with light signals, adults, application of statistical model, reprint, 12279
task interspersal procedures in conjunction with different reinforcement schedules, acquisition & maintenance task performance & ancillary behaviors, autistic 4.3–6.3 yr olds, 22565
theoretical & methodological issues in schedule induced behavior research, humans, research review, 219
tone light compound with vs without food reinforcement or shock with appetitive contingencies, selective association responses, male rats, 32311
variable vs fixed schedule of returns during investment task, recommitment of resources during continuous losses, college students, implications for organizational reinvestment, commentary, 15670
variable vs fixed schedule of returns during investment task, recommitment of resources during continuous losses, college students, implications for organizational reinvestment, commentary, 15679
variable vs fixed schedule of returns during investment task, recommitment of resources during continuous losses, college students, implications for organizational reinvestment, 15669
variable vs fixed schedule of returns during investment task, recommitment of resources during continuous losses, college students, implications for organizational reinvestment, commentary, 15664
Reinforcement Schedules [See Also Concurrent Reinforcement Schedules, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Reinforcement Delay, Variable Interval Reinforcement, Variable Ratio Reinforcement]—Chapters
Behavior's time, 40266
Scheduling positive reinforcers, 28163
Temporal learning, 40267
Reinnervation [See Neural Development]
Rejection (Social) [See Social Acceptance]
Relapse (Disorders)—Serials
active vs passive coping strategies & attitudes toward inpatient treatment, relapsing alcoholic 21–50 yr olds, Denmark, 31008
acute depression relapse, 47 yr old female with recurrent paramedian thalamic infarctions, case report, 10311
age at illness onset & relatives' expressed emotion & interactional processes & psychotic relapse, schizophrenic patients, 17817
antipsychotic dose response & kinetics of relapse, chronic schizophrenic patients, meta analysis, conference presentation, 42418
application of receiver operating characteristic methods, assessment of instruments' validity in prediction of relapse, stabilized schizophrenic patients, 4070
autonomic hyperarousal as mediating factor between relapse & psychosocial influences including expressed emotion & life events, schizophrenic patients, 1739
behavioral responses to dopamine agonist stimulation & tardive dyskinesia & increased anterior pituitary hormones as predictors of relapse, schizophrenic patients, conference presentation, 41585
biopsychosocial model of crack addiction, multidimensional approach to relapse prevention, 3112
change in cerebral neurophysiological parameters & dysfunction & personality organization, relapsing heroin addicted adults, 21984
characteristics of remissions interrupted by early relapses, schizophrenic 17–70 yr olds, Russia, 1731
citalopram dosage, relapse after change to placebo, depressed patients, 18759
clinical use of neuroleptics, prevention of schizophrenic relapse, 18746
cognitive behavior therapy, risk of relapse, outpatients with major depression, 1 yr study, comparison with findings following pharmacotherapy, 2506
community based care system, relapse, schizophrenic patients, conference presentation, 42784
continuous prophylactic dothiepin after recovery, relapse risk, depressed elderly, 2 yr study, 46494
coping behavior & relapse precipitants & locus of control & decision making & interpersonal conflicts, relapsed vs abstinent alcohol dependent adults, India, 1939
demographic & clinical variables, relationship of medication compliance to long term prophylaxis, patients with recurrent depression, conference presentation, 18724
discrepancies in self report vs interpersonal perception of mood & life events & stress, relapse, remitted depressed patients, 1693
drug free outpatient relapse prevention strategies, substance abusing clients, research review, 46939
drugs used & method of administration & involvement with addicted friends & family, rehabilitation vs relapse status, drug addicted clients, 18012
duration of hospital treatment, rate & rapidity of relapse, schizophrenic patients, conference presentation, 19138
early intervention, prevention of schizophrenia relapse, literature review, 10442
ethnicity & family structure, relapse & psychiatric readmission, White vs Afro Caribbean vs Asian schizophrenic 16–54 yr olds, England, 1 yr followup, 30923
etiology & maintenance treatment of recurrent depression, 14465
experimentally induced lapse during early smoking abstinence, probability & time course of relapse, abstinent smokers, 15090
expressed emotion & relapse & length of rehospitalization, schizophrenic 16–55 yr olds, Czechoslovakia, 12 mo followup, 11069
general vs specific life event stress, relapse, patients with ulcerative colitis or Crohn's disease, 22256
homework assignments based on self efficacy theory, relapse prevention, alcohol dependent clients, 23220
homogeneous vs heterogeneous age group substance abuse treatment, relapses & duration of sobriety, substance abusing 15–38 yr olds, implications for adolescent treatment, 35029
imipramine vs phenelzine vs placebo continuation, loss of drug vs placebo effect & relapse, depressed patients, 38584
incidence of relapse & own & relatives' psychosocial functioning, schizophrenic patients, Scotland, 5 yr followup, 13804
individual cognitive behavioral &/vs behavioral couple therapy & relationship quality, relapse, depressed wives & their husbands, 6 & 12 mo followups, 38501
intermittent vs continuous neuroleptics with psychotherapy & patient's coping ability, relapse prevention & modification of disease course, schizophrenic patients, Germany, 18762

latency to maximum pupillary constriction, prediction of relapse following haloperidol treatment withdrawal, schizophrenic 24–51 yr olds, 22766
lithium discontinuation, relapse followed by refractoriness after lithium reinstitution, patients with bipolar disorder, 18765
long term antidepressant maintenance therapy, recurrent depression, conference presentation, 34556
long term community mental health center care, relapse & adjustment, adults with chronic schizophrenia, Greece, 2920
mediating value of medication, effect of life events on relapse, 19–29 yr old schizophrenic outpatients, 18786
need for brief social interventions for relapse prevention, drug abusing clients, 7208
negative emotion toward resident & resident behavior & medication dosage & noncompliance & sex, prediction of relapse, board & care providers & schizophrenic residents, 42748
neuroleptic discontinuation, relapse rates & serum neuroleptic levels, long term stable chronic schizophrenic patients, 22754
neuroleptic dosage & symptom severity & dyskinetic movements, prediction of relapse following neuroleptic discontinuation, outpatients with schizophrenia or schizoaffective disorder, 14672
partner's expressed emotion during 9th mo of pregnancy & recurrence of mental illness after delivery, pregnant females with history of psychosis or depression, 13667
personal treatment strategy during maintenance drug therapy, relapse prevention, chronic schizophrenic patients, conference presentation, 42438
physician's vs Patient Rejection Scale ratings & correlation with relapse, assessment of rejection felt toward mentally ill patients, family members living with schizophrenic outpatients, Israel, 21806
plasma prolactin, prediction of relapse, unmedicated schizophrenic males, 29688
predictive validity of Rotter Internal External Locus of Control Scales, prediction of relapse, compulsive gamblers, 87
prior quitting experience & self efficacy, relapse in high risk situation, ex-smokers, 3 mo & 1 yr followups, 46922
prolonged psychotic relapse following sudden clozapine discontinuation, treatment resistant schizophrenic male 25 yr old, letter, 38580
psychoeducational approach to group psychotherapy, relapse prevention, substance abusing 21–45 yr olds with major psychotic disorders, 23266
psychosocial approach to smoking relapse prevention, nicotine dependent clients, 46912
psychosocial factors & sex differences in relapse after intensive 4 wk treatment, alcoholic patients, 1 yr study, 23242
rapid vs gradual lithium discontinuation, risk for & timing of new episodes, patients with bipolar type I vs type II disorder, Italy, followup, 46440
recovery & relapse rates, 60 yr olds & older with major depressive disorder, 1 yr followup, 13721
rectal resection & postsurgical perineal pain onset time, prediction of tumor recurrence, rectal cancer patients, 2 & 5 yr followup, 30605
reformulation of abstinence violation effect in relapse process, sex offenders, implications for relapse prevention, 1976
relapse & community tenure, discharged psychiatric patients, Italy, 6 mo followup, 11042
relapse following cognitive therapy &/vs pharmacotherapy, depressed outpatients, 2 yr followup, 6443
relapse prevention training & nicotine gum vs fading, smoking cessation, 18–65 yr old smokers, Australia, 3 & 12 mo followups, 19210
relatives' expressed emotion, relapse, schizophrenic 17–45 yr olds, Spain, 2 yr study, 13792
relatives' expressed emotion, relapse, schizophrenic 17–56 yr olds, Italy, 9 mo followup, 13757
removal of brain stem astrocytoma, recurrence of symptoms, 17 yr old female with obsessive compulsive disorder, case report, 38723
requests for nonprescription medications during treatment, relapse, chemical dependency rehabilitation clients, 1 yr followup, 42932
seasonal relapses, 24–60 yr olds with affective disorder, India, 17745
self efficacy & aftercare involvement, prediction of relapse, male alcoholic veterans in inpatient treatment program, 12 mo followup, 11134
self generated coping strategies & self efficacy, responses to high risk for relapse situation, 13–18 yr olds in drug & alcohol rehabilitation, 46934
smoking cessation trial, incidence of quitting & smoking habits, relapsed vs abstaining smokers, 1 yr followup, 7242
smoking relapse prevention in treatment of nicotine addiction, 3067
social & psychological & environmental circumstances & other factors, relapsed opiate addicts in outpatient detoxification program, England, 18033
softball team participation in residential rehabilitation program, relapse prevention, homeless substance abusing veterans, 3 mo followup, 35006
somatic & psychiatric symptoms & prognosis & relapse, schizophrenic patients, 3 yr study, application of J. Jackson's hierarchical theory of mind brain correlation, 25844
stability of expressed emotion & relapse, schizophrenic 21–79 yr olds & their relatives, Scotland, 5 yr study, 37746
strategies for relapse prevention in sex therapy, 42220
successful total sleep deprivation followed by consecutive sleep phase advance, relapse prevention, patients with major depression, 30542
survival analysis of response to & relapse following cognitive behavioral group psychotherapy, female bulimic 18–50 yr olds with binge eating & self induced vomiting &/or laxative abuse, 38490
thought disorder & demographics, prediction of relapse, 19–32 yr old mania patients, 17770
visual EP latency, prediction of relapse, alcoholic adults assessed after 21–45 days of sobriety, 33846
vulnerability & stress factors related to psychotic relapse, recent onset schizophrenic 18–45 yr olds during index hospitalization vs stabilization period vs 1 yr of drug & psychosocial treatment, 9872
vulnerability to relapse, schizophrenic patients, 17838
weight gain & withdrawal symptoms, prediction of outcome & self perceived reason for relapse in smoking cessation with nicotine patches, 23–74 yr olds, 42946

Relapse (Disorders)—Books

Principles and practice of relapse prevention, 14474

Relapse (Disorders)—Chapters

Alcohol problems, 15160
Anorexia nervosa and bulimia nervosa, 14480
Chronic pain, 14794
Depression, 14484
Marital distress, 14622
Monitoring recovery from acute psychosis, 13815
Multidimensional relapse prevention from a biopsychosocial perspective across phases of recovery, 15166
Obesity, 14478
Obsessive-compulsive disorders, 14477
Panic disorder and panic disorder with agoraphobia, 14476
Relapse and the treatment of obesity, 6469
Relapse in schizophrenia: What are the major issues?, 41616
Relapse prevention: Conceptual and methodological issues, 14560
Relapse prevention for the cocaine and crack dependent, 19253
Schizophrenia, 14479
Sexual deviance, 14558
Smoking, 15153
Social competence: Interventions with children and parents, 14532
Stuttering, 15195
Substance abuse relapse, 18049

Relaxation—Serials

biofeedback & relaxation, symptoms of anxiety & sobriety, alcoholic 21–68 yr old males in rehabilitation program, 15093

biofeedback assisted relaxation, lymphocyte blastogenesis & plasma cortisol & white blood cell count, healthy adults, 4721
brain wave synchronizer during root canal with vs without relaxation tape & practice, relaxation as measured with EEG & physiological indicators, adult dental patients, 38724
flotation Restricted Environment Stimulation Technique &/vs imaginal training & relaxation script, motor performance, dart players, 40065
general theory of relaxation based on integrated model of main states of consciousness, 16386
labeling of relaxation techniques as hypnotic relaxation vs relaxation training, self reported relaxation effectiveness, 17–19 yr olds, 22581
laughter vs relaxation training, physiological & psychological stress, healthy 18–42 yr olds, 12713
multifactorial vs unifactorial memory training with encoding operations with vs without attentional skills & relaxation, memory performance, elderly, Sweden, 6 mo followup, 37222
muscular relaxation & mind expansion exercises, anxiety & personality features, females with high levels of PMS, 12 mo followup, 18633
music, stress vs relaxation after waiting with group of strangers, college students, 8794
personal involvement vs relaxation instructions, cognitive performance, alcoholic males, 22007
physical appearance & arousal & relaxation & autonomic tone in etiology, sufferers of cluster headaches, 30038
relaxation & drawing during music therapy, expression & exploration of feelings & memories, institutionalized elderly, conference presentation, 38659
relaxation &/vs response vs stimulus imagery training with sexual fantasy, subjective sexual arousal, female college students, 21440
relaxation vs tension, prediction of lottery numbers & psi conducive states of consciousness, adults, Netherlands, replication, 4426
relaxed vs alert hypnotic states, college students, 44180
slow stroke back massage, BP & heart rate & skin temperature & relaxation, hospice patients, 34913

Relaxation—Chapters

Stress, comfort, and self-appraisal: A panoramic investigation of the dynamics of cognitive processes, 8334

Relaxation Therapy [See Also Progressive Relaxation Therapy]—Serials

applied relaxation vs cognitive behavioral vs nondirective therapy, patients with generalized anxiety disorder, 6 & 12 mo followups, 46190
applied relaxation vs exposure in vivo vs cognitive treatment, 23–56 yr old outpatients with panic disorder with agoraphobia, Sweden, 1 yr followup, 34355
autogenic relaxation training with vs without EMG vs temperature biofeedback, headache activity, chronic headache patients, 6 & 12 mo followups, 22850
biofeedback & relaxation therapy & psychotherapy, female 27–39 yr olds with migraines during & after pregnancy, 22859
biofeedback relaxation & desensitization therapy in airsickness rehabilitation program, Canadian Forces student pilots, 1981–91, Canada, 14774
clinician accompanied &/vs self exposure vs self relaxation & daily homework, adults with agoraphobia vs social vs specific phobia, 18625
cognitive behavior supportive psychotherapy & relaxation training with or without biofeedback, 19–42 yr olds with motor vehicle accident induced posttraumatic headache, 14786
cognitive distraction vs relaxation training, side effects of chemotherapy, 20–77 yr old cancer patients with high vs low anxiety, 22947
compliance with & treatment integrity of relaxation training, 24–48 yr olds with tension headaches, 1 yr followup, 22857
effectiveness of relaxation vs biofeedback training vs general psychotherapy vs cognitive stress coping therapy, patients with chronic headache, 34685
efficacy & cost efficiency of self vs therapist administered program with cognitive & behavioral stress coping & relaxation strategies, 11–18 yr olds with migraine headaches, 1 yr followup, 6881
extent of use of meditation & relaxation techniques in group counseling of adolescents with behavior problems, school counselors, 31437
group cognitive therapy with vs without relaxation training, depressive symptoms & pain & disability, 22–62 yr olds with chronic low back pain, 34700
hypnobehavioral treatment, 45 yr old male with irritable bowel syndrome, 22849
hypnosis & biofeedback & relaxation training & other nonpharmacological treatment of headache, literature review, 26856
hypnosis vs relaxation training, modulation of immune response to stress, healthy adults, 44558
labeling of relaxation techniques as hypnotic relaxation vs relaxation training, self reported relaxation effectiveness, 17–19 yr olds, 22581
light calisthenics & relaxation training, self stimulation, 8–13 yr old developmentally disabled males in group home, 30367
mental training approach to relaxation psychotherapy, 20–48 yr olds with neurotic somatoform disorders, 42214
music & relaxation instruction, pain & anxiety & pulse & respiratory rate during gynecological procedures performed in office, female 17–43 yr olds, 38671
paced respiration vs cognitive coping tape, dental pain & anxiety, 8–11 yr olds, test of classical conditioning model, 34688
progressive relaxation & positive practice & visual feedback, 29 yr old male with spasmatic torticollis, 2 yr followup, implications for role of anxiety, 2766
relaxation & guided imagery & biofeedback, immune system & changes in personality & social support & adjustment, breast cancer patients, replication, 34687
relaxation techniques, chemotherapy induced nausea, cancer patients, literature review, 26851
relaxation therapy & hypnosis, anxiety & stress, adults with neurogenic impairment, 18859
relaxation therapy &/vs cognitive restructuring, adults with generalized anxiety disorder, 2 yr followup, 18511
relaxation therapy, hypnotically medicated vs nonmedicated insomniac vs noninsomniac female 60–80 yr olds, 6 wk followup, 26847
relaxation training & cognitive restructuring & parental counseling method of biobehavioral intervention, children with benign recurrent headaches & their parents, India, 26852
relaxation training, well being & stress, 36–81 yr old breast cancer patients, 14788
relaxation training with imagery & meditation, work stress & psychophysiological health, hospital nurses, Taiwan, 3 wk followup, 31170
repetitive audiovisual brain wave entrainment as relaxation procedure, self efficacy in pain management, male 33 & 39 & 53 yr olds with chronic pain, 14776
self help relaxation training & chlormezanone, headaches & psychological distress, 16–18 yr olds with recurrent tension headache, Sweden, 22838
self management with vs without relaxation vs pharmacological treatment, 8–13 yr olds with bronchial asthma with vs without high trait anxiety vs emotionally triggered attacks, 6 vs 12 mo followups, 30588
standard rehabilitation with vs without relaxation & coping training & contingent reinforcement for exercise, functional status, 18–63 yr olds with low back pain, 6 mo followup, 7179
stress or relaxation intervention, in vitro immune response, adults, meta analysis, 36696
stretch based vs tense release relaxation treatment, adults with chronic neck tension, 6931
substance abuse treatment with vs without behavior therapy vs muscle relaxation therapy, substance abusing 21–48 yr olds with obsessive compulsive disorder, 23244
taped relaxation message, dyspnea & anxiety, 36–86 yr olds with chronic obstructive pulmonary disease, 42557

video distraction &/vs relaxation, chemotherapy induced anticipatory vomiting, male 29 yr old with adenocarcinoma of stomach, 2751
Relaxation Therapy [See Also Progressive Relaxation Therapy]—Chapters
A coping/rest model of relaxation and stress management, 34612
In search of an optimal behavioral treatment for hypertension: A review and focus on transcendental meditation, 10804
Isolation, anxiety reduction, and health, 10760
Relaxation training for children, 46323
Use of relaxation, 30590
Relearning—Serials
expression of anger vs sadness during extinction in learning task, subsequent relearning, 2–8 mo olds, 21184
ventral hippocampal arginine vasopressin or antiserum, retrieval & relearning in visual discrimination & immunoreactive fiber changes after medial amygdaloid nucleus lesion, male mice, 32667
Reliability (Statistical) [See Statistical Reliability]
Reliability (Test) [See Test Reliability]
Religion [See Also Related Terms]—Serials
betrayal of trust & redemption in psychotherapeutic process, adult female with history of multiple abuses by family & professionals & terminal breast cancer, conference presentation, 34370
constructivist perspective on phylogenetic dimension of & mysticism & reality & illusion in Freud's views of religion, commentary, 25608
contributions of psychoanalytic theory to understanding of religion, commentary, 1233
contributions of psychoanalytic theory to understanding of religion, 1232
cultural & theological & theoretical barriers to integration of Christian faith with graduate psychology training, 3194

REM [See Rapid Eye Movement]

REM Dreams—Serials

nighttime verbalization & recall of mental sleep experience after wakening from REM sleep, morning recall, male college students, Italy, 8391
reflective awareness during REM dreaming, young adults, 8390

REM Sleep—Serials

acetylcholinesterase inhibitor SDZ ENA 7113, sleep EEG & REM density, 18–40 yr old males, 20880
albinism, dark pulse triggered paradoxical sleep, male Lewis vs brown Norway hybrid rats, 4555
auditory stimulation, REM sleep duration & time, 3–6 vs 22–24 mo old male rats, 12625
biperiden during REM sleep deprivation, REM sleep attempts, healthy adults, 754
biperiden, nap REM sleep after sleep deprivation, depressed adults, 6719
carbamazepine, REM sleep behavior disorder, male 68 yr old, case report, 26871
cholinergic stimulation with RS 86, slow wave sleep & REM latency, 22–60 yr olds with major depression vs anxiety disorder, 17692
clomipramine induced tonic mentalis EMG activity, cortical reactivity in NREM vs stage 1 vs REM sleep, 20–24 yr olds, 44493
clonazepam, scoring of tonic & phasic features of REM sleep, 45–66 yr olds with REM behavior disorder, 2804
content & structured dimensions & memory sources & other features of slow wave vs REM sleep dream reports, 19–26 yr olds, 20351
CSF delta sleep inducing peptide-like immunoreactivity & slow wave sleep & REM latency, schizophrenic 24–45 yr old males, 21837
dissociated states during wakefulness &/vs REM &/vs NREM sleep, patients with neurological or sleep or other disorders, 2149
dream characteristics & REM density & segment length, 22–69 yr olds with insomnia vs narcolepsy, 38113
EEG diagnostic markers in computer selected tonic REM sleep, patients with mild Alzheimer's disease, 10398
electro oculographic potential contamination, spectral power & coherence & hemispheric asymmetry in REM sleep EEGs, healthy 21–28 yr old males, 8731
eye movements during REM sleep, male veterans with schizophrenia vs major depressive disorder, 45366
heart rate circadian rhythm & central temperature, REM latency, 28–60 yr olds with major depression, implications for biological markers, 29634
hippocampal cellular conditioning during paradoxical vs slow wave sleep vs wakefulness, male rats, 571
iv clonidine hydrochloride, REM sleep response, depressed patients, 2668
nefazodone, REM sleep, healthy adult males, 4924
NMDA receptor antagonist NPC 12626, REM & NREM sleep & sleep wake states, male rats, 12898
paradoxical sleep deprivation, memory for shock avoidance conditioning, male rats, 40260
partial sleep deprivation, EEG during REM sleep & wakefulness, male college students, 32257
pilocarpine, REM sleep parameters, depressed patients, 29616
pressure stimulation of leg muscles during REM sleep, kinesthetic content of dreams, 25–45 yr olds, 44187
quantitative analysis of EEG during tonic REM sleep, patients with probable Alzheimer's disease, diagnostic implications, 10380
R index & REMs during nocturnal sleep, male autistic 10.5–15 yr olds, 26043
reliability of quantitative tonic REM EEG, differential diagnosis of dementia, patients with Alzheimer's disease vs major depression, 45333
REM & NREM sleep features & abnormalities, schizophrenic patients, literature review, 37750
REM & sleep latency, adolescents with endogenous depression, 13726
REM latency & cholinergic function, 19–43 yr old schizophrenics, 9859
REM sleep & dreaming, retention & search activity restoration, humans, 20706
REM sleep & memory & cognitive function, schizophrenic 19–46 yr olds, conference presentation, 17830
REM sleep behavior disorder, 12–74 yr olds with narcolepsy, 2163
REM sleep deprivation, chloride & magnesium adenosine triphosphatase activity in brain, male rats, 40391
REM sleep deprivation, elderly with mixed vs pure depression & dementia symptoms, 9701
REM sleep vs wakefulness, spectral analysis of EEGs in right vs left temporal regions as biological marker, 53–66 yr olds with mild to moderate Alzheimer's disease, 6396
REMs & oneiric behaviors during REM sleep without postural muscle atonia, cats, 12665
ritanserin &/vs zimeldine, waking behavior & REM & slow wave sleep, cats, 24984
RS 86, REM sleep latency, healthy members of families at high risk for psychiatric disorders, 13677

REM Sleep—Chapters

Connectionism and sleep, 31728
Data constraints on theorizing about dream function, 28353
The effect of postawakening differences in activation on the REM–NREM report effect and recall of information from films, 8421
An integrated approach to dream theory: Contributions from sleep research and clinical practice, 28354
Napping behavior in narcoleptic patients: A four-hour cycle in slow wave sleep, 18257
REM sleep and dreams as mechanisms of the recovery of search activity, 28362
REM sleep and learning: Some recent findings, 28363
Transmutative and reproductive properties of dreams: Evidence for cortical modulation of brain-stem generators, 8736

Remarriage—Serials

adaptation of behavioral marital therapy, couple in 2nd marriage, followup, 42322
cultural beliefs & financial responsibility for children following divorce & remarriage, parents, 37315
divorce & remarriage of adult children, grandparenting & kinship network, elderly, 17334
family & marital relations, adults married in later life with Alzheimer's disease & their older stepfamilies, implications for caregiving, 30208
kinship hierarchy power structure & religious support, funeral speech & refusal of male domination & remarriage, widows in Samia society, Kenya, 21402
parental divorce & remarriage, personality traits, male vs female young adults, South Africa, 9612
parental divorce or remarriage, adjustment & academic performance, elementary & secondary school students, implications for school based assessment & intervention techniques, 39308

remarriage, female vs male 55 yr olds & older, Canada, erratum, 29241
severity & type of disability, family composition & relationships with & stable vs reconstituted marital status of parent figures, disabled 12–20 yr olds, Great Britain, 1535
sex, adjustment to divorce & remarriage & relationship with single parent & siblings & stepfather, 11.5 yr olds, 2 & 6 yr study, conference presentation, 9249
Remarriage—Books
Family transformation through divorce and remarriage: A systemic approach, 46346
Marriage, divorce, remarriage (rev. and enl. ed.). Social trends in the United States, 13307
Remarriage—Chapters
Nonresidential parent–child relationships following divorce and remarriage: A longitudinal perspective, 33117
Remedial Education [See Also Remedial Reading]—Serials
academic assistance from campus developmental learning center, learning disabled vs nonhandicapped high risk college students, 47301
Adlerian Reading & Writing Question in reading & language arts instruction & remediation, 15–16 yr old males with reading & writing problems, 11556
background variables, perceived effectiveness of transition classes for students not ready for traditional grade, 1st grade teachers, 39161
computer network system & linguistic & computer competence, quality of written essays, high school students in remedial writing classes, 27465
intensive remediation curriculum, academic intrinsic motivation, male at risk learning disabled 10–12 yr olds in short term residential summer school, 27589
links between psychoeducational assessment & process based instruction & remediation, 28073
remedial science program, control of variables & drawing logical conclusion skills, preservice elementary school teachers, Israel, 3295
repeated testing & teachers' effects, achievement in remedial mathematics course, college students, 19602
standard word vs contextualized problems in videodisc instruction, problem solving skills, 9th graders in remedial mathematics classes, 47264
validity of adaptive testing system, cognitive diagnosis of knowledge states, 7th–8th graders, implications for remediation, application of rule space model, technical report, 31983
Remedial Education [See Also Remedial Reading]—Books
WISC III compilation, 35250
Remedial Education [See Also Remedial Reading]—Chapters
Developing self-sufficient learners in reading and mathematics through self-instructional training, 3582

Learning disabilities and public policy: Myths and outcomes, 35470
Remedial Reading—Serials
Adlerian Reading & Writing Question in reading & language arts instruction & remediation, 15–16 yr old males with reading & writing problems, 11556
computer based orthographic & speech segmented feedback, reading remediation, reading disabled elementary school students, 3561
computer based speech support & reading remediation, reading comprehension, 11–14 yr olds with reading disabilities, Sweden, 35303
creative drama instructional strategy, reading comprehension skills, 5th grade remedial readers, 3541
evaluation of studies of Reading Recovery Program effectiveness, research review, 27411
implementation of Reading Recovery Program, reading level outcomes, at risk 5.8–6.5 yr olds, New Zealand, 27424
irrelevance of diagnosis of underlying cause in implementation of effective reading instruction programs, children with reading disabilities, 27577
macroprocessing & microprocessing strategies instruction, text learning, high school remedial students, 47270
multisensory remedial reading instruction, reading disabled delinquent male 13–18 yr olds, 15524
pull-in vs pull-out approaches to reading service delivery, achievement & time spent in reading vs nonreading activities, 2nd–5th graders in special or remedial education, 3546
Reading Recovery Program with vs without systematic instruction in phonological recoding skills, 1st grade at risk readers, 23491
SES & culture, SEARCH/TEACH perceptual remediation vs traditional phonetic tutoring, kindergartners at risk for reading failure assessed at 1st & 2nd grade, longitudinal study, 3360
topic interest & prior knowledge, student generated test questions, college students in developmental reading course, 15519
whole language vs skill based approaches, reading & phonics & comprehension & cooperative learning, children with reading disabilities, 11549
Remedial Reading—Chapters
Collaborative instruction for reading comprehension: The role of discourse and discussion, 3578
Illiteracy in adults: Results from a survey study of a reading and writing tutorial program for adults, 43336
Remembering [See Retention]
Reminiscence—Serials
autobiographical memory & dysfunctional attitudes, depressed adults, 7 mo study, 25756
autobiographical remembering & self composition & personal constructs, 25532
clarity of recall of 1st date together & shared vacation & recent argument, 22–76 yr old wives vs husbands, 17323
clinical/reminiscence vs cognitive/experimental approach to cognitive aging research on autobiographical memory, 33010
completion of depression inventory prior to testing, recall of mood congruent autobiographical memories & affectively toned words, dysphoric vs nondysphoric college students, 17762
counterfactual thoughts about past life events & life options closed off, college students & adult females, 21539
creative programing & reminiscence activities, elderly in residential care, 23112
differences & similarities & commonalities in reminiscence vs life review nursing interventions, elderly & other patients, 34827
distance vs location vs relative time of occurrence theories of memory for time of past events & chronological aspect, adults, literature review, 16337
emergence of autobiographical memory, 4 yr olds, 952
feasibility of Egna Minnen Betraffande Uppfostran, assessment of recollections of parents' childrearing behavior & styles, 7–12 yr olds, Spain, 31823
guided autobiographical group, reconstruction of past life experiences, 60–68 yr olds, Spain, 40974
habituation to problems of & reminiscence about shift work, male 44–86 yr old former police officers with new daytime job, UK, 27737
historical & personal nostalgia in contemporary advertising text, 27781
imaginary scrapbook using neurolinguistic programing principles & recall therapy & guided reminiscence & lifebook method, symptoms during aftermath of clinical depression, elderly male, case report, 34599
life review reminiscence activities, depression & self esteem, 69–91 yr olds, 33041
life revision & regretfulness & reminiscence, life satisfaction in later life, rehired 54–91 yr olds, implications for intervention, 37212
method of self investigation in narrative metamodel of life span development, commentary, 21145
method of self investigation in narrative metamodel of life span development, 21135
narrative styles in reminiscence with sons vs daughters, mothers vs fathers of 3 yr olds, 33132
recall & perceptions of autobiographical memories, depressed vs nondepressed 66–93 yr olds, 25795
reminiscence as tool in historical research on self care & healing & value for personal growth, 65–96 yr old Southerners, 21295

reminiscence behavior, female 65–95 yr olds, 21292
reminiscence groups using traditional verbal format vs psychodramatic techniques, group functioning, 62–87 yr old geriatric psychiatric patients, 34456
reminiscing modalities & therapeutic usefulness of life review, life satisfaction & self esteem & depression & psychological well being, 60–99 yr olds, 29112
resocialization & reminiscence vs attention control group treatment, cognitive vs social accessibility, confused 63 yr old & older nursing home residents, commentary & reply included, 11037
retention interval & degree of event knowledge & event aspect cue uniqueness, recall of autobiographical event information, 18–23 yr olds, 8340
shift to focus on narrative truth & hermeneutics in psychoanalysis vs Freudian position on role of reminiscence in symptom formation & treatment, male analysand, conference presentation, 34514
utility of oral history narratives of wartime trauma for PTSD diagnosis, female Vietnamese refugees, 25873

Reminiscence—Chapters

Autobiographical memory, 32245
Conceptually-based Interpersonal Process Recall (IPR) of change events: What clients tell us about our micro theory of change, 6638
The construction of subjective experience: Memory attributions, 44170
Long-lasting cognitive and social consequences of emotion: Social sharing and rumination, 9659
Reminiscence and life review with persons with dementia: Which way forward?, 46123
Storage, forgetting, and retrieval in the anterograde and retrograde amnesia of Alzheimer dementia, 14398

Remission (Disorders) [See Also Spontaneous Remission, Symptom Remission]—Serials

aversive stimulation, skin resistance & acquisition vs extinction sensitivity in operant conditioning, female currently vs remitted depressed patients, 17766
characteristics of remissions interrupted by early relapses, schizophrenic 17–70 yr olds, Russia, 1731
clinical remission due to drug or cognitive therapy, EEG sleep parameters, patients with major depression, 41539
cortisol secretion, remitted depressed elderly, 45475
disease severity & social functioning & clinical predictors & auditory P300 amplitudes, remitted vs residual schizophrenic 19–68 yr olds, 45535
duration of illness before treatment, time to & level of remission & outcome, 1st episode schizophrenic patients, 3 yr followup, 9867
dynamics of multiepisode schizophrenia with brief remissions, 38–84 yr olds, 1729
electrodermal orienting response during acute vs remission period, schizophrenic male adult, 29700
need for consensus definitions of remission & recovery, depressed patients, letter, 37709
PMS during vs after remission of major depression, females, 9747
P300 changes & clinical symptoms & neuropsychological parameters during acute vs remitted stages, schizophrenic adults, 5868
remission of obsessive compulsive disorder following right temporal lobectomy, 30 yr old female with intractable partial complex seizures, case report, 42602
standardized test meal, plasma norepinephrine, acutely ill vs weight recovered females with anorexia nervosa, 6189

Repairmen [See Technical Service Personnel]

Repeated Measures—Serials

alternative randomization tests for extensions & variations of ABAB single case experimental designs, 16077
approaches to statistical analysis of behavioral medicine data with repeated observations, 42536
artifactual regression to group means for extreme or other selection attributes in pretest-posttest designs, applications to assessment of educational intervention impact, 20140
base free measurement of change in structural equation modeling approach in longitudinal 2 or more wave panel design, 36017
comparison of trimmed means in analysis of repeated measures & randomized block designs, 39926
configural frequency analysis in repeated measurement designs & longitudinal data, comparison with residual analysis for log linear modeling, 12101
efficacy of gain scores vs posttest vs ANCOVA measures in analysis of simulated pretest-posttest control group experiments, 8115
hindsight bias in repeated measures design, recall of estimated confirming votes in C. Thomas Senate confirmation hearings, college students, 1 mo followup, 36230
independent groups vs repeated measures experimental designs, sensitivity to psychomotor effects of lorazepam, 20–22 yr olds, England, 4789
methods for deriving measures of treatment effect for interrupted time series designs for meta analysis, application to behavior therapy, 42286
power comparisons of tests for sphericity in repeated measures designs, 172
radiant heat stimulation of skin surface, slope of temperature change during repeated measurements in pain RT, 18–20 yr olds, 43942
utility of repeated self report measures of sleep quality & amount, 18–47 yr old college students, 20697

Repeated Measures—Chapters

Analyzing means from repeated measures data, 20156
Learning potential testing: The effect of retesting, 35806
Repeated measures: Groups X occasions designs, 43920

Repetition (Compulsive) [See Compulsive Repetition]

Replication (Experimental) [See Experimental Replication]

Repression (Defense Mechanism)—Serials

age & sex & repressive coping, blood lipids & cholesterol, healthy adults, 20762
defense mechanisms & repression types, adults with self defeating personality disorder vs other personality disturbances, 25882
evolution of psychoanalytic concept of repression, 1890s to 1990s, conference presentation, 25615
experience of shame & use of repression as defense, implications for counseling practice, 14506
family environment & repressive adaptation, adolescents referred for psychiatric evaluation, 21731
perspectives on repressed memories of childhood sexual abuse & recent lawsuit legislation, implications for psychotherapists, 37888
psychoanalytic interpretation of blackouts as repression & efficacy of 12 step recovery process, alcoholics in Alcoholics Anonymous, 35033
repressive amnesia for childhood sexual abuse, adults, 33736
repressive coping style vs high vs low anxiety, allocation of visual attention to threatening stimuli, college students, 29418
repressive defense style & respiratory stridor, female 13–15 yr olds & male 12 yr old with somatoform disorder, 30072
repressive discreteness at time of encoding & appraisal of single & crowd facial expressions of emotion vs geometric shapes, adults, 12280
repressive style of adaptation, depressive symptomatology, 12–18 yr old cancer patients vs healthy high school students, 22302
self organizing processes & implicit vs explicit anxiety to threat & relation to repression, patients, implications for psychotherapy, 25699
shift in fixed pictorial iconic to symbolic representation following recovery of repressed memory, 12.5 yr old male in psychoanalysis for obsessive compulsive symptoms, case report, 46393

Repression (Defense Mechanism)—Chapters

Avoidance of emotional processing: A cognitive science perspective, 13557
Repression: The mechanism and the defense, 33357
Why do traumatic experiences sometimes produce good memory (flashbulbs) and sometimes no memory (repression)?, 24477

Repression Sensitization—Serials

expertise of source & strength of counterattitudinal message, attitudes & cognitive responses, repressors vs sensitizers, 29413

individual differences in responses to psychological or pharmacological preparation for medical procedures, patients with repressive coping style vs truly low anxiety, 46662
repression sensitization & recovery from learned helplessness, performance on solvable anagram, college students, 5642
Reproductive Technology—Serials
assisted reproductive technology & disclosure of biological origin, psychological development & parent child relationship, parents & their children, conference presentation, 26917
attachment & early experiences with death & its correlates & development of alternative reproductive strategies, humans, application of life-history theory, commentaries & reply included, 25082
biopsychosocial systems approach to medical family therapy & reproductive technology, infertile couples, 6880
coping following failed in vitro fertilization, depression & self esteem & confidence, infertile female 22–40 yr olds, 22917
coping style & prolactin & cortisol stress response to oocyte retrieval & embryo transfer, pregnancy rates, females under in vitro fertilization treatment, Belgium, 30615
depression & 1st time vs repeat cycle status, pregnancy rate after in vitro fertilization/embryo transfer, females, 46700
expectations & experiences concerning failed in vitro fertilization, female 24–44 yr olds, 6 mo followup, social work implications, 22888
feminist & psychological perspectives on ethical & professional issues in reproductive technology, psychologists, 43141
in vitro fertilization procedure vs outcome as source of psychological stress, Iranian females, UK, 26870
knowledge of & cultural attitudes toward artificial donor insemination, fertile vs infertile 19–50 yr olds, Cameroon, 10838
knowledge of children conceived by & attitudes toward donor insemination, pediatricians, Canada, 34751
medical & social dilemmas of assisted reproduction, 18908
previous irreversible vasectomy, request for & outcome of donor sperm insemination & marital quality, couples attending infertility clinic, 46671
socioeconomic & cultural variables, motivation for seeking infertility treatment, Iranian wives vs husbands, England, 6905
wife's agency & dynamics of marital bargaining in in vitro fertilization, infertile males & their wives, 30641
Reproductive Technology—Chapters
Infertility and the new reproductive technologies, 45943
Infertility: Private pain and secret stigma, 26220
Republican Party [See Political Parties]
Research [See Experimentation]
Research Design [See Experimental Design]
Research Methods [See Methodology]
Research Subjects [See Experimental Subjects]
Resentment [See Hostility]
Reserpine—Serials
repeated reserpine, D1 & D2 dopamine receptors' synergistic interaction in stereotypy production vs oppositional interaction in quinpirole induced atypical jerking, male rats, 44693
reserpine, stereotyped behavior after feeding time, restricted fed broiler breeder fowls, 36876
reserpine with vs without other drugs, swimming behavior, male rats, implications for screening of & research on antidepressants, 4965
8-OH-DPAT vs imipramine with vs without propranolol vs NAN-190, locomotor activity in forced swimming wheel test, male reserpinized mice, 32645
Residence Halls [See Dormitories]
Residency (Medical) [See Medical Residency]
Residential Care Attendants [See Attendants (Institutions)]
Residential Care Institutions [See Also Halfway Houses, Hospitals, Nursing Homes, Orphanages, Psychiatric Hospitals]—Serials
abuse in out of home care, children, 2993
active treatment program, nonadaptive behavior during leisure periods, severely or profoundly retarded adults in residential unit, replication, 23149
adaptations of physical environments of institutions for accommodation of sensory & cognitive changes & social interactions, elderly residents, 19131
advance fee vs fee for service arrangements in continuing care retirement communities, 46865
age & residential placement, adaptive behavior & possible presence of Alzheimer's disease, under 30 to over 60 yr olds with Down's syndrome, England, 18113
aggressive incidents, male moderately to severely mentally handicapped residents of long term care center with vs without psychiatric diagnosis, Ireland, 34929
AIDS & HIV policies of residential mental health care facilities, emotionally disturbed adolescents, Canada, 42841
application of feminist self-in-relation theory to behavior & social & physical & emotional development, female adolescents in residential treatment center, 34932
arguments for & use of short vs long term residential treatment, severely emotionally disturbed 12 yr old male in treatment since age 5, 38936
attitudes toward & expectations about individual helping process, decision to continue process, 10–16 yr olds in residential care & their social workers, Israel, 34930
behavioral problems & characteristics of facility, Alzheimer's disease patients in long term care facilities with vs without special Alzheimer's disease units, 27092
child vs institutionally oriented care practices & child management, residential children's vs special foster homes, England, 26992
cognitive & behavioral & expressive treatment approach, aggressive behavior, resistant youths in residential treatment settings, conference presentation, 15019
community vs institutional setting, types of burden felt in caregiving for cognitively impaired elderly, 24–87 yr old spouse vs nonspouse caregivers, 19105
concurrent validity of staff reported Child Behavior Checklist, severely emotionally disturbed adolescents in residential treatment centers, 31930
creation of integrated healing environment in residential treatment settings, emotionally disturbed children & adolescents with history of emotional deprivation, 34935
critical success variables as tools for service quality building in residential care for behaviorally disordered & emotionally disturbed youth, child care workers & supervisors, 38924
demographic characteristics & family & youth functioning & stress & prior services used, 10–17 yr olds referred for residential mental health treatment, 38935
demographic characteristics & family involvement & contact, 4.8–18.8 yr olds with mental retardation &/vs psychiatric disorders in residential treatment settings, 42843
development of resident classification system, assessment of nursing care requirements, residents of long term nursing homes & auxiliary hospitals, Canada, 15017
difficulties in community based substance abuse programs in residential settings for emotionally disturbed children, practitioners, conference presentation, 15116
dining skills by professional & direct care staff in normalized group setting, profoundly disabled 28–45 yr old residents, 1 & 2 mo followups, 30910
early developmental disruptions or losses, stability of living arrangements, seriously mentally ill sheltered care residents, 10 yr study, 11077
economic costs of community residential facilities, mentally handicapped adults, England, 2996
effect of social environment of residential care, elderly with senile dementia, UK, 42847
employee & organizational characteristics & resident & event specific variables, seriousness of adverse incidents in residential facilities, employees, 38932
environment & staffing levels & rehabilitation outcomes at hospital hostel, patients transferred from psychiatric hospital, England, 46861
establishment of public & private residential schools & transition to custodial care, mentally retarded, 1850–70, 31386

evaluation & cross cultural replication of community based residential treatment program, 14–19 yr old juvenile delinquents, Netherlands vs Canada, 14997
evaluation in development of residential service, mentally handicapped adults, 3018
evaluation of anger control group, aggressive behavior & anger, 11–17 yr old males in residential treatment, 46868
evaluation of care, elderly with senile dementia in long stay hospitals vs cantou form of communal nonmedical care, France, 7161
evaluation of supportive housing program, former residents with history of psychiatric illness, Canada, 2989
expressed emotion in relationships & staff stress & coping & job satisfaction, long term residential care staff & 22–76 yr old mentally ill patients, England, 30913
family participation in outreach program, changes in structure & quality of social support networks, addiction treatment center patients, 3100
family systems perspective on residential care, dysfunctional children & family members, 30916
family therapy, reestablishment of parent child connections & preparation for real world, children & adolescents in residential psychiatric treatment, 34926
Federal Bureau of Prisons residential drug abuse treatment strategy, incarcerated offenders, 46969
friendship & relationship patterns, developmentally disabled 20–38 yr olds living in community homes vs large residential facility, 30740
friendship & social interaction with kin & nonkin within or outside community, 65–94 yr old residents of continuing care retirement community, 7129
group treatment dynamics, chemically dependent adolescents in residential treatment, 3065
Hearing Education & Access for Residents Project, staff education & patient communication & care & quality of life, 40–106 yr old hearing impaired residents of continuing care facilities, Canada, 27080
insurance coverage for & system structure & use of residential mental health care services, children & adolescents with mental disorders, 23106
integrated model of special needs adoption & residential treatment, 6–12 yr olds, conference presentation, 15027
interaction with special health service residential unit staff, 16–38 yr olds with profound intellectual disability, England, 34920
issues in residential care, children, 42877
issues in residential treatment centers, gay & lesbian adolescents with psychological problems, 34931
junior life skills instruction, self esteem & self sufficiency, 7–13 yr olds in out of home care, conference presentation, 14985
living arrangements, elderly married couples in long term care institutions, Canada, 2988
maltreatment in out of home settings, children, 1984–90, 17950
management of cycle of disruptive behavior in residential care center, disturbed children, 27079
memory performance & health & medication & self care & social activity, 70–95 yr olds in Part III residential care homes, 30906
mentally dysfunctioning elderly unit, elderly with dementia & aggressive & elopement behavior, Canada, 23118
model licensing requirements for restrictive behavior management, emotionally disturbed assaultive children in residential treatment facilities, implications for positive reinforcement methods, 19127
model of short term residential treatment, disturbed adolescents, 38931
morale & satisfaction with environment & life, elderly healthy residents housed with residents with dementia in long term care facilities, 46870
move from hostel to small group homes, quality of life, adults with severe or profound mental handicap, 2 yr study, 2911
multidisciplinary team based individualized residential treatment, children & adolescents with psychiatric disorders, 3 mo followup, comparison with data on acute psychiatric hospitalization, 15015
myths of everyday life in provision of safe environment in residential & other care settings, professionals treating disturbed or displaced children, 27089
needs assessment for residential services for chronically mentally ill elderly, community mental health agencies, 30914
number of dosages of psychotropic prescriptions, mentally ill adults in nursing vs group homes vs residential care facilities vs independent apartments, 22717
outcome of intensive residential center program, patients with acute behavioral or emotional &/or alcohol or drug abuse problems, 1988 vs 1989, 11036
parent rated effectiveness evaluation of residential mental health program & use in decision making, troubled 6–15 yr olds, Canada, 15024
peer death, reactions related to own death & perceptions of institutional environment, institutionalized elderly, Canada, 7124
perceived success & ranking of domiciliary discharge dispositions, Department of Veterans Affairs Medical Center staff, 23180
perceptions of residents' autonomy & choice regarding daily living activities, 65–98 yr olds in long term institutions vs nursing staff, Canada, 15020
perceptions of staff support & development program, multidisciplinary personnel of residential special school for children with emotional & behavioral problems, England, 31095
personal competence & community adjustment factors, mentally retarded infants to 79 yr olds living in small residential care facilities, 11030
plan for residential placement of child, well being, 55 yr old & older mothers of mentally retarded adult children, Ireland vs Northern Ireland, 46871
prediction of activities preferred by severely retarded adults, residential program staff members, 41877
prevalence of & treatment procedures for severe behavior disorders, mentally retarded residents in community vs institutional settings, 14935
prevalence of HIV, residents of facility for mentally retarded, 27086
prevalence of mental disorders, 26–99 yr old residents of long term care facilities, replication, 46869
private sector delivery of community residential care & partial hospitalization, mentally ill adults, 11031
professionalization & conception of role, residential youth care workers, Israel, 43096
program design & identification with goals of therapeutic community, disturbed adolescents in residential treatment, 30918
psychoanalytic interactional therapy & other services within residential care facility, mentally handicapped patients with behavioral or other psychiatric disorders, Germany, conference presentation, 23100
psychoeducational residential & day treatment center, adjustment, emotionally troubled 5–14 yr olds followed up at ages 18–27, 30921
psychotropic drug use & prescribing & monitoring problems, nursing home & long term care facility clients, literature review, 19124
public health approach to eradication of pinworm infestation, developmentally disabled in community residential care, 2990
public policy shift from residential mental health treatment to family centered community based system of care, troubled children & adolescents, 38836
resident classification system, assessment of nursing care requirements, 11–112 yr old residents of long term care nursing homes & auxiliary hospitals, Canada, 15018
residential care needs assessment, patients dually diagnosed with chemical dependency & psychiatric disorders, 30912
residential care vs private accommodation, self concept, 74–82 yr olds, 2986
residential management issues for child care workers, youth with character disorder, 42848
residential peer group rehabilitation program, self perceived attitudinal change, delinquent male 13–17 yr olds, 7281
residential rehabilitation program, alcoholic 22–72 yr old males, Sri Lanka, 2 yr followup, 15094

residential treatment program, psychiatric symptoms & substance abuse & community adjustment & housing status, homeless veterans, 3 mo followup, 11035
role & external influence of social group work in institutions, residents, 34933
role of religion in residential treatment, troubled children & adolescents, 30911
roles & issues in quality & control of life activities in residential care settings, elderly & recreation professionals, 42852
roles & responsibilities & training needs, adult foster care home specialists, 31115
sanction & social control, female delinquent 13–17 yr olds in residential treatment & staff of Catholic nuns, 31061
satisfaction with services at residential youth treatment center, 8.5–17.8 yr old clients & their parents or guardians & social worker & cottage therapists, Canada, 34928
service needs in out of home care settings, gay & lesbian adolescents, conference presentation, 14984
services & funding & staffing & other characteristics of residential & mental health treatment centers, emotionally disturbed children & adolescents, 1988, 10954
Skills for Residential Care Workers training program, ability to handle difficult group situations, 21–47 yr old child care trainees, Netherlands, 19121
social environments of community homes, adult mentally ill patients, 30908
social issues & history of mental health group homes & alternative adult residential care, 11034
"Soteria Berne" residential program providing psychotherapy & sociotherapy & milieu therapy, acute schizophrenic 17–35 yr olds, Switzerland, 19117
staff behavior management style, model of staff resident behavior, residential treatment facility staff & residents, commentary with reply included, 2998
staff behavior management style, model of staff resident behavior, residential treatment facility staff & residents, 2985
staff management procedures, time spent on target categories, stimulative custodial care & training for severely & profoundly retarded clients, residential staff, 39103
structures & procedures for prevention of child abuse in therapeutic communities, adolescents & children & staff in residential care, 30919
support from caregivers' personal networks & relationship with caregiver, health & use of residential care homes, elderly, 30903
tea party group program for social needs & staff training, residents with behavior problems & primary care staff of geriatric long term care facility, Canada, 34937
therapeutic humor, quality of life, elderly residents of long term care facilities, 1 yr study, 38930
time sampling direct observation procedures, assessment of quality of care, developmentally disabled adults in residential facilities, 46895
time spent in & characteristics of unstructured activities, mentally retarded adults in minigroup homes vs intermediate care facilities, 34934
Upswing cooperative extension workshops, staff of long term care facilities who work with residents' councils, 15244
use of art & culture at Sonia Shankman Orthogenic School, disturbed children & adolescents, 42851
use of formal scales in assessment, agencies providing residential services to mentally ill, 27084
verbal communication with special health service residential unit staff, 16–38 yr olds with profound intellectual disability, England, 34921
victim & perpetrator characteristics & time & day of incident & oral report of child abuse & neglect, 1–17 yr olds & staff in residential care institutions, 17894
welfare, increase in births & demise of residential homes as means of socialization & prevention, unwed mothers, 30836
5 stage process for dealing with suicide in residential care facility, child care staff, 33775

Residential Care Institutions [See Also Halfway Houses, Hospitals, Nursing Homes, Orphanages, Psychiatric Hospitals]—Books
Basic psychological skills for front-line staff of residential youth facilities, 39083
Managing change in old age: The control of meaning in an institutional setting. SUNY series in anthropology and Judaic studies, 15028
Residential services and developmental disabilities in the United States: A national survey of staff compensation, turnover and related issues. AAMR special publications, 31082
Victims of dementia: Services, support, and care, 46873

Resonance [See Vibration]

Resource Teachers—Serials
consultancy, development of service plan, special education school staff & learning support teachers, 15345
discourse characteristics of computerized interactive journal writing, learning disabled 4th–6th graders & their resource teachers, 3567

Respiration—Serials
abnormal respiratory movements, neuroleptic treated schizophrenic or bipolar or mentally handicapped 29–93 yr olds with typical tardive orofacial dyskinesia, 17668
autonomic physiological mechanisms of respiratory sinus arrhythmia, 30146
breathing retraining, patients with hyperventilation syndrome &/or panic disorder, research review, commentary, 46302
breathing retraining with cognitive restructuring &/or graded self exposure in vivo, 22–60 yr olds with panic disorder or agoraphobia, reply to reinterpretation of data, 6582
breathlessness, perceived exertion, female college students with mild asthma, 6268
clinical & therapeutic aspects of sleep related respiratory resistive loads with vs without associated obstructive apneas, infants & children, conference presentation, 26173
comeditation, state & trait anxiety & respiration rate, college students, 653
discrimination training, recognition of respiratory sensations, healthy female adults, 40478
electrical stimulation of olfactory bulb, dentate gyrus rhythmical slow activity & jumping & sniffing, male rats, 20684
ethyl-beta-carboline-3-carboxylate with vs without buspirone vs lorazepam vs flumazenil vs SR 95195, respiration & CRs, rhesus monkeys, 32715
heart rate & respiration during placebo procedures or situationally provoked vs lactate induced panic attacks, patients with panic disorder or agoraphobia with panic attacks, 37792
heart rate & respiration measurement of mental load & arousal, pilots, 16703

heart rate & respiratory vs performance & subjective measures of cognitive activity & workload, workers, 16708
hypnotic susceptibility & stress management techniques of progressive relaxation vs hypnosis vs deep abdominal breathing, skin temperature & pulse rate, nursing students, 28636
incidence & severity of self reported snoring, male vs female college students, 639
length & intensity of utterance & respiratory phase, prephonatory chest wall movements at voice initiation in RT task, 20–31 yr olds, 12656
location & social environment & behavior & mood, inhibitory breathing, 20–57 yr olds, replication, 16690
locomotive processes & respiratory biomechanical by-products, short ultrasound vocalization & communication, rodent species, 12629
marihuana smoking & breath holding, associative processes & semantic memory & psychomotor performance, male 18–42 yr olds, 20808
measurement of heart rate & respiration in effort & mental efficiency in applied settings, 16697
medial frontal cortex lesions, respiration & immobility & ultrasonic vocalization during conditioned emotional responses, male rats, 20527
metoprolol induced beta adrenergic blockade or auditory stimulation, respiratory sinus arrhythmia amplitude during cardiac defense response, 18–25 yr olds, implication for parasympathetic cardiac control index, 24831
morphine hyperalgesia, thermal nociception vs respiration & response latency, 3 vs 5 vs 7 vs 14 day old chicks, 4826
peak flow respiratory performance & control, intellectual performance, children, analysis of evolution of mind, 36969
pretrigger brain slow waves & heart rate & respiration, shooting performance, marksmen vs novice shooters, Finland, 19767
psychophysiological measurement of heart rate & respiration & relation to study of cognitive processes, 16658
reflexive connection between frontal muscle tension & voluntary control of airway resistance, asthmatic 19–66 yr olds in respiratory resistance biofeedback treatment, 22865
repeated mental stressors, stability of cardiovascular reactions of heart rate & systolic & diastolic BP & respiratory rate, adults, followups, 20749
respiration & oxidative phosphorylation of brain mitochondria, high vs medium vs low active vs depressive rats, translated article, 28528
respiratory & cardiac rhythm in assessment of physiological adaptation to behavioral changes, 16689
respiratory vs amplitude biofeedback with vs without respiratory instructions, respiratory sinus arrhythmia amplitude self regulation, 18–26 yr olds, 20766
simplified regulated breathing training with social support, stuttering 6–10 yr olds, 31059
smoking cessation, pulmonary maximum midexpiratory flow & forced expiratory volume & vital capacity, 24–55 yr olds, 3 & 6 mo followups, 638
snoring & occurrence of anxiety dreams, male 60–65 yr old WWII veterans with PTSD, 25855
social interaction & standing vs seated posture & location, BP & heart rate, normotensive adults during periods of inhibited breathing, implications for sodium regulation in hypertension, 28603
somesthetic perception sensitivity on heart beat & signal detection & respiratory resistance tasks, male vs female college students, implications for laterality, 36671
spectral & qualitative & quantitative time domain analysis of respiration & psychophysiological correlates of stress & emotions & affect, 16707
suggested bronchoconstrictor vs bronchodilator inhalation, pulmonary function & subjective breathing, asthmatic patients, 18852
symptom predictability & control during carbon dioxide enriched air inhalation, anxiety & perceived symptoms & respiration, adults with high vs low trait anxiety, Belgium, 20773
tidal volume & breathing rate & minute ventilation & inhibitory breathing & natural environment, ambulatory 22–56 yr olds, 12624
training to breathe deeply before & during injection & parental coaching, distress & coping, 3–7 yr olds & parents & staff, 18846
validity of online computer program, calculation of respiratory sinus arrhythmia amplitude, college & medical students, 8752
validity of Rockport Fitness Walking Test, cardiorespiratory fitness, moderately mentally retarded male adults, 3963
venous carbon dioxide level & respiratory rate, 26–51 yr olds with panic disorder with vs without agoraphobia vs generalized anxiety disorder, implications for cognitive hyperventilation theory, 21877
vocal intensity variation, laryngeal & respiratory function, male vs female 20–30 yr olds, 24812
voluntary changes in breathing pattern, RTs to auditory stimuli, college students, 28614
yoga relaxation & pranayama & thermal biofeedback, stress reactions & hypertension, 45–70 yr olds, India, 6872
yogic consciously controlled rhythmic breathing vs concentrated attention, middle latency auditory EPs, 21–33 yr old males, 44555
12 hr light dark alternation, circadian & ultradian variations in carbon dioxide emission, grouped vs separated male rats, 20696

Respiration—Chapters
Effect of vitamin C on transient increase of bronchial responsiveness in conditions affecting the airways, 18941

Respiration Stimulating Drugs [See Also Caffeine]—Serials
doxapram induced panic attack, 19–47 yr olds with panic disorder, 33680
tacrine, cognitive functioning & physician rated change, outpatients with probable Alzheimer's disease, commentary, 22912
tacrine, cognitive functioning & physician rated change, outpatients with probable Alzheimer's disease, 22899

Respiratory Distress [See Also Apnea, Dyspnea, Hyperventilation]—Serials
ECT, development of Cheyne-Stokes respiration, depressed 65 yr old male, case report, 18802
morphine &/vs pancuronium, stress response & plasma catecholamines & BP & ventilatory requirements, premature newborns with hyaline membrane disease, 18919
psychoneurological pathology & characteristics & treatment recommendations, children with affective respiratory attacks with vs without epilepsy, 2282
sleep disordered breathing, spousally bereaved 60–80 yr olds, 1 yr followup, 26182

Respiratory System [See Also Larynx, Lung, Nose, Olfactory Mucosa, Thorax, Vocal Cords]—Serials
cocaine smoking, respiratory & pulmonary symptoms, cocaine using 21–59 yr olds, 18002
recruitment & experimental design for assessment of lower tar & nicotine level effects on respiratory health, 18–44 yr old male smokers, UK, 7255
smoking low to middle tar vs nicotine cigarettes, respiratory health, male middle tar cigarette smokers, England, 7256
vocal intensity variation, laryngeal & respiratory function, male vs female 20–30 yr olds, 24812

Respiratory Tract Disorders [See Also Apnea, Asthma, Bronchial Disorders, Dyspnea, Hay Fever, Hyperventilation, Lung Disorders, Pharyngeal Disorders, Pneumonia]—Serials
lithium, development of myxedema coma & flaccid paralysis & prolonged respiratory failure, 60 yr old female, 6815
loss of resources & illness symptoms, expression & experience of own & supporter's anger, patients with chronic obstructive pulmonary disease & their supporters, 14186
repressive defense style & respiratory stridor, female 13–15 yr olds & male 12 yr old with somatoform disorder, 30072
sleep disturbances, patients with respiratory & cardiovascular diseases, 30018
taped relaxation message, dyspnea & anxiety, 36–86 yr olds with chronic obstructive pulmonary disease, 42557
use of spirograph, differential diagnosis of clinical forms of respiratory dyskinesia, schizophrenic males undergoing neuroleptic drug treatment, 5886

visual task & performance efficiency, adults with influenza or colds, commentary, 10254
Respiratory Tract Disorders [See Also Apnea, Asthma, Bronchial Disorders, Dyspnea, Hay Fever, Hyperventilation, Lung Disorders, Pharyngeal Disorders, Pneumonia] —Chapters
Psychiatric disorders complicating treatment of patients with pulmonary disease, 42634
Respiratory system, 2184
Respite Care—Serials
development of computerized multiagency database of respite services, caregivers of patients with Alzheimer's disease, 42824
financial viability of adult day care centers & respite services, patients with dementia, 27040
hospital respite care, activities of daily living & behavior problems & caregiver burden & depression, male 59–84 yr olds with dementia with vs without Alzheimer's disease & family caregivers, 38941
hospital respite program, stress, family caregivers of elderly patients with Alzheimer's disease, 38958
hostel based respite care, 14–19 yr olds with severe learning difficulties & their families, 30870
individual vs group psychosocial interventions & respite care, distress, caregivers, 1980–90, meta analysis, 34910
respite care, family caregivers of elderly with Alzheimer's disease, 23089
respite care, stress & coping & strain, caregivers of elderly, England, 1 yr study, 38914
respite care, subjective & objective burden & morale, 38–89 yr old family caregivers of patients with Alzheimer's disease, 6 mo followup, 30876
VA respite care program, caregiver burden & activities of daily living impairment, over 65 yr old veterans & their caregivers, 23093
1989 Children Act & respite care provision, disabled children, UK, 3 yr study, 34916
Respite Care—Chapters
Professional supportive caring for children and adolescents with chronic neurobiological disorders, 2887
Respondent Conditioning [See Classical Conditioning]
Response Amplitude—Serials
amplitude & temporal ranges of latency of visual EPs, 5–16 yr olds with congenital bilateral complicated vs uncomplicated myopia with amblyopia, 26377
auditory EPs vs oddball vs omitted stimulus paradigm, delta vs theta amplitude in P300 response, 19–21 yr olds, 16611
auditory stimulus intensity vs test repetition vs presentation mode, P50 amplitude & suppression, 19–51 yr olds, 12612
conditioning trial duration, strength of ethanol induced conditioned place preference, male mice, 4773
control of mu rhythm amplitude for movement of cursor on video screen, 25–38 yr olds, implications for communication by severely motor disabled, 44489
diazepam, latency & amplitude of P3 EPs, healthy 24–40 yr olds, 16848
discussion of classic article by P. M. Fitts on information capacity of human motor system to control amplitude of movement, 1954, 290
fear relevant vs irrelevant CS, skin conductance UCR diminution, 18–33 yr olds, Netherlands, 8378
incentive value, force of instrumental response, college students, 28338
information capacity of human motor system to control amplitude of movement, reprint, 286
moment analysis & spectral power of EEG amplitude, classification of behavioral states, college students, 44476
neural network with recurrent feedback connections, response modulation & system output amplitude, application of learning & memory model to vestibulo ocular reflex, 23905
physostigmine, amplitude vs phase spatial frequency of visual EPs, cats, 40519
prior activity & intertrial intervals in cognitive & RT tasks, recovery & amplitude of electrodermal response, female college students, 28576
pure tone & phonemic EP amplitude & latency, hearing impaired 19–56 yr olds, 6436
respiratory vs amplitude biofeedback with vs without respiratory instructions, respiratory sinus arrhythmia amplitude self regulation, 18–26 yr olds, 20766
spatiotemporal reliability of EEG amplitude distribution during baseline vs activation recording condition, 18–39 yr olds, 44467
stimulus change, prestimulus cue fear response, male rats, 16435
stimulus duration & intensity, auditory EP mismatch negativity amplitude, college students, 40448
validity of online computer program, calculation of respiratory sinus arrhythmia amplitude, college & medical students, 8752
Response Bias—Serials
affective bias, inferences, 6–14 yr olds, 40834
attitudes toward ESP & knowledge of experiment purpose, response supportive vs nonsupportive of ESP, college students, replication, 8431
attitudes toward ESP & knowledge of experiment purpose, response supportive vs nonsupportive of ESP, college students, replication, erratum, 40223
belief in paranormal & "I Ching", ratings of relevancy of information obtained through chance vs paranormal techniques, 16–46 yr old college students, Australia, replication, 40229
bias in lineups based on target/suspect similarity, suggestiveness in selection of foils, college students, 9589
conversion & mental model theories of belief bias effect, syllogistic reasoning, college students, 20277
conversion & mental model theories of belief bias effect, syllogistic reasoning, college students, commentary reply, 28262
conversion & mental model theories of belief bias effect, syllogistic reasoning, college students, commentary, 28263
correlates of failure to respond to question about future life satisfaction on rating scale & well being, 60–90 yr olds, Israel, 1167
factual vs false forward consequence inference implicit stories, susceptibility to bias in memory, 2nd vs 4th vs 6th grade regular vs gifted students, 9172
focal transcranial magnetic stimulation of motor vs prefrontal areas, response bias in forced choice task, 26–45 yr olds, 16523
GPA & Medical College Admissions Test & board examination scores, nonresponse bias in permission for followup information on residency evaluation, medical students, 31131
induced illusory correlation between phobia relevant & aversive vs fear relevant stimuli, treated vs untreated phobic adults, implications for covariation bias, conference presentation, 41624
information content & evaluative extremity, positivity vs negativity bias in morality vs competence domains of interpersonal perception, college students, Poland, 25512
knowledge of intent of analog study of gender bias in clinical judgment, social desirability of clinical ratings, psychologists, 35200
lexical decision following 4 hypnotic hallucination conditions, visual EPs & RT & response bias & sensitivity of target detection, college students, 44189
motivation for cognitive closure, augmented vs reduced overattributional bias, college students, 45220
movement objectives vs constraints & speed &/vs accuracy bias, motor control strategy in reciprocal aiming movements, 18–32 yr olds, Netherlands, 281
planned contrasts vs 2-way ANOVA vs regression analysis, role of theory in analysis of bias in escalation of commitment in clerical employee appraisals, supervisors, commentary, 28132
primary error detection & minimization strategies accounting for confirmation bias in reasoning & social cognition, 28243
random distribution vs high vs moderate spatial clustering of display item features, perceptual confirmation bias & framing effects in estimates of feature numerosity, college students, 40097

random noise & anchoring & insufficient judgment & reframing as causes of discrepancies & bias in utility encoding methods, certainty vs probability equivalence judgments, MBA students, 325
representational momentum & memory bias in left vs right implied motion, college students, 20311
response bias & accuracy of witness identification in lineups vs showups, college students, 27878
response bias, implicit vs explicit memory in word stem completion vs recognition tasks, college students, 12277
response bias in perceptual judgment of geometric illusions, adults, 32080
same vs different hand finger pairings in 2 choice RT, response competition, college students, Canada, 40050
self vs randomly selected Ss, response bias & motivation to respond to survey, computer network users, 213
sex of interviewers, responses to survey of gender attitudes, male vs female adults, 35854
sexual & demographic characteristics, prediction of nonresponse to sexual experience survey items, 18–89 yr olds, 31816
shape & directionality of geometrical vs biological vs calligraphical stimulus, bias in apparent forward facing motion, college students, 20223
social desirability & item nonresponse bias in evaluation data, 28130
strategy & content of computerized expert critic, modeling & mitigation of confirmation bias in reasoning, adults, 19846
subjectivity vs objectivity defined successive movement repetition & systematic bias, college students, implications for motor memory, 24357
threatening subliminal stimulus, response bias on perceptual ESP test, adults, replication, 40224

Response Bias—Chapters

Communicative influences in standardized question situations: The case of implicit collaboration, 216

Response Duration—Serials

CS vs UCS & VI reinforcement, maintenance vs suppression of observing response, 18–22 yr olds, 16355
intertrial interval of reinforcement rate, response bias & sensitivity of temporal discriminations, rats, 16452
memory task difficulty & interstimulus interval, blink rate vs latency vs duration, male 18–26 yr olds, 16688
verbal instructions vs task demonstration, performance on differentiation of buttonpress response duration task, 4.5 vs 6 yr olds, France, 21182
VI & quality of reinforcement, response time allocation, 14–18 yr old females with borderline range intelligence, 14080
word length, syllable duration, fluent vs nonfluent aphasic 33–83 yr olds, 30163

Response Duration—Chapters

Can duration be a relevant dimension of motor programs?, 16252

Response Frequency—Serials

auditory EPs vs oddball vs omitted stimulus paradigm, delta vs theta amplitude in P300 response, 19–21 yr olds, 16611
cis z-flupentixol induced dopamine blockade, contrast effects in response frequency for VI reinforcement schedule, male rats, 36805
cognitive vs psychomotor response rate & similarity & subcortical dementia, 33 yr old male with bradyphrenia, UK, case report, 10421
concurrent reinforcement & sequence difficulty, maintenance of response variability & frequency of selected response sequences, rats & pigeons, 44248
corticotropin releasing factor, FI vs FR reinforcement schedule response rates, rats, 36702
cyclic adenosine monophosphate phosphodiesterase inhibitors, response & reinforcement rates of behavior maintained under DRL schedule, male rats, 36846
delta-9-tetrahydrocannabinol & PCP or ethanol, response rate & accuracy under FR reinforcement, male rats, 16763
distribution of responses within sessions, rats & pigeons, 8489
DRL & FI schedule conditioning with vs without intervening FR schedule conditioning, FI response rates, rats, 40249
DRL schedule, individual responses vs response sequences & temporal contiguity, male rats, 16455
DRL schedule, timeout initiation, male rats, 24540
economic continuum of within session response independent & dependent food reinforcement & conjoint FR 50 & VI vs variable time schedule, keypecking frequency, pigeons, 28400
effects of drug dose on response rate vs ability to track reinforcement contingencies, iv self administration of midazolam, male rats, 4790
enclosure of return card, response rate to questionnaires concerning sexual behavior & illegal drug use, 18–59 yr olds, implications for AIDS research, 16083
FI vs fixed delay terminal link schedules & cued keylight stimulus conditions, matching of response ratio, pigeons, 32304
FI vs VI schedules of delayed reinforcement & intertrial interval, keypeck response rate, pigeons, 16445
FR delayed reinforcement, free operant response rate, male rats, 16436
frequency dependent selection reinforcement, response variability, pigeons, 8486
high response threshold, total scores on Lovibond-Rapaport Object Sorting Test, parents of schizophrenic patients, 5866
importance of test score to course grade, accuracy & rate of responding on introductory psychology tests, college students, 40177
informative vs uninformative reinforcement schedules, response rates & choice, pigeons, test of delay reduction hypothesis, 36330
large monetary incentives, mail survey response rates, owners of construction companies, 28155
methadone vs buprenorphine, response rate under VI reinforcement, female pigeons, application of Heyman's matching law & Nevin's resistance to change hypothesis, 28698
methylphenidate or d-amphetamine, immediate vs delayed FI reinforcement & response rate, spontaneously hypertensive rats, animal model of attention deficit hyperactivity disorder, 16854
milk with vs without ethanol as reinforcer, operant response rate, 1 vs 2 vs 3 wk old rats, 36328
monetary gratuity, response rate to mailed surveys, meta analysis, 39945
multiple VI reinforcement with vs without reinforcement delay signal, response frequency potentiation vs overshadowing, pigeons, 16453
naloxone vs chronic morphine vs intermediate efficacy mu opioids, discrimination & cross tolerance & enhanced sensitivity to response rate decrease under FR schedule, morphine tolerant male rats, 32681
NMDA antagonists, DRL responding, male rats, 28778
nonmonetary vs monetary incentives prepaid vs contingent on return, mail survey response rates, meta analysis, 35781
observational practice, response rate & rhythmicity & error in task learning, college students, 4384
operant setback contingency, schedule induced keypeck response rate vs activity level, male pigeons, 16426
quinine &/vs sucrose, licking response rate & volume of ingestion, water deprived rats, 32636
reading vs TV as concurrent activity, FI low rate responses & verbal regulation, college students, 40197
reinforcement rate & duration, response rate patterns, rats, 4461
reinforcement supply variation & VI reinforcement schedule, response rate, pigeons, application of economic regulatory reinforcement theory, 16437
resetting vs sacked delay vs immediate reinforcement, response acquisition, male rats, 16458
response cost vs restriction through change in frequency of reinforcement, response rate in multiple response repertoire, 19–35 yr olds, 28309
response frequency, validity of Rorschach Comprehensive System constellation indices & correlation with MMPI-2, 18–65 yr old patients, 24142
response rate in FI operant timing task, pigeons, 16431
restricted number of reinforced responses with VI schedule, response rate decline, male rhesus monkeys, evidence for stock optimizing strategy, 32307

sexually conditioned contextual cues & increased copulatory experience, responsiveness to female stimuli, male quails, 4449
time vs interval vs event based calculation of measures of contingency in behavioral interaction, 181
VI vs VR reinforcement, response rates, male pigeons, 32289
visual vs auditory EPs & omitted stimulus, theta response during cognitive performance, 19–21 yr olds, 16616
2 stage data collection process, response rate, fans attending sporting event, 12110

Response Generalization—Serials
amphetamine & cocaine in shock avoidance conditioning, punished leverpressing, adult squirrel monkeys, implications of generalization of behavioral history across responses, 36892
food deprivation cues, cholecystokinin vs bombesin effect on generalization to food deprivation discrimination, male rats, 44602
operant conditioning, stimulus discrimination & response generalization, pigeons, 8499

Response Lag [See Reaction Time]

Response Latency—Serials
age & sex & mathematical model of audiogram, auditory brain stem response latency, 4–82 yr olds with sensorineural hearing loss, 34258
age, P3a & P3b latency during visual discrimination tasks, 19–91 yr olds, 16638
amplitude & temporal ranges of latency of visual EPs, 5–16 yr olds with congenital bilateral complicated vs uncomplicated myopia with amblyopia, 26377
auditory vs pain stimulated EPs & motor RT measured latency in afferent conduction, male 28–42 yr olds, 20682
binocular vs left vs right monocular pecking, response latency & peck location accuracy, pigeons, 597
change in appearance of object, awareness & timing of onset of reaching movement of subjective vocal utterance, adults, 36072
cliff swallow chick begging call, acoustic perception & response latency, adult cliff swallow vs European starlings vs adult humans, 4434
construct validity for response latencies, conceptualization of personality traits as schema indicators, college students, 42
development of tone response thresholds & latencies & tuning in inferior colliculus, infant to adult mice, 8631
diazepam, latency & amplitude of P3 EPs, healthy 24–40 yr olds, 16848
disconnection of power at electric fence, time elapsed before crossing to adjoining field, wild rabbits, implications for avoidance conditioning in crop maintenance, 32303
dorsal hippocampal 8-OH-DPAT, choice accuracy & latency in spatial discrimination, male rats, 20827
forward masking of apical vs basal portion of cochlear auditory brain stem response region, wave I–V interpeak latency, 22–34 yr olds, 24784
gap between disappearance of fixation mark & appearance of target & cue lead time, attentional shift & latency of express saccades to target in extrafoveal vernier acuity task, 20–48 yr olds, 24802
high pass filter frequency, peak latencies of EPs in auditory oddball task, patients with schizophrenia vs idiopathic Parkinson's disease, 9703
impairment of simple RT & predictive tracking due to deficit in response initiation vs movement accuracy in absence of visual target, patients with Parkinson's disease, 42057
left vs right vs bilateral visual field stimulus presentation & task difficulty, response latency, 20–38 yr olds, implications for stage process model of hemispheric interaction, 20571
maximum length sequence of early vs middle vs late auditory EPs, 16–47 yr olds, erratum, 9100
memory task difficulty & interstimulus interval, blink rate vs latency vs duration, male 18–26 yr olds, 16688
model of decision making & memory comparison process & accuracy response latency in recognition memory, commentary reply, 8345
morphine hyperalgesia, thermal nociception vs respiration & response latency, 3 vs 5 vs 7 vs 14 day old chicks, 4826
naming latency for Kana vs Kanji numerals & nouns & nonwords & personal names, 21–22 yr olds, Japan, test of selection difficulty hypothesis, 12262
number of responses required & probability of reinforcement, operant vs respondent influences on response latency in foot treadle depression, pigeons, 12365
N100 & N200 & P300 latency in auditory EPs & RT, 4–21 yr olds, implications for cognitive development, 32871
online music parsing & cognitive load & response latency in divided attention paradigm, adult musicians vs nonmusicians, 32129
penalty contingencies, response timing distributions, pigeons, 4447
pictograms with class name mediators vs abstract stimuli, response latencies in emergent relations test, college students, England, implications for accounts of equivalence formation, 36148
picture vs word stimulus, response onset latency for drawing picture vs writing word, 18–30 vs 65–86 yr olds, test of mathematical model, 40792
presentation mode & practice, latency of transcription & transliteration & pronunciation of Kanji characters, college students, 16958
pure tone & phonemic EP amplitude & latency, hearing impaired 19–56 yr olds, 6436
real ischemic vs feigned pain with vs without tracking, P300 ERP amplitude & latency during auditory oddball task work load, male college students, 36613
response latency in Stroop color naming task with socially vs physically threatening vs color words, adults with social phobia, 29732
response latency vs certainty on voting intention survey, prediction of discrepancies between voting behavior & intentions, adults, Canada, 37343
scale reliability & priming dimensional activation, construct validity of differential response latencies for Personality Research Form test items, college students, 43723
simultaneous vs separate testing, instrumental sexual response latency, male vs female rats, 32290
single shock presentation, fear response onset in presence of temporal cues, rats, 8487
social anxiety, latency of response to acoustic startle stimuli during social evaluation situation, college students, 29721
social values, decision making response latencies in interdependency situations, college students, 40087
stimulus & response latency differences & ratio of reinforcer rates, conditioned discrimination, pigeons, 28405
stimulus intensity, short latency auditory EPs, 10–17 yr olds with Down's syndrome, 10173
target location in 3-dimensional visual space, saccadic latency, adults, UK, 4258
time spent in safe compartment & reward magnitude in preshift & postshift phases, response latency & avoidance performance, female rats, 433
tone burst stimulus intensity, auditory EP latency, 16–32 yr olds, 28581
tongue glossopharyngeal nerve multiunit activity, gustatory response onset time & stimulus diffusion & signal propagation, bullfrogs, 44412
visual roll stimulus, postural adjustment vs self motion perception latencies, 18–45 yr old Air Force personnel, 28627
visual stimulus, response latency of motor CRs & interhemispheric interaction, female 20–35 yr olds with depression, translated article, 37702
500 Hz tonal stimuli, characteristics of 40 Hz EPs & middle latency response, 18–40 vs 60–77 yr olds, 32495

Response Latency—Chapters
Expectancy effects, congruity effects, and the interpretation of response latency measurement, 16318
Modeling the effects of visual factors on saccade latency, 40018

Response Parameters [See Also Interresponse Time, Reaction Time, Response Amplitude, Response Duration, Response Frequency, Response Generalization, Response Latency, Response Probability, Response Set, Response Variability] —Serials
attentional vs intentional precuing of likely stimulus location vs response, Simon effect on RT, college students, 12240

behavioral reinforcement vs information processing perspective on error analysis & response certainty & elaboration in information feedback, 16282
characteristics & parameters of single responses & long latency auditory EPs, male 16–28 yr olds, 629
conjunctions of spatial frequency & orientation as function of stimulus parameters & response requirements, EPs, male graduate students, 32489
diazepam & stimulus quality & response compatibility, binary choice RT, male 21–35 yr olds, 8975
dopamine agonists quinpirole & d-amphetamine in nucleus accumbens, FR ethanol reinforced response rate & amount, male rats, 16787
food stimulus, failed ingestion attempts & changes in responsiveness, Aplysia californica, implications for associative learning, 32293
frustration induced by discontinuation of reinforcement, force of leverpressing & skin conductance, college students, 40505
intensity & duration of electrotactile & corneal airpuff UCS, likelihood & amplitude & time course of nictitating membrane UCR, albino rabbits, 16444
lateral geniculae nucleus magnocellular vs parvocellular lesions, visual response latencies & transience in striate cortex neurons, macaque monkeys, 20563
length & intensity of utterance & respiratory phase, prephonatory chest wall movements at voice initiation in RT task, 20–31 yr olds, 12656
mail survey questionnaire identification code & message about nonresponse followup, response rate & quality & attitudes & involvement, respondents, 8160
nonlinear analysis of stimulus response functions in perceived brightness, adults, analysis of psychophysical method of limits, 12152
regression for analysis of response paths in maze solving & other tasks, rhesus monkeys, conference presentation, 8133
reinforcement maximization vs matching on VI schedules, pigeons, 8500
response inhibition in go/no go task & time constraints on RT, N2 EPs component, 20–24 yr olds, erratum, 16623
response mode, habituation of P300 auditory EPs, college students, 28586
spatial proximity & similarity of stimulus & response sets, precuing benefits in choice RT keypressing task, college students, 16249
stimulus response vs cue response compatability, interference effects on Stroop like task, college students, New Zealand, 8293
temporal deblurring technique, psychophysical measurement of human visual impulse response waveform, 257
temporally isolated vs close responses, judgments of causality of response of pressing space bar, college students, 16290
50 cent incentive, mail survey response rate & speed, adults, implications for cost effectiveness, 8146

Response Probability—Serials

high probability instructional sequence with vs without escape extinction, compliance & self injurious behavior, female 33 yr old with profound mental retardation, 30375
task response probability & detection of within category deviation of visual stimuli, P300 EPs, college students, 20671

Response Rate [See Response Frequency]

Response Set—Serials

acculturation & education, extreme & acquiescent & other response set, Hispanic vs White adults, 17294
motivationally significant cues, ability to shift attention from dominant to nondominant task features or alter dominant response set, college students, 40207
random vs deliberately misrepresented response sets on Strong Vocational Interest Blank & Strong Campbell Interest Inventories, index score interpretation, 22–51 yr old females, 20115
reliability & validity of rating scale, measurement of extreme response style, adults, 11934
set shifting impairment vs distraction from nontarget stimuli, performance on Odd Man Out vs Stroop Color & Word Test, patients with Parkinson's disease, 34223

Response Set—Chapters

But it's only an inkblot, 59

Response Speed [See Reaction Time]

Response Time [See Reaction Time]

Response Variability—Serials

alcohol & drugs, interindividual performance variability in flight simulation, aircraft pilots, conference presentation, 31703
amphetamine vs heroin vs nicotine vs haloperidol vs scopolamine, exploratory pattern perseveration in radial arm maze, male rats, animal model of neurological disorders, 32656
Bicultural Generalized High Threshold model, cultural conformity & distinction of similar free answer responses to social survey, 20 yr olds & older, Japan, 24258
check size & single trial response variability, visual pattern reversal EP amplitudes, male vs female 61–75 yr olds, 8726
choice vs contingent vs selection vs simple reaction RT tasks, selection between alternative response or discrimination between alternative stimuli, 25–40 yr old right handers, 288
concurrent reinforcement & sequence difficulty, maintenance of response variability & frequency of selected response sequences, rats & pigeons, 44248
dichoptic nonius targets on CRT, psychological assessment of temporal variability of fixation disparity & accommodation, 19–39 yr olds, 16649
FR vs VR reinforcement schedules, variability of responding, college students, 32232
frequency dependent selection reinforcement, response variability, pigeons, 8486
peripheral vs CNS involvement in motor response variations with vs without knowledge of results, ipsilateral vs contralateral bias errors in subsequent criterion response, male 20–26 yr olds, 40055
practice & electrical shock, spontaneous alternation & lateralization & perseveration behavior in T-maze test, male vs female rats, 16454
RT median vs standard deviation, reflection of RT variance correlating with psychometric "g", 4th–6th graders & adults, 4189
semantic vs nonsemantic task & response type, RT & cognitive slowing, patients with Alzheimer's disease, test of task complexity function, 26312
serial model version of behavioral theory of timing & analysis & prediction of response transitions, pigeons, 32299
survey nonresponse patterns, 60 yr olds & older, Japan, 40981
utility of MMPI-2 variable response inconsistency scales, detection of random responding, male patients, 35909
variability in cognitive RT & memory & fluid & crystallized IQ, younger vs older adults, meta analysis, 40840

Responses [See Also Conditioned Emotional Responses, Conditioned Responses, Conditioned Suppression, Emotional Responses, Mediated Responses, Orienting Responses, Unconditioned Responses]—Serials

dopamine & opioid antagonists & agonists, motor responsiveness to milk & perioral stimulation, fetal rats, 32690
early strategies & responses, increase in violence & forms & severity of physical & emotional abuse, 19–64 yr old females in short vs long term abusive relationship vs out of relationship, 17908
elementary readers' discourse about text & process of response to literature across dimensions of people & context & time, male 5th grader, 3444
encoding of response outcome vs outcome response associations, instrumental learning, male rats, 453
environmental responsiveness to novel visual & olfactory & auditory & tactual & complex stimulation, sows, 32280
food acquisition controllability, disk-pull response persistence & sensitivity during response noncontingent inescapable shock, male rats, 32308
inhibition of dominant responses in cued RT task, male incarcerated psychopaths & college students with low socialization, 45600

item construction & psychometric models for constructed responses format in measurement of complex & dynamic response processes, 31947
Language to Literacy program involving being read to & opportunities to respond to literature, learning, 2nd graders & their teachers, 3347
meanings of rational vs emotional psychological consumer states as types of language, 39569
perceptual memory task with vs without motor process initiation & frontocortical DC potential shifts, task response prediction, 22–31 yr olds, Austria, 24771
proximity to hazardous chemical complex, reactions to emergency warning messages about industrial accident, residents, France vs Greece vs Netherlands, 3847
random responding or malingering, validity scales of MMPI-2, nondisordered Ss, 4030
reader response prompts, writing & critical thinking about literature & transactions with text, 4th graders, 3350
response independent outcome, response & outcome associations, male rats, 4469
self report validation of F & Fb & VRIN indices, detection of random responding on MMPI-2, college students, 3998
stimulus expansion vs contraction & location change, perception of affordances vs directional coding in stimulus response compatability, adults, 20228
stimulus intensity vs response type vs memory set size, information processing stages of memory search task using EPs, male college students, 12620
survey design, response rate, difficult to reach inner city families with problem adolescents, 4216
tone & VI schedule reinforcement delay, blocking in operant responding, 19–32 yr olds, Germany, 32205
triazolam vs placebo vs d-amphetamine, discrimination in standard 2 response vs novel response procedures, male 19–32 yr olds, 28670
Responses [See Also Conditioned Emotional Responses, Conditioned Responses, Conditioned Suppression, Emotional Responses, Mediated Responses, Orienting Responses, Unconditioned Responses]—Chapters
Behavioral responses to cyclophosphamide in animals with autoimmune disease, 12917
Clinical and laboratory predictors of ECT response, 30553
Preference for unpredictability is reversed when unpredictable nonreward is aversive: Procedures, data, and theories of appetitive observing response acquisition, 8510
Response acquisition, 28415
Response activation and verification: A psychophysiological analysis, 24837
Salient-features coding in response selection, 24380
Responsibility [See Also Accountability, Criminal Responsibility]—Serials
attitudes toward US hazardous waste policy on allocation of liability & clean-up cost, professional personnel, 39607
blame & New Age neofeminism & disempowerment in subliminal self hypnosis tapes for PMS & abortion aftereffects & sexual abuse, females, 18811
bystander intervention variables of diffusion of responsibility & ambiguity, helping responses to suicidal peers, 9th & 11th graders, implications for suicide prevention programs, 41681
cause & maintenance of achievement status & ability, perceived deservingness for success, high school students, Australia, 5173
child aggressiveness & provocativeness & child & parent sex, attribution of blame in physically abusive parent child interaction, college students, 33779
child care experience & responsibility, disadvantaged rural vs urban pregnant 14–18 yr olds, 21237
competence & responsibility in intelligent systems, 23875
confusion about mandated reporting of child abuse, teachers & clergy, 37898
creative awareness & moral & social responsibility, 45263
employment & marital status & role participation of mothers vs fathers, perceived responsibility for child's school adjustment, college students, 41124
filial attachment & obligation, motivation for caregiving behavior & subjective burden, 33–70 yr old daughters caring for 63–99 yr old mothers, 42821
goal setting & responsibility in alcoholism recovery, 35040
good vs bad deed performed by male vs female with crazy vs sane explanation, responsibility attributions & sanity & commitment judgments, 18–60 yr olds, 37593
inflated responsibility & guilt & obsessions, 25867
intentionality & validation of protagonist's misdeed, moral evaluation & personal & collective responsibility attribution & justice judgment, junior business executives, Hong Kong, 5550
legal & ethical issues & rights & responsibilities, mentally retarded parents, 41884
legal rights & responsibilities of involved parties in workplace sexual harassment, 31593
level of irresponsibility associated with alcohol related behaviors, college students vs law enforcement officers vs beer distributor employees vs bartenders vs health educators, 41189
moral judgment & action in hypothetical conditions, 5th graders & their teachers, West Germany, application of model of moral responsibility, 25241
perceived blameworthiness of target's action, judgment of causal impact on harmful outcome, college students, 1403
perceived justification & length of assigned prison sentence for murder of spouse vs rival by husband vs wife following marital infidelity, male vs female 18–69 yr olds, 33910
perceived responsibility & judgments of sin & sickness in general theory of social motivation, 45221
perceived responsibility for control over loneliness, psychological well being, 65–74 yr olds, Sweden, 13194
perceptions of responsibility to care for elderly dependent parents, adult children, Canada, 45039
perspectives on responsibility for learning, 6th–7th graders, 27524
power, choice & responsibility & service & treatment, female long term mentally ill, implications for feminist psychologists, 19020
psychoanalytic interpretation of responsibility & accountability & foolishness in tale of Sir Gawain & Green Knight, 25044
responsibility attributions for negative wife behavior, maritally violent & distressed husbands, 29781
role of ultimate responsibility in clubhouse model of psychiatric rehabilitation, mentally ill & staff, 23186
self concept vs personal responsibility for aversive outcome in cognitive dissonance, commentary, 9638
sex & SES & mental health & kin role relationship, perceived obligation in family relationships, 20–49 yr old spouses vs college students, 17325
sex role attitudes & victim's use of physical resistance, perceptions of rape victim's responsibility, female college students, 13897
sexual connotativeness of female victim's nonverbal behaviors & verbal responses during forced sex scenarios, perceptions of victim's desire for sex & sexuality & responsibility, males vs females, 21931
sociological perspective on recreancy & analyses of risk perceptions related to technological & societal & institutional responsibility, 45053
TAT measures of power motivation & responsibility, prediction of long term management success, managers, 16 yr study, 165
victim's resistance, judgment of consensuality in rape, adults, 45682
views of government responsibility & feelings of stigma about financial support for in home care, 25–90 yr old caregivers of 65–99 yr old disabled veterans, 7111
Responsibility [See Also Accountability, Criminal Responsibility]—Books
Psychology and social responsibility: Facing global challenges, 1186
Responsible science: Ensuring the integrity of the research process, Vol. 1, 11329
Rights, freedoms, and responsibilities of students. New directions for student services, No. 59: The Jossey-Bass higher and adult education series, 23432
Who is responsible for my old age?, 21306

Responsibility [See Also Accountability, Criminal Responsibility]—Chapters
Blaming the child: Attribution of responsbility to victims of child sexual abuse, 35747
From a genocidal mentality to a species mentality, 1195
Promoting sexual responsibility in adolescence, 18500
Responsibility, 7986
Teaching social responsibility in the schools, 3415
Youth as resources: A new paradigm in social policy for youth, 1143
Restraint (Physical) [See Physical Restraint]
Restricted Environmental Stimulation [See Stimulus Deprivation]
Retail Stores [See Retailing]
Retailing—Serials
alcohol regulations & beverage prices & per capita outlet densities, alcohol consumption assessed through sales, survey data from 49 states, 41190
associative attitudes toward store & evaluative store attributes, prediction of primary store choice, shoppers, 19798
attitudes toward secondhand goods stores & store image & perceived product quality, store patronage, customers, 39562
brand familiarity & reference prices in retail advertisement, price perception shopping intention, college student consumers, 15746
buying competency attitudes, retail buyers vs managers vs merchandising students, 31640
community based merchant education program, reduction of illegal sale of tobacco to minors, community members & law enforcement officials, 26951
community wide educational effort, cigarette sales, minors, 1 yr followup, 13088
exterior vs interior environmental cues of retail fast food restaurants, market share & attitudes & perceived prototypicality, college students, 15745
instore influence & visual perception, impulse or unplanned purchasing, customers, modification of classical views of buyer behavior, 23814
job attitudes & characteristics, dysfunctional organizational turnover, 20–50 yr old & older chain vs nonchain retail store buyers, 15647
model of product category competition & effects of category pricing & promotion, grocery retailers, 31653
nutrition education program through supermarket intervention, food purchasing behavior, consumers, 2 yr study, 10899
planned vs unplanned & major vs fill in shopping trip at favorite vs nonfavorite store, store coupon & in-store feature purchases, grocery shoppers, 31639
price discount vs extra product promotion, preferences based on nominal values vs unit price, 21 yr old & older grocery shoppers, 31633
product selection criteria & information sources, perceived satisfaction with store performance, small retailers, 31631
retailer & brand image, females, 3780
satisfaction with apparel fit & catalog attributes, female 55 yr old & older catalog shoppers, 43543
shopping experience, price & value & quality perceptions in retail setting, consumers, 39566
store's ambient & social atmosphere, patronage decisions, retail consumers, 39560
store's compliance with city no smoking law, retail store employees, 24 mo study, 31745
structural model of cooperation & conflict & dependence & power in & satisfaction with supplier dealer relations, farm & power equipment dealers, 15685
uncertainty about product's price promotion pattern, timing of purchases, shoppers, 31636
2-factor higher order model of perceived psychological climate in retail service environment, sales personnel, application of multiple stakeholder perspective, 7676
Retailing—Chapters
Consumers in retail environments, 35641
Retail environments and spatial shopping behavior, 35643
Retaliation—Serials
moral judgment of aggressive retaliation against siblings or friends, 8–10 yr olds, 29019
perspectives on revenge & conflict escalation & suggestions for conflict management, 33231
Retardation (Mental) [See Mental Retardation]
Retarded (Mentally) [See Mentally Retarded]
Retarded Speech Development—Serials
simultaneous vs alternating nontarget stimuli in instructive feedback during direct instruction, acquisition of target stimulus, 4.6–5.1 yr olds with language & speech delays vs hearing impairment, 39363
speech & language delays, mentally retarded 6 mo to 29 yr olds, India, 26096
understanding & accuracy & strategies in glossing of child's utterances & words, caregivers of speech delayed 3.2–5.9 yr olds, implications for intelligibility assessment in phonological disorders, 14126
Retention [See Also Recall (Learning), Recognition (Learning)]—Serials
acquisition & retention of concurrent object discriminations, female 11 vs 20–23 yr old monkeys, implications for measurement of information processing selectively sensitive to aging, 36321
acquisition & retention of delayed alternation tasks, female rats genetically deficient in vasopressin, 12496
ACTH analog ORG 2766 dosage & administration time, pattern vision & retention, male rats with lateral vs medial occipital lesions, 36878
age, acquisition & retention of delayed reversal task, 7–27 mo old male mice, 8470
age, acquisition vs forgetting vs retrieval of name & face associations & grocery list items, 17–92 yr olds, 44918
age, retention of passive avoidance response, male C57BL/6 mice, 12357
aging, footshock avoidance acquisition & retention, senescence accelerated vs C57BL/6Nnia mice, 44236
amygdala vs septal vs hippocampal injection of NMDA vs cholinergic muscarinic vs GABA-A receptor agonists vs antagonists, retention, male rats, 8916
amygdaloid opioid activity, cholecystokinin induced memory & retention enhancement, male mice, 8897
anxiety & depression & hostility & subjective comprehensibility & recall & retention of medical information, 19–50 yr old nonpatient volunteers, England, 20324
assigned vs participant set vs generalized goals, skill acquisition & retention in prone shooting task, college students, 4408
audio cassette assisted memory training, retention, patients with early stage Alzheimer's disease, 1 & 2 wk followups, 38209
central amygdaloid nucleus lesion, conditioning to & retention of shock avoidance, male rats, 40404
cerebellar cortical lesion, nictitating membrane response acquisition & retention, male rabbits, 32461
cerebellectomy, learning & retention of spatial orientation task & spatiotemporal organization of exploratory behavior, male rats, 20517
cerebellectomy, retention of exploratory behavior habituation, male rats, 12498
CS duration, facilitation of avoidance conditioning & long term retention by platform method, male rats, 28391
cue familiarity vs target retrievability, feeling of knowing & metacognitive judgments, college students, 44097
degree of learning vs testing vs retention interval, rate of forgetting, college students, Canada, 16358
degree of overlearning & type of task & length of retention period, effect of overlearning on retention, meta analysis, 4376
domoic acid, hippocampal seizures & convulsions & memory deficits in learning of maze task, rats, 28756
dosage of D1 or D2 dopamine receptor antagonists &/vs agonists, avoidance conditioning retention, male mice, 25016
duration of perceptual processing of target words, implicit vs explicit retention test performance, college students, Japan, conference presentation, 36188
enkephalin & metabolite Tyr-Gly-Gly, active avoidance retention, male mice, 4921
examiner related visual cues, WAIS-R Digit Span subtest, college students, 44142

explicit vs implicit memory test instructions, dissociation effects, college students, Japan, 4395
exposure to halothane anesthesia, retention & induced retrograde & anterograde amnesia, male mice, 12877
fictional vs historical context of film drama, retention, college students, 36914
food stimulus, failed ingestion attempts & changes in responsiveness, Aplysia californica, implications for associative learning, 32293
fuzzy logic vs prelabeling integration training models, transfer & retention in learning to lipread, female college students, 44033
generation & retention of mnemonic organizational strategies, 3rd vs 6th graders, 28900
GM1 monosialoganglioside at different ages during development, retention of inhibitory avoidance task, male mice, 24878
immediate vs delayed recall & recognition & retention of primacy vs recency regions of word list, adults with Huntington's vs Alzheimer's disease, 30218
immediate vs delayed testing after statistical reasoning training, retention & transfer & generalization, college students, commentary, 20325
instructive animation &/vs concurrent vs successive oral narration, retention of & problem solving in learned task, college students, 15389
instructor set performance goals, motor skill acquisition & retention of rifle shooting, college students, 15365
interpretation & retention of affective reactions of TV characters, preschoolers, 13043
interstimulus interval & initial acquisition & retention in classical conditioning of nictitating membrane eyeblink, 7 vs 36 mo old rabbits, 24526
intraamygdala NMDA receptor antagonists, acquisition & retention of inhibitory avoidance, male rats, 8925
learning level achieved & method, long term retention of foreign language vs mathematics vs cognitive psychology vs literature course information, former students, 16333
lecture time & cuing, note taking & immediate retention, college students, 15403
lesion of olfactory pathway, retention of odor detection & discrimination, male rats, 20586
level of original learning & overlearning, long term retention of recall vs multiple choice items, college students, 4 & 11 mo followups, 35372
level of processing of visual vs auditory words vs pictures & masking of target vs lure, remember vs know judgments in recognition memory, college students, 40186
LH releasing hormone analog, appetitive discrimination learning & retention & reversal, 4 vs 12 mo old female rats, 20944
lidocaine induced reversible inactivation of nucleus of solitary tract, memory formation & retention in inhibitory avoidance task, male rats, 20598
list strength effect during item recognition & retention, application of theory of distributed associative memory, 32216
long interval retention, hypoxia induced memory deficit in FI schedule, male rats, 44504
mathematic models for Brown-Peterson methodology for study of retention of individual verbal items over short time periods, 4385
meaning, learning & retention, conference presentation, reprint, 12288
memory for recent vs childhood odor name associations, 17–22 yr olds, 20310
memory retention & sensitivity to memory enhancing drugs, senescence accelerated mice, 44617
memory retrieval, retention, college students, 16330
mnemonic strategy, delayed retention of place names & locations, college students, 44156
muscimol vs baclofen vs picrotoxin vs bicuculline vs CGP 35348, memory consolidation & retention of inhibitory avoidance response, male C57BL/6 vs DBA/2 mice, 44593
nicotinic receptor agonists, retention of inhibitory avoidance response & influence of dopamine antagonists, male mice, 32587
observational practice, acquisition & retention of & hierarchical control in key pressing task, adults, replication, 8275
online feedback, natural language computer interface performance & skill retention, adults, 31666
parietal cortex vs hippocampal lesions, acquisition & retention of spatial task, rats, 20547
passive avoidance conditioning before vs after xylazine, state dependent retention, male rats, 739
PCP, acquisition vs retention of spatial continuous recognition memory task, male rats, 36806
pecking vs food, retention & coding of food vs nonfood sample in delayed conditional discrimination, pigeons, 44256
peptide beta casomorphin derivative, retention of learned active avoidance, adrenalectomized male rats, 32695
picture vs work presentation format & retention interval, repetitively primed picture naming & item recognition, language/learning disabled 4th graders, 10150
placebo vs caffeine vs diazepam, attrition of Zeigarnik effect, medical students & interns, 24849
postevent information about new mobile, retention of information about original event & mobile, 3 mo olds, 37054
posttraining dopamine receptor agonists vs antagonists, retention of inhibitory avoidance response, DBA vs C57 vs B6D2F1 male mice, 8876
posttraining norepinephrine to central amygdala, acquisition & retention of passive or active avoidance coping behavior, male Roman high avoidance vs low avoidance rats, 40405
posttraining 4-OH amphetamine vs d-amphetamine, win-shift radial maze retention enhancement, male rats, 24954
preoperative training, inhibitory avoidance retention performance after NMDA induced lesions of amygdaloid complex, male rats, 4608
pretest amygdala &/or hippocampal 6-cyano-7-nitroquinoxaline-2,3-dione, retention of inhibitory avoidance or habituation to novel environment, male rats, 40526
pretest scopolamine, retrieval & memory storage decay in staircase maze procedure, male rats, 32670
pretraining vs posttraining muscimol in medial septal area, retention in place learning & inhibitory avoidance task, male rats, 16834
prior cuing of CS, acquisition & retention & memory reactivation of conditioned aversion, preweanling rats, 448
protein kinase C & corticotropin releasing factor modulated protein phosphorylation in hippocampus, retention performance on passive avoidance task, male rats, 36519
recollection vs retention, transpersonal vs rational approach to memory, 8355
REM sleep & dreaming, retention & search activity restoration, humans, 20706
repetition practice, acquisition & retention & generalization of speed in word naming, good vs poor reading 3rd–4th graders, 39263
response bias in recall of past vs prediction of future experiences, college students, replication, 25543
response confidence & delayed vs immediate feedback, posttest performance, college students, 44117
retention & recall of images from art museum field trip, middle school students, 18 mo followup, 27496
retention & spatial learning over lupus-like disease course, autoimmune MRL-1pr mice, implications for cognitive & behavioral effects of change in severity, 36644
retention interval, comprehension of chance of forgetting, 3 vs 4 yr olds, 40832
retention interval, memory for serial lists of pictures, 25–35 vs 65–75 yr olds, 44880
reversible lesion by local cooling of red nucleus, behavioral CR inhibition & learned unit activity & retention in interpositus, male rabbits, 32380
reversible lesions of cerebellar interpositus nucleus, acquisition & retention of classical CRs, male rabbits, 16532
schema abstraction vs exemplar based model of motor skill memory representation, prediction of response bias in novel task transfer & retention, right handed male college students, 24458

scopolamine & cue salience, locomotor exploration following retention interval in response-to-change paradigm, male rats, 44669
scopolamine dosage, acquisition & retention of negative patterning discrimination, male rats, 738
selective delta opioid agonist, acquisition & retention of active avoidance, male rats, 16817
self questioning vs summarizing vs notetaking review strategies, immediate recall & lecture retention, college students, 3442
self vs peer generated text production, exact replacement cloze performance & meaning change & retention, 6th vs 8th vs 10th graders vs college students, educational implications, 971
sensitivity of 1 vs 2 bottle testing method, detection of overshadowing & taste aversion retention differences, male rats, 44229
sex & aging, acquisition & retention of matching to sample tasks, rats, followups, 28387
sex & short &/vs long term vs do your best goal setting, skill acquisition & retention of rifle shooting task, college students, 11712
simultaneous vs successive presentation of natural concepts, retention, 12–16 yr old students, 3378
single vs compound element taste, aversion retention, male rats, 4441
sleep stage, search activity or renunciation mediation of memory & retention in prepared vs unprepared learning, 20705
spatial &/vs descriptive narrative text type & drawing instructions & test occasion, conjoint retention in map drawings based on text content, college students, 16364
spatial deficit vs defect in inhibitory processing, retention in delayed spontaneous alternation paradigm, lurcher mutant mice, implications for cerebellar involvement, 40248
stimulus variability in speech production, perception & memory & retention & detection of differences between speech sounds, 2 mo olds, 933
tandospirone or buspirone, retention of fear conditioning, male mice, 32684
temporal vs color stimuli associated with same comparison choice in many to one delayed matching to sample task, retention, male pigeons, 44255
test expectation & subject matter & passage length, retention & reading speed & study tactics, college students, 3458
test form, retention & recall of clinical information previously learned for exam, medical students, 23382
thermal peptides, retention of footshock avoidance training, male mice, 28707
time & context, proactive & retroactive interference on retention in discrimination reversal learning, male rats, 24523
time since course completion & grade & context with & interest in course material & age, retention of conceptual vs specific knowledge in cognitive psychology, ex-college students, commentary reply, 3429
TOAST study system vs student selected study methods, retention of vocabulary, 6th graders, 15368
triazolam & devazepide & cholecystokinin B preferring antagonist L-365,260, memory retention in social recognition paradigm, male 6 mo & 1 yr old rats, 36818
TV viewing vs reading of story, mental effort & retention & inferential learning, 4th vs 6th graders, Netherlands, 47158
varied relative frequency of knowledge of results, acquisition vs retention of motor skill learning, female college students, 295
ventral hippocampal arginine vasopressin or antiserum, retrieval & relearning in visual discrimination & immunoreactive fiber changes after medial amygdaloid nucleus lesion, male mice, 32667
5 vs 15 sec intervals, short term retention of spatial locations in tapping & backwards counting, college students, 8366

Retention [See Also Recall (Learning), Recognition (Learning)]—Chapters

Constraints on memory, 24482
Developmental issues in flashbulb memory research: Children recall the Challenger event, 25191
Flashbulb memories: Confidence, consistency, and quantity, 24473
The long-term retention of skills, 376
Phantom flashbulbs: False recollections of hearing the news about Challenger, 24479
Potential flashbulbs: Memories of ordinary news as the baseline, 24476
Preschool children's memories of personal circumstances: The fire alarm study, 27362
Remembering personal circumstances: A functional analysis, 24480
Remembering the details of emotional events, 24481
"Time present and time past.", 470

Retention Measures [See Also Wechsler Memory Scale]—Serials

clinical validity & validity of children's version of Selective Reminding Test, measurement of memory skills, 8–12 yr olds with learning disabilities or seizure or neuropsychological disorders, 134
normative scores on Rey 15 item Visual Memory Test, adult psychiatric inpatients, 43766

Retention Measures [See Also Wechsler Memory Scale]—Chapters

Developing a memory "thermometer": A theoretical framework and initial results, 14415

Reticular Formation—Serials

electrical stimulation of peribrachial region of reticular formation, timing & amplitude of visual evoked discharge of lagged vs nonlagged cells of lateral geniculate nucleus, cats, 16622
focal electrical brain stimulation in nuclei reticularis gigantocellularis & gigantocellularis pars alpha, spinal nociceptive transmission, paralyzed male rats, 603
hypoglossal & glassopharyngeal sensory feedback & reticular central pattern generators & surgical transection of selected nerves, evolutionary feeding behavior, frogs, conference presentation, 16568
lesion isolating brain stem reticular formation, threshold measurement of cortical electrical stimulation & EEG activation reaction, cats, translated article, 8645
neurotoxin lesion of subnucleus reticularis dorsalis, diffuse noxious inhibitory controls on spinal convergent neuronal activity, rats, implications for pain perception, 20507
nootropic Solcoseryl, pontine reticular formation kainic acid induced excitotoxic brain injury & status epilepticus, male rats, 40631
paired tone stimulus, auditory EPs in reticular formation & electrically induced auditory sensory gating in hippocampus, male rats, 40430
procyclidine vs levodopa, audiospinal facilitation reflecting functional changes in reticular nuclei, 51–75 yr olds with Parkinson's disease, 26882
stereotaxic rostral mesencephalic reticulotomy, patients with intractable pain, 11 yr followup, conference presentation, 18870
stimulation of muscle beneath acupuncture point induced inhibition in reticular formation & EPs & neuronal activity in periaqueductal gray to noxious stimuli, rats & rabbits, 28556

Reticular Formation—Chapters

Maintenance of neuronal plasticity in the reticular core and changes in trophic activity in Alzheimer's disease, 24727

Retina [See Also Cones (Eye), Ganglion Cells (Retina), Rods (Eye)]—Serials

axon outgrowth from retina & lateral geniculate nucleus & striate cortex during prenatal development, ferret embryos, 28519
electroretinography parameters & retinal changes, patients with seasonal affective disorder, 9815
hierarchical model of visual motion analysis at cortical & retinal levels, 8651
intraretinal grafts, light inhibition of acoustic startle reflex & visual function, light blinded rats, 32384
localization of cyclic adenosine monophosphate phosphodiesterase in olfactory & gustatory & retinal sensory systems, male rats, 44384
long term lithium & light, lithium uptake in retina vs other ocular tissues, male rats, 8872

morphological development of parafoveal & midperipheral retina, postmortem fetal to adult eyes, 12991
neural theory & model of retinocortical dynamics, 35710
overlap of visual fields, ipsilateral retinal projections, 2 species of turtles, 20533
preattention & cognitive processes, perceptual completion of visual information at blind spot on retina, 18–35 yr olds, 32037
prior knowledge as supplement to retinal image information & deliberate miscuing by bowler, visual judgment of ball angle & location, cricket batsmen, 11723
pupil entry & retinal illuminance & photopigment optical density, color matching, adult Os, 28490
retina area stimulation & optic flow, judgment of heading, Os, 36074
retinal anatomy & multistage model of color processing, 43968
retinal error signal & fixation point & field of visual stimulation, latent periods & amplitudes of horizontal saccades with fixed head, 25–30 yr olds, 245
retinal location of preferential fixations in visual field, 24–98 yr olds with central scotoma, 42122
retinal position specific learning & other learning effects for random dot stereograms, learning of surface properties & depth edges & internal depth regions, adults, 8213
retinal velocity in optic flow & depth perception through motion, 36095
spatial & temporal frequency of moving stimuli, retinal starburst amacrine cell release of acetylcholine, rabbits, 36545
suprachiasmatic nucleus lesions, behavioral & rod outer disk shedding rhythm, male rats, implications for retinal clock mechanism, 36565
temporal differences between color pathways within retina as origin of subjective colors, test of temporal signal processing model, commentary, 44407
text scrolling in scanning laser opthalmoscope, assessment of reading performance & visual function at retinal locations, 25–75 yr olds with normal vision or macular disease or degeneration, 6428
theory of visual processing based on redundancy reduction, derivation of color coding & other retinal transfer functions, goldfish & primates & other species, 8440

Retina [See Also Cones (Eye), Ganglion Cells (Retina), Rods (Eye)]—Chapters

Intracerebral retinal transplants, 20632
Retinal transplants improve vision in light-blinded rats: Behavioral results from the use of a new retinal transplantation technique, 20617

Retinal Eccentricity—Serials

array exposure duration & brightness & number of array items & retinal eccentricity, performance in partial report tasks, adults, 12149
contrast discrimination & eccentricity, oscillatory motion detection threshold across visual field, adults, 16206
eccentricity & spatial aliasing by extrafoveal retina, discrimination of low pass filtered vs unfiltered edges, adults, 16169
eccentricity, position & movement acuities in spatial scaling, adults, 8232
retinal eccentricities & location, shape & extent of spatial interaction zones in parafovea during spatial discrimination, 24–34 yr olds, 4687
stimulus duration & global & local information eccentricity in hierarchical patterns, processing dominance, 22–35 yr olds, 43983
stimulus magnification & eccentricity, spatial scaling of Vernier acuity thresholds for abutting lines vs separated dots, adults, 262
stimulus size & macular pigment & retinal eccentricity, spectral sensitivities of red green & yellow blue opponent color responses, male adults, 8201
target eccentricity & oscillation frequency, steady state accommodative responses, 33–38 yr olds, 4676
target eccentricity, slow control velocity & stability & direction of eye movements, Os, application of velocity vs position corrective models, 32076

Retinal Ganglion Cells [See Ganglion Cells (Retina)]

Retinal Image—Serials

direct vs binocularly fused cyclopean representation of target with uniform vs split surround & retinal image contrast vs context, neural mechanisms of target brightness, adults, 16196
dissimilar left & right eye stimuli, binocular vision, adults, translated article, 16193
narrow vs wide aperture, anorthoscopic images, adults, 28205
postsaccadic sensitivity to retinal input during picture scanning, visual recognition, Os, 36094
procedure for production of luminance distribution of perceived image of scene & mathematical modeling of visual inhomogeneity & decreased acuity with eccentricity, Os, 240
pupil size & grating orientation, wavefront aberration & ocular modulation & phase transfer function, adults, 4688
real & optimal neural images in visual system information processing, blowflies, 20594
stages of & retinal image segmentation cues in motion processing challenging theoretical notions of modularity in visual system, primates, 36312
static fixation vs tracking during image motion over retina, motion aftereffect, adults, 24326
target fixation & retinal position, induced motion, college students, Canada, 32083

Retinal Image—Chapters

An essay on texture: The extraction of stimulus structure from the visual image, 24335

Retinal Vessels [See Arteries (Anatomy)]

Retirement—Serials

age & occupation, working vs early retirement or disability pension status, male 65 yr old & younger blue vs white collar workers before vs after 1st myocardial infarction, Sweden, 34126
age & sex & healthy vs unhealthy habits & education, retirees, 34791
career counseling interventions & barriers, retirement adjustment, elderly, 31466
career development, former football players, 3632
death of spouse, economic well being following retirement, widows vs widowers, 10 yr study, application of hazard model, 25296
demographic & personal characteristics, life satisfaction, 58–84 yr old early vs regular retirees, 13205
development & factor analysis & reliability & concurrent & discriminative validity of Retirement Satisfaction Inventory, elderly retirees & professional service providers, test appended, 15920
employment & family transition after retirement of husband vs wife, elderly couples, 37217
evaluation of leadership & personal development program, 58–73 yr old retirees, Canada, 5261
learning motivation, negotiation of retirement transition, 55 yr olds & older, 45022
leisure activities connected with occupation & hobbies & social interaction, life satisfaction, urban male retired government employees, India, conference presentation, 21294
life course perspective on sequential retirement & family characteristics & roles, 55 yr old or older couples, 45093
life events, adaptation to retirement transition, male vs female 50–85 yr olds, 1172
participatory learner vs lecture & discussion preretirement course, involvement & information gain & attitude & behavior change, nonacademic university employees, 3645
perceived occupational risk & retirement age recommendations, college students, 27622
personality traits, life satisfaction, retirees, application of heuristic models, 40989
postretirement health insurance vs medigap coverage as Medicare supplements, elderly, 17239
psychosocial factors as predictors of early retirement, 35–54 yr olds with chronic low back pain, Finland, 4.5 yr followup, 6227
psychosocial factors, transition to & satisfaction before & after retirement, 52–71 yr old academic professors, 1 yr followup, 3300

psychosocial perspective on retirement, females, implications for policy making, 21410
reasons for retirement from sport & coping strategies & support networks, transition from high performance sport, transitional athletes, 43526
retirement, alterations in social support networks, 55–65 yr old males, 1174
retirement planning, 50 yr old & older psychiatrists, 27283
self reported proximity to retirement, perceived job tension & fatigue, nonretired male 50–69 yr olds, 35574
sense of coherence & personality & coping with life stressors, health during retirement transition, 60 yr olds & older, 4 yr study, 21284
SES & health, social participation, retired 66 yr olds, Finland, 16 yr study, conference presentation, 13207
social & role & environmental & resource & lifestyle & religious & individual difference variables, retired 47–93 yr old actual vs latent vs conditioned volunteers vs nonvolunteers, 25313
socialist feminist approach to aging & retirement, retirees, 47336
work & retirement attitudes, 50–65 yr old workers vs retirees, Finland, conference presentation, 7563
Retirement—Books
Early retirement: Promises and pitfalls, 9351
Retirement counseling: A handbook for gerontology practitioners. Springer series on life styles and issues in aging, 43388
Retirement—Chapters
Analyzing popular literature: Emergent themes on marriage and retirement, 9425
Critical perspectives on retirement, 21310
Critical policy issues for pensions, 5312
For whom is retirement stressful? Findings from the normative aging study, 17254
Realities of retirement and pre-retirement planning, 38025
Retirement and leisure, 1178
Retroactive Inhibition—Serials
association of contextual cues with interpolated conditional discrimination learning task, retroactive interference, male rats, 44253
brief delay vs interference phase, recognition of & memory for shape vs texture of haptic stimulus, infants, 40804
CS preexposure, latent inhibition in conditioned suppression, male rats, 8457
environmental context & number of lists before vs after critical list, serial learning in proactive vs retroactive interference, college students, 20313
postevent information about new mobile, retention of information about original event & mobile, 3 mo olds, 37054
presentation of related events & retention interval, retroactive interference in matching recognition task, college students, 44134
Return to Home [See Empty Nest]
Return to Work [See Reemployment]
Revenge [See Retaliation]
Reversal Shift Learning—Serials
age, acquisition & retention of delayed reversal task, 7–27 mo old male mice, 8470
lateral vs medial laminar lesion of hyperstriatum, conditional discrimination learning & reversal, pigeons, 32411
lead vs polychlorinated biphenyls vs brain lesions, discrimination reversal learning & delayed spatial alternation, monkeys, analysis of lesion model of toxicant effects, erratum, 4850
medetomidine, reversal learning & position discrimination, aged rats, 36890
partial vs consistent reinforcement & number of trials, brightness discrimination & reversal learning in runway, male rats, 4453
partial vs total reversal of one-to-many conditional discriminations, sample matching & common coding of hue & line associations, pigeons, 24551
prenatal oxazepam, initial & reversal learning of swimming navigation, adult mice, 40546
time & context, proactive & retroactive interference on retention in discrimination reversal learning, male rats, 24523
Review (of Literature) [See Literature Review]
Revolutions (Political) [See Political Revolution]
Reward Allocation—Serials
equity of resource distribution & voice & decision framing, cooperative behavior in provision of public goods in social dilemma game, college students, 13420
interpersonal vs task orientation & interteam cooperative vs competitive reward structure, intergroup & intragroup bias, college students, 1354
organizational changes in gain sharing allocation, productivity & new work ethic & enhanced social roles, employees, 43482
sex composition of dyad & high performer vs allocator sex, self interested vs 3rd party reward allocation, college students in cooperative task, 41252
Rewards [See Also External Rewards, Internal Rewards, Monetary Rewards, Preferred Rewards]—Serials
alternative student evaluation & recognition & reward program, motivation & grades & effort & self concept of ability, disadvantaged middle school students, technical report, 35304
amphetamine vs haloperidol vs naloxone, stimulation reward from dopamine A10 region of ventral tegmentum, male rats, 16740
autistic label, verbal praise vs correction & reward vs response cost marbles during teaching of fictitious child, 18–28 yr old student teachers, 23611
balance of rewards & time in office, acceptance of rotation of management positions, kibbutz general secretaries & industrial managers, Israel, 29154
chlorpromazine, social vs alimentary reward responses in instrumental differentiation paradigm, male dogs with medical amygdalar lesions, 40570
choice apparatus configuration & post search reward presentation, scopolamine vs ketamine mediated short term memory & path optimization, male rats, 28680
choice of reward feedback, RT & proofreading task performance, college students, 16304
chronic mild stress vs pimozide, rewarding effects of sucrose concentration & food intake attenuation, male rats, implications for anhedonia, 20767
electrical brain stimulation strength & site, growth of subjective magnitude of reward, male rats, 28527
environmental rewards & punishment, dyadic interaction, couples, 29340
ERPs to reward vs punishment feedback, introverted vs extraverted 17–23 yr olds, 40484
ethanol &/vs antagonist Ro 15-4513 & CR, reward mediated place preference & activity level, male mice, 16851
ethanol, hedonic sensitivity in place conditioning paradigm & activity, male rats vs mice, 32601
FR reinforcement schedule & reward current & number of priming pulses, brain self stimulation reward summation functions, male rats, 44470
haloperidol, ethanol induced conditioned place preference & reward, male mice, 12758
instrumental responses, memory retrieval of nonreward in T maze trials, male rats, 434
intermittent vs consistent reward, shuttling response acquisition vs extinction, honeybees, 4456
intertrial interval in successive cue olfactory discrimination paradigm, odor-reward association learning & memory, male rats with horizontal diagonal band of Broca lesions, 24706
knowledge of results & rewards as compensation for sleep deprivation & signal degradation & time on task, choice reaction task performance, 21–34 yr old males, 44115
low vs high task interest & immediate vs delayed vs no reward, intrinsic motivation, college students, 20341
mild stress, reward responsiveness decrease, rats, animal model of anhedonic depression, 20776
morphine, dopamine & reward value of prefrontal cortex self stimulation, rats, animal model of drug abuse, 4769
neuroleptics or lesions of brain stem tegmental pedunculopontine nucleus, reward or motivational effects of morphine & other opiates, drug naive vs dependent rats, 4566

parallel current number trade off functions, mapping substrates for effective electrode placement for brain stimulation reward, male rats, 44401
peripheral sc vs icv vs direct nucleus accumbens injection of cocaine with odor, conditioned odor preference & rewarding properties, rat pups, animal model of drug abuse, 28668
phases of & intrinsic & extrinsic rewards in organizational mentoring programs, 15678
pimozide vs clonidine vs amphetamine isomers, brain self stimulation under FI reinforcement & reward summation, male rats, 4827
prenatal ethanol during early vs late gestation, reward efficacy of food reinforcers, mice, 16828
pulse frequency & duration, subjective reward magnitude of medial forebrain self stimulation, rats, 32493
reward & power & organizational social work relations, industrial accidents, industrial personnel, New Zealand, 15698
reward amount & delay & target color, preference in unrewarded choice tests, foraging honeybees, 36326
reward frequency, response rates & activity level, male SHR spontaneously hypertensive vs Wistar-Kyoto rats, animal model of attention deficit hyperactivity disorder, 40256
reward vs punishment, alpha power & anterior brain electrical asymmetries, 18–25 yr olds, 16637
rewarding vs stressful experiences, 14–80 yr old peace activists, 9355
schedule controlled intracranial self stimulation & reward response in behavioral pharmacology, rats, research review, 20583
scopolamine, recall for stimulus & reward associations vs recognition memory, monkeys, 44568
soft vs tough reciprocity strategies & reward structure, cooperation in social dilemma in group public goods paradigm, college students, 37431
spatial landmark stability & reward predictability, spatial & discrimination learning, rats, application of associative learning principle of predictability, 28388
structured & reciprocal peer tutoring &/vs reward, mathematics achievement & school adjustment, 4th–5th graders at high risk for academic failure, 3342
task assignment & reward interdependency, group cooperation & satisfaction & conflict & performance in classroom, college students, 31342
variance-covariance levels for rewards & delays, short term energy gain rate maximization in foraging, animals, 20411

Rewards [See Also External Rewards, Internal Rewards, Monetary Rewards, Preferred Rewards]—Books

Compensation: Effective reward management, 7590
Frustration theory: An analysis of dispositional learning and memory. Problems in the behavioural sciences, 11, 16459

Rhetoric—Serials

classical Chinese rhetorical theories & pathos in Western rhetorics, 28812
conversational remembering & rhetoric & truth, 4378
evolution of apologia as rhetorical persuasive communication, 32776
historical perspective on trends in managerial rhetoric & theory, 11631
insulting campaign rhetoric, backlash effects in candidates' trait ratings, college students, Canada, 41147
integrative complexity & political rhetoric of utterances, leaders involved in Persian Gulf War, 1990–91, 25068
moral reasoning & rhetoric in acceptibility of arguments for vs against action in AIDS related dilemmas, college students, application of L. Kohlberg's 6 stages, 6305
rhetoric & symbolic innovation of otherness in theistic religion, 29166
rhetoric concepts of parastasis catalog & syncrisis weave in family therapy, female client with vague complaints, 46330
rhetoric of claims & moral discourse in reform of post-divorce child custody & support laws, fathers' vs mothers' rights groups, 23919
rhetorical analysis vs empiricism in psychological theory, 23987
rhetorical perspective on consumption, consumers, 27765
rhetorical perspective on M. Daly's feminist hagographic theory of women as communicators, 45143
rhetorical responsive & ethical themes in Vygotskian approach to internalization of psychological functions & semiotic mediation, 40125
rhetorical visions in content analysis of newspaper articles, male vs female managers, Singapore, 35564
role of discursive practices & rhetoric in psychology, 13431

Rhetoric—Books

Defining the New Rhetorics. Sage series in written communication, Vol. 7, 36953
Reading empirical research studies: The rhetoric of research, 829

Rheumatism [See Arthritis]

Rheumatoid Arthritis—Serials

age & locus of control & spousal encouragement of reliance on self vs others, wive's mental health & adjustment, 31–77 yr old wives with rheumatoid arthritis & their 40–76 yr old husbands, 45921
antimurine brain antibodies in serum & disease activity & psychological functioning, patients with rheumatoid arthritis, 45913
behavioral treatment procedures, pain, 6–17 yr olds with juvenile rheumatoid arthritis, 2759
chronic stressors & subjective reactions, 22–82 yr olds with rheumatoid arthritis, 45929
cognitive developmental approach to illness understanding, 6–17 yr olds with juvenile rheumatoid arthritis, 30015
concepts & measurement of social support & quality of life, patients with rheumatoid arthritis, research review, 41962
criterion contamination in self report depression scale items, patients with rheumatoid arthritis, 39819
depression & pain extent & test administration method, description of pain, females with fibromyalgia syndrome vs rheumatoid arthritis, replication, 22179
depression, prediction of physical & psychosocial illness related behavioral dysfunction, patients with rheumatoid arthritis, 22172
disease activity & health status & self efficacy, pain behavior, male adults with rheumatoid arthritis, 41972
disease activity & helplessness & immunologic activation, depression & pain, male patients with definite vs class rheumatoid arthritis, 22233
group education program based on social learning theory & self management course, 22–64 yr olds with rheumatoid arthritis, 6 wk to 14 mo followups, 42573
health status & adherence with health recommendations & perceived self efficacy & social support, patients with rheumatoid arthritis, 41984
illness intrusiveness & lifestyle disruption & psychosocial impact, patients with rheumatoid arthritis vs end stage renal disease vs multiple sclerosis, Canada, 41946
illness related problems in daily vs leisure activities vs work vs social relationships, coping strategies, patients with rheumatoid arthritis, 34007
